ENHANCED INFRASTRUCTURE FINANCING DISTRICT PUBLIC FINANCING AUTHORITY AGENDA REPORT

MEETING DATE: August 10, 2026

ITEM NO: 5A.

TO: Chair and Governing Board Members

SUBJECT: Conduct the Second Public Hearing Regarding the Artesia Enhanced Infrastructure Financing District (EIFD), Infrastructure Financing Plan (IFP), and Consider Action to Adopt a Resolution Approving the IFP and Forming the EIFD

FROM: Carmen Zambrano, Management Analyst

REVIEWED AND APPROVED BY:

Melissa Burke, Deputy City Manager
Jamie Murguia, Finance Director

RECOMMENDATION:

Staff recommends that the Artesia Enhanced Infrastructure Financing District Public Financing Authority:

1. Conduct the second public hearing pursuant to Government Code Section 53398.66 regarding the Artesia Enhanced Infrastructure Financing District Infrastructure Financing Plan (IFP); and,
2. Adopt Resolution No. PFA 26-02 approving the IFP and forming the Artesia EIFD

Alternatively, if there is a protest, the PFA may: (1) Terminate the proceedings, which is required if a majority protests exists; or (2) Call a special election, which is required if a sufficient number of protests are filed, to allow qualified voters to confirm or reject the IFP.

BACKGROUND:

On October 13, 2025, the City Council of the City of Artesia ("City") adopted a Resolution of Intention ("ROI") to form the Artesia Enhanced Infrastructure Financing District ("EIFD"). On February 10, 2026, the Board of Supervisors of the County of Los Angeles ("County") adopted an ROI to participate in the Artesia EIFD. The adoption of the ROIs formally initiated the EIFD formation process and established the Public Financing Authority ("PFA"), whose role is to oversee the formation and ongoing administration of the EIFD.

On April 13, 2026, the PFA adopted its bylaws and directed the preparation of a draft Infrastructure Financing Plan ("IFP"). On April 30, 2026, notice was mailed to each resident and property owner within the proposed EIFD boundaries, as well as each affected taxing entity, notifying them of the PFA meeting scheduled for May 11, 2026, to review the draft IFP. The notice also informed recipients that the draft IFP was available for public review on the City's EIFD website at www.CityofArtesia.us/EIFD.

On May 11, 2026, the PFA held an initial public meeting to receive a presentation on and review the draft IFP. The draft IFP includes all components required by EIFD Law, including a description of the proposed public facilities and projects, financing mechanisms, tax increment revenue projections, a fiscal impact analysis, and findings of community wide significance.

On June 8, 2026, the Artesia City Council adopted Resolution No. 26-3090, approving the IFP and the allocation of the City's incremental property tax revenue within the Artesia EIFD pursuant to Government Code Sections 53398.68 and 53398.75.

Under Government Code section 53398.66, the PFA must hold two public hearings at least 30 days apart to consider adoption of the IFP. On June 26, 2026, notice of the first public hearing on July 8, 2026 was mailed to each resident and property owner within the proposed EIFD boundaries, as well as each affected taxing entity. In addition, notice of the public hearing was published in *Los Cerritos Community News*, a newspaper of general circulation once each week for four successive weeks on June 12, June 19, June 26 and July 3, 2026, preceding the hearing.

On July 14, 2026, the Los Angeles County Board of Supervisors approved the IFP by resolution, in accordance with Government Code Section 53398.68. On July 30, 2026, notice of the second public hearing on August 10, 2026 was mailed to each resident and property owner within the proposed EIFD boundaries, as well as each affected taxing entity. Notice of the second public hearing was also published in the *Los Cerritos Community News* on July 31, 2026.

At this meeting, the PFA will consider any written or oral protests and may take action to adopt the IFP and form the EIFD by resolution, or terminate the proceedings.

ANALYSIS:

The purpose of this second public hearing is for the PFA to receive and consider any written or oral protests regarding the proposed EIFD and the IFP. Pursuant to Government Code Section 53398.66, following consideration of all protests received, the PFA may take one of three actions, as appropriate: (1) adopt a resolution approving the IFP and forming the Artesia EIFD; (2) terminate the proceedings, which is required if a majority protest exists; or (3) call a special election, which is required if a sufficient number of protests are filed, to allow qualified voters to confirm or reject the IFP.

No written or oral protests or comments were received at the first public hearing held on July 8, 2026. Should no majority protest be filed at or before the close of the August 10, 2026 hearing, staff recommends the PFA proceed with adoption of Resolution No. PFA 26-02, approving the IFP and forming the EIFD.

All documents related to the formation of the EIFD, including the draft IFP, public hearing notices, and related resolutions, remain available for public review on the City's EIFD website at www.CityofArtesia.us/EIFD.

FISCAL IMPACT:

There is no fiscal impact associated with this item.

- Appendix D: Fiscal Impact Analysis

1.0 Introduction

1.1 Background & Purpose

The proposed Artesia Enhanced Infrastructure Financing District (“Artesia EIFD” or “District”) will serve as a catalyst for private development and critical regional infrastructure with transformative potential for the City of Artesia (“City”) and larger County of Los Angeles (“County”) region. The Artesia EIFD encompasses approximately 324 acres of land, representing approximately 31% of the total land area within the City. The Artesia EIFD includes various specific housing and blended-use development opportunity sites within the City that stand to benefit from catalytic infrastructure improvements with communitywide and regional benefit. The District represents a partnership between the City and the County, and as such, will be funded by property tax increment from both taxing entities.

1.2 Contents and Overview of this Infrastructure Financing Plan (“IFP”)

Pursuant to Government Code Sections 53398.59 through 53398.74, this IFP comprises the following information:

- a) A map and legal description of the District, [included herein as Appendix A and Appendix B, respectively.](#)
- b) A description of the public facilities and other forms of development or financial assistance that is proposed in the area of the district, including those to be provided by the private sector, those to be provided by governmental entities without assistance under this chapter, those public improvements and facilities to be financed with assistance from the proposed district, and those to be provided jointly. The description shall include the proposed location, timing, and costs of the development and financial assistance. [This information is included in Section 3 of this IFP.](#)
- c) If funding from affected taxing entities is incorporated into the financing plan, a finding that the development and financial assistance are of communitywide significance and provide significant benefits to an area larger than the area of the district. [This information is included in Section 4 of this IFP.](#)
- d) A financing section ([included in Section 5 of this IFP](#)), which shall contain all of the following information:
 - a. A specification of the maximum portion of the incremental tax revenue of the city or county and of each affected taxing entity proposed to be committed to the district for each year during which the district will receive incremental tax revenue. The portion need not be the same for all affected taxing entities. The portion may

change over time. The maximum portion of the City's property tax increment to be committed to the District will be 75% throughout the duration of the District lifetime. Beyond the City's standard "AB8" property tax (general fund and recreation and parks apportionments), this includes the City's allocation of incremental property tax in lieu of motor vehicle license fees ("MVLF") and incremental successor agency Redevelopment Property Tax Trust Fund ("RPTTF") residual revenues, to the extent legally available. The maximum portion of the County's property tax increment to be committed to the District will be 49% throughout duration of the District lifetime (approximating a County dollar match of the City allocation). This includes the County's incremental standard "AB8" property tax (general fund apportionment) and incremental RPTTF residual revenues, but not the County's incremental property tax in lieu of MVLF.

- b. A projection of the amount of tax revenues expected to be received by the district in each year during which the district will receive tax revenues, including an estimate of the amount of tax revenues attributable to each affected taxing entity for each year. Section 5.3 of this IFP includes a projection of tax revenues to be received by the District from each participating taxing entity by year over the course of the projected District lifetime. These projections are based on research and analysis of available data at the time of IFP preparation for purposes of illustration. Actual results may differ from those expressed in this document. Appendix C provides additional detail for the projected revenue analysis.
- c. A plan for financing the public facilities to be assisted by the district, including a detailed description of any intention to incur debt. Section 5.4 of this IFP includes a plan for financing the public facilities to be assisted by the District. The Public Financing Authority ("PFA") governing the District intends to incur debt only when it is financially prudent to do so. It is estimated at this time that the Artesia EIFD will contribute approximately \$60 million in present-value dollars to public improvements and affordable housing projects from a combination of bond or loan proceeds (multiple issuances may be necessary) and pay-as-you-go funding over the District lifetime. This is equivalent to approximately \$157 million in nominal dollars (i.e., not adjusting for inflation, or the purchasing power of money).
- d. A limit on the total number of dollars of taxes that may be allocated to the district pursuant to the plan. The total number of dollars or taxes that may be allocated to the District shall not exceed \$400,000,000 (nominal dollars) over the District lifetime. This represents a maximum allocation of \$200,000,000 from the City and \$200,000,000 from the County over the District lifetime (nominal dollars). This cap is intended to provide capacity for future financings in a scenario where actual revenues exceed projections.

- e. A date on which the district will cease to exist, by which time all tax allocation to the district will end. The date shall not be more than 45 years from the date on which the issuance of bonds is approved pursuant to subdivision (a) of Section 53398.81, or the issuance of a loan is approved by the governing board of a local agency pursuant to Section 53398.87. The District will cease to exist the earlier of: (i) forty five (45) years from the date on which the first issuance of bonds or acquisition of a loan is approved by the PFA, or (ii) June 30, 2080. This IFP assumes that the base year for the District will be Fiscal Year 2025-2026 and that the District will begin receiving tax revenues in Fiscal Year 2026-2027.
 - f. An analysis of the costs to the city or county of providing facilities and services to the area of the district while the area is being developed and after the area is developed. The plan shall also include an analysis of the tax, fee, charge, and other revenues expected to be received by the city or county as a result of expected development in the area of the district. Appendix D to this IFP includes, as part of the Fiscal Impact Analysis, an analysis of the costs to the City and County for providing facilities and services to the area of the District. It is estimated that, at Year 20 of the District lifetime (assumed stabilized buildout of District area), annual costs to the City will be approximately \$1.22 million, and annual costs to the County will be approximately \$709,000 to service the area of the District.
 - g. An analysis of the projected fiscal impact of the district and the associated development upon each affected taxing entity. Appendix D to this IFP includes an analysis of the projected fiscal impact of the District and the associated development upon both the City and the County, as the only two affected taxing entities that are contributing tax increment revenues to the District. It is estimated that, at Year 20 of the District lifetime, the District area will generate an annual net fiscal surplus of approximately \$439,500 to the City and an annual net fiscal surplus of approximately \$146,500 to the County.
 - h. A plan for financing any potential costs that may be incurred by reimbursing a developer of a project that is both located entirely within the boundaries of that district and qualifies for the Transit Priority Project Program, pursuant to Section 65470, including any permit and affordable housing expenses related to the project. At this time, the PFA does not intend to finance any potential costs that may be incurred by reimbursing a developer of a project that is both located entirely within the boundaries of the District and qualifies for the Transit Priority Project Program, pursuant to Section 65470.
- e) If any dwelling units within the territory of the district are proposed to be removed or destroyed in the course of public works construction within the area of the district or private development within the area of the district that is subject to a written agreement with the district or that is financed in whole or in part by the district, a plan providing for

replacement of those units and relocation of those persons or families consistent with the requirements of Section 53398.56. The PFA does not anticipate that any housing units will be removed as a result of any project identified in this IFP. However, if any relocation of dwelling units is deemed to be required in the future for a project financed by the District, the PFA will comply with the requirements of Government Code Section 53398.56.

- f) The goals the district proposes to achieve for each project financed pursuant to Section 53398.52. Section 7 of this IFP summarizes the goals of each project to be financed by the District.

DRAFT

2.0 Description of the Proposed District

The Artesia EIFD encompasses approximately 324 acres of land, representing approximately 31% of the total land area within the City. The Artesia EIFD includes various specific housing and blended-use development opportunity sites within the City that stand to benefit from catalytic infrastructure improvements with communitywide and regional benefit. Appendix A includes a map of the proposed District, and Appendix B is a legal description of the District.

DRAFT

3.0 Description of Proposed Facilities and Development

3.1 Anticipated Future Private Development

Anticipated future private development within the EIFD boundary is summarized in Table 1 below. Buildout and absorption of these land uses are forecasted in the first 20 years of the District lifetime.

Table 1: Anticipated Future Development

Development Type	SF / Units	AV Per SF / Unit	Estimated AV at Buildout (2026\$)
Residential – Market Rate	378 units	\$350,000 per unit	\$132 million
Hotel	111 rooms	\$300,000 per room	\$33 million
Commercial / Retail	17,900 SF	\$350 per SF	\$6 million
Estimated Total			\$172 million

3.2 Public Facilities to be Financed with Assistance from the Artesia EIFD

The PFA intends to utilize the District to contribute approximately \$60 million (in present value dollars) of funding to infrastructure and affordable housing projects of communitywide and regional significance over the District lifetime. This is equivalent to approximately **\$157 million** in nominal dollars (i.e., not accounting for inflation, or the purchasing power of money). Table 2 outlines an estimate of anticipated EIFD budget allocation over the District's lifetime.

Table 2: Estimated EIFD Funding Allocation

#	PROJECT <i>(within City of Artesia with tangible benefit to properties within EIFD)</i>	ESTIMATED ALLOCATION <i>(present-value)</i>	ESTIMATED TIMING
1	Affordable Housing Development in Artesia (20% Minimum County Requirement)	\$12,000,000	Year 1 to Year 50 of EIFD Lifetime
2	- LA Metro Southeast Gateway Line, 3% local cost match contribution - Water, sewer, other utility capacity enhancements - Roadway, streetscape improvements along Pioneer Blvd. - Southeast Gateway Line (“SGL”) First and Last Mile Improvements / Improvements to the Historic District Multi-Use Trail adjacent to the future SGL line - Park Improvements for Artesia Park and A.J. Padelford Park - Public Safety / Sheriff facilities - Broadband internet infrastructure - Undergrounding utilities	\$48,000,000	
Estimated Total EIFD Budget Allocation		\$60,000,000	<i>(present value dollars)</i>

Pursuant to category #1 identified in Table 2, the EIFD will implement a 20% affordable housing set-aside for the acquisition, construction, or rehabilitation of housing for persons of very low, low, and moderate income, as defined in Sections 50105 and 50093 of the Health and Safety Code, for rent or purchase in the City. The PFA will coordinate with the City of Artesia Housing Authority for implementation and administration of these funds and projects. The sequence in which EIFD revenues shall be allocated annually shall prioritize this affordable housing set-aside as the first priority. The PFA and City may additionally elect to coordinate with the County of Los Angeles Affordable Housing Trust Fund or another entity as an alternative or in addition to the City’s Housing Authority for the acquisition, construction, or rehabilitation of affordable housing in the City, subject to the approval of the City of Artesia City Council. Funds dedicated to these projects will be tracked and delineated specifically in the required annual reporting for the EIFD.

Funds allocated under category #2 above may be reallocated to any eligible projects under the IFP and EIFD law based on future infrastructure needs. Specific project funding will be subject to approval by the PFA.

Additional expenditures by the EIFD, including any use of potential future EIFD bond proceeds as they are needed, will be subject to approval by the PFA. Targeted improvements would conform to established guidelines in existing, adopted planning documentation, such as the City General Plan.

Eligible expenditures in accordance with Government code sections 53398.52 and 53398.56 include the purchase, construction, expansion, improvement, seismic retrofit, or rehabilitation of any real or other tangible property with an estimated useful life of 15 years or and are projects of communitywide significance that provide significant benefits to the district or the surrounding community.

The Artesia EIFD may also finance the ongoing or capitalized costs to maintain public capital facilities financed in whole or in part by the Artesia EIFD. Facilities funded may be located outside the boundaries of the Artesia EIFD, as long as they have a tangible connection to the work of the Artesia EIFD. The Artesia EIFD will also finance planning and design activities that are directly related to the purchase, construction, expansion, or rehabilitation of these projects. Projects financed by the Artesia EIFD may include, but not be limited to, all of the following:

- Highways, interchanges, ramps and bridges, arterial streets, parking facilities, and transit facilities;
- Sewage treatment and water reclamation plants and interceptor pipes;
- Facilities for the collection and treatment of water for urban uses;
- Flood control levees and dams, retention basins, and drainage channels;
- Child care facilities;
- Libraries;
- Parks, recreational facilities, and open space;
- Governmental and administrative facilities;
- Facilities for the transfer and disposal of solid waste, including transfer stations and vehicles;
- Brownfield restoration and other environmental mitigation;
- Affordable housing as authorized under the EIFD Law;
- Acquisition, construction, or repair of commercial structures by the small business occupant of such structures, if such acquisition, construction, or repair is for purposes of fostering economic recovery from the COVID-19 pandemic and of ensuring the long-term economic sustainability of small businesses;
- Projects that enable communities to adapt to the impacts of climate change, including, but not limited to, higher average temperatures, decreased air and water quality, the spread of infectious and vector-borne diseases, other public health impacts, extreme weather events, sea level rise, flooding, heat waves, wildfires, and drought;
- Broadband and telecommunications infrastructure;
- Projects that implement a sustainable communities strategy and transit priority projects;

- Acquisition, construction, or repair of industrial structures for private use;
- Facilities in which nonprofit community organizations provide health, youth, homeless, and social services.
- For areas at least partially in high or very high fire hazard severity zones designated by the State Fire Marshal pursuant to Article 9 (commencing with Section 4201) of Chapter 1 of Part 2 of Division 4 of the Public Resources Code, facilities including heavy equipment to be used for vegetation clearance and firebreaks, undergrounding of local publicly owned electric utilities, as defined in Section 224.3 of the Public Utilities Code, against wildfires, and equipment used for fire watch, prevention, and fighting, including, but not limited to, helicopters, air tankers, and technological advancements to weather and wind science infrastructure, risk modeling, and prediction (with the exception that bond proceeds may not be used to finance equipment).

In addition, the Artesia EIFD may finance any other expenses incidental to the formation, administration¹ and implementation of the Artesia EIFD and to the construction, completion, inspection and acquisition of the authorized facilities, including, but not limited to, the costs of creation and administration of the Artesia EIFD; costs of issuance of bonds or other debt of the Artesia EIFD or of any other public agency (including a community facilities district) that finances authorized facilities, and payment of debt service thereon; financing costs of improvements incurred by developers until reimbursement for the costs of the improvements from the Artesia EIFD; costs incurred by the City, County, or the Artesia EIFD in connection with the division of taxes pursuant to Government Code section 53398.75; and legal costs.

In accordance with Government Code Section 53398.69, the Artesia EIFD may expend up to 10 percent of any accrued tax increment in the first two years of the effective date of the Artesia EIFD on planning and dissemination of information to the residents within the Artesia EIFD boundaries about the IFP and planned activities to be funded by the Artesia EIFD, including reimbursement of the City's advanced funding of such eligible costs.

Ongoing administration costs are estimated in the range of \$25,000 to \$40,000, with expectations that such costs would increase with inflation during the EIFD lifetime.

¹ Administration costs refer to the actual or reasonably estimated costs directly related to the administration of the Artesia EIFD, including, but not limited to, the following: the costs of computing annual tax increment revenues and preparing the required annual reporting; the costs of allocation tax increment revenues (whether by the County, the City, or otherwise); the costs to the City, Artesia EIFD, or any designee thereof in complying with disclosure requirements; the costs associated with preparing required disclosure statements and responding to public inquiries regarding the Artesia EIFD; and the costs of the City, Artesia EIFD, or any designee thereof related to any appeal of the implementation of the Artesia EIFD. Administration costs shall also include amounts estimated or advanced by the City for any other administrative purposes, including, but not limited to, attorney's fees or any other expenses incidental to the implementation of the Artesia EIFD.

The PFA intends to continue to identify, evaluate, and pursue additional funding sources and financing mechanisms aside from District tax increment to implement the improvements identified above, potentially including grant sources, impact fees, private sector investment incentivized by the formation of the EIFD itself, and/or other sources.

Private sector developers will be responsible for funding project-specific / fair-share / in-tract infrastructure, unless otherwise outlined in this IFP. Some public facilities included in the EIFD area are anticipated to be provided by governmental entities without assistance from the District. There are no public facilities anticipated to be provided jointly by the private sector and governmental entities, however it is possible that private sector developers may advance funding for improvements such as brownfield site remediation, with anticipation to be partially reimbursed with EIFD proceeds. Such case-specific agreements would come before the PFA for approval at the appropriate time.

4.0 Finding of Communitywide Significance

Implementation of the District promotes the goals of and is consistent with the City's General Plan, serves as a catalyst for private sector investment and critical public infrastructure with transformative potential for the Artesia EIFD area and the City as a whole. The District supports job creation, housing production, and improvement of quality of life.

Specific communitywide and regional benefits anticipated to be generated by the District include:

- Sustainable infrastructure investment; 4,432 daily boardings anticipated for SGL Pioneer Station
- Approximately \$11 million in net fiscal surplus to the City over 50 years (on a present-value basis)
- Approximately \$2 million in net fiscal impact to County over 50 years (on a present-value basis)
- Approximately \$9 million in new County transportation and homelessness sales tax funding over 50 years (on a present-value basis)
- Approximately 378 housing units within the District
- Approximately 2,046 direct, indirect, and induced temporary, construction-related jobs in the City and County
- Approximately 126 direct, permanent jobs in the City
- Approximately 47 additional indirect and induced permanent jobs in the City and County (total of 173 direct, indirect, and induced permanent jobs)
- Approximately \$283 million in economic output from construction in the City and County
- Approximately \$22 million in annual ongoing economic output in the City and County.

5.0 Financing Section

The Artesia EIFD represents a partnership between the City and County, and as such, will be funded by property tax increment from both taxing entities. No other taxing entity is contributing property tax increment to the District. It is anticipated that property tax increment will be utilized on both a “pay-as-you-go” basis as well as security for tax increment bond issuance or loan acquisition as may be needed.

Portions of the Artesia EIFD are located within the boundaries of the former Redevelopment Project Area of the former Redevelopment Agency of Artesia, and so property tax revenues generated by the properties within the overlapping area will flow according to the Redevelopment Agency dissolution statutes the Successor Agency’s obligations are retired. Redevelopment Property Tax Trust Fund (RPTTF) residual revenues are intended to be contributed by the City and County to the District as part of the maximum allocations outlined in the following sections, to the extent legally available.

5.1 Maximum Portion of Incremental Tax Revenue Dedicated to the District

The maximum portion of the City’s property tax increment to be committed to the District will be 75% throughout the duration of the District lifetime. Beyond the City’s standard “AB8” property tax (general fund and recreation and parks apportionments), this includes the City’s allocation of incremental property tax in lieu of MVLF pursuant to Government Code Section 53398.75(e)(1) and incremental successor agency RPTTF residual revenues.

The maximum portion of the County’s property tax increment to be committed to the District will be 49% throughout duration of the District lifetime, intended to provide a dollar match for the City’s allocation. This includes the County’s incremental standard “AB8” property tax (general fund apportionment) and incremental RPTTF residual revenues, but not the County’s incremental property tax in lieu of MVLF.

5.2 Projection of District Tax Revenues by Year

Table 3 provides an overview of the projected growth of assessed value, property tax increment, and City and County contributions to the District over the District lifetime. It is expected that a total of approximately \$78.5 million of incremental tax revenues will be allocated to the District by the City, and a total of approximately \$78.5 million of incremental tax revenues will be allocated to the District by the County, for a total allocation of taxes revenues to the EIFD of approximately \$157 million over approximately 50 years.

Table 3: Projection of District Revenues by Year

Fiscal Year	Incremental Assessed Value	Property Tax Increment @ 1% General Levy	City Contribution				County Contribution				Total Taxes Allocated to EIFD
			Average City Share Available (incl. MVLF)	City Increment Available	Portion of City Share Allocated	City Increment Allocated to EIFD	Average County Share Available	County Increment Available	Portion of County Share Allocated	County Increment Allocated	
0 2025 / 2026	\$0	\$0	17.73%	\$0	75%	\$0	27.2%	\$0	49%	\$0	\$0
1 2026 / 2027	\$32,516,175	\$325,162	17.73%	\$57,665	75%	\$43,249	27.2%	\$88,300	49%	\$43,249	\$86,498
2 2027 / 2028	\$66,448,846	\$664,488	17.73%	\$117,842	75%	\$88,382	27.2%	\$180,447	49%	\$88,382	\$176,763
3 2028 / 2029	\$101,853,738	\$1,018,537	17.73%	\$180,630	75%	\$135,473	27.2%	\$276,591	49%	\$135,473	\$270,945
4 2029 / 2030	\$138,788,645	\$1,387,886	17.73%	\$246,132	75%	\$184,599	27.2%	\$376,890	49%	\$184,599	\$369,197

Note: Present value at 3% discount rate.

These projections are based on research and analysis of available data at the time of IFP preparation for purposes of illustration. Actual results may differ from those expressed in this document. Appendix C provides additional detail for the projected revenue analysis.

5.3 Plan for Financing Public Facilities

The PFA intends to utilize numerous funding sources and financing mechanisms to implement the projects identified in Section 3.2, potentially including District tax increment, grant sources, impact fees, private sector investment, and/or other sources.

As it pertains to the use of District tax increment, the PFA intends to incur debt only when it is financially prudent to do so. It is estimated at this time that approximately \$60 million of EIFD funding (in present value dollars) will be made available through bond or loan proceeds as they are needed and pay-as-you-go proceeds over the District lifetime. It may be the case that multiple debt issuances will be necessary to achieve the targeted funding capacity.

5.4 Limit on Total Dollars Allocated to the District

The total number of dollars or taxes that may be allocated to the District shall not exceed \$400,000,000 (nominal dollars). This represents a maximum allocation of \$200,000,000 from the City and \$200,000,000 from the County over the District lifetime. This limit has been identified to allow capacity in case of actual revenues outperforming projections.

The limit on the total number of dollars that the City and County will contribute to the EIFD shall be defined as the annual amount of the City and County contributions that is needed to pay bond payments, or otherwise fund the approved list of infrastructure and other projects and expenses of the District, with an estimated allocation of approximately \$60 million (in present value dollars) over the entire District lifetime. The infrastructure and other projects shall be considered fully funded when all projects have been financed by bonds, excess tax increment, or other funds. In the following fiscal year after the projects have been fully funded, and any year thereafter up to the time limit, any City and County contributions in excess of remaining bond payments shall be returned by the EIFD to the City and County according to their respective proportions. The EIFD shall provide the County an annual accounting of the status of the funding of the approved infrastructure projects and notify the County when they have been fully funded.

To the extent a computation of the limit on total dollars allocated to the district is needed in future dollars at some time in the future, the analysis shall utilize as a benchmark index the California Department of General Services (DGS) California Construction Cost Index (CCCI).

The PFA authorizes the County, throughout the existence of the PFA and the District, to review the PFA's calculations to determine if excess property tax increment revenue exists, as defined above, in any given year. The PFA shall cooperate with such review by providing reasonable access, inspection privileges, and copies of the PFA's and/or District's records to County staff upon request, as necessary to review the PFA's calculations. In the event a County review determines excess property tax increment revenue exists, the PFA shall return such excess back to the City and County in proportion to those entities' contributions to the excess amount.

5.5 District Termination Date

The District will cease to exist the earlier of: (i) forty five (45) years from the date on which the first issuance of bonds or acquisition of a loan is approved by the PFA, or (ii) June 30, 2080. This IFP assumes that the base year for the District will be Fiscal Year 2025-2026 and that the District will begin receiving tax revenues in Fiscal Year 2026-2027.

5.6 Analysis of Costs to Provide Facilities and Services

Appendix D to this IFP includes, as part of the Fiscal Impact Analysis, an analysis of the costs to the City and County for providing facilities and services to the area of the District. It is estimated that, at Year 20 of the District lifetime (assumed stabilized buildout of District area), annual costs to the City will be approximately \$1.22 million, and annual costs to the County will be approximately \$709,000 to service the area of the District.

5.7 Fiscal Impact Analysis

Appendix D to this IFP includes an analysis of the projected fiscal impact of the District and the associated development upon both the City and the County, as the only two affected taxing entities that are contributing tax increment revenues to the District. Table 5 presents an overview of fiscal impacts to the City and County.

Table 5: Overview of Fiscal Impacts to City and County

	Annual (Stabilized Year 20)	Year 0-50 Nominal Total	Year 0-50 Present Value @ 3.0%
City of Artesia			
Estimated Fiscal Revenues (Net of Allocation to EIFD)	\$1,657,300	\$102,425,500	\$40,825,800
Estimated Fiscal Expenditures	(\$1,217,800)	(\$74,796,500)	(\$29,729,900)
Estimated Net Fiscal Impact to City	\$439,500	\$27,629,000	\$11,095,900
County of Los Angeles			
Estimated Fiscal Revenues (Net of Allocation to EIFD)	\$855,100	\$46,407,300	\$19,134,700
Estimated Fiscal Expenditures	(\$708,600)	(\$43,617,800)	(\$17,337,600)
Estimated Net Fiscal Impact to County	\$146,500	\$2,789,500	\$1,797,100
Add'l Sales Tax - County Transp. + Homelessness	\$315,000	\$22,483,200	\$8,938,700

It is estimated that, at Year 20 of the District lifetime, the District area will generate an annual net fiscal surplus of approximately \$439,500 to the City and an annual net fiscal surplus of approximately \$146,500 for the County. Over 50 years, District activity will generate a positive net fiscal impact of approximately \$11 million for the City and approximately \$1.8 million for the County on a present-value basis. This is in addition to the Community economic benefits outlined

in Section 4 of this IFP (e.g. jobs, housing, remediation of contamination, connectivity, active transportation).

5.8 Developer Reimbursement for Transit Priority Project

The PFA does not intend to finance any potential costs that may be incurred by reimbursing a developer of a project that is both located entirely within the boundaries of the District and qualifies for the Transit Priority Project Program, pursuant to Section 65470. To the extent that a developer is willing to fund Transit Priority Project infrastructure expenditures beyond and in advance of said developer's fair share (not contemplated at this time), the PFA may consider and evaluate such reimbursement at the appropriate time.

DRAFT

6.0 Removal of Dwelling Units and Replacement Housing Plan

The PFA does not anticipated that any housing units will be removed as a result of any project identified in this IFP. However, if any relocation of dwelling units is deemed to be required in the future for a project financed by the District, the PFA will comply with the requirements of Government Code Section 53398.56.

DRAFT

7.0 Goals of the District

As stated in the Resolution of Intention, the goal of the Artesia EIFD is to assist in the provision of public facilities of communitywide significance that provide significant benefits and promote economic development within the boundaries of the Artesia EIFD and the surrounding community and, for those facilities located outside the Artesia EIFD boundaries which also have a tangible connection to the Artesia EIFD.

More specifically, the goals of the District's implementation of the public facilities outlined in Section 3.2 are to support the City's General Plan and serve as a catalyst for private sector investment and critical public infrastructure with transformative potential for the Artesia EIFD area and the City as a whole. The District additionally aims to implement Statewide policy goals of housing supply and sustainable infrastructure investment.

Additional objectives include economic development in the form of fiscal revenue generation for the City, County, and other taxing entities, job creation, housing production, improvement of quality of life, and promotion of environmental sustainability. The District will be utilized to address critical infrastructure funding needs, which are critical to catalyze private sector investment and development.

Overview of Fiscal Impacts

	Annual (Stablized Year 20)	Year 0-50 Nominal Total	Year 0-50 Present Value @ 3.0%
City of Artesia			
Estimated Fiscal Revenues (Net of Allocation to EIFD)	\$1,657,300	\$102,425,500	\$40,825,800
Estimated Fiscal Expenditures	(\$1,217,800)	(\$74,796,500)	(\$29,729,900)
Estimated Net Fiscal Impact to City	\$439,500	\$27,629,000	\$11,095,900
County of Los Angeles			
Estimated Fiscal Revenues (Net of Allocation to EIFD)	\$855,100	\$46,407,300	\$19,134,700
Estimated Fiscal Expenditures	(\$708,600)	(\$43,617,800)	(\$17,337,600)
Estimated Net Fiscal Impact to County	\$146,500	\$2,789,500	\$1,797,100
Add'l Sales Tax - County Transp. + Homelessness	\$315,000	\$22,483,200	\$8,938,700

Key Land Use Assumptions (Stabilized Year 20)

Project Component	
Residential	378 DU
Commercial / Retail	17,900 SF
Hotel	111 rooms

Notes:
Assumes installation of necessary public infrastructure
Values in 2026 dollars

Project pro forma and tax analyses are projections only. Actual results may differ from those expressed in this analysis.

Summary of IMPLAN Economic Benefits

Economic Benefits from Construction (One-Time / Short-Term)

	Employment	Labor Income	Economic Output
Direct	1,507	\$104,416,302	\$171,865,000
Indirect	123	\$9,276,051	\$28,612,592
Induced	417	\$28,068,907	\$82,556,653
Total Countywide	2,046	\$141,761,259	\$283,034,246
Estimated City Capture	1,534	\$106,283,550	\$177,423,462

Economic Benefits from Ongoing Operation (Annual)

	Employment	Labor Income	Economic Output
Direct	126	\$6,046,572	\$12,135,705
Indirect	20	\$1,550,644	\$4,443,789
Induced	27	\$1,789,568	\$5,267,885
Total Countywide	173	\$9,386,784	\$21,847,380
Estimated City Capture	129	\$6,213,582	\$12,621,289

Notes

100% of direct benefits estimated to be captured on-site within the City.

5% of indirect and induced benefits estimated to be captured off-site within the City.

Estimated ongoing benefits upon build-out and stabilization.

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN that pursuant to Government Code Section 53398.66, the Artesia EIFD Public Financing Authority (“Public Financing Authority”) will hold a Public Hearing in the Council Chambers located at 18747 Clarkdale Avenue, Artesia, CA 90701 at **6:00 p.m., on Monday, August 10, 2026**. The Public Financing Authority will meet at the time and place stated above to answer questions and hear written and oral comments and objections related to the proposed Artesia Enhanced Infrastructure Financing District (“Artesia EIFD”) and the draft Infrastructure Financing Plan (“IFP”) prepared pursuant to Government Code Section 53398.63. This Public Hearing will be the second and final of two public hearings to consider the draft IFP, and the Public Financing Authority will consider any written or oral protests before the close of the public hearing. Each landowner and resident within the Artesia EIFD has the right to submit an oral or written protest before the close of the public hearing. The protest may state that the landowner or resident objects to the Public Financing Authority taking action to implement the IFP. If there are protests from fewer than 25% of the landowners and residents within the EIFD boundary, then the Public Financing Authority may consider adoption of a resolution adopting the IFP and forming the Artesia EIFD.

The proposed Artesia EIFD encompasses approximately 324 acres of land, representing approximately 31% of the total acres of land in the City limits. The Artesia EIFD includes several, non-contiguous development opportunity site areas, including underutilized parcels with significant potential for private investment where current and planned land use guidance support a diversity of uses promoting economic development of, and enhancement of quality of life within, the boundaries of the EIFD and the surrounding community. Documentation related to the Artesia EIFD, including a copy of the draft Boundary Map, draft Infrastructure Financing Plan (“IFP”), and the Resolution of Intention, are available online at <https://cityofartesia.us/EIFD> and at City Hall, City Clerk’s Office, 18747 Clarkdale Avenue, Artesia, CA 90701. Documentation may also be requested by emailing czambrano@cityofartesia.us or calling (562) 865-6262 extension 262. The purpose of the Artesia EIFD is to help address the shortfall in funding for the provision of public capital facilities of communitywide significance that provide significant benefits and promote economic development within the boundaries of the Artesia EIFD or the surrounding community, and for those facilities located outside the Artesia EIFD boundaries which also have a tangible connection to the work of the Artesia EIFD. Public facilities to be financed include, but are not limited to, transit, parking, parks and recreation, police, water collection and treatment, storm water conveyance and collection, solid waste transfer and disposal, childcare, and nonprofit community organization facilities. The draft IFP describes the proposed Artesia EIFD, the facilities, the City’s and County’s proposed allocations of tax increment, the plan for financing the facilities and for issuing debt, the proposed fiscal impact and other items required by Government Code Section 53398.63. **EIFDs are created to pay for infrastructure and other public amenities from incremental property tax revenues, and do not increase property taxes or any other taxes for landowners within or outside the EIFD boundaries.**

The public hearing will be open to the public at the City of Artesia, Council Chambers, 18747 Clarkdale Avenue, Artesia, CA 90701. All persons having any comments or objections on the draft IFP, the proposed EIFD, or the regularity of any of the prior proceedings, may appear before the Public Financing Authority at the aforementioned time and place to provide written or oral comments or objections to the adoption of the proposed IFP or formation of the proposed EIFD by the Public Financing Authority. Each landowner and resident within the EIFD has a right to submit an oral or written protest before the close of the public hearing. The protest may state that the landowner or resident objects to the Public Financing Authority taking action to implement the IFP. *Any person having any comments on the proposed Artesia EIFD may do so as follows:*

- 1. Attend In Person: Members of the public may participate in the Public Financing Authority hearing by attending in-person at the City of Artesia, Council Chambers, 18747 Clarkdale Avenue, Artesia, CA 90701.*
- 2. Submit Written Comments: Written comments can be submitted to the Public Financing Authority before or during the Public Financing Authority hearing. Those written comments will be made a part of the written record. Comments may be submitted via email to czambrano@cityofartesia.us, via mail to ATTN: Carmen Zambrano, 18747 Clarkdale Avenue, Artesia, CA 90701, or dropped off in person at the City Clerk’s Office located at City Hall. Please identify “**Artesia EIFD**” in your comments.*

NOTE: *Any and all members of the public are invited to attend the Public Financing Authority hearing at the City of Artesia Council Chambers.*

This Notice constitutes the notice pursuant to Government Code Sections 53398.66(b), 53398.66(c), and 53398.66(i).

AVISO DE AUDIENCIA PÚBLICA

SE NOTIFICA POR MEDIO DEL PRESENTE que de conformidad con la Sección 53398.66 del Código de Gobierno, la Autoridad de Financiamiento Público del EIFD de Artesia ("Autoridad de Financiamiento Público") llevará a cabo una Audiencia Pública en el Salón del Concejo ubicado en 18747 Clarkdale Avenue, Artesia, CA 90701, a las **6:00 p.m., el Lunes 10 de Agosto de 2026**. La Autoridad de Financiamiento Público se reunirá en el lugar y hora indicados para responder preguntas y escuchar comentarios y objeciones escritas y orales relacionadas con el propuesto Distrito de Financiamiento de Infraestructura Mejorada de Artesia ("EIFD de Artesia") y el borrador del Plan de Financiamiento de Infraestructura ("IFP") preparado de conformidad con la Sección 53398.63 del Código de Gobierno. Esta Audiencia Pública será la segunda y última de dos audiencias públicas para considerar el borrador del IFP, y la Autoridad de Financiamiento Público considerará cualquier protesta escrita y oral antes del cierre de la audiencia pública. Cada propietario de terreno y residente dentro del EIFD de Artesia tiene el derecho de presentar una protesta oral o escrita antes del cierre de la audiencia pública. La protesta podrá indicar que el propietario o residente se opone a que la Autoridad de Financiamiento Público tome medidas para implementar el IFP. Si las protestas provienen de menos del 25% de los propietarios de terreno y residentes dentro de los límites del EIFD, entonces la Autoridad de Financiamiento Público podrá considerar la adopción de una resolución que adopte el IFP y forme el EIFD de Artesia.

El propuesto EIFD de Artesia abarca aproximadamente 324 acres de terreno, lo que representa aproximadamente el 31% del total de acres dentro de los límites de la Ciudad. El EIFD de Artesia incluye varias áreas de oportunidad de desarrollo no contiguas, incluyendo parcelas subutilizadas con un potencial significativo para la inversión privada, donde los usos del suelo actuales y previstos apoyan una diversidad de usos que promueven el desarrollo económico y mejoran la calidad de vida dentro de los límites del EIFD y la comunidad circundante. La documentación relacionada con el EIFD de Artesia, incluyendo una copia del Mapa de Límites borrador, el borrador del Plan de Financiamiento de Infraestructura ("IFP") y la Resolución de Intención, están disponibles en línea en <https://cityofartesia.us/EIFD> y en el Ayuntamiento, Oficina del Secretario Municipal, 18747 Clarkdale Avenue, Artesia, CA 90701. La documentación también puede solicitarse enviando un correo electrónico a czambrano@cityofartesia.us o llamando al (562) 865-6262, extensión 262. El propósito del EIFD de Artesia es ayudar a atender el déficit de financiamiento para la provisión de instalaciones públicas de capital de importancia comunitaria que brinden beneficios significativos y promuevan el desarrollo económico dentro de los límites del EIFD de Artesia o la comunidad circundante, así como para aquellas instalaciones ubicadas fuera de los límites del EIFD que también tengan una conexión tangible con el trabajo del EIFD de Artesia. Las instalaciones públicas a financiar incluyen, entre otras: transporte público, estacionamientos, parques y recreación, policía, recolección y tratamiento de agua, transporte y recolección de aguas pluviales, transferencia y disposición de residuos sólidos, servicios de cuidado infantil e instalaciones de organizaciones comunitarias sin fines de lucro. El borrador del IFP describe el propuesto EIFD de Artesia, las instalaciones, las asignaciones propuestas de incremento fiscal de la Ciudad y el Condado, el plan para financiar las instalaciones y emitir deuda, el impacto fiscal propuesto y otros elementos requeridos por la Sección 53398.63 del Código de Gobierno. **Los EIFDs se crean para pagar infraestructura y otras comodidades públicas a partir de los ingresos incrementales del impuesto a la propiedad, y no aumentan el impuesto a la propiedad ni ningún otro impuesto para los propietarios dentro o fuera de los límites del EIFD.**

La audiencia pública estará abierta al público en el Salón del Concejo de la Ciudad de Artesia, 18747 Clarkdale Avenue, Artesia, CA 90701. Todas las personas que tengan comentarios u objeciones sobre el borrador del IFP, el EIFD propuesto o la regularidad de cualquiera de los procedimientos previos, podrán comparecer ante la Autoridad de Financiamiento Público en el lugar y hora mencionados para presentar comentarios u objeciones escritas u orales respecto a la adopción del IFP propuesto o la formación del EIFD propuesto. Cada propietario de terreno y residente dentro del EIFD tiene el derecho de presentar una protesta oral o escrita antes del cierre de la audiencia pública. La protesta podrá indicar que el propietario o residente se opone a que la Autoridad de Financiamiento Público tome medidas para implementar el IFP. Cualquier persona que desee hacer comentarios sobre el propuesto EIFD de Artesia puede hacerlo de las siguientes maneras:

1. *Asistir en persona: Los miembros del público pueden participar en la audiencia de la Autoridad de Financiamiento Público asistiendo en persona al Salón del Concejo de la Ciudad de Artesia, 18747 Clarkdale Avenue, Artesia, CA 90701.*
2. *Enviar comentarios por escrito: Los comentarios escritos pueden enviarse a la Autoridad de Financiamiento Público antes o durante la audiencia. Dichos comentarios formarán parte del registro escrito. Los comentarios pueden enviarse por correo electrónico a czambrano@cityofartesia.us por correo postal a: ATTN: Carmen Zambrano, 18747 Clarkdale Avenue, Artesia, CA 90701, o entregarse en persona en la Oficina del Secretario Municipal ubicada en el Ayuntamiento. Por favor identifique "Artesia EIFD" en sus comentarios.*

NOTA: Todos los miembros del público están invitados a asistir a la audiencia de la Autoridad de Financiamiento Público en el Salón del Concejo de la Ciudad de Artesia. Este aviso constituye la notificación conforme a las Secciones 53398.66(b), 53398.66(c) y 53398.66(i) del Código de Gobierno.

ARTESIA | CA

Enhanced Infrastructure Financing District (EIFD)

**Public Financing Authority (PFA) Public Hearing #2
Regarding Draft Infrastructure Financing Plan (IFP)**

August 10, 2026

Metro

Prepared by the Metro Value Capture Support Advisory Team
Morgner, Kosmont Companies, NBS, Community Connections

Executive Summary

- Artesia has evaluated the use of an Enhanced Infrastructure Financing District (EIFD) to capture value from potential new development to fund critical infrastructure and community investment priorities without increasing taxes
- City Council adopted a Resolution of Intention (ROI) to form the EIFD on October 13, 2025
- County Board of Supervisors adopted a Resolution of Intention (ROI) to participate in the EIFD on February 10, 2026
- Los Angeles County Metro is providing funding and technical advisory through its Value Capture Support program
- Public Financing Authority (PFA) met April 13, 2026 to adopt PFA Bylaws and direct preparation of the Infrastructure Financing Plan (IFP)
- PFA met May 11, 2026 to hear a presentation of the draft IFP from staff and consultants and address questions, but take no action

Executive Summary (Continued)

- City Council separately heard a presentation of the draft IFP on June 8, 2026 and adopted a resolution approving the IFP and the proposed allocation of a portion of future City property tax increment within the EIFD boundary
- County Board of Supervisors similarly adopted a resolution on July 14, 2026 approving the IFP and the County tax increment allocation to the EIFD
- PFA held the first of two public hearings on July 8, 2026 to hear additional comments and questions, consider modification or rejection of the IFP, but ultimately took no action, so that formation process could continue
- Public notices regarding the EIFD have been mailed, information was posted on a dedicated website, and notices were also published in the newspaper, as required by law, to inform property owners and residents within the EIFD
- Purpose of today's public hearing is to consider any oral or written protests, and if no protests, consider a Resolution approving the IFP and formally establishing the EIFD

Tax Increment Financing (TIF) Overview – Not a New Tax

Note: Illustrative. Conservative 2% growth of existing assessed value (A/V) shown; does not include mark-to-market increases associated with property sales.

Contents of the Infrastructure Financing Plan (IFP)

- A. Description of the District
- B. Description of Proposed Facilities and Development
- C. Finding of Communitywide Significance
- D. Financing Section
- E. Goals of the District
- F. Appendices (e.g., Legal Description, Financial Analysis Detail)

Draft EIFD Boundaries

- Approx. 324 acres (~31% of City)
- Approx. \$577M in existing assessed value (~25% of City)
- Metro Southeast Gateway Line **Pioneer Station** at the core

Potential Investments to Receive EFD Funding

Top Priorities

- a) Metro SGL 3% local cost match contribution (approximately \$15M in May 2025)
- b) 20% set-aside for **Affordable Housing** (e.g., gap funding to facilitate affordable housing development utilizing the City's existing Housing Authority)

Secondary Priorities

- a) Water, sewer, other utility capacity enhancements
- b) Roadway, streetscape improvements along Pioneer Blvd.
- c) SGL first and last mile improvements / improvements to the Historic District Multi-Use Trail adjacent to the future SGL line
- d) Park Improvements for Artesia Park and A.J. Padelford Park
- e) Public Safety / Sheriff facilities
- f) Broadband internet infrastructure
- g) Undergrounding utilities

Draft Financing Section Terms

- City commits **75%** of its future property tax increment within the boundary for approx. 50 years (remaining portion flows to General Fund)
- County matches the City's allocation dollar-for-dollar, equivalent to ~**49%** of its future property tax increment within the boundary for approx. 50 years (remaining portion flows to General Fund)

EIFD Revenue Allocation Scenario	Year 10 Accumulated Revenue + Bonding Capacity*	50-Year Present-Value @ 3% Discount Rate
City 75% + County Dollar Match (~49% of County share)	\$15,246,000	\$59,813,000

City allocation includes allocation from both AB8 + MVLF in-lieu. County allocation does not include MVLF in-lieu.

** Bonding capacity assumes Year 5 is first bond issuance for EIFD. "Year 10" means tenth year of revenue following district formation. Net proceeds shown. Bondable revenue assumes \$25,000 admin charge, 150% debt service coverage. 6.0% interest rate; 30-year term. Proceeds net of 2% underwriter's discount, estimated reserve fund (maximum annual debt service), costs of issuance estimated at \$350,000. Issuance costs may be payable from Federal Transit Administration (FTA) Transit-Oriented Development grant awarded to Los Angeles County Metro.*

Source: Kosmont Financial Services (KFS), registered municipal advisor.

Financing Districts work better with a Multi-Agency Partnership & Attract Other Funding

- Ideal strategy includes City / County partnership
- Districts which involve a multi-agency joint effort are more likely to win state grant funding sources
- Districts explicitly increase scoring for CA state housing grants (e.g., IIG, AHSC, TCC)

Other Public Sources

- *Cap-and-Trade / HCD grant & loan programs (AHSC, IIG, TCC, CERF)*
- *Prop 4 Climate Bond Fundings*
- *Prop 68 parks & open space grants*
- *Prop 1 water/sewer funds*
- *Caltrans ATP / HSIP grants*
- *Federal EDA / DOT / EPA funding*
- *Federal ARPA, Invest Act, IIJ Act*

Other Private Sources

- *Development Agreement / impact fees*
- *Benefit assessments (e.g., contribution from CFD)*
- *Private investment*

Regional and Communitywide Significance

- Housing, including significant potential for affordable units
- Economic revitalization, quality of life
- Sustainable infrastructure investment; **4,432** daily boardings anticipated for SGL Pioneer Station
- Job creation, wages:
 - Approx. **173** permanent jobs in City and County, related **~\$9M** in annual wage income
 - Approx. **2,046** temporary construction-related jobs* in City and County, **\$142M** in related wage income
- Acceleration of development and related fiscal revenues:
 - **\$11 million** in present value **fiscal benefit** for CITY general fund over 50 years, net of tax increment contribution to EIFD and net of estimated fiscal expenditures
 - **\$2 million** in present value **fiscal benefit** for COUNTY general fund over 50 years, net of tax increment contribution to EIFD and net of estimated fiscal expenditures, plus
 - **\$9 million** in present value **new funding** for COUNTY homeless and transportation services (separate from County general fund)
- Catalyze economic development and attract other money (e.g., grants)

Potential EIFD Formation Schedule

Target Date	Task
COMPLETE October 13, 2025	a) City Council adopts Resolution of Intention (ROI) to form EIFD and formally establish PFA Board
COMPLETE February 10, 2026	b) County Board of Supervisors adopts ROI to participate with the City in the EIFD
COMPLETE April 13, 2026	c) PFA meets to direct the drafting of the Infrastructure Financing Plan (IFP)
COMPLETE May 1, 2026	d) Distribute draft IFP to property owners, affected taxing entities, City Council, County Board of Supervisors, planning commission
COMPLETE May 11, 2026	e) PFA holds an initial public meeting to present the draft IFP
COMPLETE June 8, 2026	f) City Council considers resolution approving IFP
COMPLETE July 8, 2026	g) PFA holds first public hearing to hear additional comments and take action to modify or reject IFP
COMPLETE July 14, 2026	h) County Board of Supervisors considers resolution approving IFP
TODAY August 10, 2026	i) PFA holds second public hearing to consider oral and written protests and take action to terminate proceedings or adopt IFP and form the district by resolution

Next Steps / Actions Items

- For today:
 - a) Conduct public hearing
 - b) Consider oral or written protest from landowners and residents within the EIFD
 - c) If there are no protests or protests from less than 25% of landowners and residents, consider Resolution approving the IFP and forming the EIFD
 - d) If protests from between 25% and 50% of landowners and residents, call special election
 - e) If protests from more than 50% of landowners and residents, terminate EIFD proceedings
- Artesia EIFD website: <https://cityofartesia.us/EIFD>

Disclaimer

The high-level analyses, projections, assumptions, rates of return, and any examples presented herein are for illustrative purposes and are not a guarantee of actual and/or future results. Project pro forma and tax analyses are projections only. Actual results may differ from those expressed in this analysis.

Discussions or descriptions of potential financial tools that may be available to the Client and public agencies are included for informational purposes only and are not intended to be to be “advice” within the context of this Analysis.

Municipal Advisory activities are conducted through Kosmont Companies’ affiliate, Kosmont Financial Services, which is Registered as a Municipal Advisor with the SEC and MSRB.

APPENDIX

Development Assumptions

Absorption Assumed over First 10 Years of District Lifetime

- Specific Plan allows for up to **1,981 new residential units** and up to **78,901 new commercial square feet**, envisioned over approximately 20 years
- This analysis focuses on the following assumptions deemed to be more likely in the near-to-mid-term (5-10 years out)

Land Use	# SF or Units	Estimated AV Factor	Estimated Total AV at Buildout
Residential	378 units	\$350K per unit	\$132 million
Hotel	111 rooms	\$300K per room	\$33 million
Commercial / Retail	17,900 SF	\$350 PSF	\$6 million
Total New Development Assumed within Study Area			\$172 million

Property Tax Revenues Available to EIFD

- Primary potential contributors of property tax are **City** and **County**
- City share varies by area and averages ~**6.7%** of every \$1 collected in property taxes – City is a no-low property tax City subject AB 1197 Tax Equity Allocation (TEA)
 - City additionally receives equivalent of ~**11.1%** of property tax in lieu of motor vehicle license fees (MVLFF), also available to EIFD
- County General Fund share varies by area and averages ~**27.2%**
 - County additionally receives property tax in lieu of MVLFF, also available to EIFD, but not incorporated into this analysis to be conservative
- School-related entities cannot participate

Property Tax Distribution

As counties tend to rely more heavily on property tax revenue sources generated by new development within incorporated jurisdictions, it is Kosmont's experience that it is not reasonable to assume allocation of property tax in lieu of MVLFF by the County. As cities benefit from additional non-property tax revenue sources (e.g., sales tax, transient occupancy tax) from new development, it is Kosmont's experience that it is reasonable for cities to consider contributing property tax in lieu of MVLFF.

Tax Rate Area (TRA) weighted average distributions for EIFD Study Area shown. Post-ERAF (Education Revenue Augmentation Fund) distribution. Parcels within former Redevelopment Agency Project Areas are subject to RPTTF revenue flow until expiration of ROPS obligations (2046 for Artesia).

RESOLUTION NO. PFA 26-02

A RESOLUTION OF THE ARTESIA ENHANCED INFRASTRUCTURE FINANCING DISTRICT PUBLIC FINANCING AUTHORITY ADOPTING THE INFRASTRUCTURE FINANCING PLAN FOR THE ARTESIA ENHANCED INFRASTRUCTURE FINANCING DISTRICT, FORMING THE ARTESIA ENHANCED INFRASTRUCTURE FINANCING DISTRICT, AND AUTHORIZING CERTAIN OTHER ACTIONS RELATED THERETO

WHEREAS, the California Legislature enacted Chapter 2.99 of Part 1 of Division 2 of Title 5 of the California Government Code, commencing with section 53398.50 (“EIFD Law”) authorizing cities to form enhanced infrastructure financing districts (“EIFDs”) and authorizing EIFDs to use specified property tax increment revenue generated within their boundaries to finance certain public facilities and projects of communitywide significance that provide significant benefits to the EIFDs or the surrounding community;

WHEREAS, in enacting the EIFD Law, the California Legislature found and declared that with the dissolution of redevelopment agencies, public benefits will accrue if local agencies finance certain public facilities and projects authorized under the EIFD Law;

WHEREAS, on October 13, 2025, the City Council of the City of Artesia (“City Council”) adopted Resolution No. 25-3068, which initiated the process to establish the Artesia Enhanced Infrastructure Financing District (“Artesia EIFD”) pursuant to EIFD Law and established the Artesia EIFD Public Financing Authority (“PFA”) to serve as the governing board of the Artesia EIFD;

WHEREAS, on February 10, 2026, the Board of Supervisors of the County of Los Angeles (“Board of Supervisors”) adopted a Resolution expressing the intention of the County to participate with the City in the Artesia EIFD;

WHEREAS, on April 13, 2026, the PFA adopted Bylaws of the PFA, which provide that the Executive Director of the Artesia EIFD (“Executive Director”) shall be the then current City Manager of the City of Artesia and shall conduct the day-to day administration of the Artesia EIFD’s business and affairs subject to direction by the Board of Directors of the PFA (“Board”);

WHEREAS, on April 13, 2026, pursuant to Government Code Section 53398.63, the PFA directed the Executive Director of the PFA, utilizing the services of the Los Angeles County Metro Value Capture Support Program, to prepare a draft Infrastructure Financing Plan (“IFP”) for the Artesia EIFD, which defines the boundaries of the Artesia EIFD, identifies the public facilities and improvements to be financed with assistance from the Artesia EIFD, and a plan for using tax increment generated in the Artesia EIFD to finance the public facilities and improvements identified in the draft IFP, including the

issuance of bonds and other debt;

WHEREAS, on May 11, 2026, staff of the PFA and its consultants presented in a duly-noticed public meeting the draft IFP, answered questions about the draft IFP, and considered comments about the draft IFP;

WHEREAS, on June 8, 2026, the City Council adopted Resolution No. 26-3090 approving the IFP and respective contribution of property tax increment to the Artesia EIFD;

WHEREAS, the PFA duly noticed and held two public hearings on the draft IFP on July 8, 2026 and August 10, 2026, and, in accordance with Government Code Section 53398.66, considered written and oral comments regarding the proposed Artesia EIFD and draft IFP;

WHEREAS, on July 14, 2026, the County Board of Supervisors adopted a Resolution approving the IFP and respective contribution of property tax increment to the Artesia EIFD;

WHEREAS, the PFA has heard and passed upon written and oral objections received before the close of the second public hearing, if any, and has considered the recommendations, if any, of affected taxing agencies and testimony for and against the adoption of the IFP;

WHEREAS, the PFA held a protest proceeding at the second public hearing, and less than 25 percent of the combined number of landowners and residents in the area of the Artesia EIFD who are at least 18 years of age filed written or oral protests to the formation of the Artesia EIFD or the adoption of the IFP before the close of the public hearing;

WHEREAS, all conditions, things and acts required by law to exist, to happen or to be performed precedent to and as a condition of the adoption of the IFP and the formation of the Artesia EIFD have existed, happened and been performed in the time, form and manner required by law; and

WHEREAS, based on the foregoing, the PFA has determined at this time to form the Artesia EIFD and adopt the IFP attached hereto as Exhibit A.

NOW, THEREFORE, THE CITY OF ARTESIA ENHANCED INFRASTRUCTURE FINANCING DISTRICT PUBLIC FINANCING AUTHORITY HEREBY DETERMINES, FINDS, AND RESOLVES AS FOLLOWS:

SECTION 1. The facts set forth in the Recitals of this Resolution are true and correct.

SECTION 2. The PFA hereby finds and determines that less than 25 percent of

the combined number of landowners and residents in the area of the Artesia EIFD who are at least 18 years of age filed written or oral protests to the formation of the Artesia EIFD or the adoption of the IFP before the close of the second public hearing and, accordingly, the PFA is neither required to terminate the proceedings relating to the Artesia EIFD nor call an election relating to the Artesia EIFD.

SECTION 3. The PFA hereby adopts the IFP (attached hereto as Exhibit A, incorporated by reference, and on file with the Secretary of the PFA for this meeting) and declares that the IFP is in full force and effect. Pursuant to the IFP and the EIFD Law, incremental property tax revenue from the City of Artesia and County of Los Angeles within the boundary of the Artesia EIFD will be used to finance the activities of the Artesia EIFD, subject to, and in accordance with, the terms and conditions of the IFP and the EIFD Law. The IFP shall be reviewed, and may be modified or amended, in accordance with the EIFD Law.

SECTION 4. The PFA hereby forms the Artesia EIFD and declares that the Artesia EIFD is validly formed and existing as an enhanced infrastructure financing district under the EIFD Law.

SECTION 5. The PFA hereby finds that the formation of the Artesia EIFD and the adoption of the IFP are not “projects” under the California Environmental Quality Act (§15378(b)(4)) because they involve the creation of a government funding mechanism that does not involve any commitment to any specific project which may result in a potentially significant physical impact on the environment, and further hereby finds that they are exempt from the California Environmental Quality Act (§15061(b)(3)) because the California Environmental Quality Act does not apply where it can be determined with certainty that there is no possibility that an activity will have a significant effect on the environment.

SECTION 6. The Chair, the Executive Director, the Secretary, the City Attorney, as legal counsel to the Artesia EIFD, and any and all other officers and consultants of the Artesia EIFD are hereby authorized and directed, on the Artesia EIFD’s behalf, to do any and all things and take any and all actions, that they, or any of them, consider necessary or advisable to implement the provisions of this Resolution, including correction of minor technical errors or omissions in the IFP and its exhibits and execution and delivery of any and all other documents, certificates, agreements, notices and consents which they, or any of them, may deem necessary or advisable in order to effectuate the purposes of this Resolution. Whenever in this Resolution any officer of the Artesia EIFD is directed to execute or attest any document or take any other action, that execution, attestation, or action may be taken on behalf of that officer by any person he or she designates to act on his or her behalf if the officer is absent or unavailable.

SECTION 7. If any section, subsection, phrase, or clause of this Resolution is for any reason found to be invalid, such section, subsection, phrase or clause shall be severed from, and shall not affect the validity of, all remaining portions of this Resolution that can be given effect without the severed portion.

SECTION 8. This Resolution shall take effect immediately upon its adoption by the Board.

SECTION 9. The Secretary of the PFA shall certify to the adoption of this Resolution.

PASSED, APPROVED AND ADOPTED on this 10th day of August, 2026.
