Procedures for Addressing the Council

The Council encourages interested people to address this legislative body by making public comments. Public comments may be made during public hearing items or during designated agendized and non-agendized public comment periods. Public comments are limited to five (5) minutes per speaker, unless a different time is announced by the Mayor/presiding Chair.

The Council encourages free expression of all points of view. To allow all persons the opportunity to speak, please keep your remarks brief. If others have already expressed your position, you may simply indicate that you agree with a previous speaker. If appropriate, a spokesperson may present the views of your entire group. State law generally prohibits the City Council from responding to or acting upon matters not listed on this agenda. Council rules prohibit clapping, booing, or shouts of approval or disagreement from the audience.

In-Person Option – Members of the public can provide in-person comments in the Council Chambers. Speakers who wish to address the Council must do so by submitting a speaker card. Members will be called on in the order that cards are received, and all in-person public comments will be heard prior to virtual public comments.
