HARP2 - HRACalc (dated 22118) 6/25/2025 4:55:33 PM - Output Log

GLCs loaded successfully
Pollutants loaded successfully
Pathway receptors loaded successfully
****
RISK SCENARIO SETTINGS

Receptor Type: Resident
Scenario: All
Calculation Method: Derived

****
EXPOSURE DURATION PARAMETERS FOR CANCER

Start Age: 4
Total Exposure Duration: 1.17

Exposure Duration Bin Distribution
3rd Trimester Bin: 0
0<2 Years Bin: 0
2<9 Years Bin: 1.17
2<16 Years Bin: 0
16<30 Years Bin: 0
16 to 70 Years Bin: 0

****
PATHWAYS ENABLED

NOTE: Inhalation is always enabled and used for all assessments. The remaining pathways are only used for cancer and noncancer chronic assessments.

Inhalation: True
Soil: True
Dermal: True
Mother's milk: True
Water: False
Fish: False
Homegrown crops: True
Beef: False
Dairy: False
Pig: False
Chicken: False
Egg: False

****
INHALATION

Daily breathing rate: RMP

Worker Adjustment Factors
Worker adjustment factors enabled: NO

Fraction at time at home
3rd Trimester to 16 years: OFF
16 years to 70 years: ON

****
SOIL & DERMAL PATHWAY SETTINGS

Deposition rate (m/s): 0.05
Soil mixing depth (m): 0.01
Dermal climate: Mixed

****
HOMEGROWN CROP PATHWAY SETTINGS

Household type: HouseholdsthatGarden
Fraction leafy: 0.137
Fraction exposed: 0.137
Fraction protected: 0.137
Fraction root: 0.137

****
TIER 2 SETTINGS

Tier2 adjustments were used in this assessment. Please see the input file for details.
Tier2 - What was changed: ED or start age changed|
Calculating cancer risk
Cancer risk breakdown by pollutant and receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL UNMITIGATED\hra\School_UnmitigatedCancerRisk.csv
Cancer risk total by receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL UNMITIGATED\hra\School_UnmitigatedCancerRiskSumByRec.csv
Calculating chronic risk
Chronic risk breakdown by pollutant and receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL UNMITIGATED\hra\School_UnmitigatedNCChronicRisk.csv
Chronic risk total by receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL UNMITIGATED\hra\School_UnmitigatedNCChronicRiskSumByRec.csv
Calculating acute risk
Acute risk breakdown by pollutant and receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL UNMITIGATED\hra\School_UnmitigatedNCAcuteRisk.csv
Acute risk total by receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL UNMITIGATED\hra\School_UnmitigatedNCAcuteRiskSumByRec.csv

HARP2 - HRACalc (dated 22118) 6/25/2025 5:01:45 PM - Output Log

GLCs loaded successfully
Pollutants loaded successfully
Pathway receptors loaded successfully
****
RISK SCENARIO SETTINGS

Receptor Type: Resident
Scenario: All
Calculation Method: Derived

****
EXPOSURE DURATION PARAMETERS FOR CANCER

Start Age: -0.25
Total Exposure Duration: 1.17

Exposure Duration Bin Distribution
3rd Trimester Bin: 0.25
0<2 Years Bin: 1.17
2<9 Years Bin: 0
2<16 Years Bin: 0
16<30 Years Bin: 0
16 to 70 Years Bin: 0

****
PATHWAYS ENABLED

NOTE: Inhalation is always enabled and used for all assessments. The remaining pathways are only used for cancer and noncancer chronic assessments.

Inhalation: True
Soil: True
Dermal: True
Mother's milk: True
Water: False
Fish: False
Homegrown crops: True
Beef: False
Dairy: False
Pig: False
Chicken: False
Egg: False

****
INHALATION

Daily breathing rate: RMP

Worker Adjustment Factors
Worker adjustment factors enabled: NO

Fraction at time at home
3rd Trimester to 16 years: OFF
16 years to 70 years: ON

****
SOIL & DERMAL PATHWAY SETTINGS

Deposition rate (m/s): 0.05
Soil mixing depth (m): 0.01
Dermal climate: Mixed

****
HOMEGROWN CROP PATHWAY SETTINGS

Household type: HouseholdsthatGarden
Fraction leafy: 0.137
Fraction exposed: 0.137
Fraction protected: 0.137
Fraction root: 0.137

****
TIER 2 SETTINGS

Tier2 adjustments were used in this assessment. Please see the input file for details.
Tier2 - What was changed: ED or start age changed|
Calculating cancer risk
Cancer risk breakdown by pollutant and receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK RESIDENT MITIGATED\hra\Residential_MitigatedCancerRisk.csv
Cancer risk total by receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK RESIDENT MITIGATED\hra\Residential_MitigatedCancerRiskSumByRec.csv
Calculating chronic risk
Chronic risk breakdown by pollutant and receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK RESIDENT MITIGATED\hra\Residential_MitigatedNCChronicRisk.csv
Chronic risk total by receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK RESIDENT MITIGATED\hra\Residential_MitigatedNCChronicRiskSumByRec.csv
Calculating acute risk
Acute risk breakdown by pollutant and receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK RESIDENT MITIGATED\hra\Residential_MitigatedNCAcuteRisk.csv
Acute risk total by receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK RESIDENT MITIGATED\hra\Residential_MitigatedNCAcuteRiskSumByRec.csv

HARP2 - HRACalc (dated 22118) 6/25/2025 5:04:17 PM - Output Log

GLCs loaded successfully
Pollutants loaded successfully
Pathway receptors loaded successfully
****
RISK SCENARIO SETTINGS

Receptor Type: Resident
Scenario: All
Calculation Method: Derived

****
EXPOSURE DURATION PARAMETERS FOR CANCER

Start Age: 4
Total Exposure Duration: 1.17

Exposure Duration Bin Distribution
3rd Trimester Bin: 0
0<2 Years Bin: 0
2<9 Years Bin: 1.17
2<16 Years Bin: 0
16<30 Years Bin: 0
16 to 70 Years Bin: 0

****
PATHWAYS ENABLED

NOTE: Inhalation is always enabled and used for all assessments. The remaining pathways are only used for cancer and noncancer chronic assessments.

Inhalation: True
Soil: True
Dermal: True
Mother's milk: True
Water: False
Fish: False
Homegrown crops: True
Beef: False
Dairy: False
Pig: False
Chicken: False
Egg: False

****
INHALATION

Daily breathing rate: RMP

Worker Adjustment Factors
Worker adjustment factors enabled: NO

Fraction at time at home
3rd Trimester to 16 years: OFF
16 years to 70 years: ON

****
SOIL & DERMAL PATHWAY SETTINGS

Deposition rate (m/s): 0.05
Soil mixing depth (m): 0.01
Dermal climate: Mixed

****
HOMEGROWN CROP PATHWAY SETTINGS

Household type: HouseholdsthatGarden
Fraction leafy: 0.137
Fraction exposed: 0.137
Fraction protected: 0.137
Fraction root: 0.137

****
TIER 2 SETTINGS

Tier2 adjustments were used in this assessment. Please see the input file for details.
Tier2 - What was changed: ED or start age changed|
Calculating cancer risk
Cancer risk breakdown by pollutant and receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL MITIGATED\hra\School_MitigatedCancerRisk.csv
Cancer risk total by receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL MITIGATED\hra\School_MitigatedCancerRiskSumByRec.csv
Calculating chronic risk
Chronic risk breakdown by pollutant and receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL MITIGATED\hra\School_MitigatedNCChronicRisk.csv
Chronic risk total by receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL MITIGATED\hra\School_MitigatedNCChronicRiskSumByRec.csv
Calculating acute risk
Acute risk breakdown by pollutant and receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL MITIGATED\hra\School_MitigatedNCAcuteRisk.csv
Acute risk total by receptor saved to: C:\Users\anoll\OneDrive - Dudek\Desktop\HARP2\Carson Calas Park Stormwater Capture\CALAS PARK SCHOOL MITIGATED\hra\School_MitigatedNCAcuteRiskSumByRec.csv

Appendix C

Biological Resources Species List

Scientific Name	Common Name	Status (Federal/State/CRPR)	Primary Habitat Associations/ Life Form/ Blooming Period/ Elevation Range (feet)	Potential to Occur
Abronia maritima	red sand-verbena	None/None/4.2	Coastal dunes/perennial herb/Feb–Nov/0–330	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Aphanisma blitoides	aphanisma	None/None/1B.2	Coastal bluff scrub, Coastal dunes, Coastal scrub; Gravelly (sometimes), Sandy (sometimes)/annual herb/Feb–June/5–1,000	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Astragalus hornii var. hornii	Horn's milk-vetch	None/None/1B.1	Meadows and seeps, Playas; Alkaline, Lake Margins/annual herb/May–Oct/195–2,790	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Astragalus pycnostachyus var. lanosissimus	Ventura Marsh milk-vetch	FE/SE/1B.1	Coastal dunes, Coastal scrub, Marshes and swamps (edges, coastal salt, brackish)/perennial herb/(June)Aug–Oct/5–115	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Astragalus tener var. titi	coastal dunes milk-vetch	FE/SE/1B.1	Coastal bluff scrub (sandy), Coastal dunes, Coastal prairie (mesic); Mesic (often), Vernally Mesic (often)/annual herb/Mar–May/5–165	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.

Scientific Name	Common Name	Status (Federal/State/CRPR)	Primary Habitat Associations/ Life Form/ Blooming Period/ Elevation Range (feet)	Potential to Occur
Atriplex coulteri	Coulter's saltbush	None/None/1B.2	Coastal bluff scrub, Coastal dunes, Coastal scrub, Valley and foothill grassland; Alkaline (sometimes), Clay (sometimes)/perennial herb/Mar–Oct/10–1,510	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Atriplex pacifica	south coast saltscale	None/None/1B.2	Coastal bluff scrub, Coastal dunes, Coastal scrub, Playas/annual herb/Mar–Oct/0–460	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Atriplex parishii	Parish's brittlescale	None/None/1B.1	Chenopod scrub, Playas, Vernal pools; Alkaline/annual herb/June–Oct/80–6,235	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Atriplex serenana var. davidsonii	Davidson's saltscale	None/None/1B.2	Coastal bluff scrub, Coastal scrub; Alkaline/annual herb/Apr–Oct/35–655	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Calochortus catalinae	Catalina mariposa lily	None/None/4.2	Chaparral, Cismontane woodland, Coastal scrub, Valley and foothill grassland/perennial bulbiferous herb/(Feb)Mar–June/50–2,295	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Calystegia peirsonii	Peirson's morning-glory	None/None/4.2	Chaparral, Chenopod scrub, Cismontane woodland, Coastal scrub, Lower montane coniferous forest, Valley and foothill grassland/perennial rhizomatous herb/Apr–June/100–4,920	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.

Scientific Name	Common Name	Status (Federal/State/CRPR)	Primary Habitat Associations/ Life Form/ Blooming Period/ Elevation Range (feet)	Potential to Occur
Camissoniopsis lewisii	Lewis' evening-primrose	None/None/3	Cismontane woodland, Coastal bluff scrub, Coastal dunes, Coastal scrub, Valley and foothill grassland; Clay (sometimes), Sandy (sometimes)/annual herb/Mar–May(June)/0–985	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Centromadia parryi ssp. australis	southern tarplant	None/None/1B.1	Marshes and swamps (margins), Valley and foothill grassland (vernally mesic), Vernal pools/annual herb/May–Nov/0–1,575	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Centromadia pungens ssp. laevis	smooth tarplant	None/None/1B.1	Chenopod scrub, Meadows and seeps, Playas, Riparian woodland, Valley and foothill grassland; Alkaline/annual herb/Apr–Sep/0–2,100	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Chaenactis glabriuscula var. orcuttiana	Orcutt's pincushion	None/None/1B.1	Coastal bluff scrub (sandy), Coastal dunes/annual herb/Jan–Aug/0–330	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Chenopodium littoreum	coastal goosefoot	None/None/1B.2	Coastal dunes/annual herb/Apr–Aug/35–100	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Chloropyron maritimum ssp. maritimum	salt marsh bird's-beak	FE/SE/1B.2	Coastal dunes, Marshes and swamps (coastal salt)/annual herb (hemiparasitic)/May–Oct(Nov)/0–100	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.

Scientific Name	Common Name	Status (Federal/State/CRPR)	Primary Habitat Associations/ Life Form/ Blooming Period/ Elevation Range (feet)	Potential to Occur
Chorizanthe parryi var. fernandina	San Fernando Valley spineflower	None/SE/1B.1	Coastal scrub (sandy), Valley and foothill grassland/annual herb/Apr–July/490–4,005	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Cistanthe maritima	seaside cistanthe	None/None/4.2	Coastal bluff scrub, Coastal scrub, Valley and foothill grassland; Sandy/annual herb/(Feb)Mar–June(Aug)/15–985	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Convolvulus simulans	small-flowered morning-glory	None/None/4.2	Chaparral (openings), Coastal scrub, Valley and foothill grassland; Clay, Seeps, Serpentine/annual herb/Mar–July/100–2,430	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Crossosoma californicum	Catalina crossosoma	None/None/1B.2	Chaparral, Coastal scrub; Rocky/perennial deciduous shrub/Feb–May/0–1,640	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Deinandra paniculata	paniculate tarplant	None/None/4.2	Coastal scrub, Valley and foothill grassland, Vernal pools; Sandy (sometimes), Vernally Mesic (usually)/annual herb/(Mar)Apr–Nov/80–3,085	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Dichondra occidentalis	western dichondra	None/None/4.2	Chaparral, Cismontane woodland, Coastal scrub, Valley and foothill grassland/perennial rhizomatous herb/(Jan)Mar–July/165–1,640	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.

Scientific Name	Common Name	Status (Federal/State/CRPR)	Primary Habitat Associations/ Life Form/ Blooming Period/ Elevation Range (feet)	Potential to Occur
Dithyrea maritima	beach spectaclepod	None/ST/1B.1	Coastal dunes, Coastal scrub (sandy)/perennial rhizomatous herb/Mar–May/10–165	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Dudleya virens ssp. insularis	island green dudleya	None/None/1B.2	Coastal bluff scrub, Coastal scrub; Rocky/perennial herb/Apr–June/15–985	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Eryngium aristulatum var. parishii	San Diego button-celery	FE/SE/1B.1	Coastal scrub, Valley and foothill grassland, Vernal pools; Mesic/annual/perennial herb/Apr–June/65–2,035	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Erysimum suffrutescens	suffrutescent wallflower	None/None/4.2	Chaparral (maritime), Coastal bluff scrub, Coastal dunes, Coastal scrub/perennial herb/Jan–July(Aug)/0–490	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Hordeum intercedens	vernal barley	None/None/3.2	Coastal dunes, Coastal scrub, Valley and foothill grassland (depressions, saline flats), Vernal pools/annual herb/Mar–June/15–3,280	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Horkelia cuneata var. puberula	mesa horkelia	None/None/1B.1	Chaparral (maritime), Cismontane woodland, Coastal scrub; Gravelly (sometimes), Sandy (sometimes)/perennial herb/Feb–July(Sep)/230–2,660	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.

Scientific Name	Common Name	Status (Federal/State/CRPR)	Primary Habitat Associations/ Life Form/ Blooming Period/ Elevation Range (feet)	Potential to Occur
Isocoma menziesii var. decumbens	decumbent goldenbush	None/None/1B.2	Chaparral, Coastal scrub (often disturbed areas, sandy)/perennial shrub/Apr–Nov/35–820	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Juglans californica	Southern California black walnut	None/None/4.2	Chaparral, Cismontane woodland, Coastal scrub, Riparian woodland/perennial deciduous tree/Mar–Aug/165–2,955	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Juncus acutus ssp. leopoldii	southwestern spiny rush	None/None/4.2	Coastal dunes (mesic), Coastal scrub, Marshes and swamps (coastal salt), Meadows and seeps (alkaline seeps)/perennial rhizomatous herb/(Mar)May–June/10–2,955	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Lasthenia glabrata ssp. coulteri	Coulter's goldfields	None/None/1B.1	Marshes and swamps (coastal salt), Playas, Vernal pools/annual herb/Feb–June/5–4,005	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Lycium brevipes var. hassei	Santa Catalina Island desert-thorn	None/None/3.1	Coastal bluff scrub, Coastal scrub/perennial deciduous shrub/June(Aug)/215–985	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Lycium californicum	California box-thorn	None/None/4.2	Coastal bluff scrub, Coastal scrub/perennial shrub/Mar–Aug(Dec)/15–490	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.

Scientific Name	Common Name	Status (Federal/State/CRPR)	Primary Habitat Associations/ Life Form/ Blooming Period/ Elevation Range (feet)	Potential to Occur
Mucronea californica	California spineflower	None/None/4.2	Chaparral, Cismontane woodland, Coastal dunes, Coastal scrub, Valley and foothill grassland; Sandy/annual herb/Mar–July(Aug)/0–4,595	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Nama stenocarpa	mud nama	None/None/2B.2	Marshes and swamps (lake margins, riverbanks)/annual/perennial herb/Jan–July/15–1,640	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Navarretia fossalis	spreading navarretia	FT/None/1B.1	Chenopod scrub, Marshes and swamps (shallow freshwater), Playas, Vernal pools/annual herb/Apr–June/100–2,150	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Navarretia prostrata	prostrate vernal pool navarretia	None/None/1B.2	Coastal scrub, Meadows and seeps, Valley and foothill grassland (alkaline), Vernal pools; Mesic/annual herb/Apr–July/10–3,970	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Nemacaulis denudata var. denudata	coast woolly-heads	None/None/1B.2	Coastal dunes/annual herb/Apr–Sep/0–330	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Orcuttia californica	California Orcutt grass	FE/SE/1B.1	Vernal pools/annual herb/Apr–Aug/50–2,165	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.

Scientific Name	Common Name	Status (Federal/State/CRPR)	Primary Habitat Associations/ Life Form/ Blooming Period/ Elevation Range (feet)	Potential to Occur
Pentachaeta lyonii	Lyon's pentachaeta	FE/SE/1B.1	Chaparral (openings), Coastal scrub, Valley and foothill grassland; Clay, Rocky/annual herb/(Feb)Mar–Aug/100–2,265	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Phacelia ramosissima var. austrolitoralis	south coast branching phacelia	None/None/3.2	Chaparral, Coastal dunes, Coastal scrub, Marshes and swamps (coastal salt); Rocky (sometimes), Sandy/perennial herb/Mar–Aug/15–985	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Phacelia stellaris	Brand's star phacelia	None/None/1B.1	Coastal dunes, Coastal scrub/annual herb/Mar–June/5–1,310	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Potentilla multijuga	Ballona cinquefoil	None/None/1A	Meadows and seeps (brackish)/perennial herb/June–Aug/0–5	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Sidalcea neomexicana	salt spring checkerbloom	None/None/2B.2	Chaparral, Coastal scrub, Lower montane coniferous forest, Mojavean desert scrub, Playas; Alkaline, Mesic/perennial herb/Mar–June/50–5,020	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Suaeda esteroa	estuary seablite	None/None/1B.2	Marshes and swamps (coastal salt)/perennial herb/(Jan–May)July–Oct/0–15	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.

Scientific Name	Common Name	Status (Federal/State/CRPR)	Primary Habitat Associations/ Life Form/ Blooming Period/ Elevation Range (feet)	Potential to Occur
Suaeda taxifolia	woolly seablite	None/None/4.2	Coastal bluff scrub, Coastal dunes, Marshes and swamps (coastal margins)/perennial evergreen shrub/Jan–Dec/0–165	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.
Symphyotrichum defoliatum	San Bernardino aster	None/None/1B.2	Cismontane woodland, Coastal scrub, Lower montane coniferous forest, Marshes and swamps, Meadows and seeps, Valley and foothill grassland (vernally mesic); Streambanks/perennial rhizomatous herb/July–Nov/5–6,695	Not expected to occur. The Study Area is comprised of ornamental plantings within a developed area and no suitable habitat for the species to occur.

Notes:
Status Legend:
Federal Designations
FE Federally listed endangered
State Designations
SE State listed as endangered
ST State threatened
California Rare Plant Ranking (CRPR)
1B Plants rare, threatened, or endangered in California and elsewhere
2B Plants rare, threatened, or endangered in California but more common elsewhere
3: Review List: Plants about which more information is needed
4: Watch List: Plants of limited distribution
.1 Seriously endangered in California (over 80% of occurrences threatened/high degree and immediacy of threat)
.2 Fairly endangered in California (20% to 80% of occurrences threatened)
.3 Not very endangered in California (less than 20% of occurrences threatened or no current threats known)

Scientific Name	Common Name	Status[1] (Federal/State)	Habitat	Potential to Occur[2]
Invertebrates				
Bombus crotchii	Crotch's bumble bee	None/SCE	Open grassland and scrub communities supporting suitable floral resources.	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Glaucopsyche lygdamus palosverdesensis	Palos Verdes blue butterfly	FE/None	Cool, fog-shrouded, seaward side of Palos Verdes Hills, Los Angeles County	Not expected to occur. The site is located outside of the known geographic range for this species.
Streptocephalus woottoni	Riverside fairy shrimp	FE/None	Vernal pools, non-vegetated ephemeral pools	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Danaus plexippus plexippus pop. 1	monarch - California overwintering population	FC/None	Wind-protected tree groves with nectar sources and nearby water sources	Not expected to occur. No monarchs or host plants were observed during the survey and the Study Area lacks suitable habitat for this species to occur.
Euphilotes allyni	El Segundo blue butterfly	FE/None	Remnant coastal dune habitat in Los Angeles and Santa Barbara Counties	Not expected to occur. The site is located outside of the known geographic range for this species.
Amphibian				
Spea hammondii	western spadefoot	FPT/SSC	Primarily grassland and vernal pools, but also in ephemeral wetlands that persist at least 3 weeks in chaparral, coastal scrub, valley–foothill woodlands, pastures, and other agriculture	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Reptiles				
Anniella stebbinsi	southern California legless lizard	None/SSC	Coastal dunes, stabilized dunes, beaches, dry washes, valley–foothill, chaparral, and scrubs; pine, oak, and riparian woodlands; associated with sparse vegetation and moist sandy or loose, loamy soils	Not expected to occur. Suitable habitat for this species is not present in the Study Area.

Scientific Name	Common Name	Status[1] (Federal/State)	Habitat	Potential to Occur[2]
Phrynosoma blainvillii	Blainville's horned lizard	None/SSC	Open areas of sandy soil in valleys, foothills, and semi-arid mountains including coastal scrub, chaparral, valley–foothill hardwood, conifer, riparian, pine–cypress, juniper, and annual grassland habitats	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Thamnophis sirtalis ssp. (Southern California coastal plain from Ventura County to San Diego County, and from sea level to about 850 m)	south coast garter snake	None/SSC	Marsh and upland habitats near permanent water and riparian vegetation	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Actinemys pallida	southwestern pond turtle	FPT/SSC	Slow-moving permanent or intermittent streams, ponds, small lakes, and reservoirs with emergent basking sites; adjacent uplands used for nesting and during winter	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Birds				
Agelaius tricolor (nesting colony)	tricolored blackbird	BCC/SSC, ST	Nests near freshwater, emergent wetland with cattails or tules, but also in Himalayan blackberrry; forages in grasslands, woodland, and agriculture	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Athene cunicularia (burrow sites & some wintering sites)	burrowing owl	BCC/SSC, SC	Nests and forages in grassland, open scrub, and agriculture, particularly with ground squirrel burrows	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Ch*aradrius nivosus nivosu*s (nesting)	western snowy plover	FT, BCC/SSC	On coasts nests on sandy marine and estuarine shores; in the interior nests on sandy, barren or sparsely vegetated flats near saline or alkaline lakes, reservoirs, and ponds	Not expected to occur. Suitable habitat for this species is not present in the Study Area.

Scientific Name	Common Name	Status[1] (Federal/State)	Habitat	Potential to Occur[2]
Coccyzus americanus occidentalis (nesting)	western yellow-billed cuckoo	FT/SE	Nests in dense, wide riparian woodlands and forest with well-developed understories	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Coturnicops noveboracensis	yellow rail	BCC/SSC	Nesting requires wet marsh/sedge meadows or coastal marshes with wet soil and shallow, standing water	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Empidonax traillii extimus (nesting)	southwestern willow flycatcher	FE/SE	Nests in dense riparian habitats along streams, reservoirs, or wetlands; uses variety of riparian and shrubland habitats during migration	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Laterallus jamaicensis coturniculus	California black rail	None/FP, ST	Tidal marshes, shallow freshwater margins, wet meadows, and flooded grassy vegetation; suitable habitats are often supplied by canal leakage in Sierra Nevada foothill populations	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Passerculus sandwichensis beldingi	Belding's savannah sparrow	BCC/SE	Nests and forages in coastal saltmarsh dominated by pickleweed (Salicornia spp.)	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Pelecanus occidentalis californicus (nesting colonies & communal roosts)	California brown pelican	FPD/SCD	Forages in warm coastal marine and estuarine environments; in California, nests on dry, rocky offshore islands	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Polioptila californica californica	coastal California gnatcatcher	FT/SSC	Nests and forages in various sage scrub communities, often dominated by California sagebrush and buckwheat; generally avoids nesting in areas with a slope of greater than 40%; majority of nesting at less than 1,000 feet above mean sea level	Not expected to occur. Suitable habitat for this species is not present in the Study Area.

Scientific Name	Common Name	Status[1] (Federal/State)	Habitat	Potential to Occur[2]
Riparia riparia (nesting)	bank swallow	None/ST	Nests in riparian, lacustrine, and coastal areas with vertical banks, bluffs, and cliffs with sandy soils; open country and water during migration	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Sternula antillarum browni (nesting colony)	California least tern	FE/FP, SE	Forages in shallow estuaries and lagoons; nests on sandy beaches or exposed tidal flats	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Vireo bellii pusillus (nesting)	least Bell's vireo	FE/SE	Nests and forages in low, dense riparian thickets along water or along dry parts of intermittent streams; forages in riparian and adjacent shrubland late in nesting season	Not expected to occur. Suitable habitat for this species is not present in the Study Area.

Scientific Name	Common Name	Status[1] (Federal/State)	Habitat	Potential to Occur[2]
Mammals				
Eumops perotis californicus	western mastiff bat	None/SSC	Chaparral, coastal and desert scrub, coniferous and deciduous forest and woodland; roosts in crevices in rocky canyons and cliffs where the canyon or cliff is vertical or nearly vertical, trees, and tunnels	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Lasionycteris noctivagans	silver-haired bat	None/None	Old-growth forest, maternity roosts in trees, large snags 50 feet aboveground; hibernates in hollow trees, rock crevices, buildings, mines, caves, and under sloughing bark; forages in or near coniferous or mixed deciduous forest, stream or river drainages	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
*Microtus californicus stephens*i	south coast marsh vole	None/SSC	Tidal marshes	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Neotoma lepida intermedia	San Diego desert woodrat	None/SSC	Coastal scrub, desert scrub, chaparral, cacti, rocky areas	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Nyctinomops femorosaccus	pocketed free-tailed bat	None/SSC	Pinyon–juniper woodlands, desert scrub, desert succulent shrub, desert riparian, desert wash, alkali desert scrub, Joshua tree, and palm oases; roosts in high cliffs or rock outcrops with drop-offs, caverns, and buildings	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Nyctinomops macrotis	big free-tailed bat	None/SSC	Rocky areas; roosts in caves, holes in trees, buildings, and crevices on cliffs and rocky outcrops; forages over water	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Perognathus longimembris pacificus	Pacific pocket mouse	FE/SSC	fine-grained sandy substrates in open coastal strand, coastal dunes, and river alluvium	Not expected to occur. Suitable habitat for this species is not present in the Study Area.

Scientific Name	Common Name	Status[1] (Federal/State)	Habitat	Potential to Occur[2]
Sorex ornatus salicornicus	southern California saltmarsh shrew	None/SSC	Saltmarsh, saltgrass, dense willow, bulrush	Not expected to occur. Suitable habitat for this species is not present in the Study Area.
Taxidea taxus	American badger	None/SSC	Dry, open, treeless areas; grasslands, coastal scrub, agriculture, and pastures, especially with friable soils	Not expected to occur. Suitable habitat for this species is not present in the Study Area.

Notes:

1 **Status Abbreviations:**
FE: Federally listed as endangered
FT: Federally listed as threatened
FC: Federal candidate species
BCC: Bird of Conservation Concern (U.S. Fish and Wildlife Service)
SE: State listed as endangered
ST: State listed as threatened
FP: CDFW California Fully Protected Species
SSC: CDFW California Species of Special Concern
WL: CDFW California Watch List Species

2 Refers to records within the Torrance U.S. Geological Survey (USGS) 7.5-minute quadrangle and eight surrounding quadrangles (i.e., South Gate, Inglewood, Long Beach, Redondo Beach, San Pedro, Venice)

Carson, California 90745

Subject: Cultural Resources Inventory Report for the Calas Park Stormwater Capture Project, City of Carson, California

Dear Roland Jen:

This letter documents the cultural resources inventory conducted by Dudek for the Calas Park Stormwater Capture Project (Project), located in the City of Carson, California (Figure 1, Project Location). The Project entails constructing and operating a stormwater capture and treatment facility within the northern portion of Calas Park, as well as other ancillary park improvements. The City of Carson (City) is the lead agency responsible for compliance with the California Environmental Quality Act (CEQA). In accordance with CEQA, Dudek performed a cultural resources inventory for the entire Project area. The Project area consists of an approximately 4.6-acre rectangular parcel owned by the City that houses components of its public water system (Figure 2, Project Site and Existing Features).

Dudek conducted a records search for the proposed Project including a surrounding 1-mile radius at the South Central Coastal Information Center (SCCIC). The records search did not identify any cultural resources within the Project area but did identify five resources within the 1-mile radius, two of which are prehistoric in age. Dudek requested a Native American Heritage Commission (NAHC) Sacred Lands File (SLF) search, and the results were negative for Native American cultural resources within 1 mile of the Project area.

A qualified Dudek archaeologist conducted a reconnaissance-level pedestrian survey of the proposed Project area on January 17, 2025. No cultural resources were identified within the Project area during this survey, though most of the ground surface was obscured by pavement, landscaping, and structures when the survey was conducted. Archival research indicates that the Project area has been developed since at least 1952, and numerous structures and paved parking lots were present prior to the construction of the park in the 1980s. A geotechnical report prepared for the Project indicates the presence of a layer of fill over alluvium in the areas of proposed development. The fill layer has the potential to contain intact historic-period foundation remnants from structures that were previously present within the Project area. The underlying alluvium also has a moderate potential for supporting the presence of subsurface archaeological deposits. Taking all these factors into consideration, the potential to encounter intact cultural deposits containing archaeological and tribal cultural resources is possible during Project-related ground-disturbing activities.

If yet unknown cultural resources, possessing the characteristics outlined in CEQA as significant, exist and are inadvertently encountered during implementation of the Project, there is potential for a substantial adverse change in the significance of an historical resource to occur. Therefore, the following three measures are recommended to

ensure that the potential for impacts to unknown significant cultural resources during proposed ground-disturbing construction activities would be appropriately addressed consistent with CEQA and City of Carson requirements and guidelines: (1) Retainment of a qualified archaeologist meeting the Secretary of the Interior standards responsible for the development and implementation of a Cultural Resource Monitoring and Inadvertent Discovery Plan, (2) development and presentation of a Workers Environmental Awareness Program Training to the Project's construction personnel; and (3) performance of archaeological monitoring. Implementation of these measures would ensure that cultural resources encountered inadvertently are treated properly and in accordance with CEQA, resulting in less-than-significant impacts to cultural resources.

1 Project Description and Location

The Project is located in the southern portion of the City of Carson, which is in southwestern Los Angeles County, California. To the north, the park is bounded by East 220th Street, followed by Carnegie Middle School, a grassy area containing the transmission line corridor, and residential uses. To the south, the park is bounded by East Jay Street, followed by residential uses, and East 223rd Street, followed by light industrial/warehousing, office, and commercial uses. To the east, the park is bounded by South Edgar Street, followed by residential uses. To the west, the park is bounded by residential uses. Regional access to the park is from Interstate (I) 405, which is approximately 0.18 miles to the east; State Route (SR) 47, which is approximately 1.55 miles to the east; I-110, which is 1.60 miles to the west; and I-710, which is approximately 2.72 miles to the east. The Project falls within Sections 16 and 17 of Township 4 South, Range 13 West, of the Torrance, California, 7.5-minute Quadrangle (Figure 1).

The proposed Project entails constructing and operating a stormwater capture and treatment facility within the northern portion of Calas Park, as well as other ancillary park improvements. The proposed Project site covers approximately 4.60 acres of Calas Park, including the two baseball fields, the soccer field, the tennis courts, the basketball court, and the parking area (Figure 2). The park is in a developed part of the City that primarily features residential, commercial, office, and light industrial/warehousing uses and schools. The park is upside down L-shaped with a transmission line corridor running along the western portion of the park. The primary components of the park are concentrated in the north and northeast areas of the park. The proposed Project is currently in the preliminary design phase, and the City has developed certain design and engineering assumptions for purposes of defining the Project for informal purposes and conducting environmental impact review pursuant to CEQA. The City will function as the lead agency under CEQA.

The stormwater capture and treatment facility would intercept stormwater and dry-weather flow from two existing underground storm drains, one north of the intersection of East 220th Street and Bonita Street and the other in East 220th Street, and a box culvert storm drain in East 220th Street and convey flows into an underground storage reservoir that would be installed beneath the northeast corner of the baseball and soccer fields area for infiltration into the groundwater basin. Other Project components include constructing a 5.6-cubic-feet-per-second concrete diversion pipeline with utility hole access within East 220th Street running from the intersection of East 220th Street and Bonita Street to north of the tennis courts at Calas Park. Diversion structures along the diversion pipeline would be underground concrete vault encasing the existing storm drains and connecting the existing storm drains to the 18-inch-diameter underground diversion pipeline. The diversion structures would have a utility hole for personnel and equipment access. An underground storage reservoir would be installed beneath the northeast corner of the baseball and soccer fields area. The field surface would be removed, and earth material would be

excavated, removed, and hauled off site for reuse or disposal. A vegetated bioswale would also be installed north of the tennis courts and south of East 220th Street, featuring native vegetation and decorative boulders.

2 Regulatory Framework

2.1 The California Register of Historical Resources (Public Resources Code Section 5020 et seq.)

Under CEQA, the term "historical resource" includes but is not limited to "any object, building, structure, site, area, place, record, or manuscript which is historically or archaeologically significant, or is significant in the architectural, engineering, scientific, economic, agricultural, educational, social, political, military, or cultural annals of California" (California Public Resources Code Section 5020.1[j]). In 1992, the California legislature established the California Register of Historical Resources (CRHR) "to be used by state and local agencies, private groups, and citizens to identify the state's historical resources and to indicate what properties are to be protected, to the extent prudent and feasible, from substantial adverse change" (California Public Resources Code Section 5024.1[a]). A resource is eligible for listing in the CRHR if the State Historical Resources Commission determines that it is a significant resource and that it meets any of the following National Register of Historic Places (NRHP) criteria (California Public Resources Code Section 5024.1[c]):

- Associated with events that have made a significant contribution to the broad patterns of California's history and cultural heritage.
- Associated with the lives of persons important in our past.
- Embodies the distinctive characteristics of a type, period, region, or method of construction, or represents the work of an important creative individual, or possesses high artistic values.
- Has yielded, or may be likely to yield, information important in prehistory or history.

Resources less than 50 years old are not considered for listing in the CRHR but may be considered if it can be demonstrated that sufficient time has passed to understand the historical importance of the resource (see 14 CCR Section 4852[d][2]).

The CRHR protects cultural resources by requiring evaluations of the significance of prehistoric and historic resources. The criteria for the CRHR are nearly identical to those for the NRHP, and properties listed or formally designated as eligible for listing on the NRHP are automatically listed on the CRHR, as are the state landmarks and points of interest. The CRHR also includes properties designated under local ordinances or identified through local historical resource surveys. The State Historic Preservation Officer maintains the CRHR.

2.2 Native American Historic Cultural Sites (California Public Resources Code Section 5097 et seq.)

State law addresses the disposition of Native American burials in archaeological sites and protects such remains from disturbance, vandalism, or inadvertent destruction; establishes procedures to be implemented if Native American skeletal remains are discovered during construction of a project; and establishes the NAHC to resolve

disputes regarding the disposition of such remains. In addition, the Native American Historic Resource Protection Act makes it a misdemeanor punishable by up to 1 year in jail to deface or destroy an Indian historic or cultural site that is listed or may be eligible for listing in the CRHR.

2.3 California Native American Graves Protection and Repatriation Act

The California Native American Graves Protection and Repatriation Act (California Repatriation Act), enacted in 2001, required all state agencies and museums that receive state funding and that have possession or control over collections of human remains or cultural items, as defined, to complete an inventory and summary of these remains and items on or before January 1, 2003, with certain exceptions. The California Repatriation Act also provides a process for the identification and repatriation of these items to the appropriate tribes.

2.4 California Environmental Quality Act

As described further below, the following CEQA statutes and CEQA Guidelines are of relevance to the analysis of archaeological and historic resources:

1. California Public Resources Code Section 21083.2(g): Defines "unique archaeological resource."
2. California Public Resources Code Section 21084.1 and CEQA Guidelines Section 15064.5(a): Define historical resources. In addition, CEQA Guidelines Section 15064.5(b) defines the phrase "substantial adverse change in the significance of an historical resource;" it also defines the circumstances when a project would materially impair the significance of a historical resource.
3. California Public Resources Code Section 5097.98 and CEQA Guidelines Section 15064.5(e): Set forth standards and steps to be employed following the accidental discovery of human remains in any location other than a dedicated ceremony.
4. California Public Resources Code Sections 21083.2(b)-(c) and CEQA Guidelines Section 15126.4: Provide information regarding the mitigation framework for archaeological and historic resources, including options of preservation-in-place mitigation measures; preservation-in-place is the preferred manner of mitigating impacts to significant archaeological sites because it maintains the relationship between artifacts and the archaeological context, and may also help avoid conflict with religious or cultural values of groups associated with the archaeological site(s).

Under CEQA, a project may have a significant effect on the environment if it may cause "a substantial adverse change in the significance of an historical resource" (California Public Resources Code Section 21084.1; CEQA Guidelines Section 15064.5[b]). If a site is either listed or eligible for listing in the CRHR, or if it is included in a local register of historic resources, or identified as significant in a historical resources survey (meeting the requirements of California Public Resources Code Section 5024.1[q]), it is a "historical resource" and is presumed to be historically or culturally significant for purposes of CEQA (California Public Resources Code Section 21084.1; CEQA Guidelines Section 15064.5[a]). The lead agency is not precluded from determining that a resource is a historical resource even if it does not fall within this presumption (California Public Resources Code Section 21084.1; CEQA Guidelines Section 15064.5[a]).

A "substantial adverse change in the significance of an historical resource" reflecting a significant effect under CEQA means "physical demolition, destruction, relocation, or alteration of the resource or its immediate surroundings such that the significance of an historical resource would be materially impaired" (CEQA Guidelines Section 15064.5[b][1]; California Public Resources Code Section 5020.1[q]). In turn, the significance of a historical resource is materially impaired when a project:

1. Demolishes or materially alters in an adverse manner those physical characteristics of an historical resource that convey its historical significance and that justify its inclusion in, or eligibility for, inclusion in the California Register; or
2. Demolishes or materially alters in an adverse manner those physical characteristics that account for its inclusion in a local register of historical resources pursuant to section 5020.1(k) of the Public Resources Code or its identification in an historical resources survey meeting the requirements of section 5024.1(g) of the Public Resources Code, unless the public agency reviewing the effects of the project establishes by a preponderance of evidence that the resource is not historically or culturally significant; or
3. Demolishes or materially alters in an adverse manner those physical characteristics of a historical resource that convey its historical significance and that justify its eligibility for inclusion in the California Register as determined by a lead agency for purposes of CEQA.

See Section 2.7, below, for a discussion of the CEQA Guidelines for determining significance and mitigating impacts to unique archaeological resources.

2.5 California Health and Safety Code Section 7050.5 and Public Resources Code Section 5097.98

CEQA Guidelines Section 15064.5 assigns special importance to human remains and specifies procedures to be used when Native American remains are discovered. As described below, these procedures are detailed in California Health and Safety Code Section 7050.5 and Public Resources Code Section 5097.98.

California law protects Native American burials, skeletal remains, and associated grave goods, regardless of their antiquity, and provides for the sensitive treatment and disposition of those remains. Health and Safety Code Section 7050.5 requires that if human remains are discovered in any place other than a dedicated cemetery, no further disturbance or excavation of the site or nearby area reasonably suspected to contain human remains shall occur until the County coroner has examined the remains (California Health and Safety Code Section 7050.5[b]). If the coroner determines or has reason to believe the remains are those of a Native American, the coroner must contact the NAHC within 24 hours (California Health and Safety Code Section 7050.5[c]). In accordance with California Public Resources Code Section 5097.98(a), the NAHC will notify the Most Likely Descendant (MLD). With the permission of the landowner, the MLD may inspect the site of discovery. Within 48 hours of being granted access to the site, the MLD may recommend means of treatment or disposition, with appropriate dignity, of the human remains and associated grave goods.

2.6 Assembly Bill 52

California Assembly Bill 52, which took effect July 1, 2015, establishes a consultation process between California Native American tribes and lead agencies in order to address tribal concerns regarding project impacts and mitigation to "tribal cultural resources" (TCRs). Public Resources Code Section 21074(a) defines TCRs and states that a project that has the potential to cause a substantial adverse change to a TCR is a project that may have an adverse effect on the environment. A TCR is defined as a site, feature, place, cultural landscape, sacred place, and object with cultural value to a California Native American tribe that is either:

1. Listed or eligible for listing in the CRHR or a local register of historical resources, or
2. Determined by a lead agency to be a TCR.

2.7 Guidelines for Determining Significance

According to CEQA (Section 15064.5b), a project with an effect that may cause a substantial adverse change in the significance of an historical resource is a project that may have a significant effect on the environment. CEQA defines a substantial adverse change:

> Substantial adverse change in the significance of an historical resource means physical demolition, destruction, relocation, or alteration of the resource or its immediate surroundings such that the significance of an historical resource would be materially impaired.

The significance of an historical resource is materially impaired when a project:

- Demolishes or materially alters in an adverse manner those physical characteristics of an historical resource that convey its historical significance and that justify its inclusion in, or eligibility for inclusion in, the CRHR; or
- Demolishes or materially alters in an adverse manner those physical characteristics that account for its inclusion in a local register of historical resources pursuant to section 5020.1(k) of the Public Resources Code or its identification in an historical resources survey meeting the requirements of section 5024.1(g) of the Public Resources Code, unless the public agency reviewing the effects of the project establishes by a preponderance of evidence that the resource is not historically or culturally significant; or
- Demolishes or materially alters in an adverse manner those physical characteristics of an historical resource that convey its historical significance and that justify its eligibility for inclusion in the CRHR as determined by a lead agency for purposes of CEQA.

Section 15064.5(c) of CEQA applies to effects on archaeological sites and contains the following additional provisions regarding archaeological sites:

- When a project will impact an archaeological site, a lead agency shall first determine whether the site is an historical resource, as defined in subsection (a).
- If a lead agency determines that the archaeological site is a historical resource, it shall refer to the provisions of Section 21084.1 of the Public Resources Code, and this section, Section

15126.4 of the Guidelines, and the limits contained in Section 21083.2 of the Public Resources Code do not apply.

- If an archaeological site does not meet the criteria defined in subsection (a), but does meet the definition of a unique archaeological resource in Section 21083.2 of the Public Resources Code, the site shall be treated in accordance with the provisions of section 21083.2. The time and cost limitations described in Public Resources Code Section 21083.2 (c–f) do not apply to surveys and site evaluation activities intended to determine whether the project location contains unique archaeological resources.
- If an archaeological resource is neither a unique archaeological nor a historical resource, the effects of the project on those resources shall not be considered a significant effect on the environment. It shall be sufficient that both the resource and the effect on it are noted in the Initial Study or Environmental Impact Report (EIR), if one is prepared to address impacts on other resources, but they need not be considered further in the CEQA process.

Section 15064.5(d) and (e) contain additional provisions regarding human remains. Regarding Native American human remains, paragraph (d) provides:

> When an initial study identifies the existence of, or the probable likelihood of, Native American human remains within the project, a lead agency shall work with the appropriate Native Americans as identified by the Native American Heritage Commission as provided in Public Resources Code SS5097.98. The applicant may develop an agreement for treating or disposing of, with appropriate dignity, the human remains, and any items associated with Native American burials with the appropriate Native Americans as identified by the Native American Heritage Commission. Action implementing such an agreement is exempt from:
>
> 1. The general prohibition on disinterring, disturbing, or removing human remains from any location other than a dedicated cemetery (Health and Safety Code Section 7050.5); and
> 2. The requirement of CEQA and the Coastal Act.

Under CEQA, an EIR is required to evaluate any impacts on unique archaeological resources (California Public Resources Code Section 21083.2.) A "unique archaeological resource" is defined as follows (California Public Resources Code Section 21083.2[g]):

> [A]n archaeological artifact, object, or site about which it can be clearly demonstrated that, without merely adding to the current body of knowledge, there is a high probability that it meets any of the following criteria:
>
> 1. Contains information needed to answer important scientific research questions and that there is a demonstrable public interest in that information.
> 2. Has a special and particular quality such as being the oldest of its type or the best available example of its type.
> 3. Is directly associated with a scientifically recognized important prehistoric or historic event or person.

An impact to a non-unique archaeological resource is not considered a significant environmental impact and such non-unique resources need not be further addressed in the EIR (Public Resources Code Section 21083.2[a]; CEQA Guidelines Section 15064.5[c][4]).

As stated above, CEQA contains rules for mitigation of "unique archaeological resources." For example, "[i]f it can be demonstrated that a project will cause damage to a unique archaeological resource, the lead agency may require reasonable efforts to be made to permit any or all of these resources to be preserved in place or left in an undisturbed state. Examples of that treatment, in no order of preference, may include, but are not limited to, any of the following" (Public Resources Code Section 21083.2[b][1]–[4]):

1. Planning construction to avoid archaeological sites.
2. Deeding archaeological sites into permanent conservation easements.
3. Capping or covering archaeological sites with a layer of soil before building on the sites.
4. Planning parks, greenspace, or other open space to incorporate archaeological sites.

Public Resources Code Section 21083.2(d) states that "[e]xcavation as mitigation shall be restricted to those parts of the unique archaeological resource that would be damaged or destroyed by the project. Excavation as mitigation shall not be required for a unique archaeological resource if the lead agency determines that testing or studies already completed have adequately recovered the scientifically consequential information from and about the resource, if this determination is documented in the environmental impact report."

The rules for mitigating impacts to archaeological resources to qualify as "historic resources" are slightly different. According to CEQA Guidelines Section 15126.4(b), "[p]ublic agencies should, whenever feasible, seek to avoid damaging effects on any historic resource of an archaeological nature. The following factors shall be considered and discussed in an EIR for a project involving such an archaeological site:

A. Preservation in place is the preferred manner of mitigating impacts to archaeological sites. Preservation in place maintains the relationship between artifacts and the archaeological context. Preservation may also avoid conflict with religious or cultural values of groups associated with the site.
B. Preservation in place may be accomplished by, but is not limited to, the following:
    1. Planning construction to avoid archaeological sites;
    2. Incorporation of sites within parks, greenspace, or other open space;
    3. Covering the archaeological sites with a layer of chemically stable soil before building tennis courts, parking lots, or similar facilities on the site[; and]
    4. Deeding the site into a permanent conservation easement.

Thus, although Section 21083.2 of the Public Resources Code, in addressing "unique archaeological sites," provides for specific mitigation options "in no order of preference," CEQA Guidelines Section 15126.4(b), in addressing "historical resources of an archaeological nature," provides that "[p]reservation in place is the preferred manner of mitigating impacts to archaeological sites."

Under CEQA, "[w]hen data recovery through excavation is the only feasible mitigation," the lead agency may cause to be prepared and adopt a "data recovery plan," prior to any excavation being undertaken. The data recovery plan must make "provision for adequately recovering the scientifically consequential information from and about the

historic resource" (CEQA Guidelines Section 15126.4[b][3][C]). The data recovery plan also "must be deposited with the California Historical Resources Regional Information Center." (*Ibid*.) Further, "[i]f an artifact must be removed during project excavation or testing, curation may be an appropriate mitigation." (*Ibid*.)

However, "[d]ata recovery shall not be required for an historical resource if the lead agency determines that testing or studies already completed have adequately recovered the scientifically consequential information from and about the archaeological or historic resource, provided that determination is documented in the EIR and that the studies are deposited with the California Historical Resources Regional Information Center" (CEQA Guidelines Section 15126.4[b][3][D]).

2.8 Los Angeles County

Chapter 9, the Conservation and Natural Resources Element of the Los Angeles County 2035 General Plan, Section VIII. Historic, Cultural, and Paleontological Resources, provides the following goals and policies potentially relevant to the Project (County of Los Angeles 2015): The following summarizes Goals and Policies specific to cultural and historical resources:

Goal C/NR 14: Protected historic, cultural, and paleontological resources.

Topic: Historic, Cultural, and Paleontological Resource Protection

Policy C/NR 14.1: Mitigate all impacts from new development on or adjacent to historic, cultural, and paleontological resources to the greatest extent feasible.

Policy C/NR 14.2: Support an inter-jurisdictional collaborative system that protects and enhances historic, cultural, and paleontological resources.

Policy C/NR 14.3: Support the preservation and rehabilitation of historic buildings.

Policy C/NR 14.4: Ensure proper notification procedures to Native American tribes in accordance with Senate Bill 18 (2004).

Policy C/NR 14.5: Promote public awareness of historic, cultural, and paleontological resources.

Policy C/NR 14.6: Ensure proper notification and recovery processes are carried out for development on or near historic, cultural, and paleontological resources.

Los Angeles County Historic Preservation Ordinance

On September 1, 2015, the Board of Supervisors recognized the importance of preserving the County's distinctive architectural and cultural history by adopting the Historic Preservation Ordinance (HPO) that:

- Specifies criteria and procedures for the designation of landmarks and historic districts.
- Specifies criteria and procedures for reviewing proposed work on designated landmarks or on property within historic districts.
- Establishes penalties for unauthorized work, including demolition, on landmarks or historic district contributors.

- Requires maintenance of landmarks and historic district contributors to prevent deterioration.
- Prohibits work, including demolition, on property nominated but not yet designated as a landmark or historic district.
- Encourages adaptive reuse of landmarks and historic district contributors by providing relief from parking requirements.
- Provides for the enhancement of historic districts by the establishment of development guidelines and standards, and by allowing streetscape improvements that are compatible with the areas historic character.

Section 22.124.070, Criteria for Designation of Landmarks and Historic Districts

Included here are the relevant sections of Los Angeles County Code Section 22.124.070, which summarizes applicable criteria for landmark and historic district designation.

> A structure, site, object, tree, landscape, or natural land feature may be designated as a landmark if it is 50 years of age or older and satisfies one or more of the following criteria:
>
> 1. It is associated with events that have made a significant contribution to the broad patterns of the history of the nation, State, County, or community in which it is located;
> 2. It is associated with the lives of persons who are significant in the history of the nation, State, County, or community in which it is located;
> 3. It embodies the distinctive characteristics of a type, architectural style, period, or method of construction, or represents the work of an architect, designer, engineer, or builder whose work is of significance to the nation, State, County, or community in which it is located; or possesses artistic values of significance to the nation, State, County, or community in which it is located;
> 4. It has yielded, or may be likely to yield, significant and important information regarding the prehistory or history of the nation, State, County, or community in which it is located;
> 5. It is listed, or has been formally determined eligible by the United States National Park Service for listing, in the National Register of Historic Places, or is listed, or has been formally determined eligible by the State Historical Resources Commission for listing, on the California Register of Historical Resources;
> 6. If it is a tree, it is one of the largest or oldest trees of the species located in the County; or
> 7. If it is a tree, landscape, or other natural land feature, it has historical significance due to an association with a historic event, person, site, street, or structure, or because it is a defining or significant outstanding feature of a neighborhood.

The County provides for the protection and preservation of Archaeological/Paleontological/Historic Cultural Resources under Zoning Code Section 22.44.1570, Additional Development Standards):

A. Purpose. The intent of these provisions is protect and preserve archaeological, historical, and paleontological resources from destruction, and avoid impacts to such resources where feasible. Where avoidance is not feasible, impacts to resources shall be minimized to the maximum extent feasible.

B. Definitions. The following definitions shall only apply to this section. This portion of the County's approach to the protection and preservation of Archaeological/Paleontological/Historic Cultural Resources under Zoning Code Section 22.44.1570 includes a glossary of applicable terms. Please refer to Zoning Code Section 22.44.1570 for complete language.

C. Applicability. A Cultural Resource Review pursuant to this section shall be required for all projects prior to the issuance of a planning approval, coastal development permit, geological/geotechnical exploratory excavation permit, sewer permit, building permit, grading permit, or prior to the commencement of government-initiated or funded works except those projects necessary for emergency purposes.

D. Cultural Resource Review. This portion of the County's approach to the protection and preservation of Archaeological/Paleontological/Historic Cultural Resources under Zoning Code Section 22.44.1570 includes a comprehensive description of how cultural resource reviews should be conducted. Please refer to Zoning Code Section 22.44.1570 for complete language.

E. Cataloging and Filing of Information. This portion of the County's approach to the protection and preservation of Archaeological/Paleontological/Historic Cultural Resources under Zoning Code Section 22.44.1570 includes a comprehensive protocol for the curation and filing of data and findings. Please refer to Zoning Code Section 22.44.1570 for complete language.

F. Archaeological Discoveries. Any person who discovers important cultural resources during the course of construction for a project shall notify the Director of the discovery. Once important cultural resources are discovered, no further excavation shall be permitted without approval of the Director.

2.9 City of Carson General Plan

The City of Carson General Plan (2023) provides a contextual understanding of the historical, archaeological, and paleontological background of the City and discusses the goals, policies and programs related to the preservation and protection of these resources within the City's limits. The goals pertinent to cultural resources along with the policies and programs adopted by the City are as follows:

Guiding Policies

OSEC-G-6. Identify, protect, and preserve important archaeological, paleontological, tribal, and historic resources for their aesthetic, scientific, educational, and cultural values.

OSEC-G-7. Celebrate Carson's unique cultural history by promoting and understanding and appreciation of its history with residents.

OSEC-G-8. Recognize the Tribal Nations who first lived in the Carson area and preserve their identity, culture, and artifacts. Consistent with State law, consult with local Tribal Nations and the Native American Heritage Com-mission to protect tribal cultural resources including sites, features, places, cultural landscapes, sacred places, or objects with cultural value to the tribes that is on or eligible for inclusion in the California Register of Historic Resources or a local historic register.

The State of California has adopted regulations that establish guidance and clear procedures for contacting and consulting with local tribes regarding proposed land use decisions for the

purpose of protecting tribal cultural resources. Senate Bill 18 (SB 18) re-quires local governments to notify and consult with Native American tribes regarding tribal cultural places (otherwise known as sacred sites) prior to adopting or amending a General Plan or designating land as open space. Assembly Bill 52 (AB 52) requires that Native American tribes be offered the opportunity to consult on CEQA documents and take an active role in the CEQA process.

Implementing Policies

OSEC-P-8. Development projects shall comply with State and federal law that upon discovery of Native American remains or archaeologic artifacts during construction, all activity will cease until qualified professional archaeological examination and reburial in an appropriate manner is accomplished.

OSEC-P-9. For development and redevelopment proposals in archaeologically or culturally sensitive areas of Carson, require an assessment of the potential presence of archaeological and tribal cultural resources, including a site survey and a records search of the California Historical Resources Information System at the South Central Coastal Information Center (SCCIC). As warranted by the results of the assessment, require additional studies to identify and address project-specific im-pacts on archaeological and tribal cultural resources. The City should incorporate the study recommendations as project conditions of approval to ensure that impacts on archaeological and/or tribal cultural resources are mitigated to the extent possible. Studies should be prepared according to National Register Bulletin 24: Guidelines for Local Surveys: A Basis for Preservation Planning and the Secretary of the Interior's Standards and Guidelines for Archaeology and Historic Preservation.

OSEC-P-10. Using an annually updated Archaeological Resource Sensitivity Map, review pro-posed development projects to determine whether a site contains known prehistoric or historic cultural resources and/or to determine the potential for discovery of additional cultural resources.

OSEC-P-11. Proactively coordinate with the area's native tribes in the review and protection of any tribal cultural resources discovered at development sites.

OSEC-P-12. Prior to development of projects that involve ground disturbance or excavations in undisturbed native soils, the project proponent shall retain a paleontologist meeting the Society of Vertebrate Paleontology's standards for qualified professional paleontologist to conduct a paleontological resources assessment including: a site-specific database search at the Natural History Museum of Los Angeles County and/or other appropriate facilities; geologic map and scientific literature review; a pedestrian field survey, where deemed appropriate by the qualified professional paleontologist; assessment of the project area's paleontological sensitivity and paleontological monitoring requirements; and preparation of a technical report that documents the methods and results of the study. The report shall be prepared prior to the City of Carson's approval of project plans.

OSEC-P-13. The City shall require paleontological re-sources monitoring for any project that has a high potential for encountering subsurface paleontological resources. The location, depths, duration, and timing of monitoring shall be determined by the qualified professional paleontologist based on the sensitivity assessment required as part of OSEC-P-12. Prior to the start of ground disturbance, the project proponent shall retain a qualified monitor meeting the Society of paleontological resource monitors, and who shall work under the direct super vision of the qualified professional paleontologist. In the event that paleontological resources are unearthed during ground-disturbing activities, the monitor shall be empowered to halt or redirect ground-disturbing activities away from the vicinity of the discovery until the qualified professional paleontologist has determined its significance and pro-vided recommendations for preservation in place or recovery of the resource. The monitor shall keep daily logs detailing the types of activities and soils observed, and any discoveries. After cessation of ground disturbance, the qualified professional paleontologist shall prepare a report that de-tails the results of monitoring.

3 Results

3.1 Records Search

Dudek conducted a California Historical Resources Information System records search of the Project area and a 1-mile radius at the SCCIC on December 19, 2024. The records search results identified that a total of 17 previous cultural resources studies have been conducted within 1 mile of the Project area (Table 1); one cultural resource inventory (LA-04512) covers the entirety of the Project area. The results of the records search and all Department of Parks and Recreation forms are attached as part of Confidential Appendix A, SCCIC Records Search Results.

Report LA-04512

Cultural Resources Inventory of the City of Carson, California (Eggers 1977) documents the results of an inventory and evaluation of the cultural heritage resources located within the bounds of the City of Carson. The report was drafted by A.V. Eggers, consulting archaeologist, and consisted of an archival records search, literature review, pedestrian survey, data evaluation and report preparation. The study area overlaps 100% with the Project area. During the pedestrian survey, eight prehistoric resources were recorded and 15 historic-era resources were recorded or updated. Three of the cultural resources identified in support of this Project fall within the records search 1-mile radius of the currently proposed Project. Further, no Project-specific management recommendations were proposed for areas adjacent to the park or the other currently proposed work areas but instead reiterated current regulations regarding the treatment of cultural resources.

Table 2. Previously Recorded Cultural Resources Within 1 Mile of the Project Area

Primary Number	Trinomial	Age	Description	CRHR Eligibility
Outside of Project Area				
P-19-000098	CA-LAN-000098	Prehistoric	Suangna Native American Village	County Point of Historical Interest (1972)
P-19-000795	CA-LAN-000795	Prehistoric	Lithic scatter with shell, bone, and diagnostic artifacts	Not Evaluated
P-19-188395		Historic	Carson Terminal, Shell Oil Company	Recommended Not Eligible
P-19-189309		Historic	Carson Standpipes	Not Evaluated
P-19-189868		Historic	Carson Senior High School	Recommended Not Eligible

3.2 Archival Research

In addition to the SCCIC records search, Dudek conducted an online review of historical aerial photographs and historical topographic maps to better understand the development of the Project area and surrounding vicinity over time.

Historical Topographic Maps

Topographic maps depict elevation of the study area as well as the areas surrounding it and illustrate the location of roads and some buildings. Although topographic maps are not comprehensive, they are another tool in determining whether a study area has been disturbed. A review of available topographic maps was conducted and includes the following years: 1896, 1899, 1905, 1910, 1916, 1922, 1924, 1926, 1927, 1930, 1939, 1953, 1959, 1966, 1975, 1982, 2012, 2015, 2018, and 2021 (NETR 2025). The historical topographic map from 1930 reveals the first development around the Project area with the construction of East 220th Street, Wilmington Street, now East 223rd Street, Bonita Street, and South Edgar Street. The 1953 topographic map reveals two structures located within the Project area and the construction of the transmission line and corridor. The 1966 topographic map shows the construction of East Jay Street and East Fiat Street adjacent to the Project Area.

While topographic maps are informative, they do not illustrate the minute changes that can occur to a landscape over time and, at times, are inconsistent with what is depicted on the maps year to year. Most often, structures depicted in topographical maps are limited to those with community or social significance (e.g., firehouses or hospitals), including additions or changes to roads and/or waterways. Nonetheless, the information gathered contributes to the overall understanding of the chronological development of a study area but must be considered with these limitations in mind.

Historical Aerial Photographs

Historical aerial photographs of the Project area were available from 1952 to 2022 (NETR 2025). The 1952 historical aerial photograph revealed that the eastern portion of the Project area consisted of a concrete slab with two small structures present along East 220th Street. The central portion of the site, currently the large baseball field, consisted of a containment pond that extended north across East 220th Street. The western portion of the Project area, currently the transmission corridor, consisted of a fenced property with two structures and associated graded paths. The 1963 historical aerial photograph revealed that the Project area had been subdivided into three separate properties. The western property was consistent with the previous photograph, but the central and eastern properties were new construction containing numerous newly constructed structures. All three properties appear to be utilized for staging of used cars and other equipment, possibly junk yards. The concrete pad and containment pond were no longer present. Residential tract housing was also newly constructed to the north and south of the Project area, and commercial structures have been constructed to the east. The transmission corridor and associated lines are present within this photograph. The 1972 historical aerial photograph is consistent with the previous photograph with no new construction present. On the 1980 historical aerial photograph, the transmission corridor is still present, but the properties have been demolished and graded. The 1985 historical aerial photograph revealed that the park, with associated structures, tennis courts, parking lot and baseball fields, had been constructed. The 1987 to 2022 historical aerial photographs revealed that the Project area remains consistent with the 1985 photograph with only minor alterations being observed.

Review of Geotechnical Report

In 2025, a geotechnical investigation by Craftwater Engineering, Inc. was conducted in support of the proposed Project. The investigation included the drilling, logging, and sampling of four hand-auger borings ranging from 5 to 10 feet in depth and four hollow-stem-auger borings ranging from 2.5 to 20 feet in depth. These test borings were located throughout the Project area but generally occurred in areas of the proposed bioswale locations, and within or adjacent to the proposed underground basin and in-line structures. The results of these borings indicate that the Project is generally underlain by undocumented fill over alluvium. The fill was encountered at depths ranging from approximately 2.5 to 6 feet below surface that consist of moist, stiff, lean clay and moist, medium dense, clayey sand with various amounts of gravel and construction debris. The alluvium predominantly consists of fine deposits of lean clay, fat clay, and silt with few interbeds of silty sand, clayey sand, and sandy silt with various amounts of gravel. Past developments of the park site including various structures in the vicinity of the proposed improvements, including materials storage/junkyards. The extend of demolition and removal of these former structures and materials is unknown. Based on various amounts of debris encountered in the borings, including buried concrete and possible foundation remnants may be present in the undocumented fill (Craftwater Engineering, Inc. 2025:9). These soil characteristics are consistent with alluvial sediments, which have a moderate potential for supporting the presence of subsurface archaeological deposits.

3.3 Native American Heritage Commission and Tribal Correspondence

Dudek requested a NAHC search of the SLF on January 30, 2025, for the Project area. The SLF consists of a database of known Native American resources. These resources may not be included in the SCCIC database. The NAHC replied via email on February 11, 2025, stating that the SLF search was completed with negative results (Appendix B, NAHC Correspondence and Tribal Outreach). Additionally, the NAHC provided a list of Native American tribes and individuals/organizations with traditional geographic associations that might have knowledge of cultural resources in the Project area. To date, Dudek has not conducted any further outreach.

In compliance with Assembly Bill 52, the City, as lead agency, is responsible for conducting government-to-government consultation with pertinent tribal entities.

3.4 Intensive Pedestrian Survey

Dudek Archaeologist Ryan Glenn, MA, RPA, conducted a reconnaissance-level pedestrian survey of the Project area on January 17, 2025, using standard archaeological procedures and techniques that meet the Secretary of Interior's standards and guidelines for a cultural resources inventory. Wherever possible, the survey was conducted in parallel transects, spaced no more than 5 meters apart. Due to the majority of the Project area being fully developed with paved parking lots and existing structures, an opportunistic method of examining any visible ground surface was required. Where visible, the ground surface was examined for prehistoric artifacts (e.g., flaked stone tools, tool-making debris, stone milling tools, ceramics, fire-affected rock, imported marine shell), soil discoloration that might indicate the presence of a cultural midden, soil depressions, features indicative of the current or former presence of structures or buildings (e.g., standing exterior walls, post holes, foundations), and historic artifacts (e.g., metal, glass, ceramics, building materials). Ground disturbances such as rodent/reptile burrows and drainages were also visually inspected for exposed subsurface materials. All fieldwork was documented using field notes and an Apple iPad equipped with Esri Field Maps. Location-specific photographs were taken using an eighth-generation Apple iPad equipped with an 8 mega-pixel 1080p resolution camera and georeferenced PDF maps of the Project area. All field notes, photographs, and records related to the current study are on file at Dudek's Pasadena, California, office.

The Project area is a developed public park, with associated buildings, two baseball diamonds, ball courts, a paved parking lot, paved walkways, and associated infrastructure. When the survey was conducted, the Project area was more than 40% developed and covered with either pavement or buildings. Ground surface visibility within the existing Project area was variable, with none to fair visibility. Areas that provided some surface visibility included landscaped areas around and within the parking lot, open space south of the parking lot, and the baseball diamonds measuring approximately 98 meters by 122 meters. These areas contained both areas with no vegetation and areas with dense grasses and provided fair to good ground surface visibility.

The Project area sits within a generally flat area surrounded by residential track housing and Carnegie Middle School. The Project area mainly consists of paved concrete and hardscape associated with paths and tennis and basketball courts, landscaped planters, and a picnic area. Most of the natural exposed soils were observed within the outfields of the baseball diamonds. The soils consisted of light brown to brown, clay loam with sub angular and angular inclusions, less than 2 centimeters in size. A brown silty sand was also observed within the baseball

diamond area but is likely imported fill. No cultural resources were identified during the pedestrian survey of the Project area.

4 Summary and Management Considerations

4.1 Archaeological Recommendations

Dudek's cultural resources inventory of the Project indicates that there is moderate sensitivity for identifying subsurface archaeological deposits during Project implementation. A records search from the SCCIC did not identify any archaeological resources within the Project area, however there are previously recorded prehistoric resources located within the 1-mile record search radius. The intensive pedestrian survey did not identify any archaeological resources within the Project area, but due to the landscaping and grading that has occurred because of the development of the park it is difficult to determine the presence or absence of subsurface archaeological deposits based on surface observations.

Based on the results of the geotechnical analysis there is a possibility of encountering intact foundations over 50 years in age and the presence of alluvium, which has a moderate potential for supporting the presence of subsurface archaeological deposits. As a result, archaeological and Native American monitoring is recommended for the Project and the following measures are recommended to ensure that the potential for impacts to unknown cultural resources during proposed ground-disturbing construction activities would be appropriately addressed consistent with state and local requirements and guidelines.

Archaeological Monitoring

Prior to ground disturbance activities, the Applicant and/or subsequent responsible parties should retain a Principal Investigator/Archaeologist, meeting the Secretary of the Interior's Standards, and with experience in California prehistoric and historic resources (experience within Los Angeles County preferred), to complete the following: compose a Cultural Resource Monitoring and Inadvertent Discovery Plan (Plan), manage archaeological monitoring, and address any inadvertent discoveries identified during Project implementation. Proof of retainment of the Principal Investigator/Archaeologist should be provided to the City prior to the granting of a grading permit. The purpose of the Plan is to outline cultural monitoring (archaeological and Native American/tribal) protocols and a program of treatment and mitigation in the case of an inadvertent discovery of cultural (archaeological or Native American/tribal) resources during ground-disturbing phases and to provide for the proper identification, evaluation, treatment, and protection of any cultural resources in accordance with CEQA throughout the duration of the Project. Existence and importance of adherence to this Plan should be stated on all Project site plans intended for use by those conducting the ground-disturbing activities.

The Principal Investigator/Archaeologist should manage archaeological monitoring conducted by archaeological technicians during initial ground disturbances. Initial excavation is defined as initial construction-related earth moving of sediments from their place of deposition. As it pertains to cultural monitoring (archaeological or Native American/tribal), this definition excludes movement of sediments after they have been initially disturbed or displaced by Project-related construction. The retained Principal Investigator/Archaeologist should oversee and establish monitoring efforts as needed (increase, decrease, or discontinue monitoring frequency) based on the observed potential for construction activities to encounter cultural deposits or material. Project monitoring may be

adjusted based on observed surface conditions if sediments appear unlikely to contain buried intact cultural resources. The archaeological monitor should be responsible for maintaining daily monitoring logs. The requirement for archaeological monitoring should be noted on all construction plans to ensure implementation. Upon completion of all ground-disturbing activities, an archaeological monitoring report should be prepared within 60 days following completion of ground disturbance and submitted to the City for review. This report should document compliance with approved cultural mitigation, all monitoring efforts, and include an appendix with daily monitoring logs. The final report should be submitted to the City and the South Central Coastal Information Center.

Workers Environmental Awareness Program (WEAP) Training

All construction personnel and monitors who are not trained archaeologists should be briefed regarding unanticipated discoveries prior to the start of ground-disturbing activities. A basic presentation should be prepared and presented by a qualified archaeologist to inform all personnel working on the Project about the archaeological sensitivity of the area. The purpose of the WEAP training is to provide specific details on the kinds of archaeological materials that may be identified during construction of the Project and explain the importance of and legal basis for the protection of significant cultural (archaeological or Native American/tribal) resources. Each worker should also be instructed on the proper procedures to follow in the event that cultural resources or human remains are uncovered during ground-disturbing activities. These procedures include work curtailment or redirection, and the immediate contact of the on-call archaeologist and if appropriate, tribal representative. Necessity of training attendance should be stated on all Project site plans intended for use by those conducting the ground-disturbing activities.

Unanticipated Discovery of Archaeological Resources

In the event that archaeological resources (sites, features, or artifacts) are exposed during construction activities for the Project, all construction work occurring within 100 feet of the find shall immediately stop until a qualified archaeologist meeting the Secretary of the Interior's Professional Qualification Standards can evaluate the significance of the find. Construction activities may continue in other areas but should be redirected a safe distance from the find. If the new discovery is evaluated and found to be significant under CEQA and avoidance is not feasible, additional work such as data recovery may be warranted. A data recovery plan shall be developed by the qualified archaeologist in consultation with the City and Native American representatives, if applicable. Ground disturbance can continue only after the resources has been properly mitigated and with approval by the City.

Unanticipated Discovery of Human Remains

In accordance with Section 7050.5 of the California Health and Safety Code, if human remains are found, the County Coroner shall be immediately notified of the discovery. No further excavation or disturbance of the site or any nearby area reasonably suspected to overlie adjacent remains shall occur until the appropriate treatment and disposition of the human remains. If the County Coroner determines that the remains are, or are believed to be, Native American, he or she shall notify the NAHC in Sacramento within 24 hours. In accordance with California Public Resources Code Section 5097.98, the NAHC must immediately notify the person or persons it believes to be the MLD from the deceased Native American. The MLD shall complete inspection within 48 hours of being granted access to the site and make recommendations for the treatment and disposition, in consultation with the property owner, of the human remains.

Should you have any questions relating to this report and its findings, please do not hesitate to contact me at 626.204.9840 or rglenn@dudek.com.

Project Description:

The conceptual design of the project is to divert stormwater runoff from a storm drain in E. 220th Street (northeast of the park) and from storm drain inlets in Bonita Street at 223rd Street (southwest of the park). The captured stormwater runoff will flow through a pre-treatment unit (hydrodynamic separator) via a proposed conveyance system before entering an underground storage vault, which will facilitate infiltration into the underlying groundwater. In addition, the project proposes a passive irrigation system that will be filled with stormwater for irrigation use of the Calas Park field(s).

Re: Calas Park Stormwater and Water Quality Improvements Project, Los Angeles County

To Whom It May Concern:

As requested, a record search of the Native American Heritage Commission (NAHC) Sacred Lands File (SLF) was completed based on information submitted for the above referenced project. The results were negative. Please note that tribes do not always record their sacred sites in the SLF, nor are they required to do so. As such, a SLF search is not a substitute for consultation with all tribes that are traditionally and culturally affiliated with a project's geographic area.

Attached is a list of Native American tribes who may also have knowledge of cultural resources in the project area. This list should provide a starting place in locating areas of potential adverse impact within the proposed project area. Please contact all of those listed; if they cannot supply information, they may recommend others with specific knowledge. If within two weeks of notification, a response has not been received, the Commission requests that you follow-up with a telephone call or email to ensure that the project information was received.

If you receive notification of a change of address or phone number from a tribe, please notify the NAHC so that we can assure that our lists contain current information.

In addition to engaging in tribal consultation, you should consult the appropriate regional California Historical Research Information System (CHRIS) archaeological Information Center to determine whether it has information regarding the presence of recorded archaeological sites within the project area.

If you have any questions or need additional information, please contact me at Andrew.Green@nahc.ca.gov.

Sincerely,

Andrew Green

Andrew Green
Cultural Resources Analyst

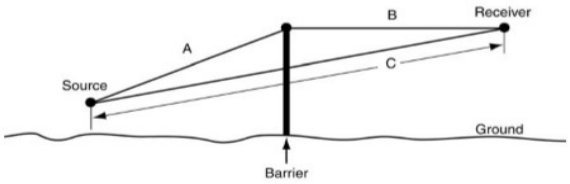
$Source_{elev}$	5.0	A_{horiz}	24.0	A	25.0
$Receiver_{elev}$	10.0	B_{horiz}	38.0	B	38.1
C	62.2	C_{horiz}	62.0		
P	0.85				
$Barrier_{elev}$	12				
Abarr	12.3				

The above calculations, refering to inputs from the figure at right, helps a user estimate what barrier attenuation (Abarr) to expect (i.e., up to 15 per formula to right) based upon source height (above grade), barrier height, and receiver height, and the horizontal distances between the source and receiver to the barrier. The FTA-based formula in the worksheets use these path length (P) and Abarr values to determine the barrier's insertion loss.

Barrier Parameter P

P= A+B-C



For all other barriers, and for protrusion of terrain above the line of sight:	$A_{barrier} = \min\left\{15 or\left[20\times\log\left(\frac{2.51\sqrt{P}}{\tanh\left[4.46\sqrt{P}\right]}\right)+5\right]\right\}$
Barrier Insertion Loss	$IL_{barrier} = \max\left\{0 or\left[A_{barrier} - 10(G_{NB} - G_B)\log\left(\frac{D}{50}\right)\right]\right\}$

D = closest distance between the receiver and the source, in feet
P = path length difference, in feet (see figure below)
G_{NB} = Ground factor G computed *without barrier* (see Figure 6-5)
G_B = Ground factor G computed *with barrier* (see Figure 6-5)

† The term "tanh(variable)" stands for hyperbolic tangent, available on many scientific calculators. If "tanh" is not available, then compute E = exp(variable), and set tanh(variable) = (E - 1/E) / (E + 1/E), where exp(variable) is the "exponential" function, also written as e^x on calculator keypads.

Sources: Transit Noise & Vibration Impact Assessment (FTA 2006)

11/26/21, MCS:
the calculations herein assume the "In General" calculation of Heff per Figure 6-5, which then allows a calculation of "G" with and without barrier.

SUPERVISORY DISTRICT #

USE AND MAINTENANCE AGREEMENT

This USE AND MAINTENANCE AGREEMENT (hereinafter referred to as AGREEMENT), is made and entered by and between the Los Angeles County Flood Control District, a body corporate and politic (hereinafter referred to as DISTRICT), and the City of Carson, a municipal corporation (hereinafter referred to as OWNER). DISTRICT and OWNER are collectively referred to as PARTIES.

RECITALS

WHEREAS, OWNER proposes to construct the Calas Park Stormwater Capture Project (hereinafter referred to as PROJECT); to treat and recharge incoming stormwater and urban runoff to enhance water quality and provide public recreational amenities;

WHEREAS, DISTRICT owns and operates storm drain(s) known as Project No. 9803 Unit 1 Line B and Joel Street Et Al Project No, C.I. 2262-M and associated right of way, hereinafter collectively referred to as DISTRICT FACILITIES;

WHEREAS, the following portions of the PROJECT (hereinafter referred to as IMPROVEMENTS), depicted in Exhibit A, are proposed to be located within DISTRICT FACILITIES:

- Diversion structure located within the LACFCD Bonita Street Concrete Conduit (BI 9803) Unit 1 Line B located at STA 43+78.35
- Diversion structure located at LACRD Project No. C.I. 2262-M Joel Street Et. Al Improvements at STA 19+93.90
- Diversion structure located at LACRD Project No. C.I. 2262-M Joel Street Et. Al Improvements at on the 24” RCP outflow pipe at STA 7+62.55

WHEREAS, the DISTRICT will issue permit number FCDP2023000228, (hereinafter referred to as PERMIT), upon execution of this AGREEMENT to the OWNER for construction of the IMPROVEMENTS;

NOW, THEREFORE, in consideration of the foregoing recitals, the mutual agreements contained herein, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the PARTIES agree as follows:

SECTION 1: Authorized Use

1.1. The OWNER is authorized and permitted to use the DISTRICT FACILITIES for the construction, operation, maintenance, and repair of the IMPROVEMENTS in accordance with the terms and conditions of this AGREEMENT and PERMIT. Any other use of the DISTRICT FACILITIES or any portion thereof by the OWNER is expressly prohibited.

1.2. The OWNER is authorized and permitted to take access through the DISTRICT FACILITIES and associated DISTRICT property in accordance with and as depicted in Exhibit B, for the purpose of construction and maintenance of the IMPROVEMENTS.

1.3. The OWNER's use of the DISTRICT FACILITIES in connection with the PROJECT shall be nonexclusive and shall be subordinate to the uses of the DISTRICT FACILITIES by the DISTRICT, and the OWNER's use of the DISTRICT FACILITIES shall at no time interfere with the DISTRICT's use of the DISTRICT FACILITIES or the DISTRICT's use of its adjacent property.

1.4. This AGREEMENT is valid only to the extent of the DISTRICT's jurisdiction. The OWNER shall be responsible for obtaining authorization from other affected persons or agencies with property rights over the PROJECT area, and the consent of the underlying fee owner(s), as necessary.

SECTION 2: Construction and Implementation of PROJECT

2.1. The OWNER understands and acknowledges that it is required to comply with the California Environmental Quality Act (hereinafter referred to as CEQA) prior to implementing the PROJECT and that the OWNER shall be the lead agency with respect to any and all CEQA compliance related to the PROJECT. In addition to its other indemnification obligations as specified below, the OWNER hereby agrees to indemnify, defend, and hold harmless the DISTRICT and their elected and appointed officers, employees, and agents from and against any and all claims and/or actions related to the PROJECT that may be asserted by a third party or public agency alleging violations of CEQA or the CEQA Guidelines.

2.2 The OWNER is responsible for obtaining and complying with any permits or approvals required by agencies (federal, state and local) with regulatory jurisdiction over the construction and maintenance of the PROJECT and for all costs associated with obtaining and complying with the requirements and conditions of such permits or approvals including, by way of example, permit fees and compensatory mitigation expenses. The DISTRICT shall not be responsible for any costs associated with the construction of the PROJECT. In addition to its other indemnification obligations in Section 7 below, the OWNER hereby agrees to indemnify, defend, and hold harmless the DISTRICT and their elected and appointed officers, employees, and agents from and against all claims and/or actions related to the PROJECT that may be asserted by a public agency or third-party alleging violations of federal, state, or local laws, rules or regulations.

2.3. Upon completion of the construction of the PROJECT, the OWNER shall provide to the DISTRICT a complete set of the as-built plans for the PROJECT in an electronic format as specified by the DISTRICT. In addition, the OWNER shall provide geographic information system (hereinafter referred to as GIS) shapefiles for all maps depicting the PROJECT.

SECTION 3: Operation and Maintenance of IMPROVEMENTS

3.1. The OWNER shall prepare an operation and maintenance manual (hereinafter referred to as O&M MANUAL) describing the operation, maintenance, and inspection practices, all permits required by federal, state or local regulatory agencies, and procedures and standards for the PROJECT components located on property of the DISTRICT, including maintenance schedules, identification of any specialty maintenance service providers, equipment usage, and a maintenance log sheet.

3.1.1. The OWNER shall not commence any work authorized by this permit until it has submitted a draft of the O&M MANUAL to the DISTRICT and the DISTRICT has approved the draft.

3.1.2. The DISTRICT shall provide the OWNER with comments on the draft O&M MANUAL within a reasonable timeframe of submittal.

3.1.3. The OWNER shall incorporate any and all reasonable comments submitted by the DISTRICT and shall deliver a final version of the O&M MANUAL to the DISTRICT prior to completion of work authorized by this permit. If the PARTIES cannot agree as to whether the DISTRICT's comments shall be incorporated, the

PARTIES shall meet and confer in good faith to resolve such disagreement.

3.1.4. The work authorized by this permit shall not be deemed complete until the OWNER has delivered the final version of the O&M MANUAL to the DISTRICT as described above.

3.2. Discharges from the PROJECT shall comply with the following:

3.2.1 The OWNER shall not discharge any non-stormwater from the PROJECT to the DISTRICT FACILITIES or to any other storm drain owned or operated by the DISTRICT unless authorized by a permit to do so from the State Water Resources Control Board, the Los Angeles Regional Water Quality Control Board (Regional Board), or express written permission from the Executive Officer of the Regional Board. The OWNER shall provide a copy of any such permit or express written permission to the DISTRICT prior to discharging any non-stormwater from the PROJECT to the DISTRICT FACILITIES or to any other storm drains owned or operated by the DISTRICT.

3.2.2 The DISTRICT shall establish notification and monitoring requirements for discharges from the PROJECT to the DISTRICT FACILITIES or to any other storm drains owned or operated by the DISTRICT and shall notify OWNER of these requirements in writing not later than the date DISTRICT provides the OWNER with comments on the draft O&M MANUAL and the OWNER shall comply with the requirements described in the written notice from the DISTRICT.

3.2.3. The DISTRICT may periodically update or revise the notification and monitoring requirements described in subsection 3.2.2 as the DISTRICT deems necessary to address changes in its MS4 Permit or other regulatory requirements or its operational requirements. The DISTRICT shall provide written notice to the OWNER of any updated or revised requirements and the OWNER shall comply with the updated or revised requirements immediately upon receipt of the written notice from the DISTRICT.

3.3. The OWNER shall, upon completion of construction, be responsible for the operation, maintenance, and repair of the IMPROVEMENTS in accordance with the terms and conditions of this AGREEMENT and the provisions of the O&M MANUAL.

3.4. The DISTRICT shall not be responsible for any costs associated with the operation and maintenance of the IMPROVEMENTS, including but not limited to, any costs related to repairs and/or replacement of components and obtaining, complying with and renewing as necessary all permits and approvals required by federal, state or local regulatory agencies.

3.5. The OWNER shall operate and maintain the IMPROVEMENTS in a safe, clean, and orderly condition, and in compliance with the O&M MANUAL and all applicable federal and state laws, rules and regulations, local ordinances (including the Los Angeles County Flood Control District Code) and applicable regulatory permits.

3.6. The OWNER shall be responsible to inspect the IMPROVEMENTS and clear any obstructions, sediment, or debris that may interfere with the proper functioning of the DISTRICT FACILITIES, including upstream and downstream of all connections to the DISTRICT FACILITIES. The limits of the OWNER's responsibility under this subsection shall be up to 100 feet for open channels and up to 50 feet for covered storm drains, from ends of connections in both directions as directed by the DISTRICT, at the DISTRICT's sole discretion. The OWNER shall take appropriate measures to make sure sediment does not enter the DISTRICT FACILITIES from the PROJECT.

3.6.1 The OWNER shall be responsible to address any People Experiencing Homelessness Encampments located within the portion of DISTRICT FACILITIES occupied by the IMPROVEMENTS that may interfere with the proper functioning of the DISTRICT FACILITIES, including up to 100 feet upstream and downstream of the IMPROVEMENTS for open channels and up to 50 feet upstream and downstream of the IMPROVEMENTS for covered storm drains, in a manner consistent with the policies of the DISTRICT, at OWNER's cost.

3.7. The OWNER shall provide the DISTRICT with 24-hour contact information for person(s) responsible for the operation and maintenance activities related to the IMPROVEMENTS. The DISTRICT shall provide the OWNER with 24-hour contact information for person(s) responsible for maintaining the DISTRICT FACILITIES.

3.8. The OWNER shall coordinate and communicate with the DISTRICT in regard to operation, maintenance, and repair activities related to the IMPROVEMENTS.

3.8.1. The OWNER shall notify the DISTRICT a minimum of thirty (30) days in advance of any major (non-routine) proposed maintenance activities related to the IMPROVEMENTS; provided, however, that in the event the OWNER becomes aware of the need to perform any such maintenance activities less than thirty (30) days from the date it proposes to perform said activities, it shall notify the DISTRICT immediately upon determining to perform the activities.

3.8.2. The OWNER shall notify the DISTRICT a minimum of forty-eight (48) hours in advance of accessing the DISTRICT FACILITIES to perform any routine maintenance activities related to the IMPROVEMENTS including trash removal, routine cleaning, and minor repairs.

3.8.3. The OWNER shall provide the DISTRICT with an annual summary report of its operations and maintenance of the IMPROVEMENTS and status of all related regulatory permits. The contents of the summary report shall include at a minimum the following information:

a. Name of PROJECT;
b. Location description;
c. Project contact information;
d. Description of the PROJECT and its function and direct impact to the DISTRICT FACILITIES and/or other DISTRICT right of way;
e. Summary of operations within the reporting year, from July 1st to June 30th of the following year, type of activities (i.e. routine, non-routine, and emergency), date and time of activities, and description of work performed;
f. Summary of major repairs completed, including but not limited to, type of repairs, location of repairs, pre- and post-repair photographs, date and time of repairs;
g. Summary of public inquiries and complaints related to the PROJECT and the OWNER'S response;
h. Summary of volume captured or discharged from PROJECT;
i. Status of any regulatory permits affecting the operation or maintenance of the IMPROVEMENTS;
j. Status of any specialty contractor agreements required for ongoing maintenance and repairs of the IMPROVEMENTS;

3.8.4. The annual summary report shall be mailed to the following address by July 30th each year:

Attention: Senior Civil Engineer
Los Angeles County Flood Control District
Los Angeles County Public Works
Stormwater Maintenance Division, Annex Building 2nd Floor
Staff Support Section
900 South Fremont Avenue
Alhambra, CA 91803-1331

3.9. The DISTRICT shall coordinate and communicate with the OWNER regarding any maintenance activities by the DISTRICT related to the DISTRICT FACILITIES that may impact the IMPROVEMENTS.

3.10. If the OWNER fails to perform any maintenance activities as provided for in this AGREEMENT in a timely manner, the DISTRICT reserves the right to remedy any such maintenance deficiency that the DISTRICT determines impairs the functioning of the DISTRICT FACILITIES or the DISTRICT's flood protection activities. However, prior to taking any action to remedy any such maintenance deficiency, the DISTRICT shall provide written notice to the OWNER of the deficiency. If the OWNER fails to correct the deficiency within thirty-five (35) days from the date of the notice or such longer period as the DISTRICT, in its sole discretion may agree to, the DISTRICT shall thereafter be entitled to correct the deficiency. Notwithstanding the foregoing, if the DISTRICT determines that immediate remedial action is required to prevent or mitigate a dangerous condition, the DISTRICT shall be entitled to implement the remedial action(s) after giving the OWNER as much notice as the DISTRICT determines is feasible under the circumstances. If the DISTRICT takes any remedial action pursuant to this Section, it shall prepare and send to the OWNER an invoice for all work undertaken by the DISTRICT to remedy any maintenance deficiency, and the OWNER shall, within thirty (30) days from the receipt of the invoice, reimburse the DISTRICT for all costs and expenses reasonably incurred by the DISTRICT to remedy said deficiency.

3.11. The OWNER shall be responsible for all community relations related to the PROJECT, including responding to public inquiries, complaints, etc. The DISTRICT shall forward to the OWNER any community relations, public inquiries, complaints, etc., related to the PROJECT.

SECTION 4: Term

4.1. The term of this AGREEMENT shall be for fifty (50) years (Initial Term), subject to the DISTRICT's right to terminate the OWNER'S use as provided for in Section 5 in this AGREEMENT.

4.2. This AGREEMENT shall expire at the end of the Initial Term provided; however, the Chief Engineer of the DISTRICT or his designee may extend the term of this AGREEMENT, beyond the Initial Term, up to ten (10) years, subject to such terms and conditions as they deem appropriate, upon receipt of a written request from the OWNER, no earlier than twelve (12) months or later than six (6) months prior to the end of the Initial Term.

SECTION 5: Termination of AGREEMENT

5.1. The DISTRICT shall have the right to terminate this AGREEMENT by giving the OWNER at least one hundred twenty (120) days prior written notice, under the following conditions:

5.1.1. The DISTRICT proposes a project for flood control, water conservation and/or any other use or purpose authorized by the Los Angeles County Flood Control Act; and

5.1.2. The DISTRICT determines, in good faith, that the IMPROVEMENTS or any portion thereof, would be substantially incompatible with the DISTRICT's proposed project; and

5.1.3. The DISTRICT has notified the OWNER of the basis for the DISTRICT'S determination that a substantial incompatibility will exist and has provided the OWNER with a reasonable opportunity to propose modifications to the IMPROVEMENTS that will eliminate the incompatibility; and

5.1.4. After consideration of any such modifications proposed by the OWNER, the DISTRICT, in its sole but reasonable discretion, determines not to incorporate any such modifications or determines that, notwithstanding any such modifications, a substantially incompatibility would still exist.

5.2. The DISTRICT shall have the right to terminate this AGREEMENT in the event the OWNER breaches any term or condition of this AGREEMENT and fails to cure such breach or breaches within a reasonable amount of time up to a maximum of one hundred twenty (120) days from the date the DISTRICT provides written notice of said breach or breaches to the OWNER. Upon receipt of a written notice of breach, the OWNER shall, within thirty (30) days of the date of the written notice, send the DISTRICT

a written response describing the corrective measures that the OWNER proposes to implement. The PARTIES shall thereafter promptly meet and confer, in good faith, to reach agreement on the corrective measures. The OWNER shall not implement any corrective measure until it has been approved and agreed upon by the DISTRICT.

5.3. The DISTRICT shall have the right to terminate this AGREEMENT if construction of the PROJECT has not been completed within five (5) years from the date this AGREEMENT is fully executed.

5.4. The DISTRICT shall have the right to suspend or terminate this AGREEMENT in the DISTRICT's sole discretion, in the event the DISTRICT determines, in good faith, that it is necessary for the DISTRICT to enter and take exclusive possession of the DISTRICT FACILITIES or any portion thereof, in order to respond to an emergency as defined in Public Contract Code Section 1102.

5.5. The OWNER shall have the right to terminate this AGREEMENT for any reason, by giving the DISTRICT at least sixty (60) days prior written notice, subject to the OWNER's obligation to remove the IMPROVEMENTS described in Section 6, below.

SECTION 6: Removal of IMPROVEMENTS and Restoration of the DISTRICT FACILITIES

6.1. Upon termination of this AGREEMENT, the DISTRICT may, in its sole discretion, provide a written notice to the OWNER to remove all or any portion of the IMPROVEMENTS, and to restore the DISTRICT FACILITIES to a condition similar to or better than that which existed on the effective date of this AGREEMENT (including sealing off all connections between PROJECT and DISTRICT FACILITIES). If the DISTRICT provides such notice, the OWNER shall comply with said notice within a reasonable time, but in no event exceeding one hundred eighty (180) days from the date of the notice or such longer period as the DISTRICT may in its sole discretion agree to.

6.2. Prior to commencing the removal of any IMPROVEMENTS within the DISTRICT FACILITIES, the OWNER shall apply for and obtain a permit for the removal activities from the County of Los Angeles Public Works, Land Development Division, Permits and Subdivisions Section, and shall also apply for and obtain any and all other necessary local, state, and federal permits applicable to the removal of the IMPROVEMENTS.

6.3. If the OWNER fails to comply with the DISTRICT's notice referred to in subsection 6.1, the DISTRICT may, in its sole discretion, remove any or all IMPROVEMENTS referenced in the DISTRICT's notice to the OWNER.

6.4. If the DISTRICT removes any IMPROVEMENTS pursuant to subsection 6.3, the DISTRICT shall submit a billing invoice to the OWNER indicating the costs and expenses reasonably incurred by the DISTRICT in connection with the removal of the IMPROVEMENTS and the OWNER shall reimburse the DISTRICT all such costs and expenses within thirty (30) days of the OWNER's receipt of a billing invoice from the DISTRICT.

SECTION 7: Miscellaneous Provisions

7.1. Damage to DISTRICT FACILITIES or PROJECT

7.1.1. If any components of the PROJECT are damaged by any negligent act or omission of the DISTRICT, the DISTRICT shall repair and replace those components within a reasonable time frame after discovery or notice thereof. The DISTRICT shall be responsible for all costs related to these repairs and/or replacements.

7.1.2. If any components of the DISTRICT FACILITIES are damaged by any negligent act or omission of the OWNER (including its consultants and contractors), the OWNER shall repair and replace those components within a reasonable time frame after discovery or notice thereof. The OWNER shall be responsible for all costs related to these repairs and/or replacements.

7.2. The DISTRICT shall not be responsible for the expense of any relocation, alteration, or modification of the PROJECT, or any portion thereof.

7.3. Indemnification, Release, and Insurance.

7.3.1. The OWNER shall indemnify, defend, and hold harmless the DISTRICT, the County of Los Angeles, and their respective officers and employees from and against any claims, demands, liability, damages, costs and expenses, including without limitation, reasonable attorney fees and costs of litigation, arising out of or in any way connected to the construction, operation, maintenance, repair, modification, or removal of the PROJECT, or any portion thereof, except to the extent caused by the negligence or willful misconduct of the DISTRICT, the County of Los Angeles, or their respective officers, employees or contractors.

7.3.2. The DISTRICT shall indemnify, defend, and hold harmless the OWNER and its respective officers and employees from and against any claims, demands, liability, damages, costs and expenses, including without limitation, reasonable attorney fees and costs of litigation, arising out of or in any way connected to operation and maintenance of the DISTRICT FACILITIES exclusive of the IMPROVEMENTS, or any portion thereof, except to the extent caused by the negligence or willful misconduct of the OWNER or its respective officers, employees or contractors.

7.3.3. The OWNER releases the DISTRICT and waives all rights to damages for any loss, costs, or expenses the OWNER may sustain as a result of any damage to, or destruction of, the PROJECT, or any portion thereof, attributable to flood or stormwaters, or any other runoff tributary to the DISTRICT FACILITIES, except to the extent such damages are caused by the negligence or willful misconduct of the DISTRICT or its officers, employees or contractors.

7.3.4. Without limiting the OWNER's indemnification of the DISTRICT, the OWNER shall procure and/or maintain, in full force and effect during the term of this AGREEMENT, insurance policies or a program of self-insurance providing for the following coverage related to the IMPROVEMENTS:

7.3.4.1. Commercial general liability and property damage coverage with a combined single limit liability in the amount of not less than two million dollars ($2,000,000) per occurrence.

7.3.4.2. Worker's Compensation coverage in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure, and provide legal defense for both the DISTRICT and the OWNER against any loss, claim, or damage arising from any injuries or occupational diseases occurring to any worker employed by, or any person retained by, the OWNER in the course of carrying out the work or services contemplated in this AGREEMENT.

7.3.4.3. Automobile Liability Insurance: the OWNER shall procure such policy with coverage of not less than one million dollars ($1,000,000) per accident.

7.3.4.4. The County of Los Angeles and Los Angeles County Flood Control District, its governing board, officers, agents,

contractors, and employees shall be named as Additional Insureds on all policies of liability insurance. The OWNER shall furnish to the DISTRICT a Policy of Insurance evidencing the OWNER's insurance coverage no later than ten (10) working days after execution of the AGREEMENT. Upon renewal of said policy, the OWNER shall furnish to the DISTRICT a Certificate evidencing the OWNER's continued insurance coverage as required herein.

7.3.4.5. Should the OWNER elect to comply with this section through a program of self-insurance, OWNER shall provide a Certificate of Self-Insurance to DISTRICT indicating limits of such self-insurance coverage that meet or exceed those stated herein.

7.4. Relationship of Parties. The Parties are and shall remain at all times as to each other wholly independent entities. No Party to this AGREEMENT shall have power to incur any debt, obligation, or liability on behalf of another Party unless expressly provided to the contrary by this AGREEMENT. No employee, agent, or officer of a Party shall be deemed for any purpose whatsoever to be an agent, employee or officer of another Party.

7.5. Binding Effect. This AGREEMENT shall be binding upon, and shall be to the benefit of the respective successors, heirs, and assigns of each Party; provided, however, no Party may assign its respective rights or obligations under this AGREEMENT without prior written consent of the other Party.

7.6. Amendment. The terms and provisions of this AGREEMENT may not be amended, modified or waived, except by an instrument in writing signed by all the Parties.

7.7. Waiver. Waiver by any Party to this AGREEMENT of any term, condition, or covenant of this AGREEMENT shall not constitute a waiver of any other term, condition, or covenant. Waiver by any Party to any breach of the provisions of this AGREEMENT shall not constitute a waiver of any other provision, nor a waiver of any subsequent breach or violation of any provision of this AGREEMENT.

7.8. Governing Law. This AGREEMENT is made under and will be governed by the laws of the State of California. In the event of litigation between the Parties, venue in the state trial court shall lie exclusively in the County of Los Angeles.

7.9. No Presumption in Drafting. All Parties have been represented by legal counsel in the preparation and negotiation of this AGREEMENT. Accordingly, this AGREEMENT shall be construed according to its fair language.

7.10. Severability. The provisions of this AGREEMENT are severable, and the invalidity, illegality or unenforceability of any provision of this AGREEMENT will not affect the validity or enforceability of any other provisions. If any provision of this AGREEMENT is found to be invalid, illegal, or unenforceable, the Parties shall endeavor to modify that clause in a manner which gives effect to the intent of the Parties in entering into this AGREEMENT.

7.11. Counterparts. This AGREEMENT may be executed in counterparts, which together shall constitute the same and entire Agreement.

7.12. Administration. Each of the persons signing below on behalf of a Party represents and warrants that they are authorized to sign this AGREEMENT on behalf of such Party.

7.13. Notices

Any correspondence, communication, or contact concerning this AGREEMENT, and all notices that are to be given or that may be given by PARTIES shall be directed to the following:

ESCROW AGREEMENT

Calas Park Stormwater and Water Quality Improvements Supplemental Environmental Project

This Escrow Agreement ("**Agreement**") is made as of February 20, 2024 ("**Effective Date**") and is between COUNTY SANITATION DISTRICT NO. 2, a special district organized and existing under the provisions of Health and Safety Code sections 4700 et seq. (the "**District**") in its capacity as the Administrative District for the Joint Outfall System;[1] the CITY OF CARSON, a California charter city and municipal corporation (the "**City**"); and U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, a national banking association, in its capacity as escrow agent ("**Escrow Agent**"). The District, City, and Escrow Agent are sometimes hereinafter referred to individually as a "**Party**" or collectively as the "**Parties**."

A. Between January 25, 2018, and September 6, 2022, an amount in excess of 8.6 million gallons of untreated domestic and municipal wastewater were inadvertently discharged by the Joint Outfall System from its collection system to waters of the United States, including the inadvertent discharge of approximately 8,507,790 gallons of untreated wastewater to the Dominguez Channel on December 30-31, 2021, and an additional approximately 108,414 gallons of untreated wastewater during 13 separate spills that took place between January 25, 2018, and September 6, 2022 to Rio Hondo, Dominguez Channel, Los Angeles River, Alhambra Wash, San Jose Creek, Machado Lake, Arroyo Seco Channel, and Malaga Creek.

B. On January 17, 2024, the California Regional Water Quality Control Board – Los Angeles Region (**"Regional Water Board")** issued Order No. R4-2023-0088, Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order ("**ACL Order**") under Water Code section 13385 for the spills that occurred between January 25, 2018 and September 6, 2022. A copy of the ACL Order is attached as **Exhibit A** to this Agreement.

C. Under the ACL Order, the District agreed, among other things, to contribute the sum of Five Million Nine Hundred and Eighty Thousand Dollars ($5,980,000.00) (the "**District's SEP Contribution**") to a Supplemental Environmental Project ("**SEP**") for the development of the Calas Park Stormwater and Water Quality Improvements Supplemental Environmental Project ("**Calas Park Stormwater SEP**"). The ACL Order further provides that, if the Calas Park Stormwater SEP is not completed due to circumstances outside the control of the Districts and/or the City, as determined by the Executive Officer of the Regional Water Board **("Regional Water Board's Executive Officer")**, and the Regional Water Board does not move to collect payment of the value of the District's SEP Contribution to the State Water Pollution Cleanup and Abatement Account, a **Replacement SEP** may be proposed within 60 days by the District, subject to approval the Regional Water Board's Executive Officer in accordance with the terms and provisions of the ACL Order.

[1] Pursuant to a Joint Outfall Agreement, 17 of the 24 County Sanitation Districts operate and maintain a wastewater collection, treatment, and disposal system known as the Joint Outfall System that serves approximately 5.5 million people in the Los Angeles Basin.

D. As provided in the ACL Order, the City will implement the Calas Park Stormwater SEP on behalf of the District.

The Parties therefore agree as follows:

1. **Representatives**. The District and the City have each designated one individual to serve as their respective representatives under this Agreement ("**Representative**"). The Representative for the District is the Chief Engineer, or their designee. The Representative for the City is the City Manager, or their designee. Any Party may change their Representative by giving the other Parties written notice consistent with Section 3.1. By executing this Agreement, the Parties represent and warrant to one another that:

   1.1 Each person designated as a Representative by that Party will at all times have the full power and authority to take all actions on behalf of that Party, and

   1.2 The Representative of that Party is authorized to act on that Party's behalf under this Agreement and that instructions, consents, and other actions under this Agreement will be valid if signed by the Representative of that Party. Signatures on instructions, consents and other actions under this Agreement will be valid if the signatures are originals, electronic, facsimiles or digital. If the District or the City choose to use electronic signatures to sign documents delivered to the Escrow Agent, the District or the City agree to assume all risks arising out of its use of electronic signatures, including without limitation the risk of the Escrow Agent acting on an unauthorized document and the risk of interception or misuse by third parties. Notwithstanding the foregoing, the Escrow Agent may in any instance and in its sole discretion require that an original document bearing a manual signature be delivered to the Escrow Agent in lieu of, or in addition to, any document signed via electronic signature.

2. **Administration.**

   2.1 **Deposit of Funds.**

   The Escrow Agent shall deposit funds transferred to the Escrow Agent from the District into a separate, newly established general escrow account named the "**Calas Park Stormwater SEP Fund**" and a separate sub-account within the Calas Park SEP Fund to account for the deposit and disbursement of interest earnings on the funds in the Calas Park SEP Fund, to be named the "**Calas Park Stormwater SEP Interest Sub-Account**." The purpose of the Calas Park Stormwater SEP Fund is to obtain, hold, administer, invest, reinvest, and disburse the District's SEP Contribution and the earnings thereon, solely as provided below.

   2.2 **Investment of Funds.**

   a. The Escrow Agent shall invest the funds in the Calas Park Stormwater SEP Fund in such investments, certificates of deposits, bank accounts or money market funds as determined in the sole and absolute discretion of the District and as directed in writing by the District to Escrow Agent. In the absence of any written direction from the District, the Escrow Agent shall invest and reinvest the funds

in the Calas Park Stormwater SEP Fund in the U.S. Bank Money Market Account (CUSIP Number DDAFC5). The Escrow Agent may make any investments through its trust or investment department. All interest and earnings from investments must be deposited into the Calas Park Stormwater SEP Interest Sub-Account.

b. The Representatives of both the District and the City shall jointly furnish the Escrow Agent with written instructions to sell any investments to make any disbursements pursuant to Section 2.5 from the Calas Park Stormwater SEP Fund required under this Agreement. If no instructions are received, no earlier than thirty (30) days prior to the disbursement date, the Escrow Agent is authorized to sell or liquidate any investments held in the Calas Park Stormwater SEP Fund as necessary for those disbursements. The Escrow Agent will not be liable for any loss from any investments made by the Escrow Agent in accordance with this Agreement except if caused by Escrow Agent's own negligence or willful misconduct.

c. The Parties acknowledge that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the Representatives the right to receive brokerage confirmations of security transactions as they occur, the Representatives will not accept those confirmations to the extent permitted by law unless specifically requested, in writing, by the Representatives. The Escrow Agent shall furnish monthly written transaction statements that must include, without limitation, detail for all investment transactions made by the Escrow Agent under this Agreement and such other information as may be requested by the Parties.

2.3 **Disbursement of Interest and Earnings of Calas Park Stormwater SEP Fund.** The Escrow Agent shall disburse all interest and earnings of the Calas Park Stormwater SEP Interest Sub-Account of the Calas Park Stormwater SEP Fund pursuant to the joint written instructions of the District and the City, as follows:

a. To the Escrow Agent in payment of its fees and administrative expenses;

b. The remaining balance to the District.

2.4 **District to Pay Fees to Escrow Agent if Interest Sub-Account Funds are Insufficient.** If the interest and earnings in the Calas Park Stormwater SEP Interest Sub-Account of the Calas Park Stormwater SEP Fund are insufficient to cover the Escrow Agent's fees and administrative expenses, then the District shall pay those fees and expenses directly to the Escrow Agent after written request of the Escrow Agent.

2.5 **Disbursement of Principal from the Calas Park Stormwater SEP Fund.**

a. The Escrow Agent shall make payments of principal from the Calas Park Stormwater SEP Fund in accordance with the following instructions:

(i) Pursuant to the terms, requirements and provisions of this Agreement; or

(ii) As directed jointly in writing by the Representatives of the City and the District; or

(iii) To the District upon termination of the Calas Park Stormwater SEP Fund in accordance with Section 2.8 of this Agreement.

b. Payments of principal from the Calas Park Stormwater SEP Fund shall be made by Escrow Agent within 5 business days of receipt of joint instructions from the Representatives in accordance with Paragraph (a)(ii).

2.6 **Reporting.**

a. **Monthly Reporting**. The Escrow Agent shall submit its customary monthly account statement for the Calas Park Stormwater SEP Fund concurrently to both the the District and the City.

b. **Annual Reporting**. The Escrow Agent shall deliver to each Representative an annual statement showing the income and disbursements of the Calas Park Stormwater SEP Fund for the preceding calendar year within sixty (60) days after the end of each calendar year.

c. **Final Report**. Within thirty (30) days following the termination of the Calas Park Stormwater SEP Fund in accordance with the terms and provisions of Section 2.8, below, the Escrow Agent shall deliver to the City and the District a final account statement of any final income and disbursements made as part of the termination process.

2.7 **No Authority to Conduct Business.** The purposes of the Calas Park Stormwater SEP Fund are limited to the matters set forth in this Agreement.

2.8 **Termination of the Calas Park Stormwater SEP Fund.**

a. The Calas Park Stormwater SEP Fund and this Agreement will terminate upon any of the following:

(i) The disbursement of the last of the funds from the Calas Park Stormwater SEP Fund as provided in this Agreement and the Escrow Agent's receipt of written notice from the District that all the provisions of Section 4 are completed to the satisfaction of the Chief Engineer; or

(ii) The Escrow Agent's receipt of written notice from the District that the **Regional Water Board's** Executive Officer has determined that the Calas Park Stormwater SEP cannot be performed or completed; or

(iii) The Escrow Agent's receipt of written notice from the District and the City that the Calas Park Stormwater SEP has been completed and funds remain in the Calas Park Stormwater SEP Fund.

b. Upon termination of the Calas Park Stormwater SEP Fund, all remaining funds, including any funds remaining in the Calas Park Stormwater SEP Interest Sub-Account, must be paid by Escrow Agent to the District within ten (10) days following receipt of written instructions provided by the District.

c. Termination under this section may occur at any time that funds remain in the Calas Park Stormwater SEP Fund.

3. <u>Miscellaneous.</u>

3.1 **Notices.** Any notice, request, direction, instruction or other communication (collectively "**Notice**") required or permitted to be made or given by any Party must be in writing, and otherwise in accordance with this Agreement. Notice must be delivered (i) by hand, with signed delivery receipt required; (ii) by U.S. Mail; (iii) by facsimile; (iv) by overnight mail or courier service, or (v) by electronic mail , and will be deemed to have been made or given as of the time and date of receipt, if by hand or facsimile, or the time and date of mailing, if by mail or electronic mail. The time to respond to any Notice will commence to run upon the date of actual delivery to the appropriate address. Any Party may change its designation of address upon written notice to the other Parties.

Any Notice to Escrow Agent must be addressed as follows:

U.S. Bank National Association
633 West Fifth Street, 24th Floor
Los Angeles, CA 90071
Attention: Global Corporate Trust Services
Ms. Lauren Costales
Electronic mail: Lauren.Costales@usbank.com

Any Notice to the District must be addressed as follows:

County Sanitation District No. 2 of Los Angeles County
1955 Workman Mill Road
Whittier, CA 90601-1400
Fax: (562) 695-8660
Telephone: (562) 699-7411
Attn: Robert Ferrante
Chief Engineer and General Manager
Electronic mail: rferrante@lacsd.org

Any Notice to the City must be addressed as follows:

City of Carson
701 East Carson, Carson, CA 90745
Telephone: (310) 952-1729
Attn: David C. Roberts, Jr.
City Manager
Electronic mail: droberts@carsonca.gov

With copy to:

City of Carson
701 East Carson, Carson, CA 90745
Telephone: (310) 952-1729
Attn: Gilbert Marquez
City Engineer
Electronic mail: gmarquez@carsonca.gov

3.2 **Governing Law and Venue**. This Agreement will be administered, construed and enforced according to the laws of the State of California applicable to agreements performed entirely in California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and the Parties covenant and agree to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

3.3 **Attorneys' Fees.** If any action or proceeding is commenced by any Party to enforce its rights under this Agreement or to collect damages as a result of the breach of any of the provisions of this Agreement, the prevailing Party in that action or proceeding, including any bankruptcy, insolvency or appellate proceedings, will be entitled to recover all reasonable costs and expenses, including, without limitation, reasonable attorneys' fees, expenses, and court costs, in addition to any other relief awarded by the court.

3.4 **Amendment; Complete Agreement.** All amendments and supplements to this Agreement must be in writing and executed by the District, the City, and the Escrow Agent. This Agreement contains the entire agreement and understanding between the Parties concerning the Calas Park Stormwater SEP Fund and supersedes all prior agreements, terms, understandings, conditions, representations and warranties, whether written or oral, made by any of the Parties concerning the Calas Park Stormwater SEP Fund or the other matters which are the subject of this Agreement.

3.5 **Interpretation.** As used in this Agreement, words in the singular include the plural and words in the plural include the singular; and the masculine and neuter genders will be deemed to include the masculine, feminine and neuter. The descriptive heading for each Section and Subsection of this Agreement will not affect the interpretation or the legal efficacy of this Agreement. Except as expressly provided in this Agreement, neither the act of entering into this Agreement nor any contribution to the Calas Park Stormwater SEP Fund nor any action taken under this Agreement constitutes an admission of any liability or fault on the part of any Party with respect to the Calas Park Stormwater SEP or otherwise, nor does it constitute a commitment or agreement, either expressed or implied, by any or all of them to undertake any further activities with respect to the Calas Park Stormwater SEP.

3.6 **Severability.** If any provision of this Agreement or its application to any person or entity or in any circumstance is deemed invalid or unenforceable, the application of that provision to persons or entities and in circumstances other than those as to which it is invalid or unenforceable, and the other provisions of this Agreement will not be affected by that invalidity or unenforceability.

3.7 **Waiver.** No waiver by the District, the City or the Escrow Agent of any of the terms or conditions of this Agreement or any of their respective rights under this Agreement will be effective unless such waiver is in writing and signed by the Party charged with the waiver.

3.8 **Third Parties**. Except as expressly provided in this Agreement, nothing contained in this Agreement will create any rights in any person or entity not a Party to this Agreement, except the individuals and entities entitled to the benefits of the indemnity under Section 4.15 below.

3.9 **Restriction on Assignment.** Neither the City nor the District shall have the right to assign, transfer, convey, or sell its rights or obligations under this Agreement without the prior written consent of the other Party which consent may be withheld in such Party's sole and absolute discretion.

3.10 **Counterparts**. This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Agreement.

3.11 **Execution.** This Agreement will be binding on the Escrow Agent, the District, and the City upon the execution of this Agreement by the individuals duly authorized to sign this Agreement on behalf of each Party.

3.12 **Consultation**. The Parties hereto hereby represent and warrant to one another that each of them has had the full opportunity of consulting legal counsel of their own choosing in connection with the preparation of this Agreement, that each of them has read and understood the provisions of this Agreement and is fully aware of the contents and legal effect thereof.

3.13 **Provisions Negotiated and Independent**. Each and every provision of this Agreement has been independently, separately and freely negotiated by the Parties as if this Agreement were drafted by all Parties hereto. The Parties, therefore, waive any statutory or common law presumption which would serve to have this document construed in favor of, or against, any Party.

4. Provisions Applicable to the District and City Only.

4.1 **Applicability.** The provisions of Section 4 are agreements between the District and the City only, and do not apply to the Escrow Agent.

4.2 **Authorization to Disburse Funds.**

a. The disbursement of funds by the Escrow Agent is expressly contingent upon the District's determination that the following conditions have been and are continuing to be satisfied:

(i) The Calas Park Stormwater SEP qualifies as a Regional Water Board-approved SEP; and

(ii) The Calas Park Stormwater SEP can be performed or completed.

b. **Qualification as Regional Water Board-Approved SEP**. The District shall promptly notify the City of any questions or concerns raised by the Regional Water Board or the Regional Water Board's Executive Officer related to the Calas Park Stormwater SEP's continuing qualification as a Regional Water Board-approved SEP.

c. **Determination that Calas Park Stormwater SEP Cannot be Performed or Completed.** Prior to issuing any determination that the **Calas Park Stormwater SEP** cannot be performed or completed pursuant to Section 4.2(a), the District shall in good faith meet and confer with representatives of the City. The District shall make an initial determination that the City is sufficiently prepared to perform the **Calas Park Stormwater SEP**, to trigger the obligations in Section 4.3. Thereafter, the District can make subsequent determination(s) that the **Calas Park Stormwater SEP,** in whole or in part, including any Project Milestone, cannot be performed or completed. In such an event, the District shall work with the City to identify a Replacement SEP that is suitable for the City and that meets the requirements of the ACL Order and the Regional Water Board.

4.3 **Schedule of Expenditures.** Upon the District's initial written determination (in its sole and absolute discretion) that the conditions described in Section 4.2(a) of this Agreement have been initially satisfied, the City shall submit to the District a proposed written schedule of activities and expenditures of Calas Park Stormwater SEP funds, and shall update that written schedule of activities and expenditures after contracts are awarded, when change orders are approved, or when any other material change in the scope of work is planned. The proposed schedule of expenditures must describe the scope of work and amount of funds needed for all costs and fees related to the Calas Park Stormwater SEP, including for permitting, staff costs, and any design professionals, consultants, contractors, or subcontractors. The schedule and work to be performed must be described in detail to the sole satisfaction of the Chief Engineer.

4.4 **Disbursement.** On a quarterly basis, the City shall submit to the District a SEP Invoice that includes a detailed accounting of and supporting documentation for actual work and expenditures made specifically for the Calas Park Stormwater SEP ("**SEP Invoices**") since the last invoice submitted. The District shall review and approve or reject each of the expenditures in writing to the City and Escrow Agent in a timely manner and will strive to complete review and issue instructions within thirty (30) calendar days from the date a SEP Invoice is issued, not including time for the City to submit responses to the District regarding questions about the work and expenditures included in the invoice.

a. **Documentation** – Documentation of the expenditures shall include, but is not limited to, invoices for payments to vendors or contractors performing work on the SEP or providing consulting or contracted services (such as environmental or information technology), documentation for personnel time (such as approved time sheets), or supporting documentation for any other expenditures made to implement the Calas Park Stormwater SEP.

b. **Approval** – The District's written approval of all or part of the SEP Invoices tendered to Escrow Agent will constitute joint written instructions from City and District to the Escrow Agent. The District shall not unreasonably withhold approval of reimbursement of actual expenditures.

c. **Rejection** – If the District rejects one or more expenditures identified in a SEP Invoice, the District shall provide the City with a written notice including an explanation and any documentation that supports the rejection. The City will have fifteen (15) calendar days to provide any additional documentation, information or clarification which the City believes warrants reversal of the District's decision. The Parties shall have forty-five (45) calendar days after the date of submittal of the supplemental information to resolve the dispute administratively. However, if after the forty-five-day period, the District upholds a decision to reject an expenditure, the City shall have fifteen (15) calendar days after the date of notice to issue a written request to refer the matter to dispute resolution as provided under Section 4.13 and the disbursement of disputed funds will be suspended. The District shall not withhold any undisputed funds.

4.5 **Limitations on Expenditures.** The City shall use the principal funds received from the Calas Park Stormwater SEP Fund only for the purpose of completing the project elements described in the approved Calas Park Stormwater SEP Workplan and only according to the terms of this Agreement. The City shall not use any portion of the Calas Park Stormwater SEP Fund for fund raising or public relations efforts, or for any Calas Park Stormwater SEP elements that have not received prior written approval by the District. If, as a result of any audit initiated under Section 4.6 of this Agreement, it is determined that any expenditure previously approved under subsection (a) of Section 4.4 was improper and approved by the District in reliance upon any misrepresentation by the City and/or their respective officers, agents or employees, the City shall immediately return the improperly expended sums to the Calas Park Stormwater SEP Fund along with the cost of the audit as specified under subsection (c) of Section 4.6 and any other actual costs, damages, and penalties, as may be incurred by the District as a result of the misrepresentation.

4.6 **Accounts and Audit**.

a. In accordance with page 13 of the 2017 Supplemental Environmental Projects Policy, within ninety (90) days after completion of the Calas Park Stormwater SEP, the District shall arrange and bear the cost of preparation of an independent third-party final financial audit report following completion of the project. This audit will be prepared in accordance with any guidance or procedures that may be provided by the Regional Water Board, in order to obtain an independent third party's professional opinion regarding whether the District expended SEP funds in the amount claimed. Upon request via written notice of intent provided at least five (5) business days prior to commencement, the City and its agent shall make available to the independent third-party auditor the relevant books, accounts, and records pertaining to the project during normal business hours. The City and its agent shall fully cooperate with this request to the fullest extent feasible to ensure timely completion of this review.

b. In addition to the final financial audit report of the project described in Section 4.6(a), the District may request a separate financial audit of the City's use of SEP funds at any point during the construction and completion of the Calas Park Stormwater SEP. The City shall make available to the District or an agent of the District the relevant books, accounts, and records, during normal business hours, provided the District deliver to the City written notice of intent to audit at least five (5) business days prior to commencement of audit. Auditors engaged by the District to conduct any audit, whether as employees of the District or independent contractors, must have a minimum of two (2) years' experience conducting audits for public agencies.

c. The District shall bear the cost of the audit referred to in Section 4.6b, above, except that, if any of the following conditions exist, the City shall be responsible for payment, in full, of all costs and fees associated with the audit within 30 days after receipt of a written invoice from the District:

(i) The audit reveals variance of more than two percent (2%) between the schedule of expenditures or any amendments approved under Section 4.3 and the actual amounts of expenditures; or

(ii) Any portion of the Calas Park Stormwater SEP Funds have been used for something other than the elements specified in the approved Calas Park Stormwater SEP Workplan or for any expense that had not received approval by the District; or

(iii)The City has failed to maintain true and complete books, records, accounts, and supporting source documents substantially in accordance with this Agreement.

4.7 **Alternative Disposition of SEP Funds.**

a. The City understands that, under the ACL Order, the **Regional Water Board's** Executive Officer has the authority to determine that the Calas Park Stormwater SEP was not fully implemented by the SEP Completion Date listed in **Exhibit A**, or there has been a material failure to satisfy a Project Milestone. If the material failure, in whole or in part, is due to circumstances beyond the control of the District and/or City, and the **Regional Water Board** does not move to collect payment of the suspended liability amount, the District can propose a **Replacement SEP(s)** for the entire **District's SEP Contribution**, or some portion thereof less the value of any completed milestones of the **Calas Park Stormwater SEP** as stipulated to by the District and the **Regional Water Board.** If approved, the **Regional Water Board** or its delegee can direct that the funds designated for the Calas Park Stormwater SEP be paid to a **Replacement SEP.** If not approved, the **District's SEP Contribution** must be paid to the State Water Pollution Cleanup and Abatement Account following issuance by the **Regional Water Board** of a Motion for Payment of Suspended Liability and a determination of the payment amount. In the event of such determination, the

District shall give prompt written notice to the City's Representative that the **Calas Park Stormwater SEP** cannot be performed and the principal in the **Calas Park Stormwater SEP Fund** will be dispensed in accordance with the determination by the **Regional Water Board** or its delegee following the provisions of Section 2.8(a)(ii).

b. In such an event, the District shall make best efforts to assist the City in identifying a Replacement SEP that is suitable for the City and meets the requirements of the ACL Order and any applicable requirements of the Los Angeles Regional Water Board. Any final decision on a Replacement SEP is subject to approval by the District and Executive Officer of the Regional Water Board.

4.8 **Publicity**. In accordance with Section III, paragraph 10 of the ACL Order, if either the District or the City publicizes the Calas Park Stormwater SEP or the results of the SEP, it shall state in a prominent manner that the Calas Park Stormwater SEP is being undertaken as part of settlement of a Regional Water Board enforcement action.

4.9 **Monthly Reporting.** Within ten (10) calendar days after the close of each month, the City shall submit to the District a summary of project activities performed in the prior month and project activities proposed to be performed during the remainder of the calendar month and in the following calendar month. If the month is the third month of the calendar quarter, the City shall include in its monthly report the project activities proposed to be performed in each month of the following quarter. This information will be used by the District in preparation of quarterly reports that are required to be submitted to the Regional Water Board per the ACL Order, and the approved Calas Park Stormwater SEP Workplan.

4.10 **Final Report.** No later than forty-five (45) days after the completion date for the Calas Park Stormwater SEP and in accordance with the approved Calas Park Stormwater SEP Workplan, the City shall submit to the District a summary of all project activities performed as part of the project, including, but not limited to, all of the following:

a. Evidence that the Calas Park Stormwater SEP has been completed consistent with the approved Workplan and milestone schedule, including how the expected outcome(s) or performance standard(s) for the project were met, and documentation such as photographs, invoices, receipts, certifications, and other materials reasonably necessary for the District and the Regional Water Board to evaluate the completion of the Calas Park Stormwater SEP and the costs incurred by the City;

b. Written certification by the City, made under penalty of perjury, that the City followed all applicable environmental laws and regulations in the implementation of the Calas Park Stormwater SEP, including, but not limited to, the California Environmental Quality Act (CEQA), the federal Clean Water Act, and the Porter-Cologne Water Quality Control Act; and

c. Any other information or documentation requested by the District to assist in preparation of the Certification of Completion Report required by the Regional Water Board.

4.11 **Access to Site and Documents.** In accordance with Section III, paragraph 11 of the ACL Order, the City shall allow the Regional Water Board staff to inspect the Calas Park Stormwater SEP implementation locations during normal business hours, provided reasonable notice is provided to the City, and shall provide Regional Water Board staff access to documents associated with Calas Park Stormwater SEP implementation, upon request.

4.12 **Further Assurances.** The City shall execute and deliver any instruments and perform any actions that may be necessary, or reasonably requested, in order to give full effect to this Agreement. The City will use all reasonable efforts to provide any information, execute any further instruments and documents, and take any action reasonably requested by the District or the Regional Water Board, in accordance and consistent with the provisions of this Agreement and the ACL Order for the purpose of carrying out the intent of this Agreement.

4.13 **Resolution of Disputes.** The Parties shall meet and use their best efforts to resolve any dispute, claim, question or disagreement (a "**Dispute**") arising from or relating to this Agreement or to the interpretation of this Agreement. To that end, Representatives of the Parties shall consult and negotiate with each other in good faith and attempt to reach an equitable solution satisfactory to all Parties. If the Parties are unable to reach an equitable solution satisfactory to all Parties, any Party may pursue any and all legal and equitable remedies that may be available. Each Party will bear its own respective costs for resolving any Dispute, except that if a legal action is filed, the attorneys' fees and costs are governed by Section 3.3.

4.14 **Notices to the Regional Water Board.** To ensure that the Regional Water Board is kept apprised of the status of the expenditures of sums for the SEP, the District shall transmit the following documents to the Regional Water Board:

a. A fully executed copy of the final version of this Agreement, and any amendments, within seven (7) calendar days of execution; and

b. A copy of each statement received from the Escrow Agent, pursuant to section 2.6, within seven (7) calendar days of receipt thereof.

c. Notices to the Regional Water Board will be sent to:

Enforcement Unit Chief (presently Russ Colby)
Los Angeles Regional Water Quality Control Board
320 West 4th Street, Suite 200
Los Angeles, CA 90013
Electronic mail: Russ.Colby@waterboards.ca.gov

4.15 **Indemnity.** The City shall indemnify, defend, and hold harmless the District, both in its individual capacity and as the administrative district for the Joint Outfall System, along with all participating districts of the Joint Outfall System, their directors, officers, employees, representatives, agents, and assigns, from any and all claims, actions, demands, liabilities, losses, damages, injuries to persons or property, costs and expenses (including without limitation reasonable attorneys' fees, expert fees, and court costs, fines, penalties, and administrative civil liabilities) (collectively "Claims") that arise out of or relate to the Calas Park Stormwater SEP or this Agreement, except for Claims arising out of the negligence or willful misconduct of the District.

4.16 **Insurance.** The City shall ensure that all contractors ("Contractors") performing work in connection with the Calas Park SEP procure and maintain insurance, including, without limitation, comprehensive general liability insurance and workers compensation insurance, with such terms, conditions, coverage, limits and endorsements and in such amounts as may be required by the City (the "Required Insurance Coverage"). The City shall additionally ensure that the insurance policies for the Required Insurance Coverage provide that coverage shall not be cancelled without thirty (30) days' prior written notice to the City and that such policies are maintained throughout the term of this Agreement. The City shall cause all Contractors to name the District as additional insured with respect to all Required Insurance Coverage except Workers Compensation, as applicable, at any time. No later than thirty (30) days prior to the commencement of work pursuant to this Agreement, the City shall furnish the District with certificates of insurance and verify coverage of the Contractors. Within ten (10) days after request by the District, the City shall deliver to the District true, complete, and correct copies of all insurance policies, including all endorsements and applicable policy language, as required under this Agreement.

5. Escrow Agent Assignment and Successors.

5.1 **Vacancy Caused by Resignation or Removal.** The Escrow Agent may resign at any time by delivering its resignation in writing to the other Parties. The other Parties may remove the Escrow Agent at any time by delivering joint notice of removal in writing to the Escrow Agent. Resignation or removal will take effect sixty (60) days after delivery of the notice of resignation or removal, or upon the acceptance of appointment in writing by a successor escrow agent, whichever is earlier.

5.2 **Appointment of Successor Escrow Agent.** A successor escrow agent will be appointed by the District and the City upon the resignation or removal of the Escrow Agent. In the absence of an appointment within sixty (60) days of resignation or removal, the Escrow Agent may petition a court of competent jurisdiction to make an appointment.

5.3 **Acceptance of Appointment by Successor.** Acceptance of appointment as a successor escrow agent must be in writing and will become effective upon receipt by the District and the City of notice of acceptance. Each successor escrow agent will

have all of the rights, powers, duties, authority, and privileges as if initially named as the Escrow Agent. Upon the acceptance of appointment of any successor escrow agent, the Escrow Agent shall deliver all assets, documentation, and other property of the Calas Park Stormwater SEP Fund in its possession, custody, or control to such successor escrow agent. After selection of a successor escrow agent, the Escrow Agent shall reasonably cooperate in meeting any reasonable requests for information or other assistance made by the District or the City to the Escrow Agent with respect thereto and any other subject matter of this Agreement. The provisions of this section survive the resignation or removal of the Escrow Agent.

5.4 **Automatic Succession.** Any bank or company into which the Escrow Agent may be merged or with which it may be consolidated, or any bank or company to whom Escrow Agent may sell or transfer all or part of its escrow business, will be the successor to the Escrow Agent without the execution or filing or any paper or any further act on the part of the Parties to this Agreement.

6. Escrow Agent Compensation and Liability.

6.1 **Compensation.** The Escrow Agent shall receive compensation from the District for, and administrative expense reimbursement with respect to, its services rendered in connection with the administration of the Calas Park Stormwater SEP Fund based on the schedule attached hereto as **Exhibit B**. The Escrow Agent's compensation will be paid from the interest earned on the Calas Park Stormwater SEP Fund, as provided in Section 2.3 of this Agreement, and if that interest is insufficient, as provided in Section 2.4 of this Agreement, the Escrow Agent's compensation will be paid directly by the District. The District shall indemnify and hold the Escrow Agent harmless from and against any losses, costs, claims, expenses and liabilities, including fees and expenses of its counsel incurred by the Escrow Agent in the acceptance of this Agreement by the Escrow Agent and performance of the Escrow Agent of the duties and obligations of the Escrow Agent hereunder.

6.2 **Bond and Liability**.

a. Escrow Agent. The Escrow Agent will not be required to furnish any bond or surety. The Escrow Agent acts solely as Escrow Agent on behalf of the District and the City and has solely an agency and not a fiduciary relationship with District and the City. The Escrow Agent will not be required to defend any legal proceedings that may be instituted against the Escrow Agent with respect to the subject matter of this Agreement (except legal proceedings arising out of the Escrow Agent's negligence or willful misconduct) unless the Escrow Agent is requested to do so by the District or the City and is indemnified to the Escrow Agent's satisfaction against the cost and expense of such defense. The Escrow Agent shall not be required to institute legal proceedings of any kind. Any Party that makes such a request to the Escrow Agent hereby agrees to indemnify and hold the Escrow Agent harmless for and against any and all losses, claims, damages, liabilities, and expenses, including reasonable costs of investigation, counsel fees, and disbursements that may be imposed upon or incurred by the

Escrow Agent in connection with the Escrow Agent's appointment hereunder or performance of its duties herein, including any litigation arising from this Agreement or involving the subject matter hereof or the monies or other property deposited hereunder except that such other parties do not agree to defend, indemnify, or hold the Escrow Agent harmless for the Escrow Agent's negligence or willful misconduct. The Escrow Agent will not incur any liability, personal or corporate, of any nature in connection with any act or omission, unless involving its negligence or willful misconduct, in the administration of the Calas Park Stormwater SEP Fund or otherwise pursuant to this Agreement. In no event shall the Escrow Agent be responsible or liable for special, indirect, punitive, incidental or consequential loss or damage of any kind whatsoever (including, but not limited to, loss of profit) irrespective of whether the Escrow Agent has been advised of the likelihood of such loss or damage and regardless of the form of action.

b. Other Parties. Escrow Agent represents and warrants that it has full authority to enter into and perform its obligations under this Agreement and to perform all of its duties in accordance with customary and usual procedures employed by institutions acting as escrow agents in accordance with the Escrow Agent's own practices.

6.3 **Limitations on the Escrow Agent's Duties and Liabilities.** The Escrow Agent's acceptance of its duties under this Agreement is subject to the following terms and conditions which together with any other provision in this Agreement limiting the Escrow Agent's liabilities, will govern and control with respect to its rights, duties, liabilities and immunities:

a. The Escrow Agent will have no duties or responsibilities except those expressly set forth herein. The Escrow Agent shall not be subject to, or obliged to recognize, any agreement between any of the other Parties, or any direction or instruction of any or all of the other Parties, except as provided for in this Agreement. In the event that the Escrow Agent receives written instructions from the Representatives and there is a discrepancy between those instructions and prior written instructions, the Escrow Agent will refrain from taking any further action, other than to keep the funds held by it in trust, unless or until such time as directed otherwise by all other Parties by written instrument or by order or judgment of a court of competent jurisdiction. If the Escrow Agent is uncertain as to the actions to be taken by it or as to its duties or rights or receives instructions with respect to its duties which, in its opinion, are in conflict with any of the provisions of this Agreement, then the Escrow Agent shall adhere to the terms of this Agreement and refrain from taking any action other than to keep funds held by it safe as Escrow Agent until directed otherwise in writing by all other Parties or by an order or judgment of a court of competent jurisdiction.

b. The Escrow Agent will not be liable for assuming the due execution and the validity and effectiveness of any written notice, agreement, verification, instruction, or other paper or document delivered to or deposited with it and the

truth of any information contained therein, which it in good faith believes to be genuine, and the Escrow Agent will be fully protected in acting in accordance with any written instructions given to the Escrow Agent and believed by the Escrow Agent to have been signed by the proper Parties or their respective Representatives.

c. The Escrow Agent will not be liable for any loss of or depreciation in the value of the cash or property comprising the Escrow Fund including, without limitation, any loss caused by closure or failure of a bank, except if caused by the Escrow Agent's own negligence or willful misconduct.

d. The Escrow Agent will not be liable for damage resulting from the willful or negligent acts or omissions or failures to perform of any third party, including the failure of any means of communications, the closing of or other unavailability of a bank or trust company, the loss of any documents in the mails, or the failure of any delivery service to deliver as instructed.

e. The Escrow Agent will not be liable to any person for the failure of another Party or Representative to perform any of the acts or duties which are referred to in or contemplated by this Agreement.

f. The Escrow Agent has no responsibility with respect to the construction or operation of the Calas Park Stormwater SEP.

g. The Escrow Agent may consult with counsel concerning any of its duties or responsibilities under this Agreement.

h. The Parties hereto (other than the Escrow Agent) authorize and request the Escrow Agent to enter into this Agreement.

i. The Escrow Agent shall have the right to accept and act upon instructions, including funds transfer instructions ("Instructions") given pursuant to this Agreement and delivered using Electronic Means ("Electronic Means" shall mean the following communications methods: e-mail, facsimile transmission, secure electronic transmission containing applicable authorization codes, passwords and/or authentication keys issued by the Escrow Agent, or another method or system specified by the Escrow Agent as available for use in connection with its services hereunder); provided, however, that the District and the City shall provide to the Escrow Agent an incumbency certificate listing the Representatives with the authority to provide such Instructions and containing specimen signatures of such Representatives, which incumbency certificate shall be amended by the District and the City whenever a person is to be added or deleted from the listing. If the District or the City elects to give the Escrow Agent Instructions using Electronic Means and the Escrow Agent in its discretion elects to act upon such Instructions, the Escrow Agent's reasonable understanding of such Instructions shall be deemed controlling. The District and the City understand and agree that the Escrow Agent cannot determine the identity of the

actual sender of such Instructions and that the Escrow Agent shall conclusively presume that directions that purport to have been sent by a Representative listed on the incumbency certificate provided to the Escrow Agent have been sent by such Representative. The District and the City shall be responsible for ensuring that only authorized Representatives transmit such Instructions to the Escrow Agent and that the District and the City and all Representatives are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the District and the City. The Escrow Agent shall not be liable for any losses, costs or expenses arising directly or indirectly from the Escrow Agent's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction; provided, however, that Escrow Agent's understanding of the Instructions are reasonable. The District and the City agree: (i) to assume all risks arising out of the use of Electronic Means to submit Instructions to the Escrow Agent, including without limitation the risk of the Escrow Agent acting on unauthorized Instructions, and the risk of interception and misuse by third parties; (ii) that it is fully informed of the protections and risks associated with the various methods of transmitting Instructions to the Escrow Agent and that there may be more secure methods of transmitting Instructions than the method(s) selected by the District and the City; (iii) that the security procedures (if any) to be followed in connection with its transmission of Instructions provide to it a commercially reasonable degree of protection in light of its particular needs and circumstances; and (iv) to notify the Escrow Agent immediately upon learning of any compromise or unauthorized use of the security procedures.

The Parties are executing this Agreement as of the Effective Date.

Administrative Civil Liability Order (Order No. RF-2023-0088)

LOS ANGELES REGIONAL WATER QUALITY CONTROL BOARD

In the Matter of:	ORDER R4-2023-0088
Los Angeles County Sanitation Districts' Joint Outfall System, Collection System **Sanitary Sewer Overflows (2018-2022)**	**SETTLEMENT AGREEMENT AND STIPULATION FOR ENTRY OF ADMINISTRATIVE CIVIL LIABILITY ORDER**

I. Introduction

1. This Settlement Agreement and Stipulation for Entry of Administrative Civil Liability Order (Stipulated Order or Order) is entered into by and between the Assistant Executive Officer of the California Regional Water Quality Control Board, Los Angeles Region (Los Angeles Water Board), on behalf of the Los Angeles Water Board Prosecution Team (Prosecution Team), and the Los Angeles County Sanitation Districts' Joint Outfall System (JOS) collection system via County Sanitation District No. 2 of Los Angeles County, a special district organized and existing under the provisions of California Health and Safety Code sections 4700 *et seq*. in its capacity as the Administrative District for the JOS[1], (Discharger) (collectively known as the Parties) and is presented to the Los Angeles Water Board, or its delegee, for adoption as an order by settlement, pursuant to Water Code section 13323 and Government Code section 11415.60.

II. Recitals

2. The Los Angeles County Sanitation Districts are a confederation of 24 independent special districts that provide wastewater and solid waste management for approximately 5.5 million people in Los Angeles County. 17 of the 24 special districts proportionally share ownership and operation of the JOS, a regional interconnected system of wastewater conveyance and treatment facilities that include 1,220 miles

[1] Pursuant to a Joint Outfall Agreement, 17 of the 24 County Sanitation Districts of Los Angeles County operate and maintain a wastewater collection, treatment, and disposal system known as the Joint Outfall System that serves approximately 5.5 million people in the Los Angeles Basin. The events described herein all occurred within the Joint Outfall System. Ownership and operation of the Joint Outfall System is proportionally shared among the signatory parties to the Joint Outfall Agreement effective July 1, 2022. These parties include Los Angeles County Sanitation Districts Nos. 1, 2, 3, 5, 8, 15, 16, 17, 18, 19, 21, 22, 23, 28, 29, and 34, and South Bay Cities Sanitation District of Los Angeles County. County Sanitation District No. 2 of Los Angeles County acts as the Administrative District on behalf of the 17 districts for various purposes, including entering agreements.

of sewers to convey approximately 350 million gallons per day of wastewater to 7 wastewater treatment plants. *See*, *infra*, footnote 1.

3. The Discharger's sanitary sewer system is regulated by the *Statewide General Waste Discharge Requirements for Sanitary Sewer Systems*, Order No. 2006-0003-DWQ, as revised by WQ-2013-0058-EXEC (SSS WDRs). The Discharger has been subject to the SSS WDRs since that permit's adoption in 2006.

4. The SSS WDRs require the Discharger to operate and maintain its collection system to prevent sanitary sewer overflows and spills. Prohibition C.1 of the SSS WDRs states that the discharge of untreated or partially treated wastewater from the collection system to water of the United States is prohibited.

5. Clean Water Act section 301 (33 U.S.C. §1311) and California Water Code (Water Code) section 13376 prohibit the discharge of pollutants to surface waters except in compliance with a National Pollutant Discharge Elimination System (NPDES) permit. The SSS WDRs is not an NPDES permit.

6. The Prosecution Team alleges that between January 25, 2018, and September 6, 2022, the Discharger discharged over 8.5 million gallons of untreated domestic and municipal wastewater from its collection system to waters of the United States. Specifically, as described in Attachment A, herein incorporated by reference, the Prosecution Team alleges two violations:

    a. Violation 1: Discharge of 8,507,790 gallons of untreated wastewater to the Dominguez Channel Estuary on December 30-31, 2021.

    b. Violation 2: Discharge of an additional 108,414 gallons of untreated wastewater during 13 separate spills that took place between January 25, 2018, and September 6, 2022. These discharges entered the following waterbodies: Rio Hondo, Dominguez Channel, Los Angeles River, Alhambra Wash, San Jose Creek, Machado Lake, Arroyo Seco Channel, and Malaga Creek.

7. For both violations, the Prosecution Team alleges the Discharger violated Prohibition C.1 of the SSS WDRs, Clean Water Act section 301, and Water Code section 13376 by discharging untreated wastewater to a water of the state and the United States.

8. Pursuant to Water Code section 13385(a), any person who violates Water Code section 13376 or any requirements of Clean Water Act section 301 is subject to administrative civil liability pursuant to Water Code section 13385(c), in an amount not to exceed the sum of both of the following: (1) ten thousand dollars ($10,000) for

each day in which the violation occurs; and (2) where there is a discharge, any portion of which is not susceptible to cleanup or is not cleaned up, and the volume discharged but not cleaned up exceeds 1,000 gallons, an additional liability not to exceed ten dollars ($10) multiplied by the number of gallons by which the volume discharged but not cleaned up exceeds 1,000 gallons.

9. Additionally, the unauthorized discharge of untreated wastewater to a water of the state in violation of Prohibition C.1 of the SSS WDRs is subject to administrative civil liability under Water Code section 13350. The Prosecution Team has elected to pursue enforcement pursuant to Water Code section 13385(a) instead of Water Code section 13350.

10. On April 4, 2017, the State Water Resources Control Board (State Water Board) adopted Resolution No. 2017-0020, which adopted the *2017 Water Quality Enforcement Policy* (Enforcement Policy). The Enforcement Policy was approved by the Office of Administrative Law and became effective on October 5, 2017.

11. The Enforcement Policy establishes a methodology for assessing administrative civil liability. Use of the methodology incorporates Water Code section13385(e) that requires the Los Angeles Water Board to consider specific factors when determining the amount of civil liability to impose, including "…the nature, circumstance, extent, and gravity of the violation or violations, whether the discharge is susceptible to cleanup or abatement, the degree of toxicity of the discharge, and, with respect to the violator, the ability to pay, the effect on ability to continue its business, any voluntary cleanup efforts undertake, any prior history of violations, the degree of culpability, economic benefit or savings, if any, resulting from the violation, and other matters that justice may require."

12. Pursuant to the Enforcement Policy, section VI.B. (Settlement Considerations), the Prosecution Team agreed during settlement negotiations to reduce the administrative civil liability amount contained in the penalty calculation methodology included as Attachment A in consideration of hearing and/or litigation risks.

13. The Parties have engaged in confidential settlement negotiations and agree to fully settle the violations alleged in this Stipulated Order and Attachment A without administrative or civil litigation and by presenting this Stipulation to the Los Angeles Water Board, or its delegee, for adoption as an Order by settlement, pursuant to Water Code section 13323 and Government Code section 11415.60.

14. To resolve the violations by consent and without further administrative or civil proceedings, the Parties have agreed to the imposition of an administrative civil liability against the Discharger in the amount of six million dollars ($6,000,000). The

Prosecution Team believes that the resolution of the alleged violations is fair and reasonable and fulfills its enforcement objectives, that no further action is warranted concerning the violations alleged herein, and that this Stipulated Order is in the best interest of the public.

III. Stipulations

The Parties stipulate to the following:

1. **Jurisdiction:** The Parties agree that the Los Angeles Water Board has subject matter jurisdiction over the matters alleged in this action and personal jurisdiction of the Parties to this Stipulation.

2. **Administrative Civil Liability:** The Discharger hereby agrees to the imposition of an administrative civil liability in the amount of **six million dollars ($6,000,000)** to resolve the violations specifically alleged in this Stipulated Order as follows:

   a. No later than thirty (30) days after the effective date of this Order, the Discharger shall submit a check for **twenty thousand dollars ($20,000)** to the State Water Board. The check shall be made payable to the "State Water Pollution Cleanup and Abatement Account," reference Order No. R4-2023-0088, and be mailed to:

      State Water Resources Control Board Accounting Office
      Attn: ACL Payment
      P.O. Box 1888
      Sacramento, CA 95812-1888

      The Discharger shall provide a copy of the check via email to the State Water Board, Office of Enforcement (Kailyn.Ellison@waterboards.ca.gov) and to the Los Angeles Water Board (Russ.Colby@waterboards.ca.gov).

   b. The Parties agree that the remaining **five million nine hundred eighty thousand dollars ($5,980,000)** (SEP amount) of the administrative civil liability shall be utilized to implement the *Calas Park Stormwater and Water Quality Improvements Supplemental Environmental Project* (Calas Park Stormwater SEP) as described herein and in Attachment B, which is hereby incorporated by reference. The Calas Park Stormwater SEP is designed to capture and pre-treat 2.8 acre-feet of stormwater annually, and then infiltrate the stormwater onsite through the use of underground storage vaults, bioswales, rain gardens, and infiltration galleries.

c. The State Water Board's May 3, 2018 Policy on Supplemental Environmental Projects (SEP Policy) section VIII.B. provides:

> Unless otherwise permitted by statute or approved by the Director of [the Office of Enforcement (OE)] based on a finding of compelling justification due to exceptional circumstances . . . no settlement shall be approved by the Water Boards that fund a [Supplemental Environmental Project (SEP)] in an amount greater than 50 percent of the total adjusted monetary assessment against the settling party. The total adjusted monetary assessment is the total amount assessed, exclusive of a Water Board's investigative and enforcement costs.

The Director of OE may approve a proposed settlement to fund a SEP in an amount greater than 50 percent of the total adjusted monetary assessment in cases where the SEP is located in or benefits a disadvantaged community, an environmental justice community, a community that has a financial hardship, or where the SEP substantially furthers the human right to water. The Calas Park Stormwater SEP is within areas that have a Disadvantaged Community (DAC) score within the top 25%, as found in the CalEnviroScreen 4.0. The particular tract in which Calas Park is located scored in the 92nd percentile as a DAC.

Pursuant to the Director of OE's April 30, 2021 memorandum on approving disadvantaged community and environmental justice SEPs greater than 50 percent of the total adjusted monetary assessment (SEP Memo), more than 50 percent to the total adjusted monetary assessment may be dedicated to the SEP because it is located in and/or benefits a disadvantaged community as described in Attachment B. Notice and an opportunity to object was provided to the Director of OE.

3. **SEP Requirements:** The Parties agree that the SEP Amount specified in Section III, paragraph 2.b., is for the Calas Park Stormwater SEP identified in Attachment B and that SEP Amount shall be treated as a suspended administrative civil liability at the time of project completion for purposes of this Stipulated Order. The Los Angeles Water Board is entitled to recover any SEP funds that are not expended in accordance with this Stipulated Order. Detailed project descriptions, including milestones, budgets, and performance measures are attached hereto as Attachment B.

4. **Representation of the Discharger:** As a material consideration for the Los Angeles Water Board's acceptance of this Order, the Discharger represents that it will utilize

the SEP Amount to implement the Calas Park Stormwater SEP in accordance with terms and conditions described in this Stipulated Order and Attachment B. The Discharger understands that its commitment to implement the Calas Park Stormwater SEP in accordance with the schedule and deliverables for implementation is a material condition of this settlement of liability between the Parties.

5. **Nexus to the Violation:** The SEP Policy requires that a SEP have a nexus to the alleged violation. (SEP Policy, section VIII.F.) The Calas Park Stormwater SEP has a geographic nexus to Violation 1 as it is within the same watershed (Dominguez Channel) and approximately two miles from the location of the sanitary sewer overflow alleged under Violation 1; the Calas Park Stormwater SEP also has a geographic nexus to Violation 2 as it is within 50 miles of the sanitary sewer overflows alleged under Violation 2. The Calas Park Stormwater SEP will reduce the potential for several types of pollutants, including bacteria and metals, to enter the Dominguez Channel.

6. **SEP Categories:** The SEP Policy provides for seven categories of SEPs. (SEP Policy, section V.) The Calas Park Stormwater SEP falls under the "Pollution Prevention" and "Pollution Reduction" categories. The project will capture and infiltrate stormwater, thus reducing the mobilization of stormwater-associated pollutants such as zinc and bacteria from the drainage area, and reducing the volume and magnitude of stormwater runoff to the Dominguez Channel. In addition, the construction of the project, and the included stormwater education signage, will promote public awareness and education regarding urban runoff and the need to prevent pollution and protect water quality.

7. **SEP Oversight:** The City of Carson Public Works Department will implement the Calas Park Stormwater SEP on behalf of the Discharger. The Los Angeles Water Board will provide additional oversight of the Calas Park Stormwater SEP, which includes, but is not limited to, updating regulatory and records databases, reviewing and evaluating progress, conducting site inspections, reviewing the final completion report, and verifying appropriate expenditure of the SEP Amount.

8. **SEP Completion Date:** Pursuant to SEP Policy section VIII.B., the Director of OE may approve a project implementation schedule memorialized in a stipulated order allowing for a SEP to be completed within 48 months based on a finding that a SEP provides an exceptional environmental benefit. On June 1, 2023, the Director of OE granted the Prosecution Team's request for the 48-month project implementation schedule through issuance of the *Director of the Office of Enforcement's Findings of*

Exception Environmental Benefit for the Calas Park Stormwater SEP with a 48-Month Project Schedule, based on finding an exceptional environmental benefit.

9. **Reporting Requirements for the SEP:** The Discharger will provide the following reports to the Los Angeles Water Board:

   a. **Quarterly Reports:** Quarterly Reports must be submitted in accordance with the schedule provided in Attachment B (*i.e.*, by May 1, August 1, November 1, and February 1 each year). **The first Quarterly Report is due on February 1, 2024**, and is to cover the period of October through December 2023. The Quarterly Reports must describe the tasks completed and funds expended during the previous quarter, and proposed work for the following quarter. In addition, the Quarterly Reports must describe whether the Discharger is in compliance with the milestones and deadlines contained in Attachment B, and if not, the cause(s) of the delay(s) and the anticipated date of compliance with this Stipulated Order. The Quarterly Reports may also include descriptions and photos of activities completed during the previous quarter and an analysis of the Calas Park Stormwater SEP's progress.

   b. **Certification of SEP Completion:** No later than 54-months after the effective date of the Stipulated Order, the Discharger must submit a final report that documents SEP completion and provides a certified statement of SEP completion (Certification of SEP Completion), signed under penalty of perjury, that documents the following:

      i. Certification of completion in accordance with the terms of this Stipulated Order, addressing how the expected outcome(s) for the project were met,

      ii. Certification documenting the expenditures by the Discharger and/or the City of Carson during the completion period for the Calas Park Stormwater SEP, and

      iii. Certification that the Discharger and/or the City of Carson followed all applicable environmental laws and regulations in implementing the SEP, including the California Environmental Quality Act, Porter-Cologne Water Quality Control Act, and federal Clean Water Act.

      Documentation of SEP completion may include photographs, invoices, receipts, certifications, and other materials reasonably necessary for the Los Angeles Water Board to evaluate SEP completion and the costs incurred.

10. **Publicity Associated with the SEP:** Whenever the Discharger or its agents (City of Carson) publicizes one or more SEP elements, it shall state in a prominent manner that the project is undertaken as part of a settlement of a Los Angeles Water Board enforcement action against the Discharger.

11. **Site Inspections:** Delivery of the SEP amount by the Discharger to the City of Carson will be conditioned upon (a) the Los Angeles Water Board staff being permitted by the City of Carson to inspect the Calas Park Stormwater SEP implementation locations during normal business hours, provided reasonable notice is provided to the City of Carson, and (b) the City of Carson providing access to documents associated with Calas Park Stormwater SEP implementation for review by Los Angeles Water Board staff upon request.

12. **SEPs are Above and Beyond the Discharger's Obligations:** The Calas Park Stormwater SEP included in this Stipulated Order contains only measures that go above and beyond the Discharger's obligations. The Calas Park Stormwater SEP is not part of the Discharger's normal business nor is the Discharger otherwise legally required to implement any portion of the Calas Park Stormwater SEP.

13. **No Benefit to Los Angeles Water Board Functions, Members, or Staff:** The Calas Park Stormwater SEP provides no direct fiscal benefit to the Los Angeles Water Board's functions, its members, its staff, or any family member of staff.

14. **Los Angeles Water Board Not Liable:** The Los Angeles Water Board and its members, staff, attorneys, and representatives shall not be liable for any injury or damage to persons or property resulting from negligent or intentional acts or omissions by the Discharger or its directors, officers, employees, agents, representatives, or contractors in carrying out activities pursuant to this Stipulated Order.

15. **Third Party Audit:** The SEP Policy requires that if a project has a direct cost of over one million dollars, the Discharger must have a third-party financial audit performed after the completion of the project. Pursuant to Section IX.I of the SEP Policy, the Discharger shall submit an audit report prepared by an independent third party, acceptable to the Los Angeles Water Board, providing such party's professional opinion that the Discharger has expended money in the amount claimed by the Discharger. This audit report shall be at the sole cost of the Discharger and shall be submitted within six (6) months of the SEP Completion Date. The audit need not address any costs incurred by the Los Angeles Water Board for SEP oversight.

16. **Request for Extension of Completion Date:** If the Discharger anticipates delay in the schedule for any milestone or deadline resulting in the need to extend the Completion Date, the Discharger, and/or the Discharger's agents, shall notify the Executive Officer in writing at least thirty (30) days prior to the deadline or completion date of the event or circumstance that caused delay. The notice shall describe the reason for the inability to complete the milestone deadline or the SEP by the SEP Completion Date and specifically refer to this Paragraph. The notice shall describe the anticipated length of time the delay may persist, the cause or causes of the delay including whether the circumstance(s) was beyond the reasonable control of the Discharger and/or the Discharger's agents (*e.g.,* City of Carson), the measures taken or to be taken to minimize the delay, and provide an updated milestone schedule by which the measures will be implemented. The Discharger shall adopt all reasonable measures to avoid and minimize such delays.

    The determination as to whether the circumstances were beyond the reasonable control of the Discharger, and/or the Discharger's agents will be made by the Executive Officer. Where the Executive Officer concurs that compliance was or is impossible, despite timely good faith efforts, due to circumstances beyond its control that could not have been reasonably foreseen and prevented by the exercise of reasonable diligence by the Discharger and/or the Discharger's agents, a new compliance deadline shall be established. The Executive Officer will endeavor to grant a reasonable extension of time if warranted.

17. **Failure to Expend the SEP Amount on the Approved SEP:** If the Discharger is not able to demonstrate to the reasonable satisfaction of the Executive Officer that the entire SEP Amount was spent on the completed Calas Park Stormwater SEP, the Discharger shall pay the difference between the SEP Amount and the amount the Discharger can demonstrate was actually spent on the Calas Park Stormwater SEP (the Difference). The Executive Officer shall issue a "Notice of Violation" that will require the Discharger to pay the Difference to the State Water Pollution Cleanup and Abatement Account within thirty (30) days of the Notice of Violation's issuance date. The Discharger shall submit payment consistent with the payment method described in Section III, paragraph 2.a., above. Payment of the Difference shall satisfy the Discharger's obligations to implement the Calas Park Stormwater SEP.

18. **Failure to Complete the SEP:** If the Calas Park Stormwater SEP is not fully implemented by the SEP Completion Date listed in Attachment B, or if there has been a material failure to satisfy a project milestone necessary to implement the Calas Park Stormwater SEP, the Executive Officer shall issue a "Notice of Failure to Complete SEP". The amount of suspended liability owed shall be determined via a

Motion for Payment of Suspended Liability before the Los Angeles Water Board or its delegee. The Discharger shall be liable to pay the entire SEP Amount, or, if shown by the Discharger, some portion thereof less the value of any completed milestones as stipulated to by the Parties in writing, or as determined by the Motion for Payment of Suspended Liability. Unless the Los Angeles Water Board or its delegee determines otherwise, the Discharger shall not be entitled to any credit, offset, or reimbursement from the Los Angeles Water Board for expenditures made on the Calas Park Stormwater SEP prior to the issuance date of the Notice. Within thirty (30) days of the Los Angeles Water Board's or its delegee's determination of the suspended liability amount assessed for the Discharger to pay, the Discharger shall submit payment consistent with the payment method described in Section III, paragraph 2.a., above. Payment of the assessed amount shall satisfy the Discharger's obligations to implement the Calas Park Stormwater SEP.

19. **Replacement SEP:** If there is a material failure, in whole or in part, to perform the Calas Park Stormwater SEP described in Section III, paragraph 2.b., and Attachment B, due to circumstances beyond the control of the Discharger and/or the Discharger's agents (*e.g.,* the City of Carson), and the Los Angeles Water Board does not move to collect the Payment of Suspended Liability amount as provided in Section III, paragraph 18, above, the Parties agree that the Discharger may propose a Replacement SEP. Whether there is a material failure to perform the Calas Park Stormwater SEP described in Section III, paragraph 2.b., and Attachment B shall be determined by the Executive Officer. The Discharger shall have sixty (60) days from the date of the Executive Officer's determination to propose a Replacement SEP(s). The cost of the Replacement SEP shall be for the entire SEP Amount, or some portion thereof less the value of any completed milestones as stipulated to by the Parties in writing and shall be treated as a suspended liability subject to the same conditions provided for the SEP being replaced. The terms and conditions of the Replacement SEP shall be memorialized in a Supplemental Agreement to this Stipulated Order, signed by both parties and approved by the Los Angeles Water Board or its delegee. The Replacement SEP shall meet the criteria in the SEP Policy, and shall be completed within 36 months of the Los Angeles Water Board's or its delegee's approval of the Supplemental Agreement (Replacement SEP Completion Date). The Executive Officer may grant an extension for good cause shown as to why the Replacement SEP cannot be completed by the Replacement SEP Completion Date. The Parties agree that, unless requested by the Executive Officer, the Supplemental Agreement will not be subject to public notice and comment so long as the initial notice and comment period complied with federal and/or state requirements. If there is a material failure to perform a Replacement SEP, then the Executive Officer shall issue a "Notice of Failure to Complete SEP" as described in

Section III, paragraph 18. The Discharger shall not have an opportunity to propose a second Replacement SEP should it fail to complete the Replacement SEP for any reason.

20. **Los Angeles Water Board Acceptance of Completed SEP:** Upon the Discharger's satisfaction of its obligations under this Stipulated Order, the completion of the Calas Park Stormwater SEP and any audits, the designated Los Angeles Water Board or its delegee shall issue a "Satisfaction of Order." The issuance of the Satisfaction of Order will terminate any further obligation of the Discharger under this Stipulated Order and permanently suspend the SEP Amount.

21. **Compliance with Applicable Laws and Regulatory Changes:** The Discharger understands that payment of an administrative civil liability in accordance with the terms of this Stipulated Order and/or compliance with the terms of this Stipulated Order is not a substitute for compliance with applicable laws, and that additional violations of the type alleged may subject it to further enforcement, including additional administrative civil liabilities. Nothing in this Stipulated Order shall excuse the Discharger from meeting any more stringent requirements which may be imposed hereafter by changes in applicable and legally binding legislation or regulations.

22. **Party Contacts for Communications Related to Stipulated Order:**

    For the Los Angeles Water Board:
    Russ Colby, Environmental Program Manager
    Los Angeles Regional Water Quality Control Board

    For the Discharger:
    Lysa Gaboudian, Supervising Engineer
    Los Angeles County Sanitation Districts
    (562) 908-4288, extension 2811
    lgaboudian@lacsd.org

23. **Attorneys' Fees and Costs:** Except as otherwise provided herein, each Party shall bear all attorneys' fees and costs arising from the Party's own counsel in connection with the matters set forth herein.

24. **Covered Matters**: Upon the Los Angeles Water Board's or its delegee's adoption of this Order, this Order presents a final and binding resolution and settlement of the

alleged violations in this Stipulated Order. The provisions of this Paragraph are expressly conditioned on the full payment of the administrative civil liability by the deadline specified in Section III, paragraph 2.a., and the successful completion of the Calas Park Stormwater SEP as outlined in this Stipulated Order and Attachment B, or full payment of the associated SEP Amount.

25. **Public Notice:** The Discharger understands that this Stipulated Order will be noticed for a thirty (30)-day public review and comment period prior to consideration by the Los Angeles Water Board, or its delegee. If significant new information is received that reasonably affects the propriety of presenting this Stipulated Order to the Los Angeles Water Board, or its delegee, for adoption, the Assistant Executive Officer may unilaterally declare this Stipulated Order void and decide not to present it to the Los Angeles Water Board, or its delegee. The Discharger agrees that it may not rescind or otherwise withdraw its approval of this proposed Stipulated Order.

26. **Procedure:** The Parties agree that the procedure that has been adopted for the approval of the settlement by the Parties and review by the public, as reflected in this Order, will be adequate. In the event procedural objections are raised prior to this Stipulated Order becoming effective, the Parties agree to meet and confer concerning any such objections, and may agree to revise or adjust the procedure as necessary or advisable under the circumstances.

27. **No Waiver of Right to Enforce:** The failure of the Prosecution Team or Los Angeles Water Board to enforce any provision of this Stipulated Order shall in no way be deemed a waiver of such provision, or in any way affect the validity of this Stipulated Order. The failure of the Prosecution Team or Los Angeles Water Board to enforce any such provision shall not preclude it from later enforcing the same or any other provision of this Stipulated Order except the Los Angeles Water Board must comply with applicable requirements regarding timeliness of bringing action. No oral advice, guidance, suggestions, or comments by employees or officials of any Party regarding matters covered under this Stipulated Order shall be construed to relieve any Party regarding matters covered in this Stipulated Order. The Los Angeles Water Board reserves all rights to take additional enforcement actions, including without limitation, the issuance of administrative civil liability complaints or orders for violations other than those addressed by this Order.

28. **Effect of Stipulated Order:** Except as expressly provided in this Stipulated Order, nothing in this Stipulated Order is intended nor shall it be construed to preclude the Los Angeles Water Board or any state agency, department, board or entity or any local agency from exercising its authority under any law, statute, or regulation.

29. **Interpretation:** This Stipulated Order shall not be construed against the party preparing it, but shall be construed as if the Parties jointly prepared it and any uncertainty and ambiguity shall not be interpreted against any one party.

30. **Modification:** This Stipulated Order shall not be modified by any of the Parties by oral representation whether made before or after the execution of this Order. All modifications must be made in writing and approved by the Los Angeles Water Board or its delegee.

31. **Integration:** This Stipulated Order constitutes the entire agreement between the Parties and may not be amended or supplemented except as provided for in this Stipulated Order.

32. **If Order Does Not Take Effect:** The Discharger's obligations under this Stipulated Order are contingent upon the entry of the Order of the Los Angeles Water Board as proposed. In the event that this Stipulated Order does not take effect because it is not approved by the Los Angeles Water Board, or its delegee, or is vacated in whole or in part by the State Water Board or a court, the Parties acknowledge that the Prosecution Team may proceed to a contested evidentiary hearing before the Los Angeles Water Board to determine whether to assess an administrative civil liability for the underlying alleged violations, or may continue to pursue settlement. The Parties agree that all oral and written statements and agreements made during the course of settlement discussions will not be admissible as evidence in any subsequent administrative or judicial proceeding or hearing and will be fully protected by California Evidence Code sections 1152 and 1154; California Government Code section 11415.60; Rule 408, Federal Rules of Evidence; and any other applicable privilege under federal and/or state law. The Parties also agree to waive any and all objections related to their efforts to settle this matter, including, but not limited to:

    a. Objections related to prejudice or bias of any of the Los Angeles Water Board members or their advisors and any other objections to the extent that they are premised in whole or in part on the fact that the Los Angeles Water Board members or their advisors were exposed to some of the material facts and the Parties settlement positions, and therefore may have formed impressions or conclusions, prior to conducting any contested evidentiary hearing in this matter; or

b. Laches or delay or other equitable defenses based on the time period that the Order or decision by settlement may be subject to administrative or judicial review.

33. **Waiver of Hearing:** The Discharger has been informed of the rights provided by Water Code section 13323, subdivision (b), and, if the settlement is adopted by the Los Angeles Water Board or its delegee, hereby waives its right to a hearing before the Los Angeles Water Board prior to the Stipulated Order's adoption. However, should the settlement not be adopted, and should the matter proceed to the Los Angeles Water Board or State Water Board for hearing, the Discharger does not waive the right to a hearing before an order is imposed.

34. **Waiver of Right to Petition:** Except in the instance where the settlement is not adopted by the Los Angeles Water Board, the Discharger hereby waives the right to petition the Los Angeles Water Board's adoption of the Stipulated Order to the State Water Board, and further waives the right, if any, to appeal the adopted Stipulated Order to a California Superior Court and/or any California appellate level court.

35. **Covenant Not to Sue:** The Discharger covenants not to sue or pursue any administrative or civil claim(s) against any State Agency or the State of California, their officers, Board Members, employees, representatives, agents, or attorneys arising out of or relating to any matter expressly addressed by this Stipulated Order.

36. **Authority to Bind:** Each person executing this Stipulated Order in a representative capacity represents and warrants that they are authorized to execute this Order on behalf of and to bind the entity on whose behalf the Order is executed.

37. **Necessity for Written Approvals:** All approvals and decisions of the Los Angeles Water Board under the terms of this Stipulated Order shall be communicated to the Discharger in writing. No oral advice, guidance, suggestions, or comments by employees or officials of the Los Angeles Water Board regarding submissions or notices shall be construed to relieve the Discharger of its obligation to obtain any final written approval required by this Stipulated Order.

38. **No Third Party Beneficiaries:** This Stipulated Order is not intended to confer any rights or obligation on any third party or parties, and no third party or parties shall have any right of action under this Stipulated Order for any cause whatsoever.

39. **No Admission of Liability/No Waiver of Defenses:** In settling this matter, the Discharger does not admit to any of the allegations stated herein or admit to any violations of the Water Code, or any other federal, State, or local law or ordinance,

but recognizes that this Stipulated Order may be used as evidence of a prior enforcement action against the JOS and/or County Sanitation District Nos. 2, 5, 8, 15, 16, and/or 21, consistent with Water Code sections 13327 and 13385, subdivision (e). By entering into this Stipulated Order, the Discharger does not waive any defenses or arguments related to any new enforcement action the Los Angeles Water Board may bring in the future.

40. **Severability:** This Stipulated Order is severable; should any provision be found invalid, the remainder shall remain in full force and effect.

41. **Effective Date:** This Stipulated Order shall be effective and binding on the Parties upon the date the Los Angeles Water Board, or its delegee, enters the Order incorporating the terms of this Stipulated Order.

42. **Counterpart Signatures:** This Order may be executed and delivered in any number of counterparts, each of which when executed and delivered shall be deemed to be an original, but such counterparts shall together constitute one document. Further, this Stipulated Order may be executed by facsimile or electronic signature, and any such facsimile or electronic signature by any Party hereto shall be deemed to be an original signature and shall be binding on such Party to the same extent as if such facsimile or electronic signature were an original signature.

IT IS SO STIPULATED.

HAVING CONSIDERED THE PARTIES' STIPULATIONS, THE LOS ANGELES REGIONAL WATER QUALITY CONTROL BOARD FINDS THAT:

1. The foregoing Stipulation is fully incorporated herein and made part of this Order.

2. This is an action to enforce the laws and regulations administered by the Los Angeles Water Board. The Los Angeles Water Board finds that issuance of this Order is exempt from the provisions of the California Environmental Quality Act (Public Resources Code, sections 21000 et seq.), in accordance with section 15321, subdivision (a)(2), Title 14, of the California Code of Regulations.

3. The Executive Officer of the Los Angeles Water Board is authorized to refer this matter directly to the Attorney General for enforcement if the Discharger fails to perform any of its obligations under this Order.

Pursuant to Water Code section 13323 and Government Code section 11415.60, **IT IS HEREBY ORDERED** on behalf of the California Regional Water Quality Control Board, Los Angeles Region.

Susana Arredondo Digitally signed by Susana Arredondo Date: 2024.01.17 16:21:30 -08'00'

PENALTY CALCULATION METHODOLOGY
ORDER NO. R4-2023-0088
FOR
LOS ANGELES COUNTY SANITATION DISTRICTS' JOINT OUTFALL SYSTEM
SANITARY SEWER OVERFLOWS (2018-2022)[1]
LOS ANGELES COUNTY

This document provides details to support a discretionary administrative civil liability in response to the Los Angeles County Sanitation Districts' Joint Outfall System's (JOS or Discharger) violation of California Water Code (CWC) section 13376, Clean Water Act section 301, and the State Water Resources Control Board (State Water Board) *Statewide General Waste Discharge Requirements for Sanitary Sewer Systems*, Order No. 2006-0003-DWQ (SSS WDR) for sanitary sewer overflows (SSOs) which took place from January 25, 2018 through September 6, 2022.

The Los Angeles Regional Water Quality Control Board (Los Angeles Water Board) Prosecution Team has derived the proposed administrative civil liability following the State Water Resources Control Board's (State Water Board's) 2017 Water Quality Enforcement Policy[2] (Enforcement Policy).

Application of the Enforcement Policy

The Enforcement Policy establishes a methodology for assessing administrative civil liability considering specific factors required by CWC sections 13327 and 13385, subdivision (e), including "…the nature, circumstance, extent, and gravity of the violation or violations, whether the discharge is susceptible to cleanup or abatement, the degree of toxicity of the discharge, and, with respect to the violator, the ability to pay, the effect on its ability to continue its business, any voluntary cleanup efforts undertaken, any prior history of violations, the degree of culpability, economic benefit or savings, if any, resulting from the violation, and other matters that justice may require." This document applies the methodology associated with the Enforcement Policy's steps, as discussed in detail below.

Summary of Alleged Violations

This administrative civil liability addresses alleged Category 1 violations of the SSS WDR that occurred between January 25, 2018, and September 6, 2022. Category 1 spills are

[1] This administrative civil liability addresses all overflows from January 25, 2018 through September 6, 2022 other than the December 25, 2020 spill of 222,542 gallons from the sewage force main at the Long Beach Water Reclamation Plant (CIWQS spill ID 871320). The Los Angeles Water Board reserves its right to undertake separate discretionary enforcement for that event.

[2] https://www.waterboards.ca.gov/board_decisions/adopted_orders/resolutions/2017/040417_9_final%20adopted%20policy.pdf

discharges of untreated or partially treated wastewater resulting from a sanitary sewer system failure in which the spill reaches surface water and/or a drainage channel tributary to a surface water; or reaches a Municipal Separate Storm Sewer System (MS4) and are not fully captured and returned to the sanitary sewer system or not otherwise captured and disposed of properly. Violation 1 took place on December 30-31, 2021, and is the discharge of over eight million gallons of untreated wastewater to the Dominguez Channel Estuary, a water of the United States. Violation 2 is an aggregate of the 13 additional Category 1 SSOs to waters of the United States that occurred between January 25, 2018, and September 6, 2022[3].

Table 1, below, summarizes the alleged violations that are the subject of this liability assessment, and the Enforcement Policy factors that were used to determine a liability. The remainder of this document contains a full description of each violation, a complete assessment of the factors used to determine the base liability for each violation, and a discussion of the additional factors used to determine the final proposed liability.

Legal Considerations

The Los Angeles County Sanitation Districts is a confederation of 24 independent special districts that serve wastewater and solid waste management to approximately 5.5 million people in Los Angeles County. Pursuant to a Joint Outfall Agreement effective July 1, 2022, 17 of the 24 special districts proportionally share ownership and operation of the JOS, a regional interconnected system of wastewater conveyance and treatment facilities that include 1,220 miles of sewers to convey approximately 350 million gallons per day of wastewater to 7 wastewater treatment plants. The events described herein all occurred within the JOS. These special districts include Los Angeles County Sanitation Districts Nos. 1, 2, 3, 5, 8, 15, 16, 17, 18, 19, 21, 22, 23, 28, 29, and 34, and South Bay Cities Sanitation District of Los Angeles County. County Sanitation District No. 2 of Los Angeles County acts as the Administrative District on behalf of the JOS for various purposes, including entering agreements, such as the settlement agreement and stipulated order. The Discharger has been subject to the SSS WDR since its adoption in 2006.

The SSS WDR prohibits SSOs that result in the discharge of untreated wastewater to surface waters. In particular, Prohibition C.1 states "*Any SSO that results in a discharge of untreated or partially treated wastewater to waters of the United States is prohibited*." In addition, the discharge of wastewater to waters of the United States without a permit is a violation of CWC section 13376 and Clean Water Act section 301.

[3] As noted in footnote 1, these 13 spills do not include the December 25, 2020, spill of 222,542 gallons from the sewage force main at the Long Beach Water Reclamation Plant (CIWQS spill ID 871320).

On 14 separate occasions between January 25, 2018, and September 6, 2022, the Discharger discharged over 8.5 million gallons (total) of untreated domestic and municipal wastewater from its collection system to waters of the United States. The Discharger did not file a report of waste discharge or have a permit to discharge pollutants into waters of the United States. Therefore, these discharges were in violation of the SSS WDR, CWC section 13376, and Clean Water Act section 301.

A discharger who violates CWC section 13376 or Clean Water Act section 301 is subject to administrative civil liability under CWC section 13385, subdivision (a). Additionally, the unauthorized discharge of untreated wastewater in violation of Prohibition C.1 of the SSS WDR is subject to administrative civil liability under CWC section 13350. The Los Angeles Water Board Prosecution Team has elected to pursue enforcement of the alleged violations pursuant to CWC section 13385, subdivision (a). Liability is assessed pursuant to CWC section 13385, subdivision (c), which states, in part:

> *Civil liability may be imposed administratively by the state board or a regional board …in an amount not to exceed the sum of both of the following:*
>
> *(1) Ten thousand dollars ($10,000) for each day in which the violation occurs.*
>
> *(2) Where there is a discharge, any portion of which is not susceptible to cleanup or is not cleaned up, and the volume discharged but not cleaned up exceeds 1,000 gallons, an additional liability not to exceed ten dollars ($10) multiplied by the number of gallons by which the volume discharged but not cleaned up exceeds 1,000 gallons.*

Table 1: Summary of Violations and Liability Calculations								
Summary of Violation	**Potential for Harm Factors**	**Discharge Assessment Factors**	**Gallons (less 1,000) and days of discharge**	**Culpability**	**History of Violations**	**C/C[4]**	**Total Base Liability Amount**	**Statutory Maximum**
1. Discharge of 8,507,790 gallons of untreated wastewater to the Dominguez Channel Estuary	Toxicity=above moderate (3) Harm =major (5) Susceptibility to Cleanup or Abatement = 1 Potential for Harm Score = 9	Deviation from Requirement = major Per gallon and per day factor = 0.8	8,506,790 gallons discharged over two days High volume discharges = $1/gallon	1.3	1.0	0.8	$7,094,289	$85,087,900
2. Remaining Category 1 spills that took place between January 25, 2018 and September 6, 2022. (See Table 2 for a complete listing).	Toxicity=above moderate (3) Harm =moderate (2) Susceptibility to Cleanup or Abatement = 1 Potential for Harm Score = 6	Deviation from Requirement = major Per gallon and per day factor = 0.28	75,046 gallons discharged over 13 days	1.1	1.0	1.0	$271,182	$880,460

Combined Total Base Liability Amount:	$7,365,471
Ability to Pay and Ability to Continue in Business:	The Discharger has the ability to pay and continue in business. The Discharger's 2022 Annual Comprehensive Financial Report shows that the Discharger has a net position of over $1.9 billion; as of April 30, 2023, the Discharger has $466 million in total cash and investments.
Economic Benefit:	$4,594
Other Factors as Justice May Require:	Staff costs = $16,976
Maximum Liability Amount:	$85,968,360
Minimum Liability Amount:	$5,053
Final Liability Amount:	$7,382,447[5]

[4] Cleanup and Cooperation

[5] As explained in Section II, paragraph 12 of the Stipulated Order, the administrative civil liability was reduced to $6,000,000 under Enforcement Policy, section VI.B. (Settlement Considerations) in consideration of hearing and/or litigation risk.

VIOLATION 1:
Discharge of Untreated Wastewater to the Dominguez Channel Estuary

On December 30, 2021, Los Angeles Water Board staff were notified by the California Office of Emergency Service (Cal OES) that untreated wastewater was flowing from a manhole at the intersection of 212th Street and Moneta Avenue in the City of Carson. Cal OES reported that untreated wastewater had entered the Dominguez Channel Estuary, a water of the United States. In subsequent communications, the Discharger clarified that the SSO was due to a collapsed sewer line located between the I-110 Freeway northbound off-ramp to 220th Street and a commercial building located at 22029 S. Figueroa Street in the City of Carson.

According to County Sanitation District No. 8's January 15, 2022 initial SSO Report, the SSO was discovered by a resident at approximately 1:30 p.m. on December 30, 2021. The SSO occurred as a result of the collapse of a 15-foot reach and manhole that caused a total blockage in the 48-inch 216th Street Relocation Trunk Sewer during a significant rain event. The SSO fully ceased[6] at approximately 9:38 p.m. on December 31, 2021. During the two-day period, untreated wastewater overflowed from two manholes and entered a storm drain catch basin at the intersection at 212th Street and Moneta Avenue. This catch basin discharges to the Torrance Lateral, which in turn flows into the Dominguez Channel Estuary. The Dominguez Channel Estuary is a tributary to the Pacific Ocean.

The SSO Report estimated that 8,613,558 gallons of untreated wastewater spilled from the manholes, and of this, 35,000 gallons was recovered prior to reaching surface waters, while 8,578,558 gallons reached the Torrance Lateral. In response to questions from Los Angeles Water Board staff, the Discharger refined its calculations and stated that the spill volume was 8,542,790 gallons, of which 35,000 gallons were recovered prior to reaching surface waters and 8,507,790 gallons of untreated wastewater reached surface waters. The Los Angeles Water Board Prosecution Team agrees with the Discharger's updated calculations.

Step 1. Actual or Potential for Harm for Discharge Violations

The first step for discharge violations is to determine the actual or potential harm to the water body's beneficial uses by using a three-factor scoring system. Because actual harm is not always quantifiable, potential harm may be used for this factor.

[6] The Discharger installed four bypass pumps and the spill temporarily stopped at about 8:00 a.m. on December 31, 2021. However, waste started spilling again at about 10:00 a.m. when the flow within the sewer system increased. A fifth bypass pump was then installed, and the spill was fully contained at 9:38 p.m. on December 31, 2021.

Factor 1: Degree of Toxicity of the Discharge: **3**

The degree of toxicity considers the physical, chemical, biological, and/or thermal characteristics of the discharge, and the risk of damage the discharge could cause to the receptors or beneficial uses. A score between 0 and 4 is assigned. The discharge of untreated wastewater to surface water poses an above moderate risk or a direct threat to potential receptors for at least four reasons:

(1) Excess nutrients, such as nitrogen, phosphorus, and organic matter, are present in untreated wastewater and can cause nutrient over-enrichment in the receiving water. The over-enrichment can result in rapid growth of algae and nuisance plants as well as eutrophic conditions that can lead to oxygen depletion, negatively affecting plant and aquatic life.

(2) Untreated wastewater includes solids that may settle or stay in suspension in the receiving water, affecting aquatic wildlife through ingestion, impacting aesthetic uses throughout the water column, and preventing sunlight from penetrating the water column. Oil and grease may also be present in untreated wastewater and may float on the surface of a receiving water, causing aesthetic impacts.

(3) Untreated wastewater typically contains high levels of pathogenic microorganisms, including Campylobacter, E. coli, Salmonella, Shigella, Vibrio Cholerae and Yersinia. These microorganisms are harmful to human health through direct contact, ingestion, or via foodborne pathways such as fish consumption.

(4) Untreated wastewater typically contains ammonia and toxic pollutants (such as metals, hydrocarbons, and synthetic organics) from industrial wastewater sources; these pollutants can cause both chronic and acute toxicity to aquatic life. Although some industrial pollutants may not be completely removed by treatment methods commonly employed at wastewater treatment plants, sanitary sewer overflows eliminate the possibility of any treatment of the wastewater prior to its discharge to surface water, thereby significantly increasing the loading of toxic pollutants to the receiving water and posing greater threats to beneficial uses.

Given the facts above, the discharge of untreated wastewater possesses “an above moderate risk or a direct threat to potential human receptors” and a score of 3 is warranted.

Factor 2: Actual Harm or Potential Harm to Beneficial Uses: **5**

This factor considers the actual harm or potential harm to beneficial uses that may result from exposure to the pollutants or contaminants in the discharge. A score between 0 and 5 is assigned.

Discharges of domestic and municipal wastewater to surface water must typically be treated to a high standard to prevent adverse impacts to human and aquatic life. The December 30-31, 2021 spill consisted of raw untreated wastewater, which typically contains pathogens, nitrogen, ammonia, total suspended solids, and biochemical oxygen demand. The untreated wastewater entered a storm drain catch basin which discharges to the Torrance Lateral. The Torrance Lateral flows into the Dominguez Channel Estuary, which in turn flows into the Pacific Ocean. According to the Los Angeles Water Board's *Water Quality Control Plan: Los Angeles Region Basin Plan for the Coastal Watersheds of Los Angeles and Ventura Counties* (Basin Plan), the existing and potential beneficial uses of the Dominguez Channel Estuary (below Vermont Avenue) are navigation; commercial and sport fishing; estuarine habitat; marine habitat; wildlife habitat; migration of aquatic organisms; spawning, reproduction, and/or early development; and rare, threatened, or endangered species. The Dominguez Channel Estuary is also designated to be used for non-contact water recreation and water contact recreation, but access is prohibited by Los Angeles County Department of Public Works.

Upon the December 30, 2021 notification of the spill, the Los Angeles County Department of Public Health (LACDPH) closed Cabrillo Beach, Point Fermin Beach, White Point Park Beach, Royal Palm State Beach, and Rancho Palos Verdes Beach. On December 31, 2021, the beach closure was updated to include all eight miles of Long Beach City beaches (under City of Long Beach Health and Human Services' jurisdiction) and all Los Angeles County beaches north to Rancho Palos Verdes Beach. The Orange County Health Care Agency also closed two beaches from December 30, 2021 to January 4, 2022. On January 3, 2022, LACDPH lifted the closure for Portuguese Bend in Rancho Palos Verdes, White Point at Royal Palms Beach, Wilder Addition Park at Point Fermin and Outer Cabrillo Beach in San Pedro. Inner Cabrillo Beach in San Pedro remained closed until January 5, 2022. The City of Long Beach Health and Human Services lifted its beach closures on January 5, 2022.

In response to the spill, the Discharger conducted water quality monitoring at 20 locations for bacteria, ammonia, dissolved oxygen, pH, and metals. Samples were taken upstream and downstream of the spill discharge point into the Torrance Lateral, upstream and downstream of the Torrance Lateral discharge point into the Dominguez Channel Estuary, at the shoreline of four beaches, and offshore of eight beaches. Sampling was delayed by one day after the spill event began due to heavy rain and unsafe conditions. Beach closure status is based on the public health agency's sampling regime, not the Discharger's sampling results.

In the Torrance Lateral, bacteria levels downstream of the spill location were higher than upstream until January 12, 2022 (13 days after the spill began). Within the Dominguez Channel Estuary, bacteriological sampling ceased on January 7, 2022 (eight days after the spill began) because analytical results indicated that water quality had returned to

background conditions. Bacteria levels exceeded the Basin Plan Bacteria Marine Objective at the mouth of the Los Angeles Harbor Breakwater on December 31, 2021 and at the Inner Cabrillo Beach on December 31, 2021 and January 2, 2022. Samples collected for ammonia and dissolved oxygen did not show an obvious water quality impact due to the SSO.

In general, untreated wastewater is known to contain solids and organic materials, ammonia, and excessive nutrients, all of which are potentially harmful to habitat-related beneficial uses due to solids deposition, oxygen depletion, and toxicity. Pathogenic organisms harmful to human health (such as Campylobacter, Salmonella, Shigella, Vibrio Cholera, and Yersinia) have the potential to impact other beneficial uses such as contact recreation (here, in the Pacific Ocean), and sport fishing due to direct contact with or ingestion of impacted waters, or indirect contact via foodborne pathways such as fish consumption. Oil, grease, and floatable or suspended materials may harm non-contact water recreation due to aesthetic impacts.

The Potential for Harm is major (5) because of the high threat to beneficial uses, as evidenced by the multiple miles of beach closures that lasted up to seven days, the elevated bacteria in the Torrance Lateral, the elevated bacteria in the Dominguez Channel Estuary, and the exceedance of the Basin Plan Bacteria Marine Objective at two ocean sampling locations. Wet weather conditions directly preceding the spill event may have contributed to the conditions.

Factor 3: Susceptibility to Cleanup or Abatement: **1**

A score of 0 is assigned if the discharger cleans up 50% or more of the discharge within a reasonable time, while a score of 1 is assigned if less than 50% of the discharge is susceptible to clean up, or if 50% of the discharge is susceptible to cleanup or abatement, but the discharger failed to clean up 50% or more of the discharge within a reasonable time. For this case, 8,507,790 gallons spilled into the Torrance Lateral and moved downstream to the Dominguez Channel Estuary, dispersing, and dissipating in the watershed and was not recovered. Less than 50% of the spill was recovered; therefore, a score of 1 is appropriate for this factor.

Final “Potential for Harm” Score”: **9**

The scores for the three above factors are added, resulting in a Potential for Harm score of 9. This score is then used in Step 2.

Step 2. Assessment for Discharge Violations

This step addresses administrative civil liabilities for the spill based on both a per-gallon and a per-day basis.

1. Per Gallon Assessment

When there is a discharge, the Los Angeles Water Board is to determine an initial liability amount on a per-gallon basis using the Potential for Harm score and the Extent of Deviation from Requirement.

a. Deviation from Requirement**: Major**

This factor reflects the extent the alleged violation deviated from the specific requirement at issue, and is expressed as either minor, moderate, or major. A factor of "major" is assigned when the requirement has been rendered ineffective (e.g., the requirement was rendered ineffective in its essential functions).

Prohibition C.1 of the Statewide General Order prohibits any SSO that results in a discharge of untreated or partially treated wastewater to waters of the United States. Similarly, Clean Water Act section 301 prohibits the point source discharge of any pollutant to waters of the United States, except as authorized by an NPDES permit issued in accordance with CWC section 13376. The Discharger's unpermitted discharge of untreated wastewater to a water of the United States without a permit renders each requirement ineffective in its essential function of protecting water quality. Therefore, a "major" Deviation from Requirement is appropriate.

b. Per Gallon Factor: **0.8**

Using a Potential for Harm score of 9 and a major Deviation from Requirement, Table 1 of the Enforcement Policy prescribes a factor of 0.8 as the Per Gallon Factor for the discharge.

c. Gallons Discharged to Surface Water: **8,507,790 gallons**

The Discharger's May 13, 2022 email states 8,507,790 gallons of untreated wastewater reached surface waters. The Prosecution Team has reviewed the Discharger's calculations and agrees with the volumes.

CWC section 13385, subdivision (c)(2) states that the per-gallon maximum civil liability is $10/gallon multiplied by the number of gallons discharged but not cleaned up over 1,000 gallons. For this violation, the civil liability is based on 8,507,790 gallons minus 1,000 gallons, or 8,506,790 gallons. The Enforcement Policy allows for discharges that exceed 2,000,000 gallons, to use $1/gallon in the penalty calculation instead of the statutory $10/gallon. For this case, the Prosecution Team has elected to use $1/gallon due to the nature and volume of the discharge. This reduction does not result in an inappropriately small liability.

Per Gallon Assessment:
0.8 per gallon factor x 8,506,790 gallons x $1 per gallon = $6,805,432

2. Per Day Assessment

When there is a discharge, the Los Angeles Water Board is to also determine an initial liability amount on a per-day basis using the Potential for Harm score and the extent of Deviation from Requirement.

a. Deviation from Requirement: **Major**

b. Per Day Factor: **0.8**

Using a Potential for Harm score of 9 and a major Deviation from Requirement, Table 2 of the Enforcement Policy prescribes a factor of 0.8 as the Per Day Factor for the discharge.

c. Days of Violation: **2**

The spill event took place over two days: December 30-31, 2021.

Per Day Assessment:
0.8 per day factor x 2 days x $10,000 per day = $16,000

3. Initial Liability Amount

The Per Gallon Assessment and the Per Day Assessment are added together to become the initial liability amount for Violation 1.

Initial Liability Amount for Violation 1:
$6,805,432 + $16,000 = $6,821,432

Step 3. Per Day Assessment for Non-Discharge Violations

The alleged violation is a discharge violation. Therefore, this step is not applicable.

Step 4. Adjustment Factors

The Enforcement Policy states that three additional factors must be considered for potential modification of the liability amount: (a) the Discharger's degree of culpability, (b) the

Discharger's prior history of violations, and (c) the Discharger's voluntary efforts to cleanup, or its cooperation with regulatory authorities after the violation.

Culpability: **1.3**

The Enforcement Policy states that higher liabilities should result from intentional or negligent violations as opposed to accidental violations. A multiplier between 0.75 and 1.5 is used, with a higher multiplier for intentional misconduct or gross negligence. The information discussed below is taken from the Discharger's May 4, 2022 third-party audit report.

The 216th Street Relocation Trunk Sewer failed on segment pipe P20116 between manholes 644 and 476. This sewer pipe was a 48-inch diameter unlined reinforced concrete pipe that was approximately 60 years old. On December 30, 2021, a 15-foot length of the pipe collapsed, as well as manhole 476.

Between 2006 and 2021, this section of line had been inspected nine times by Closed Circuit TV (CCTV). The inspection frequency was elevated to yearly between 2016 and 2021. The most recent inspection occurred on December 1, 2021, only 29 days prior to the collapse. Since at least 2012, the Discharger tested the pH of the pipe and sprayed the pipe with magnesium hydroxide on six-month intervals. The measured pH ranged from 1 to 9 but was most often between 1 and 3. This indicates that the pipe was subject to high levels of acidity, leading to deterioration of the concrete. In fact, portions of the collapsed pipe had a thickness of less than 1". It is believed that corrosion of the pipeline and manhole was the primary cause of failure and subsequent SSO.

Although the pipe was subject to CCTV inspection, some of the videos were of poor quality and impacted by high water levels in the pipe, there was unclear imagery due to the equipment and/or material on the camera lens, and the magnesium hydroxide coating obscured the view of defects.

On February 10, 2015, the Discharger's staff prepared an internal memorandum requesting the rehabilitation of Condition 1 and 2 segments[7] of the 216th Street trunk line within two years, or by 2017. The section of line that failed had been rated Condition 2. While the Discharger funded and commenced the efforts to replace the line as part of a larger global planned replacement sewer project, the construction process took longer than expected. The Discharger was in the process of building the replacement sewers (now complete with redundant trunk sewer lines) in the area of the spill when the event occurred. Previously, emergency repairs took place on a portion of the line in 2017, and the initial phase of the global planned replacement sewer project took place in late 2020. If a rehabilitation project

[7] The Discharger utilizes a pipe rating system ranging from 1 through 4, with 1 being the worst condition sewers and 4 being the best condition with minimal defects.

is taking longer than expected, then a discharger should implement interim measures, if any, to reduce the risk of failure. The Discharger did not have a formal inspection program for sewer manholes and junction structures at the time of the spill; however, the Discharger has now implemented a formal inspection process as part of the planned programmatic changes.

Based on the above, the Discharger had knowledge of the poor condition of the pipe and knew rehabilitation was necessary. The project, though planned, was delayed, resulting in the discharge of over 8 million gallons of untreated wastewater to surface waters from the collapsed pipe. Therefore, a multiplier of 1.3 is assigned for this violation.

History of Violation: **1.0**

When there is a history of repeat violations, the Enforcement Policy requires a minimum multiplier of 1.1, with higher values as appropriate. The Discharger does not have a history of adjudicated violations; therefore, a multiplier of 1.0 is appropriate.

Cleanup and Cooperation: **0.8**

This factor reflects the extent to which a discharger voluntarily cooperates in returning to compliance and correcting environmental damage. A multiplier between 0.75 and 1.5 is applied, with a higher multiplier when there is a lack of cleanup or cooperation.

The spill began between 1:30 and 1:35 p.m. on December 30, 2021. The Discharger was notified at 1:50 p.m. on December 30, 2021. The Discharger relied on multiple contractors to respond to the emergency. Access to the spill location was difficult, but it still took over 32 hours, until 9:38 p.m. on December 31, 2021, for the Discharger to stop the spill through the installation of five bypass pumps. It also took over 13 hours, until 3:00 a.m. on December 31, 2021, to excavate, install shoring and secure the sinkhole. After securing the sinkhole, Discharger's contractor continued to clean up soil and debris through January 2, 2022 and conducted CCTV inspection to assess the condition of the sewer. On January 3, 2022, the downstream sewer was determined to be safe to reestablish the flow. In total, the flow was restored after five days.

While the facts above indicate some problems with the Discharger's response to the SSO, overall, the Discharger went above and beyond a normally expected response to an SSO and exceeded what was envisioned in the Discharger's Sanitary Sewer Overflow Response Plan. For example, the Discharger conducted the following activities:

- Enhanced public notification, such as stationing staff at each end of the West 212th Street throughout the entirety of the SSO event to prevent public contact with wastewater; going door-to-door to speak to affected residents on the evening of December 30th; meeting with residents to understand their concerns on January 3rd;

releasing public notification flyers in multiple languages; and providing daily updates regarding the spill and progress of cleanup on the Discharger's website.

- Enhanced cleaning activities including working throughout the night of December 31st to flush the north side of West 212th Street; re-flushing the north side of West 212th Street on January 1st; completing additional cleaning and disinfection of driveways and sidewalks on January 3rd; completing additional cleaning and disinfection of the south side of West 212th Street on January 3rd; completing additional cleaning of the north side of West 212th Street on January 5th; providing a mobile car washing service to affected residents; and contracting with a landscaping company to replace topsoil and vegetation in the affected landscaped areas.

- Retaining the services of a third-party consultant to perform an independent audit of the sewer collapse and the Discharger's response.

Overall, the Discharger's actions were above the minimum expected in cleaning up and returning to compliance, and therefore warrant a Cleanup and Cooperation factor of 0.8.

Step 5. Total Base Liability Amount

The Total Base Liability Amount is determined by multiplying the following: the Initial Liability, the degree of culpability factor, the history of violations factor, and the cleanup and cooperation factor.

Total Base Liability Amount: Violation 1
$6,821,432 x 1.3 x 1.0 x 0.8 = $7,094,289

VIOLATION 2:
Remaining Category 1 Spills From
January 25, 2018 through September 6, 2022

Between January 25, 2018 and September 6, 2022, the Discharger reported 13 sanitary sewer overflows[8] of untreated wastewater that entered surface waters. The Discharger has attributed these sanitary sewer overflows to operational and structural failures, including root intrusion, grease deposition, the presence of debris, and a lack of hydraulic capacity in the sewer. The 13 spills are listed in Table 2, below. Each incident is of similar magnitude and is therefore considered together instead of individually.

[8] These 13 spills do not include the Carson spill (CIWQS Spill ID 878549) which is the subject of Violation 1, or the December 25, 2020 spill of 222,542 gallons from the sewage force main at the Long Beach Water Reclamation Plant (CIWQS Spill ID 871320). The Los Angeles Water Board reserves its right to undertake discretionary enforcement for the Long Beach spill.

Table 2: Remaining Category 1 Spills which occurred between January 25, 2018 and September 6, 2022

SSO # AND EVENT ID	SPILL START AND END DATES	TOTAL DAYS	COLLECTION SYSTEM	SPILL LOCATION	GALLONS DISCHARGED TO SURFACE WATER AND WATER BODY	GALLONS RECOVERED FROM SURFACE WATER	GALLONS DISCHARGED TO SURFACE WATER, LESS 1,000 GALLONS	CAUSE OF SPILL	LIABILITY AT $10,000/DAY	LIABILITY AT $10/GALLON	COMBINED MAXIMUM LIABILITY
1. 844340	1/25/2018-1/25/2018	1	County Sanitation District No. 15 CS	Hill Drive Extension Trunk	8,551 (Rio Hondo)	0	7,551	Vandalism – Debris (rocks/wood)	$10,000	$75,510	$85,510

13. 883181	9/6/2022-9/6/2022	1	County Sanitation District Joint Outfall CS	Via Pinale, 140’ east of Via Ramon, Palos Verdes Estates	8,354 (Malaga Creek)	0	7,354	Blockage caused by cut roots, likely from a private sewer	$10,000	$73,540	$83,540
				Totals:	108,414 gallons	23,935 gallons	75,046 gallons		$130,000	$750,460	$880,460

Step 1. Actual or Potential for Harm for Discharge Violations

The first step for discharge violations is to determine the actual or potential harm to water quality by using a three-factor scoring system. Because actual harm is not always quantifiable, potential harm may be used for this factor.

Factor 1: Degree of Toxicity of the Discharge: **3**

The degree of toxicity considers the physical, chemical, biological, and/or thermal characteristics of the discharge, and the risk of damage the discharge could cause to the receptors or beneficial uses. A score between 0 and 4 is assigned. As described for Violation 1, the discharge of untreated wastewater poses an above-moderate risk to human or aquatic receptors and therefore warrants a factor of 3 (above moderate).

Factor 2: Actual Harm or Potential Harm to Beneficial Uses: **2**

This factor considers the actual harm or potential harm to beneficial uses that may result from exposure to the pollutants or contaminants in the discharge. A score between 0 and 5 is assigned.

Discharges of untreated wastewater to surface water must typically be treated to a high standard to prevent adverse impacts to aquatic life. For this violation, there were 13 discharges of raw untreated wastewater, all of which may have contained pathogens, nitrogen, ammonia, metals, and biological oxygen demand. The SSOs entered the Rio Hondo, Dominguez Channel, Alhambra Wash, San Jose Creek, Machado Lake, Arroyo Seco Channel, Malaga Creek, and the Los Angeles River. The Basin Plan designates existing and potential beneficial uses for these water bodies which includes municipal and domestic supply; warm freshwater habitat; estuarine habitat; wildlife habitat; rare, threatened, or endangered species; migration of aquatic organisms; and spawning, reproduction, and/or early development.

Most of the spills were less than 10,000 gallons. The spills were at various times of the year; in the winter the water bodies could have high flows, resulting in the potential for dilution, while in the summer or fall the water bodies could have low flows with less dilution available and therefore a higher potential impact. A “below moderate” potential for harm is defined as “observed or reasonably expected potential impacts, but based on the characteristics of the discharge and applicable beneficial uses, harm or potential harm to beneficial uses is measurable in the short term, but not appreciable.” Given the size of the SSOs, the impacts to beneficial uses were likely to attenuate without appreciable short term acute or chronic effects. Therefore, a score of 2, below moderate, is assigned for this factor.

Factor 3: Susceptibility to Cleanup or Abatement: **1**

A score of 0 is assigned if the discharger cleans up 50% or more of the discharge within a reasonable time, while a score of 1 is assigned if less than 50% of the discharge is susceptible to clean up, or if 50% of the discharge is susceptible to cleanup or abatement, but the discharger failed to clean up 50% or more of the discharge within a reasonable time. As shown in Table 2, of the 108,414 gallons discharged to surface water, only 23,935 gallons were recovered. Because less than 50% of the discharge was cleaned up, a factor of 1 is assigned.

Final "Potential for Harm" Score": 6

The scores for the three above factors are added, resulting in a Potential for Harm score of 6. This score is then used in Step 2.

Step 2. Assessment for Discharge Violations

This step addresses administrative civil liabilities for the spill based on both a per-gallon and a per-day basis.

1. Per Gallon Assessment

When there is a discharge, the Los Angeles Water Board is to determine an initial liability amount on a per-gallon basis using the Potential for Harm score and the Extent of Deviation from Requirement.

a. Deviation from Requirement**: Major**.

The Deviation from Requirement is major, for the same reasons as described in Violation 1.

b. Per Gallon Factor: **0.28**

Using a Potential for Harm score of 6 and a major Deviation from Requirement, Table 2 of the Enforcement Policy prescribes a factor of 0.28 as the Per Gallon Factor for the discharge.

c. Gallons Subject to Administrative Civil Liability: **75,046 gallons**

As shown in Table 2, 108,414 gallons were discharged to surface water during the 13 SSO events. Of this, 23,935 gallons were recovered.

CWC section 13385, subdivision (c)(2) states that the maximum per-gallon civil liability is $10/gallon multiplied by the number of gallons discharged but not cleaned up over

1,000 gallons. Table 2 provides the calculations to show the gallons subject to administrative civil liability for each spill. For example, Spill #1 discharged 8,551 gallons to the Rio Hondo. None of this spill was recovered, and therefore 7,551 gallons are subject to administrative civil liability. Spill #5 discharged 6,000 gallons to the Alhambra Wash; however, because all 6,000 gallons were recovered, there is not a per-gallon penalty for this spill. Similarly, Spill #6 discharged 283 gallons to the Los Angeles River. Although none of this spill was recovered, because less than 1,000 gallons were discharged, there is not a per-gallon penalty for Spill #6. As shown in the "Total" row of Table 2, the 13 spills resulted in 75,046 gallons that are subject to administrative civil liability.

Per Gallon Assessment:
0.28 per gallon factor x 75,046 gallons x $10 per gallon = $210,129

2. Per Day Assessment

When there is a discharge, the Los Angeles Water Board is to determine an initial liability amount on a per-day basis using the Potential for Harm score and the Extent of Deviation from Requirement.

a. Deviation from Requirement: **Major**

b. Per Day Factor: **0.28**

Using a Potential for Harm score of 6 and a major Deviation from Requirement, Table 2 of the Enforcement Policy prescribes a factor of 0.28 as the Per Day Factor for the discharge. This factor is then multiplied by the days of discharge and the maximum per day liability of $10,000/day.

c. Days of Violation: **13**

As shown in Table 2, the spills occurred over 13 days.

Per Day Assessment:
0.28 per day factor x 13 days x $10,000 per day = $36,400

3. Initial Liability Amount

The Per Gallon Assessment and the Per Day Assessment are added together to become the Initial Liability Amount for Violation 2.

Initial Liability Amount for Violation 2: $210,129 + $36,400 = $246,529

Step 3. Per Day Assessment for Non-Discharge Violations

The alleged violations are discharge violations. Therefore, this step is not applicable.

Step 4. Adjustment Factors

The Enforcement Policy states that three additional factors must be considered for potential modification of the liability amount: (a) the Discharger's degree of culpability, (b) the Discharger's prior history of violations, and (c) the Discharger's voluntary efforts to cleanup, or its cooperation with regulatory authorities after the violation.

Culpability: **1.1**

The Enforcement Policy states that higher liabilities should result from intentional or negligent violations as opposed to accidental violations. A multiplier between 0.75 and 1.5 is to be used, with a higher multiplier for intentional misconduct or gross negligence.

According to the Discharger's CIWQS spill reports, about 40% of the untreated wastewater discharged for Violation 2 was due to root intrusion or vandalism. However, the remaining 60% of the volume discharged was due to lack of hydraulic capacity, failure of a repair, a contractor puncturing a line, improper placement of a jetter hose, cut roots, and an unpermitted connection. The Discharger could have taken actions to prevent or minimize 60% of the volume of untreated wastewater that was discharged. Hence, these spills should not be considered accidental violations.

As described in the May 4, 2022 *Audit of Sanitary Sewer Overflow (SSO) in the City of Carson*, for the five-year period of 2017 to 2021, the Discharger had a spill rate of 0.56 spills per 100 miles of sewer. When compared to local sanitation districts of similar size, the Discharger has a lower spill rate than the City of Los Angeles (LASAN; 1.54 spills/100 miles) but a higher spill rate than Orange County Sanitation District (0.36 spills/100 miles). Based on these facts, it is appropriate to assign a culpability score of 1.1.

History of Violations: **1.0**

When there is a history of repeat violations, the Enforcement Policy requires a minimum multiplier of 1.1, with higher values as appropriate. The Discharger does not have a history of adjudicated violations; therefore, a multiplier of 1.0 is appropriate.

Cleanup and Cooperation: **1.0**

This factor reflects the extent to which a discharger voluntarily cooperates in returning to compliance and correcting environmental damage. A multiplier between 0.75 and 1.5 is used, with a higher multiplier when there is a lack of cleanup or cooperation. In this case, the Discharger responded to each spill in a manner that is reasonable and prudent, and as expected for a sewer district of its size. The Discharger appropriately followed its Sanitary Sewer Overflow Response Plan, a component of the 2019 Sewer System Management Plan, as is expected of a discharger enrolled in the SSS WDR. Therefore, a neutral multiplier of 1.0 is assigned.

Step 5. Total Base Liability Amount

The Total Base Liability Amount is determined by multiplying the following: the Initial Liability, the degree of culpability factor, the history of violations factor, and the cleanup and cooperation factor.

Total Base Liability Amount: Violation 2
$246,529 x 1.1 x 1.0 x 1.0 = $271,182

Combined Total Base Liability Amount for All Violations

The Combined Total Base Liability Amount for Violations 1 and 2 is determined by adding the total base liability amount of each violation. The Combined Total Base Liability Amount is $7,365,471.

Step 6. Ability to Pay and Continue in Business

The CWC and the Enforcement Policy require the Water Boards to consider a discharger's ability to pay and continue in business when imposing administrative civil liabilities.
In this matter, the Discharger is an ongoing public entity with the ability to raise revenue to satisfy the proposed liability through the imposition of fees and taxes. In addition, a review of the Los Angeles County Sanitation Districts' 2022 Annual Comprehensive Financial Report shows that the Discharger has a net position of over $1.9 billion; as of April 30, 2023, the Discharger has $466 million in total cash and investments. Based on publicly available information, the Discharger has the ability to pay and continue in business.

Step 7. Economic Benefit

The Enforcement Policy states that the economic benefit of noncompliance should be calculated using the United States Environmental Protection Agency's (US EPA) Economic Benefit Model (BEN) liability and financial modeling program. For this case, the total

economic benefit of non-compliance was calculated using BEN Version 2022.0.0. Using standard economic principals such as the time-value of money and tax deductibility of compliance costs, BEN calculates a discharger's economic benefit derived from delaying[9] or avoiding[10] compliance with environmental statutes.

The avoided and delayed expenses associated with each alleged violation are outlined below.

Violation 1 was caused by a collapsed pipe segment. Following the SSO, the Discharger rehabilitated the collapsed sewer line by slip lining with a fiberglass reinforced plastic pipe. This pipe had the most severe condition rating since 2016 and should have been repaired earlier. Due to the current economic situation and increased prices, this delayed pipe rehabilitation resulted in a negligible economic benefit.

Violation 2, SSO CIWQS Event ID 844340 was the result of debris in the pipe from vandalism and the corrective action was to secure the manhole cover with a locking steel strap. Due to the current economic situation, this delayed action resulted in a negligible economic benefit.

Violation 2, SSO CIWQS Event ID 845320 was the result of debris from a construction project. To prevent future recurrence, the Discharger sent a letter to the City of Inglewood requesting their contractors take precautions to prevent debris from entering the sewer. The delayed action resulted in an economic benefit of $1.23.

Violation 2, SSO CIWQS Event ID 855879 was caused by a pressure plate lifting the manhole cover during a rain event. Following the SSO, the pressure plate frame was repaired, but the damage should have been identified and repaired during previous inspection. This delayed repair had a negligible economic benefit. The second action was to change the standard design drawing for the pressure manhole frame; this action should have occurred sooner and could have helped prevent or mitigate the SSO. This delayed action resulted in an economic benefit of $5.89.

Violation 2, SSO CIWQS Event ID 856060 resulted from a Link-Pipe repair sleeve failure. The Link Pipe was installed in 1999 to cover a crack with root intrusion. The Link Pipe should have been removed much earlier and the pipe rehabilitated with a cured-in-place pipe (CIPP) liner. This delayed pipe rehabilitation resulted in a negligible economic benefit.

[9] Delayed costs include expenditures that should have been made sooner, such as manhole or pipe repairs that were made too late to avoid the violation.

[10] Avoided costs include expenditures for services that the permittee should have incurred to avoid the incident of noncompliance, such as additional staffing and preventative maintenance.

Violation 2, SSO CIWQS Event ID 856635 was caused by debris in the manhole due to vandalism. To prevent future SSOs, two manholes were secured with tack welds. This delayed action resulted in an economic benefit of $1.45.

Violation 2, SSO CIWQS Event ID 866253 resulted from roots in the mainline. To prevent future SSOs, the Discharger constructed an upstream diversion. This location had a previous SSO due to roots, so the upstream diversion should have been installed much sooner. This delayed action resulted in an economic benefit of $131.44.

Violation 2, SSO CIWQS Event ID 869694 was the result of a discharge hose not being properly placed. In response, the Discharger created a preconstruction checklist to prevent a spill of this nature from reoccurring. The need for this checklist should have been identified earlier and this delayed action resulted in an economic benefit of $248.50.

Violation 2, SSO CIWQS Event ID 874673 was caused by roots in the mainline. As a corrective action, real-time level sensors were installed at two different manholes. Two SSOs due to roots had occurred at this location previously, so the real-time level sensors should have been installed sooner. However, the economic benefit from these delayed actions was negligible.

Violation 2, SSO CIWQS Event ID 883181 was also the result of roots. Following the SSO, a SmartCover was installed. No significant economic benefit was identified for this SSO.

Finally, the fourteen SSOs resulted in a combined total of 8,592,269 gallons discharging to surface water. This wastewater should have remained within the collection system to be transported to the wastewater treatment plant for treatment. Due to the SSOs, the cost of treating the 8,592,269 gallons of wastewater was avoided. This avoided cost resulted in an economic benefit of $4,206.

For computational purposes and for purposes of settlement, the penalty payment date was established as February 1, 2023. Based on specific assumptions within the model, the total economic benefit of non-compliance was determined to be $4,594.

Step 8. Other Factors as Justice May Require

The Enforcement Policy allows for the costs of investigation and enforcement to be considered under other factors as justice may require. To date, the Los Angeles Water Board Prosecution Team has incurred $16,976 in staff costs associated with the investigation, preparation, and enforcement of the violations. This represents approximately 153 hours of staff time devoted to this matter. No attorneys' fees are included in this calculation. The Los Angeles Water Board Prosecution Team finds that it is appropriate to increase the Combined

Total Base Liability Amount by $16,976 in consideration of investigation and enforcement costs incurred in prosecuting this matter. Increasing the Combined Total Base Liability Amount in this manner serves to create a more appropriate deterrent against future violations.

Step 9. Maximum and Minimum Liability Amounts

Maximum Liability Amount: The maximum liability is found in CWC section 13385 subdivision (c) and is $10,000 per day of violation plus $10 per gallon multiplied by the number of gallons discharged but not cleaned up over 1,000 gallons. The statutory maximum for Violation 1 is $85,087,900 based on two days of violation and a discharge of 8,507,790 gallons. The statutory maximum for Violation 2 is $880,460 based on 13 days of violation and a discharge of 75,046 gallons discharged to a water of the United States, less 1,000 gallons, and was not recovered. The combined total maximum liability for the two violations is $85,968,360.

Minimum Liability Amount: CWC section 13385, subdivision (e) requires that, at a minimum, the economic benefit derived from the violations be recovered. The statutory minimum liability amount for Violations 1-2 is equal to the economic benefit of $4,594. The Enforcement Policy requires the Water Boards to recover 10% greater than the economic benefit. The economic benefit derived from the violations addressed in this matter is $5,053. Therefore, the minimum under the Enforcement Policy is $5,053.

Step 10. Final Liability Amount

The Final Liability Amount consists of the added amounts for each violation, with any allowed adjustments, provided the amount is within minimum and maximum liability amounts. The Combined Total Base Liability Amount was added to the investigation and enforcement costs accrued by the Los Angeles Water Board Prosecution Team. The Final Liability Amount is **$7,382,447**, which is within the minimum and maximum liability amounts.[11]

[11] As explained in Section II, paragraph 12 of the Stipulated Order, the administrative civil liability was reduced to $6,000,000 under Enforcement Policy, section VI.B. (Settlement Considerations) in consideration of hearing and/or litigation risk.

CALAS PARK STORMWATER AND WATER QUALITY IMPROVEMENTS
SUPPLEMENTAL ENVIRONMENTAL PROJECT WORKPLAN

PROPOSAL/ WORK PLAN REQUIREMENTS:

Project Title:
Calas Park Stormwater and Water Quality Improvements Supplemental Environmental Project (Calas Park SEP)

Organization proposing the project (including project manager's name, email address, and phone number; type of organization (public, private, non-profit, etc.):

Los Angeles County Sanitation Districts (public)
Project Manager: Lysa Gaboudian, Supervising Engineer
lgaboudian@lacsd.org
(562) 908-4288 extension 2811

Third party completing the project including all contact information (If applicable), including Project Manager Name & Contact Information:

City of Carson (public)
Project Manager: Roland Jen, PE, Stormwater Engineer
Rjen@carsonca.gov
(310) 952-1700 extension 3523

Names and statement of qualifications and experience for Project Manager:

Roland Jen, PE

Roland is a Licensed Civil Engineer (CA) with 9 years of experience in both public and private stormwater infrastructure projects, water quality analysis, and infrastructure maintenance. He received his B.S. in Civil Engineering with an emphasis on Environmental Hydrology from the University of California, Irvine in 2014. He also holds a B.S. in Biology from the University of California, San Diego. At the City of Carson, Roland works as the Stormwater Engineer managing and developing green infrastructure projects and managing MS4 permit compliance.

Throughout his career, Roland has worked on a variety of projects related to stormwater, encompassing roles such as conceptual design, planning, grant funding, construction, post-construction review, maintenance, and water quality testing in both urban and natural infrastructure. His experience in both private and public enterprises provide a solid foundation to guide the effective development and management of stormwater projects.

Roland's experience with multi-benefit stormwater infrastructure is extensive. He has worked on several public stormwater projects, notably: South Los Angeles Wetlands Park, Mar Vista Recreation Park BMP, Echo Park Lake Rehabilitation, and the City of Carson's Carriage Crest Park

Stormwater facility. He also has experience in designing and reviewing stormwater treatment and capture devices for private developments. With these projects, he has focused on providing maximum benefit to the general public in the form of improved recreation, climate resilience, and clean water.

Location of the project (city, county, address, watershed):
The Calas Park SEP will be located in Calas Park, which is on E 220th St between Bonita St and S Edgar St in the City of Carson in Los Angeles County. This SEP is located in the Dominguez Channel watershed.

Project Description (include overall description and identify specific project elements):
This voluntary project is expected to capture, pretreat and infiltrate 2.8 acre-ft of stormwater produced in the drainage area (based on the 85th percentile, 24-hour storm). *See* **Attachment A** for drainage map. The proposed project will capture runoff in an underground vault where the water will infiltrate. The project features will involve underground storage vaults, bioswales, rain gardens, infiltration galleries, and other elements that will capture, pretreat, and infiltrate stormwater onsite. Based on the size of an 85th percentile storm, which occurs on average five times per year, a preliminary estimate of the volume that will be captured and conserved is 2.8 acre-ft per event and 13.8 acre-ft on an annual basis.

Stormwater runoff will be diverted from a storm drain in E 220th Street at South Edgar Street (northeast of the park) and from storm drain inlets in Bonita Street at 223rd Street (southwest of the park). The captured stormwater runoff will flow through a pre-treatment unit (hydrodynamic separator) via a proposed conveyance system before entering an underground storage vault, which will facilitate infiltration into the underlying groundwater. Initial review of available information for groundwater depth, soil type, and groundwater contamination reveals infiltration is possible, and a detailed geotechnical investigation will be conducted as part of the project to determine infiltration rates across the site. In addition, the project proposes a passive irrigation system that will be filled with stormwater for irrigation use of the Calas Park field(s), thereby offsetting the current reliance on potable water for irrigation.

Specific Project Elements:

- Collection and Conveyance System
    - Stormwater will be diverted from the existing local storm drain system and directed to the park. Diversions will be constructed along storm drains to capture water quality flows and they will be conveyed to the park in new storm drainpipes.
- Pre-Treatment Unit (Hydrodynamic Separator)
    - Diverted stormwater will flow through a pre-treatment unit, likely a hydrodynamic separator, prior to entering the underground storage vault. The purpose of this pretreatment is to remove debris and sediment to limit maintenance in the vault.

- Underground Storage Vault for Water Quality Treatment (infiltration)
    - Stormwater will be collected in an underground storage vault where it will be held while it infiltrates into the soil. The vaults will be sized to capture runoff from the 85th percentile storm.
- Harvest and Use (passive turf irrigation)
    - A passive irrigation system consisting of shallow storage below the turf will be provided to irrigate the field using captured stormwater. This approach allows for use of stormwater for irrigation, which displaces the use of potable water.
- Multi-lingual interpretative signage / displays
    - This project will be located underground once complete. Signage and displays will be incorporated into the park to help residents learn about the system and what they can do to improve the quality of urban runoff in their area. Signage associated with the SEP shall state in a prominent manner that the project is being undertaken as part of settlement of a Regional Water Board enforcement action.

Some project elements will require long-term maintenance, which the City will perform after completion of the SEP on a regular schedule. These activities are described here for informational purposes and are not considered part of the SEP's Scope of Work.

- Collection and Conveyance System
    - The collection and conveyance systems will require maintenance similar to what the City currently provides for catch basins and storm drains. Maintenance will focus on debris and sediment removal to ensure design capacity and function remain intact.
- Pre-Treatment Unit (Hydrodynamic Separator)
    - The pre-treatment unit will require clean out by vacuum truck prior to each wet season. Additional maintenance may be required depending on the amount of runoff generated each year. The unit is accessible via manhole at the ground surface.
- Underground Storage Vault for Water Quality Treatment (infiltration)
    - The underground storage vault will have a settling forebay to concentrate any debris or sediment that is not addressed by the pre-treatment unit. The settling forebay will be accessible via manhole and will require annual clean out.
- Harvest and Use (passive turf irrigation)
    - This passive turf irrigation system will not require ongoing maintenance. Prior to entering the passive turf irrigation system, the water will have already passed through the pre-treatment unit and the settling forebay in the underground vault.

Describe how the proposed SEP fits into one or more of the following categories (address any that are applicable:

• Pollution Prevention
• Pollution Reduction

The Calas Park SEP will capture and pretreat stormwater runoff, improve onsite water retention

and enhancement of groundwater supplies for beneficial use, and substantially reduce remaining stormwater runoff and associated pollutants conveyed to surface waters. This, in turn, will improve public health, and will operate to reduce and/or prevent pollution.

This project will reduce the mobilization of stormwater-associated pollutants (such as zinc and bacteria) from the drainage area, will provide a mechanism by which the stormwater can be made available for beneficial use in the underlying groundwater, and will reduce the surface water risk posed by these constituents to the surrounding communities. In addition, the construction of this project, and the desired stormwater education signage to be included, will promote public awareness and education regarding urban runoff and the need to prevent pollution and protect water quality. Signage associated with the SEP shall state in a prominent manner that the project is being undertaken as part of settlement of a Regional Water Board enforcement action.

Expected Benefits or improvements to water quality or beneficial uses:
The project is expected to capture and pretreat up to 2.8 acre-feet of stormwater produced by the drainage area during the water quality rain event and infiltrate that water locally, enhancing the groundwater basin supply that, in turn, can support designated beneficial uses, like municipal and domestic supply (MUN). Pollutant loads will be reduced in surface waters, human health will be further protected, and groundwater supplies will be enhanced for beneficial use.

Nexus between the violations and the project:
The Calas Park SEP is located in the same watershed (Dominguez Channel) and a short distance (approximately 2 miles) from the location of the violations; therefore, the primary benefits of the SEP will be within the immediate geographic area where the violations occurred. The Calas Park SEP will reduce the potential for several types of pollutants, including bacteria and metals, to reach the Dominguez Channel. The Calas Park SEP is both geographically related to the violations (*i.e.,* existing in the same watershed) and designed to reduce the overall risk to the public and the environment through reduction of pollutants.

Is the project located within, or does it benefit, an EJ community, a DAC, or a community that has financial hardship? If yes, describe.
Yes. This project is within areas that have a Disadvantaged Community (DAC) score of CalEnviroScreen 4.0 Top 25%. The particular tract in which Calas Park is located scored in the 92nd percentile (see Attachment B). The Calas Park SEP will provide capture and pretreatment of stormwater runoff and facilitate infiltration to groundwater which will beneficially improve the overall health of the watershed and provide a clean source for drinking water in the community. While the project will be largely underground, the SEP's public outreach and education on the importance of clean water projects and the City's efforts to improve water quality through multilingual interpretive displays, exhibits, and interactive features, will promote watershed health and encourage visitors to engage in water conservation, promote stewardship, and educate the public about local water management strategies.

Will this project further the State Water Board's core value of human right to water? If yes,

describe.
The State of California statutorily recognizes that every human being has the right to safe, clean, affordable, and accessible water adequate for human consumption, cooking, and sanitary purposes. Because the Calas Park SEP specifically intends to facilitate infiltration of stormwater to groundwater, the SEP indirectly supports the State Water Board's core value of a human right to water. However, because the water supply benefits of the project will not be tracked, this factor is not directly applicable.

Project readiness, including status of CEQA, permits, and landowner agreements:
As the CEQA lead agency for the project, it is anticipated that the City will be required to conduct environmental review of the proposed project, including preparation of a CEQA document with supporting technical studies, as well as acquisition of regulatory permits. CEQA and any applicable regulatory permits will be initiated once a conceptual design plan is available during the project period of performance (i.e., advanced design is not typically necessary to initiate CEQA). After review of the project concept plan and the associated footprint of construction activities, the appropriate level of CEQA compliance and the applicable regulatory permits will be determined. Based on the current planning for the project, we anticipate an Initial Study/Mitigated Negative Declaration (IS/MND) will be the appropriate level of CEQA documentation to support the project. Due to the proposed excavation activities and proximity to sensitive receptors (i.e., residential uses), technical studies analyzing the construction-related impacts will be prepared, which are anticipated to include an Air Quality Report, Cultural Resources Report, Greenhouse Gas Emissions, and Noise and Vibration. If any biological or jurisdictional resources have the potential to be impacted during implementation of the proposed project, the appropriate regulatory permits would be initiated and prepared, typically commencing prior to the release of the Draft IS/MND document and requiring 6-12 months, dependent on agency reviews. Preparation and approval of an IS/MND document and regulatory permits is anticipated to take up to 16 months.

Once the project is approved by the City Council, the approved IS/MND would be provided to the Regional Water Quality Control Board, Los Angeles Region (Regional Water Board) prior to commencement of construction of the project. Any applicable regulatory permitting will be completed as the design progresses to ensure compliance with CEQA and all regulatory requirements. Because the project will be located at a City-owned park, no landowner agreements will be necessary.

Brief work plan containing tasks, deliverables, milestones, and schedules:
The work for the Calas Park SEP will include planning and design, environmental documentation and permitting, bidding, constructing, and commissioning a stormwater capture facility. As shown in the schedule below, project implementation will occur over a 48-month period beginning with the effective date of the final stipulated order. The Project features and amenities are described below, with specific project elements and milestones detailed in the project budget in the section below, including CEQA, project design, permitting, bidding, award, and construction.

The 48-month project timeframe is necessary to complete design, environmental review,

permitting, construction, and commissioning of an infrastructure project of this scope. Moreover, the extended timeframe is justified given the exceptional localized environmental benefits expected from the project. Stormwater runoff can mobilize pollutants (such as bacteria and metals) to nearby receiving waterbodies (Dominguez Channel) and ultimately, the Pacific Ocean, thereby precluding attainment of recreational and other beneficial uses. The capture, pretreatment and infiltration of stormwater via the SEP will provide significant water quality benefits to the local watershed, and the DAC in which the watershed is located. The ability to address urban runoff from the 63-acre drainage area with one project is a rare and important opportunity. Completion of the project will provide significant benefits to the City and surrounding community and will facilitate more expedient progress to address water quality challenges in this area than would otherwise be possible.

The 48-month proposed project timeframe is also necessary to minimize disruption to the local community, which relies heavily on the area for access to green space and places to remain active. Construction will be staged and scheduled to minimize impacts on sports and other activities that occur in the park. The park primarily serves an Environmental Justice community burdened by the impacts of a highly industrialized area (*e.g.,* multiple oil refineries and a major freeway within approximately one mile of the park). The community is characterized by high CalEnviroScreen 4.0 scores, specifically a score of 93 for "Impaired Waters" and 96 for "Pollution Burden." Thus, the investment this project will make in the community will provide "exceptional environmental benefits" that warrant approval of a 48-month project timeline.

Upon award of the funds, the City will undertake a Preliminary Engineering Study to progress the project concept to a 10% plan. The 10% design phase will include the geotechnical investigation necessary to confirm infiltration feasibility. With the concept proved feasible, the City will move to produce a Plans, Specifications, and Estimates package. Key deliverables will include project design and 30%, 90%, and 100% plans. Deliverables include quarterly progress reports (12 total), Preliminary Engineering Study, Design Plans (3 total, 1 for each deliverable), and a final completion report. The final completion report will conform to SEP Reporting and Certificate of Completion guidelines.

Discussion of the environmental documentation and permitting is included in the section above.

The project will schedule and stage construction to avoid impacts to frequently used park features such as playground equipment, event pavilions, and parking access. The soccer and baseball/softball fields will be impacted during construction. The work, however, will be scheduled around sports seasons to limit disturbance to community activities as much as possible.

Project Tasks and Schedule

Task 1: Planning and Design – this task includes preparation of a bid package for design of the project, and City Council actions to authorize bidding and award of the planning and design contract. A Preliminary Engineering Study will be produced to bring the project concept to a 10% plan. The 10% design phase will include a geotechnical investigation necessary to confirm infiltration feasibility. The City will then move to produce a Plans, Specifications, and Estimates package. Key deliverables will include project design and 30%, 90%, and 100% plans. The milestone will be met when construction drawings are at the 90% level. (100% plans will be produced at the conclusion of the Task 2 milestone after permits are issued and plans are modified, to the extent necessary based on permit requirements.)

- **Milestone deadline: 20 months from the effective date of the Stipulated Order.**

Task 2: Environmental Documentation and Permit Acquisition – As the CEQA lead agency for the project, the City will be required to conduct environmental review of the proposed project, including preparation of a CEQA document with supporting technical studies, as well as acquisition of regulatory permits. CEQA and any applicable regulatory permits will be initiated once a conceptual design plan is available, and to some extent will be conducted in parallel with Project Design. Preparation and approval of CEQA documents and acquisition regulatory permits is anticipated to take up to 16 months and be completed by the end of month 26. Deliverables for this milestone include certified CEQA documentation, acquisition of all required permits, and 100% construction drawings.

- **Milestone deadline: 26 months from the effective date of the Stipulated Order.**

Task 3: Bidding and Award of Contract: Based on the completion of Task 2, a bid package will be prepared and released, bids will be reviewed, and the construction contract awarded. This process is anticipated to take up to 6 months. This milestone will be complete when the construction contract is awarded.

- **Milestone deadline: 32 months from the effective date of the Stipulated Order.**

Task 4: Construction and Commissioning: This task includes issuance of a Notice to Proceed, mobilization of the contractor, construction and commissioning of the facilities. This task is anticipated to require 16 months, and the milestone will be achieved when commissioning is completed.

- **Milestone deadline: 48 months from the effective date of the Stipulated Order.**

Schedule for periodic monitoring (quarterly at a minimum) on the performance of the SEP to monitor the timely and successful completion of the SEP

The Sanitation Districts will provide quarterly progress reports to the Regional Board and a final report to the Regional Board and Office of Enforcement, on activities undertaken with the project. At a minimum, the reports will include a list of all activities on the SEP for each reporting period, an accounting of funds expended, and the proposed work for the following quarter. The reports will also describe whether the SEP is compliant with milestones/deadlines, and if not, the

cause of delay and anticipated date of compliance. Reports will be submitted no later than the first day of the second month following the end of each reporting period in accordance with the schedule shown below. The Sanitation Districts will submit progress reports on the SEP until the proposed project is completed and the SEP contribution is fully expended or otherwise approved by the Regional Board Executive Officer.

Quarterly Report Schedule:

Reporting Period	Report Submittal Date
January - March	May 1
April - June	August 1
July - September	November 1
October - December	February 1

Total project cost and amount of SEP money requested. If there are other funding sources, indicate if the funds have been committed and whether there are any restrictions on the fund.

The Calas Park SEP is anticipated to cost approximately $5,980,000. No other sources of funding are anticipated. The budget is shown below:

Project Element	**Amount**
Planning and Design	$565,000
Environmental Documentation and Permit Acquisition	$185,000
Bidding/Award of Contract	$20,000
Construction and Commissioning	$5,210,000
• Collection and Conveyance System	$1,457,000
• Pre-Treatment Unit	$228,000
• Underground Storage Vault	$2,585,000
• Harvest and Use System	$925,000
• Signage and Displays	$15,000
Project Total	$5,980,000

Time schedule for implementation with single or multiple milestones which identifies the amount of liability that will be suspended or excused upon the timely and successful completion of each milestone.

The timeline for completion and budget are shown below.

Task	SEP Milestone	Deadline*	Amount
1	Planning and Design	20 months	$565,000
2	Environmental Documentation and Permit Acquisition	26 months	$185,000
3	Bidding/Award of Contract	32 months	$20,000
4	Construction and Commissioning	48 months	$5,210,000
*Timeline begins on the effective date of the final Stipulated Order.		Total	$5,980,000

Third Party Financial Audits:
At the sole cost to the Sanitation Districts (*i.e.,* no SEP money shall be utilized for this report), the Sanitation Districts will submit a financial audit report prepared by an independent third party, which states, in their professional opinion, that the Sanitation Districts have expended the money in the amounts claimed. The Sanitation Districts shall provide the financial audit report to the Regional Board within three (3) months of the completion of the Calas Park SEP.

Publicity:
If the Sanitation Districts or the City of Carson publicize the Calas Park SEP, it will state in a prominent manner that the SEP is being undertaken as part of a Settlement Agreement with the Regional Water Board.

Discharger Responsibility Statement:
The Sanitation Districts are ultimately responsible for ensuring that the SEP monies are expended for the project described and remain liable for the SEP amount under the Settlement Agreement and Stipulated ACL until the SEP is completed and accepted by the Los Angeles Regional Board. After successful completion of the SEP and notification of acceptance by the Regional Board, any SEP funds that remain will be transferred to the State Water Pollution Cleanup and Abatement Account.

Optional Information:

1. **Whether the project is resilient to climate change and conforms with State Water Board Resolution No. 2017-0012, Comprehensive Response to Climate Change**
The Calas Park SEP is a stormwater capture project, which conforms with State Water Board Resolution No. 2017-0012, Comprehensive Response to Climate Change, to develop new and

underutilized water resources, expand surface water and groundwater storage where appropriate, and add operational flexibility to build and enhance resilience to impacts of climate change.

2. **Whether the applicant has the institutional stability and capacity to complete the project as proposed**

   The City of Carson has primary responsibility for the Calas Park SEP. The City plans, coordinates, implements, and maintains the parks for public benefit within the City's jurisdiction. The City continues to work to expand the facilities and scope of the resources it offers. The City has the institutional stability, capacity, and experience on similar projects to be able to complete the project as proposed. The City's Public Works Department, which will manage the SEP, will collaborate with the City's Parks and Recreation Division, which operates the park. Maintenance is performed by Public Works.

3. **Whether this project has monitoring, success criteria, or other tools to track long-term success**

   Performance indicators will include annual visitation to Calas Park and public outreach and education about the SEP's role in protecting surface water quality and conserving water. Visitors will be encouraged to provide feedback via social media (Facebook, Twitter and Instagram) to gauge community interest and effectiveness of the interpretive materials provided. The City will adapt and make improvements to the outreach materials and performance of the SEP based on this feedback. Additionally, the Public Works Department will perform operations and maintenance of the project going forward as part of its operational responsibilities, which will include monitoring to assess the effectiveness of the stormwater infiltration and passive irrigation systems.

Exhibit B

Escrow Agent Compensation Schedule

Schedule of Fees for Services as

Escrow Agent

For

Los Angeles County Sanitation District Calas Park Stormwater and Water Quality Improvements Supplemental Environme

Project Escrow Agreement

CTS01010 A	**Acceptance Fee -** The acceptance fee includes the administrative review of documents, initial set-up of the account, and other reasonably required services up to and including the closing. This is a one-time, non-refundable fee, payable at closing. Does not include legal fees.	Amount $1,000.00
CTS16156 A	**Legal Expenses** - Includes fees and expenses of legal counsel (except for the fees associated with rendering a standard legal opinion).	Amount $2,500.00
CTS04470	**Escrow Agent Depository -** Annual fee for the standard escrow agent depository services associated with the administration of the account. Administration fees are payable in advance.	Amount $2,250.00
CTS10880	**Disbursement / Draw -** Charge per disbursement. Includes the wire or check fee.	Amount $25.00

Direct Out of Pocket Expenses. Reimbursement of expenses associated with the performance of our duties, including but not limited to publications, legal counsel's fees and expenses after the initial closing, travel expenses, and filing fees will be billed at cost.

Extraordinary Administration Services. Extraordinary Administration Services ("EAS") are duties, responsibilities or activities not expected to be provided by the trustee or agent at the outset of the transaction, not routine or customary, and/or not incurred in the ordinary course of business, and may require analysis or interpretation. Billing for fees and expenses related to EAS is appropriate in instances where particular inquiries, events or developments are unexpected, even if the possibility of such circumstances could have been identified at the inception of the transaction, or as changes in law, procedures, or the cost of doing business demand. At our option, EAS may be charged on an hourly (time expended multiplied by current hourly rate), flat or special fee basis at such rates or in such amounts in effect at the time of such services, which may be modified by us in our sole and reasonable discretion from time to time. In addition, all fees and expenses incurred by the trustee or agent, in connection with the trustee's or agent's EAS and ordinary administration services and including without limitation the fees and expenses of legal counsel, financial advisors and other professionals, charges for wire transfers, checks, internal transfers and securities transactions, travel expenses, communication costs, postage (including express mail and overnight delivery charges), copying charges and the like will be payable, at cost, to the trustee or agent. EAS fees are due and payable in addition to annual or ordinary administration fees. Failure to pay for EAS owed to U.S. Bank when due may result in interest being charged on amounts owed to U.S. Bank for extraordinary administration services fees and expenses at the prevailing market rate.

General. Your obligation to pay under this Fee Schedule shall govern the matters described herein and shall not be superseded or modified by the terms of the governing documents, and survive any termination of the transaction or governing documents and the resignation or removal of the trustee or agent. This Fee Schedule shall be construed and interpreted in accordance with the laws of the state identified in the governing documents without giving effect to the conflict of laws principles thereof. You agree to the sole and exclusive jurisdiction of the state and federal courts of the state identified in the governing documents over any proceeding relating to or arising regarding the matters described herein. Payment of fees constitutes acceptance of the terms and conditions described herein.

Account approval is subject to review and qualification. Fees are subject to change at our discretion and upon written notice. Fees paid in advance will not be prorated. The fees set forth above and any subsequent modifications thereof are part of your agreement. Finalization of the transaction constitutes agreement to the above fee schedule, including agreement to any subsequent changes upon proper written notice. In the event your transaction is not finalized, any related out-of-pocket expenses will be billed to you directly. Absent your written instructions to sweep or otherwise invest, all sums in your account will remain uninvested and no accrued interest or other compensation will be credited to the account. Payment of fees constitutes acceptance of the terms and conditions set forth.

IMPORTANT INFORMATION ABOUT PROCEDURES FOR OPENING A NEW ACCOUNT:
To help the government fight the funding of terrorism and money laundering activities, Federal law requires all financial institutions to obtain, verify and record information that identifies each person who opens an account.
For a non-individual person such as a business entity, a charity, a Trust or other legal entity we will ask for documentation to verify its

formation and existence as a legal entity. We may also ask to see financial statements, licenses, identification and authorization documents from individuals claiming authority to represent the entity or other relevant documentation.

Report to Honorable Mayor and City Council

Tuesday, March 17, 2026, 5:00 PM

CONSENT 22.

To: Honorable Mayor and City Council

From: Dr. Arlington Rodgers, Director of Public Works PW Engineering

Subject: CONSIDER ADOPTING THE FINAL 2025 PAVEMENT MANAGEMENT PROGRAM REPORT PREPARED BY APPLIED RESEARCH ASSOCIATES, INC. (ARA) (CITY COUNCIL)

I. SUMMARY

The City of Carson hired Applied Research Associates, Inc. (ARA), an engineering consulting firm, to update the City's Pavement Management Program (PMP). A Pavement Management Program is a planning tool used by cities to evaluate the condition of streets and determine the most cost-effective way to maintain and repair them over time. As part of this effort, ARA inspected and collected data on the condition of streets throughout the City and updated the City's pavement database using specialized pavement management software called StreetSaver. StreetSaver analyzes pavement conditions and assigns each street a Pavement Condition Index (PCI). The PCI is a standard rating used nationwide to measure roadway condition on a scale from 0 to 100, with higher numbers indicating better pavement conditions. The software also helps estimate the funding needed to perform maintenance and rehabilitation work, such as resurfacing or reconstruction, and allows staff to evaluate different budget scenarios to understand how various funding levels could affect the condition of the City's streets over time.

The City's last Pavement Management Program update was completed in 2022. Updating the program regularly is recommended by the Los Angeles County Metropolitan Transportation Authority (Metro) and helps the City remain competitive when applying for transportation and infrastructure grants. In addition, the updated program provides objective data and analysis that City staff and the City Council can use to make informed decisions about maintaining and improving the City's roadway system. The 2025 update evaluates the current condition of the City's streets, forecasts how pavement conditions may change over time, and analyzes several funding scenarios to determine how different levels of investment could affect the roadway network. Based on the analysis, the City's overall area-weighted Pavement Condition Index (PCI) is 65, which is classified as "Good." However, approximately 27 percent of the City's roadway network is currently rated as poor or very poor condition and will require repair or rehabilitation. Without continued and sustained investment in roadway maintenance, pavement conditions are expected to decline over the next ten years.

The City Council is requested to receive, file, and adopt the Final Updated Pavement Management Program Report, which will serve as a planning and decision-making tool for maintaining and improving the City's street network in the coming years.

II. RECOMMENDATION

RECEIVE, FILE, and ADOPT the final 2025 Pavement Management Program Report prepared by Applied Research Associates, Inc.

III. ALTERNATIVES

TAKE any other action deemed appropriate by the City Council and consistent with applicable law.

IV. BACKGROUND

The City of Carson is responsible for maintaining approximately 249 miles of public streets throughout the community. These streets include 94.2 miles of arterial streets (major roadways that carry high volumes of traffic such as Carson Street), 17.9 miles of collector streets (roads that connect neighborhoods to larger arterial roads), 130.9 miles of residential streets within neighborhoods, and 6.1 miles of alleys. Maintaining this large network of streets requires careful planning so that repairs are performed at the right time and in the most cost-effective manner.

The City's Pavement Management Program (PMP) is a planning and decision-making tool that helps the City evaluate the condition of its streets and determine the best strategies to maintain and repair them. The program uses data and engineering analysis to help staff make consistent, cost-effective, and transparent decisions about how to preserve and improve the City's roadway network. The primary goals of the Pavement Management Program are to maintain an accurate inventory of all City streets, evaluate pavement conditions across the entire roadway system, and determine the most appropriate maintenance and repair strategies. The program also analyzes the level of funding needed to maintain the street network and evaluates whether current funding sources are sufficient to keep streets in good condition over time.

In July 2025, the City's consultant, Applied Research Associates, Inc. (ARA), conducted a citywide pavement condition survey, which involved evaluating streets throughout Carson to determine their current condition. The results were entered into the City's pavement management database using a specialized pavement analysis software program called StreetSaver, which is widely used by cities and transportation agencies throughout California. ARA completed the final Pavement Management Program report in November 2025 and will also provide training and user manuals to City staff who will maintain and use the system moving forward (Exhibit No. 1).

The condition of the City's streets is measured using the Pavement Condition Index (PCI). The PCI is a standard engineering rating used across the country that measures pavement condition on a scale from 0 to 100, with higher numbers indicating better conditions. A newly constructed street would typically have a PCI close to 100, while a severely deteriorated or failed roadway may have a PCI of 10 or lower. The City's previous Pavement Management Program, completed in 2022, reported that the overall street network was in "fair" condition, with an average PCI of 56. At that time, approximately 33.4 percent of streets were classified as good, while 41.5 percent were identified as poor or failed. Historically, the City's pavement network had an average PCI of 72 in 2007 and 67 in 2016, indicating that pavement conditions had gradually declined over time before recent maintenance and rehabilitation efforts were implemented.

Based on the 2025 pavement condition survey, the City's residential streets are now in "Very Good" condition, with an average PCI of 75. Collector streets have an average PCI of 66, which is classified as "Good." The City's arterial streets, which carry heavier traffic and experience greater wear and tear, have average PCI values ranging from 54 to 56, which also fall within the "Good" condition category. Overall, the City's street network has an area-weighted PCI of 65, meaning Carson's roadway system is currently classified as being in "Good" condition. Although the overall network condition is considered good, approximately 27 percent of the City's streets are still classified as poor or very poor condition. These streets will require targeted maintenance and rehabilitation in the coming years to prevent further deterioration and more costly reconstruction in the future. As expected, residential streets are generally in better condition than major roadways because arterial and higher-traffic streets carry significantly more vehicles, including heavy trucks and buses, which place greater stress on the pavement. In addition, the improved condition of residential streets reflects the City Council's ongoing commitment to improving roadways throughout the community and the significant investments made in recent years to fund pavement rehabilitation. These investments, combined with the Public Works Department's pavement rehabilitation program, including systematic grinding and asphalt overlay projects completed in several areas of the City, have helped stabilize and improve overall pavement conditions across Carson's street network.

When compared with nearby jurisdictions, the City of Carson's pavement condition is competitive with surrounding cities. Carson's current average PCI of 65 is higher than the City of Los Angeles (62) and the City of Compton (59), and comparable to the City of Long Beach (61). These comparisons indicate that Carson's street conditions are generally consistent with, or better than, many neighboring communities. However, continued investment will be necessary to maintain this progress and address streets that remain in poor condition.

The Pavement Management Program also analyzes future funding needs. The 2025 report evaluated several ten-year funding scenarios to determine how different investment levels would affect the condition of the City's streets over time. Under a scenario where the City continues to invest approximately $3.5 million per year, the pavement network is projected to gradually decline, with the overall PCI dropping to approximately 51 within ten years. To maintain the current overall PCI of 65, the Pavement Management Program estimates that the City would need to invest approximately $11.3 million per year over the next ten years. This level of funding would help prevent further deterioration and maintain street conditions within the "Good" range. To further improve the street network and achieve what engineers call a "State of Good Repair", defined as an average PCI of 75, the analysis estimates that an investment of approximately $17.9 million per year over ten years would be required. A street network in a "State of Good Repair" means most streets are in good or very good condition and are maintained before major damage occurs. This approach extends the life of roadways, improves safety and driving conditions for residents, and reduces long-term repair costs because preventative maintenance is far less expensive than full street reconstruction. Maintaining streets in good condition also helps protect the City's infrastructure investment and improves overall quality of life in the community. It is important to note that these estimates include pavement rehabilitation costs only and do not include the cost of related concrete improvements such as sidewalk repairs, curb and gutter reconstruction, or accessibility ramps.

As the Public Works Department prepares the Fiscal Year 2026-2027 Operating Budget and Capital Improvement Program (CIP), Engineering and Operations staff will use the findings from the Pavement Management Program to guide future investment recommendations for the City's street network. This analysis helps ensure that the City continues to make smart, data-driven decisions that maximize the value of taxpayer investments in roadway infrastructure. The Pavement Management Program also helps the City prioritize maintenance projects, pursue grant funding opportunities, supplement existing gas tax revenues, and implement cost-effective preventative maintenance strategies that extend the life of streets throughout the community.

V. FISCAL IMPACT

The purpose of this item is to provide information to the City Council regarding the updated Pavement Management Program. This report is being presented for informational purposes only so that the City Council and members of the public can understand the current condition of the City's streets and the long-term funding needs associated with maintaining and improving the roadway network. There is no direct fiscal impact associated with this staff report, as it does not authorize any new spending or funding at this time.

OVERVIEW

The City of Carson is located in Southern California, within Los Angeles County. It is bordered by several communities, including Torrance, Compton, Long Beach, and an unincorporated area of Los Angeles County. Carson is approximately 13 miles south of downtown Los Angeles and about 14 miles north of the Port of Los Angeles and Long Beach, offering both proximity to major employment centers and a strong local community character. The city is well-connected to the region through several major highways, including the I-405, I-110, and SR-91, providing convenient access to Los Angeles, the South Bay, and neighboring communities.

The City of Carson's Public Works Department is committed to maintaining and improving the city's infrastructure while delivering high-quality, cost-effective services that support residents, businesses, and visitors. The department's mission includes managing and enhancing the City's transportation network, public facilities, and essential infrastructure such as roadways, sidewalks, traffic systems, and drainage facilities to ensure safety and quality of life.

This report provides an overview of essential details regarding street network and addresses the following questions:

- What is the current condition of the City's Street network?
- How do various pavement treatments impact the condition and longevity of city streets?

The chart below shows the latest Network PCI scores for neighboring cities City of Carson (65), City of LA (62), City of Compton (59), and City of Long Beach (61), indicating overall **Good** pavement conditions.

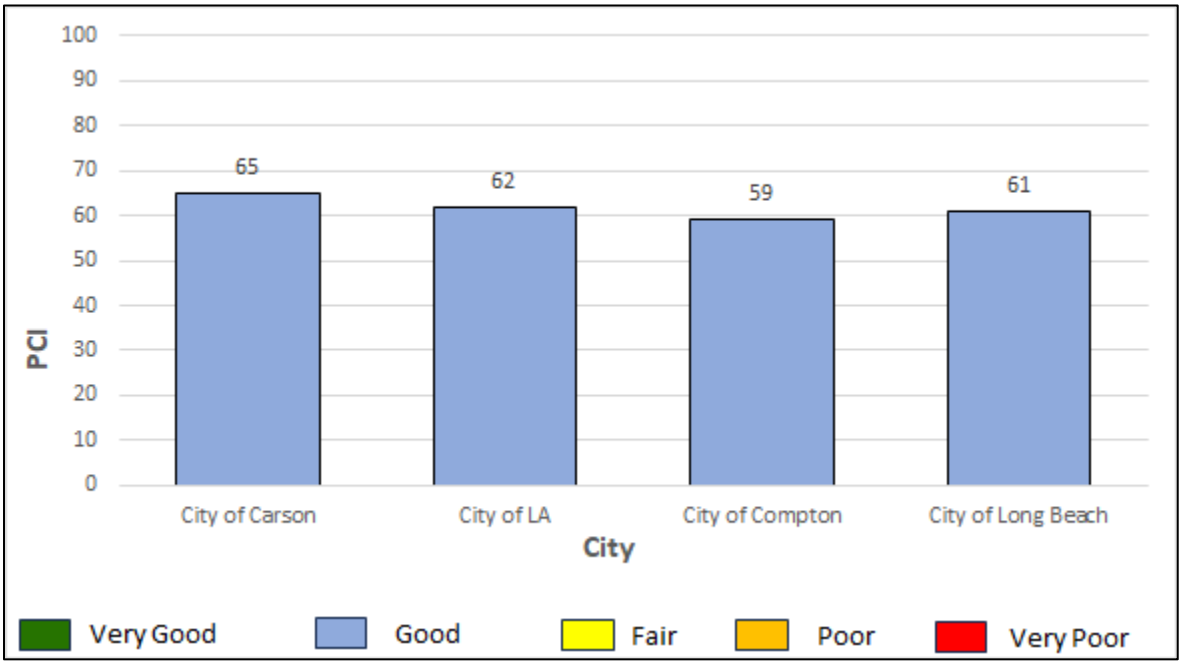

Figure 1. Network PCI Comparison of Nearby Cities.

EXECUTIVE SUMMARY

The City of Carson Public Works Department strives to provide a safe, efficient, and sustainable transportation system for its users. The City has implemented a Pavement Management System (PMS) to assist in determining pavement needs and priorities. The PMS supplements decision-making by helping the City implement cost-effective solutions to pavement problems and improve the overall condition of roads. The PMS also allows the city to maximize the use of limited funding for pavement improvements by taking a comprehensive approach using best management practices instead of a "worst-first" pavement strategy. The PMS considers pavement life cycle costs in determining what work should be completed. This involves applying the right treatment to the right pavement at the right time to maximize the pavement's service life at the lowest overall cost.

The objectives of this project were to: (1) perform a network-level condition survey of the City's pavements using the Metropolitan Transportation Commission (MTC) guidelines, (2) update city's StreetSaver® database, and (3) Prepare a pavement condition report. The data collection scope of the project included the City's approximately 249.07 centerline miles of road network. This includes 94.2 centerline miles of major and minor arterial streets, 17.9 centerline miles of collector streets, 130.9 centerline miles of residential/local streets, and 6.10 centerline miles of alleys.

The Pavement Condition Index (PCI) method was used in assessing the condition of the City's pavements. The PCI method is an objective and repeatable method for assessing pavement conditions and is widely used in industry. Pavement conditions were categorized based on PCI values using the five PCI ranges shown in Figure 2.

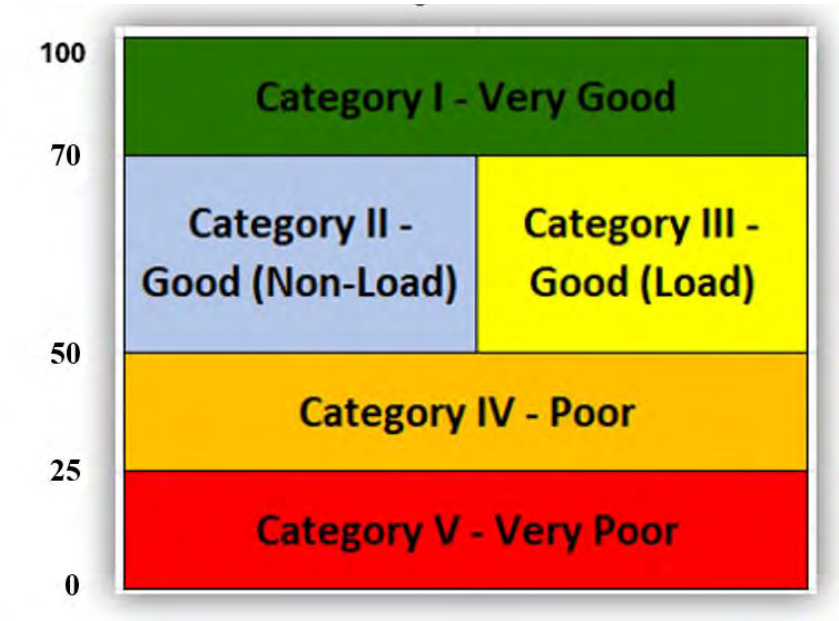

Figure 2. City's PCI Categories.

The City's StreetSaver® database includes a total of 1,792 pavement sections, each representing the smallest manageable unit for planning maintenance or rehabilitation treatments. According to the recent pavement condition assessment, approximately 54% of the evaluated area was found to be in Category I - Very Good condition, indicating a generally strong pavement performance across most of the network.

Less than 1% of the network fell within Category II - Good (Non-Load), while 14% was categorized as Category III – Good (Load), suggesting minor surface or load-related distress. 21.2% of the area was found to be in Category IV - Poor, and about 10.8% was classified as Category V - Very Poor, representing sections in need of immediate attention.

Collectively, about 32% of the network lies within the “Poor” or “Very Poor” categories, highlighting a limited but important portion of pavement that requires timely maintenance and rehabilitation (M&R) actions to prevent further deterioration. The overall distribution of pavement conditions across the network is shown in Figure 3.

Compared to prior inspection cycles, the City's overall network PCI has improved from 58 in 2022 to 65 in 2025, recovering 7 points after a 10-point decline from 68 in 2016 to 58 in 2022. This recovery demonstrates that recent funding levels and treatment strategies have been effective in reversing the deterioration trend observed during the prior period of underinvestment. Residential streets and collectors have nearly or fully returned to their 2016 condition levels, while arterials have shown only partial recovery due to higher traffic demands. Although the current PCI remains 3 points below the 2016 baseline, the positive trend confirms that sustained and strategically targeted investment can restore and maintain network performance over time. A detailed historical PCI comparison is presented in Section 3.2.

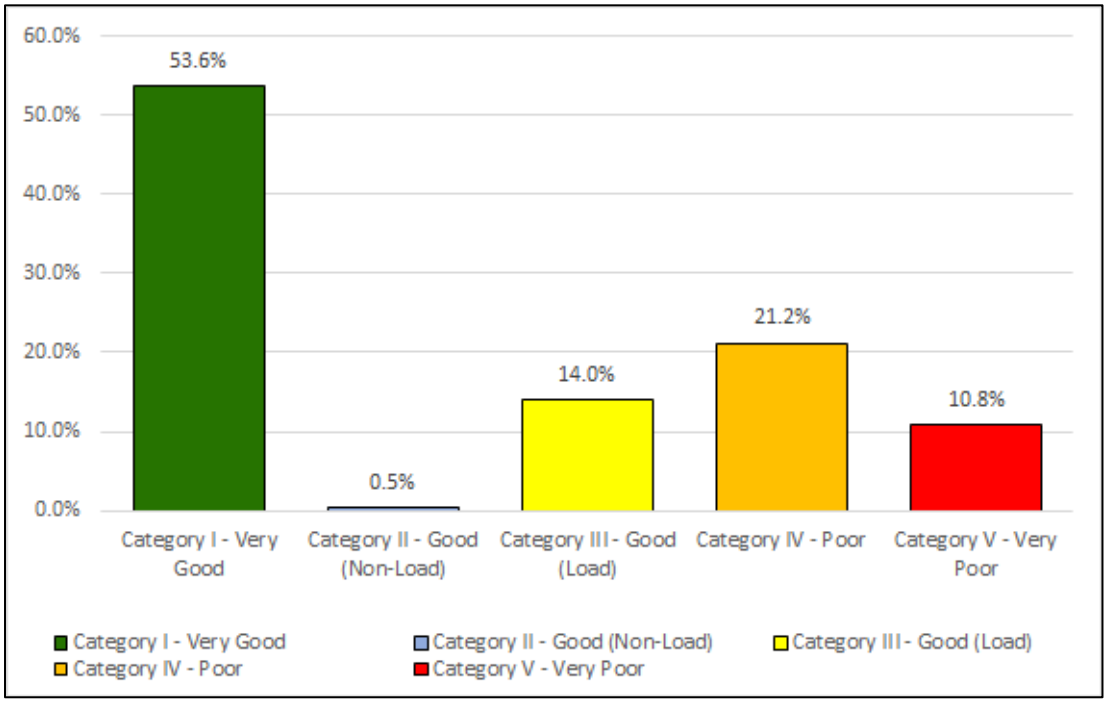

Figure 3. Overall Pavement Network Condition Distribution.

INTRODUCTION

In July 2025, Applied Research Associates performed a semi-automated pavement condition survey on the City's entire roadway network and updated the City's StreetSaver® database.

The City's pavement inventory includes approximately 249.07 centerline miles of roads. This includes 86.9 centerline miles of Arterial streets, 7.3 miles of Minor Arterial, 17.9 centerline miles of collector streets, 130.9 centerline miles of local (residential) streets, and 6.10 centerline miles of Others (alleys) streets.

The primary objectives of this data collection were as follows:

- Collected laser-based pavement images of the City's roadway network. Figure 4 is a general map of the roads inspected.
- Perform an imagery-based PCI survey on the collected data using ASTM D6433 guidelines.
- Update the City's StreetSaver® PMS using the provided GIS shapefile, the inspection data, the available work history, and updated attributes (e.g., Surface type).

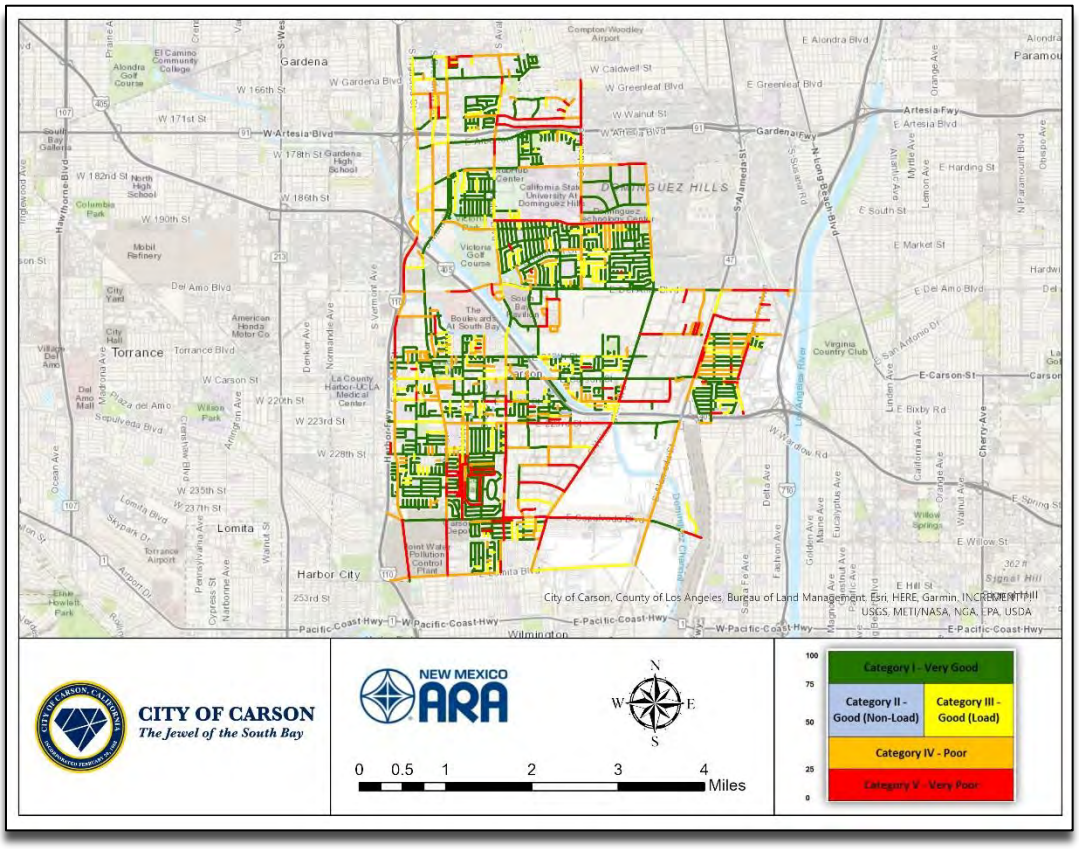

Figure 4. City of Carson Roads Included in 2025 Scope of Work.

1. PAVEMENT MANAGEMENT OVERVIEW

1.1 Pavement Condition Index (PCI)

The Pavement Condition Index (PCI) survey method was used in assessing the condition of the City's roads. The PCI method is an objective and repeatable method for assessing pavement conditions and is widely used by cities. PCI scores range from 0 to 100, with 0 representing the worst pavement condition and 100 representing the best possible condition. If properly designed and constructed, new pavements begin their service life with a PCI of 100. Due to the effects of loading and aging, the pavement deteriorates over time and its PCI declines. To obtain a section's PCI, the type, extent, and severity of pavement distresses are recorded on representative samples and are used to calculate a deduct value. The PCI is calculated by subtracting the sum of all deductions from 100. Pavement conditions were categorized based on the PCI values shown in Figure 5.

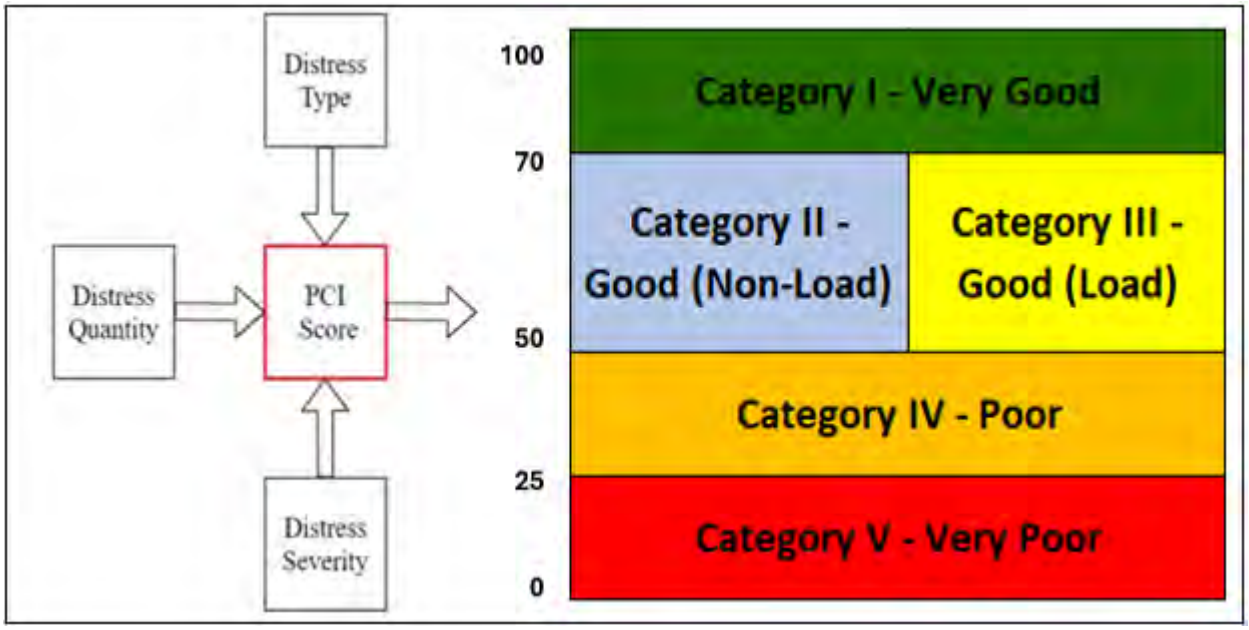

Figure 5. Pavement Condition Index Process and Categories.

As of the 2025 survey, the overall area-weighted average PCI of the City's roadway network was **65**. About 27 percent of the total maintained miles throughout the city were found to be in need of rehabilitation or replacement (poor or very poor category). The bar chart presents the average area-weighted PCI scores categorized by roadway functional classes. The Residential/Local (R – Tertiary) class has the highest average PCI at 75, indicating a very good condition. Major Collector (C – Secondary) follows with a PCI of 66, also falling within the good range. In contrast, both Minor Arterial (MiA – Primary) and Other Principal Arterial (OPA – Primary) roads have average PCI scores of 56 and 54, respectively, classifying them as being in good condition. The chart highlights that residential streets generally exhibit better pavement conditions compared to higher-volume arterials, which may reflect differences in traffic loading, maintenance prioritization, or funding allocation.

The PCI scores reflect the condition of the city's pavement network across various functional roadway classes.

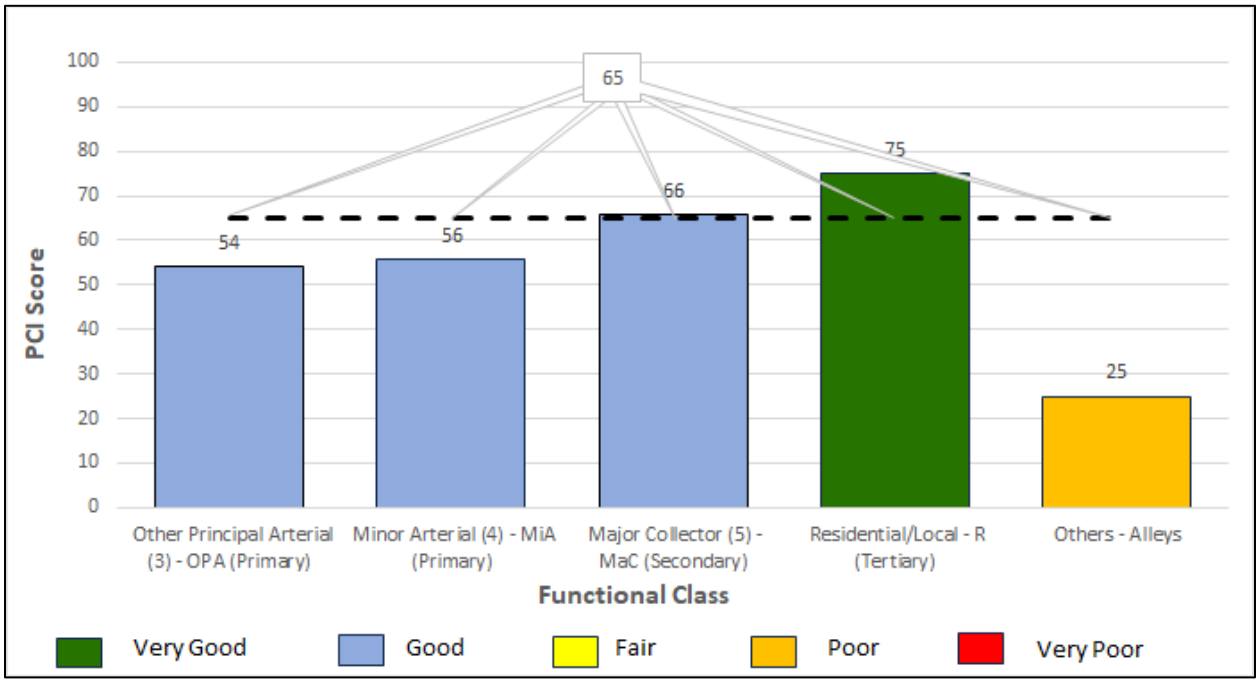

Figure 6. Functional Class PCI Values.

1.2 Pavement Management Approach

Pavement management is a systematic approach to forecasting pavement M&R requirements and then optimizing and prioritizing available M&R funding. As shown in Figure 7, the primary objective of pavement management is to preserve pavements in good condition rather than wait for them to fail and then have to reconstruct them.

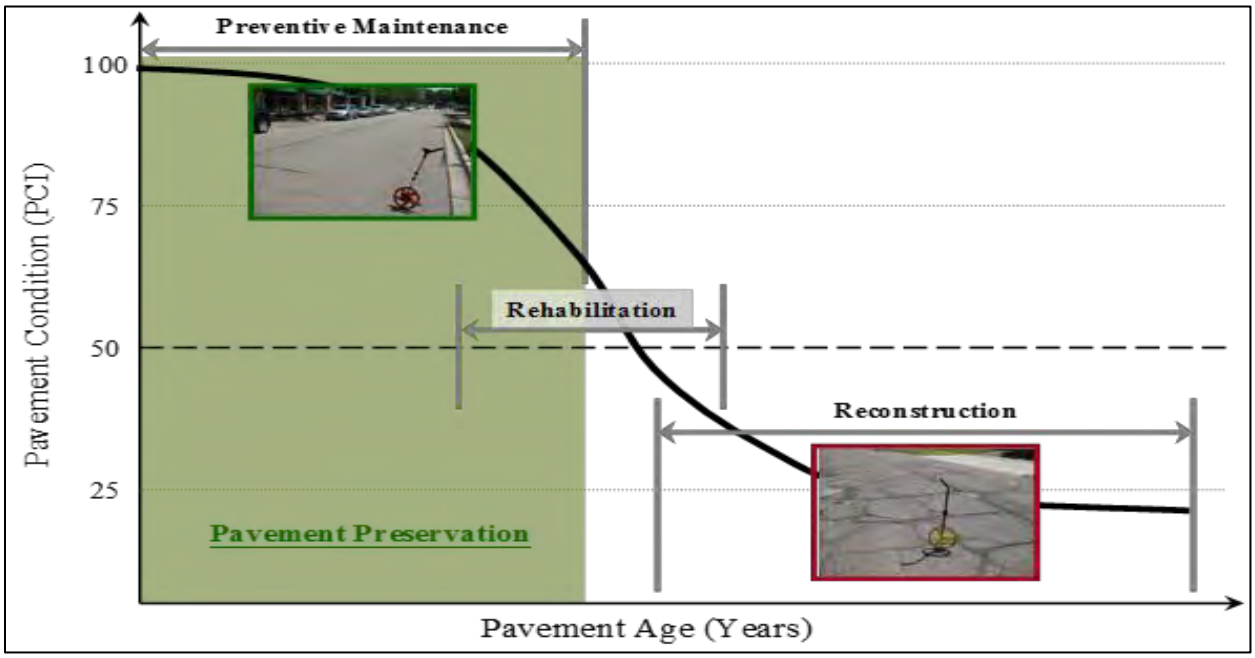

Figure 7. Stages of Pavement Lifecycle: From Preservation to Rehabilitation.

There is a critical point in pavement's service life (denoted as the critical PCI) after which the slope of deterioration curve and M&R costs may increase significantly. When the appropriate preventive M&R treatments (e.g., crack sealing, seal coats, etc.) are applied at the correct times during a pavement's service life, these relatively inexpensive preventive M&R treatments can cost-effectively extend the service life of the pavement, as shown in Figure 8.

There are significant financial implications to a decrease in PCI. Obviously, pavements deteriorate over time. The deterioration is slow at first, but then generally accelerates when the PCI drops below 70. As the pavement deteriorates, the cost of repair also increases rapidly. If there is inadequate funding to maintain streets in their current condition, the unfunded backlog will grow rapidly.

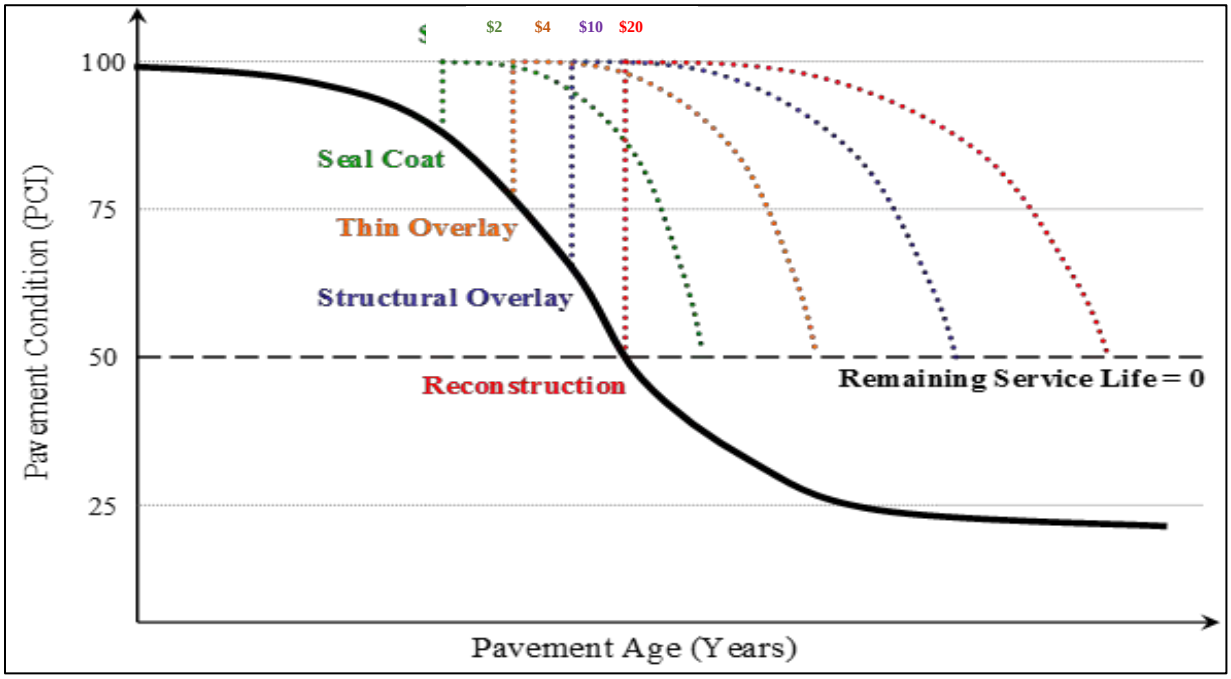

Figure 8. Pavement Life Cycle and Repair Costs.

As pavement management concepts have gained acceptance, computer-based PMS programs have been developed to assist agencies in managing their pavements. PMS programs currently rely on a comprehensive pavement inventory, regular pavement condition assessments, pavement performance modeling, and sophisticated analysis tools that forecast future pavement condition and estimate future M&R needs.

1.3 StreetSaver® Pavement Management System (PMS) Overview

StreetSaver® is a pavement management software that provides tools and capabilities for effective management of road infrastructure.

The StreetSaver® PMS helps agencies determine when, where, and what level of pavement M&R is required and approximately how much it will cost. The system provides a suite of pavement management software tools that assist agencies in:

- Developing and organizing their pavement inventory.
- Assessing the current condition of their pavements.
- Developing models to predict future pavement conditions.
- Reporting on past and future pavement performance.
- Developing network level M&R scenarios based on either budget or condition requirements and planning M&R projects.

Here's a brief description of the various modules available in StreetSaver® and the key features:

Executive Dashboard: StreetSaver® provides a dashboard consisting of summery of data and gives an overview of pavement conditions. It usually includes details such as centerline miles, sections, section PCI, and historical Network condition.

Pavement Inventory: StreetSaver® helps create and maintain a comprehensive inventory of roads. This includes details about each road segment, such as its location, type, and characteristics.

- A Network consists of all surface areas that provide accessways for ground traffic and is managed by a given entity (e.g., City).
- A Branch is any identifiable part of the network which has a distinct use, such as an individual street.
- A Section is a division of a Branch which has consistent structural composition, construction history, and traffic volume and is the smallest "managed" pavement area when applying Major M&R (e.g., street block)

Condition Assessment: The software allows for regular and systematic assessment of pavement conditions. This involves evaluating factors like cracks, potholes, and overall wear and tears to determine the current state of the road.

Performance Modeling: StreetSaver® employs pavement performance modeling to analyze how roads are likely to deteriorate over time. This helps in predicting future conditions based on current data.

Analysis Tools: The software is equipped with sophisticated analysis tools that aid in understanding the data gathered from pavement assessments. These tools assist in making informed decisions about maintenance and repair strategies.

Forecasting: StreetSaver® can forecast future pavement conditions, enabling agencies to plan ahead for necessary maintenance and repairs. This proactive approach helps optimize budget allocation and resources.

Historical pavement condition data is used to build pavement deterioration models that are used to predict future pavement conditions. If historical pavement data is not available, StreetSaver® provides default pavement deterioration curves, but the user is still allowed to develop custom deterioration curves based on local experience. The default deterioration curves were used for PCI prediction and M&R analysis in this project.

Budget Optimization: With information from the pavement assessment and performance modeling, StreetSaver® assists in optimizing budget allocation for pavement management. This ensures that resources are directed where they are needed most.

StreetSaver can analyze using a "Fixed budget" scenario or a "Target PCI Driven" scenario.

1. **Fixed Budget Scenario:**
    - In a fixed budget scenario, the organization allocates a predetermined amount of funds for road maintenance or pavement management.
    - The allocated budget remains constant, and the challenge is to efficiently allocate these fixed resources to address the most critical road maintenance needs.
    - StreetSaver® helps prioritize and optimize the use of the fixed budget by identifying areas that require immediate attention based on the condition of the roads and the available resources.
2. **Target Driven:**
    - In a target-driven approach, the organization sets specific goals or targets related to road conditions, pavement quality, or other relevant metrics.
    - StreetSaver® assesses the current state of the roads and creates a maintenance and repair plan and budget for achieving the set targets.
    - Targets could include achieving a certain pavement condition index, reducing the number of potholes, or improving the overall condition of the road network. Usually, the "target" is an increase PCI value.

Decision Tree: StreetSaver® provides a decision support system, helping agencies and organizations make logical, objective, and informed choices regarding pavement maintenance and rehabilitation activities. The decision tree provides an objective and defendable decision-making system for the city to show the public that the city is efficiently managing its streets.

Reporting: StreetSaver® provides reporting functions to allow agencies to generate detailed reports on pavement conditions, maintenance plans, and budgets.

- Summary Charts – Simple graphs and data tables of inventory and inspection data.
- Inspection Reports – Summary of collected pavement condition data.
- Work History – Summary of historical maintenance, repair, and rehabilitation data.
- Branch Listing – Summary of overall pavement inventory data.
- Branch Condition – Summary of overall pavement condition data.
- Section Condition – Summary of individual section data.
- GIS Toolbox – Internal/external reporting and mapping of inventory and condition data.

StreetSaver® is capable of generating "user-defined" reports, which can be tailored to meet the agency's specific reporting needs. StreetSaver® user-defined reports enable the user to extract any data stored in the system and export it to either a spreadsheet or a text file.

2. DATA COLLECTION AND ANALYSIS METHODOLOGY

As described before, the primary objective of this project was to perform a semi-automated pavement condition survey on City's roadway network and perform imagery-based PCI survey on the collected data using the ASTM D6433.

2.1 Pavement Condition Survey System

ARA deployed a State-of- the-Art Pavement Condition Survey System to collect high-quality pavement imagery, Right of Way (ROW) images, pavement profile measurements, and sub-meter accurate GPS data. The Survey System is equipped with the latest sensors and hardware required for accurate, high-quality pavement data collection, including 3D pavement imaging sensor, 360° Ladybug camera, three (3) Right of Way (ROW) cameras for panoramic images, Class-1 roadway surface profiler (including macrotexture) and integrated with sub-meter accuracy GPS/IMU system for roadway geometry.

The PathRunner system allows automated detection of pavement distresses including various types of cracks, raveling, edge drop-offs, potholes, macrotexture, and rutting. The system also automatically determines the presence of paint stripes which help in identifying the pavement lane. A picture of the Survey System equipped with the PathRunner system is shown in Figure 9. A closer look at the cameras and ROW images are shown in Figure 10 through Figure 13.

Data collection was performed during daytime and only during dry weather conditions. Data collection was performed while observing all traffic rules and at posted speed limits. One- and two-lane roads were surveyed in one direction while roads with three or more lanes were surveyed in two directions.

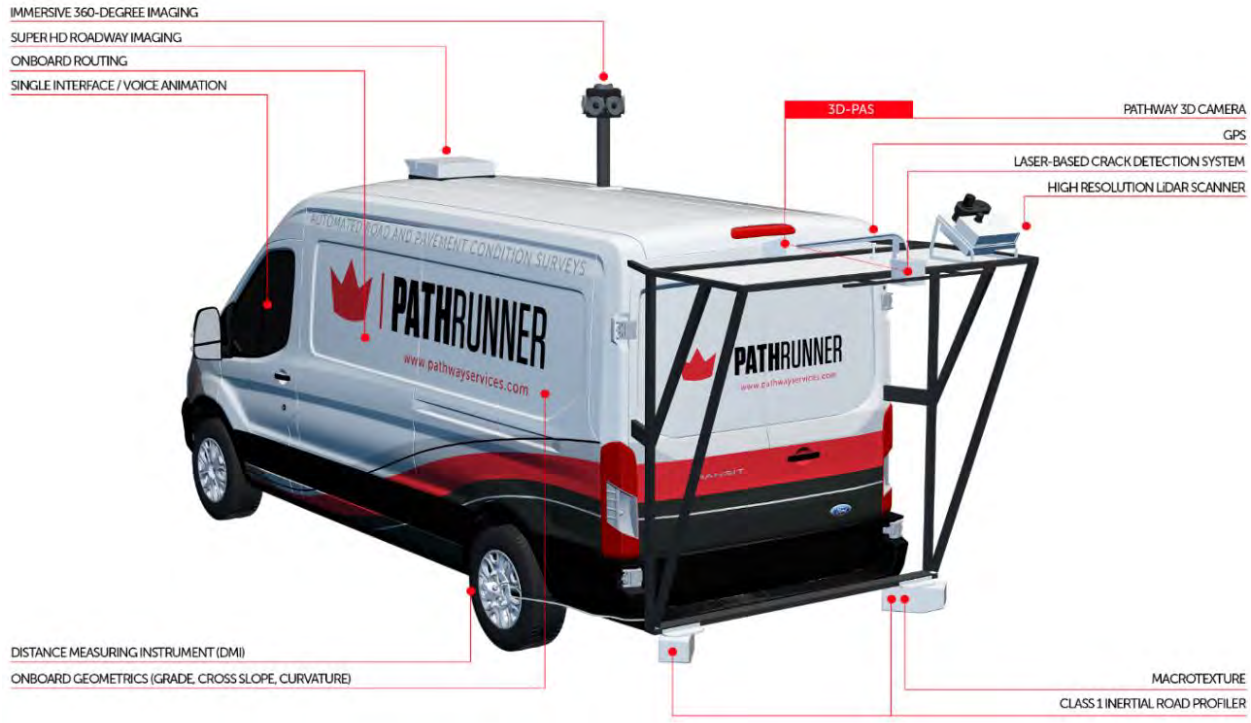

Figure 9. PathRunner Hardware Components.

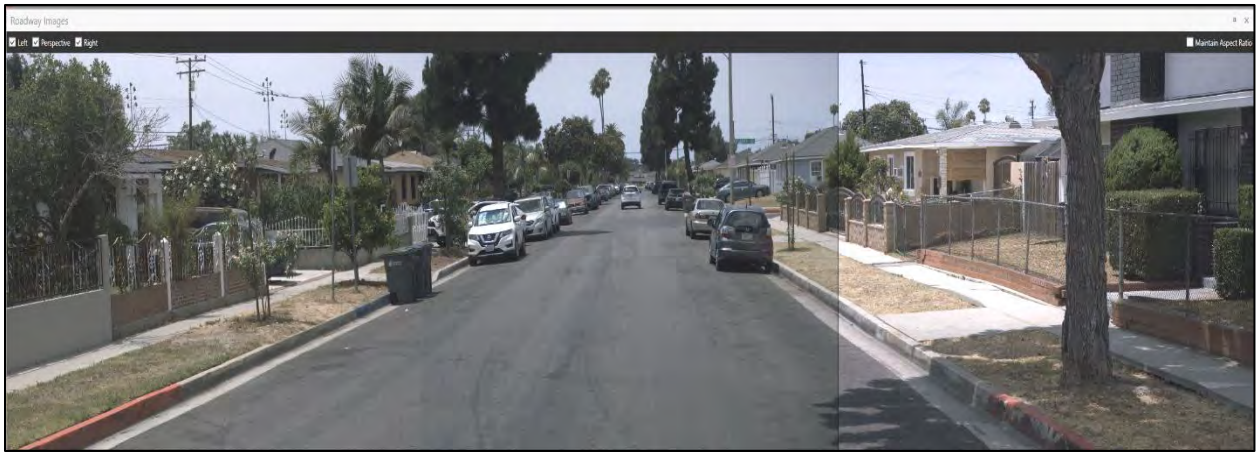

Figure 12. Sample ROW Image of StreetID 189ST20 - 189ST051.

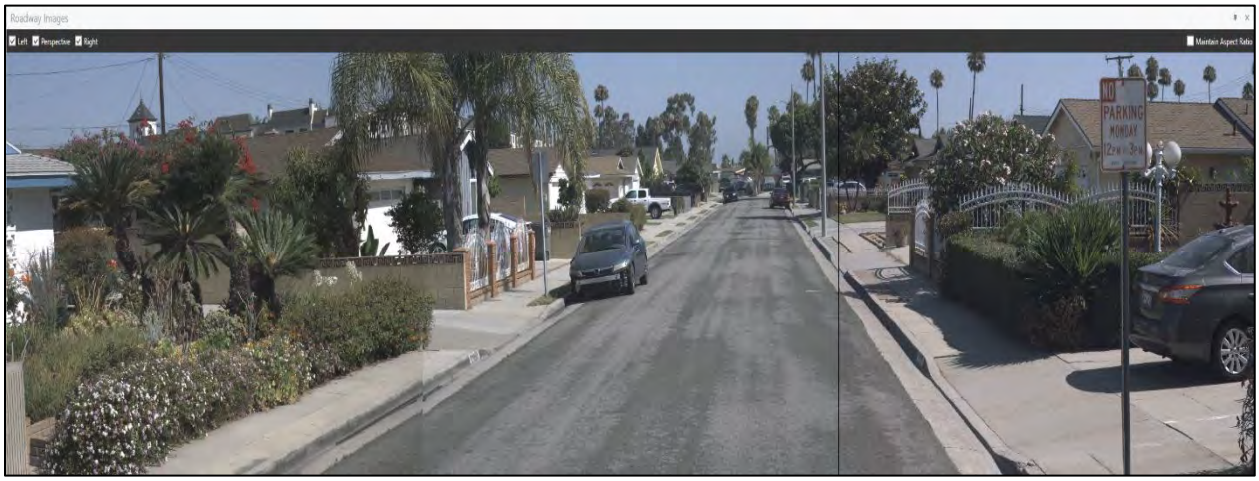

Figure 13. Sample ROW Image of StreetID NEWAV10 - NEWAV020.

2.2 Pavement Distress Data Interpretation

Data acquired with the 3D-PAS system allows the automated detection/identification of various types of distresses including all types of cracking, rutting, raveling, cracking, sealed cracks, lane markings, and macrotexture. ARA used a 2-step distress rating procedure for this project. In the first step, we utilized Pathway's AUTOCRACK software for identifying and locating the extents of distresses.

In the second step, our team of Metropolitan Transportation Commission (MTC) and Orange County Transportation Authority (OCTA) certified pavement inspectors checked the resulting distresses for false positives or negatives and made changes accordingly. The ASTM D6433 standard includes 20 distress types for asphalt and 19 distress types for concrete surface types of The distress data included distress types, severities, extents, and locations and was exported to calculate PCI. Figure 14 below shows the surface image of DEL Boulevard 30.

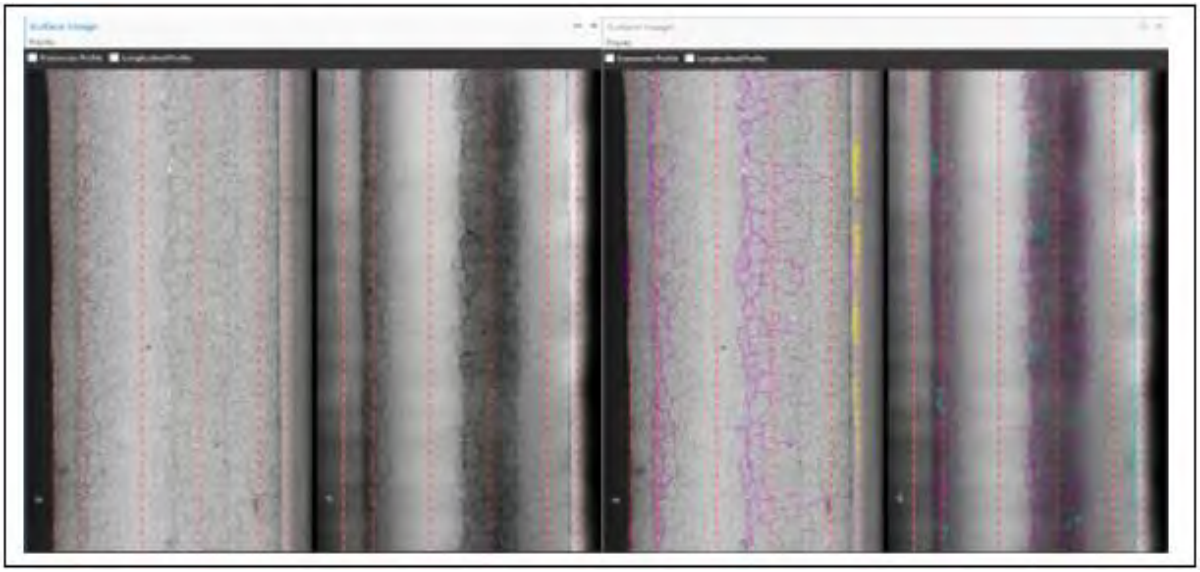

Figure 14. 3D Pavement Images (left) and Software Identified Cracks (in purple).

ASTM distresses can be grouped into three categories of cause: Climate Related, Load Related, and Other. The distress types for asphalt and concrete and their primary cause (load, climate, and other) are shown in Table 1 and Table 2.

Table 1. Asphalt Pavement Distress Types.

Distress Code	Distress Description	Cause
01	Alligator Cracking	Load
02	Bleeding	Other
03	Block Cracking	Climate/Durability
04	Bumps and Sags	Other
05	Corrugation	Other
06	Depression	Other
07	Edge Cracking	Load
08	Joint Reflection Cracking	Climate/Durability

38	Spalling, Corner	Climate/Durability
39	Spalling, Joint	Climate/Durability

3. STREETSAVER® IMPLEMENTATION

ARA reviewed the City's GIS datasets showing all pavement sections inspected in 2025 and updated the required fields (e.g., PCI, IRI, Surface type, etc.) to define the City's StreetSaver® database.

At present, the City's network includes 1,792 pavement Sections totaling approximately 249.1 centerline miles of roads. Based on the scope of work, ARA performed semi-automated pavement condition surveys and distress analysis on all the City's paved roads.

Table 3. City's Pavement Inventory per Pavement Class

Pavement Classification	Centerline Miles	Number of Sections	Area (Sq. ft)	% Area
Other Principal Arterial (3) - OPA (Primary)	86.9	437	16,765,227	36.9%
Minor Arterial (4) - MiA (Primary)	7.3	34	1,809,380	4.0%
Major Collector (5) - C (Secondary)	17.9	122	3,742,292	8.2%
Others - Alleys	6.1	54	387,624	0.9%
Residential/Local - R (Tertiary)	130.9	1145	22,704,453	50.0%
Total	**249.1**	**1,792**	**45,408,976**	**100%**

Table 4. City's Pavement Inventory per Surface Type

Surface	Centerline Miles	Number of Sections	Length (ft)	Area (Sq. ft)	% Area
Asphalt	227	1,647	1,198,538	41,105,535	90.5%
AC/AC	20.5	133	108,407	4,034,721	8.9%
PCC	1.3	11	6,670	209,520	0.46%
AC/PCC	0.3	1	1,480	59,200	0.1%
Total	**249.1**	**1,792**	**1,315,095**	**45,408,976**	**100%**

3.1 Sections added to StreetSaver®

ARA also incorporated all missing roadway sections into StreetSaver® to ensure the network inventory is complete and up to date. In addition, the StreetSaver® shapefile was updated to reflect these newly added sections, maintaining consistency between the GIS data and the pavement management database. The list of sections added, along with their corresponding StreetID and SectionID, are provided in Appendix D for reference.

3.2 Historical PCI Comparison

The City's prior pavement condition surveys were conducted in 2016 and 2022, with the most recent inspection completed in 2025. Comparing results across these inspection years provides insight into long-term network performance, the effectiveness of past funding strategies, and how pavement conditions have responded to recent reinvestment efforts:

- Network-wide PCI comparison
- PCI change by functional class and surface type
- Implications for funding adequacy

3.2.1 Inspection Coverage and Comparable Network Definition

The pavement condition surveys conducted in 2016, 2022, and 2025 did not include the same number of pavement sections. As shown in Table 5, 1,650 sections were inspected in 2016, 1,639 sections in 2022, and 1,792 sections in 2025, with the increase in 2025 reflecting the addition of previously uninspected facilities, including alleys, to the City's StreetSaver® database.

To ensure meaningful comparisons across inspection years, multiple network definitions are presented in the PCI trend analysis. For 2025, three separate area-weighted PCI values are shown:

- The first (orange) value represents the PCI for only those sections that were part of the 2016 inspection, allowing a direct, apple-to-apple comparison of long-term condition changes for the same roadway inventory.
- The second (green) value represents the PCI for only those sections that were part of the 2022 inspection, providing a consistent comparison over the most recent inspection cycle.
- The third (blue) value represents the entire network inspected in 2025, including newly added sections such as alleys, and reflects the current overall condition of the City's complete pavement inventory.

Table 5. Number of Inspected Sample by Year.

Year	Sections Inspected
2016	1650
2022	1639
2025	1792

This approach isolates true condition changes from the effects of network expansion and ensures that observed PCI trends reflect actual pavement performance rather than differences in inspection coverage.

3.2.2 Network-Wide PCI Comparison

The area-weighted network PCI declined from 68 in 2016 to 58 in 2022, representing a 10-point reduction over six years. This decline reflects a prolonged period of underinvestment during which pavement deterioration outpaced preservation and rehabilitation activities.

By 2025, the network PCI increased to 65, recovering 7 PCI points from the 2022 low. This improvement indicates that recent funding levels and treatment strategies have been effective in stabilizing and partially restoring overall pavement conditions. Despite this recovery, the 2025 PCI remains 3 points below the 2016 level, indicating that while recent investments have reversed short-term decline, they have not fully offset the cumulative effects of deferred maintenance earlier in the analysis period. Continued and sustained funding will be required to maintain the network within the "Good" range and prevent renewed deterioration.

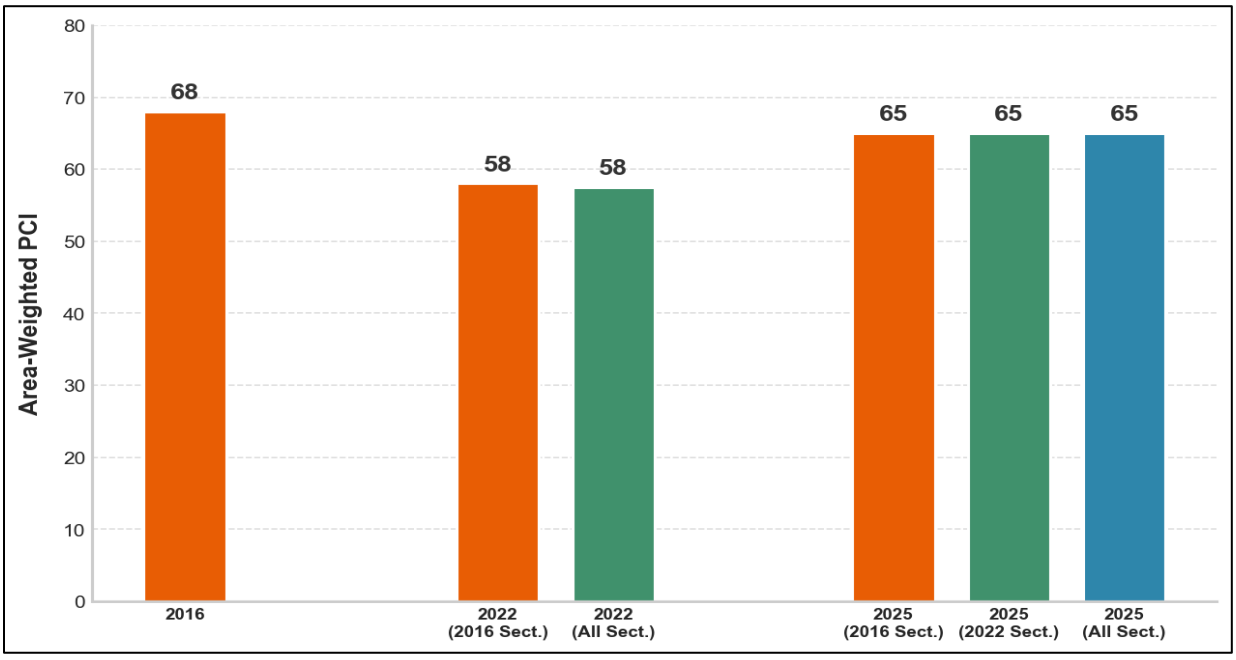

Figure 15. Network-Wide PCI Comparison.

While the recent recovery is encouraging, the 10-point decline between 2016 and 2022 underscores the consequences of deferred maintenance. During that period, pavements that were in fair condition continued to deteriorate without timely preservation treatments, pushing many sections into condition ranges that now require more costly rehabilitation or reconstruction. Sustained investment at or above

current levels will be essential to fully restore the network to its 2016 baseline and prevent a return to the downward trend observed in the prior cycle.

3.2.3 PCI Comparison by Functional Class

Pavement condition trends varied by functional classification, reflecting differences in traffic loading, treatment prioritization, and funding focus.

- Residential streets declined from 75 in 2016 to 63 in 2022, before rebounding to 74 in 2025, nearly restoring conditions to 2016 levels. Collectors decreased from 62 to 55 between 2016 and 2022, then improved to 65 in 2025, surpassing their 2016 condition. Minor arterials showed steady improvement, increasing from 48 in 2016 to 51 in 2022 and 55 in 2025. Arterials declined from 61 in 2016 to 51 in 2022, followed by a partial recovery to 54 in 2025.

- Other roadway segments, which consist of alleys added to the City's StreetSaver® database and included in the 2025 inspection, recorded a PCI of 24. These facilities were not evaluated in earlier inspection cycles and therefore are shown only for 2025. The low PCI reflects the typically minimal structural design, limited maintenance history, and advanced deterioration common to alley pavements. Due to their poor condition, many alley segments are likely candidates for rehabilitation or reconstruction rather than preservation treatments.

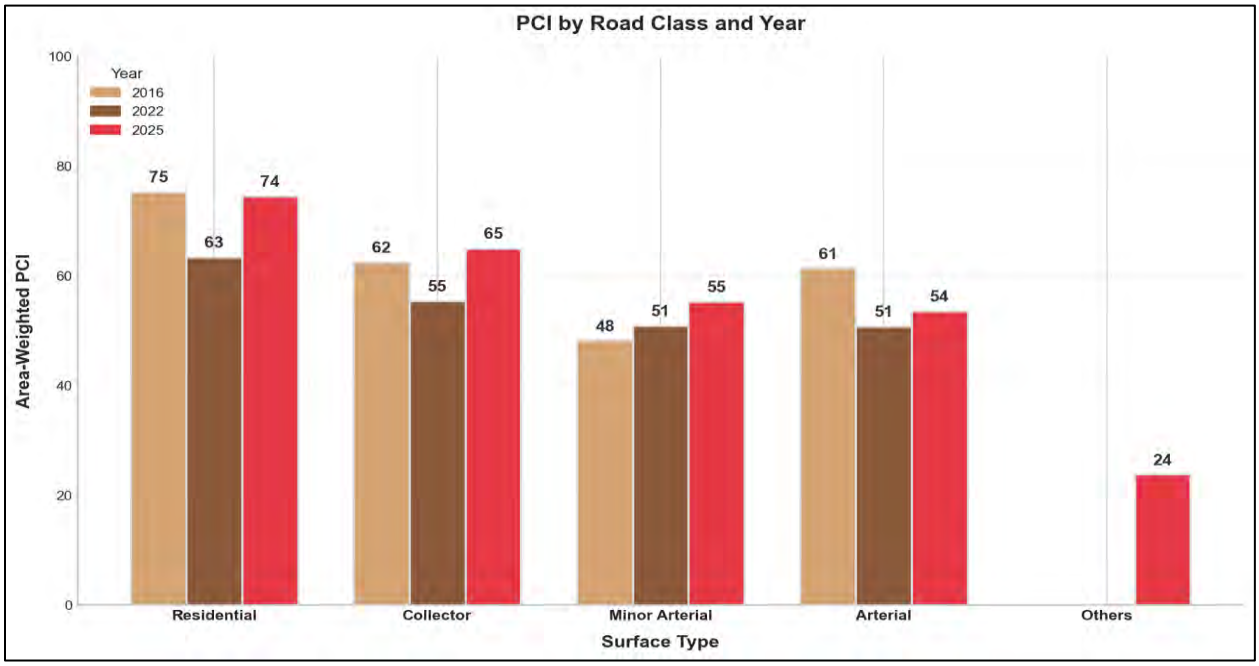

Figure 16. PCI Comparison by Functional Class.

These trends indicate that recent investments have been broadly effective across most functional classes, with the strongest recoveries observed on residential streets and collectors. However, arterials remain below their 2016 condition, suggesting that higher traffic volumes and structural demands continue to challenge long-term performance.

3.2.4 PCI Comparison by Surface Type

Surface type analysis further highlights differences in deterioration and recovery patterns across the network.

- AC pavements declined from 69 in 2016 to 58 in 2022, then improved to 62 in 2025, reflecting moderate recovery.
- AC/AC composite pavements remained essentially unchanged from 53 in 2016 to 54 in 2022, then increased substantially to 89 in 2025, indicating significant rehabilitation or resurfacing activity during the recent funding period.
- PCC pavements remained in relatively good condition throughout the analysis period, increasing from 71 in 2016 to 75 in 2022, before declining slightly to 68 in 2025.
- AC/PCC pavements showed a dramatic increase from 49 in 2016 to 93 in 2025, suggesting targeted reconstruction or major rehabilitation efforts on previously distressed sections. These sections were not included in the 2022 inspection cycle.

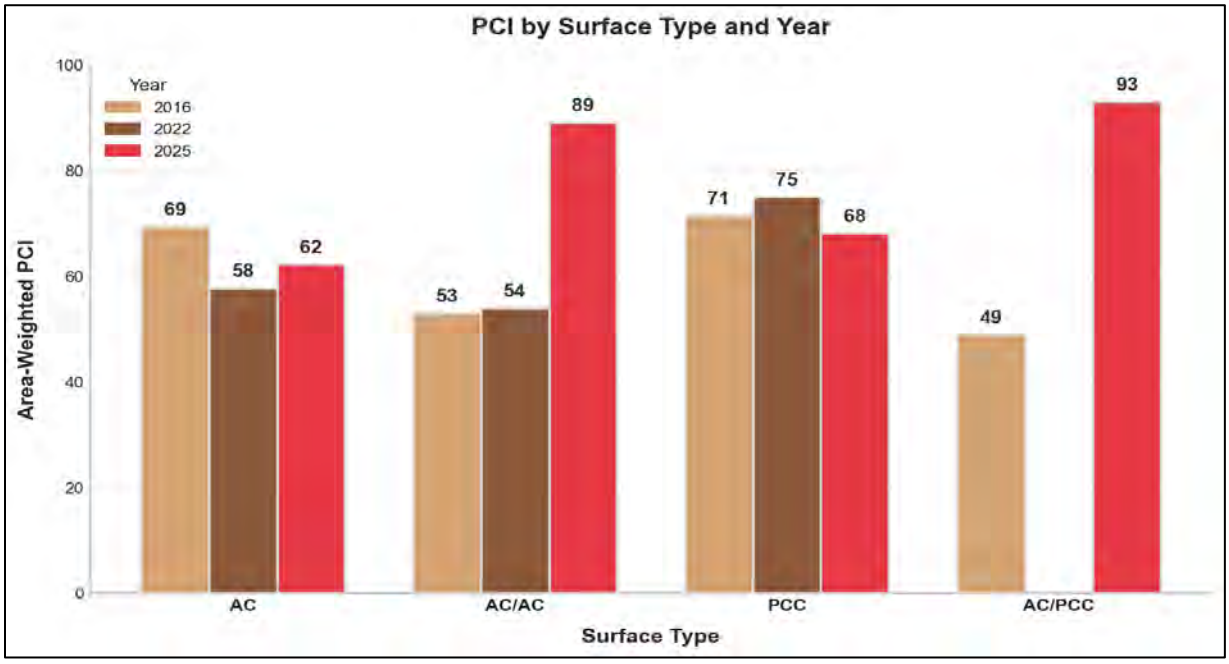

Figure 17. PCI Comparison by Surface Type.

The strong performance of composite pavements in 2025 indicates that recent investments have effectively addressed sections where prior overlays had reached the end of their service lives.

3.2.5 Implications for Funding Adequacy

The observed trends demonstrate that past funding levels prior to 2022 were insufficient to maintain network conditions, resulting in a sharp decline between 2016 and 2022. However, the substantial PCI recovery by 2025 confirms that increased and strategically applied funding can reverse deterioration trends when focused on timely rehabilitation and preservation.

The near restoration of residential and collector conditions suggests that recent funding allocations have successfully addressed deferred maintenance in these areas. In contrast, arterials have shown only partial recovery, indicating that sustained investment will be required to keep pace with higher traffic demands.

Moving forward, the City faces a strategic decision: maintain current funding levels to preserve recent gains or increase investment to fully restore the network to, and beyond, its 2016 condition. The budget scenarios presented in Section 6 evaluate these options and their long-term impact on network performance.

4. 2025 PAVEMENT CONDITION INDEX (PCI) RESULTS

Following a review of the collected and analyzed distress data, the City's StreetSaver® database was updated with the latest conditions including the detailed distresses, PCI and IRI values. Please note that the statistics and graphs shown on the following pages pertain to the pavement sections surveyed in 2025. At the time of ARA's July 2025 inspection, around 54 percent of the area of the City's roadway pavements were found to be in 'Very Good' condition. The overall area weighted average **PCI of the network is 65**. The condition distribution of all the pavement sections inspected in July 2025 is shown in Figure 18 below.

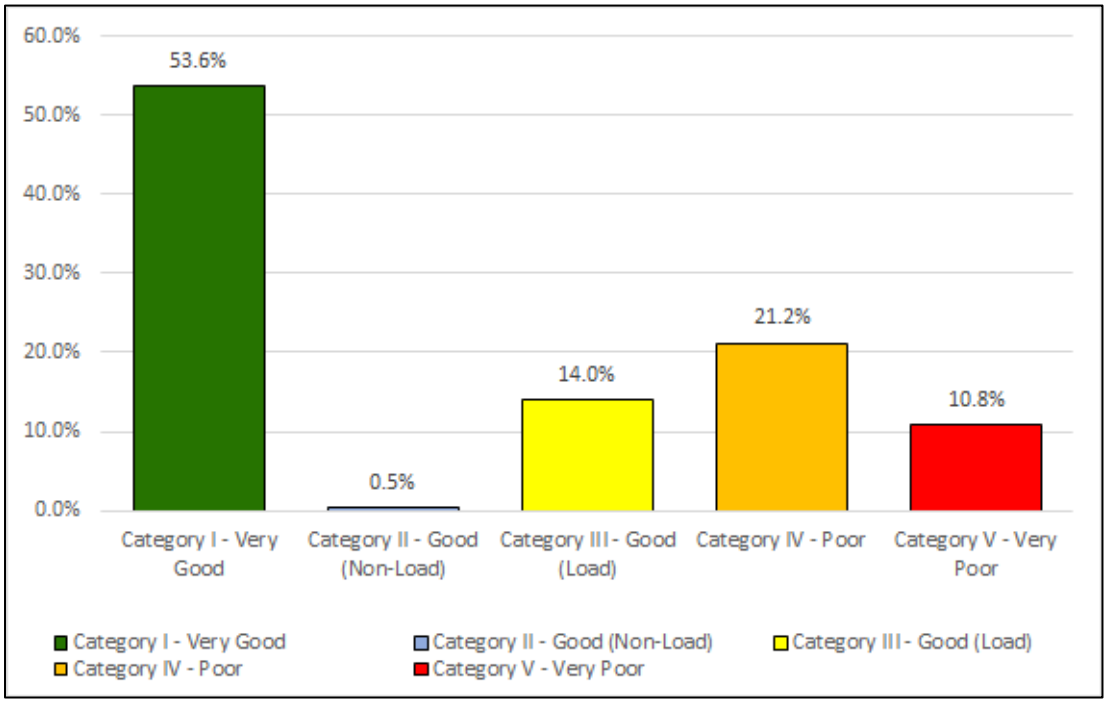

Figure 18. Overall Pavement Network Condition Distribution.

4.1 International Roughness Index (IRI)

The International Roughness Index (IRI) is a standardized metric used to evaluate the ride quality and surface smoothness of roadways. It reflects the level of pavement roughness experienced by vehicles, making it a valuable indicator of user comfort and safety.

As part of the pavement condition assessment, Applied Research Associates (ARA) has collected and included IRI data for all surveyed city streets. This data provides an additional layer of insight beyond surface distress and PCI values, helping the city monitor ride quality, prioritize maintenance on high-traffic corridors, and support long-term pavement management decisions.

Benefits of IRI Measurement:

- Helps identify surface irregularities affecting driver comfort and safety
- Supports maintenance planning by detecting early signs of surface deterioration
- Complements PCI by focusing on ride quality, especially important for arterial and collector roads

- Enables performance tracking over time and supports data-driven rehabilitation decisions.

The area weighted average PCI and condition distribution by pavement rank and pavement classification are provided in Table 6 and Table 7.

Table 6. Pavement Condition Distribution by Pavement Rank.

Pavement Classification	PCI (Area Weighted Average)	Percentage Area				
		Very Good (70–100)	Good (non-load) (50-70)	Good (Load) (50-70)	Poor (25-50)	Very Poor (0–25)
Principal Arterial - A (Primary)	54	32.0%	0.3%	17.9%	34.8%	14.9%
Minor Arterial - MiA (Primary)	56	46.1%	0.0%	10.4%	9.8%	33.7%
Major Collector - C (Secondary)	66	51.1%	0.8%	15.5%	23.0%	9.6%
Residential/Local - R (Tertiary)	75	71.3%	0.6%	11.3%	11.5%	5.3%
Others - Alleys	25	5.1%	0.0%	2.6%	34.7%	57.5%
Total	**65**	**53.6%**	**0.5%**	**14.0%**	**21.2%**	**10.8%**

Table 7. Pavement Condition Distribution by Surface Type.

Pavement Classification	PCI (Area Weighted Average)	Percentage Area				
		Very Good (70–100)	Good (Non-Load) (50-70)	Good (Load) (50-70)	Poor (25-50)	Very Poor (0–25)
Asphalt	63	50%	1%	15%	23%	12%
Other AC/AC	89	93%	0%	6%	1%	0%
PCC	69	53%	4%	30%	13%	0%
AC/PCC	94	100%	0%	0%	0%	0%
Total	**65**	53.6%	0.5%	14.0%	21.2%	10.8%

Figure 19 illustrates a variety of pavement conditions and the recommended M&R for each PCI condition.

Pictures	PCI	Recommended M&R Activity (Typical)
	95	Do Nothing
	96	Do Nothing
	82	Preventive Maintenance *Crack Seal, Surface Treatment*
	75	Preventive Maintenance *Crack Seal, localized patching, Surface Treatment*
	69	Preventive Maintenance *Crack Seal, Localized Patching and Surface Treatment*

Pictures	PCI	Recommended M&R Activity (Typical)
	68	Major M&R *Localized* *Slab replacement*
	55	Major M&R *Localized Structural Patching and Resurfacing or Reconstruction*
	42	Major M&R *Localized Structural Patching and Resurfacing or Reconstruction*
	30	Major M&R *Localized Structural Patching and Resurfacing or Reconstruction*
	16	Major M&R *Localized Structural Patching and Resurfacing or Reconstruction*

Figure 19. Typical Pavement Conditions Observed during PCI Inspection.

An analysis of the measured distress data was completed to determine the predominant causes of pavement distress. Table 8 shows the primary causes of pavement deterioration observed throughout the City's pavement network.

Table 8. Categorization of Observed Pavement Distresses.

Distress Category	Example Distresses	Percentage of Observed Distresses
Load Related	Asphalt pavement distresses such as rutting and alligator cracking. Concrete pavement distresses such as corner breaks and divided slabs.	48%
Climate/ Durability Related	Asphalt pavement distresses such as weathering, longitudinal and transverse cracking, and block cracking. Concrete pavement distresses such as joint and corner spalling and joint seal damage.	50%
Other	Pavement distresses such as bleeding, patching, raveling, and slippage cracking for asphalt pavements. Popouts and scaling for concrete pavements.	2%

The deterioration observed on the City's pavements appears to be caused by a combination of climate- and load-related distresses. Climate-related distresses – in particular, weathering, and longitudinal and transverse cracking were found across the City's pavement inventory. Load-related distresses, such as rutting, alligator cracking, and potholes, were also observed on the City's roadways.

5. PAVEMENT DETERIORATION MODELS

All pavements deteriorate with the passage of time and application of traffic loads. The rate of deterioration is based on a complex interaction of many factors including, amount of traffic, pavement structure, materials used in construction, subgrade conditions, localized factors, etc. Pavement sections will deteriorate at different rates. For pavement management purposes, pavement sections with similar characteristics and loading are grouped into 'families', and family deterioration models are developed. Pavement families are based on criteria such as pavement use, rank, surface type, traffic loading and other factors.

Pavement prediction models are used to predict future pavement conditions based on historical deterioration trends in StreetSaver®. Predicting future pavement conditions is an essential component of M&R planning. In StreetSaver® prediction models are developed using historical PCI inspection data and construction data from a specific location. When developing prediction models, it is important to know each pavement section's age. A pavement section's age is determined from the time it last received a Major M&R activity, such as structural overlay, reconstruction, etc. In general, the deterioration rate for asphalt pavements is considered high if the rate is greater than PCI 4 points/year since last construction or greater than PCI 5 points/year since last inspection. For concrete pavements, a deterioration rate of greater than PCI 2.5 points/year is considered high.

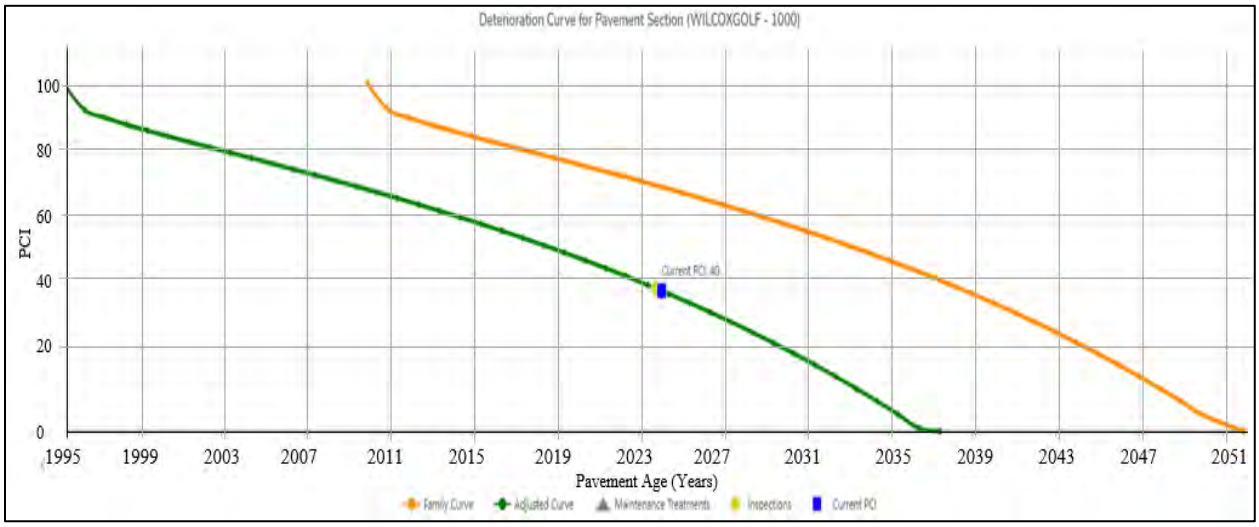

Figure 20. Typical Pavement Deterioration Curve.

5.1 Decision Tree and Unit Cost

The M&R unit cost data for each type of work are established in alignment with various condition types and PCI breakpoints, which are differentiated based on the pavement's functional class. This data is essential for projecting costs by surface type, facilitating multi-year M&R budget planning within StreetSaver®. As illustrated in Table 9, the decision tree details the calculated unit costs for each treatment, categorized by work type across four distinct functional class categories: Arterial, Collector, Residential, and Other.

Furthermore, StreetSaver® employs pavement deterioration curves to forecast future PCI values, a critical step in developing multi-year M&R plans. These forecasts necessitate correlating the costs of various M&R activities with specific PCI values.

Table 9. Decision Tree and Unit Costs by Work Type.

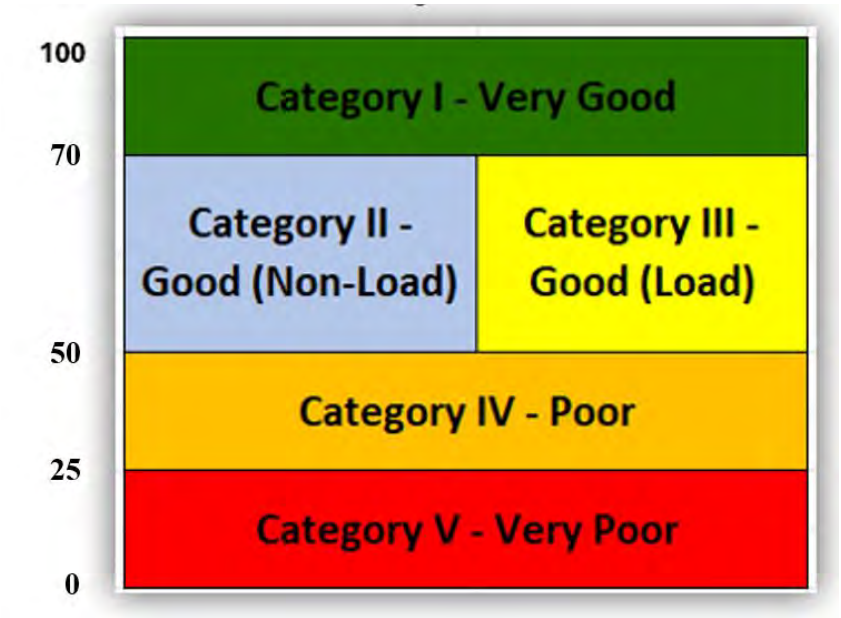

Figure 21. PCI Condition Category.

6. M&R BUDGET SCENARIO

6.1 Fixed Annual Budget Scenarios

Fixed budget scenarios were executed in StreetSaver®, assuming budgets of $3.5M per year and $10M per Year. The objective was to determine the impact of limited funding on the overall pavement network condition. The annual budget allocation is for city's Improvement Program including Thin/Thick ARHM overlay, Full-Depth Reclamation (FDR), and reconstruction.

The purpose of the fixed annual budget scenario in StreetSaver is to help cities and agencies evaluate the long-term impact of consistent funding levels on pavement maintenance and rehabilitation. By simulating how a predetermined budget allocation affects the PCI and overall network performance, this scenario provides insights into whether the current funding is sufficient to maintain or improve the network. It highlights potential funding gaps, prioritizes treatments for maximum efficiency, and demonstrates trade-offs between limited budgets and desired outcomes. Ultimately, this analysis supports informed decision-making, enabling agencies to plan strategically for sustainable infrastructure investments.

Scenario 1: Fixed Budget of $3.5M.

The table illustrates the impact of a fixed $3.5 million annual budget on the pavement network's PCI over a 10-year analysis period, with a total projected expenditure of $35 million, including both rehabilitation and preventive maintenance treatments. The untreated PCI begins at 65 in 2026 and gradually declines to 45 by 2035, representing the expected deterioration trend in the absence of maintenance interventions. In contrast, the treated PCI starts at 66 in 2026 and decreases to 51 by 2035, demonstrating that the applied budget slows the rate of decline and sustains higher pavement conditions compared to the untreated scenario.

Although the fixed funding level provides measurable benefits, particularly in the early years where treated PCI remains above 60, the overall condition still trends downward over time. By 2035, both treated and untreated networks fall into the "Fair" to "Poor" categories, underscoring that while the $3.5 million annual investment helps delay deterioration, it is insufficient to maintain or improve long-term pavement conditions. A more balanced funding approach with increase in preventive maintenance or higher annual allocations would be necessary to achieve sustainable pavement performance.

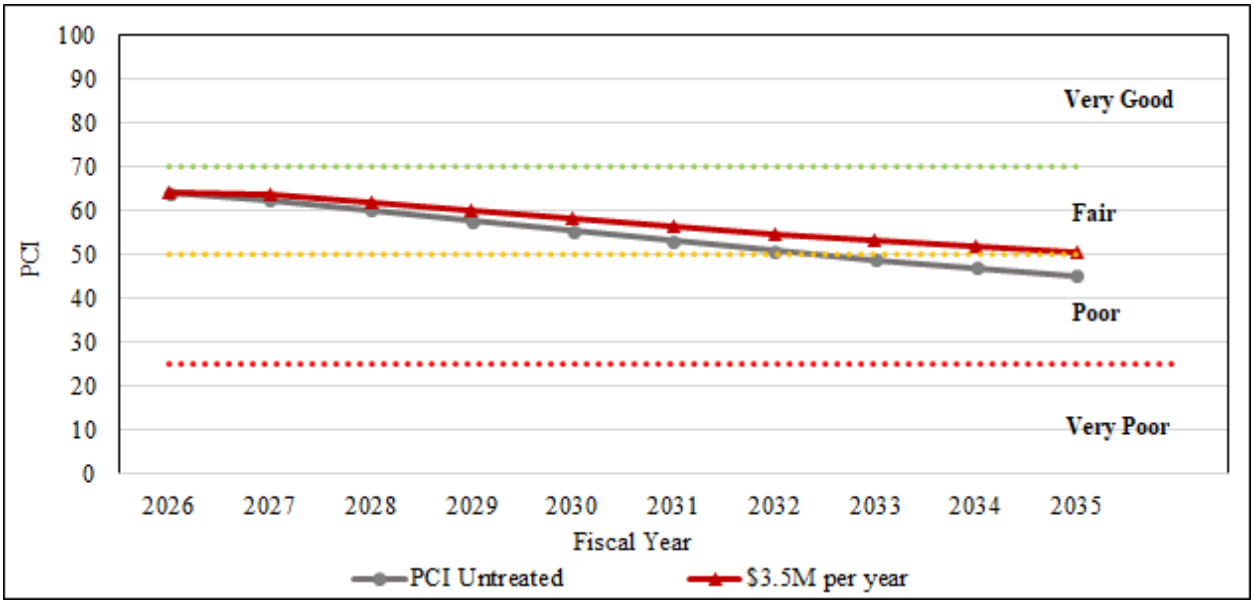

Figure 22. Impact of Treatment on Pavement Condition Index: Budget $3.5M per Year

Table 10.Breakdown of Yearly Maintenance and Rehabilitation Cost for $3.5M per year

Year	Rehabilitation Treatment Cost	Preventive Maintenance Cost	Total Cost	PCI Untreated	PCI Treated
2026	$3.3 M	$0.2 M	$3.5 M	65	66
2027	$3.3 M	$0.2 M	$3.5 M	63	64
2028	$3.3 M	$0.2 M	$3.5 M	60	62
2029	$3.3 M	$0.2 M	$3.5 M	58	60
2030	$3.3 M	$0.2 M	$3.5 M	55	58
2031	$3.3 M	$0.2 M	$3.5 M	53	56
2032	$3.3 M	$0.2 M	$3.5 M	51	55
2033	$3.3 M	$0.2 M	$3.5 M	49	53
2034	$3.3 M	$0.2 M	$3.5 M	47	52
2035	$3.3 M	$0.2 M	$3.5 M	45	51
Total for 10 Years	$33.2 M	$1.8 M	$35.0 M		

Scenario 2: Fixed Budget of $10M

The table illustrates the impact of a fixed $10 million annual budget on the pavement network's PCI over a 10-year analysis period, with a total projected expenditure of $99 million, consisting of $9.5 million allocated to rehabilitation treatments and $0.5 million to preventive maintenance each year. The untreated PCI begins at 65 in 2026 and declines steadily to 45 by 2035, representing the natural deterioration of the pavement network without maintenance intervention. In contrast, the treated PCI starts at 67 in 2026 and remains relatively stable around 63–65 throughout the analysis period, indicating a significant improvement in network preservation compared to the untreated case.

This funding scenario demonstrates that a $10 million annual investment is effective in maintaining the network in a “Good” condition over the long term. The treated PCI remains above 60 across the 10-year period, suggesting that the combination of adequate rehabilitation funding and consistent preventive maintenance successfully offsets deterioration. As a result, this level of investment supports a sustainable pavement management strategy that preserves the network condition and minimizes future backlog growth.

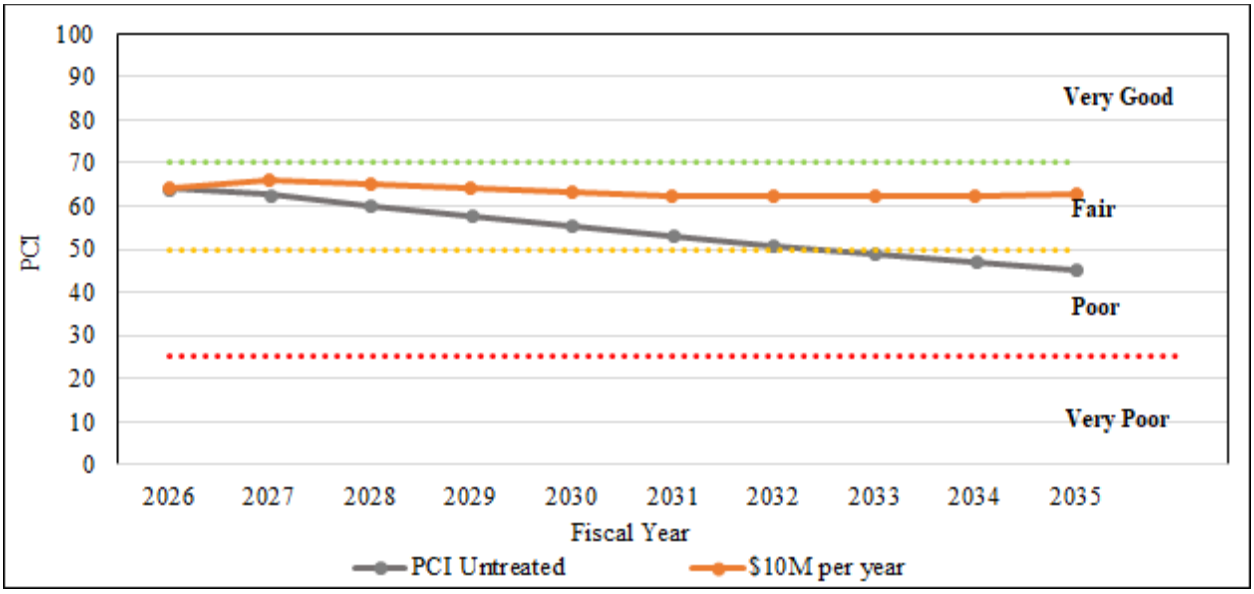

Figure 23. Impact of Treatment on Pavement Condition Index: Budget $10M per Year

Table 11.Breakdown of Yearly Maintenance and Rehabilitation Cost for $10M per year

Year	Rehabilitation Treatment Cost	Preventive Maintenance Cost	Total Cost	PCI Untreated	PCI Treated
2026	$9.5 M	$0.0 M	$9.5 M	65	67
2027	$9.5 M	$0.5 M	$10.0 M	63	66
2028	$9.5 M	$0.5 M	$10.0 M	60	65
2029	$9.5 M	$0.5 M	$10.0 M	58	64
2030	$9.5 M	$0.5 M	$10.0 M	55	63
2031	$9.5 M	$0.0 M	$9.5 M	53	62
2032	$9.5 M	$0.5 M	$10.0 M	51	62
2033	$9.5 M	$0.5 M	$10.0 M	49	62
2034	$9.5 M	$0.5 M	$10.0 M	47	62
2035	$9.5 M	$0.5 M	$10.0 M	45	63
Total for 10 Years	$94.9 M	$4.0 M	$99.0 M		

6.2 Target Driven Scenario

StreetSaver® was used to perform the following budget analyses on the City's roadway pavements from 2026 to 2035. A 3% inflation with 5% interest rate was considered in all budget scenarios. The following scenarios were considered:

1. Required annual budget to Improve Condition to a State of Good – PCI = 75.
2. Required annual budget to Maintain the PCI at 65.

Scenario 1: Improve Condition to a State of Good Repair – PCI = 75

To improve the pavement network condition and maintain it at a desirable level over a 10-year period, a total investment of approximately $174 million is required. This includes $133.4 million for rehabilitation treatments and $40.6 million for preventive maintenance. The table shows how funding is distributed annually to support both immediate rehabilitation needs and ongoing maintenance efforts.

In 2026, the program begins with a combined investment of $19.8 million, including $13.5 million in rehabilitation and $6.3 million in preventive maintenance. As the network stabilizes, funding requirements rise in the next several years, peaking between 2027 and 2028, where total annual costs reach $23.6 million and $22.9 million, driven by rehabilitation needs of $21.3 million and $20.8 million, respectively. From 2029 to 2032, annual expenditure gradually trends downward, reflecting a shift from heavy rehabilitation toward a more balanced mix of treatment types. Beginning in 2033, the strategy moves into a preservation phase, with significantly lower rehabilitation costs. Preventive maintenance plays a larger role, particularly in 2033 with $10.8 million, ensuring the network remains in good condition with minimal structural work required. Annual totals in 2034 and 2035 range between $10.1 million and $9.6 million. The untreated PCI begins at 65 in 2026 and follows the expected deterioration path, declining steadily to 45 by 2035 without any intervention. In contrast, the treated PCI improves from 69 in 2026 to 75 by 2032, and then remains consistently at 75 through 2035, demonstrating that the combined rehabilitation and preventive maintenance program effectively lifts the network into the "Very Good" condition range and sustains it over the full analysis period.

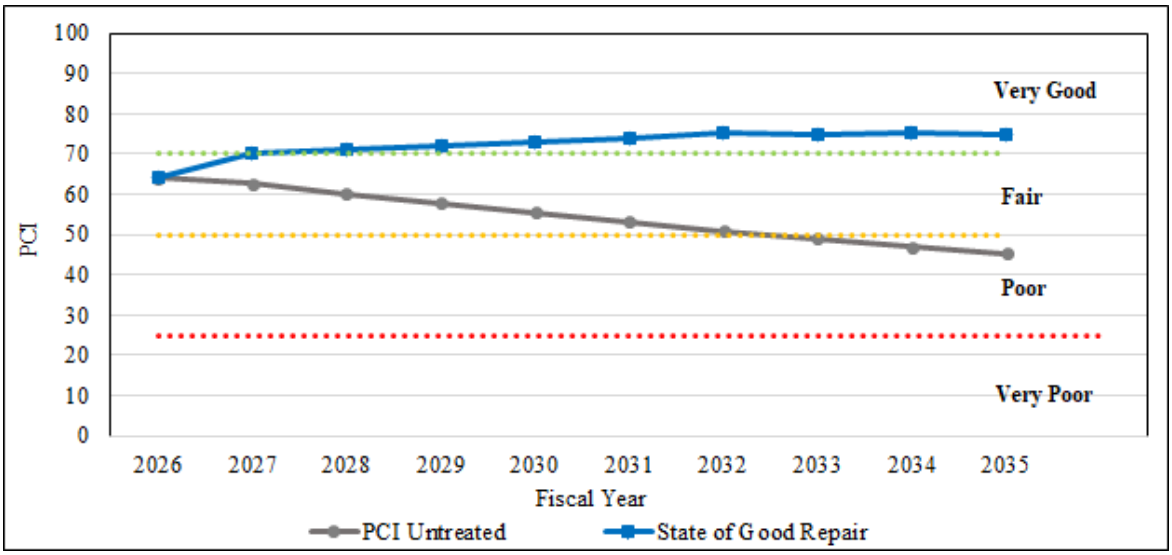

Figure 24. Impact of Treatment on Pavement Condition Index: Achieving a State of Good Repair

Table 12. Breakdown of Yearly Maintenance and Rehabilitation Cost to Achieve and Maintain a State of Good Repair

Year	Rehabilitation Treatment Cost	Preventive Maintenance Cost	Total Cost	PCI Untreated	PCI Treated
2026	$13.5 M	$6.3 M	$19.8 M	65	69
2027	$21.3 M	$2.3 M	$23.6 M	63	70
2028	$20.8 M	$2.1 M	$22.9 M	60	71
2029	$17.9 M	$2.0 M	$19.9 M	58	72
2030	$15.7 M	$2.8 M	$18.5 M	55	73
2031	$18.1 M	$1.2 M	$19.3 M	53	74
2032	$17.3 M	$2.2 M	$19.5 M	51	75
2033	$0.5 M	$10.3 M	$10.8 M	49	75
2034	$4.2 M	$5.9 M	$10.1 M	47	75
2035	$4.1 M	$5.5 M	$9.6 M	45	75
Total for 10 Years	**$133.4 M**	**$40.6 M**	**$174.0 M**		

Scenario 2: Maintain Current PCI of 65

To maintain the pavement network condition over a 10-year period, a total investment of approximately $114.5 million is required. The table provides a detailed breakdown of yearly rehabilitation treatment costs, with a combined allocation for both rehabilitation and preventive maintenance throughout the analysis period. No funding is allocated in 2026, reflecting a deferred maintenance approach during the initial years. By 2027, an investment of $13.4 million initiates rehabilitation and maintenance activities to address early signs of network deterioration.

Between 2028 and 2030, annual expenditures increase substantially, ranging from $13.4 million to $17.4 million, marking the peak years of combined treatment work aimed at improving overall network conditions. From 2031 onward, costs gradually decline as the major rehabilitation needs are met, with expenditures reducing from $12.2 million in 2031 to $9.8 million by 2035, supported by a shift toward lower-cost maintenance strategies in the later years. The untreated PCI begins at 65 in 2026 and steadily declines to 45 by 2035, representing the expected deterioration without maintenance. In contrast, the treated PCI remains consistently stable at 65 throughout the entire analysis period, indicating that the allocated funding is sufficient to sustain the network within the “Good” condition range. This funding scenario demonstrates that a strategically phased rehabilitation approach, supported by targeted preventive maintenance, can effectively maintain pavement performance when investments are concentrated during critical deterioration periods.

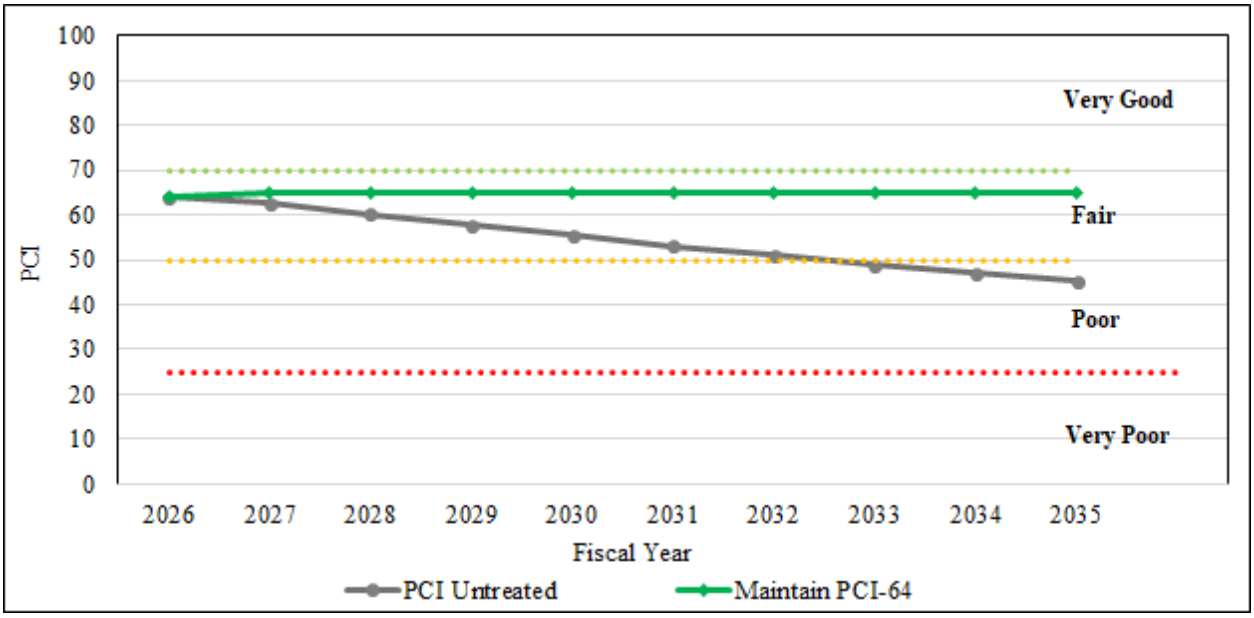

Figure 25. Impact of Treatment on Pavement Condition Index: Maintain Current PCI of 65

Table 13. Breakdown of Yearly Maintenance and Rehabilitation Cost to Maintain Current PCI of 65

Year	Rehabilitation Treatment Cost	Preventive Maintenance Cost	Total Cost	PCI Untreated	PCI Treated
2026	$0.0 M	$0.0 M	$0.0 M	65	65
2027	$6.0 M	$7.5 M	$13.4 M	63	65
2028	$10.6 M	$3.2 M	$13.8 M	60	65
2029	$14.6 M	$2.2 M	$16.8 M	58	65
2030	$14.6 M	$2.8 M	$17.4 M	55	65
2031	$11.0 M	$1.2 M	$12.2 M	53	65
2032	$8.7 M	$2.2 M	$10.9 M	51	65
2033	$10.0 M	$0.0 M	$10.0 M	49	65
2034	$0.4 M	$9.6 M	$10.1 M	47	65
2035	$3.8 M	$6.0 M	$9.8 M	45	65
Total for 10 Years	**$79.7 M**	**$34.8 M**	**$114.5 M**		

Scenario Comparisons:

Table 14 summarizes four funding scenarios, illustrating the relationship between investment levels and projected pavement conditions by 2035. Higher annual budgets yield improved PCI outcomes, with the "State of Good Repair" scenario achieving the best overall network performance.

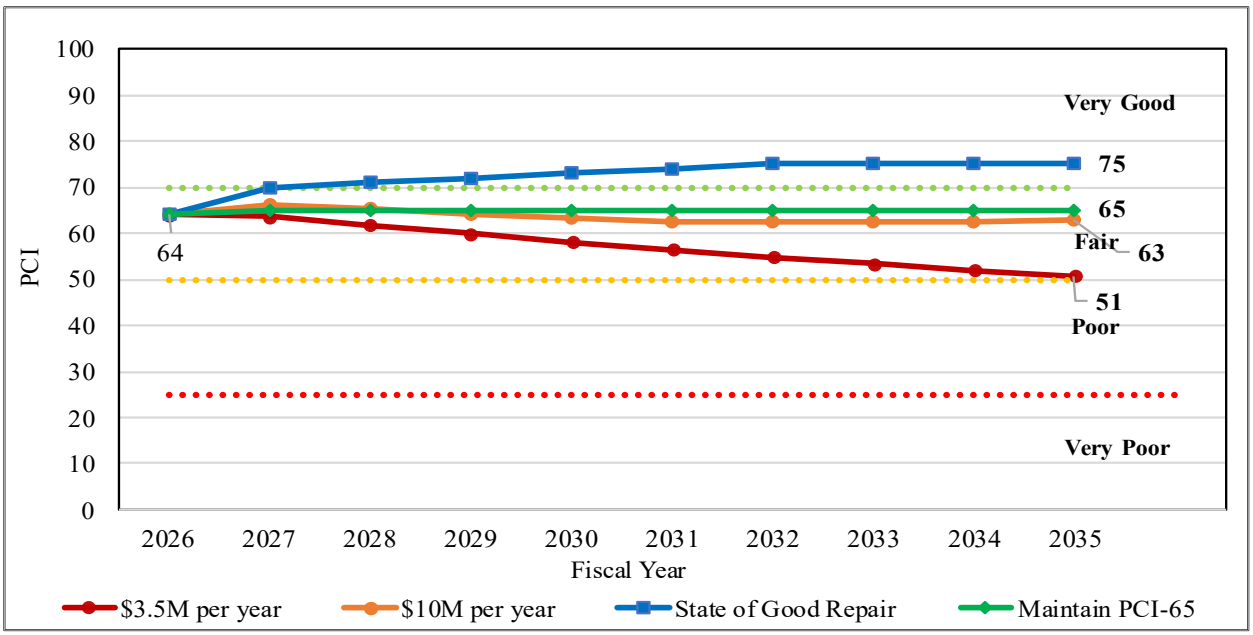

Figure 26. PCI Comparison by Scenarios.

Table 14. Comparison of annual M&R Cost.

Scenarios	Description	10-Year Budget	2035 PCI
1	$3.5M per Year	$35M	51
2	$10M per Year	$100M	63
3	State of Good Repair	$179.2M	75
4	Maintain PCI-65	$112.5M	65

7. SUMMARY AND RECOMMENDATIONS

7.1 Summary

The objectives of this Pavement Management Report are as follows:

- To present the results of the FY 2025 network-level pavement condition survey conducted for the City.
- To update and support the City's StreetSaver® pavement management program with current condition data and recommended practices.

A total of 1,792 pavement sections, covering approximately 249.07 centerline miles, were surveyed as part of this evaluation. The analysis was performed in accordance with the ASTM D6433, which categorizes pavement performance based on PCI thresholds and the roadway's structural loading characteristics. Based on the findings:

- Category I – Very Good (PCI 70-100): 53.6% of the network
- Category II – Good (PCI 50-70, Non-Load): 0.5% of the network
- Category III – Good (PCI 50-70, Load): 14.0% of the network
- Category IV – Poor (PCI 25-50): 21.2% of the network
- Category V – Very Poor (PCI 0–25): 10.8% of the network

The overall area-weighted PCI for the City is 65, placing the network in the **Good** range. This updated condition data provides a strong foundation for prioritizing pavement maintenance strategies, allocating funding, and extending the service life of the City's roadway infrastructure.

Note that ARA has included the International Roughness Index (IRI) for each section and branch. The IRI is a measurement of the "smoothness" of the pavement. The units in the IRI are inches/mile and the higher the value the "rougher" the pavement is. For most situations an IRI < 200 in/mile is considered smooth and >400 in/mile is considered rough. As you can see in the summary table in Appendix A, the IRI is not clearly correlated with the PCI, however, in general, the IRI does go up as the PCI goes down.

7.2 Recommendations

7.2.1 Perform Regular Pavement Condition Inspections

In an effort to capitalize on this PCI inspection and better track the condition of its pavements, it is strongly recommended that the City continue to perform PCI surveys on a three-year cycle. Doing so will enable the city to:

- Better track the deterioration of its pavements,
- Develop pavement deterioration trends to better predict future pavement conditions, and
- Assess the effectiveness of its pavement maintenance, preservation, and Major M&R activities.

The major inventory of pavements that are in fair condition today will continue to deteriorate and may require rehabilitation, such as resurfacing or reconstruction, a decade or so from now necessitating an increase in the annual M&R expenditure. It is necessary that this deterioration be proactively and systematically monitored to predict future pavement M&R funding needs more accurately.

7.2.2 Keep the Work History Data Update in StreetSaver® Database

As the city improves the roadway network, it is recommended that all the M&R done should be kept up to date in the database. Accurate work history combined with regular pavement inspections will result into better prediction of the pavement deterioration trends to better predict future pavement conditions.

8. DISCLAIMER

All preceding analyses were based on the results obtained in the field, as well as other input and analysis assumptions as outlined herein. ARA has made every attempt to base their procedures on sound methodology. However, circumstances beyond the control of ARA could result in alterations to the above results which may be completely justifiable.

Please use the above data and information, therefore, as guidelines for this project analyzed and reported herein.

APPLIED RESEARCH ASSOCIATES, INC.

Report to Honorable Mayor and City Council

Tuesday, March 17, 2026, 5:00 PM

CONSENT 23.

To: Honorable Mayor and City Council

From: Dr. Arlington Rodgers, Director of Public Works PW Engineering

Subject: CONSIDER APPROVAL OF AMENDMENT NO. 3 TO THE AGREEMENT WITH TOTUM CORP. FOR ON-CALL CONSTRUCTION MANAGEMENT AND INSPECTION SERVICES SUPPORTING PUBLIC WORKS PROJECTS (CITY COUNCIL)

I. SUMMARY

The City previously entered into an on-call professional services agreement with Totum Corp. (Totum) to provide construction management services that support the Public Works Department's Capital Improvement Program (CIP). The CIP is the City's program for planning, designing, and constructing major public infrastructure projects such as street improvements, park upgrades, public facility repairs, and other community improvements. Construction management services help ensure these projects are properly coordinated, monitored, and completed safely, on time, and within budget.

In 2023, the City Council approved a professional services agreement with Totum in an amount not to exceed $482,635. The agreement was established with a term ending June 30, 2026, and includes two optional one-year extensions that the City may exercise if continued services are needed. The agreement allows the City to call on Totum for construction management services as projects move into construction. The original contract amount was based on the number and type of construction projects that were anticipated at the time the agreement was approved. Since then, the number of active capital improvement projects has increased and several projects have become more complex than originally expected. At the same time, the City has limited in-house staffing available to manage the growing number of projects currently under construction. As a result, the City has continued to rely on Totum's on-call construction management services to help oversee these projects and ensure they move forward in an organized, efficient, and accountable manner.

To address these additional needs, the agreement has previously been amended twice. The first amendment was approved in January 2025, and the second amendment was approved in July 2025. These amendments increased the total contract amount to $1,232,635 in order to support continued construction oversight and project coordination. Since those amendments were approved, staff has further refined the schedules and construction timelines for the projects currently being managed by Totum. This review identified the need for additional resources to ensure continued construction oversight, quality control, and schedule management through the completion of these projects.

Consequently, staff recommends that the City Council approve the proposed Amendment No. 3 to the agreement with Totum Corp. This amendment would increase the contract amount by $250,000, bringing the total not-to-exceed contract amount to $1,482,635. The amendment would also extend the agreement term by six months,

through December 30, 2026, to allow Totum to continue supporting the City's active construction projects through their completion.

II. RECOMMENDATION

TAKE the following actions:

1. APPROVE the proposed Amendment No. 3 to the agreement with Totum Corp. for on-call Construction Management and Construction Inspection services, increasing the contract amount by $250,000, for a new total not-to-exceed contract amount of $1,482,635, and extending the contract term by six months, through December 30, 2026; and,
2. AUTHORIZE the Mayor to execute Amendment No. 3 to the agreement with Totum Corp., subject to approval as to form by the City Attorney.

III. ALTERNATIVES

1. DO NOT APPROVE the above recommendations.
2. TAKE another action the City Council deems appropriate consistent with the requirements of the Law.

IV. BACKGROUND

The Public Works Department is responsible for delivering the City's Capital Improvement Program (CIP), which includes the planning, design, and construction of major public infrastructure and facility improvements throughout the community. The CIP is a multi-year program that funds projects such as improvements to streets and roadways, park upgrades, City facilities, bicycle and pedestrian infrastructure, and stormwater systems that help manage rainwater and protect local waterways. The City's current five-year CIP includes numerous projects across these categories. Compared to prior CIP cycles, both the number of projects and their level of complexity have increased significantly. As a result, the City has a greater need for qualified outside consultants who can assist City staff with construction management and inspection services to help ensure these projects are completed safely, efficiently, and in accordance with approved plans and regulations.

Construction management and construction inspection services, commonly referred to as CMCI services, help oversee projects during the construction phase. These services include monitoring construction progress, coordinating with contractors and City staff, verifying that work is performed according to the approved design plans, ensuring safety requirements are met, and helping keep projects on schedule and within budget. In July 2023, the City issued a Request for Proposals (RFP) seeking qualified consulting firms to provide on-call CMCI services as needed for various City construction projects. After completing the evaluation process, the City Council approved a professional services agreement with Totum Corp. (Totum) on November 18, 2023, in an amount not to exceed $482,635. The agreement established a contract term through June 30, 2026, with two optional one-year extensions that the City may choose to exercise if additional services are needed. Under the agreement, the first optional extension period would extend the contract through June 30, 2027, and the second optional extension period would extend the contract through June 30, 2028 (Exhibit No. 1).

At the time the agreement was approved, staff developed a preliminary scope of work based on the construction projects that were expected to move forward during the contract period. However, several of those projects were still in early planning or design stages and had not yet been fully defined in terms of schedule, cost, or construction requirements. Since the agreement was executed, Totum has provided construction management and inspection services for several major City facility improvement projects, including the construction of Foisia Park, improvements at Carriage Crest Park, renovations to the City Hall restrooms and kitchenettes, and the installation of the Community Center Coiling Wall. Collectively, these projects represent more than $48 million in construction investment and are considered high-priority improvements to important public facilities used by Carson residents and visitors.

As construction progressed and the level of support required became clearer, the City Council approved two amendments to the original agreement. In January 2025, the City Council approved Amendment No. 1, which increased the contract amount by $400,000, bringing the total contract amount to $882,635 (Exhibit No. 2). In July 2025, the City Council approved Amendment No. 2, which increased the contract amount by an additional $350,000, bringing the revised not-to-exceed contract amount to $1,232,635 (Exhibit No. 3). Since that time, the Foisia Park project and the Community Center Coiling Wall project have reached substantial completion. However, construction at Carriage Crest Park and the City Hall Restrooms and Kitchenettes project is still underway and requires continued construction management and inspection services until the work is fully completed.

During construction, several unforeseen conditions were encountered that could not reasonably be identified during the project design phase. These conditions included unexpected conflicts with underground utility lines, weather-related construction delays, and other site conditions discovered once construction activities began. Addressing these issues required additional coordination between contractors, engineers, and City staff, and in some cases required modifications to construction sequencing or work methods. As a result, the construction schedules for these projects have been extended, and the level of oversight required from the construction management and inspection team has increased in order to ensure that work continues safely, meets all regulatory and quality requirements, and remains aligned with the City's project goals. Because of the extended construction timelines and the additional coordination required to address these unforeseen issues, the remaining balance in the existing agreement is not sufficient to support Totum's services through the completion of the remaining projects.

For these reasons, staff recommends that the City Council approve Amendment No. 3 to the agreement with Totum Corp. This amendment would increase the contract amount by $250,000, bringing the total not-to-exceed contract amount to $1,482,635. The amendment would also extend the original contract term by six months, through December 30, 2026, without exercising the first optional one-year extension (Exhibit No. 4). As a result, the first optional extension period would be reduced from one year to six months, while the second optional extension period would remain unchanged at one year. Approval of this amendment will allow Totum to continue providing the construction management and inspection services necessary to support the successful completion of the City's priority capital improvement projects.

V. FISCAL IMPACT

If the City Council approves the proposed Amendment No. 3, the contract with Totum Corp. will be increased by $250,000. This would raise the total contract amount to a not-to-exceed sum of $1,482,635. The funding for this contract amendment is already included in the City's adopted Fiscal Year 2025-2026 Budget. Specifically, the costs will be paid from the Engineering Professional Services account (Account No. 101-80-820-101-6004), which is used to fund outside professional consulting services that support the City's engineering and construction projects. Because these funds have already been approved as part of the adopted budget, this amendment will not require any additional funding from the City's General Fund beyond what has already been allocated.

CONTRACT SERVICES AGREEMENT

By and Between

CITY OF CARSON

and

TOTUM CORP

AGREEMENT FOR CONTRACT SERVICES
BETWEEN THE CITY OF CARSON AND
TOTUM CORP

THIS AGREEMENT FOR CONTRACT SERVICES (herein "Agreement") is made and entered into this 14th day of December, 2023 by and between the CITY OF CARSON, a California municipal corporation ("City") and TOTUM CORP, a California corporation ("Consultant"). City and Consultant are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

RECITALS

A. City has sought, by issuance of a Request for Proposals or Invitation for Bids, the performance of the services defined and described particularly in Article 1 of this Agreement.

B. Consultant, following submission of a proposal or bid for the performance of the services defined and described particularly in Article 1 of this Agreement, was selected by the City to perform those services.

C. Pursuant to the City of Carson's Municipal Code, City has authority to enter into and execute this Agreement.

D. The Parties desire to formalize the selection of Consultant for performance of those services defined and described particularly in Article 1 of this Agreement and desire that the terms of that performance be as particularly defined and described herein.

OPERATIVE PROVISIONS

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1. SERVICES OF CONSULTANT

1.1 Scope of Services.

In compliance with all terms and conditions of this Agreement, the Consultant shall provide those services specified in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by this reference, which may be referred to herein as the "services" or "work" hereunder. As a material inducement to the City entering into this Agreement, Consultant represents and warrants that it has the qualifications, experience, and facilities necessary to properly perform the services required under this Agreement in a thorough, competent, and professional manner, and is experienced in performing the work and services contemplated herein. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. Consultant covenants that it shall follow the highest professional standards in performing the work and services required hereunder and that all materials will be both of good quality as well as fit for the purpose intended. For purposes of this Agreement, the phrase "highest

professional standards" shall mean those standards of practice recognized by one or more first-class firms performing similar work under similar circumstances.

1.2 Consultant's Proposal.

The Scope of Service shall include the Consultant's scope of work or bid which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal and this Agreement, the terms of this Agreement shall govern.

1.3 Compliance with Law.

Consultant shall keep itself informed concerning, and shall render all services hereunder in accordance with, all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental entity having jurisdiction in effect at the time service is rendered.

1.4 Licenses, Permits, Fees and Assessments.

Consultant shall obtain at its sole cost and expense such licenses, permits and approvals as may be required by law for the performance of the services required by this Agreement. Consultant shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for the Consultant's performance of the services required by this Agreement, and shall indemnify, defend and hold harmless City, its officers, employees or agents of City, against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

1.5 Familiarity with Work.

By executing this Agreement, Consultant warrants that Consultant (i) has thoroughly investigated and considered the scope of services to be performed, (ii) has carefully considered how the services should be performed, and (iii) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, Consultant warrants that Consultant has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder. Should the Consultant discover any latent or unknown conditions, which will materially affect the performance of the services hereunder, Consultant shall immediately inform the City of such fact and shall not proceed except at Consultant's risk until written instructions are received from the Contract Officer.

1.6 Care of Work.

The Consultant shall adopt reasonable methods during the life of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and/or other components thereof to prevent losses or damages, and shall be responsible for all such damages, to persons or property, until acceptance of the work by City, except such losses or damages as may be caused by City's own negligence.

1.7 Further Responsibilities of Parties.

Both parties agree to use reasonable care and diligence to perform their respective obligations under this Agreement. Both parties agree to act in good faith to execute all instruments, prepare all documents and take all actions as may be reasonably necessary to carry out the purposes of this Agreement. Unless hereafter specified, neither party shall be responsible for the service of the other.

1.8 Additional Services.

City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Consultant, incorporating therein any adjustment in (i) the Contract Sum for the actual costs of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Consultant. Any increase in compensation of up to ten percent (10%) of the Contract Sum or $25,000, whichever is less; or, in the time to perform of up to one hundred eighty (180) days, may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively, must be approved by the City Council. It is expressly understood by Consultant that the provisions of this Section shall not apply to services specifically set forth in the Scope of Services. Consultant hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Services may be more costly or time consuming than Consultant anticipates and that Consultant shall not be entitled to additional compensation therefor. City may in its sole and absolute discretion have similar work done by other contractors. No claims for an increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

1.9 Special Requirements.

Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT.

2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed Four Hundred Eighty Two Thousand Six Hundred Thirty Five Dollars and Zero Cents (**$482,635.00**) (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8. In the event City elects to exercise its options to extend the Term pursuant to Section 3.4 hereof, the Contract Sum will increase consistent with the additional not to exceed compensation applicable to each Extension Term, as set out in in Exhibit "C."

2.2 Method of Compensation.

The method of compensation may include: (i) a lump sum payment upon completion; (ii) payment in accordance with specified tasks or the percentage of completion of the services, less contract retention; (iii) payment for time and materials based upon the Consultant's rates as specified in the Schedule of Compensation, provided that (a) time estimates are provided for the performance of sub tasks, (b) contract retention is maintained, and (c) the Contract Sum is not exceeded; or (iv) such other methods as may be specified in the Schedule of Compensation.

2.3 Reimbursable Expenses.

Compensation may include reimbursement for actual and necessary expenditures for reproduction costs, telephone expenses, and travel expenses approved by the Contract Officer in advance, or actual subcontractor expenses of an approved subcontractor pursuant to Section 4.5, and only if specified in the Schedule of Compensation. The Contract Sum shall include the attendance of Consultant at all project meetings reasonably deemed necessary by the City. Coordination of the performance of the work with City is a critical component of the services. If Consultant is required to attend additional meetings to facilitate such coordination, Consultant shall not be entitled to any additional compensation for attending said meetings.

2.4 Invoices.

Each month Consultant shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall also be detailed by such categories. Consultant shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by City, or as provided in Section 7.3, City will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant's correct and undisputed invoice; however, Consultant acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by City for any invoice provided by the Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.5 Waiver.

Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

ARTICLE 3. PERFORMANCE SCHEDULE

3.1 Time of Essence.

Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance.

Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the "Schedule of Performance" attached hereto as Exhibit "D" and incorporated herein by this reference. When requested by the Consultant, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding one hundred eighty (180) days cumulatively.

3.3 Force Majeure.

The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Consultant shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding one (1) years from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "D").

ARTICLE 4. COORDINATION OF WORK

4.1 Representatives and Personnel of Consultant.

The following principals of Consultant ("Principals") are hereby designated as being the principals and representatives of Consultant authorized to act in its behalf with respect to the work specified herein and make all decisions in connection therewith:

Danny Kaye, CCM PMP, LEED AP	Principal CM-in-Charge
(Name)	(Title)

Giulio Zavolta	CEO
(Name)	(Title)
(Name)	(Title)

It is expressly understood that the experience, knowledge, capability and reputation of the foregoing principals were a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principals shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the services hereunder. All personnel of Consultant, and any authorized agents, shall at all times be under the exclusive direction and control of the Principals. For purposes of this Agreement, the foregoing Principals may not be replaced nor may their responsibilities be substantially reduced by Consultant without the express written approval of City. Additionally, Consultant shall utilize only competent personnel to perform services pursuant to this Agreement. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement. Consultant shall notify City of any changes in Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement, prior to and during any such performance.

4.2 Status of Consultant.

Consultant shall have no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against City, whether by contract or otherwise, unless such authority is expressly conferred under this Agreement or is otherwise expressly conferred in writing by City. Consultant shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of City. Neither Consultant, nor any of Consultant's officers, employees or agents, shall obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City's employees. Consultant expressly waives any claim Consultant may have to any such rights.

4.3 Contract Officer.

The Contract Officer shall be Raymond Velasco, P.E., Public Works Operations Manager, or as otherwise designated by the City Manager. It shall be the Consultant's responsibility to assure that the Contract Officer is kept informed of the progress of the performance of the services and the Consultant shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority, if specified in writing by the City Manager, to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.4 Independent Consultant.

Neither the City nor any of its employees shall have any control over the manner, mode or means by which Consultant, its agents or employees, perform the services required herein, except as otherwise set forth herein. City shall have no voice in the selection, discharge, supervision or control of Consultant's employees, servants, representatives or agents, or in fixing their number,

compensation or hours of service. Consultant shall perform all services required herein as an independent contractor of City and shall remain at all times as to City a wholly independent contractor with only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturer or a member of any joint enterprise with Consultant.

4.5 Prohibition Against Subcontracting or Assignment.

The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages.

The Consultant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) General Liability Insurance (Coverage Form ISO CGL CG 00 01 or equivalent). A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in an amount not less than $1,000,000.00 per occurrence or if a general aggregate limit is used, then the general aggregate limit shall be twice the occurrence limit.

(b) Worker's Compensation Insurance. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Consultant against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Consultant in the course of carrying out the work or services contemplated in this Agreement, with Employer's Liability insurance coverage limits of at least $1,000,000.00.

(c) Automotive Insurance (Coverage Form ISO CA 00 01 including "any auto" and endorsement CA 0025 or equivalent). A policy of comprehensive automobile liability

insurance written on a per occurrence for bodily injury and property damage in an amount not less than $1,000,000. Said policy shall include coverage for owned, non-owned, leased, hired cars and any automobile.

(d) Professional Liability. Professional liability insurance appropriate to the Consultant's profession, as determined by the City's Risk Manager, provided that the limits shall be no less than $1,000,000 per claim and no less than $1,000,000 general aggregate. This coverage may be written on a "claims made" basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of Consultant's services or the termination of this Agreement. During this additional 5-year period, Consultant shall annually and upon request of the City submit written evidence of this continuous coverage.

(e) Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall include all of the requirements stated herein.

(f) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit "B".

(g) Broader Coverages and Higher Limits. Notwithstanding anything else herein to the contrary, if Consultant maintains broader coverages and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverages and/or higher limits maintained by Consultant.

5.2 General Insurance Requirements.

All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents may apply in excess of, and not contribute with Consultant's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. Moreover, the insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention.

All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Consultant shall, prior to the cancellation date, submit new evidence of insurance in conformance with Section 5.1 to the Contract Officer.

No work or services under this Agreement shall commence until the Consultant has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsements to all required insurance policies at any time. Any failure to comply

with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

All certificates shall name the City as additional insured (providing the appropriate endorsement) and shall conform to the following "cancellation" notice:

CANCELLATION:

SHOULD ANY OF THE ABOVE DESCRIBED POLICIES BE CANCELLED BEFORE THE EXPIRATION DATED THEREOF, THE ISSUING COMPANY SHALL MAIL THIRTY (30)-DAY ADVANCE WRITTEN NOTICE TO CERTIFICATE HOLDER NAMED HEREIN.

[to be initialed] _____
Consultant Initials

City, its respective elected and appointed officers, directors, officials, employees, agents and volunteers are to be covered as additional insureds as respects: liability arising out of activities Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or any automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, and their respective elected and appointed officers, officials, employees or volunteers. Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

Any deductibles or self-insured retentions must be declared to and approved by City. At the option of City, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City or its respective elected or appointed officers, officials, employees and volunteers or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims. The Consultant agrees that the requirement to provide insurance shall not be construed as limiting in any way the extent to which the Consultant may be held responsible for the payment of damages to any persons or property resulting from the Consultant's activities or the activities of any person or persons for which the Consultant is otherwise responsible nor shall it limit the Consultant's indemnification liabilities as provided in Section 5.3.

In the event the Consultant subcontracts any portion of the work in compliance with Section 4.5 of this Agreement, the contract between the Consultant and such subcontractor shall require the subcontractor to maintain the same policies of insurance that the Consultant is required to maintain pursuant to Section 5.1, and such certificates and endorsements shall be provided to City.

5.3 Indemnification.

To the full extent permitted by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative,

arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Consultant is legally liable ("indemnitors"), or arising from Consultant's or indemnitors' reckless or willful misconduct, or arising from Consultant's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

(a) Consultant will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorneys' fees incurred in connection therewith;

(b) Consultant will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of Consultant hereunder; and Consultant agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

(c) In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Consultant for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Consultant hereunder, Consultant agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorneys' fees.

Consultant shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Consultant shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This indemnification includes claims or liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Consultant in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City's sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Consultant and shall survive termination of this Agreement.

5.4 Sufficiency of Insurer.

Insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A-" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the Risk Manager of the City ("Risk

Manager") due to unique circumstances. If this Agreement continues for more than 3 years duration, or in the event the risk manager determines that the work or services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Consultant agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt of written notice from the Risk Manager.

ARTICLE 6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records.

Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. Any and all such documents shall be maintained in accordance with generally accepted accounting principles and shall be complete and detailed. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the City shall have access to such records in the event any audit is required. In the event of dissolution of Consultant's business, custody of the books and records may be given to City, and access shall be provided by Consultant's successor in interest. Notwithstanding the above, the Consultant shall fully cooperate with the City in providing access to the books and records if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 Reports.

Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement as the Contract Officer shall require. Consultant hereby acknowledges that the City is greatly concerned about the cost of work and services to be performed pursuant to this Agreement. For this reason, Consultant agrees that if Consultant becomes aware of any facts, circumstances, techniques, or events that may or will materially increase or decrease the cost of the work or services contemplated herein or, if Consultant is providing design services, the cost of the project being designed, Consultant shall promptly notify the Contract Officer of said fact, circumstance, technique or event and the estimated increased or decreased cost related thereto and, if Consultant is providing design services, the estimated increased or decreased cost estimate for the project being designed.

6.3 Ownership of Documents.

All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials (the "documents and materials") prepared by Consultant, its employees, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of

ownership use, reuse, or assignment of the documents and materials hereunder. Any use, reuse or assignment of such completed documents for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant, and Consultant's guarantee and warranties shall not extend to such use, reuse or assignment. Consultant may retain copies of such documents for its own use. Consultant shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom. Moreover, with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City.

6.4 Confidentiality and Release of Information.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the Contract Officer.

(b) Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant gives City notice of such court order or subpoena.

(c) If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorneys fees, caused by or incurred as a result of Consultant's conduct.

(d) Consultant shall promptly notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under. City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law.

This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions

concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

7.2 Disputes; Default.

In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, the City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under this Article. Any failure on the part of the City to give notice of the Consultant's default shall not be deemed to result in a waiver of the City's legal rights or any rights arising out of any provision of this Agreement.

7.3 Retention of Funds.

Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, or any indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of the Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.4 Waiver.

Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

7.5 Rights and Remedies are Cumulative.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Legal Action.

In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code Sections 905 et. seq. and 910 et. seq., in order to pursue a legal action under this Agreement.

7.7 Termination Prior to Expiration of Term.

This Section shall govern any termination of this Agreement except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to Consultant, except that where termination is due to the fault of the Consultant, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, the Consultant reserves the right to terminate this Agreement at any time, with or without cause, upon sixty (60) days' written notice to City, except that where termination is due to the fault of the City, the period of notice may be such shorter time as the Consultant may determine. Upon receipt of any notice of termination, Consultant shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Consultant has initiated termination, the Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer, except as provided in Section 7.3. In the event the Consultant has initiated termination, the Consultant shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder. In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.8 Termination for Default of Consultant.

If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

7.9 Attorneys' Fees.

If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees.

No officer or employee of the City shall be personally liable to the Consultant, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest.

Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the Contract Officer. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which affects her/his financial interest or the financial interest of any corporation, partnership or association in which (s)he is, directly or indirectly, interested, in violation of any State statute or regulation. The Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination.

Consultant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

IN WITNESS WHEREOF, the parties hereto have executed this Agreement on the date and year first-above written.

Title: CEO/SECRETARY
Address: 15130 Ventura Blvd, Unit A
Sherman Oaks, California 91403

Two corporate officer signatures required when Consultant is a corporation, with one signature required from each of the following groups: 1) Chairman of the Board, President or any Vice President; and 2) Secretary, any Assistant Secretary, Chief Financial Officer or any Assistant Treasurer. CONSULTANT'S SIGNATURES SHALL BE DULY NOTARIZED, AND APPROPRIATE ATTESTATIONS SHALL BE INCLUDED AS MAY BE REQUIRED BY THE BYLAWS, ARTICLES OF INCORPORATION, OR OTHER RULES OR REGULATIONS APPLICABLE TO CONSULTANT'S BUSINESS ENTITY.

8.4 Unauthorized Aliens.

Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, *et seq.*, as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Consultant so employ such unauthorized aliens for the performance of work and/or services covered by this Agreement, and should any liability or sanctions be imposed against City for such use of unauthorized aliens, Consultant hereby agrees to and shall reimburse City for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by City.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices.

Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of Carson, 701 East Carson, Carson, California 90745 and in the case of the Consultant, to the person(s) at the address designated on the execution page of this Agreement. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

9.3 Counterparts.

This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Agreement.

9.4 Integration; Amendment.

This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the parties. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by the Consultant and by the City Council. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.

9.5 Severability.

In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 Warranty & Representation of Non-Collusion.

No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. The determination of "financial interest" shall be consistent with State law and shall not include interests found to be "remote" or "non-interests" pursuant to Government Code Sections 1091 or 1091.5. Consultant warrants and represents that it has not paid or given, and will not pay or give, to any third party including, but not limited to, any City official, officer, or employee, any money, consideration, or other thing of value as a result or consequence of obtaining or being awarded any agreement. Consultant further warrants and represents that (s)he/it has not engaged in any act(s), omission(s), or other conduct or collusion that would result in the payment of any money, consideration, or other thing of value to any third party including, but not limited to, any City official, officer, or employee, as a result of consequence of obtaining or being awarded any agreement. Consultant is aware of and understands that any such act(s), omission(s) or other conduct resulting in such payment of money, consideration, or other thing of value will render this Agreement void and of no force or effect.

Consultant's Authorized Initials ____

9.7 Corporate Authority.

The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other Agreement to which said party is bound. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the parties.

EXHIBIT "A"
SCOPE OF SERVICES

I. Consultant will perform the following Services on an on-call basis:

CONSTRUCTION MANAGEMENT SERVICES:

General construction management services may include, but not be limited to:

1. Coordinating and conducting Pre-Construction meetings.
2. Preparation and distribution of meeting minutes.
3. Quality assurance and quality control.
4. Administration and management of construction contracts.
5. Ensure construction efforts are completed per approved plans, on-schedule, and on-budget.
6. Ensure that local and state inspections have been completed as necessary.
7. Review construction schedule, including activity sequences and duration, schedule of submittals and delivery schedule of long lead materials and equipment. Review contractor's updates and revisions as may be required to reflect actual progress of work.
8. Provide construction schedule and budget updates to City's Contract Officer.
9. Schedule and conduct progress meetings to discuss contract issues, procedures, progress, problems, Construction Change Orders (CCO), submittals, requests for information (RFIs), deficiencies and schedules.
10. Process, review and approve contractor's submittals for City staff. Process and review project design consultant's submittals and provide recommendation to the City.
11. Process, review and track RFIs, submittals, shop drawings, proposed change orders and revisions, and provide recommendation to the City.
12. Review, evaluate and recommend approval for proposed CCOs. Review estimates for reasonableness and cost effectiveness and render recommendations to City. Administrate contracts, process CCOs (provide merit determination, quantification of cost and schedule impacts, render recommendations), review pay requests for accuracy.
13. Maintain cost accounting records on authorized work performed under contract unit costs and additional work performed based on actual costs of time (labor) and materials (T&M).
14. Review contractor submittals for extra or unforeseen work. Review potential CCO for accuracy and provide recommendation(s) to the City's Construction Management and Inspection Services Project Manager for proper course of action and processing of CCOs.
15. Assist City in coordinating services of other consultants (design, geotechnical, National

Pollutant Discharge Elimination System (NPDES), materials testing, inspection, special laboratory testing, etc.) that may be hired or selected for the project.

16. Coordinate with project designer the contractor's requests for interpretation or clarification of meaning and intent of project plans and specifications.
17. Coordinate construction activities with City's Public Works Maintenance Department.
18. Coordinate and oversee public notifications and public inquiries.
19. Establish and implement job safety procedures in compliance with CAL-OSHA requirements. Monitor contractor's compliance with established safety program, respond to deficiencies and hazards, and investigate and report on accidents.
20. Track quantities of work completed for progress payment(s). Develop and implement procedures for review and processing of progress payment applications. Assist the City with review(s) and certification for payment(s).
21. Establish procedures and monitor contractor compliance with federal and state prevailing wage regulations and requirements.
22. Provide a recovery plan and/or work-around schedule as necessary to mitigate any project impacts.
23. Confirm delivery and storage of all materials, supplies, and equipment.
24. Provide recommendation and assistance to the City and the Design/Engineering Team in resolving any dispute(s) arising from the performance of the contractor and sub-contractors.
25. Ensure that the Prime/General Contractor has an appropriate safety program in place.
26. Recommend the accrual and assessment of Liquidated Damages as necessary.
27. City's Construction Manager shall manage and coordinate with contractor the project Substantial Completion Punchlist.
28. Provide a Construction Project Close-Out Report with all construction-related project documents.

<u>INSPECTION SERVICES (as part of Construction Management Services):</u>

General construction management inspection services may include, but not be limited to:

1. Become familiar with construction documents, traffic control plans, construction schedules, construction sequences, and permit requirements from other agencies.
2. Photograph and log a pre-work video documenting existing conditions prior, during, and after construction.
3. Attend pre-construction meetings and present special concerns, if any.

4. Interpret plans, specifications and regulations and ensure that contractors and sub-contractors are following their contracts, and any Federal, State, or local regulations in effect at time work is performed.

5. Inspect construction activities to ensure projects are constructed in accordance with the approved construction documents (including, but not limited to plans, specifications, as-built drawings, reports, etc.).

6. Document in writing and notify construction contractors about non-compliance; and direct Contractor in writing to correct non-compliance items as soon as they are discovered. Maintain a status log of all Non-Compliant items discovered and identified during the performance of this project.

7. Prepare and maintain daily Inspection Reports showing site and weather conditions; traffic control measures taken by contractors; labor (record headcount of prime contractor and subcontractors/vendors), equipment and materials used; quantity of work performed; and major incidents/safety violations. Daily Inspection Reports shall be submitted to City upon project completion.

8. Review and maintain record of construction progress on a regular basis; verify schedules are on track with project milestones; identify deviations; and ensure that corrective actions are taken to bring projects back on schedule.

9. Provide accurate measurements of work completed by contractors in accordance with contract documents.

10. Review soil compaction and materials testing certifications of compliance (COC).

11. Coordinate with materials testing firms regarding quality of work completed.

12. Ensure that contractors do not install materials without approved material testing certifications. Any failed tests shall be reported to the City, and Consultant shall direct contractor to take correction measures to achieve compliance.

13. Monitor contractors' utility coordination to minimize utility conflict delays and potential need for utility relocations. Report potential conflicts to utilities, and advise them to relocate or remove conflicting utilities and report outcome to City.

14. Coordinate with contractor access to adjacent businesses/residents during construction.

15. Provide inspection of traffic control, channelization, and all other traffic-related work.

16. Observe construction safety, public safety and convenience, and report discovered problems to City.

17. Monitor compliance with the City's NPDES permits and requirements. Monitor compliance with all other local, state, and federal laws and regulations.

18. Monitor compliance with City's Construction Demolition and Recycling Ordinance,

including State requirements for organic waste diversion.

19. Maintain data for change orders and record information regarding time of dispute, time of notification by contractor, and action taken by inspector.
20. Coordinate preparation and submittal of "As-Built" plans to City upon project completion.
21. Prepare and issue preliminary and final punch list, including schedule for punch list completion. Monitor and follow through with contractor until completion of all punch list items.
22. Evaluate completion of work and recommend to City when work is ready for final inspection.
23. Conduct final inspection/walk-through with City staff.
24. Secure and transmit required guarantees, certifications, affidavits, leases, easement deeds, operating & maintenance manuals, warranties and other documents as stipulated in contract documents.

CONSTRUCTION MATERIAL TESTING (as part of Construction Management Services):

General construction management materials testing services may include, but not be limited to:

1. Review, recommend and implement testing lab studies and reports.
2. Collect concrete samples and test their strength.
3. Provide soil testing services.
4. Check subgrade compaction for concrete and asphalt construction.
5. Perform tests for sieve analysis, sand equivalent and cleanness, as needed.
6. Perform plant inspection at facilities supplying concrete and hot mix asphalt.
7. Provide summary report of testing results.
8. Verify that sampling and testing procedures are being performed properly.
9. Verify certifications of samplers and testers.
10. Perform split sample tests as necessary.
11. Maintain witness test records.
12. Verify that all testing equipment used for acceptance testing is in good condition and properly calibrated.
13. Verify that all plant inspections are being performed correctly by qualified testers.
14. Provide summary report of quality assurance results.

II. Consultant will perform Services, if any, in accordance with project-specific Task Orders, as follows:

When the City requests proposals from on-call consultants (including the Consultant) on a project-specific Task Order, and if the City accepts Consultant's proposal, then the Task Order and Notice to Proceed shall provide in detail Consultant's Scope of Services on that Task Order. **This Agreement does not guarantee that Consultant will be selected to perform services on Task Orders. This Agreement does not provide for Consultant's compensation except for Consultant's services rendered pursuant to a Notice to Proceed on a Task Order.**

III. Consultant must perform all on-call Services in compliance with the following requirements:

A. Each task shall be indicated by a written request ("Task Order") produced by the Contract Officer with a description of the work to be performed, and the time desired for completion. All tasks shall be carried out in conformity with all provisions of this Agreement.

B. Consultant must prepare a written description of the requested tasks including all components and subtasks; the costs to perform the task ("Task Budget"), using the itemized fees in Exhibit C, Schedule of Compensation, whenever a requested task is provided for in Exhibit C; explain how the cost was determined; and, a schedule for completion of the task ("Task Completion Date"); which shall all collectively be referred to as the "Task Proposal."

C. Contract Officer shall in writing approve, modify, or reject the Task Proposal, and may issue a Notice to Proceed.

D. The task shall be performed at a cost not to exceed the Task Budget.

E. Consultant shall complete the task and deliver all deliverables to Contract Officer by the Task Completion Date.

IV. **In addition to the requirements of Section 6.2 and pursuant to the Task Order's project-specific Scope of Services, the Contract Officer may require the Consultant to provide the following deliverables, as applicable:**

A. Meeting minutes

B. Construction schedule and budget updates

C. Construction Project Close-Out Report

D. Inspection reports

E. Accurate measurements of work completed

F. Summary report of test results

G. Summary report of quality assurance results

V. **All work product is subject to review and acceptance by the City, and must be revised by the Consultant without additional charge to the City until found satisfactory and accepted by City.**

VI. **Consultant will utilize qualified personnel with the following titles to perform the Services required by the applicable Task Order. Consultant shall obtain the Contract Officer's advanced written approval when replacing any individual assigned to perform services on Task Orders:**

A. Danny Kaye,Principal, Sr. Construction Project Manager

B. Alejandro Pinel, Construction Project Manager

C. Patrick Lappin, Sr. Construction Project Manager

D. Sandra Gonzalez, Sr. Project Manager

E. Ethan Erickson, Project Engineer

F. Henry Graves, QA/QC

G. Koury, Subcontractor, Inspection/Lab Testing

EXHIBIT "B"
SPECIAL REQUIREMENTS
(Superseding Contract Boilerplate)

The Agreement is hereby amended as follows (deletions shown in ~~strikethrough~~ and additions shown in ***bold italics***):

I. Section 1.1 (Scope of Services) of the Agreement is hereby amended to read in its entirety as follows:

"1.1 Scope of Services.

In compliance with all terms and conditions of this Agreement, the Consultant shall provide those services specified in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by this reference, which may be referred to herein as the "services" or "work" hereunder. As a material inducement to the City entering into this Agreement, Consultant represents ~~and warrants~~ that it has the qualifications, experience, and facilities necessary to properly perform the services required under this Agreement in a thorough, competent, and professional manner, and is experienced in performing the work and services contemplated herein. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. Consultant covenants that it shall follow the highest professional standards in performing the work and services required hereunder and that all materials will be ~~both of good quality as well as fit for the purpose intended~~ ***in conformance with such standards***. For purposes of this Agreement, the phrase "highest professional standards" shall mean those standards of practice recognized by one or more ~~first-class~~ ***professional*** firms performing similar work under similar circumstances."

II. Section 1.5 (Familiarity with Work) of the Agreement is hereby amended to read in its entirety as follows:

"1.5 Familiarity with Work.

By executing this Agreement, Consultant ***represents*** ~~warrants~~ that Consultant (i) has thoroughly investigated and considered the scope of services to be performed, (ii) has carefully considered how the services should be performed, and (iii) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, Consultant ***represents*** ~~warrants~~ that Consultant has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder. Should the Consultant discover any latent or unknown conditions, which will materially affect the performance of the services hereunder, Consultant shall immediately inform the City of such fact and shall not proceed except at Consultant's risk until written instructions are received from the Contract Officer."

III. A new Section 1.10 (Compliance with Labor and Wage Laws) is hereby added to the Agreement, to read in its entirety as follows:

"1.10 Compliance with Labor and Wage Laws.

Certain portions of the Services may be subject to prevailing wages under the Labor Code and to the extent such is true, the below provisions will apply.

(a) Public Work. The Parties acknowledge that the work to be performed under this Agreement is a "public work" as defined in Labor Code Section 1720 and that this Agreement is therefore subject to the requirements of Division 2, Part 7, Chapter 1 (commencing with Section 1720) of the California Labor Code relating to public works contracts and the rules and regulations established by the Department of Industrial Relations ("**DIR**") implementing such statutes. The work performed under this Agreement is subject to compliance monitoring and enforcement by the DIR. Consultant shall post job site notices, as prescribed by regulation.

(b) Registration with DIR. Pursuant to Labor Code section 1771.1, Consultant and all subcontractors must be registered with, and pay an annual fee to, the DIR prior to and during the performance of any work under this Agreement.

(c) Prevailing Wages. Consultant shall pay prevailing wages to the extent required by Labor Code Section 1771. Pursuant to Labor Code Section 1773.2, copies of the prevailing rate of per diem wages are on file at City Hall and will be made available to any interested party on request. By initiating any work under this Agreement, Consultant acknowledges receipt of a copy of the DIR determination of the prevailing rate of per diem wages, and Consultant shall post a copy of the same at each job site where work is performed under this Agreement. If this Agreement is subject to the payment of federal prevailing wages under the Davis-Bacon Act (40 U.S.C. § 3141 *et seq.*), then Consultant shall pay the higher of either the state for federal prevailing wage applicable to each laborer.

(d) Penalty for Failure to Pay Prevailing Wages. Consultant shall comply with and be bound by the provisions of Labor Code Sections 1774 and 1775 concerning the payment of prevailing rates of wages to workers and the penalties for failure to pay prevailing wages. The Consultant shall, as a penalty to the City, forfeit two hundred dollars ($200) for each calendar day, or portion thereof, for each worker paid less than the prevailing rates as determined by the DIR for the work or craft in which the worker is employed for any public work done pursuant to this Agreement by Consultant or by any subcontractor.

(e) Payroll Records. Consultant shall comply with and be bound by the provisions of Labor Code Section 1776, which requires Consultant and each subcontractor to: keep accurate payroll records and verify such records in writing under penalty of perjury, as specified in Section 1776; certify and make such payroll records available for inspection as provided by Section 1776; and inform the City of the location of the records.

(f) Apprentices. Consultant shall comply with and be bound by the provisions of Labor Code Sections 1777.5, 1777.6, and 1777.7 and California Code of Regulations Title 8, Section 200 et seq. concerning the employment of apprentices on public works projects. Consultant shall be responsible for compliance with these aforementioned Sections for all apprenticeable occupations. Prior to commencing work under this Agreement, Consultant

shall provide City with a copy of the information submitted to any applicable apprenticeship program. Within sixty (60) days after concluding work pursuant to this Agreement, Consultant and each of its subcontractors shall submit to the City a verified statement of the journeyman and apprentice hours performed under this Agreement.

(g) Eight-Hour Work Day. Consultant acknowledges that eight (8) hours labor constitutes a legal day's work. Consultant shall comply with and be bound by Labor Code Section 1810.

(h) Penalties for Excess Hours. Consultant shall comply with and be bound by the provisions of Labor Code Section 1813 concerning penalties for workers who work excess hours. Consultant shall, as a penalty to the City, forfeit twenty-five dollars ($25) for each worker employed in the performance of this Agreement by Consultant or by any subcontractor for each calendar day during which such worker is required or permitted to work more than eight (8) hours in any one calendar day and forty (40) hours in any one calendar week in violation of the provisions of Division 2, Part 7, Chapter 1, Article 3 of the Labor Code. Pursuant to Labor Code section 1815, work performed by employees of Consultant in excess of eight (8) hours per day, and forty (40) hours during any one week shall be permitted upon public work upon compensation for all hours worked in excess of 8 hours per day at not less than one and one-half (1½) times the basic rate of pay.

(i) Workers' Compensation. California Labor Code Sections 1860 and 3700 provide that every employer will be required to secure the payment of compensation to its employees if it has employees. In accordance with the provisions of California Labor Code Section 1861, Consultant certifies as follows:

"I am aware of the provisions of Section 3700 of the Labor Code which require every employer to be insured against liability for workers' compensation or to undertake self-insurance in accordance with the provisions of that code, and I will comply with such provisions before commencing the performance of the work of this contract."

(j) Consultant's Responsibility for Subcontractors. For every subcontractor who will perform work under this Agreement, Consultant shall be responsible for such subcontractor's compliance with Division 2, Part 7, Chapter 1 (commencing with Section 1720) of the California Labor Code, and shall make such compliance a requirement in any contract with any subcontractor for work under this Agreement. Consultant shall be required to take all actions necessary to enforce such contractual provisions and ensure subcontractor's compliance, including without limitation, conducting a review of the certified payroll records of the subcontractor on a periodic basis or upon becoming aware of the failure of the subcontractor to pay his or her workers the specified prevailing rate of wages. Consultant shall diligently take corrective action to halt or rectify any such failure by any subcontractor."

IV. Section 3.4 (Term) of the Agreement is hereby amended to read in its entirety as follows:

"3.4 Term

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services ***commencing January 1, 2024 and expiring June 30, 2026*** ~~but not exceeding one (1) years from the date hereof~~, except as otherwise provided in the Schedule of Performance (Exhibit "D"). ***The City may, at its sole discretion, elect to extend the Term by two (2) additional one-year terms (each, an "Extension Term"). The pricing to be applied for each Extension Term is listed in Exhibit "C."***"

V. Section 4.5 (Prohibition Against Subcontracting or Assignment) of the Agreement is hereby amended to read in its entirety as follows:

"4.5 Prohibition Against Subcontracting or Assignment

The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, ***with the exception of Koury which provides inspection and lab testing services,*** Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express consent of City."

VI. The first paragraph of Section 5.3 (Indemnification) of the Agreement is hereby amended to read in its entirety as follows:

"5.3 Indemnification.

To the full extent permitted by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, ***and*** employees ~~and agents~~ ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity ***to the extent*** arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Consultant is legally liable ("indemnitors"), or arising from Consultant's or indemnitors' reckless or willful misconduct, or arising from Consultant's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:"

VII. Section 8.2 (Conflict of Interest) of the Agreement is hereby amended to read in its entirety as follows:

"8.2 Conflict of Interest.

Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the Contract Officer. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which affects her/his financial interest or the financial interest of any corporation, partnership or association in which (s)he is, directly or indirectly, interested, in violation of any State statute or regulation. The Consultant ***represents*** ~~warrants~~ that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement."

VIII. A new Section 9.8 (No Third-Party Beneficiaries) is hereby added to the Agreement, to read in its entirety as follows:

"***9.8 No Third-Party Beneficiaries.***

All services provided by Consultant are for the sole use and benefit of City. Except as expressly provided for in this Agreement, nothing in this Agreement shall create a contractual relationship with or a cause of action in favor of a third party against Consultant or City."

EXHIBIT "C"
SCHEDULE OF COMPENSATION

I. **This Schedule of Compensation governs Consultant's compensation in the event the Consultant performs services pursuant to a Notice to Proceed on a Task Order. This Agreement does not guarantee that Consultant will be selected to perform services on Task Orders.**

The not to exceed compensation amounts are as follows:

January 1, 2024 through June 30, 2024:	$94,250.00
July 1, 2024 through June 30, 2025:	$192,270.00*
July 1, 2025 through June 30, 2026:	$196,115.00*
Total:	$482,635.00

July 1, 2026 through June 30, 2027:	$200,037.00 (extension period)*
July 1, 2027 through June 30, 2028:	$204,038 (extension period)*

*Amount reflects 2% increase from prior year.

II. **Consultant responding to the City's request for proposals on a project-specific Task Order shall establish a Task Budget for the Task Order, identifying the subtasks based on the time and rates of the personnel performing the subtasks, and itemizing all materials and equipment utilized and the costs thereof. If payment is to be made other than at completion of the services, then the phases of the performance and percentage of payment due shall also be shown in the Task Proposal. Consultant's proposals on Task Orders shall be based on hourly rates identical to the rates attached as Exhibit C-1.**

III. **The City will compensate Consultant for the Services performed upon submission of a valid invoice. Each invoice is to include:**

A. Line items for all personnel describing the work performed, the number of hours worked, and the hourly rate.

B. Line items for all materials and equipment properly charged to the Services.

C. Line items for all other approved reimbursable expenses claimed, with supporting documentation.

D. Line items for all approved subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

IV. **The total compensation for the Services shall not exceed $482,635.00 as provided in Section 2.1 of this Agreement.**

V. **The Consultant's billing rates for all personnel are attached as Exhibit C-1.**

EXHIBIT "C-1"
BILLING RATES

Principal/Construction Manager	$195/hour
Senior Construction Manager	$195/hour
Construction Manager	$145/hour
Assistant Construction Manager	$125/hour
Project Engineer	$110/hour

EXHIBIT "D"
SCHEDULE OF PERFORMANCE

I. **Consultant shall perform all Services on an on-call basis as set forth in Exhibit "A."**

II. **If the City selects the Consultant's proposal to perform a project-specific Task Order, the Task Order's Scope of Work/Services or the Notice to Proceed, or both, shall provide the detailed schedule of performance, and all services shall be completed timely in accordance with the approved Task Proposal and by the Task Completion Date.**

c. **Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. **Primary And Non-Contributory Insurance If Required By Written Contract**

If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

(1) The "bodily injury" or "property damage" for which coverage is sought occurs; and

(2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;

subsequent to the signing of that contract or agreement by you.

5. **Premium Audit**

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. **Representations**

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. **Separation Of Insureds**

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. **Transfer Of Rights Of Recovery Against Others To Us**

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. **When We Do Not Renew**

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION V – DEFINITIONS

1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:

a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and

b. Regarding websites, only that part of a website that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.

occupational therapist or occupational therapy assistant, physical therapist or speech-language pathologist; or

(b) First aid or "Good Samaritan services" by any of your "employees" or "volunteer workers", other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

3. The following replaces the last sentence of Paragraph **5.** of **SECTION III – LIMITS OF INSURANCE**:

For the purposes of determining the applicable Each Occurrence Limit, all related acts or omissions committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to any one person will be deemed to be one "occurrence".

4. The following exclusion is added to Paragraph **2.**, **Exclusions**, of **SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**:

Sale Of Pharmaceuticals

"Bodily injury" or "property damage" arising out of the violation of a penal statute or ordinance relating to the sale of pharmaceuticals committed by, or with the knowledge or consent of the insured.

5. The following is added to the **DEFINITIONS** Section:

"Incidental medical services" means:

a. Medical, surgical, dental, laboratory, x-ray or nursing service or treatment, advice or instruction, or the related furnishing of food or beverages; or

b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to any of your "employees" for "bodily injury" that arises out of providing or failing to provide "incidental medical services" to any person to the extent not subject to Paragraph **2.a.(1)** of Section **II** – Who Is An Insured.

K. MEDICAL PAYMENTS – INCREASED LIMIT

The following replaces Paragraph **7.** of **SECTION III – LIMITS OF INSURANCE**:

7. Subject to Paragraph **5.** above, the Medical Expense Limit is the most we will pay under Coverage **C** for all medical expenses because of "bodily injury" sustained by any one person, and will be the higher of:

a. $10,000; or

b. The amount shown in the Declarations of this Coverage Part for Medical Expense Limit.

L. AMENDMENT OF EXCESS INSURANCE CONDITION – PROFESSIONAL LIABILITY

The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is Professional Liability or similar coverage, to the extent the loss is not subject to the professional services exclusion of Coverage **A** or Coverage **B**.

M. BLANKET WAIVER OF SUBROGATION – WHEN REQUIRED BY WRITTEN CONTRACT OR AGREEMENT

The following is added to Paragraph **8.**, **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

If the insured has agreed in a written contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:

a. "Bodily injury" or "property damage" that occurs; or

b. "Personal and advertising injury" caused by an offense that is committed;

subsequent to the signing of that contract or agreement.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Names of Additional Insured Person(s) or Organization(s):

Any person or organization that you agree in a written contract to include as an additional insured on this Coverage Part, provided that such written contract was signed by you before,and is in effect when, the "bodily injury" or "property damage" occurs or the "personal injury" or "advertising injury" offense is committed.

Location of Covered Operations:

Any project to which a written contract with the Additional Insured Person(s) or Organization(s) in the Schedule applies.

(Information required to complete this Schedule, if not shown above, will be shown in the Declarations.)

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage", "personal injury" or "advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring, or "personal injury" or "advertising injury" arising out of an offense committed, after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – COMPLETED OPERATIONS

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):
Any person or organization that you agree in a written contract to include as an additional insured on this Coverage Part for "bodily injury" or "property damage" included in the products-completed operations hazard, provided that such contract was signed by you before, and is in effect when, the "bodily injury or "property damage" occurs.

Location And Description Of Completed Operations
Any project to which a written contract with the Additional Insured Person(s) or Organization(s) in the Schedule applies.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

BLANKET WAIVER OF SUBROGATION

This endorsement modifies insurance provided under the following:

AUTO DEALERS COVERAGE FORM
BUSINESS AUTO COVERAGE FORM
MOTOR CARRIER COVERAGE FORM

The following replaces Paragraph **A.5.**, **Transfer of Rights Of Recovery Against Others To Us**, of the **CONDITIONS** Section:

5. Transfer Of Rights Of Recovery Against Others To Us

We waive any right of recovery we may have against any person or organization to the extent required of you by a written contract executed prior to any "accident" or "loss", provided that the "accident" or "loss" arises out of the operations contemplated by such contract. The waiver applies only to the person or organization designated in such contract.

AMENDMENT NO. 1

TO AGREEMENT FOR CONTRACT SERVICES

THIS AMENDMENT NO. 1 TO THE AGREEMENT FOR CONTRACT SERVICES ("Amendment No. 1") by and between the CITY OF CARSON, a California municipal corporation ("City") and TOTUM CORP, a California corporation ("Consultant"), is effective as of the 21st day of January, 2025. City and Consultant are sometimes hereinafter individually referred to as "Party" and collectively referred to as the "Parties."

RECITALS

A. City and Consultant entered into that certain Agreement for Contract Services dated December 19, 2023 ("Agreement"), whereby Consultant agreed to provide City construction management and inspection services on an on-call basis for a two and one-half year term commencing January 1, 2024 and expiring June 30, 2026, for $482,635.00, with two additional options to extend by one year each.

B. Since commencement of the Term, Consultant has been selected and tasked to oversee the construction of Foisia Park and Carriage Crest Park ("Additional Services"), and as such, an additional $400,000.00 needs to be allocated to this Agreement to allow Consultant to perform such services through June 30, 2025.

C. The Parties now desire to amend the Agreement to specifically prescribe the Additional Services for an additional $400,000.00, thereby increasing the Contract Sum from $482,635.00 to $882,635.00, for that purpose.

D. Section 2611(m)(3) of the Carson Municipal Code ("CMC") provides that any proposed amendment to a contract exceeding $75,000 requires solicitation unless the amendment concerns a change order under Section 2601(d) of the CMC in which event bidding will not be required irrespective of the amount of the change order.

E. The Additional Services qualify as a change order because they concern a change to the scope of work and price arising out of reasonably unforeseeable circumstances borne out of the original scope of the Agreement. It is a change to the scope of work because it is not included in the Scope of Services and it is borne out of the original Scope of Services because the nature of services is similar to the original scope except the description contains more specificity, and at the time the Parties entered into the Agreement the Additional Services were reasonably unforeseeable.

TERMS

1. **Contract Changes**. The Agreement is amended as provided herein (added text shown in ***bold italics***, deleted text in ~~strikethrough font~~).

A. Section 2.1 (Contract Sum) is hereby amended to read in its entirety as follows:

"2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed ***Eight Hundred Eighty-Two Thousand, Six Hundred Thirty-Five Dollars and Zero Cents ($882,635.00)*** ~~Four Hundred Eighty Two Thousand Six Hundred Thirty Five Dollars and Zero Cents ($482,635.00)~~ (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8. In the event City elects to exercise its options to extend the Term pursuant to Section 3.4 hereof, the Contract Sum will increase consistent with the additional not to exceed compensation applicable to each Extension Term, as set out in in Exhibit "C.""

B. Exhibit A (Scope of Services) is hereby amended to read in its entirety as follows:

See attached.

C. Exhibit C (Schedule of Compensation) is hereby amended to read in its entirety as follows:

See attached.

2. Continuing Effect of Agreement. Except as amended by this Amendment No. 1, all provisions of the Agreement, shall remain unchanged and in full force and effect. From and after the date of this Amendment No. 1, whenever the term "Agreement" appears in the Agreement, it shall mean the Agreement, as amended by this Amendment No. 1.

3. Affirmation of Agreement; Warranty Re Absence of Defaults. City and Consultant each ratify and reaffirm each and every one of the respective rights and obligations arising under the Agreement. Each party represents and warrants to the other that there have been no written or oral modifications to the Agreement. Each party represents and warrants to the other that the Agreement, as amended by this Amendment No. 1, is currently an effective, valid, and binding obligation.

Consultant represents and warrants to City that, as of the date of this Amendment No. 1, City is not in default of any material term of the Agreement and that there have been no events that, with the passing of time or the giving of notice, or both, would constitute a material default under the Agreement.

City represents and warrants to Consultant that, as of the date of this Amendment No. 1, Consultant is not in default of any material term of the Agreement and that there have been no events that, with the passing of time or the giving of notice, or both, would constitute a material default under the Agreement.

4. **Adequate Consideration.** The parties hereto irrevocably stipulate and agree that they have each received adequate and independent consideration for the performance of the obligations they have undertaken pursuant to this Amendment No. 1.

5. **Authority.** The persons executing this Amendment No. 1 on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Amendment No. 1 on behalf of said party, (iii) by so executing this Amendment No. 1, such party is formally bound to the provisions of this Amendment No. 1, and (iv) the entering into this Amendment No. 1 does not violate any provision of any other agreement to which said party is bound.

6. **Counterparts.** This Amendment No. 1 may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Amendment No. 1.

[SIGNATURES ON FOLLOWING PAGE]

CONSULTANT'S SIGNATURES SHALL BE DULY NOTARIZED, AND APPROPRIATE ATTESTATIONS SHALL BE INCLUDED AS MAY BE REQUIRED BY THE BYLAWS, ARTICLES OF INCORPORATION, OR OTHER RULES OR REGULATIONS APPLICABLE TO CONSULTANT'S BUSINESS ENTITY.

EXHIBIT "A"
SCOPE OF SERVICES

I. Consultant will perform the following Services on an on-call basis, *including but not limited to, oversight of construction of Foisia Park and Carriage Crest Park*:

CONSTRUCTION MANAGEMENT SERVICES:

General construction management services may include, but not be limited to:

1. Coordinating and conducting Pre-Construction meetings.
2. Preparation and distribution of meeting minutes.
3. Quality assurance and quality control.
4. Administration and management of construction contracts.
5. Ensure construction efforts are completed per approved plans, on-schedule, and on-budget.
6. Ensure that local and state inspections have been completed as necessary.
7. Review construction schedule, including activity sequences and duration, schedule of submittals and delivery schedule of long lead materials and equipment. Review contractor's updates and revisions as may be required to reflect actual progress of work.
8. Provide construction schedule and budget updates to City's Contract Officer.
9. Schedule and conduct progress meetings to discuss contract issues, procedures, progress, problems, Construction Change Orders (CCO), submittals, requests for information (RFIs), deficiencies and schedules.
10. Process, review and approve contractor's submittals for City staff. Process and review project design consultant's submittals and provide recommendation to the City.
11. Process, review and track RFIs, submittals, shop drawings, proposed change orders and revisions, and provide recommendation to the City.
12. Review, evaluate and recommend approval for proposed CCOs. Review estimates for reasonableness and cost effectiveness and render recommendations to City. Administrate contracts, process CCOs (provide merit determination, quantification of cost and schedule impacts, render recommendations), review pay requests for accuracy.
13. Maintain cost accounting records on authorized work performed under contract unit costs and additional work performed based on actual costs of time (labor) and materials (T&M).
14. Review contractor submittals for extra or unforeseen work. Review potential CCO for accuracy and provide recommendation(s) to the City's Construction Management and Inspection Services Project Manager for proper course of action and processing of CCOs.
15. Assist City in coordinating services of other consultants (design, geotechnical, National

Pollutant Discharge Elimination System (NPDES), materials testing, inspection, special laboratory testing, etc.) that may be hired or selected for the project.

16. Coordinate with project designer the contractor's requests for interpretation or clarification of meaning and intent of project plans and specifications.
17. Coordinate construction activities with City's Public Works Maintenance Department.
18. Coordinate and oversee public notifications and public inquiries.
19. Establish and implement job safety procedures in compliance with CAL-OSHA requirements. Monitor contractor's compliance with established safety program, respond to deficiencies and hazards, and investigate and report on accidents.
20. Track quantities of work completed for progress payment(s). Develop and implement procedures for review and processing of progress payment applications. Assist the City with review(s) and certification for payment(s).
21. Establish procedures and monitor contractor compliance with federal and state prevailing wage regulations and requirements.
22. Provide a recovery plan and/or work-around schedule as necessary to mitigate any project impacts.
23. Confirm delivery and storage of all materials, supplies, and equipment.
24. Provide recommendation and assistance to the City and the Design/Engineering Team in resolving any dispute(s) arising from the performance of the contractor and sub-contractors.
25. Ensure that the Prime/General Contractor has an appropriate safety program in place.
26. Recommend the accrual and assessment of Liquidated Damages as necessary.
27. City's Construction Manager shall manage and coordinate with contractor the project Substantial Completion Punchlist.
28. Provide a Construction Project Close-Out Report with all construction-related project documents.

<u>INSPECTION SERVICES (as part of Construction Management Services):</u>

General construction management inspection services may include, but not be limited to:

1. Become familiar with construction documents, traffic control plans, construction schedules, construction sequences, and permit requirements from other agencies.
2. Photograph and log a pre-work video documenting existing conditions prior, during, and after construction.
3. Attend pre-construction meetings and present special concerns, if any.

4. Interpret plans, specifications and regulations and ensure that contractors and sub-contractors are following their contracts, and any Federal, State, or local regulations in effect at time work is performed.

5. Inspect construction activities to ensure projects are constructed in accordance with the approved construction documents (including, but not limited to plans, specifications, as-built drawings, reports, etc.).

6. Document in writing and notify construction contractors about non-compliance; and direct Contractor in writing to correct non-compliance items as soon as they are discovered. Maintain a status log of all Non-Compliant items discovered and identified during the performance of this project.

7. Prepare and maintain daily Inspection Reports showing site and weather conditions; traffic control measures taken by contractors; labor (record headcount of prime contractor and subcontractors/vendors); equipment and materials used; quantity of work performed; and major incidents/safety violations. Daily Inspection Reports shall be submitted to City upon project completion.

8. Review and maintain record of construction progress on a regular basis; verify schedules are on track with project milestones; identify deviations; and ensure that corrective actions are taken to bring projects back on schedule.

9. Provide accurate measurements of work completed by contractors in accordance with contract documents.

10. Review soil compaction and materials testing certifications of compliance (COC).

11. Coordinate with materials testing firms regarding quality of work completed.

12. Ensure that contractors do not install materials without approved material testing certifications. Any failed tests shall be reported to the City, and Consultant shall direct contractor to take correction measures to achieve compliance.

13. Monitor contractors' utility coordination to minimize utility conflict delays and potential need for utility relocations. Report potential conflicts to utilities, and advise them to relocate or remove conflicting utilities and report outcome to City.

14. Coordinate with contractor access to adjacent businesses/residents during construction.

15. Provide inspection of traffic control, channelization, and all other traffic-related work.

16. Observe construction safety, public safety and convenience, and report discovered problems to City.

17. Monitor compliance with the City's NPDES permits and requirements. Monitor compliance with all other local, state, and federal laws and regulations.

18. Monitor compliance with City's Construction Demolition and Recycling Ordinance,

including State requirements for organic waste diversion.

19. Maintain data for change orders and record information regarding time of dispute, time of notification by contractor, and action taken by inspector.
20. Coordinate preparation and submittal of "As-Built" plans to City upon project completion.
21. Prepare and issue preliminary and final punch list, including schedule for punch list completion. Monitor and follow through with contractor until completion of all punch list items.
22. Evaluate completion of work and recommend to City when work is ready for final inspection.
23. Conduct final inspection/walk-through with City staff.
24. Secure and transmit required guarantees, certifications, affidavits, leases, easement deeds, operating & maintenance manuals, warranties and other documents as stipulated in contract documents.

CONSTRUCTION MATERIAL TESTING (as part of Construction Management Services):

General construction management materials testing services may include, but not be limited to:

1. Review, recommend and implement testing lab studies and reports.
2. Collect concrete samples and test their strength.
3. Provide soil testing services.
4. Check subgrade compaction for concrete and asphalt construction.
5. Perform tests for sieve analysis, sand equivalent and cleanness, as needed.
6. Perform plant inspection at facilities supplying concrete and hot mix asphalt.
7. Provide summary report of testing results.
8. Verify that sampling and testing procedures are being performed properly.
9. Verify certifications of samplers and testers.
10. Perform split sample tests as necessary.
11. Maintain witness test records.
12. Verify that all testing equipment used for acceptance testing is in good condition and properly calibrated.
13. Verify that all plant inspections are being performed correctly by qualified testers.
14. Provide summary report of quality assurance results.

II. Consultant will perform Services, if any, in accordance with project-specific Task Orders, as follows:

When the City requests proposals from on-call consultants (including the Consultant) on a project-specific Task Order, and if the City accepts Consultant's proposal, then the Task Order and Notice to Proceed shall provide in detail Consultant's Scope of Services on that Task Order. **This Agreement does not guarantee that Consultant will be selected to perform services on Task Orders. This Agreement does not provide for Consultant's compensation except for Consultant's services rendered pursuant to a Notice to Proceed on a Task Order.**

III. Consultant must perform all on-call Services in compliance with the following requirements:

A. Each task shall be indicated by a written request ("Task Order") produced by the Contract Officer with a description of the work to be performed, and the time desired for completion. All tasks shall be carried out in conformity with all provisions of this Agreement.

B. Consultant must prepare a written description of the requested tasks including all components and subtasks; the costs to perform the task ("Task Budget"), using the itemized fees in Exhibit C, Schedule of Compensation, whenever a requested task is provided for in Exhibit C; explain how the cost was determined; and, a schedule for completion of the task ("Task Completion Date"); which shall all collectively be referred to as the "Task Proposal."

C. Contract Officer shall in writing approve, modify, or reject the Task Proposal, and may issue a Notice to Proceed.

D. The task shall be performed at a cost not to exceed the Task Budget.

E. Consultant shall complete the task and deliver all deliverables to Contract Officer by the Task Completion Date.

IV. In addition to the requirements of Section 6.2 and pursuant to the Task Order's project-specific Scope of Services, the Contract Officer may require the Consultant to provide the following deliverables, as applicable:

A. Meeting minutes

B. Construction schedule and budget updates

C. Construction Project Close-Out Report

D. Inspection reports

E. Accurate measurements of work completed

F. Summary report of test results

G. Summary report of quality assurance results

V. All work product is subject to review and acceptance by the City, and must be revised by the Consultant without additional charge to the City until found satisfactory and accepted by City.

VI. Consultant will utilize qualified personnel with the following titles to perform the Services required by the applicable Task Order. Consultant shall obtain the Contract Officer's advanced written approval when replacing any individual assigned to perform services on Task Orders:

A. Danny Kaye,Principal, Sr. Construction Project Manager

B. Alejandro Pinel, Construction Project Manager

C. Patrick Lappin, Sr. Construction Project Manager

D. Sandra Gonzalez, Sr. Project Manager

E. Ethan Erickson, Project Engineer

F. Henry Graves, QA/QC

G. Koury, Subcontractor, Inspection/Lab Testing

EXHIBIT "C"
SCHEDULE OF COMPENSATION

I. **This Schedule of Compensation governs Consultant's compensation in the event the Consultant performs services pursuant to a Notice to Proceed on a Task Order. This Agreement does not guarantee that Consultant will be selected to perform services on Task Orders.**

The not to exceed compensation amounts are as follows:

January 1, 2024 through June 30, 2024 - $94,250.00

July 1, 2024 through June 30, 2025 – ~~$192,270.00*~~ ***$592,270.00***

July 1, 2025 through June 30, 2026 – $196,115.00~~*~~

Total: ~~$482,635.00~~ ***$882,635.00***

July 1, 2026 through June 30, 2027 – $200,037.00 (extension period)~~*~~

July 1, 2027 through June 30, 2028 – $204,038 (extension period)~~*~~

~~*Amount reflects 2% increase from prior year.~~

II. **Consultant responding to the City's request for proposals on a project-specific Task Order shall establish a Task Budget for the Task Order, identifying the subtasks based on the time and rates of the personnel performing the subtasks, and itemizing all materials and equipment utilized and the costs thereof. If payment is to be made other than at completion of the services, then the phases of the performance and percentage of payment due shall also be shown in the Task Proposal. Consultant's proposals on Task Orders shall be based on hourly rates identical to the rates attached as Exhibit C-1.**

III. **The City will compensate Consultant for the Services performed upon submission of a valid invoice. Each invoice is to include:**

A. Line items for all personnel describing the work performed, the number of hours worked, and the hourly rate.

B. Line items for all materials and equipment properly charged to the Services.

C. Line items for all other approved reimbursable expenses claimed, with supporting documentation.

D. Line items for all approved subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

IV. **The total compensation for the Services shall not exceed ~~$482,635.00~~*$882,635.00* as provided in Section 2.1 of this Agreement.**

V. **The Consultant's billing rates for all personnel are attached as Exhibit C-1.**

AMENDMENT NO. 2

TO AGREEMENT FOR CONTRACT SERVICES

THIS AMENDMENT NO. 2 TO THE AGREEMENT FOR CONTRACT SERVICES ("Amendment No. 2") by and between the CITY OF CARSON, a California municipal corporation ("City") and TOTUM CORP, a California corporation ("Consultant"), is effective as of the 1st day of July, 2025. City and Consultant are sometimes hereinafter individually referred to as "Party" and collectively referred to as the "Parties."

RECITALS

A. City and Consultant entered into that certain Agreement for Contract Services dated December 19, 2023 ("Agreement"), whereby Consultant agreed to provide City construction management and inspection services on an on-call basis for a two and one-half year term commencing January 1, 2024 and expiring June 30, 2026, for $482,635.00, with two additional options to extend by one year each.

B. Since commencement of the Term, Consultant has been selected and tasked to oversee the construction of Foisia Park and Carriage Crest Park ("Additional Services"), and as such, an additional $400,000.00 was allocated to this Agreement to allow Consultant to perform such services through June 30, 2025.

C. The Parties entered into an amendment to the Agreement dated January 21, 2025 ("Amendment No. 1) to specifically prescribe the Additional Services for an additional $400,000.00, thereby increasing the Contract Sum from $482,635.00 to $882,635.00, for that purpose.

D. The Parties now wish to amend the Agreement to increase the contract amount by $350,000, raising the total Contract Sum from $882,635.00 to $1,232,635.00, to cover the additional cost of services. These services include continued oversight of the project's implementation in accordance with approved plans and specifications, adherence to construction schedules, compliance with City and safety regulations, inspection of construction quality, and coordination with stakeholders to ensure timely delivery.

E. Section 2611(m)(3) of the Carson Municipal Code ("CMC") provides that any proposed amendment to a contract exceeding $75,000 requires solicitation unless the amendment concerns a change order under Section 2601(d) of the CMC in which event bidding will not be required irrespective of the amount of the change order.

F. This Amendment No. 2 qualifies as a change order because it concerns a change to the price arising out of reasonably unforeseeable circumstances borne out of the original scope of the Agreement.

TERMS

1. Contract Changes. The Agreement is amended as provided herein (added text shown in ***bold italics***, deleted text in ~~strikethrough font~~).

A. Section 2.1 (Contract Sum) is hereby amended to read in its entirety as follows:

"2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed ***One Million Two Hundred Thirty Two Thousand, Six Hundred Thirty Five Dollars and Zero Cents ($1,232,635.00)*** ~~Eight Hundred Eighty-Two Thousand, Six Hundred Thirty-Five Dollars and Zero Cents ($882,635.00)~~ (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8. In the event City elects to exercise its options to extend the Term pursuant to Section 3.4 hereof, the Contract Sum will increase consistent with the additional not to exceed compensation applicable to each Extension Term, as set out in in Exhibit "C.""

B. Exhibit C (Schedule of Compensation) is hereby amended to read in its entirety as follows:

See attached.

2. Continuing Effect of Agreement. Except as amended by this Amendment No. 2, all provisions of the Agreement, and Amendment No. 1 shall remain unchanged and in full force and effect. From and after the date of this Amendment No. 2, whenever the term "Agreement" appears in the Agreement, it shall mean the Agreement, as amended by this Amendment No. 2 and Amendment No. 1 to the Agreement.

3. Affirmation of Agreement; Warranty Re Absence of Defaults. City and Consultant each ratify and reaffirm each and every one of the respective rights and obligations arising under the Agreement and Amendment No. 1. Each party represents and warrants to the other that there have been no written or oral modifications to the Agreement other than as provided herein and Amendment No. 1. Each party represents and warrants to the other that the Agreement is currently an effective, valid, and binding obligation.

Consultant represents and warrants to City that, as of the date of this Amendment No. 2, City is not in default of any material term of the Agreement and that there have been no events that, with the passing of time or the giving of notice, or both, would constitute a material default under the Agreement.

4. **Adequate Consideration.** The parties hereto irrevocably stipulate and agree that they have each received adequate and independent consideration for the performance of the obligations they have undertaken pursuant to this Amendment No. 2.

5. **Authority.** The persons executing this Amendment No. 2 on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Amendment No. 2 on behalf of said party, (iii) by so executing this Amendment No. 2, such party is formally bound to the provisions of this Amendment No. 2, and (iv) the entering into this Amendment No. 2 does not violate any provision of any other agreement to which said party is bound.

6. **Counterparts.** This Amendment No. 2 may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Amendment No. 2.

[SIGNATURES ON FOLLOWING PAGE]

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Name Of Additional Insured Person(s) Or Organization(s):

Any person or organization that you agree in a written contract to include as an additional insured on this Coverage Part for "bodily injury" or "property damage" included in the "products-completed operations hazard", provided that such contract was signed and executed by you before, and is in effect when, the bodily injury or property damage occurs.

Location And Description Of Completed Operations

Any project to which an applicable contract described in the Name of Additional Insured Person(s) or Organization(s) section of this Schedule applies.

Information required to complete this Schedule, if not shown above, will be shown in the Declarations.

Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part, by "your work" at the location designated and described in the schedule of this endorsement performed for that additional insured and included in the "products-completed operations hazard".

COMMERCIAL GENERAL LIABILITY

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.

ADDITIONAL INSURED – OWNERS, LESSEES OR CONTRACTORS – SCHEDULED PERSON OR ORGANIZATION

This endorsement modifies insurance provided under the following:

COMMERCIAL GENERAL LIABILITY COVERAGE PART

SCHEDULE

Names of Additional Insured Person(s) or Organization(s):

Any person or organization that you agree in a written contract to include as an additional insured on this Coverage Part, provided that such written contract was signed by you before, and is in effect when, the "bodily injury" or "property damage" occurs or the "personal injury" or "advertising injury" offense is committed.

Location of Covered Operations:

Any project to which a written contract with the Additional Insured Person(s) or Organization(s) in the Schedule applies.

(Information required to complete this Schedule, if not shown above, will be shown in the Declarations.)

A. Section II – Who Is An Insured is amended to include as an additional insured the person(s) or organization(s) shown in the Schedule, but only with respect to liability for "bodily injury", "property damage", "personal injury" or "advertising injury" caused, in whole or in part, by:

1. Your acts or omissions; or
2. The acts or omissions of those acting on your behalf;

in the performance of your ongoing operations for the additional insured(s) at the location(s) designated above.

B. With respect to the insurance afforded to these additional insureds, the following additional exclusions apply:

This insurance does not apply to "bodily injury" or "property damage" occurring, or "personal injury" or "advertising injury" arising out of an offense committed, after:

1. All work, including materials, parts or equipment furnished in connection with such work, on the project (other than service, maintenance or repairs) to be performed by or on behalf of the additional insured(s) at the location of the covered operations has been completed; or
2. That portion of "your work" out of which the injury or damage arises has been put to its intended use by any person or organization other than another contractor or subcontractor engaged in performing operations for a principal as a part of the same project.

Copyright 2005 The St. Paul Travelers Companies, Inc. All rights reserved.

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

c. **Method Of Sharing**

If all of the other insurance permits contribution by equal shares, we will follow this method also. Under this approach each insurer contributes equal amounts until it has paid its applicable limit of insurance or none of the loss remains, whichever comes first.

If any of the other insurance does not permit contribution by equal shares, we will contribute by limits. Under this method, each insurer's share is based on the ratio of its applicable limit of insurance to the total applicable limits of insurance of all insurers.

d. **Primary And Non-Contributory Insurance If Required By Written Contract**

If you specifically agree in a written contract or agreement that the insurance afforded to an insured under this Coverage Part must apply on a primary basis, or a primary and non-contributory basis, this insurance is primary to other insurance that is available to such insured which covers such insured as a named insured, and we will not share with that other insurance, provided that:

(1) The "bodily injury" or "property damage" for which coverage is sought occurs; and

(2) The "personal and advertising injury" for which coverage is sought is caused by an offense that is committed;

subsequent to the signing of that contract or agreement by you.

5. **Premium Audit**

a. We will compute all premiums for this Coverage Part in accordance with our rules and rates.

b. Premium shown in this Coverage Part as advance premium is a deposit premium only. At the close of each audit period we will compute the earned premium for that period and send notice to the first Named Insured. The due date for audit and retrospective premiums is the date shown as the due date on the bill. If the sum of the advance and audit premiums paid for the policy period is greater than the earned premium, we will return the excess to the first Named Insured.

c. The first Named Insured must keep records of the information we need for premium computation, and send us copies at such times as we may request.

6. **Representations**

By accepting this policy, you agree:

a. The statements in the Declarations are accurate and complete;

b. Those statements are based upon representations you made to us; and

c. We have issued this policy in reliance upon your representations.

The unintentional omission of, or unintentional error in, any information provided by you which we relied upon in issuing this policy will not prejudice your rights under this insurance. However, this provision does not affect our right to collect additional premium or to exercise our rights of cancellation or nonrenewal in accordance with applicable insurance laws or regulations.

7. **Separation Of Insureds**

Except with respect to the Limits of Insurance, and any rights or duties specifically assigned in this Coverage Part to the first Named Insured, this insurance applies:

a. As if each Named Insured were the only Named Insured; and

b. Separately to each insured against whom claim is made or "suit" is brought.

8. **Transfer Of Rights Of Recovery Against Others To Us**

If the insured has rights to recover all or part of any payment we have made under this Coverage Part, those rights are transferred to us. The insured must do nothing after loss to impair them. At our request, the insured will bring "suit" or transfer those rights to us and help us enforce them.

9. **When We Do Not Renew**

If we decide not to renew this Coverage Part, we will mail or deliver to the first Named Insured shown in the Declarations written notice of the nonrenewal not less than 30 days before the expiration date.

If notice is mailed, proof of mailing will be sufficient proof of notice.

SECTION V – DEFINITIONS

1. "Advertisement" means a notice that is broadcast or published to the general public or specific market segments about your goods, products or services for the purpose of attracting customers or supporters. For the purposes of this definition:

a. Notices that are published include material placed on the Internet or on similar electronic means of communication; and

b. Regarding websites, only that part of a website that is about your goods, products or services for the purposes of attracting customers or supporters is considered an advertisement.

Includes copyrighted material of Insurance Services Office, Inc. with its permission.

occupational therapist or occupational therapy assistant, physical therapist or speech-language pathologist; or

(b) First aid or "Good Samaritan services" by any of your "employees" or "volunteer workers", other than an employed or volunteer doctor. Any such "employees" or "volunteer workers" providing or failing to provide first aid or "Good Samaritan services" during their work hours for you will be deemed to be acting within the scope of their employment by you or performing duties related to the conduct of your business.

3. The following replaces the last sentence of Paragraph **5.** of **SECTION III – LIMITS OF INSURANCE**:

For the purposes of determining the applicable Each Occurrence Limit, all related acts or omissions committed in providing or failing to provide "incidental medical services", first aid or "Good Samaritan services" to any one person will be deemed to be one "occurrence".

4. The following exclusion is added to Paragraph **2.**, **Exclusions**, of **SECTION I – COVERAGES – COVERAGE A – BODILY INJURY AND PROPERTY DAMAGE LIABILITY**:

Sale Of Pharmaceuticals

"Bodily injury" or "property damage" arising out of the violation of a penal statute or ordinance relating to the sale of pharmaceuticals committed by, or with the knowledge or consent of the insured.

5. The following is added to the **DEFINITIONS** Section:

"Incidental medical services" means:

a. Medical, surgical, dental, laboratory, x-ray or nursing service or treatment, advice or instruction, or the related furnishing of food or beverages; or

b. The furnishing or dispensing of drugs or medical, dental, or surgical supplies or appliances.

6. The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any valid and collectible other insurance, whether primary, excess, contingent or on any other basis, that is available to any of your "employees" for "bodily injury" that arises out of providing or failing to provide "incidental medical services" to any person to the extent not subject to Paragraph **2.a.(1)** of Section **II** – Who Is An Insured.

K. MEDICAL PAYMENTS – INCREASED LIMIT

The following replaces Paragraph **7.** of **SECTION III – LIMITS OF INSURANCE**:

7. Subject to Paragraph **5.** above, the Medical Expense Limit is the most we will pay under Coverage **C** for all medical expenses because of "bodily injury" sustained by any one person, and will be the higher of:

a. $10,000; or

b. The amount shown in the Declarations of this Coverage Part for Medical Expense Limit.

L. AMENDMENT OF EXCESS INSURANCE CONDITION – PROFESSIONAL LIABILITY

The following is added to Paragraph **4.b.**, **Excess Insurance**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

This insurance is excess over any of the other insurance, whether primary, excess, contingent or on any other basis, that is Professional Liability or similar coverage, to the extent the loss is not subject to the professional services exclusion of Coverage **A** or Coverage **B**.

M. BLANKET WAIVER OF SUBROGATION – WHEN REQUIRED BY WRITTEN CONTRACT OR AGREEMENT

The following is added to Paragraph **8.**, **Transfer Of Rights Of Recovery Against Others To Us**, of **SECTION IV – COMMERCIAL GENERAL LIABILITY CONDITIONS**:

If the insured has agreed in a written contract or agreement to waive that insured's right of recovery against any person or organization, we waive our right of recovery against such person or organization, but only for payments we make because of:

a. "Bodily injury" or "property damage" that occurs; or

b. "Personal and advertising injury" caused by an offense that is committed;

subsequent to the signing of that contract or agreement.

AMENDMENT NO. 3

TO AGREEMENT FOR CONTRACT SERVICES

THIS AMENDMENT NO. 3 TO THE AGREEMENT FOR CONTRACT SERVICES ("Amendment No. 3") by and between the CITY OF CARSON, a California municipal corporation ("City") and TOTUM CORP, a California corporation ("Consultant"), is effective as of the ___ day of March, 2026. City and Consultant are sometimes hereinafter individually referred to as "Party" and collectively referred to as the "Parties."

RECITALS

A. City and Consultant entered into that certain Agreement for Contract Services dated December 19, 2023 ("Agreement"), whereby Consultant agreed to provide City construction management and inspection services on an on-call basis for a two and one-half year term commencing January 1, 2024 and expiring June 30, 2026, for $482,635.00, with two additional options to extend by one year each.

B. Since commencement of the Term, Consultant has been selected and tasked to oversee the construction of Foisia Park and Carriage Crest Park ("Additional Services"), and as such, an additional $400,000.00 was allocated to this Agreement to allow Consultant to perform such services through June 30, 2025.

C. The Parties entered into an amendment to the Agreement dated January 21, 2025 ("Amendment No. 1") to specifically prescribe the Additional Services for an additional $400,000.00, thereby increasing the Contract Sum from $482,635.00 to $882,635.00, for that purpose.

D. The Parties entered into an amendment to the Agreement dated July 1, 2025 ("Amendment No. 2") to increase the contract amount by $350,000.00, raising the total Contract Sum from $882,635.00 to $1,232,635.00, to cover the additional cost of services. These services include continued oversight of the project's implementation in accordance with approved plans and specifications, adherence to construction schedules, compliance with City and safety regulations, inspection of construction quality, and coordination with stakeholders to ensure timely delivery.

E. The Parties now wish to amend the Agreement to extend the Term through December 30, 2026, with an increase in total compensation of $250,000.00, raising the total Contract Sum from $1,232,635.00 to $1,482,635.00 to continue providing construction management and inspection services.

TERMS

1. Recitals. The Recitals set forth above are incorporated into and are a part of this Amendment No. 3.

2. Terms and Definitions. All words, terms, and phrases used or referenced in this Amendment No. 3, not expressly defined in this Amendment No. 3, shall have the same meaning ascribed to them in the Agreement.

3. Contract Changes. The Agreement is amended as provided herein (added text shown in ***bold italics***, deleted text in ~~strikethrough font~~).

A. Section 2.1 (Contract Sum) of the Agreement is hereby amended to read in its entirety as follows:

"2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed One Million ~~Two~~ ***Four*** Hundred ~~Thirty~~ ***Eighty*** Two Thousand, Six Hundred Thirty Five Dollars and Zero Cents ($***1,482,635.00*** ~~1,232,635.00~~) (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8. In the event City elects to exercise its options to extend the Term pursuant to Section 3.4 hereof, the Contract Sum will increase consistent with the additional not to exceed compensation applicable to each Extension Term, as set out in in Exhibit "C.""

B. Section 3.4 (Term) of the Agreement is hereby amended to read in its entirety as follows:

"3.4 Term.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services commencing January 1, 2024 and expiring ~~June 30~~ ***December 30***, 2026, except as otherwise provided in the Schedule of Performance (Exhibit "D"). The City may, at its sole discretion, elect to extend the Term by ***up to one and half (1.5) years commencing December 31, 2026 through*** two (2) additional ~~one-year~~ terms***: a first term of six (6) months and a second term of one (1) year*** (each, an "Extension Term"). The pricing to be applied for each Extension Term is listed in Exhibit "C.""

C. Exhibit C (Schedule of Compensation) of the Agreement is hereby amended to read in its entirety as follows:

See attached.

4. Continuing Effect of Agreement. Except as amended by this Amendment No. 3, all provisions of the Agreement, Amendment No. 1, and Amendment No. 2 shall remain unchanged and in full force and effect. From and after the date of this Amendment No. 3, whenever the term "Agreement" appears in the Agreement, it shall mean the Agreement, as amended by Amendment No. 1, Amendment No. 2, and this Amendment No. 3 to the Agreement.

5. Affirmation of Agreement; Warranty Re Absence of Defaults. City and Consultant each ratify and reaffirm each and every one of the respective rights and obligations arising under the Agreement, Amendment No. 1 and Amendment No. 2. Each party represents and warrants to the other that there have been no written or oral modifications to the Agreement other than as provided herein, Amendment No. 1 and Amendment No. 2. Each party represents and warrants to the other that the Agreement is currently an effective, valid, and binding obligation.

Consultant represents and warrants to City that, as of the date of this Amendment No. 3, City is not in default of any material term of the Agreement and that there have been no events that, with the passing of time or the giving of notice, or both, would constitute a material default under the Agreement.

City represents and warrants to Consultant that, as of the date of this Amendment No. 3, Consultant is not in default of any material term of the Agreement and that there have been no events that, with the passing of time or the giving of notice, or both, would constitute a material default under the Agreement.

6. Adequate Consideration. The parties hereto irrevocably stipulate and agree that they have each received adequate and independent consideration for the performance of the obligations they have undertaken pursuant to this Amendment No. 3.

7. Authority. The persons executing this Amendment No. 3 on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Amendment No. 3 on behalf of said party, (iii) by so executing this Amendment No. 3, such party is formally bound to the provisions of this Amendment No. 3, and (iv) the entering into this Amendment No. 3 does not violate any provision of any other agreement to which said party is bound.

8. Counterparts. This Amendment No. 3 may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Amendment No. 3.

[SIGNATURES ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the parties hereto have executed this Amendment No. 3 on the date and year first-above written.

Two corporate officer signatures required when Consultant is a corporation, with one signature required from each of the following groups: 1) Chairman of the Board, President or any Vice President; and 2) Secretary, any Assistant Secretary, Chief Financial Officer or any Assistant Treasurer. APPROPRIATE ATTESTATIONS SHALL BE INCLUDED AS MAY BE REQUIRED BY THE BYLAWS, ARTICLES OF INCORPORATION, OR OTHER RULES OR REGULATIONS APPLICABLE TO CONSULTANT'S BUSINESS ENTITY.

EXHIBIT "C"
SCHEDULE OF COMPENSATION

I. This Schedule of Compensation governs Consultant's compensation in the event the Consultant performs services pursuant to a Notice to Proceed on a Task Order. This Agreement does not guarantee that Consultant will be selected to perform services on Task Orders.

The not to exceed compensation amounts are as follows:

January 1, 2024 through June 30, 2024 -	$94,250.00
July 1, 2024 through June 30, 2025 –	$592,270.00
July 1, 2025 through ***December***~~June~~ 30, 2026 –	***$796,115.00***~~$546,115.00~~

Total:	~~$1,232,635.00~~ ***$1,482,635.00***

~~July~~***December 3***1, 2026 through June 30, 2027 – $***100,018.50***~~200,037.00~~ (extension period)

July 1, 2027 through June 30, 2028 – $204,038.00 (extension period)

II. Consultant responding to the City's request for proposals on a project-specific Task Order shall establish a Task Budget for the Task Order, identifying the subtasks based on the time and rates of the personnel performing the subtasks, and itemizing all materials and equipment utilized and the costs thereof. If payment is to be made other than at completion of the services, then the phases of the performance and percentage of payment due shall also be shown in the Task Proposal. Consultant's proposals on Task Orders shall be based on hourly rates identical to the rates attached as Exhibit C-1.

III. The City will compensate Consultant for the Services performed upon submission of a valid invoice. Each invoice is to include:

A. Line items for all personnel describing the work performed, the number of hours worked, and the hourly rate.

B. Line items for all materials and equipment properly charged to the Services.

C. Line items for all other approved reimbursable expenses claimed, with supporting documentation.

D. Line items for all approved subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

IV. The total compensation for the Services shall not exceed $*1,482,635.00* ~~1,232,635.00~~ as provided in Section 2.1 of this Agreement.

V. The Consultant's billing rates for all personnel are attached as Exhibit C-1.

Report to Honorable Mayor and City Council

Tuesday, March 17, 2026, 5:00 PM

CONSENT 24.

To: Honorable Mayor and City Council

From: Dr. Arlington Rodgers, Director of Public Works PW Engineering

Subject: CONSIDER APPROVAL OF AMENDMENT NO. 1 TO THE AGREEMENT WITH PCN3, INC. FOR PROJECT NO. 1726 – COMMUNITY CENTER COURTYARD AND EAST PARKING LOT IMPROVEMENTS, AND ADOPTION OF RESOLUTION NO. 26-024 AMENDING THE FISCAL YEAR 2025-2026 BUDGET IN THE GENERAL FUND, SPECIAL REVENUE FUNDS, ENTERPRISE FUNDS, AND CAPITAL IMPROVEMENT PROGRAM (CIP) FUND (CITY COUNCIL)

I. SUMMARY

On September 17, 2024, the City Council approved a construction contract with PCN3, Inc. for Project No. 1726 - Community Center Courtyard and East Parking Lot Improvements in the amount of $9,989,558.13. This project includes improvements to the Community Center courtyard and the adjacent East Parking Lot, which are important public spaces used by residents and visitors for community events, recreation, and access to City facilities. At the time the contract was awarded, the City Council did not authorize contingency funds for the project. Contingency funds are typically set aside to address unexpected conditions or changes that may arise during construction. As construction progressed, several unforeseen conditions were encountered that could not have been fully identified during the design phase. These conditions required immediate attention in order to maintain construction progress and keep the project moving according to schedule. The issues encountered included conflicts with existing underground utilities such as storm drain and water lines, which required adjustments to ensure the new improvements could be safely installed. In addition, irrigation systems had to be relocated, hazardous materials were identified and removed, and additional structural support was needed in certain areas to ensure the long-term stability of the improvements.

Other construction adjustments included modifications to site grading i.e., the shaping and leveling of the ground, replacement of certain sections of concrete that did not meet project requirements, and other design clarifications that became necessary once construction activities began. In addition, several improvements were added to the project in order to enhance functionality and coordination with surrounding facilities. These additions included the construction of the North Entrance Plaza and installation of additional communication conduit, which provides important underground pathways for future communication and technology infrastructure. Because these conditions and adjustments were not known at the time the original construction contract was awarded, additional work was required beyond the scope of the original contract. As a result, additional funding is necessary to compensate the contractor for the extra work that has been completed to address these issues and ensure the project is built properly.

Consequently, staff is requesting that the City Council approve the proposed Amendment No. 1 to the construction agreement with PCN3, Inc. in the amount of $461,614.28. This amendment will cover the costs associated with the design revisions, unforeseen construction conditions, and additional work required to complete the project improvements (Exhibit No. 1). A detailed breakdown of the additional costs and related construction items is provided in Exhibit No. 3.

II. RECOMMENDATION

TAKE the following actions:

1. APPROVE the proposed Amendment No. 1 to the Public Works Agreement with PCN3, Inc. in the amount of $461,614.28 to cover costs associated with design revisions, unforeseen construction conditions, and additional work performed during construction;
2. Adopt Resolution No. 26-024, titled "A RESOLUTION OF THE CITY OF CARSON CITY COUNCIL AMENDING THE FISCAL YEAR 2025-2026 BUDGET IN THE GENERAL FUND, SPECIAL REVENUE FUNDS, ENTERPRISE FUNDS, AND THE CAPITAL IMPROVEMENT PROGRAM (CIP) FUND," to increase the budget authority for Project PW1725 by $461,614.28 (Exhibit No. 2);
3. AUTHORIZE the Mayor to execute the proposed Amendment No. 1 to the agreement with PCN3, Inc., subject to approval as to form by the City Attorney; and,
4. AMEND the Fiscal Year 2025-2026 Capital Improvement Program (CIP) Plan to reflect the updated project funding for this project (Exhibit No. 4).

III. ALTERNATIVES

1. DO NOT APPROVE Amendment No. 1; however, staff will not have sufficient funding available to complete the full scope of work associated with Project No. 1726 - Community Center Courtyard and East Parking Lot Improvements.
2. TAKE any other action the City Council deems appropriate and consistent with applicable law.

IV. BACKGROUND

On September 17, 2024, the City Council approved a construction contract with PCN3, Inc. for Project No. 1726 – Community Center Courtyard and East Parking Lot Improvements in the amount of $9,989,558.13. At the time the contract was awarded, a construction contingency fund was not included for the project. A contingency is typically set aside to address unexpected conditions or adjustments that may arise during construction. The professional design services for the project, including preparation of the Plans, Specifications, and Engineer's Estimates (PS&E), the detailed drawings and construction documents used to build the project, were provided by ADL Planning Inc., which served as the project's landscape architect and engineering consultant.

Project No. 1726 is included in the City's Fiscal Year 2024-2025 Capital Improvement Program (CIP). For reference only, the CIP is the City's long-term plan for constructing and improving public facilities and infrastructure throughout the community. The goal of this particular project is to enhance the Community Center and surrounding areas by creating a flexible outdoor gathering space that can accommodate performances, community events, and other public activities. Key elements of the project included the construction of a 1,000-square-foot outdoor stage for an amphitheater, a new audience seating area, and a pergola structure adjacent to the audience area near Hall A to provide shade and visual interest. The project also includes the remodeling and expansion of the existing courtyard outside Room 107, which incorporates new landscaping features, including a decorative waterfall element and pergola. Additional improvements include new decorative paving and hardscape, landscaping and irrigation, site lighting, and the reconfiguration of the East Parking Lot at the Carson Event Center to create an open and flexible space that can be used for outdoor community events.

During construction, several unforeseen conditions were encountered that could not be fully identified during the design phase of the project. In order to keep the project moving forward and meet the established construction schedule, including the timeline associated with the project's planned grand opening, staff worked closely with department leadership and authorized the contractor to proceed with certain additional work that was necessary to avoid delays and prevent higher costs later in the project. The design revisions and unforeseen conditions addressed during construction included several technical and site-related adjustments. For example, irrigation systems serving areas outside the construction zone needed to remain operational during construction, which required installation of temporary bypass connections. Additional structural footing support was required for a parking lot light pole foundation that was discovered during excavation work. Some areas of decorative stamped concrete outside the originally planned construction limits also had to be removed and replaced to ensure a consistent and safe finished surface for the community. In addition, certain originally bid items, such as a prefabricated storage shed and directional signage, were removed from the project scope of work.

Other improvements were added to enhance the functionality and overall appearance of the facility. These include construction of a new North Entrance Plaza, which serves as a welcoming gateway to both the courtyard and the amphitheater venue. Additional underground conduit was installed to accommodate Information Technology communication lines, replacing an existing cable that had been directly buried in the ground. During construction, hazardous asbestos-containing materials were also encountered and safely removed and disposed of in accordance with appropriate environmental regulations.

Additional adjustments were necessary to address conflicts with underground utilities and drainage systems. These included modifications to existing storm drain systems to integrate with the newly designed drainage infrastructure, realignment of an existing 21-inch storm drain pipe that was not accurately shown on the original plans and conflicted with the new infiltration system, and relocation of an existing 4-inch copper water main that conflicted with the foundations for the project's shade sail structures. Structural adjustments were also required after shop drawings confirmed the final dimensions of certain architectural elements, which required the addition of two columns and associated foundations.

Other field adjustments included relocating and repairing irrigation systems affected by grading and new concrete work, removing and replacing additional concrete in several areas including the North Entrance Plaza and the Daycare area, and waterproofing certain concrete masonry unit (CMU) foundation walls. Additional work was also required to modify pergola foundations that conflicted with nearby retaining wall construction, install additional reinforced concrete slabs beneath decorative pavers, and provide extra mesh screening and handrails in areas where site elevations differed from the original design drawings. Grading adjustments were also needed in the Xeriscape landscaping area due to unexpected elevation differences. Finally, several bid items required quantity adjustments once actual field conditions were confirmed.

These conditions were identified during construction and the additional work was determined to be necessary to ensure the facility operates safely and efficiently. In many cases, addressing these issues during construction was much more practical and cost-effective than postponing the work to a later phase. Some conditions simply could not be fully identified during the design phase of the project and required adjustments once construction activities exposed the underlying site conditions. These changes were necessary to maintain structural integrity, ensure public safety, and deliver a fully functional facility for community use.

Overall, Project No. 1726 represents a significant improvement to the Community Center and East Parking Lot. The project creates a flexible outdoor amphitheater venue, enhances the courtyard with upgraded amenities, and provides a more adaptable space that can accommodate a wide variety of community events and activities. Construction of the project is substantially complete. The only remaining item is the fabrication and installation of the architectural louvers, which are custom-designed shade elements that require a longer manufacturing timeline. Installation of the louvers is currently anticipated to be completed in May 2026. In the meantime, professionally installed temporary shade coverage has been put in place to provide shade and ensure the space can continue to be used comfortably until the permanent louvers are installed.

Consequently, to address the additional work performed during construction, staff recommends that the City Council approve the proposed Amendment No. 1 to the construction agreement with PCN3, Inc. in the amount of $461,614.28. This amendment will provide the funding necessary to compensate the contractor for the unforeseen conditions, design revisions, and additional work required to successfully complete the project.

V. FISCAL IMPACT

If the City Council approves the proposed amendment, the additional $461,614.28 will be added to the existing construction contract with PCN3, Inc. This would increase the total contract amount from $9,989,558.13 to a new total not-to-exceed amount of $10,451,172.41. Funding for this amendment is already available within the City's adopted Fiscal Year 2025-2026 Budget. Specifically, the funds are included in the Engineering Professional Services account (Account No. 101-80-820-101-6004), which is used to support engineering and construction-related project services within the City's Capital Improvement Program. Because these funds have already been allocated in the adopted budget, approval of this proposed amendment will not require any additional budget appropriation. Consequently, if approved by the Council, the requested $461,614.28 will be formally added to the project budget in accordance with the attached Resolution No. 26-024, which authorizes the use of these funds for the project.

At the start of the fiscal year, the adopted budget for project PW1726 – Community Center Courtyard and East Parking Lot Improvements, was $7,662,020.29. With the addition of the proposed amendment, the fiscal year budget will be revised to $8,123,634.57.

AMENDMENT NO. 1

TO PUBLIC WORKS AGREEMENT

THIS AMENDMENT TO THE PUBLIC WORKS AGREEMENT ("Amendment") by and between the CITY OF CARSON, a California municipal corporation ("City") and PCN3, INC., a California corporation ("Contractor"), is effective as of the ___ day of March, 2026. City and Contractor are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

RECITALS

A. City and Contractor entered into that certain Public Works Agreement dated September 23, 2024 ("Agreement"), whereby Contractor agreed to provide constructions services in connection with City's Project No. 1726: Community Center Courtyard & East Parking Lot ("Project") for a total not-to-exceed Contract Sum of $9,989,558.13.

B. City and Contractor now desire to amend the Agreement to increase the total compensation by $461,614.28 for a new total not-to-exceed Contract Sum of $10,451,172.41 to accommodate Change Order 1, a copy of which is attached hereto and incorporated herein by this reference as Exhibit A-1. Change Order 1 includes numerous Project alterations necessitated by revisions to the Project design

C. Section 1.2 of the Agreement adopts the provisions of the 2021 Edition of the Standard Specifications for Public Works Construction, as updated by errata ("Greenbook"). The Greenbook and the Agreement authorize the Parties to incorporate Change Order 1 into the Agreement without regard to bidding considerations.

TERMS

1. **Incorporation of Recitals**. The Recitals set forth above are incorporated into and are a part of this Amendment.

2. **Terms and Definition.** All words, terms, and phrases used or referenced in this Amendment, not expressly defined in this Amendment, shall have the same meaning ascribed to them in the Agreement.

3. **Contract Changes**. The Agreement is amended as provided herein (new text is indicated in ***bold italics*** and deleted text in ~~strikethrough~~).

A. Section 1.1 (Scope of Work) of the Agreement is hereby amended to read in its entirety as follows:

"1.1 Scope of Work.

The Contractor shall perform all of the work, furnish all labor, materials, equipment, tools, utility services, and transportation, and comply with all of the

specifications and requirements in the Bid Documents for the project entitled Project No. PW1726: Community Center Courtyard (West) & East Parking Lot***, and complete all work detailed in Change Order 1*** ("**Project**"). All such work shall be performed in a good and workmanlike manner, as reasonably determined by the City, and shall be performed in compliance with all local, state, and federal laws and regulations. As used herein, "**Bid Documents**" refers to all of the documents included in the solicitation of bids for the Project, including but not limited to, the Invitation for Bids, Instructions to Bidders, Bid or Bid Proposal, Contract Documents, Special Provisions, Technical Provisions, Construction Plans, Standard Plans, Drawings, Reference Specifications, all applicable permit requirements, any addenda, any applicable Project Labor Agreement, and any other documents included, referenced, or incorporated therein. The Bid Documents are incorporated into this Agreement and made part hereof. In the event of any conflict between the terms of the Bid Documents and this Agreement, the terms of this Agreement shall govern."

B. Section 2.1 (Contract Sum) of the Agreement is hereby amended to read in its entirety as follows:

"2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Contractor the amounts set forth in Contractor's Bid attached hereto as Exhibit A and incorporated herein by this reference. Subject to any additions or deductions that may be made by change order or amendment, and any penalties or damages that may be assessed against Contractor, Contractor shall receive total compensation, including reimbursement of Contractor's expenses, of an amount not to exceed ***Ten*** ~~Nine~~ Million ***Four*** ~~Nine~~ Hundred ***Fifty One*** ~~Eighty Nine~~ Thousand ***One*** ~~Five~~ Hundred ***Seventy Two*** ~~Fifty Eight~~ Dollars and ***Forty One*** ~~Thirteen~~ Cents (***$10,451,172.41***~~$9,989,558.13~~) ("Contract Sum") for completion of the work. The Contract Sum ***associated with Contractor's original bid*** reflects the aggregate unit pricing submitted by Contractor as part of its Bid, not Contractor's actual Bid amount which was $3.77 higher than the aggregate unit pricing."

C. The last paragraph of Exhibit "A" (Contractor's Bid) is hereby amended to read in its entirety as follows:

"The Contract Sum is ***$10,451,172.41 with*** $9,989,558.13 ***of this amount*** reflecting the aggregate unit pricing submitted by Contractor as part of its Bid Schedule ***associated with its original bid***, not Contractor's actual Bid amount which was $3.77 higher than the aggregate unit pricing."

4. **Continuing Effect of Agreement.** Except as amended by this Amendment, all provisions of the Agreement shall remain unchanged and in full force and effect. From and after the date of this Amendment, whenever the term "Agreement" appears in the Agreement, it shall mean the Agreement, as amended by the Amendment to the Agreement.

5. **Affirmation of Agreement; Warranty Re Absence of Defaults.** City and Contractor each ratify and reaffirm each and every one of the respective rights and obligations

arising under the Agreement. Each party represents and warrants to the other that there have been no written or oral modifications to the Agreement other than as provided herein. Each party represents and warrants to the other that the Agreement, as amended by this Amendment, is currently an effective, valid, and binding obligation.

Contractor represents and warrants to City that, as of the date of this Amendment, City is not in default of any material term of the Agreement and that there have been no events that, with the passing of time or the giving of notice, or both, would constitute a material default under the Agreement.

City represents and warrants to Contractor that, as of the date of this Amendment, Contractor is not in default of any material term of the Agreement and that there have been no events that, with the passing of time or the giving of notice, or both, would constitute a material default under the Agreement.

6. **Adequate Consideration.** The parties hereto irrevocably stipulate and agree that they have each received adequate and independent consideration for the performance of the obligations they have undertaken pursuant to this Amendment.

7. **Authority.** The persons executing this Amendment on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Amendment on behalf of said party, (iii) by so executing this Amendment, such party is formally bound to the provisions of this Amendment, and (iv) the entering into this Amendment does not violate any provision of any other agreement to which said party is bound.

8. **Counterparts.** This Amendment may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Amendment.

[SIGNATURES ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the parties hereto have executed this Amendment on the date and year first-above written.

The project also includes resurfacing the concrete bands throughout the 1st floor.	$ -	102160	102160	$ -	$ -	$ -
1 Construction	PW1790	Buildings	Community Center Lighting and AV Equipmeny Upgrade	Upgrade existing lighting and AV equipment at Community Center Main Hall.	$ 1,200,000	0	0	$ 1,200,000	$ -	$ -
1 Construction	PW1795	Parks	Mills Park Rec Center Renovation	Upgrades and Improvements to the Recreation Center at Mills Park	$ 3,000,000	3000000	3000000	$ -	$ -	$ -
2 Design	PW1451	Bikeways	Bike Lane Installation - Carson St, Figueroa, Main St, and Victoria St	Design and construction of 14.6 mile bike lanes on Carson St, Figueroa, Main St, and Victoria St, including median modification to accommodate bike lane buffer zone	$ 4,264,445	2132223	784223	$ 2,132,223	$ -	$ -

FY2025-26 5-YEAR CAPITAL IMPROVEMENT PLAN

PHASE	PROJ #	TYPE	PROJECT NAME	DESCRIPTION	Total Project Estimate	FY 25-26 Adopted	FY25-26 Revised	FY26-27 Estimate	FY27-28 Estimate	FY28-29 Estimate
2 Design	PW1452	Bikeways	Bike Lane Installation - 223rd St, Avalon Bl, Central Ave, Del Amo Bl, and Univer	Design and construction of bike lanes on 223rd St, Avalon Bl, Central Ave, Del Amo Bl, and University Dr including median modification to accommodate bike lane buffer zone	$ 13,239,100	6619550	5320550	$ 6,619,550	$ -	$ -
2 Design	PW1490	Bikeways	Dominguez Channel Bike Path I	Bike path installation along Dominguez Channel from Main St to Avalon Blvd. Its construction also includes the bridge over the ravine to continue the alignment to Avalon Boulevard	$ 12,557,174	0	0	$ 12,557,174	$ -	$ -
2 Design	PW1534	Bikeways	Active Transporation Program - Santa Fe Bike Lane	Design and construction 1.5 mile bike lane along Santa Fe Ave between Del Amo Bl and Warnock Wy (Metro Funded) Upgrade of curb ramps citywide.	$ 3,451,000	3451000	3451000	$ -	$ -	$ -
2 Design	PW1536	Roadways	Rapid Bus Priority System	Purchase and installation of bus shelters to improve the bus stops at 10 locations along Avalon Blvd and along Victoria Street within the vicinity of the Dignity Health Sports Park and CSUDH campus. The improvement involves covered bus shelters that are illuminated by solar powered batteries, installation of bike racks, repairs of adjacent sidewalks, and wayfinding signage.	$ 524,318	524318	524318	$ -	$ -	$ -
2 Design	PW1546	Roadways	Green Streets & Stormwater Sustainability Compliance	Stormwater management practices including engineered systems to manage stormwater runoff from impervious surfaces - $200k per year and funded by Measure M	$ 1,000,000	200000	200000	$ 200,000	$ 200,000	$ 200,000
2 Design	PW1600	Bikeways	Dominguez Channel Bike Path II	Bike path installation along Dominguez Channel from Avalon to Carson St	$ 5,423,682	0	0	$ 993,168	$ 4,430,514	$ -
2 Design	PW1608	Roadways	MLK Blvd Improvements	Reconstruction of Martin Luther King Blvd. The project includes removal and replacement of existing native soil and aggregate base to reconstruct roadway section per current City Standard.	$ 6,000,000	0	0	$ 6,000,000	$ -	$ -
2 Design	PW1612	Traffic	*Traffic Signal Installation- Broadway and Griffith	Traffic signal installation at Broadway and Griffith	$ 600,000	200000	200000	$ 300,000	$ -	$ -
2 Design	PW1613	Traffic	Traffic Signal Installation - Main St at Lenardo Dr	Traffic signal installation at intersection - Main St and Lenardo Dr	$ 400,000	400000	400000	$ -	$ -	$ -
2 Design	PW1615	Traffic	Traffic Signal Installation - Lenardo Dr at Stamps Dr	Traffic signal installation at intersection - Lenardo Dr and Stamps Dr	$ 600,000	600000	600000	$ -	$ -	$ -
2 Design	PW1616	Traffic	Traffic Signal Installation-3 Driveways - Lenardo Dr at FOLA Driveways	Traffic signal installation at intersection - Lenardo Dr and FOLA Driveways	$ 1,500,000	1500000	1500000	$ -	$ -	$ -
2 Design	PW1617	Roadways	Lenardo Drive	Construction of new roadway to serve the 157 acre site development	$ 40,000,000	35000000	35000000	$ -	$ -	$ -
2 Design	PW1620	Roadways	Lomita Blvd-Street Improvement - Figueroa to Avalon	Lomita Blvd - The project includes pavement rehabilitation, tree removal and replacement, and concrete reconstruction. (Combine PW1620, 1393-5, 1411-5)	$ 5,000,000	0	0	$ 5,000,000	$ -	$ -
2 Design	PW1624	Roadways	Figueroa Street Improvement - Carson ST to Alondra	Figueroa Street Improvement - Torrance to 223rd. The project includes asphalt pavement grind and overlay, local removal and replacement of roadway section. It also includes concrete reconstruction, tree removal and replacement, repair of damage sidewalk, driveway approaches, curbs and gutter, access ramps.	$ 10,000,000	0	0	$ 10,000,000	$ -	$ -
2 Design	PW1640	Parks	**Replace Park Rubberized Play Surface and Playground Structures- Phase 2	Replace the entire rubberized play surface and play structures at Parks and Mini Parks (Stevenson North and Veterans)	$ 3,706,000	0	0	$ 3,706,000	$ -	$ -
2 Design	PW1647	Roadways	I-110 Freeway Arterial Improvements - Figueroa St at Del Amo Blvd, Figueroa St	Traffic signal system improvement on the arterial roadways along the east and west side of the i-110 corridor at 6 Intersections - Figueroa St at Del Amo Blvd, Figueroa St at I-110 NB Ramps, Figueroa St at I-110 SB Ramps, Main St at I-405 SB On Ramp, Main St at I-405 SB Off Ramp, and Hamilton Ave at Del Amo Blvd Pending MTA's approval for scope change and time extension	$ 6,000,000	0	0	$ 6,000,000	$ -	$ -
2 Design	PW1671	Parks	**Dolphin Park Electrical Panel Upgrade - design and Construction	Replace and upgrade electrical panels and lighting control for field lights. (Combined PW1671 & PW1630)	$ 100,000	150000	100000	$ -	$ -	$ -
2 Design	PW1677	Stormwater	Phase 1 -Stormwater Program	Phase 1 -Stormwater Program	$ 12,300,000	0	0	$ -	$ 12,300,000	$ -
2 Design	PW1682	Stormwater	Stormwater Master and Implementation Plan	Create a comprehensive Stormwater Implementation Plan to inform strategic stormwater capital planning, maintenance, operations, and program management in the City. The plan must consolidate municipal stormwater quality compliance; targeted drainage and flood improvements; operations, maintenance, and non-structural program management; and financial strategy (government grants, regional programs and partnerships, City funds if required, General Fund and Safe, Clean Water Program) into one guiding program.	$ 1,364,143	351000	351000	$ -	$ -	$ -
2 Design	PW1698	Roadways	*City Utilities Master Plan	1. Sewer & Storm Drain Line Evaluation throughout the City to determine capacity for future delvelopment. 2. Update reclaimed water pipeline network throughout the City. Working with WBMWD's engineering division	$ 325,000	0	0	$ 325,000	$ -	$ -

FY2025-26 5-YEAR CAPITAL IMPROVEMENT PLAN

PHASE	PROJ #	TYPE	PROJECT NAME	DESCRIPTION	Total Project Estimate	FY 25-26 Adopted	FY25-26 Revised	FY26-27 Estimate	FY27-28 Estimate	FY28-29 Estimate
2 Design	PW1700	Bikeways	Construction of Bike Facility and Active Transportation Improvements	Supplement the construction cost for more than 30 miles of bike facilities and active transportation improvements	$ 1,730,000	0	0	$ -	$ 1,730,000	$ -
2 Design	PW1702	Roadways	Lomita Boulevard Safety Improvements - Wilmington to Alameda	Street reconstruction of Lomita Blvd (Carson side)	$ 6,240,379	2000000	2000000	$ 4,240,379	$ -	$ -
2 Design	PW1706	Parks	Stevenson Park Bungalow Removal	Removal of bungalow "North End" (Combine PW1706 & PW1707)	$ -	0	0	$ -	$ -	$ -
2 Design	PW1707	Parks	Stevenson Park Picnic Shelters	Installation of New Picnic Shelters (Combine PW1707 & PW1706)	$ 1,000,000	0	0	$ 1,000,000	$ -	$ -
2 Design	PW1710	Roadways	Walnut St rehabilitation (Avalon to Central)	Walnut St rehabilitation from Avalon to Central. The project includes asphalt pavement grind and overlay, local removal and replacement of roadway section. It also includes concrete reconstruction, tree removal and replacement, repair of damage sidewalk, driveway approaches, curbs and gutter, access ramps.	$ 3,900,000	0	0	$ 3,900,000	$ -	$ -
2 Design	PW1715	Roadways	Streetscape Master Plan (Previously Titled Medians Plan)	Develop Streetscape Master Plan for medians and medians landscapinng Citywide	$ -	0	0	$ -	$ -	$ -
2 Design	PW1723	Buildings	International Scuplture Garden	City Council request, the existing statue of Jose Rizal is the first of potentially several historical leaders to be memorialized in the international sculpture garden. Staff recommendation is to congregate all sculptures in an accessible area adjacent to the Community Center and outside of the footprint of the proposed Teen/Innovation Center.	$ 200,000	0	0	$ -	$ -	$ -
2 Design	PW1732	Parks	Solar @ Vets Park	Microgrid-Solar panels and Battery Storage Systems at SportsComplex Parking Lot and some areas of roofing.	$ 2,000,000	2000000	2000000	$ -	$ -	$ -
2 Design	PW1748	Buildings	Corporate Yard Energy Efficient & Other Improvements - Evaluate and construc	•Optimize equipment layout and parking space •Wall and roof repair and insulation at main corporate yard building •Driveway at 18601 S. Main St for alternate Corporate Yard exit •Wash station and compliance requirements •Covered parking, Fire Suppression system at Warehouse and Community Services •New Building Construction	$ 9,000,000	0	0	$ 9,000,000	$ -	$ -
2 Design	PW1749	Buildings	EV Bus Chargers	Installation of EV bus chargers with electrical conduits and potential transformer	$ 250,000	250000	250000	$ -	$ -	$ -
2 Design	PW1753	Roadways	University Drive Rehabilitation - Avalon Blvd to Wilmington Ave	University Dr. Rehabilitation (1.8 miles) from Avalon to Wilmington Ave. The project includes removal and replacement of asphalt pavement section and base, grind and overlay, local removal and replacement of roadway section. It also includes concrete reconstruction, tree removal and replacement, repair of damage sidewalk, driveway approaches, curbs and gutter, access ramps.	$ 4,375,000	4375000	4455263	$ -	$ -	$ -
2 Design	PW1755	Roadways	Santa Fe Ave. Rehabilitation - Carson St. to Del Amo Ave.	Santa Fe Ave. (1.1 miles) Grind and overlay from Carson to Del Amo. The project includes asphalt pavement grind and overlay, local removal and replacement of roadway section. It also includes concrete reconstruction, tree removal and replacement, repair of damage sidewalk, driveway approaches, curbs and gutter, access ramps.	$ 4,800,000	0	0	$ 4,800,000	$ -	$ -
2 Design	PW1757	Roadways	Main Street Rehabilitation - Lomita to 228th St	Main St. (1.41 miles) Grind and overlay from Lomita Blvd. to 228th St. The project includes asphalt pavement grind and overlay, local removal and replacement of roadway section. It also includes concrete reconstruction, tree removal and replacement, repair of damage sidewalk, driveway approaches, curbs and gutter, access ramps.	$ 6,556,047	6556047	6556047	$ -	$ -	$ -
2 Design	PW1758	Roadways	Main Street - 228th St to Carson Street	Main St. (0.9 miles) Grind and overlay from 228th St. to Carson St. The project includes asphalt pavement grind and overlay, local removal and replacement of roadway section. It also includes concrete reconstruction, tree removal and replacement, repair of damage sidewalk, driveway approaches, curbs and gutter, access ramps.	$ 4,000,000	0	0	$ 4,000,000	$ -	$ -
2 Design	PW1775	Roadways	213th St. Street Lights	Chico to Wilmington	$ 800,000	0	0	$ 800,000	$ -	$ -
2 Design	PW1776	Stormwater	Calas Park Stormwater Infiltration and Water Quality Improvements	Supplemental Environment Project (SEP)	$ 6,000,000	0	0	$ 5,500,000	$ -	$ -
2 Design	PW1780	Roadways	Victoria Street Transit Center	Construction of a new transit center adjacent to CSUDH	$ 5,000,000	3250000	3250000	$ 1,750,000	$ -	$ -
2 Design	PW1785	Bikeways	Carson Bicycle Master Plan	Carson's Master Bicycle Plan will serve as an informative guide when developing a framework that improves the city's physical bicycle system and reduces transportation inequities. With 18.7 sq miles of grid street networks (including California State University, Dominguez Hills), connecting Carson's communities can enable widespread mode shifts to bicycling.	$ 897,000	897000	897000	$ -	$ -	$ -

FY2025-26 5-YEAR CAPITAL IMPROVEMENT PLAN

PHASE	PROJ #	TYPE	PROJECT NAME	DESCRIPTION	Total Project Estimate	FY 25-26 Adopted	FY25-26 Revised	FY26-27 Estimate	FY27-28 Estimate	FY28-29 Estimate
2 Design	PW1792	Traffic	Traffic Reliability Improvements	Replace obsolete traffic signal battery backup systems, controllers, loop detection systems, with state of the art equipment capable of detecting bicycles, pedestrians, neighborhood electric vehicles, and prepare Carson for emerging transportation and communication technologies.	$ 2,400,000	0	0	$ 2,400,000	$ -	$ -
2 Design	PW1793	Trees	URBAN FORESTRY MASTER PLAN & IMPLEMENTATION	Develop and Implement an Urban Forestry Master Plan	$ 1,000,000	200808	200808	$ 371,189	$ 378,010	$ 49,993
2 Design	PW1796	Buildings	Carson Civic Center Redevelopment	Carson Civic Center Redevelopment	$ 550,000	550000	550000	$ -	$ -	$ -
2 Design	PW1797	Technology	Citywide Municipal Fiber Optic Network Phase I	Phase I of Citywide Municipal Fiber Optic Network	$ 30,000,000	25000000	25000000	$ -	$ -	$ -
2 Design	PW1798	Roadways	Delores Rehabilitation from Sepulveda to Carson Street	Delores Rehabilitation from Sepulveda to Carson Street	$ 8,000,000	0	0	$ 8,000,000	$ -	$ -
2 Design	PW1799	Roadways	Del Amo Rehabilitation from Main Street to Figueroa	Del Amo Rehabilitation from Main Street to Figueroa	$ 2,000,000	0	0	$ 2,000,000	$ -	$ -
2 Design	PW1800	Stormwater	Citywide Stromdrain Repair	Repair all City-owned stormdrains	$ 3,000,000	0	0	$ 3,000,000	$ -	$ -
2 Design	PW1801	Roadways	Streetscape Master Plan - Civic	Design and construction of median landscaping for segments on Avalon Blvd. and Carson St. identified as Civic-type land use.	**$ 6,700,000**	**0**	**6700000**	**$ -**	**$ -**	**$ -**
2 Design	PW1802	Roadways	Speed Hump Installation Community Center East	Install Speed Humps at Community Center East Parking Lot near Tesla Charging Stations	$ 75,000	0	0	$ 75,000	$ -	$ -
2 Design	PW1803	Parks	Friendship Mini Park Land Acquisition & Expansion	Aquire land & expand current Friendship Mini Park; $1.43M grant for 0.44 acre acquisition	$ 1,430,000	1430000	1430000	$ -	$ -	$ -
2 Design	PW1804	Roadways	Arterial Repair Program	Citywide Arterial Repair Program	**$ 10,000,000**	150700	50700	**$ 6,700,000**	**$ -**	**$ -**
2 Design	PW1805	Parks	Calas Park	Removal of Wading Pool/New Picnic Shelter/ADA Pathway improvements	$ 1,500,000	0	0	$ 1,500,000	$ -	$ -
2 Design	PW1806	Parks	Del Amo Park	Fix storm drain run-off/Elevate Basketball courts/Building & Playground ADA upgrades/ irrigation and turf upgrades	$ 5,000,000	500000	500000	$ 4,500,000	$ -	$ -
2 Design	PW1807	Parks	Foisia Park Aquatic Repairs	Concrete repairs in pump room and pool building/new mechanical equipment/electrical panels	$ 500,000	500000	500000	$ -	$ -	$ -
2 Design	PW1808	Parks	Various Pools	Redo the concrete at Carson Pool, Dominguez Aquatic Center, Foisia Pool, and Hemingway Aquatics Center	$ 2,000,000	0	0	$ 2,000,000	$ -	$ -
2 Design	PW1809	Parks	Veterans SportsComplex	HVAC/Generator Replacement	$ 2,000,000	0	0	$ 2,000,000	$ -	$ -
2 Design	PW1810	Parks	Walnut Mini-Park	Fix concrete sloping/landscaping clean up	$ 750,000	0	0	$ -	$ 750,000	$ -
2 Design	PW1811	Parks	Carson Event Center	Replace Early Childhood Education (ECE) playground so it is all abilities and ADA compliant	$ 500,000	0	0	$ -	$ -	$ 500,000
2 Design	PW1812	Parks	Dominguez Park	Room and Kitchen Remodel	$ 1,000,000	0	0	$ -	$ 1,000,000	$ -
2 Design	PW1813	Parks	Dolphin Park, Dominguez Park, Veterans Park	New irrigation system for the entire park	$ 1,000,000	0	0	$ -	$ 1,000,000	$ -
2 Design	PW1814	Parks	Reflections Park	New redesign and landscaping	$ 750,000	0	0	$ -	$ 750,000	$ -
2 Design	PW1815	Parks	Veterans Park	To improve and fix the skate park at Veterans Park	$ 500,000	0	0	$ 500,000	$ -	$ -
2 Design	PW1816	Parks	Dominguez Park Pickleball Courts	Additional pickleball courts	$ 500,000	0	0	$ -	$ -	$ 500,000
2 Design	PW1817	Parks	Foisia Park Pickleball Courts	Conversion of handball courts into two pickleball courts	$ 500,000	0	0	$ -	$ -	$ 500,000
2 Design	PW1818	Safety	Security Cameras	Installation of Surveillance Cameras at mini-parks.	$ 390,000	0	390000	$ -	$ -	$ -
2 Design	PW1819	Safety	Phase projection for installing an enhanced intrusion alarm and Halo smart sen	The project focuses on installing an upgraded intrusion alarm and Halo smart sensor system. This system will improve security by using advanced technology for real-time monitoring and alerts for unauthorized access or suspicious activity. The Halo smart sensors will include environmental monitoring and automated alerts, providing a complete security solution.	$ 1,436,000	0	1436000	$ -	$ -	$ -
2 Design	PW1820	Safety	Fire suppression system installation at the Carson Community Event Center	The project involves the installation of a fire suppression system at the Carson Community Event Center to enhance safety and comply with fire safety regulations. This system will include advanced features such as sprinklers, alarm systems, and emergency exit signage to protect both the facility and its occupants from potential fire hazards.	$ 580,000	0	0	$ -	$ 580,000	$ -
2 Design	PW1821	Roadways	Caltrans Interchanges	Caltrans areas	$ -	0	0	$ -	$ -	$ -
2 Design	PW1822	Buildings	Teen Center	Design and Construction of City Teen Center	$ -	0	0	$ -	$ -	$ -
2 Design	PW1823	Roadways	Wayfinding Signs	Design and placement of wayfinding signage throughout the City	$ 700,000	200000	0	$ 500,000	$ -	$ -
2 Design	PW1824	Roadways	Avalon & Central holding wall	Repair wall at Avalon & Central	$ 10,000,000	0	0	$ -	$ 10,000,000	$ -
2 Design	PW1825	Roadways	Archways	Planning and design development for new archways throughout the City.	$ 4,000,000	600000	600000	$ 3,400,000	$ -	$ -
2 Design	PW1826	Roadways	Monuments	Planning and design development for new monuments throughout the City.	$ 2,000,000	400000	200000	$ 1,600,000	$ -	$ -
2 Design	PW1827	Roadways	Shared Central Ave Project with City of Compton	Shared Central Ave Project with City of Compton	$ 874,908	874908.13	874908.13			
2 Design	PW1828	Roadways	South Bay Travel Network	Design and Construct a Local Travel Network (LTN) within Carson to establish routes for low speed travel using neighborhood electric vehicles (NEV) as well as other slow-speed zero-emission modes	**$ 4,512,915**	0	654819	**$ 3,858,096**	$ -	$ -
2 Design	PW1829	Traffic	Olympic Ready ITS	Improve the Intelligent Transportation Systems (ITS) infrastructure in the corridorsleadin	**$ 750,000**	**0**	**250000**	**$ 500,000**	**$ -**	**$ -**
2 Design	PW1833	Roadways	Citywide Street Name Sign Replacement	Replacement of Street Name Signs Citywide to align with new style guidelines	$ 1,000,000	0	221000	$ -	$ -	$ -

FY2025-26 5-YEAR CAPITAL IMPROVEMENT PLAN

PHASE	PROJ #	TYPE	PROJECT NAME	DESCRIPTION	Total Project Estimate	FY 25-26 Adopted	FY25-26 Revised	FY26-27 Estimate	FY27-28 Estimate	FY28-29 Estimate
3 Maintenance	PW1396	Roadways	Dominguez Street Roadway Reconstruction	Dominguez Street from Wilmington to Alameda. The project includes asphalt pavement grind and overlay, local removal and replacement of roadway section. It also includes concrete reconstruction, tree removal and replacement, repair of damage sidewalk, driveway approaches, curbs and gutter, access ramps.	$ 3,120,000	0	0	$ -	$ 3,120,000	$ -
3 Maintenance	PW1413-5	Roadways	Annual Slurry Seal & Crack Seal Program (Preventative Maintenance)	Annual preventative maintenace using a rubberized slurry seal on city streets -	$ 900,000	0	0	$ -	$ 900,000	$ -
3 Maintenance	PW1416	Parks	**Calas Park & Fosia Park Roof Repair	Repair and replace roofing material at Calas (Complete) and Foisia Park	$ 666,078	500000	500000	$ -	$ -	$ -
3 Maintenance	PW1426	Roadways	*Citywide Park Slurry Seal Parking Lot, Green Streets & Sustainability	Preventative maintenance for parking lot at all City Parks (12 @$85k)	$ 1,020,000	0	0	$ 1,020,000	$ -	$ -
3 Maintenance	PW1484	Parks	Dugout Cover Installation at 9 Parks	Repair and or replace dugout roof material (Calas, Carriage Crest, Del Amo, Dolphin, Dominguez, Foisia, Hemingway, Stevenson, Veterans) 26 total	$ 75,000	75000	75000	$ -	$ -	$ -
3 Maintenance	PW1639	Parks	Veterans Park Office & Meeting Room & Kitchen Refurbishment	Replace counters, counter tops, cabinets and plumbing fixtures, flooring in Activity rooms and office and remodel Kitchen with new floor/cabinets/appliances	$ 500,000	0	0	$ -	$ 500,000	$ -
3 Maintenance	PW1673	Parks	**Pool Slides Replacement at Dominguez Park and Hemingway Park	Replace and install new pool slides for Dominguez Pool and Hemingway Pool	$ 900,000	450000	450000	$ 450,000	$ -	$ -
3 Maintenance	PW1692	Stormwater	*Carson Stormwater & Runoff Project (O&M Carriage Crest Park)	Operation & Maintenance of stormwater capture facility at Carriage Crest Park. Safe clean water program requirements	$ 2,075,000	83531.22	83531.22	$ 746,469	$ 415,000	$ -
3 Maintenance	PW1699	Buildings	Community Center Upgrades - Dominguez Halls and Kitchen	Upgrades to facility kitchen and halls (Dominguez Halls) at community center (Later to avoid construction conflicts w/ coiling wall)	$ 1,870,000	0	0	$ 1,870,000	$ -	$ -

CITY OF CARSON

701 East Carson Street

Report to Honorable Mayor and City Council

Tuesday, March 17, 2026, 5:00 PM

CONSENT 25.

To: Honorable Mayor and City Council

From: Dr. Arlington Rodgers, Director of Public Works PW Engineering

Subject: CONSIDER APPROVAL OF AMENDMENT NO. 1 TO THE PROFESSIONAL SERVICES AGREEMENT WITH W.G. ZIMMERMAN ENGINEERING INC. TO PROVIDE ON-CALL PROJECT MANAGEMENT SERVICES TO THE PUBLIC WORKS DEPARTMENT (CITY COUNCIL)

I. SUMMARY

The City of Carson retained W.G. Zimmerman Engineering Inc. (WGZE) under an on-call agreement to provide project management services in support of the Public Works Capital Improvement Program (CIP) projects and other miscellaneous and related projects. A contract was entered into with WGZE dated December 19, 2023 to provide professional services with an amount not-to-exceed $615,776.00 for a 2.5 year term beginning January 1, 2024 and ending June 30, 2026.

The initial contract with WGZE was established based on estimated needs at that time. However, due to the increasing number of capital projects and the lack of staff to manage them, the services of the on-call consultant was determined to be necessary.

Staff recommends the City Council approve Amendment No.1 to the Professional Services Agreements with WGZE consulting firm to provide on-call professional project management services for the capital improvement projects and other miscellaneous and related projects, increasing the contract by $355,000.00 for a new total contract sum of $970,776.00 and extending the term an additional year, to expire June 30, 2027.

II. RECOMMENDATION

TAKE the following actions:

1. APPROVE Amendment No. 1 with W.G. Zimmerman Engineering Inc. for On-Call Project Management services increasing the contract sum by $355,000.00 for a total contract sum of $970,776.00 and extending the contract term until June 30, 2027.
2. AUTHORIZE the Mayor to execute contract Amendment No. 1 with W.G. Zimmerman Engineering Inc. following approval as to form by the City Attorney.

III. ALTERNATIVES

1. DO NOT APPROVE the above recommendations. However, WGZE will be unable to continue providing professional services in the future.
2. TAKE another action the City Council deems appropriate consistent with the requirements of the Law.

IV. BACKGROUND

In July 2023, staff issued a Request for Proposals (RFQ) for on-call firms to provide on-call project management for various City CIP projects. On November 21, 2023, the City Council awarded a contract to WGZE for a not to exceed amount of $615,776.00, and effective until June 30, 2026 (Exhibit No. 1). The use of on-call consultant is not in lieu of using full time employees, rather this consultant will be utilized to enhance the capacity of the current staff.

WGZE is currently supporting the City with both design and construction-related traffic engineering services under multiple active projects. These include:

- Design Services for:
    - Task Order 2024-057: Traffic Signal Installation on Sepulveda Boulevard
    - PW 1612: Traffic Signal Installation at Broadway and Griffith
- Construction Management Services for:
    - PW 1657: Traffic Signal Modifications at Six Intersections
    - PW 1667: Traffic Signal Upgrade at Avalon Boulevard and Gardena Boulevard
    - PW 1649: Traffic Signal Upgrades at Four Intersections

In addition to these capital improvement projects, WGZE provides ongoing Traffic Control Plan (TCP) review services in support of the City's development and public works activities. Collectively, these efforts reflect WGZE's continued role in advancing the City's traffic signal modernization, safety enhancements, and traffic operations support.

With several upcoming Public Works projects requiring engineering oversight, the City will need to continue utilizing the enhanced services of WGZE to successfully implement and manage these efforts. The current contract balance is insufficient to support the anticipated scope of services for these projects. Therefore, to proceed with the issuance of the necessary task orders, City Council approval is necessary.

Staff request that the City Council approve Amendment No. 1 to the professional service agreement with WGZE, increasing the contract sum by $355,000.00 for a total contract sum of $970,776.00 and extend the Agreement for an additional one-year term through June 30, 2027 (Exhibit No. 2) to support the continued services.

Section 2611(m)(3) of the Carson Municipal Code ("CMC") provides that any proposed amendment to a contract exceeding $75,000 requires solicitation unless the amendment concerns a change order under Section 2601(d) of the CMC in which event bidding will not be required irrespective of the amount of the change order. Amendment No. 1 qualifies as a change order because it concerns a change to the price arising out of reasonably unforeseeable circumstances borne out of the scope of the original agreement.

V. FISCAL IMPACT

If the proposed amendment is approved, the WGZE contract will be increased by an additional $355,000.00 for a new total not-to-exceed contract amount of $970,776.00. Of the requested amendment amount, $150,000.00 will utilize funds allocated in the adopted FY 25/26 budget using Engineering Professional Services account 101-80-820-101-6004.

The remaining $250,000.000 will be programmed in the future FY 26/27 Operating Budget within the Engineering Professional Services account 101-80-820-101-6004.

CONTRACT SERVICES AGREEMENT

By and Between

CITY OF CARSON

and

W.G. ZIMMERMAN ENGINEERING, INC.

AGREEMENT FOR CONTRACT SERVICES
BETWEEN THE CITY OF CARSON AND
W.G. ZIMMERMAN ENGINEERING, INC.

THIS AGREEMENT FOR CONTRACT SERVICES (herein "Agreement") is made and entered into this 19th day of December, 2023 by and between the CITY OF CARSON, a California municipal corporation ("City") and W.G. ZIMMERMAN ENGINEERING, INC., a California corporation ("Consultant"). City and Consultant are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

RECITALS

A. City has sought, by issuance of a Request for Proposals or Invitation for Bids, the performance of the services defined and described particularly in Article 1 of this Agreement.

B. Consultant, following submission of a proposal or bid for the performance of the services defined and described particularly in Article 1 of this Agreement, was selected by the City to perform those services.

C. Pursuant to the City of Carson's Municipal Code, City has authority to enter into and execute this Agreement.

D. The Parties desire to formalize the selection of Consultant for performance of those services defined and described particularly in Article 1 of this Agreement and desire that the terms of that performance be as particularly defined and described herein.

OPERATIVE PROVISIONS

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1. SERVICES OF CONSULTANT

1.1 Scope of Services.

In compliance with all terms and conditions of this Agreement, the Consultant shall provide those services specified in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by this reference, which may be referred to herein as the "services" or "work" hereunder. As a material inducement to the City entering into this Agreement, Consultant represents and warrants that it has the qualifications, experience, and facilities necessary to properly perform the services required under this Agreement in a thorough, competent, and professional manner, and is experienced in performing the work and services contemplated herein. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. Consultant covenants that it shall follow the highest professional standards in performing the work and services required hereunder and that all materials will be both of good quality as well as fit for the purpose intended. For purposes of this Agreement, the phrase "highest

professional standards" shall mean those standards of practice recognized by one or more first-class firms performing similar work under similar circumstances.

1.2 Consultant's Proposal.

The Scope of Service shall include the Consultant's scope of work or bid which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal and this Agreement, the terms of this Agreement shall govern.

1.3 Compliance with Law.

Consultant shall keep itself informed concerning, and shall render all services hereunder in accordance with, all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental entity having jurisdiction in effect at the time service is rendered.

1.4 Licenses, Permits, Fees and Assessments.

Consultant shall obtain at its sole cost and expense such licenses, permits and approvals as may be required by law for the performance of the services required by this Agreement. Consultant shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for the Consultant's performance of the services required by this Agreement, and shall indemnify, defend and hold harmless City, its officers, employees or agents of City, against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

1.5 Familiarity with Work.

By executing this Agreement, Consultant warrants that Consultant (i) has thoroughly investigated and considered the scope of services to be performed, (ii) has carefully considered how the services should be performed, and (iii) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, Consultant warrants that Consultant has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder. Should the Consultant discover any latent or unknown conditions, which will materially affect the performance of the services hereunder, Consultant shall immediately inform the City of such fact and shall not proceed except at Consultant's risk until written instructions are received from the Contract Officer.

1.6 Care of Work.

The Consultant shall adopt reasonable methods during the life of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and/or other components thereof to prevent losses or damages, and shall be responsible for all such damages, to persons or property, until acceptance of the work by City, except such losses or damages as may be caused by City's own negligence.

1.7 Further Responsibilities of Parties.

Both parties agree to use reasonable care and diligence to perform their respective obligations under this Agreement. Both parties agree to act in good faith to execute all instruments, prepare all documents and take all actions as may be reasonably necessary to carry out the purposes of this Agreement. Unless hereafter specified, neither party shall be responsible for the service of the other.

1.8 Additional Services.

City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Consultant, incorporating therein any adjustment in (i) the Contract Sum for the actual costs of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Consultant. Any increase in compensation of up to ten percent (10%) of the Contract Sum or $25,000, whichever is less; or, in the time to perform of up to one hundred eighty (180) days, may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively, must be approved by the City Council. It is expressly understood by Consultant that the provisions of this Section shall not apply to services specifically set forth in the Scope of Services. Consultant hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Services may be more costly or time consuming than Consultant anticipates and that Consultant shall not be entitled to additional compensation therefor. City may in its sole and absolute discretion have similar work done by other contractors. No claims for an increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

1.9 Special Requirements.

Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT.

2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed Six Hundred Fifteen Thousand Seven Hundred Seventy Six Dollars and Zero Cents (**$615,776.00**) (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8. In the event City elects to exercise its options to extend the Term pursuant to Section 3.4 hereof, the Contract Sum will increase consistent with the additional not to exceed compensation applicable to each Extension Term, as set out in in Exhibit "C."

2.2 Method of Compensation.

The method of compensation may include: (i) a lump sum payment upon completion; (ii) payment in accordance with specified tasks or the percentage of completion of the services, less contract retention; (iii) payment for time and materials based upon the Consultant's rates as specified in the Schedule of Compensation, provided that (a) time estimates are provided for the performance of sub tasks, (b) contract retention is maintained, and (c) the Contract Sum is not exceeded; or (iv) such other methods as may be specified in the Schedule of Compensation.

2.3 Reimbursable Expenses.

Compensation may include reimbursement for actual and necessary expenditures for reproduction costs, telephone expenses, and travel expenses approved by the Contract Officer in advance, or actual subcontractor expenses of an approved subcontractor pursuant to Section 4.5, and only if specified in the Schedule of Compensation. The Contract Sum shall include the attendance of Consultant at all project meetings reasonably deemed necessary by the City. Coordination of the performance of the work with City is a critical component of the services. If Consultant is required to attend additional meetings to facilitate such coordination, Consultant shall not be entitled to any additional compensation for attending said meetings.

2.4 Invoices.

Each month Consultant shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall also be detailed by such categories. Consultant shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by City, or as provided in Section 7.3, City will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant's correct and undisputed invoice; however, Consultant acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by City for any invoice provided by the Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.5 Waiver.

Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

ARTICLE 3. PERFORMANCE SCHEDULE

3.1 Time of Essence.

Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance.

Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the "Schedule of Performance" attached hereto as Exhibit "D" and incorporated herein by this reference. When requested by the Consultant, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding one hundred eighty (180) days cumulatively.

3.3 Force Majeure.

The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Consultant shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding one (1) years from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "D").

ARTICLE 4. COORDINATION OF WORK

4.1 Representatives and Personnel of Consultant.

The following principals of Consultant ("Principals") are hereby designated as being the principals and representatives of Consultant authorized to act in its behalf with respect to the work specified herein and make all decisions in connection therewith:

Bill Zimmerman,PE, TE, PTOE	President / CEO
(Name)	(Title)

(Name)	(Title)
(Name)	(Title)

It is expressly understood that the experience, knowledge, capability and reputation of the foregoing principals were a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principals shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the services hereunder. All personnel of Consultant, and any authorized agents, shall at all times be under the exclusive direction and control of the Principals. For purposes of this Agreement, the foregoing Principals may not be replaced nor may their responsibilities be substantially reduced by Consultant without the express written approval of City. Additionally, Consultant shall utilize only competent personnel to perform services pursuant to this Agreement. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement. Consultant shall notify City of any changes in Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement, prior to and during any such performance.

4.2 Status of Consultant.

Consultant shall have no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against City, whether by contract or otherwise, unless such authority is expressly conferred under this Agreement or is otherwise expressly conferred in writing by City. Consultant shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of City. Neither Consultant, nor any of Consultant's officers, employees or agents, shall obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City's employees. Consultant expressly waives any claim Consultant may have to any such rights.

4.3 Contract Officer.

The Contract Officer shall be Raymond Velasco, P.E., Public Works Operations Manager, or as otherwise designated by the City Manager. It shall be the Consultant's responsibility to assure that the Contract Officer is kept informed of the progress of the performance of the services and the Consultant shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority, if specified in writing by the City Manager, to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.4 Independent Consultant.

Neither the City nor any of its employees shall have any control over the manner, mode or means by which Consultant, its agents or employees, perform the services required herein, except as otherwise set forth herein. City shall have no voice in the selection, discharge, supervision or control of Consultant's employees, servants, representatives or agents, or in fixing their number,

compensation or hours of service. Consultant shall perform all services required herein as an independent contractor of City and shall remain at all times as to City a wholly independent contractor with only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturer or a member of any joint enterprise with Consultant.

4.5 Prohibition Against Subcontracting or Assignment.

The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages.

The Consultant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) General Liability Insurance (Coverage Form ISO CGL CG 00 01 or equivalent). A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in an amount not less than $1,000,000.00 per occurrence or if a general aggregate limit is used, then the general aggregate limit shall be twice the occurrence limit.

(b) Worker's Compensation Insurance. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Consultant against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Consultant in the course of carrying out the work or services contemplated in this Agreement, with Employer's Liability insurance coverage limits of at least $1,000,000.00.

(c) Automotive Insurance (Coverage Form ISO CA 00 01 including "any auto" and endorsement CA 0025 or equivalent). A policy of comprehensive automobile liability

insurance written on a per occurrence for bodily injury and property damage in an amount not less than $1,000,000. Said policy shall include coverage for owned, non-owned, leased, hired cars and any automobile.

(d) Professional Liability. Professional liability insurance appropriate to the Consultant's profession, as determined by the City's Risk Manager, provided that the limits shall be no less than $1,000,000 per claim and no less than $1,000,000 general aggregate. This coverage may be written on a "claims made" basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of Consultant's services or the termination of this Agreement. During this additional 5-year period, Consultant shall annually and upon request of the City submit written evidence of this continuous coverage.

(e) Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall include all of the requirements stated herein.

(f) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit "B".

(g) Broader Coverages and Higher Limits. Notwithstanding anything else herein to the contrary, if Consultant maintains broader coverages and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverages and/or higher limits maintained by Consultant.

5.2 General Insurance Requirements.

All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents may apply in excess of, and not contribute with Consultant's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. Moreover, the insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention.

All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Consultant shall, prior to the cancellation date, submit new evidence of insurance in conformance with Section 5.1 to the Contract Officer.

No work or services under this Agreement shall commence until the Consultant has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsements to all required insurance policies at any time. Any failure to comply

with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

All certificates shall name the City as additional insured (providing the appropriate endorsement) and shall conform to the following "cancellation" notice:

> CANCELLATION:
>
> SHOULD ANY OF THE ABOVE DESCRIBED POLICIES BE CANCELLED BEFORE THE EXPIRATION DATED THEREOF, THE ISSUING COMPANY SHALL MAIL THIRTY (30)-DAY ADVANCE WRITTEN NOTICE TO CERTIFICATE HOLDER NAMED HEREIN.
>
> [to be initialed] _____
> Consultant Initials

City, its respective elected and appointed officers, directors, officials, employees, agents and volunteers are to be covered as additional insureds as respects: liability arising out of activities Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or any automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, and their respective elected and appointed officers, officials, employees or volunteers. Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

Any deductibles or self-insured retentions must be declared to and approved by City. At the option of City, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City or its respective elected or appointed officers, officials, employees and volunteers or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims. The Consultant agrees that the requirement to provide insurance shall not be construed as limiting in any way the extent to which the Consultant may be held responsible for the payment of damages to any persons or property resulting from the Consultant's activities or the activities of any person or persons for which the Consultant is otherwise responsible nor shall it limit the Consultant's indemnification liabilities as provided in Section 5.3.

In the event the Consultant subcontracts any portion of the work in compliance with Section 4.5 of this Agreement, the contract between the Consultant and such subcontractor shall require the subcontractor to maintain the same policies of insurance that the Consultant is required to maintain pursuant to Section 5.1, and such certificates and endorsements shall be provided to City.

5.3 Indemnification.

To the full extent permitted by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative,

arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Consultant is legally liable ("indemnitors"), or arising from Consultant's or indemnitors' reckless or willful misconduct, or arising from Consultant's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

(a) Consultant will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorneys' fees incurred in connection therewith;

(b) Consultant will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of Consultant hereunder; and Consultant agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

(c) In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Consultant for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Consultant hereunder, Consultant agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorneys' fees.

Consultant shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Consultant shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This indemnification includes claims or liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Consultant in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City's sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Consultant and shall survive termination of this Agreement.

5.4 Sufficiency of Insurer.

Insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A-" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the Risk Manager of the City ("Risk

Manager") due to unique circumstances. If this Agreement continues for more than 3 years duration, or in the event the risk manager determines that the work or services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Consultant agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt of written notice from the Risk Manager.

ARTICLE 6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records.

Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. Any and all such documents shall be maintained in accordance with generally accepted accounting principles and shall be complete and detailed. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the City shall have access to such records in the event any audit is required. In the event of dissolution of Consultant's business, custody of the books and records may be given to City, and access shall be provided by Consultant's successor in interest. Notwithstanding the above, the Consultant shall fully cooperate with the City in providing access to the books and records if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 Reports.

Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement as the Contract Officer shall require. Consultant hereby acknowledges that the City is greatly concerned about the cost of work and services to be performed pursuant to this Agreement. For this reason, Consultant agrees that if Consultant becomes aware of any facts, circumstances, techniques, or events that may or will materially increase or decrease the cost of the work or services contemplated herein or, if Consultant is providing design services, the cost of the project being designed, Consultant shall promptly notify the Contract Officer of said fact, circumstance, technique or event and the estimated increased or decreased cost related thereto and, if Consultant is providing design services, the estimated increased or decreased cost estimate for the project being designed.

6.3 Ownership of Documents.

All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials (the "documents and materials") prepared by Consultant, its employees, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of

ownership use, reuse, or assignment of the documents and materials hereunder. Any use, reuse or assignment of such completed documents for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant, and Consultant's guarantee and warranties shall not extend to such use, reuse or assignment. Consultant may retain copies of such documents for its own use. Consultant shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom. Moreover, with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City.

6.4 Confidentiality and Release of Information.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the Contract Officer.

(b) Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant gives City notice of such court order or subpoena.

(c) If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorneys fees, caused by or incurred as a result of Consultant's conduct.

(d) Consultant shall promptly notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under. City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law.

This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions

concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

7.2 Disputes; Default.

In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, the City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under this Article. Any failure on the part of the City to give notice of the Consultant's default shall not be deemed to result in a waiver of the City's legal rights or any rights arising out of any provision of this Agreement.

7.3 Retention of Funds.

Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, or any indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of the Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.4 Waiver.

Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

7.5 Rights and Remedies are Cumulative.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Legal Action.

In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code Sections 905 et. seq. and 910 et. seq., in order to pursue a legal action under this Agreement.

7.7 Termination Prior to Expiration of Term.

This Section shall govern any termination of this Agreement except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to Consultant, except that where termination is due to the fault of the Consultant, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, the Consultant reserves the right to terminate this Agreement at any time, with or without cause, upon sixty (60) days' written notice to City, except that where termination is due to the fault of the City, the period of notice may be such shorter time as the Consultant may determine. Upon receipt of any notice of termination, Consultant shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Consultant has initiated termination, the Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer, except as provided in Section 7.3. In the event the Consultant has initiated termination, the Consultant shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder. In the event of termination without cause pursuant to this Section, the terminating party need not provide the non-terminating party with the opportunity to cure pursuant to Section 7.2.

7.8 Termination for Default of Consultant.

If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

7.9 Attorneys' Fees.

If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees.

No officer or employee of the City shall be personally liable to the Consultant, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest.

Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the Contract Officer. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which affects her/his financial interest or the financial interest of any corporation, partnership or association in which (s)he is, directly or indirectly, interested, in violation of any State statute or regulation. The Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination.

Consultant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

8.4 Unauthorized Aliens.

Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, *et seq.*, as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Consultant so employ such unauthorized aliens for the performance of work and/or services covered by this Agreement, and should any liability or sanctions be imposed against City for such use of unauthorized aliens, Consultant hereby agrees to and shall reimburse City for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by City.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices.

Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of Carson, 701 East Carson, Carson, California 90745 and in the case of the Consultant, to the person(s) at the address designated on the execution page of this Agreement. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

9.3 Counterparts.

This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Agreement.

9.4 Integration; Amendment.

This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the parties. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by the Consultant and by the City Council. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.

9.5 Severability.

In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 Warranty & Representation of Non-Collusion.

No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. The determination of "financial interest" shall be consistent with State law and shall not include interests found to be "remote" or "non-interests" pursuant to Government Code Sections 1091 or 1091.5. Consultant warrants and represents that it has not paid or given, and will not pay or give, to any third party including, but not limited to, any City official, officer, or employee, any money, consideration, or other thing of value as a result or consequence of obtaining or being awarded any agreement. Consultant further warrants and represents that (s)he/it has not engaged in any act(s), omission(s), or other conduct or collusion that would result in the payment of any money, consideration, or other thing of value to any third party including, but not limited to, any City official, officer, or employee, as a result of consequence of obtaining or being awarded any agreement. Consultant is aware of and understands that any such act(s), omission(s) or other conduct resulting in such payment of money, consideration, or other thing of value will render this Agreement void and of no force or effect.

Consultant's Authorized Initials BB

9.7 Corporate Authority.

The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other Agreement to which said party is bound. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the parties.

EXHIBIT "A"
SCOPE OF SERVICES

I. Consultant will perform the following Project Manager Services on an on-call basis:

STAFF AUGMENTATION:

Assist the City in executing various projects. Consultant will conduct plan reviews and project management services for various public facility projects. Consultant shall be the main point of contact with City staff in project or task development from concept to close out. Consultant may be stationed at City facilities to perform assignments and coordinate activities as directed by the Contract Officer, Director of Public Works or assigned designee.

Upon request, Consultant will conduct public workshops and have an explicit understanding of the California Public Contract Code and the City of Carson's Municipal Code efficiently and effectively.

GENERAL PROJECT MANAGEMENT STAFF AUGMENTATION SERVICES:

General services include, but are not limited to the following:

- General Contract Administration/Project Management.
- Review of conceptual and final plans along with project specifications and construction documents.
- Development and preparation of Project Studies.
- Research of various project related items such as local, State, Federal provisions, grant opportunities. Investigation and management of possible grant opportunities for Public Works projects, including grant application, reporting, and monitoring.
- Coordination with, or obtaining approvals from, various private and public agencies.
- Preparation of and/or presenting information at City Council, public workshops, or other public meetings.
- Development or review of various project related reports, diagrams, exhibits.
- Development of databases for capital improvement projects including schedules, budgets and priorities.
- Research and review of, record drawings, field investigations, site conditions, restrictions, California Environmental Quality Act (CEQA) status.

- Coordinate projects with outside agencies such as utility companies, Los Angeles County Department of Public Works, Sheriff station, Caltrans.
- Preparation of Request for Proposals (RFP).
- Coordination of Public Works projects for the bidding process.
- Management of project budgets and working closely with the City's Public Works Administrative staff.
- Review, evaluate, process, and provide approval recommendation to City staff for payments to consultants, consultants, and various agencies.
- Review, evaluate, and approve proposed changes from other consultants and consultants.
- Verification of field work such as field investigations, inspections, job walks.

II. Consultant will perform Services, if any, in accordance with project-specific Task Orders, as follows:

When the City requests proposals from on-call consultants (including the Consultant) on a project-specific Task Order, and if the City accepts Consultant's proposal, then the Task Order and Notice to Proceed shall provide in detail Consultant's Scope of Services on that Task Order. **This Agreement does not guarantee that Consultant will be selected to perform services on Task Orders. This Agreement does not provide for Consultant's compensation except for Consultant's services rendered pursuant to a Notice to Proceed on a Task Order.**

III. Consultant must perform all on-call Services in compliance with the following requirements:

A. Each task shall be indicated by a written request ("Task Order") produced by the Contract Officer with a description of the work to be performed, and the time desired for completion. All tasks shall be carried out in conformity with all provisions of this Agreement.

B. Consultant must prepare a written description of the requested tasks including all components and subtasks; the costs to perform the task ("Task Budget"), using the itemized fees in Exhibit C, Schedule of Compensation, whenever a requested task is provided for in Exhibit C; explain how the cost was determined; and, a schedule for completion of the task ("Task Completion Date"); which shall all collectively be referred to as the "Task Proposal."

C. Contract Officer shall in writing approve, modify, or reject the Task Proposal, and may issue a Notice to Proceed.

D. The task shall be performed at a cost not to exceed the Task Budget.

E. Consultant shall complete the task and deliver all deliverables to Contract Officer by the Task Completion Date.

IV. In addition to the requirements of Section 6.2 and pursuant to the Task Order's project-specific Scope of Services, the Contract Officer may require the Consultant to provide the following deliverables, as applicable:

A. Project Studies

B. Project related reports, diagrams, exhibits

C. Databases for capital improvement projects including schedules, budgets and priorities

D. RFPs

V. All work product is subject to review and acceptance by the City, and must be revised by the Consultant without additional charge to the City until found satisfactory and accepted by City.

VI. Consultant will utilize qualified personnel with the following titles to perform the Services required by the applicable Task Order. Consultant shall obtain the Contract Officer's advanced written approval when replacing any individual assigned to perform services on Task Orders:

A. Bill Zimmerman, PE, TE, PTOE, Project Manager/Traffic Engineer

B. Christopher Cordero, PE, Senior Project Engineer

C. Michael Brust, Project Engineer

D. Antonio Magaña, Senior Design Engineer

E. Jonathan Bui, EIT, Design Engineer

F. Shirley Land, LEED AP, design, project management, and funding support (subconsultant)

EXHIBIT "B"
SPECIAL REQUIREMENTS
(Superseding Contract Boilerplate)

The Agreement is hereby amended as follows (deletions shown in ~~strikethrough~~ and additions shown in ***bold italics***):

I. Section 3.4 (Term) of the Agreement is hereby amended to read in its entirety as follows:

"3.4 Term

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services ***commencing January 1, 2024 and expiring June 30, 2026*** ~~but not exceeding one (1) years from the date hereof~~, except as otherwise provided in the Schedule of Performance (Exhibit "D"). ***The City may, at its sole discretion, elect to extend the Term by two (2) additional one-year terms (each, an "Extension Term"). The pricing to be applied for each Extension Term is listed in Exhibit "C."***"

II. Section 4.5, "Prohibition Against Subcontracting or Assignment," is hereby amended to read in its entirety as follows:

"4.5 Prohibition Against Subcontracting or Assignment

The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, ***with the exception of Land CM Consulting & Management which will provide design, project management, and funding support services through Shirley Land,*** Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express consent of City."

EXHIBIT "C"
SCHEDULE OF COMPENSATION

I. **This Schedule of Compensation governs Consultant's compensation in the event the Consultant performs services pursuant to a Notice to Proceed on a Task Order. This Agreement does not guarantee that Consultant will be selected to perform services on Task Orders.**

The not to exceed compensation amounts are as follows:

January 1, 2024 through June 30, 2024:	$120,250.00
July 1, 2024 through June 30, 2025:	$245,310.00*
July 1, 2025 through June 30, 2026:	$250,216.00*
Total:	$615,776.00

July 1, 2026 through June 30, 2027:	$255,220.00 (extension period)*
July 1, 2027 through June 30, 2028:	$260,324.00 (extension period)*

*Amount reflects 2% increase from prior year.

II. **Consultant responding to the City's request for proposals on a project-specific Task Order shall establish a Task Budget for the Task Order, identifying the subtasks based on the time and rates of the personnel performing the subtasks, and itemizing all materials and equipment utilized and the costs thereof. If payment is to be made other than at completion of the services, then the phases of the performance and percentage of payment due shall also be shown in the Task Proposal. Consultant's proposals on Task Orders shall be based on hourly rates identical to the rates attached as Exhibit C-1.**

III. **The City will compensate Consultant for the Services performed upon submission of a valid invoice. Each invoice is to include:**

A. Line items for all personnel describing the work performed, the number of hours worked, and the hourly rate.

B. Line items for all materials and equipment properly charged to the Services.

C. Line items for all other approved reimbursable expenses claimed, with supporting documentation.

D. Line items for all approved subcontractor labor, supplies, equipment, materials, and travel properly charged to the Services.

IV. **The total compensation for the Services shall not exceed $615,776.00 as provided in Section 2.1 of this Agreement.**

V. **The Consultant's billing rates for all personnel are attached as Exhibit C-1.**

EXHIBIT "C-1"
BILLING RATES

Classification	Rate
Principal	$ 220.00/Hr
Registered Traffic Engineer	$ 215.00/Hr
Senior Project Manager (Registered)	$ 200.00/Hr
Project Manager (Registered)	$ 185.00/Hr
Senior Project Engineer (Registered)	$ 180.00/Hr
Project Engineer	$ 160.00/Hr
Senior Associate Engineer	$ 140.00/Hr
Senior Design Engineer	$ 135.00/Hr
Design Engineer	$ 130.00/Hr
CADD Manager/Senior Designer	$ 135.00/Hr
Microstation CADD/Technician	$ 135.00/Hr
Administration/Office Support	$ 90.00/Hr

Non-Labor Expenses	
Printing	Cost plus 5%
Reproduction (Blue lines)	Cost plus 5%
Other Expenses (such as sub-consultants, outside services or special equipment needs)	Cost plus 5%

EXHIBIT "D"
SCHEDULE OF PERFORMANCE

I. Consultant shall perform all Services on an on-call basis as set forth in Exhibit "A."

II. If the City selects the Consultant's proposal to perform a project-specific Task Order, the Task Order's Scope of Work/Services or the Notice to Proceed, or both, shall provide the detailed schedule of performance, and all services shall be completed timely in accordance with the approved Task Proposal and by the Task Completion Date.

AMENDMENT NO. 1

TO AGREEMENT FOR CONTRACT SERVICES

THIS AMENDMENT TO THE AGREEMENT FOR CONTRACT SERVICES ("Amendment") by and between the CITY OF CARSON, a California municipal corporation ("City"), and W.G. ZIMMERMAN ENGINEERING, INC., a California corporation ("Consultant"), is effective as of the 17th day of March, 2026. City and Consultant are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

RECITALS

A. City and Consultant entered into that certain Agreement for Contract Services dated December 19, 2023 ("Agreement"), whereby Consultant agreed to perform certain on-call project manager services for a not-to-exceed Contract Sum of $615,776.00 over a term of two and a half (2.5) years from January 1, 2024 to June 30, 2026. The Agreement provides for two optional one (1) year extension periods with pricing for each extension term detailed in Exhibit "C."

B. City and Consultant now desire to amend the Agreement to exercise the first of its extension options and extend the Term by one (1) year to June 30, 2027, and increase the total compensation by $355,000.00 ($150,000 during the term ending June 20, 2026 and $205,000 during the first extension period) thereby bringing the Contract Sum from $615,776.00 to $970,776.00. The increased compensation provides for the continuation of services through the end of Fiscal Year 2026–27, including project and construction management, staff augmentation, and traffic control plan review services, and ensures adequate professional support to meet the City's ongoing capital project and operational needs during the first extension term.

TERMS

1. **Incorporation of Recitals**. The Recitals set forth above are incorporated into and are a part of this Amendment.

2. **Terms and Definition.** All words, terms, and phrases used or referenced in this Amendment, not expressly defined in this Amendment, shall have the same meaning ascribed to them in the Agreement.

3. **Contract Changes**. The Agreement is amended as provided herein (new text is indicated in ***bold italics*** and deleted text in ~~strikethrough~~).

A. Section 2.1 (Contract Sum) of the Agreement is hereby amended to read in its entirety as follows:

"2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C"

and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed ~~Six Hundred Fifteen Thousand Seventy Six Dollars and Zero Cents ($615,776.00)~~ ***Nine Hundred Seventy Thousand Seven Hundred Seventy Six Dollars and Zero Cents ($970,776.00)*** (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8. In the event City elects to exercise its options to extend the Term pursuant to Section 3.4 hereof, the Contract Sum will increase consistent with the additional not to exceed compensation applicable to each Extension Term, as set out in ~~in~~ Exhibit "C."

B. Section 3.4 (Term) of the Agreement is hereby amended to read in its entirety as follows:

"3.4 Term.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services commencing January 1, 2024 and expiring June 30, ***2027*** ~~2026~~, except as otherwise provided in the Schedule of Performance (Exhibit "D"). The City may, at its sole discretion, elect to extend the Term by ~~two~~ ***one*** (***1***~~2~~) additional one-year terms~~s~~ (each, an "Extension Term"). The pricing to be applied for each Extension Term is listed in Exhibit "C.""

C. Section I of Exhibit C (Schedule of Compensation) of the Agreement is hereby amended to read in its entirety as follows:

"**I. This Schedule of Compensation governs Consultant's compensation in the event the Consultant performs services pursuant to a Notice to Proceed on a Task Order. This Agreement does not guarantee that Consultant will be selected to perform services on Task Orders.**

The not to exceed compensation amounts are as follows:

January 1, 2024 through June 30, 2024:	$120,250.00
July 1, 2024 through June 30, 2025:	$245,310.00~~*~~
July 1, 2025 through June 30, 2026:	***$400,216*** ~~$250,216.00*~~
July 1, 2026 through June 30, 2027:	***$205,000.00 (extension period)***
Total:	***$970,776.00*** ~~$615,776.00~~
~~July 1, 2026 through June 30, 2027:~~	~~$255,220.00 (extension period)*~~
July 1, 2027 through June 30, 2028:	$260,324.00 (extension period)~~*~~

~~*Amount reflects 2% increase from prior year.~~"

D. Section IV of Exhibit C (Schedule of Compensation) is hereby amended to read in its entirety as follows:

"IV. The total compensation for the Services shall not exceed $***970,776.00*** ~~615,776.00~~ as provided in Section 2.1 of this Agreement."

4. **Continuing Effect of Agreement.** Except as amended by this Amendment, all provisions of the Agreement shall remain unchanged and in full force and effect. From and after the date of this Amendment, whenever the term "Agreement" appears in the Agreement, it shall mean the Agreement, as amended by the Amendment to the Agreement.

5. **Affirmation of Agreement; Warranty Re Absence of Defaults.** City and Consultant each ratify and reaffirm each and every one of the respective rights and obligations arising under the Agreement. Each party represents and warrants to the other that there have been no written or oral modifications to the Agreement other than as provided herein. Each party represents and warrants to the other that the Agreement, as amended by this Amendment, is currently an effective, valid, and binding obligation.

Consultant represents and warrants to City that, as of the date of this Amendment, City is not in default of any material term of the Agreement and that there have been no events that, with the passing of time or the giving of notice, or both, would constitute a material default under the Agreement.

City represents and warrants to Consultant that, as of the date of this Amendment, Consultant is not in default of any material term of the Agreement and that there have been no events that, with the passing of time or the giving of notice, or both, would constitute a material default under the Agreement.

6. **Adequate Consideration.** The Parties hereto irrevocably stipulate and agree that they have each received adequate and independent consideration for the performance of the obligations they have undertaken pursuant to this Amendment.

7. **Authority.** The persons executing this Amendment on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Amendment on behalf of said party, (iii) by so executing this Amendment, such party is formally bound to the provisions of this Amendment, and (iv) the entering into this Amendment does not violate any provision of any other agreement to which said party is bound.

8. **Counterparts.** This Amendment may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Amendment.

[SIGNATURES ON FOLLOWING PAGE]

IN WITNESS WHEREOF, the parties hereto have executed this Amendment on the date and year first-above written.

Report to Honorable Mayor and City Council

Tuesday, March 17, 2026, 5:00 PM

SPECIAL ORDERS OF THE DAY 26.

To: Honorable Mayor and City Council

From: Nathan Freeman, Director of Community and Economic Development CD Planning

Subject: CONSIDER INTRODUCING FOR FIRST READING, BY TITLE ONLY, ORDINANCE NO. 26-2606, APPROVING AN AMENDED AND RESTATED DEVELOPMENT AGREEMENT NO. 23-19 BETWEEN THE CITY OF CARSON, IMPERIAL AVALON DE, LLC, AND LENNAR HOMES OF CALIFORNIA, LLC FOR A PROPOSED MIXED-USE PROJECT AT 21207 S. AVALON BLVD. (CITY COUNCIL)

I. SUMMARY

Development Agreement No. 23-19 ("DA") was originally approved in December 2022 and entered into with Imperial Avalon, LLC for a mixed-use development project located at 21207 S. Avalon Blvd. Numerous "Minor Modifications" to the DA have been approved by the Community Development Director under the provisions of the DA since that time. Also, the DA has been partially assigned to Lennar Homes of California, LLC ("Lennar"), which purchased the western portion of the project site for development of the townhomes component of the project, whereas Imperial Avalon DE, LLC now owns the eastern portion of the project site for development of the apartment buildings component of the project.

To facilitate construction and completion of the project, the Developer is now seeking City Council adoption of an ordinance approving an amended and restated version of the DA. The proposed Amended and Restated DA, which includes an amended and restated set of project conditions of approval, would incorporate certain changes made to the DA and conditions of approval by the previously-approved Minor Modifications into one consolidated document, while also making certain other changes to technical provisions of the DA such as mortgagee protection and assignment approval requirements.

The Planning Commission heard and recommended City Council approval of an Amended and Restated DA on January 27, 2026. The proposed item before the Council this evening is to hold a public hearing as required by law and consider introduction and first reading of an ordinance that would approve the proposed Amended and Restated DA.

II. RECOMMENDATION

TAKE the following actions:

1. OPEN the public hearing, TAKE public comment, and CLOSE the public hearing; and
2. INTRODUCE for First Reading, by Title only, Ordinance No. 26-2606, "AN UNCODIFIED ORDINANCE OF THE CITY OF CARSON, CALIFORNIA APPROVING AMENDED AND RESTATED DEVELOPMENT

AGREEMENT NO. 23-19 BETWEEN THE CITY OF CARSON, IMPERIAL AVALON DE, LLC, AND LENNAR HOMES OF CALIFORNIA, LLC FOR A PROPOSED MIXED-USE PROJECT AT 21207 S. AVALON BLVD."

III. ALTERNATIVES

TAKE such other action as the City Council deems appropriate, consistent with the requirements of law.

IV. BACKGROUND

On December 13, 2022, the City adopted Ordinance No. 22-2222, approving Development Agreement No. 23-19 (Exhibit 1) between the City and Imperial Avalon LLC for a mixed-use residential and commercial project on the real property located at 21207 South Avalon Boulevard in the City ("Property"). The project consists of 764 multi-family residential units in two buildings of up to four stories each, 351 attached/detached and stacked flat townhome units of up to three stories each, 111,581 square feet of publicly accessible open space (including a minimum 22,859 square foot park), and 10,000 square feet of commercial restaurant space (the "Project").

In connection with Development Agreement No. 23-19, the City also conditionally approved the following entitlements for the Project in December 2022 (collectively, the "Original Entitlements"): (1) certification of an Environmental Impact Report (SCH No. 2021010116; the "EIR") for the Project; (2) General Plan Amendment ("GPA") No. 105-19, to change the land use designation of the Property from Regional Commercial/Low Density Residential to Urban Residential; (3) Specific Plan ("SP") No. 21-19, the Imperial Avalon Specific Plan ("IASP"), to establish the development standards and permitted uses for the Property; (4) Zone Change ("ZCC") No. 188-19, to change the Property's zoning from Commercial Automotive/RM-8-D to Imperial Avalon Specific Plan; (5) Site Plan Review and Design Review ("DOR") No. 1803-19; and (6) Vesting Tentative Tract Map ("VTTM") No. 83157.

The Original Entitlements were approved subject to Conditions of Approval. Among them, Exhibit "B" of Planning Commission Resolution No. 22-244 imposes Conditions of Approval on DOR No. 1803-19 ("DOR COAs"), and Exhibit "C" of Planning Commission Resolution No. 22-244, as amended by City Council Resolution No. 22-242, imposes Conditions of Approval on VTTM No. 83157 ("VTTM COAs").

The Development Agreement and some of the Original Entitlements, including the DOR COAs and VTTM COAs, were subsequently amended through multiple Minor Modifications requested by Imperial Avalon and approved by the City's Community Development Director pursuant to Section 12.4 of the Development Agreement, as follows (Exhibits 3-7; collectively, the "Minor Modifications"):

- A Minor Modification approved on May 24, 2023, made revisions to the Development Agreement and resolved an inconsistency between the Specific Plan and the approved Project plans regarding the required Project building setback from the 405 freeway.

- A Minor Modification approved on February 28, 2024, made revisions to the Development Agreement. This Minor Modification was approved pursuant to a Settlement Agreement and Mutual Release between the City and Imperial Avalon, which became effective on or about February 28, 2024 ("Original Settlement Agreement").

- A Minor Modification approved on June 10, 2024, made revisions to the Development Agreement, the DOR COAs, the VTTM COAs, and the Mitigation Monitoring and Reporting Program Table included as Section 4.2 in the Final EIR.

- A Minor Modification approved on May 8, 2025, made revisions to the Development Agreement.

- A Minor Modification approved on February 4, 2026, which provides for revisions to the Development Agreement, the DOR COAs, and the VTTM COAs. This Minor Modification is pursuant to an Amendment and Restatement of the Original Settlement Agreement, and replaced the Minor Modification approved on February 28, 2024.

After approval of the DA, ownership of the Property was conveyed from Imperial Avalon, LLC to Imperial Avalon DE, LLC. Lennar Homes of California, LLC, ("Lennar") purchased from Imperial Avalon DE, LLC the portion of the Property that will contain the Townhomes ("Transferred Property") and entered into a Partial Assignment and Assumption Agreement with Imperial Avalon, LLC, recorded on October 1, 2024 (Exhibit 2; "A/A Agreement"), under which Imperial Avalon assigned to Lennar and Lennar assumed from Imperial Avalon all of Imperial Avalon's rights and obligations regarding the Transferred Property, including rights and obligations under the Development Agreement, as more fully described in the A/A Agreement. The City consented to the assignment and assumption effectuated through the A/A Agreement, as required by Section 11 of the Development Agreement. Imperial Avalon DE, LLC and Lennar are referred to below collectively as the "Developer".

Current Application

In or about December of 2025, Developer submitted to the City an application to amend and restate the Development Agreement, in order to incorporate and integrate the changes made through the Minor Modifications into one consolidated document, along with other technical modifications, pursuant to Government Code Sections 65864 through 65869.5.

On January 27, 2026, the Planning Commission held a duly noticed public hearing and thereafter adopted Planning Commission Resolution No. 26-2898, recommending City Council approval of the Amended and Restated Development Agreement that was attached as Exhibits 9-10 to the Planning Commission staff report, available at: AgendaLink (Item 7.B of the Agenda).

The request is for the purpose of ease of reference and understanding of the applicable development agreement provisions as well as making certain other technical modifications which can facilitate the Developer's ability to take the necessary actions (e.g., obtaining construction loans) to complete the Project. Approval of the proposed Amended and Restated Development Agreement (Exhibit 11), which would require Council adoption of an appropriate ordinance (Exhibit 10), would do so. The provisions of the Amended and Restated Development Agreement are consistent with the general plan and applicable specific plan, as provided in the proposed ordinance and Amended and Restated Development Agreement.

The request also includes the incorporation and integration of the modifications made to the DOR COAs and VTTM COAs through the Minor Modifications, without substantive change except as stated below, into one consolidated amended and restated set of COAs, which is Exhibit D to the proposed Amended and Restated Development Agreement. The proposed amended and restated set of COAs is attached separately to this report as Exhibit 12. The additions to the original COAs are shown in bold and underlined font, while the deletions are shown in strikethrough font.

The proposed Amended and Restated Development Agreement and COAs include and integrate all of the modifications that have been previously made and approved through the Minor Modifications, except certain changes that were made to two specific COAs after the Planning Commission hearing (but not expressly included in the Planning Commission's recommendation) via the Minor Modification approved on February 4, 2026. The changes, which stated that the Project is not entitled to any Interim Development Impact Fee credits or offsets pursuant to the CMC, have been omitted from the proposed Amended and Restated Development Agreement and COAs in response to a letter from the Developer dated February 18, 2026 (Exhibit 9). The proposed Amended and Restated Development Agreement and COAs would instead allow City staff to grant Interim Development Impact Fee credits or remibursements if and to the extent that staff determines that the Project is entitled to such credits or reimbursements pursuant to the CMC.

Environmental Review

The Amended and Restated Development Agreement was adequately assessed by the Environmental Impact Report for the Project (available at: https://ci.carson.ca.us/CommunityDevelopment/ImperialAvalon.aspx) and there are no circumstances requiring additional environmental review. Specifically, no substantial changes are proposed in the Project that will require major revisions to the EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; no substantial changes have occurred with respect to the circumstances under which the Project will be undertaken which will require major revisions to the EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; and there is no new information of substantial importance, which was not known and could not have been known with the exercise of reasonable diligence at the time the EIR was certified as complete, that shows any of the following: (A) the Project will have one or more significant effects not discussed in the EIR; (B) significant effects previously examined will be substantially more severe than shown in the EIR; (C) mitigation measures or alternatives previously found not to be feasible would in fact be feasible and would substantially reduce one or more significant effects of the Project, but the Project proponents decline to adopt the mitigation measure or alternative; or (D) mitigation measures or alternatives which are considerably different from those analyzed in the EIR would substantially reduce one or more significant effects on the environment, but the Project proponents decline to adopt the mitigation measure or alternative.

Furthermore, approval of the Amended and Restated Development Agreement is covered by the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Here, it can be seen with certainty that there is no possibility that the amendments made to the Amended and Restated Development Agreement may have a significant effect on the environment. The amendments largely integrate modifications to the Development Agreement that were previously approved and are primarily related to the payment of fees and the provision of public benefits as well as other technical provisions such as mortgagee protection and assignment approval provisions, rather than making physical changes to the Project or Project site.

Consequently, approval of the Amended and Restated Development Agreement does not require any additional environmental review.

Public Hearing Notice

City staff duly issued notice of a City Council public hearing to consider this item as required by law. By March 7, 2026, the notice was published in a newspaper of general circulation within the City, and posted in the designated public places.

V. FISCAL IMPACT

No Fiscal Impact

DEVELOPMENT AGREEMENT

This Development Agreement ("Agreement") is entered into on the 16th day of November, 2023 ("**Execution Date**"), by and between the City of Carson, a municipal corporation of the State of California ("**City**"), and IMPERIAL AVALON, LLC, a California limited liability company ("**Developer**"). The City and Developer shall be referred to jointly within this Agreement as the "Parties" and individually as a "Party."

Signed in counterpart

RECITALS

A. *The Development Agreement Statute.* California Government Code Sections 65864 *et seq.* ("**Development Agreement Law**") authorizes cities to enter into binding development agreements with persons having a legal or equitable interest in real property for the development of such property, all for the purpose of strengthening the public planning process, encouraging private participation, and comprehensive planning and identifying the economic costs of such development.

B. *Orderly Development; Public Benefits.* The City Council finds that this Agreement is in the best public interest of the City and its residents, adopting this Agreement constitutes a present exercise of the City's police power, and this Agreement is consistent with the City's General Plan. This Agreement and the proposed Project will achieve a number of City objectives, including the orderly development of the Property and the provision of public benefits, or funds therefor, to the City and its residents.

C. *The Property.* Developer owns the property located at 21207 South Avalon Boulevard in the City of Carson, County of Los Angeles, State of California (APNs 7337-001-025, 7337-001-026, 7337-001-027, 7337-001-028, and 7337-001-029) ("**Property**"). The General Plan land use designation for the Property is Regional Commercial and Low Density Residential and the Property is zoned Commercial Automotive (CA) and RM-8-D (Design Overlay). The City is currently in the process of updating its General Plan. The Carson General Plan 2040 Update identifies the site as "Downtown Mixed Use." The Property is currently improved and in operation as a mobilehome park, known as Imperial Avalon Mobile Estates ("**Imperial Avalon**" or the "**Park**").

D. *The Park.* Developer filed an application for approval of Relocation Impact Report No. 05-20 ("**RIR**") related to Park closure pursuant to CMC Section 9128.21 in early 2020 (the "**Closure Application**"). The Closure Application was heard and conditionally approved by the City's Planning Commission on May 13, 2020, via adoption of Planning Commission Resolution No. 20-2695. Following an administrative appeal to the City Council, on July 7, 2020, the City Council adopted City Resolution No. 20-113, affirming

the Planning Commission's decision subject to imposition of added and modified conditions as set forth the "Amended Conditions of RIR No. 05-20" which are attached to said resolution ("the **RIR Conditions**"), and specifying the earliest possible date of Park closure (i.e., the earliest date when residents may be compelled to vacate the Park) as January 1, 2022, subject to issuance of the required notices of termination of tenancy (the "**Closure Approval**"). As required by the Closure Approval, Developer has executed and recorded on title to the Property a "Declaration of Lease Covenants, Conditions and Restrictions Applicable to Park Closure Pursuant to Government Code § 27281.5" (the "**Option C Covenant**"). Furthermore, Developer has agreed to provide certain enhancements to the relocation impact mitigation measures set forth in the RIR Conditions for the benefit of the displaced Park residents, which enhancements were set forth in a letter from Developer to the Park residents dated September 9, 2021, and Developer may agree to provide further enhancements at a later date (collectively, the "**Enhancements**"). Developer has not yet issued the required 6-month notice of termination of tenancy, which is a prerequisite of Park closure. As of the Effective Date hereof, some residents remain in the Park while some have vacated the Park voluntarily pursuant to early termination agreements entered into with the Developer in accordance with the RIR Conditions, and implementation/satisfaction of the RIR Conditions remains pending and underway. Developer still intends, and has the right, to issue the requisite 6-month notice of termination of tenancies and thereafter close the Park during the effective period of the Closure Approval, although the precise dates of such actions are not currently known. It is understood and was decided by the City in acting upon the Closure Application that the Closure Application and the City's review and decision thereon was exempt from California Environmental Quality Act ("**CEQA**") review and did not constitute a "project" within the meaning of CEQA. On that basis, a Notice of Exemption was filed in connection with the Closure Approval on July 17, 2020, and no CEQA-related challenges were filed within the applicable 35 day statute of limitations period.

E. *The Project.* Developer desires to re-develop the Property as a mixed-use residential and commercial development (the "**Project**"). The Project consists of 764 multi-family residential units within two buildings of up to four stories (or sixty-eight feet, six inches [68'6"] each, including at least one parking structure per building, each on their own lot on the eastern portion of the Property (the "**Apartments**"), 351 attached/detached and stacked flat townhome units of up to three stories (or thirty-eight feet, six inches [38'6"]) each, all located on another lot on the western portion of the Property (the "**Townhomes**"), for a total of 1,115 residential units and a density of 41 dwelling units per acre, 111,581 square feet of publicly accessible open space (including a minimum 22,859 square foot park), and 10,000 square feet of commercial space, all of which shall be restaurant use(s). To that end, on October 3, 2019, Developer filed a development permit application with the City (Master Redevelopment Project No. PL10044) seeking various entitlements to develop the Project (collectively, the "**Development Application**"). The City determined the Development Application complete on December 24, 2019.

F. *Project EIR and Entitlements.* The City is the lead agency, within the meaning of the California Environmental Quality Act, Public Resources Code § 21000 *et seq.* ("**CEQA**"), for purposes of conducting environmental review of the Project. The City finds and determines that all actions required of City precedent to approval of this Agreement have been duly and regularly taken. In accordance with the requirements of the California

Environmental Quality Act (Public Resources Code § 21000, *et seq.* ("**CEQA**"), appropriate studies, analyses, reports, documents, and errata were prepared and considered by the Planning Commission and the City Council. The Planning Commission, after a duly noticed public hearing on November 21, 2022, certified the Environmental Impact Report ("**EIR**") and adopted a Statement of Overriding Considerations for the Project in accordance with CEQA. The Project is identified in the EIR as Alternative 3 and is fully assessed in the EIR and the errata thereto.

G. *Project Approvals.* On the same day, the Planning Commission, after giving notice pursuant to the CMC and Government Code §§ 65090, 65091, 65092 and 65094, held a public hearing on the Development Application, and following the hearing, adopted Planning Commission Resolution No. 22-2846, which: (i) made CEQA findings and determinations as referenced above; (ii) conditionally approved Site Plan and Design Overlay Review ("**DOR**") No. 1803-19 and Vesting Tentative Tract Map ("**VTTM**") No. 83157 for the Project subject to City Council approval of General Plan Amendment ("**GPA**") No. 105-19 (changing the General Plan land use designation for the Property from Regional Commercial/Low Density Residential to Urban Residential), Specific Plan ("**SP**") No. 21-19 (Imperial Avalon Specific Plan), Zone Change ("**ZCC**") No. 188-19 (changing the Property zoning from Commercial Automotive (CA)/Residential, multifamily – 8 units per acre (RM-8) with a Design Overlay to Imperial Avalon Specific Plan [IASP]), and Development Agreement ("**DA**") No. 23-19 (this Agreement, inclusive of the Adopting Ordinance); and (iii) recommended that the City Council approve GPA No. 105-19, SP No. 21-19, ZCC No. 188-19, and DA No. 23-19 for the Project (DOR No. 1803-19, VTTM No. 83157, GPA No. 105-19, SP No. 21-19, ZCC No. 188-19, and DA No. 23-19 collectively, together with the EIR, the "**Entitlements**").

H. On December 6 , 2022, the City Council, after provision of the public notice required by law, held a public hearing to consider the Development Application and the Planning Commission's actions and recommendations thereon, and following the hearing, conditionally approved GPA No. 105-19, SP No. 21-19, ZCC No. 188-19, and DA No. 23-19 as set forth in City Council Resolution No. 22-2846. The Planning Commission and the City Council have found, on the basis of substantial evidence based on the entire administrative record, that this Agreement is consistent with all applicable plans, rules, regulations and official policies of the City.

I. *Developer's Interest in the Property.* Developer currently owns the Property and as such, possesses the requisite equitable interest in the Property under Government Code Section 65865 that allows the Parties to enter into this Agreement.

COVENANTS

NOW, THEREFORE, in consideration of the above recitals and of the mutual covenants hereinafter contained and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. GENERAL DEFINITIONS.

In addition to those terms defined within the above Recitals and elsewhere within this Agreement, the following terms shall bear the meanings set forth below:

1.1 "**Adopting Ordinance**" means Ordinance No. 22-2222 approving this Agreement, introduced on December 6, 2022 and adopted on December 13, 2022.

1.2 "**Agreement**" means this Development Agreement, including all of its exhibits.

1.3 "**Annual Review**" means the annual review of the Developer's performance under this Agreement in accordance with Article 6 of this Agreement.

1.4 "**Applicable Laws**" means, collectively, the following:

a. The Project Development Approvals.

b. The Existing Land Use Regulations.

c. Subsequent Development Approvals.

d. Those Subsequent Land Use Regulations to which Developer has agreed in writing.

e. The Closure Approval and associated covenants and agreements, including without limitation the Option C Covenant and the Enhancements.

1.5 "**Approval Date**" means the date on which the City Council conducted the second reading of the Adopting Ordinance. That date is December 13, 2022.

1.6 "**CFD**" means any Community Facilities District that is applicable to the Property and formed pursuant to the Mello Roos Community Facilities Act of 1982.

1.7 "**City**" means the City of Carson, a California Charter city.

1.8 "**City Council**" means the City Council of the City of Carson.

1.9 "**CMC**" means the Carson Municipal Code.

1.10 "**Conditions of Approval**" means all conditions imposed on the Project by the City, including (without limitation) those recommended by the Los Angeles County Fire Department, as part of the approval of the Project.

1.11 "**Director**" means the City's Community Development Director, or his or her designee.

1.12 "**Developer**" means IMPERIAL AVALON, LLC, a California limited liability company, and its successors and assigns to all or any part of the Property.

1.13 "**Developer's Vested Right**" means Developer's right to complete the Project in accordance with, and to the full extent permitted under, the Applicable Laws and this Agreement, as more fully set forth in Articles IV-V of this Agreement.

1.14 **"Development"** means the improvement of the Property for the purposes of completing the structures, improvements, and facilities comprising the Project including, but not limited to: grading; the construction of infrastructure related to the Project whether located within or outside the Property; the construction of buildings and structures; and the installation of landscaping and other facilities and improvements necessary or appropriate for the Project, and the maintenance, repair, or reconstruction of any building, structure, improvement, landscaping or facility after the construction and completion thereof.

1.15 **"Development Approvals"** means all Project-specific non-legislative approvals. Development Approvals include, but are not limited to, plans, maps, permits, site plans, design guidelines, variances, conditional use permits, grading, building, and other similar permits, environmental assessments, including environmental impact reports, and any amendments, addenda or modifications to those matters. "Development Approvals" does not include (i) rules, regulations, policies, and other enactments of general application within the City, (ii) legislative enactments, or (iii) any matter where City has reserved authority under Article 5 of this Agreement. Development Approvals are not Land Use Regulations.

1.16 **"Development Plan"** means Developer's plan for completion of the Project in compliance with and to the full extent of the Project Development Approvals and Applicable Laws.

1.17 **"Effective Date"** means the date on which the Adopting Ordinance becomes effective, or thirty (30) days after the second reading of the Adopting Ordinance.

1.18 **"Entitlements"** means this Agreement, and the other Entitlements and approvals listed in Recital G.

1.19 **"Exhibit"** means an exhibit to this Agreement, unless otherwise specifically referenced to a different agreement or document. The following exhibits are incorporated into the Agreement by reference as though set forth in full:

Exhibit A	Legal description of the Property
Exhibit B	Depiction of the Property
Exhibit C	Public Open Space Areas
Exhibit D	Pedestrian Bridge

1.20 **"Existing Land Use Regulations"** means (i) all Land Use Regulations in effect on the Effective Date and (ii) any changes to Land Use Regulations enacted on or after the Approval Date and before the Effective Date for which Developer has provided its written consent to allow those changes to apply to the Project.

1.21 **"Land Use Regulations"** are laws and regulations enacted through legislative actions of the City Council. Land Use Regulations include ordinances, laws, resolutions, codes, rules, regulations, policies, requirements, guidelines or other actions of City, including but not limited to the City's General Plan and the CMC (including the Carson Zoning Ordinance, Chapter 1 of Article IX of the CMC) which affect, govern or apply to the development and use of the Property, including, without limitation, the permitted use of land, the density or intensity of use, subdivision requirements, the maximum height and size of proposed buildings, the

provisions for reservation or dedication of land for public purposes, and the design, improvement, and construction standards and specifications applicable to the Project. "Land Use Regulations" do not include (i) Development Approvals, (ii) regulations relating to the conduct of business, professions, and occupancies generally, (iii) taxes and assessments, (iv) regulations for the control and abatement of nuisances, (v) health and safety regulations, or (vi) any other matter reserved to the City pursuant to Article 5 of this Agreement.

1.22 **"Mortgage"** means a mortgage, deed of trust, or other security instrument encumbering the Property.

1.23 **"Mortgagee"** means a mortgagee of a mortgage, a beneficiary under a deed of trust or any other security device, a lender, or each of their respective successors and assigns.

1.24 **"Project"** as described this Agreement, means the development of the Property consistent with and to the full extent of the Project Development Approvals and all applicable Land Use Regulations.

1.25 **"Project Development Approvals"** means all Development Approvals, inclusive of the Entitlements and all Conditions of Approval. Project Development Approvals include, without limitation, all Development Approvals needed or desired by Developer to complete the Project, provided that those Development Approvals are consistent with Developer's Vested Right, this Agreement, and the City's General Plan and the Carson Zoning Ordinance. The Entitlements (minus this Agreement), as examples of Project Development Approvals, have been or are anticipated to be approved, subject to the Conditions of Approval, prior to or in conjunction with the approval of this Agreement.

1.26 **"Property"** means the real property described in Exhibit "A" and shown in Exhibit "B."

1.27 **"Reservation of Authority"** means the limitations, reservations, and exceptions to Developer's Vested Right set forth in Article 5 of this Agreement.

1.28 **"Subsequent Land Use Regulations"** means those Land Use Regulations which are both adopted and effective on or after the Approval Date and which are not included within the definition of Existing Land Use Regulations.

1.29 **"Subsequent Development Approvals"** means all Development Approvals issued subsequent to the Effective Date in connection with development of the Property, which shall include, without limitation, any changes to the Development Approvals.

1.30 **"Term"** shall have the meaning ascribed to it in Section 2.1, unless earlier terminated as provided in this Agreement.

2. TERM & GENERAL COVENANTS.

2.1 **Term**. The term of this Agreement (the "**Term**") starts on the Effective Date and shall expire 15 years after City's approval of the last of the Entitlements, subject to any early termination provisions described in this Agreement. The Term and expiration date of all

Entitlements and Project Development Approvals shall also be extended to 15 years consistent with the Term of this Agreement.

2.2 Binding Effect of Agreement. From and following the Effective Date, actions by the City and Developer with respect to the development of the Property for completion of the Project, including actions by the City on applications for Subsequent Development Approvals affecting the Property, shall be subject to the terms and provisions of this Agreement.

2.3 Agreement Runs with the Land. This Agreement shall be recorded and shall run with the land. Pursuant to Government Code Section 65868.5, the burdens of this Agreement and each of its provisions shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the Parties, including, but not limited to, all parties that enter into lease agreements with Developer for possession of any part of the Property.

2.4 Covenant Against Discrimination. The Developer covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, sexual orientation or gender preference, national origin, or ancestry in the performance of this Agreement. The Developer shall take affirmative action to ensure that employees are treated during employment without regard to their race, color, creed, religion, sex, marital status, sexual orientation or gender preference, national origin, or ancestry.

2.5 Construction Timing and Park Closure. Developer covenants that Project construction will not commence until the existing mobilehome park at the Property (i.e., the Park) has been closed and all remaining Park residents or occupants have vacated the Property.

2.6 Park Closure Application and Covenants. Developer further acknowledges that nothing in this Agreement is intended to supersede or negate the benefits committed to Park residents (current or former) approved through the separate Closure Approval or associated covenants or agreements, including the Option C Covenant and the Enhancements, which are unrelated to the Project and this Agreement.

3. DEVELOPER'S OBLIGATIONS AND COMMUNITY BENEFITS.

As consideration for the granting of Developer's Vested Right in accordance with Article 4 below and subject to the City's Reservation of Authority set forth in Article 5 below, Developer shall do all of the following:

3.1 Comprehensive Development Agreement Fee

In lieu of the Developer and the Project opting into Citywide Community Facilities District No. 2018-01 ("CFD") (estimated to have a net present value over the life of this Agreement of approximately fourteen million six hundred fifty-eight thousand three hundred sixty-two dollars ($14,658,362.00) and paying Development Impact Fees pursuant to Ordinance No. 19-1931 (estimated to be approximately thirteen million one hundred twenty-seven thousand fourteen dollars ($13,127,014.00) based on current Project features), Developer shall pay a Development Agreement Fee totaling thirty million fifteen thousand three hundred seventy-six dollars ($30,015,376.00) (the "Development Agreement Fee") (this includes an additional fee of $2,000

per residential unit multiplied by 1,115 units even if fewer units are constructed pursuant to Section 12.5 (equal to two million two hundred thirty thousand dollars ($2,230,000.00)). Developer shall have the right, in its sole and absolute discretion, to pay the Development Agreement Fee as prescribed below or cause the Development Agreement Fee contributions and payments to be made by a nonprofit entity in accordance with the terms prescribed by this Agreement. Except as otherwise provided for the Carson Park and Recreation Subsidy and the Initial DA Fee Payment in Sections 3.1.1-3.1.2, the amounts prescribed below shall be paid either by the Developer or the nonprofit entity at the City's direction toward specific programs, projects or uses within the following categories: (i) park, recreational and open space site acquisition, facility development and maintenance, (ii) City infrastructure improvements, maintenance and upgrades, and (iii) community recreational benefits and subsidies ("Development Agreement Fee Categories"). The Development Agreement Fee payments are limited to the amounts and subject to the schedule set forth below, unless the Developer and City agree to an earlier payment date, and shall be paid directly from the Developer or the nonprofit entity to the City:

3.1.1 Three hundred thousand dollars ($300,000.00) shall be due upon the Effective Date of this Agreement, and shall be used by City to subsidize Carson residents' fees and costs associated with park and recreational registration, trophies and jerseys ("Carson Park and Recreation Subsidy").

3.1.2 Five million dollars ($5,000,000.00) shall be due prior to issuance of a grading permit for the Project ("Initial DA Fee Payment"). The City shall have the option to use the Initial DA Fee Payment in whole or in part for low income housing including but not limited to maintenance and upgrades to, and assistance with the preservation of, existing mobilehome parks located throughout the City.

3.1.3. Five million dollars ($5,000,000.00) shall be due prior to issuance of a building permit for the first Townhome to be constructed within the Project.

3.1.4. Four million dollars ($4,000,000.00) shall be due prior to issuance of a building permit for the first Apartment building to be constructed within the Project, and a second payment of four million dollars ($4,000,000.00) shall be due upon issuance of a building permit for the second Apartment building to be constructed within the Project, and a third payment of four million dollars ($4,000,000.00) shall be due upon issuance of a building permit for the 50th Townhome building to be constructed within the Project.

3.1.5 Five million dollars ($5,000,000.00) shall be due within six months following issuance of a certificate of occupancy for the first Apartment building to be constructed within the Project.

3.1.6. Two million seven hundred fifteen thousand three hundred and seventy-six dollars ($2,715,376.00) shall be due prior to issuance of a building permit for the 150th Townhome to be constructed within the Project.

3.2 Nonprofit Entity

In the event that the payments outlined in Section 3.1 are made by a nonprofit, such nonprofit will be formed pursuant to Internal Revenue Code Section 501(c)(3) and will be authorized to manage and distribute Development Agreement Fee funds for the purposes described

in Section 3.1 ("Nonprofit"). Developer shall provide City with copies of all documents related to the creation and ongoing operation of the Nonprofit, including but not limited to the governing instruments, the application(s) for tax exemption under federal and state law, any exemption approvals, and annual tax forms. City shall not be obligated to review and/or approve any such documents or filings. Developer is solely responsible for the accuracy and timely filing of all such documents and shall obtain its own tax advice.

Developer shall comply with all federal and state laws governing the creation and operation of the Nonprofit. If Developer receives notice from the IRS or State of a suspension or revocation of nonprofit status or any other issue, Developer shall inform City immediately of the notice and the affirmative steps Developer will take to cure any suspension or revocation or other issue.

City does not represent or warrant that the management and distribution of Development Agreement Fee funds by the Nonprofit is authorized by federal or state law. Developer and its successors shall be jointly and severally liable with the Nonprofit for payment of the Development Agreement Fee in accordance with this Agreement. If the Nonprofit fails to make Development Agreement Fee payments, or if the Nonprofit's exempt status is suspended or revoked, Developer shall make the Development Agreement Fee payments prior to the issuance of the permits and certificates described in Section 3.1.

3.3 Affordable Housing Benefit

The City, by its General Plan and state law, is committed to increasing its supply of affordable housing. Prior to the issuance of a certificate of occupancy for the first Apartment building constructed on the Property, the Developer, or a related/affiliated entity approved by the Director and jointly and severally liable with Developer (and subject to Section 3.3.4 below), shall perform one of the following affordable housing public benefit options, the selection of which shall be in its sole and absolute discretion: (i) commit, via execution and recordation on title to the Property of a deed restriction in a form acceptable to the City Attorney, to reserve at least 125 units of lower income housing, including 41 units of Extremely Low Income (<30% of Area Median Income ["**AMI**"]), 41 units of Very Low Income (30-50% AMI), and 43 units of Low Income (51-80% AMI) (all of the foregoing affordable housing categories collectively, "**Lower Income Housing**," or "**LIH**"), onsite within the Project; (ii) commit, via execution and recordation on title to the below-referenced (in this Section and Sections 3.3.1 - 3.3.2) offsite-location of a deed restriction in a form acceptable to the City Attorney, to construct or convert (from existing units) 125 units of new LIH at an off-site location elsewhere in the City, which off-site location is subject to approval of the Director, and which units must be in excess of any affordable housing requirements otherwise required for the project site within which they will be constructed; or (iii) pay an in lieu affordable housing fee equal to $11.61 per square foot of the Project's gross residential floor area for the Apartments and Townhomes. If in any case where the Developer provides only a portion of the 125 Lower Income Housing units referenced above, Developer may satisfy the balance of the affordable housing obligation by paying a proportionately-reduced in lieu fee payment. For example, if Developer provides seventy-five (75) percent of the 125 Lower Income units, then the balance of the affordable housing obligation may be satisfied by paying twenty-five (25) percent of the required in lieu fee payment.

3.3.1 Should Developer or the related/affiliated entity elect to satisfy the affordable housing obligation set forth in Section 3.3(ii) above by constructing or converting 125 units of new

LIH offsite at another Director-approved location within the City ("**Offsite Affordable Units**"), Developer or the affiliated/related entity shall have five years from the Effective Date of this Agreement to either: (i) in the case of construction, obtain a building permit and commence construction within said timeframe, and thereafter diligently pursue the construction to completion as determined by the Director in his reasonable discretion; or (ii) in the case of conversion, fully complete the conversion of the Offsite Affordable Units such that the units are ready and approved for occupancy (with the deed restriction in place as required above). Developer shall not satisfy this obligation by converting any existing housing units that are rented at or below Lower Income Housing levels (i.e., that are already affordable to any household at or below 80% AMI), even if such existing units are not deed restricted. If Developer elects to convert existing units, evidence must be provided to the Director for approval in the form of rent history demonstrating that the existing units to be converted are all above all the Lower Income Housing restricted rent levels at the time of conversion.

3.3.2 For any avoidance of doubt, if Developer or its related/affiliated entity elects to construct the Offsite Affordable Units within "Cell 1" of the District at South Bay Specific Plan area, then the 125 Offsite Affordable Units must be in excess of the current State Surplus Land Act requirement that 25 percent of the total number of units be constructed on that property for affordable housing. Should Developer or the related/affiliated entity elect to provide Section 3.3(ii) OffSite Affordable Units but fail to comply with any of the applicable timing requirements set forth in Section 3.3.1, then Developer or the related/affiliated entity shall, within thirty (30) days of such failure, pay the City the applicable affordable housing in lieu fee set forth in Section 3.3(iii) above.

3.3.3 If the Developer ever fails to pay the in-lieu affordable housing fee within thirty (30) days of it becoming due, whether such fee becomes due pursuant to Section 3.3(iii) or Section 3.3.2, a daily penalty of one thousand dollars ($1,000.00) shall be assessed subject to the notice and cure provisions of Section 7.2 of this Agreement.

3.3.4 The Developer shall remain fully and ultimately responsible to perform any obligation undertaken by a related/affiliated entity pursuant to this Section 3.3.

3.4 Senior and Veteran Housing.

3.4.1. Prior to issuance of a Certificate of Occupancy, the Developer shall prepare, submit to the City for review, and implement a veterans and senior citizen marketing and outreach program for the Project's Apartment units, subject to the prior written approval of the Director, which approval shall not be unreasonably withheld, conditioned or delayed. Developer shall exclusively market the Project's Apartment units to veterans and their families as well as senior citizens (over the age of 55) who currently reside within the City or the general South Bay area for a period of sixty (60) days prior to the units being offered for rent to the general public ("Exclusive Pre-Lease Period"). During this Exclusive Pre-Lease Period, Developer shall make best efforts to lease units to local veterans and their family members and senior citizens provided that all such applicants meet generally applicable leasing qualifications and criteria imposed by Developer. Nothing in this Agreement shall require that any of the Project Apartment units be actually occupied by local veterans or their family members. Further, nothing in this Agreement requires more than 83 of the total 1,115 units to be leased to senior citizens at a given time .

3.4.2. Commencing two years after issuance of a certificate of occupancy for the second Apartment building, Developer shall demonstrate to the City on an annual basis that at least eighty-three (83) of the Project's Apartment units are rented to senior citizens (defined as fifty-five (55) years or older) ("Project Senior Obligation"). The Developer shall demonstrate it is meeting the Project Senior Obligation by providing rental information or other form of occupancy verification confirming that seniors are renting at least 83 of the Project Apartment units. For every unit less than 83 that is not rented to a senior citizen as defined in this Section 3.4.2, Developer shall provide the City a payment equivalent to the average in place amount of an equivalent floorplan market rate unit occupied in the Project ("Project Senior Obligation Payment"). The Project Senior Obligation Payment shall be used for low income and senior housing services throughout the City.

3.5 Apartment and Townhome Enhanced Sustainability and Environmental Benefits. Developer shall agree to incorporate the following enhanced sustainability and environmental benefits into construction of the Apartments and Townhomes for the Project. In recognition of the enhanced environmental benefits provided by the Project Apartments and Townhomes through this Section 3.5, the City shall subject the Project Apartments and Townhomes to the 2019 California Building Standards Code as applicable to and/or adopted by the City pursuant to CMC Article VIII, provided Developer submits a conceptual design package to the City's Building & Safety Department on the City Building & Safety Department's Online Plan check (BSOP) website prior to January 1, 2023. The conceptual design package shall consist of a schematic set of development and design plans for all disciplines with sufficient detail for the City to undertake zoning compliance review, but shall not be required to include landscaping, structural, energy, accessibility, mechanical, electrical and/or plumbing related plans and design, provided it is within the City's legal discretion to deem such submittal complete as necessary to facilitate such grandfathering under applicable state and local law. A full set of construction plans with all disciplines shall be submitted prior to January 1, 2024 for the Apartments and Townhomes. If the Building & Safety plan check application validity period of one year plus the two six-month extension periods thereafter expire prior to issuance of the required permits/approvals (expected to include, without limitation, rough grading approval and building pad/foundation permits), then the plans will expire and will be required to meet the code in effect at the time of such expiration, and new plan check fees will be required.

a. **Photovoltaic Panels.** Developer shall incorporate approximately 35,000 square feet (total) photovoltaic panels located on the rooftop of the Project parking structure for the Apartments and shall provide conduit and wiring for an additional twenty thousand (20,000) square feet of Apartment building rooftop to accommodate potential future solar panel installation.

b. **Enhanced Electric Vehicle Charging Stations ("EVCS").** Developer shall equip a total of fifty percent (50%) of the Project parking spaces with an EVCS benefit, as follows: (a) fifteen percent (15%) of the total Project parking spaces shall be full EVCS, with EV chargers installed; and (b) thirty-five percent (35%) of the total Project parking spaces shall have conduit and wiring to allow for future EVCS installation. The electrical panel for all buildings shall be designed such that it can accommodate full EVCS for 50% of parking spaces for the Project. EVCS spaces shall be assigned and managed in accordance with the parking management plan required per the Conditions of Approval, which may require the Developer to convert the EVCS parking spaces that are initially only provided with conduit and wiring into full EVCS parking spaces (with chargers installed) incrementally over time based on tenant need.

All Townhomes shall have 240 volt NEMA 14-50 installed in the garage. All Townhomes shall be have conduit and wiring for future solar installations.

c. **Mechanical Dwelling Unit System Efficiency Benefit.** The Project provides a mechanical dwelling unit system with a Seasonal Energy Efficiency Ratio ("SEER") of 15.

d. **Lighting Occupancy Sensors and Fenestration Energy Efficiency.** Notwithstanding any other provision of this Section 3.5, the Project shall: (i) provide state of the art occupancy sensors consistent with the California Energy Code in place at the time the time of Project permitting; and (ii) purchase and install windows and exterior façade materials consistent with the California Energy Code requirements in place at the time of Project permitting.

3.6. Publicly Accessible, Privately Maintained Open Space. Developer shall make the Project open space areas identified on Exhibit C attached to this Agreement ("**Public Open Space Areas**"), which total approximately 111,581 square feet, accessible to the public during the hours of 7:00 a.m. to 7:00 p.m. Developer shall be fully responsible for all maintenance, care and upkeep of the Public Open Space Areas through the life of the Project; this obligation shall survive any termination or expiration of this Agreement.

3.7. Publicly Accessible Pedestrian Bridge. Developer shall work with the City to design, construct and maintain a pedestrian bridge at Developer's sole cost and conceptually identified on Exhibit D attached to this Agreement, subject to City Engineer approval, to allow for pedestrian and bicycle access over the Torrance Lateral Flood Control Channel (BI 1232–Line A) from the Project site to the District at South Bay Specific Plan area. Developer shall also be responsible to pay for any permits, air rights, and all other costs associated with delivering a functional and complete bridge. All applicable codes including but not limited to building and fire codes shall be adhered to. The pedestrian bridge shall be accessible to the public at all times. Construction of the pedestrian bridge is contingent upon the Parties' ability to obtain all necessary approvals, easements, rights, and permits from any Federal, State or local governmental agency with permitting or approval authority over the pedestrian bridge, including but not limited to the Los Angeles County Flood Control District and the United States Army Corps of Engineers. Developer shall make, and shall demonstrate to the Director upon request, reasonable best efforts to obtain the required approvals and permits and to construct the pedestrian bridge prior to issuance of the first building permit for the Project, or within five years of the Effective Date of this Agreement, whichever is later. If, by such time, the Parties have made substantial progress toward securing the necessary approvals and permits or with construction of the bridge, as determined by the Director, then the Director may grant extensions of time as may be necessary to allow for completion of securing the necessary approvals and permits and/or completion of construction of the bridge, provided Director determines for each extension that Developer has been diligently pursuing securing the necessary permits and approvals and completion of construction without delay and is continuing to make substantial progress. If the Parties are unable to obtain all necessary approvals and permits in order to construct the pedestrian bridge or fail to complete construction of the bridge timely in accordance with this provision, then the Developer (or its nonprofit entity described in Section 3.1, subject to the requirements of Section 3.2), prior to issuance of the first building permit for the Project, or within five years of the Effective Date of this Agreement, whichever is later, constructed as part of the Project, shall make a cash

contribution of four million dollars ($4,000,000) to City, to be used for the purpose of providing an enhanced art walk leading from the Project site to the District at South Bay Specific Plan and/or other making other pedestrian improvements in the vicinity of the Project site as determined by the City. This sum shall be additional to the Development Agreement Fee. If the Developer ever fails to pay the $4,000,000 within thirty (30) days of it becoming due, then subject to the notice and cure provisions of Section 7.2 of this Agreement, liquidated damages in the amount of one thousand dollars ($1,000.00) per day that any portion of the payment is outstanding shall be assessed, as the Parties agree that is such event the determination of actual damages for the delay in performance of this obligation would be extremely difficult or impractical to determine. The Developer shall be responsible to reimburse the City for all costs of the maintenance, care, and upkeep of the pedestrian bridge through the life of the Project; this obligation shall survive any termination or expiration of this Agreement.

3.8 Restaurant and Kitchen Timing. Developer agrees that the restaurant space to be included in the Project's approximately 10,000 square feet (including outdoor/patio space) of ground floor commercial area must include a fully built out kitchen prior to issuance of a certificate of occupancy for the last residential building constructed within the Project.

3.9 Art Benefit. Prior to issuance of the first building permit for the Townhomes and prior to issuance of building permits for each of the two Apartment buildings, the Developer shall pay a public art fee equal to one percent (1%) of the total building valuation for all Townhomes and each of the two Apartment buildings (i.e., all Project buildings) as determined by the City's Building Official in accordance with the Marshall-Swift Valuation Guide per the City Building Official's standard practice ("**Project Art Fee**").

In lieu of paying the Project Art Fee, Developer may incorporate on-site art, including but not limited to art within the exterior north side of the Project facing the 405 freeway, to the satisfaction of the Director, in which case Developer shall submit a Project art plan, valuation, and implementation plan to the Director prior to issuance of the first Project building permit. Unless otherwise approved by the Director pursuant to the art implementation plan, Developer's on-site art which corresponds to a particular building shall be installed prior to issuance of a certificate of occupancy for the corresponding building, and art that does not correspond to any particular building shall be installed within six months following issuance of the certificate of occupancy for the first Apartment building constructed as part of the Project. Individual art valuations shall be submitted for each Project building prior to issuance of building permits for the respective buildings. Should the value of Developer's onsite art be less than one percent (1%) of the total building valuation for the entire Project as described above, then Developer shall pay the City the difference in its entirety prior to issuance of the certificate of occupancy for the 150th Townhome constructed as part of the Project.

3.10 Traffic Signal. Developer shall fund and install a new traffic signal at the Project entry location on Avalon Boulevard between the I-405 interchange and 213th Street, in accordance with plans approved by the City's Director of Public Works or his or her designee, which shall include approval of the projected costs. Developer will be eligible for reimbursement of up to 50% of the approved costs of the new traffic signal by City upon completion of the comprehensive redevelopment of the Kott site (located to the east of the Property, north of E. 213th St. and east of Avalon Blvd. to the I-405 freeway). Developer shall submit plans for the traffic signal with an

estimate of the cost prior to issuance of the first building permit issued for the Project and shall complete installation prior to issuance of the first Project certificate of occupancy.

3.11 Carson and Avalon 405 Interchange Landscaping Improvement. Prior to issuance of the certificate of occupancy for the second Apartment building or any Townhome, Developer or Developer's Nonprofit identified in Section 3.2 shall provide up to one million dollars ($1,000,000.00) in matching funds ("Matching Funds") for landscaping upgrades and improvements for the I-405 interchange at Carson Street and Avalon Boulevard ("I-405 Interchange Upgrades"). Prior to receiving the Matching Funds, the City must provide Developer a concept plan detailing how the I-405 Interchange Upgrades will be implemented, a budget and evidence that the City is in possession dedicated funds equal or greater than the Matching Funds.

3.12 **Purple Pipe.** Developer shall install recycled water purple pipe onsite and shall coordinate the tie-in of the onsite recycled water purple pipe infrastructure for future connections to offsite purple pipe infrastructure extensions as such connections become available. Notwithstanding any other provision of this Agreement, this Section 3.12 shall supersede and prevail over the Condition of Approval of VTTM No. 83157 pertaining to purple pipe to the extent of a conflict.

4. DEVELOPMENT OF THE PROPERTY.

4.1 Scope of Developer's Vested Right. Subject to the Reservation of Authority set forth in Article 5, Developer shall have the vested right to develop the Project in accordance with and to the full extent permitted under the Applicable Laws and this Agreement ("**Developer's Vested Right**").

4.2 Effect of Agreement on Land Use Regulations. Except as otherwise provided under the terms of this Agreement, the rules, regulations and official policies governing permitted uses of the Property, the density and intensity of use of the Property, the maximum height and size of proposed buildings, and the design, improvement and construction standards and specifications applicable to the Development of the Property, shall be as set forth in the Existing Land Use Regulations which were in full force and effect as of the Effective Date of this Agreement, subject to the terms of this Agreement.

4.3 Rights under State and Federal Law. Developer shall retain all rights it has under state and federal law, including, but not limited to, Developer's rights under Government Code Section 65865.2, which provides that subsequent discretionary actions shall not prevent development of the Property for the uses and to the density or intensity of development set forth in the Project Development Approvals.

4.4 Apportionment. Developer shall have the right to apportion the uses, intensities, and densities of the Project between itself and any subsequent owners, upon the sale, transfer, or assignment of all or any portion of the Property, so long as such apportionment is consistent with the Applicable Laws and this Agreement.

4.5 Lesser Development. Except as otherwise provided in this Agreement: without amending this Agreement, Developer shall have the right to elect to develop and construct upon all or any portion of the Property a Project of lesser height or building size than

that permitted by the Project Development Approvals provided that the Project otherwise complies with the Project Development Approvals and this Agreement.

4.6 Project Development Approvals; Subsequent Development Approvals. The Project Development Approvals for the Project may require the processing of Subsequent Development Approvals. Subject to the provisions of Section 4.7 below, the City shall accept for processing, review and action all applications for Subsequent Development Approvals, and such applications shall be processed in the normal manner for processing such matters in accordance with the Existing Land Use Regulations. The parties acknowledge that subject to the Existing Land Use Regulations, under no circumstances shall City be obligated in any manner to approve any Subsequent Development Approval, or to approve any Subsequent Development Approval with or without any particular condition. However, unless otherwise requested by Developer, City shall not, without good cause, amend or rescind any Subsequent Development Approvals respecting the Property after such approvals have been granted by the City. Processing of Subsequent Development Approvals or changes in the Project Development Approvals made pursuant to Developer's application shall not require an amendment to this Agreement. This Agreement shall not prevent City from denying or conditionally approving any application for a Subsequent Development Approval on the basis of the Existing Land Use Regulations.

4.7 Role of Project Development Approvals. Except as provided within this Agreement, the Project Development Approvals shall exclusively control the uses of the Property, the density or intensity of use, the maximum height and size of proposed buildings, the provisions for reservation or dedication of land for public purposes and the design, improvement, and construction standards and specifications applicable to the Project. Pursuant to Government Code Section 66452.6, the term of any tentative map for the Property or any portion thereof, if any, filed within the term of this Agreement shall automatically be extended for the term of this Agreement, as amended by the Project Development Approvals. In addition, Developer shall have the right to commence Project construction of both Apartment buildings within the Project prior to the recordation of an approved final subdivision map No. 83157. However, the approved final subdivision map must be recorded prior to occurrence of either of the following: (i) issuance of any building permits for the Townhomes; (ii) issuance of a certificate of occupancy for either of the Apartment buildings. Neither the Apartment lots nor the Apartment buildings may be individually sold prior recordation of the approved final subdivision map No. 83157. Any tentative map prepared for the Project subdivision will comply with Government Code Section 66473.7.

4.8 Moratorium. Notwithstanding any other provision of this Agreement, no future amendment of any existing City ordinance or resolution or any subsequent ordinance, resolution or moratorium, enacted either by the City Council or by voter approved initiative, that purports to impose or result in a limitation on the Project, imposed by City, shall apply to govern, or regulate the Project or development or use of the Property during the Term. In the event of any such subsequent action by City, Developer shall continue to be entitled to apply for and receive Development Approvals in accordance with the Existing Land Use Regulations, subject only to the exercise of the City's Reservation of Authority set forth herein.

4.9 Maintaining Property. The Property must at all times be maintained and generally kept in a clean condition, in accordance with the CMC and the City's code enforcement regulations.

5. CITY'S RESERVATION OF AUTHORITY.

Notwithstanding Developer's Vested Right, the Project is subject to the following Subsequent Land Use Regulations:

5.1 City's Discretion Under Applicable Laws. In considering future applications, if any, for a Subsequent Development Approval, the City may exercise its regulatory discretion to the extent permitted by the Applicable Laws.

5.2 Uniform Codes. Changes adopted by the International Conference of Building Officials, or other similar body, as part of the then most current versions of the Uniform Building Code, Uniform Fire Code, Uniform Plumbing Code, Uniform Mechanical Code, or National Electrical Code, or other such Uniform Codes, and also adopted by City as Subsequent Land Use Regulations, but only if: (i) the Project is not subjected to the 2019 codes pursuant to Section 3.5 of this Agreement; and (ii) such changes are applicable City-wide.

5.3 Emergencies. Emergency rules, regulations, laws, and ordinances within the City's police power that would limit the exercise of Developer's Vested Right ("**Conflicting Emergency Regulations**"), provided that the Conflicting Emergency Regulations:

a. Result from a sudden, unexpected emergency declared by the President of the United States, Governor of California, County Board of Supervisors and applicable to incorporated areas, including the City, or the City Council;

b. Address a clear and imminent danger, with no effective reasonable alternative available that would have a lesser adverse effect on Developer's Vested Right;

c. Do not primarily or disproportionately impact the development of the Project; and

d. Are based upon findings of necessity established by a preponderance of the evidence at a public hearing.

5.4 Laws of Other Jurisdictions. Other public agencies not subject to control by City may possess authority to regulate aspects of the Project. This Agreement does not limit the authority of such other public agencies. Therefore:

a. Federal, state, county, and multi-jurisdictional laws and regulations (the "**Additional Regulations**"), including regional impact fees, which City is required to enforce against the Property or the Project, except if the Additional Regulations are for the purpose of mitigating a significant or potentially significant impact that has already been mitigated pursuant to the Project's EIR.

b. If an Additional Regulation is enacted after the Effective Date and prevents or precludes compliance with one or more of the provisions of this Agreement, those provisions shall be modified or suspended as may be necessary to comply with the Additional Regulation. In that event, this

Agreement shall remain in full force and effect to the extent it is not inconsistent with the Additional Regulation and to the extent that the suspension or modification necessitated by the Additional Regulation does not deny one of the Parties its primary benefits under this Agreement.

c. Developer shall apply in a timely manner for such other permits and approvals that are lawfully required by other governmental or quasi-governmental agencies in order to allow the Project to be constructed. City shall provide Developer reasonable cooperation in Developer's efforts to obtain such permits and approvals. The Parties shall cooperate and use reasonable efforts in coordinating the implementation of the Development with other public agencies, if any, having jurisdiction over the Property or the Project.

5.5 Modification or Suspension by Federal or State Laws. In the event that Federal or State laws or regulations, enacted after the Effective Date of this Agreement, prevent or preclude compliance with one or more of the provisions of this Agreement, such provisions of this Agreement shall be modified or suspended as may be necessary to comply with such Federal or State laws or regulations, and this Agreement shall remain in full force and effect to the extent it is not inconsistent with such laws or regulations and to the extent such laws or regulations do not render such remaining provision impractical to enforce.

5.6 Employment Outreach for Local Residents. A goal of the City with respect to this Project and other major projects within the City is to foster employment opportunities for Carson residents. To that end, Developer covenants that with respect to the construction, operation and maintenance of the Project, the Developer shall make reasonable efforts to cause all solicitations for full or part-time, new or replacement, employment relating to the construction, operation and maintenance of the Project to be advertised in such a manner as to target local City residents and shall make other reasonable efforts at local employment outreach as the City shall approve. Developer shall also notify the City of jobs available at the Project such that the City may inform City residents of job availability at the Project. Developer will inform its purchasers and lessees of the provisions of these requirements. Nothing in this paragraph shall require Developer to offer employment to individuals who are not otherwise qualified for such employment. Without limiting the generality of the foregoing, the provisions of this Section 5.6 are not intended, and shall not be construed, to benefit or be enforceable by any person whatsoever other than City.

5.7 Prevailing Wages. Developer's cost of developing the Project and constructing all of the on-site and off-site improvements, if any, at or about the Property required to be constructed for the Project shall be borne by Developer. Developer is aware of the laws of the State governing the payment of prevailing wages on public projects and will comply with same and will defend, hold harmless, and indemnify City in the event Developer fails to do so. As the City is not providing any direct or indirect financial assistance to Developer, the Project should not be considered to be a "public work" "paid for in whole or in part out of public funds," as described in California Labor Code Section 1720. Accordingly, it is believed by the parties that Developer is not required to pay prevailing wages in connection with any aspect of the Development or the construction of the Project. However, to the extent that (contrary to the parties' intent) it is determined that Developer was required to pay prevailing wage and has not

paid prevailing wages for any portion of the Project, Developer shall defend, indemnify, and hold the City (which, for purposes of this section, shall include its related agencies, officers, employees, agents and assigns) harmless from and against any and all increase in construction costs, or other liability, loss, damage, costs, or expenses (including reasonable attorneys' fees and court costs) arising from or as a result of any action or determination that Developer failed to pay prevailing wages in connection with the construction of the Project. City shall reasonably cooperate with Developer regarding any action by Developer hereunder challenging any determination that the Project is subject to the payment of prevailing wages. Notwithstanding the foregoing, the City retains the right to settle or abandon the matter without Developer's consent as to the City's liabilities or rights only, but should it do so, City shall waive the indemnification herein provided such waiver occurs prior to the issuance of any judgment in the matter.

5.8 Fees, Taxes, and Assessments.

a. **Processing Fees.** The Developer shall pay all processing fees and charges of every kind and nature imposed by City to cover the estimated actual costs to City of processing applications for Project Development Approvals, including but not limited to, City Attorney fees incurred by City for the review, preparation and negotiation of the Entitlements, inclusive of this Agreement, at a rate of $495 per hour for partners and $395 per hour for associates, and for monitoring compliance with any Project Development Approvals granted or issued, in accordance with the Reimbursement and Indemnification Agreement entered into by and between the Parties effective December 16, 2019, and as amended and restated pursuant to the First Amended Reimbursement and Indemnification Agreement entered into by and between the Parties effective June 1, 2022, and as the same may be amended from time to time by mutual agreement of the Parties.

b. **Permit Fees.** Except as expressly provided in this Agreement, Developer shall pay all standard permit fees and other fees and charges which are standard and uniformly-applied to similar projects in the City.

c. **Master Community Facilities District.** On November 7, 2018, the City formed a Master CFD entitled City of Carson Community Facilities District No. 2018-01 (Maintenance and Services) (the "**Master CFD**") for the purpose of funding the maintenance of public infrastructure within the area of the Master CFD which is within the City's jurisdictional boundaries (the "**Services**"). In light of the substantial Developer contributions towards infrastructure, parks and other public benefits as set forth in Article 3 of this Agreement secured through payment of the Development Agreement Fee, it is understood that the City will not annex the Property or the Project into the Master CFD for the life of the Project. This provision shall survive the Term of the Agreement.

d. **Development Impact Fee.** In light of the substantial Developer contributions towards infrastructure, parks and other public benefits as set forth in Article 3 of this Agreement secured through payment of the

Development Agreement Fee, it is understood that the City will not assess Development Impact Fees pursuant to Ordinance No. 19-1931. Accordingly, the Parties understand, acknowledge and agree that no credits or reimbursements will be available to Developer pursuant to Ordinance No. 19-1931 or any provision of the CMC (as may be amended) to offset, reduce or refund any portion of the Development Agreement Fee.

e. **General Charges**. Nothing herein shall prohibit the application of the following, if lawfully imposed upon the Property, excluding any existing or future CFD:

(i) Additional Taxes, Fee, and Charges. Developer, or Developer's Project occupants, shall pay all normal and customary taxes, fees, and charges applicable to all permits necessary for the Project, and any taxes, fees, and charges hereafter imposed by City, which are standard and uniformly-applied to similar properties in the City.

(ii) Developer , or Developer's Project occupants, shall be obligated to pay any fees or taxes, and increases thereof, imposed on a City-wide basis such as business license fees or taxes, sales or use taxes, transient occupancy taxes, utility taxes, and public safety taxes;

(iii) Developer, or Developer's Project occupants, shall be obligated to pay any fees imposed pursuant to any Uniform Code.

(iv) Developer, or Developer's Project occupants, shall be obligated to pay any utility fees and charges, including amended rates thereof, for City services such as electrical utility charges, water rates, and sewer rates.

5.9 Inconsistencies. It is expressly agreed that in the event of any inconsistency between the provisions or conditions of the Existing Land Use Regulations or Conditions of Approval and the provisions of this Agreement, the provisions of this Agreement shall govern. The conditions of such Existing Land Use Regulations and Conditions of Approval shall be interpreted insofar as possible to prevent such inconsistency, and in the event this Agreement is silent concerning an issue, the conditions of the Existing Land Use Regulations and Conditions of Approval shall govern. As between several instruments and regulations governing the Project, in the event of a clear and explicit conflict which cannot be resolved through interpretation, the following interpretive priorities shall apply: (i) the terms of this Agreement shall prevail over the provisions of the Existing Land Use Regulations and Project Development Approvals except where the Conditions of Approval are more restrictive, in which event the Conditions of Approval shall prevail; (ii) the terms of the Project Development Approvals shall prevail over the terms of the Existing Land Use Regulations, except where such Existing Land Use Regulations are legally preemptive; and (iii) the terms of the Project Development Approvals shall take priority over the provisions of the CEQA instruments and EIR approved in conjunction with the Project, except where the EIR is legally preemptive.

6. ANNUAL REVIEW.

6.1 Timing of Annual Review. Pursuant to Government Code Section 65865.1, at least once during every twelve (12) month period of the Term, City shall review the good faith compliance of Developer with the terms of this Agreement ("**Annual Review**"). No failure on the part of City to conduct or complete an Annual Review as provided herein shall have any impact on the validity of this Agreement, nor shall it be deemed a breach on the part of Developer. The cost of the Annual Review shall be borne by Developer and Developer shall pay the actual and reasonable costs incurred by the City for such review.

6.2 Special Review. The City Council may, in its sole and absolute discretion, order a special review of compliance with this Agreement at any time at City's sole cost ("**Special Review**"). Developer shall cooperate with the City in the conduct of such Special Reviews.

6.3 Standards for Annual Review. During the Annual Review, Developer shall demonstrate good faith compliance with the terms of this Agreement. "**Good faith compliance**" shall be established if Developer is in substantial compliance with the material terms and conditions of this Agreement.

6.4 Procedure. Each party shall have a reasonable opportunity to assert matters which it believes have not been undertaken in accordance with the Agreement, to explain the basis for such assertion, and to receive from the other party a justification of its position on such matters. The procedure for an Annual Review or Special Review shall be as follows:

a. As part of either an Annual Review or Special Review, within ten (10) days of a request for information by the City, the Developer shall deliver to the City all information and supporting documents reasonably requested by City (i) regarding the Developer's performance under this Agreement demonstrating that the Developer has complied in good faith with the terms of this Agreement, and (ii) as required by the Existing Land Use Regulations.

b. The City Manager, or his/her designee, shall prepare and submit to Developer a written report on the performance of this Agreement and identify any perceived deficiencies in Developer's performance of this Agreement. The Developer may submit written responses to the report and Developer's written response shall be included in the City Manager's report. If the City Manager determines that the Developer has substantially complied with the terms and conditions of this Agreement, the Annual or Special Review shall be concluded.

c. If any deficiencies are noted, or if requested by a Councilmember, a public hearing shall be held before the City Council at which the Council will review the City Manager's report. The report to Council shall be made at a regularly-scheduled City Council meeting occurring as soon as possible, subject to the requirements of the Brown Act, after the commencement of the Annual or Special Review process outlined in this Section 6.4. If the City Council finds and determines, based on substantial evidence, that the

Developer has not substantially complied with the terms and conditions of this Agreement for the period under review, the City may declare a default by the Developer in accordance with Article 7.

d. Neither party hereto shall be deemed in breach if the reason for non-compliance is due to a "force majeure" as defined in, and subject to the provisions of, Section 13.11.

6.5 Certificate of Agreement Compliance. If, at the conclusion of an Annual Review or a Special Review, Developer is found to be in compliance with this Agreement, City shall, upon written request by Developer, issue a Certificate of Agreement Compliance ("**Certificate**") to Developer stating that after the most recent Annual Review or Special Review and based upon the information known or made known to the City Manager, Planning Commission, and City Council that (i) this Agreement remains in effect and (ii) Developer is in compliance. The Certificate, whether issued after an Annual Review or Special Review, shall be in recordable form, shall contain information necessary to communicate constructive record notice of the finding of compliance. Developer shall at its cost record the Certificate with the County Recorder. Additionally, Developer may at any time request from the City a Certificate stating, in addition to the foregoing, which obligations under this Agreement have been fully satisfied with respect to the Property, or any lot or parcel within the Property.

6.6 Review Process Not a Prerequisite to Declaring a Default. Neither the Annual Review nor Special Review procedure is a prerequisite to either party declaring a default and initiating the default and cure procedure in Article 7. In other words, either party may declare a default at any time without first undertaking the Annual Review or Special Review process.

6.7 Public Hearings. The public hearing prescribed by Section 6.4 is independent of, and in addition to, any further hearing procedures relating to defaults and remedies prescribed in Article 7 below. Thus, if the City Council finds that the Developer has not substantially complied with the terms and conditions of this Agreement as part of a review process pursuant to Section 6.4 and determines to declare a default, the City Council is still required to follow the notice/cure process (Section 7.2) and the termination hearing process (Section 7.4) before terminating this Agreement.

7. DEFAULTS AND REMEDIES.

7.1 Remedies Available. The parties acknowledge and agree that other than the termination of this Agreement pursuant to Article 7, specific performance, injunctive and declaratory relief are the only remedies available for the enforcement of this Agreement and knowingly, intelligently, and willingly waive any and all other remedies otherwise available in law or equity. Accordingly, and not by way of limitation, and except as otherwise provided in this Agreement, Developer shall not be entitled to any money damages from City by reason of any default under this Agreement. Further, Developer shall not bring an action against City nor obtain any judgment for damages for a regulatory taking, inverse condemnation, unreasonable exactions, reduction in value of property, delay in undertaking any action, or asserting any other liability for any matter or for any cause which existed or which the Developer knew of or should have known of prior to the time of entering into this Agreement, Developer's sole remedies being as specifically provided above. Developer acknowledges that such remedies are adequate to

protect Developer's interest hereunder and the waiver made herein is made in consideration of the obligations assumed by the City hereunder.

7.2 Declaration of Default & Opportunity to Cure.

a. Rights of Non-Defaulting Party after Default. The parties acknowledge that both parties shall have hereunder all legal and equitable remedies as provided by law following the occurrence of a default or to enforce any covenant or agreement herein except as provided in Section 7.1. Before this Agreement may be terminated or action may be taken to obtain judicial relief the party seeking relief ("**Non-Defaulting Party**") shall comply with the notice and cure provisions of this Section 7.2.

b. Notice and Opportunity to Cure. A Non-Defaulting Party in its discretion may elect to declare a default under this Agreement in accordance with the procedures hereinafter set forth for any failure or breach of the other party ("**Defaulting Party**") to perform any material duty or obligation of the Defaulting Party under the terms of this Agreement. However, the Non-Defaulting Party must provide written notice to the Defaulting Party setting forth the nature of the breach or failure and the actions, if any, required by the Defaulting Party to cure such breach or failure (the "**Default Notice**"). The Defaulting Party shall be deemed in Default under this Agreement, if the breach or failure can be cured, but the Defaulting Party has failed to take such actions and cure such default within thirty (30) days after the date of such notice or ten (10) days for monetary defaults (or such lesser time as may be specifically provided in this Agreement). However, if such non-monetary Default cannot be cured within such thirty (30) day period, and if and, as long as the Defaulting Party does each of the following:

(i) Notifies the Non-Defaulting Party in writing with a reasonable explanation as to the reasons the asserted default is not curable within the thirty (30) day period;

(ii) Notifies the Non-Defaulting Party of the Defaulting Party's proposed cause of action to cure the default;

(iii) Promptly commences to cure the default within the thirty (30) day period;

(iv) Makes periodic reports to the Non-Defaulting Party as to the progress of the program of cure; and

(v) Diligently prosecutes such cure to completion.

Then the Defaulting Party shall not be deemed in breach of this Agreement.

7.3 Termination Notice. Upon receiving a Default Notice, should the Defaulting Party fail to timely cure any default, or fail to diligently pursue such cure as prescribed above, the Non-Defaulting Party may seek termination of this Agreement, in which case the Non-

Defaulting Party shall provide the Defaulting Party with a written notice of intent to terminate this Agreement ("**Termination Notice**"). The Termination Notice shall state that the Non-Defaulting Party will elect to terminate this Agreement within thirty (30) days and state the reasons therefor (including a copy of any specific charges of default or a copy of the Default Notice) and a description of the evidence upon which the decision to terminate is based. Once the Termination Notice has been issued, the Non-Defaulting Party's election to terminate this Agreement will only be rescinded if so determined by the City Council pursuant to Section 7.4.

7.4 Hearing Opportunity Prior to Termination. If Developer is the Defaulting Party pursuant to Section 7.3, then the City's Termination Notice to Developer shall additionally specify that Developer has the right to a hearing prior to the City's termination of any Agreements ("**Termination Hearing**"). The Termination Hearing shall be scheduled as an open public hearing item at a regularly-scheduled City Council meeting within thirty (30) days of the Termination Notice, subject to any legal requirements including but not limited to the Ralph M. Brown Act, Government Code Sections 54950-54963. At said Termination Hearing, Developer shall have the right to present evidence to demonstrate that it is not in default and to rebut any evidence presented in favor of termination. Based upon substantial evidence presented at the Termination Hearing, the Council may, by adopted resolution, act as follows:

a. Decide to terminate this Agreement; or

b. Determine that Developer is innocent of a default and, accordingly, dismiss the Termination Notice and any charges of default; or

c. Impose conditions on a finding of default and a time for cure, such that Developer's fulfillment of said conditions will waive or cure any default.

Findings of a default or a conditional default must be based upon substantial evidence supporting the following two findings: (i) that a default in fact occurred and has continued to exist without timely cure, and (ii) that such default has caused or will cause a material breach of this Agreement and/or a substantial negative impact upon public health, safety and welfare, the environment, or such other interests that the City and public may have in the Project.

7.5 Rights and Duties Following Termination. Upon the termination of this Agreement, no party shall have any further right or obligation hereunder except with respect to (i) any obligations to have been performed prior to said termination, (ii) any default in the performance of the provisions of this Agreement which has occurred prior to said termination, or (iii) the indemnification provisions of Article 8. Termination of this Agreement pursuant to this Section 7 shall automatically terminate the Project Development Approvals.

7.6 Waiver of Breach. By not challenging any Development Approval within ninety (90) days of the action of City enacting the same, Developer shall be deemed to have waived any claim that any condition of approval is improper or that the action, as approved, constitutes a breach of the provisions of this Agreement.

7.7 Interest on Monetary Default. In the event Developer fails to perform any monetary obligation under this Agreement, Developer shall pay interest thereon at the rate of six

and one-half percent (6.5%) per annum from and after the due date of said monetary obligation until payment is actually received by City.

8. THIRD PARTY LITIGATION.

8.1 Indemnity Obligations on Third-Party Claims

a. Developer hereby agrees to indemnify, defend, and hold City, its officers, agents, employees, members of its City Council and any commission, partners and representatives ("**City Indemnitees**") harmless from any and all claims, actions, suits, damages, liabilities, and any other actions or proceedings (whether legal, equitable, declaratory, administrative, or adjudicatory in nature) (collectively, "**Claims**"), asserted against City or City Indemnitees arising out of or in connection with this Agreement, including, without limitation, (i) City's approval of this Agreement and all documents related to any of the Project Development Approvals, Conditions of Approval, permits, or other entitlements for the Project and issues related thereto (including, without limitation, City's determinations regarding CEQA compliance and/or any other development incentives granted to the Project), (ii) the development of the Project, (iii) liability for damage or claims for damage for personal injury including death and claims for property damage which may arise from, or are attributable to, Developer's (or Developer's contractors, subcontractors, agents, employees or other persons acting on Developer's behalf ("**Developer's Representatives**")) performance of its obligations under this Agreement and/or the negligence or misconduct of Developer or of Developer's Representatives which relate to the Project or the Property, and (iv) Developer's failure to comply with any applicable federal, state or local law, rule, or regulation, including, but not limited to, those relating to industrial hygiene or to environmental conditions on, under or about the Property, such as (without limitation) soil and groundwater conditions.

b. The City shall provide the Developer with notice of the pendency of such Claims within ten (10) days of being served or otherwise notified of such Claims and shall request that the Developer defend such action. The Developer may utilize the City Attorney's office or use legal counsel of its choosing, but shall reimburse the City for any necessary legal cost incurred by City. In all cases, City shall have the right to utilize the City Attorney's office in any legal action. The Developer shall provide a deposit in the amount of 100% of the City's estimate, in its sole and absolute discretion, of the cost of litigation, including the cost of any award of attorney's fees. If the Developer fails to provide the deposit, and after compliance with the provisions of this Section 8.1, the City may abandon the action and the Developer shall pay all costs resulting therefrom and City shall have no liability to the Developer. The Developer's obligation to pay the cost of the action, including judgment, shall extend until judgment. After judgment in a trial court, the parties must mutually agree as to whether any appeal will be taken or defended. City agrees that it shall fully cooperate with the

Developer in the defense of any matter in which the Developer is defending and/or holding the City harmless.

8.2 Hold Harmless: Developer's Construction, and Other Activities. The Developer shall defend, save and hold the City and its elected and appointed boards, commissions, officers, agents, and employees harmless from any and all claims, costs (including attorneys' fees) and liability for any damages, personal injury or death, which may arise, directly or indirectly, from the Developer's or the Developer's agents, contractors, subcontractors, agents, or employees' Project construction activities and operations under this Agreement, whether such Project construction activities and operations be by the Developer or by any of the Developer's agents, contractors or subcontractors or by any one or more persons directly or indirectly employed by or acting as agent for the Developer or any of the Developer's agents, contractors or subcontractors. Nothing herein shall be construed to mean that the Developer shall hold the City harmless and/or defend it from any claims arising from, or alleged to arise from, the sole negligence or gross or willful misconduct of the City's officers, employees, agents, contractors of subcontractors.

8.3 Loss and Damage. City shall not be liable for any damage to property of Developer or of others located on the Property, nor for the loss of or damage to any property of Developer or of others by theft or otherwise. City shall not be liable for any injury or damage to persons or property resulting from fire, explosion, steam, gas, electricity, water, rain, dampness or leaks from any part of the Property or from the pipes or plumbing, or from the street, or from any environmental or soil contamination or hazard, or from any other latent or patent defect in the soil, subsurface or physical condition of the Property, or by any other cause of whatsoever nature. Nothing herein shall be construed to mean that the Developer shall bear liability for the sole negligence or gross or willful misconduct of the City's officers, employees, agents, contractors or subcontractors.

8.4 Non-liability of City Officers and Employees. No official, agent, contractor, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Developer or to its successor, or for breach of any obligation of the terms of this Agreement.

8.5 Conflict of Interest. No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to this Agreement which affects the financial interest of any corporation, partnership or association in which he or she is, directly or indirectly, interested, in violation of any state statute or regulation.

8.6 Survival of Indemnity Obligations. All indemnity provisions set forth in this Agreement shall survive expiration or sooner termination of this Agreement for any reason other than a default by City.

9. INSURANCE.

9.1 Types of Insurance.

a. **Public Liability Insurance.** Prior to commencement and until completion of construction of improvements by Developer on the Property, Developer

shall, at its sole cost and expense, keep or cause to be kept in force, for the mutual benefit of City and Developer, comprehensive broad form general public liability insurance against claims and liability for personal injury or death arising from the use, occupancy, disuse or condition of the Property, improvements or adjoining areas or ways, affected by such use of the Property or for property damage. Such policy shall provide protection of at least $5,000,000 for bodily injury or death to any one person, at least $5,000,000 for any one accident or occurrence, and at least $5,000,000 for property damage, and $10,000,000 in the aggregate.

b. **Worker's Compensation**. To the extent Developer and its contractors utilize employees for any portion of the Project, Developer and such contractors shall also furnish or cause to be furnished to City evidence reasonably satisfactory to it that Developer and any contractor with whom Developer has contracted for the performance of any work for which Developer is responsible hereunder carries workers' compensation insurance as required by law.

c. **Automobile Liability Insurance**. Developer shall ensure that all contractors with whom Developer has contracted for the performance of any work for which Developer is responsible hereunder maintains automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the Developer arising out of or in connection with work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than $5,000,000 combined single limit for each accident.

d. **Pollution Liability Insurance**. Environmental Impairment Liability Insurance shall be written on a Contractor's Pollution Liability form or other form acceptable to City providing coverage for liability arising out of sudden, accidental and gradual pollution and remediation. The policy limit shall be no less than $5,000,000 dollars per claim and $10,000,000 in the aggregate. All activities contemplated in this Agreement shall be specifically scheduled on the policy as "covered operations." The policy shall provide coverage for the hauling of waste from the Project site to the final disposal location, including non-owned disposal sites.

e. **Builder's Risk Insurance.** Builder's Risk (Course of Construction) insurance utilizing an "All Risk" (Special Perils) coverage form, with limits equal to the completed value of the project and no coinsurance penalty provisions or provisional limit provisions. The policy must include: (1) coverage for any ensuing loss from faulty workmanship, nonconforming work, omission or deficiency in design or specifications; (2) coverage against machinery accidents and operational testing; (3) coverage for removal of debris, and insuring the buildings, structures, machinery, equipment, materials, facilities, fixtures and all other properties constituting a part of the project; (4) ordinance or law coverage for contingent

rebuilding, demolition, and increased costs of construction; (5) transit coverage (unless insured by the supplier or receiving contractor), with sub-limits sufficient to insure the full replacement value of any key equipment item; (6) ocean marine cargo coverage insuring any project materials or supplies, if applicable; (7) coverage with sub-limits sufficient to insure the full replacement value of any property or equipment stored either on or off the project site or any staging area. The City and Developer shall each be included as Loss Payee for their respective insurable interest.

f. **Professional Liability Insurance.** Professional liability insurance appropriate to the profession for any design work. This coverage may be written on a "claims made" basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of the services or the termination of this Agreement. During this additional 5-year period, Developer shall annually and upon request of the City submit written evidence of this continuous coverage.

g. **Other Insurance**. Developer may procure and maintain any insurance not required by this Agreement, but all such insurance shall be subject to all of the provisions hereof pertaining to insurance and shall be for the benefit of City and Developer. Developer shall ensure that all contractors and sub-contractors maintain the required minimum insurance coverages, or shall include the contractors and subcontractors under its insurance.

h. **Renegotiation of Policy Limits.** In the event the Developer in good faith determines and submits substantial evidence to the City that any of the foregoing policy limits or required coverage provisions are unreasonable and not consistent with the prevailing insurance market at the relevant time, the City will reconsider such policy limit(s) or required coverage provision(s) in good faith, and may, but is not required to, approve a modification to same, which approval may be given by the City Manager or designee.

9.2 Insurance Policy Form, Sufficiency, Content, and Insurer. All insurance required by express provisions hereof shall be carried only by responsible insurance companies licensed and admitted to do business by California, rated "A" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VIII or better, unless waived by City. All such policies shall be non-assessable and shall contain language, to the extent obtainable, to the effect that (i) any loss shall be payable notwithstanding any act of negligence of City or Developer that might otherwise result in the forfeiture of the insurance, (ii) the insurer waives the right of subrogation against City and against City's agents and representatives; (iii) the policies are primary and noncontributing with any insurance that may be carried by City; and (iv) the policies cannot be canceled or materially changed except after thirty (30) days' written notice by the insurer to City or City's designated representative. Developer shall furnish City with copies of all such policies

promptly on receipt of them or with certificates evidencing the insurance. City shall be named as an additional insured on all policies of insurance required to be procured by the terms of this Agreement, except for all insurance required by Developer's contractors, both City and Developer shall be named as an additional insured. Moreover, the insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention. In the event the City's Risk Manager determines that the use, activities or condition of the Property, improvements or adjoining areas or ways, affected by such use of the Property under this Agreement creates an increased or decreased risk of loss to the City, Developer agrees that the minimum limits of the insurance policies required by Section 9.1 may be changed accordingly upon receipt of written notice from the City's Risk Manager; provided that Developer shall have the right to appeal a determination of increased coverage to the City Council of City within ten (10) days of receipt of notice from the City's Risk Manager.

9.3 Failure to Maintain Insurance and Proof of Compliance. Developer shall deliver to City, in the manner required for notices, copies of certificates of all insurance policies together with endorsements required hereunder together with evidence satisfactory to City of payment required for procurement and maintenance of each policy within the following time limits:

a. For insurance required above, within thirty (30 days) after the Effective Date.

b. For any renewal or replacement of a policy already in existence, at least ten (10) days before the expiration or termination of the existing policy.

c. If Developer fails or refuses to procure or maintain insurance as required hereby or fails or refuses to furnish City with required proof that that insurance has been procured and is in force and paid for, such failure or refusal shall be a default hereunder.

9.4 Waiver of Subrogation. Developer agrees that it shall not make any claim against, or seek to recover from City or its agents, servants, or employees, for any loss or damage to Developer or to any person or property, except as specifically provided hereunder and Developer shall give notice to any insurance carrier of the foregoing waiver of subrogation, and obtain from such carrier, a waiver of right to recovery against City, its agents and employees.

9.5 Broader Coverages and Higher Limits. Notwithstanding anything else herein to the contrary, if Developer maintains broader coverages and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverages and/or higher limits maintained by Developer.

10. MORTGAGEE PROTECTION.

10.1 Except as otherwise provided by Applicable Laws and this Agreement, the Parties agree that this Agreement shall not prevent or limit Developer, in any manner, at Developer's sole discretion, from encumbering the Property or any portion thereof or any improvement thereon by any mortgage, deed, of trust or other security device securing financing with respect to the Property. City acknowledges that the lenders providing such financing may

require certain Agreement interpretations, modifications, and estoppel certificates and City agrees upon request, from time to time, to communicate and meet with Developer and representatives of such lenders to negotiate in good faith any such estoppel certificates and/or requests for interpretation or modification. Subject to compliance with applicable laws, City will not unreasonably withhold its consent to any such requested estoppel certificate, interpretation or modification provided City determines such estoppel certificate, interpretation or modification is consistent with the intent and purposes of this Agreement. Any Mortgagee of the Property shall be entitled to the rights and privileges set forth in this Article 10.

10.2 Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish or impair the lien of any mortgage on the Property made in good faith and for value, unless otherwise required by law.

10.3 The Mortgagee of any Mortgage or deed of trust encumbering the Property, or any part thereof, where Mortgagee has submitted a request in writing to the City in the manner specified herein for giving notices, shall be entitled to receive written notification from City of any default by Developer in the performance of Developer's obligations under this Agreement.

10.4 If City timely receives a request from a Mortgagee requesting a copy of any notice of default given to Developer under the terms of this Agreement, City shall provide a copy of that notice to the Mortgagee within ten (10) days of sending the notice of default to Developer. The Mortgagee shall have the right, but not the obligation, to cure the default during the period that is the longer of (i) the remaining cure period allowed such party under this Agreement, or (ii) sixty (60) days.

10.5 Any Mortgagee who comes into possession of the Property, or any part thereof, pursuant to foreclosure of the Mortgage or deed of trust, or deed in lieu of such foreclosure, shall take the Property, or part thereof, subject to the terms of this Agreement.

11. ASSIGNMENTS.

11.1 The experience, knowledge, capability and reputation of Developer, its principals, employees and affiliates were a substantial inducement for the City to enter into this Agreement. The Developer may sell, transfer, lease or assign this Agreement, the Property, or any part thereof (such sale, transfer, lease or assignment shall be referred to as an "**Assignment**") with the prior written consent of the Community Development Director, which consent may not be unreasonably withheld, after providing reasonable documentation and evidence demonstrating that the person or entity to whom any of the rights or privileges granted herein are to be sold, transferred, leased, assigned, hypothecated, encumbered, merged, or consolidated, meets the following criteria: (i) the transferee has the financial strength and capability to perform its obligations under the Agreement, (ii) reasonably satisfactory evidence that the transferee has the experience and expertise to operate the Project, including reasonably satisfactory evidence that the transferee has experience with operations and projects with a similar scale of this Project; and (iii) reasonably satisfactory evidence that the transferee's key principals have no felony convictions. The proposed transferee shall execute and deliver to the City an assumption agreement assuming Developer's Project obligations, which assumption agreement shall be in a form approved by the City Manager and City Attorney.

11.2 City Consideration of Requested Assignment. The City agrees that it will not unreasonably withhold, condition, or delay approval of a request for approval of an Assignment required pursuant to this Article 11, provided that:

a. Developer delivers written notice to the City requesting that approval prior to the completion of the Assignment (the "**Consent Request**"); and

b. The Assignment is not completed until either (i) City has provided its written consent or (ii) sixty (60) days have passed after delivery by Developer to City of the Consent Request without the City having rejected the Consent Request in writing.

c. The Consent Request shall be accompanied by (i) a proposed draft of the Assignment and Assumption Agreement described in Section 11.3, in a form acceptable to the City Attorney and City Manager, and (ii) evidence regarding the proposed assignee's development and/or operational qualifications and experience and its financial commitments and resources in sufficient detail to enable the City to evaluate the proposed assignee's ability to complete the Project.

11.3 Assignments Permitted Without City's Consent. Notwithstanding any other provision of this Agreement, Assignments related to the following property conveyances and other transactions shall not require City consent:

a. The granting of easements or permits to facilitate construction of the Project or any public improvements.

b. The granting of easements or permits for utility purposes.

c. Transactions for financing purposes, including the grant of a deed of trust to secure the funds necessary, but not to exceed the amounts reasonably required, for land acquisition, construction, and/or permanent financing of any portion of the Project.

d. The acquisition of some or all of the Property by a Mortgagee in its capacity as a Mortgagee, such as through foreclosure or a deed in lieu of foreclosure.

e. A sale or transfer resulting from, or in connection with, a reorganization as contemplated by the provisions of the Internal Revenue Code of 1986, as amended or otherwise, in which the ownership interests of a corporation are assigned directly or by operation of law to a person or persons, firm or corporation which acquires the control of the voting capital stock of such corporation or all or substantially all of the assets of such corporation.

f. A sale or transfer between members of the same family, or transfers to a trust, testamentary or otherwise, in which the beneficiaries consist primarily of family members of the trustor, or transfers to a corporation or partnership in which the family members or shareholders of the transferor own at least

ten percent (10%) of the present equity ownership and/or at least fifty percent (50%) of the voting control of Developer.

g. If Developer is a trust, corporation, real estate investment trust, or partnership, a transfer of stock or other interests, provided there is no material change in the actual management and control of Developer.

h. Transactions with any member, partner, officer, employee, or affiliate of Developer or any trust or family member, provided that, following the transaction, the management of Developer on the Effective Date shall, subject to normal and customary business practices and personnel changes, remain the primary Developer representative(s) for purposes of communication with the City.

11.4 Effect of Assignment. Unless otherwise stated within the Assignment, upon an Assignment:

a. The assignee shall be liable for the performance of all remaining obligations of Developer with respect to those portions of the Property which are transferred (the "**Transferred Property**"), but shall have no obligations with respect to any portions of the Property not conveyed (the "**Retained Property**").

b. The owner of the Retained Property shall be liable for the performance of all obligations of Developer with respect to the Retained Property, but shall have no further obligations with respect to the Transferred Property.

c. The Assignee's exercise, use, and enjoyment of the Transferred Property shall be subject to the terms of this Agreement to the same extent as if the Assignee were the Developer.

12. AMENDMENT AND MODIFICATION.

12.1 Initiation of Amendment. Either party may propose an amendment to this Agreement.

12.2 Procedure. Except as set forth in Section 12.4, the procedure for proposing and adopting an amendment to this Agreement shall be the same as the procedure required for entering into this Agreement in the first instance as set forth in Government Code Section 65867.

12.3 Consent. Except as expressly provided in this Agreement, no cancellation of or amendment to all or any provision of this Agreement shall be effective unless set forth in writing and signed by duly authorized representatives of each of the parties hereto and recorded in the Official Records of Los Angeles County.

12.4 Administrative Minor Project Modifications. Notwithstanding any other provision and/or condition of approval contained in any Development Approvals, including any processes set forth in Chapter 5 of the Specific Plan, Minor Modifications to this Agreement, the Project, and/or the Development plans shall be made ministerially, with the approval of the

Director. Such "**Minor Modifications**" shall be defined as any modifications to this Agreement, the Project and/or the Development plans that do not (i) change the proposed uses analyzed for the Project in the EIR or permitted for the Project in the Project Development Approvals and this Agreement, (ii) constitute a prohibited modification under Section 12.5, (iii) increase building heights within the Property in comparison to what is identified in the Project Development Approvals and this Agreement, (iv) reduce the number of parking stalls identified in the Project Development Approvals by more than five (5) percent, (v) substantially deviate from the approved architectural design, as determined by the Community Development Director in his or her reasonable discretion, and/or (vi) reduce the amount of publicly accessible open space below 111,581 square feet.

12.5 Prohibited Modifications. Notwithstanding any provision of this Agreement or the Specific Plan, none of the following shall be permitted with respect to the Project during the Term of this Agreement:; (i) any modification to the square footage of the commercial space (10,000); (ii) any use of the commercial space other than restaurant space; or (iii) any reduction in the amount of publicly accessible open space below 111,581 square feet, except that a reduction of no more than 2.5% of the non-park open space area may be permitted if necessary based on Building Standards Code requirements as identified/required during the plan check process. No reduction to the square footage of the park (22,859 sq. ft.) shall be permitted.

12.6 Hearing Rights Protected. Notwithstanding the foregoing, City will process any change to this Agreement consistent with state law and will hold public hearings thereon if so required by state law and the parties expressly agree nothing herein is intended to deprive any party or person of due process of law.

12.7 Effect of Amendment to Development Agreement. Except as expressly set forth in writing in any such amendment, an amendment to this Agreement will not alter, affect, impair, modify, waive, or otherwise impact any other rights, duties, or obligations of either party under this Agreement.

12.8 Timing of Development. The California Supreme Court held in *Pardee Construction Co. v. City of Camarillo*, 37 Cal.3d 465 (1984), that failure of the parties in that case to provide for the timing of development resulted in a later adopted initiative restricting the timing of development to prevail over the parties' agreement. It is the intent of Developer and City to cure that deficiency by expressly acknowledging and providing that any Subsequent Land Use Regulations that purports to limit over time the rate or timing of development or to alter the sequencing of development phases (whether adopted or imposed by the City Council or through the initiative or referendum process) shall not apply to the Property or the Project and shall not prevail over this Agreement. In particular, but without limiting any of the foregoing, no numerical restriction shall be placed by the City on the amount of total square feet or the number of buildings, structures, residential units that can be built each year on the Property except as expressly provided in this Agreement.

13. MISCELLANEOUS PROVISIONS.

13.1 Recordation. The City Clerk shall cause a copy of this Agreement to be recorded against the Property with the County Recorder within ten (10) calendar days after the Execution Date. The failure of the City to sign and/or record this Agreement shall not affect the validity of this Agreement.

13.2 Notices. Notices and correspondence required or permitted by this Agreement shall be in writing and either personally delivered or sent by registered, certified, or overnight mail or delivery service. Notices shall be deemed received upon personal delivery or on the second business day after registered, certified, or overnight mailing or delivery, or email if such email notice is acknowledged as received by the receiving party. Notices shall be addressed as follows:

To City:
City of Carson
701 East Carson Street
Carson, California 90745
Attn: Planning Manager

With copy to:
Aleshire & Wynder
18881 Von Karman Avenue, Suite 1700
Irvine, CA 92612
Fax: 949-223-1180
Attn: Sunny Soltani

To Developer:
Imperial Avalon, LLC
4276 Katella Avenue, #231
Los Alamitos, CA 90720
Attn: Darren Embry

Rand, Paster & Nelson, LLP
633 W. Fifth Street, 64th Floor
Los Angeles, CA 90071
Attn: Dave Rand

A Party may change its address by giving written notice to the other Party. Thereafter, Notices shall be addressed and transmitted to the new address.

13.3 Estoppel Certificates. Either Party (or a Mortgagee) may at any time deliver written notice to the other Party requesting an Estoppel Certificate stating:

a. The Agreement is in full force and effect and is a binding obligation of the Parties;

b. The Agreement has not been amended or modified or, if so amended, identifying the amendments; and

c. There are no existing defaults under the Agreement to the actual knowledge of the Party signing the Estoppel Certificate.

A Party receiving a request for an Estoppel Certificate shall provide a signed certificate to the requesting Party within thirty (30) days after receipt of the request. The City Manager may sign Estoppel Certificates on behalf of the City. An Estoppel Certificate may be relied on by assignees and Mortgagees.

13.4 Operating Memoranda. The provisions of this Agreement require a close degree of cooperation between City and Developer. During the Term of this Agreement, clarifications to this Agreement and the Applicable Laws may be appropriate with respect to the details of performance of the City and Developer. If and when from time to time during the Term of this Agreement, the City and Developer agree that such clarifications are necessary or appropriate, they shall effectuate such clarification through operating memoranda approved in writing by the City and Developer, which after execution, shall be attached hereto and become part of this Agreement and the same may be further clarified from time to time as necessary with future written approval by the City and Developer. Operating memoranda are mere ministerial clarifications and therefore public notices, hearings and CEQA compliance shall not be required unless otherwise provided by applicable law. The authority to enter into such operating memoranda is delegated to the Community Development Director who is hereby authorized to execute any operating memoranda hereunder without future action or approval by the City Council.

13.5 Project as a Private Undertaking. It is specifically understood and agreed by the Parties that the Project is a private development, that neither Party is acting as the agent of the other in any respect, and that each Party is an independent contracting entity with respect to this Agreement. The only relationship between City and Developer is that of a government entity regulating the development of property owned by a private party. City agrees that by its approval of, and entering into, this Agreement that it is not taking any action which would transform this private Development into a "public work" project, and that nothing herein shall be interpreted to convey upon Developer any benefit which would transform Developer's private project into a public work project, it being understood that this Agreement is entered into by City and Developer upon the exchange of consideration described in this Agreement, including the Recitals to this Agreement, and that City is receiving by and through this Agreement the full measure of benefit in exchange for the burdens placed on Developer by this Agreement, including but not limited to Developer's obligation to provide the public improvements set forth herein.

13.6 Eminent Domain. No provision of this Agreement shall be construed to limit or restrict the exercise by City of its power of eminent domain.

13.7 Entire Agreement. This Agreement represents the entire agreement of the Parties with respect to the subject matter of this Agreement. No testimony or evidence of any such representations, understandings or covenants shall be admissible in any proceeding of any kind or nature to interpret or determine the terms or conditions of this Agreement.

13.8 Further Actions and Instruments. Each of the Parties shall cooperate with and provide reasonable assistance to the other to the extent necessary to implement this Agreement.

13.9 Severability. If any term, provision, covenant or condition of this Agreement shall be determined invalid, void or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement.

13.10 Covenant Not To Sue. The parties to this Agreement, and each of them, agree that this Agreement and each term hereof is legal, valid, binding, and enforceable. The parties

to this Agreement, and each of them, hereby covenant and agree that each of them will not commence, maintain, or prosecute any claim, demand, cause of action, suit, or other proceeding against any other party to this Agreement, in law or in equity, or based on any allegation or assertion in any such action, that this Agreement or any term hereof is void, invalid, or unenforceable.

13.11 Force Majeure. Neither Party shall be deemed to be in default where failure or delay in performance of any of its obligations under this Agreement is caused by earthquakes, other acts of God, fires, wars, terrorism, riots or similar hostilities, strikes, and other labor difficulties beyond the Party's control, government regulations, pandemics, government-ordered quarantine, court actions (such as restraining orders or injunctions), or other causes beyond the Party's reasonable control. If any such events shall occur, the term of this Agreement and the time for performance shall be extended for the duration of the impacts on the Project of each such event.

13.12 Waiver. All waivers of performance must be in a writing signed by the Party granting the waiver. Failure by a Party to insist upon the strict performance of any provision of this Agreement shall not be a waiver of future performance of the same or any other provision of this Agreement.

13.13 Time of Essence. Time is of the essence in the performance of the provisions of this Agreement as to which time is an element.

13.14 Governing Law and Venue. This Agreement shall be governed and interpreted in accordance with California law, with venue for any litigation concerning this Agreement in Los Angeles, California.

13.15 Interpretation. This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the parties hereto, and the rule of construction to the effect that ambiguities are to be resolved against the drafting party or in favor of City shall not be employed in interpreting this Agreement, all parties having been represented by counsel in the negotiation and preparation hereof.

13.16 Corporate Authority. The person(s) executing this Agreement on behalf of each of the parties hereto represent and warrant that (i) such party, if not an individual, is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other agreement to which such party is bound.

13.17 Attorneys' Fees. If either party to this Agreement is required to initiate or defend litigation against the other party, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorneys' fees. Attorneys' fees shall include attorneys' fees on any appeal, and, in addition, a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to a final judgment.

13.18 Recitals. The recitals in this Agreement constitute part of this Agreement and each party shall be entitled to rely on the truth and accuracy of each recital as an inducement to enter into this Agreement.

13.19 No Brokers. City and Developer represent and warrant to the other that neither has employed any broker and/or finder to represent its interest in this transaction. Each party agrees to indemnify and hold the other free and harmless from and against any and all liability, loss, cost, or expense (including court costs and reasonable attorney's fees) in any manner connected with a claim asserted by any individual or entity for any commission or finder's fee in connection with this Agreement arising out of agreements by the indemnifying party to pay any commission or finder's fee.

13.20 Joint and Several Liability. In the event Developer should sell, transfer, lease or assign this Agreement, the Property, or any part thereof, Developer shall bear ultimate responsibility for all obligations, conditions, and restrictions set forth under this Agreement, it being understood that both Developer and any transferee, assignee, or lessee shall be jointly and severally liable.

13.21 Compliance with Laws. Developer must comply with all applicable provisions of federal, state and local laws and regulations, including the City's Municipal Code.

13.22 Counterparts. This Agreement may be executed by the Parties in counterparts, which together shall have the same effect as if each of the Parties had executed the same instrument.

Option A: One signature required from each of the following groups: 1) Chairman of the Board, President or any Vice President; and 2) Secretary, any Assistant Secretary, Chief Financial Officer or any Assistant Treasurer. Option B: Signatures required from two managers unless the LLC is managed by one manager per its articles of organization, in which case only one signature from that manager is required. Option C: One signature required from any member unless the LLC is manager-managed per its articles of organization. Option D: One signature required from any manager if the LLC is manager-managed per its articles of organization. DEVELOPER'S SIGNATURES SHALL BE DULY NOTARIZED, AND APPROPRIATE ATTESTATIONS SHALL BE INCLUDED AS MAY BE REQUIRED BY THE BYLAWS, ARTICLES OF ORGANIZATION, OR OTHER RULES OR REGULATIONS APPLICABLE TO DEVELOPER'S BUSINESS ENTITY.

PARTIAL ASSIGNMENT AND ASSUMPTION AGREEMENT

THIS PARTIAL ASSIGNMENT AND ASSUMPTION AGREEMENT ("**Agreement**") is effective as of the date of the Effective Date, by and between **Imperial Avalon, LLC**, a California limited liability company ("**Assignor**"), and **Lennar Homes of California, LLC**, a California limited liability company ("**Assignee**"). Assignor and Assignee shall be collectively referred to herein as the "**Parties**" or individually as a "**Party**".

RECITALS

A. Assignor is the owner of that real property located at 21207 South Avalon Boulevard in the City of Carson ("**City**"), County of Los Angeles, State of California, and more particularly described in **Exhibit A** attached hereto ("**Property**").

B. On or about December 6, 2022, the City Council of the City ("**City Council**") conditionally approved a mixed-use residential and commercial development on the Property (the "**Project**"), which approvals included, without limitation, Vesting Tentative Tract Map No. 83157 ("**VTTM 83157**").

C. The approved Project consists of 764 multi-family residential units within two buildings to be constructed on the two lots on the eastern portion of the Property, which lots will be comprised of future Lots 1 and 2 when the final map (the "***Final Map***") for VTTM 83157 is recorded (the "**Apartments**"); 351 attached units all to be located on a separate lot on the western portion of the Property, which lot will be comprised of future Lot 3 of the Final Map (the "**Townhomes**"); 111,581 square feet of publicly accessible open space (including a minimum 22,859 square foot park); and 10,000 square feet of commercial space, all of which shall be restaurant use(s) and located within future Lots 1 and 2 of the Final Map.

D. On or about December 6, 2022, City and Assignor entered into a Development Agreement pertaining to the Project, recorded in the Official Records of Los Angeles County on June 4, 2024 as Document No. 20240361857, as modified from time to time (the "**Development Agreement**").

☑ Recorded concurrently "in connection with" a transfer subject to the imposition of Documentary Transfer Tax - GC 27388.1 (a) (2)

Order: 932504947 Page 2 of 21 Requested By: crcusi, Printed: 8/6/2025 3:53 PM
Doc: CALOSA:2024 00669399

E. Minor Modifications to the Development Agreement have been issued by the City on May 24, 2023, February 28, 2024, and June 10, 2024 (each a "**Minor Modification**" collectively the "**Minor Modifications**").

F. Assignor intends to sell that portion of the Property (i.e., future Lot 3 of the Final Map) that will contain the Townhomes to Assignee (the "**Transferred Property**" or "**For-Sale Development Site**"). The remaining portion of the Property not conveyed to Assignee (i.e., future Lots 1 and 2 of the Final Map), which will contain the Apartments in two Apartment buildings, shall be referred to herein as the "**Retained Property**" or "**Mixed-Use Development Site**". The Transferred Property is described and depicted in **Exhibit B** attached hereto.

G. In connection with the purchase and sale of the Transferred Property, from and after the Effective Date: (i) Assignor desires to assign to Assignee all of Assignor's rights, duties, and obligations under the Development Agreement with respect to the Transferred Property and the Townhomes, except as otherwise provided in Sections 1.3 and 1.4 hereto (the "**Assigned Rights and Obligations**"); and (ii) Assignee desires to accept and assume Assignor's rights, duties, and obligations under the Development Agreement with respect to the Transferred Property and the Townhomes, except as otherwise provided in Sections 1.3 and 1.4 hereto (the "**Assumed Rights and Obligations**"). The Assigned Rights and Obligations and the Assumed Rights and Obligations are referred to collectively herein as the "**Transferred Property Rights and Obligations.**" Assignor desires to retain and remain fully and solely responsible for all of Assignor's rights, duties, and obligations under the Development Agreement with respect to the Retained Property and the Apartments, except as otherwise provided in Sections 1.3 and 1.4, hereto (the "**Retained Property Rights and Obligations**"), and Assignee is agreeable to same. For the avoidance of doubt, the Parties intend that Development Agreement provisions of general applicability (e.g., insurance and indemnification obligations) shall be deemed part of both the Transferred Property Rights and Obligations, to the extent they may have applicability in connection with the Transferred Property and/or the Townhomes (except as otherwise provided in Sections 1.3 and 1.4 hereto), and the Retained Property Rights and Obligations, to the extent they may have applicability in connection with the Retained Property and/or the Apartments (except as otherwise provided in Sections 1.3 and 1.4 hereto).

H. Any assignment and assumption of the Development Agreement is subject to the requirements stated in Section 11 of the Development Agreement governing assignments.

NOW, THEREFORE, in consideration of the promises and covenants set forth herein, and for other good and valuable consideration, receipt of which is hereby acknowledged, the parties agree as follows:

ARTICLE 1

ASSIGNMENT AND ASSUMPTION OF THE TRANSFERRED PROPERTY RIGHTS AND OBLIGATIONS

1.1. **Assignment.** Assignor assigns to Assignee, as of the Effective Date, all of Assignor's rights, title and interest in and to the Transferred Property Rights and Obligations.

Order: 932504947 Page 3 of 21 Requested By: crcusi, Printed: 8/6/2025 3:53 PM
Doc: CALOSA:2024 00669399

1.2. **Assumption**. As of the Effective Date, Assignee accepts Assignor's assignment of the Assigned Rights and Obligations and assumes the Assumed Rights and Obligations. From and after the Effective Date, Assignee shall keep and perform all covenants, conditions and provisions of the Development Agreement, as modified by the Minor Modifications, relating to the Transferred Property Rights and Obligations, and Assignor shall retain and remain responsible for performing all covenants, conditions and provisions of the Development Agreement, as modified by the Minor Modifications, relating to the Retained Property Rights and Obligations.

1.3. **Ongoing Financial Commitments.** In accordance with Development Agreement Section 3.1-Comprehensive Development Agreement Fee, the Parties agree that Assignor shall retain sole and full responsibility for compliance with the Development Agreement requirements related to the ongoing financial commitments to the City set forth in Development Agreement Section 3.1 (as amended by the Minor Modification approval letter dated February 28, 2024, and as may be further amended), including but not limited to the "Carson Park and Recreation Subsidy" and the "Annual Payments." This Agreement will be recorded pursuant to Section 1.7 below, which satisfies the requirement to record a memorandum outlining the ongoing financial obligations under the Development Agreement in the event of a transfer as set forth in Development Agreement Section 3.1.1 (as modified by the February 28, 2024 Minor Modification).

1.4. **Division of Certain Rights and Obligations**. The rights and obligations described in those certain sections of the Development Agreement stated below (and associated general provisions, to the extent they may have applicability in connection with same as noted in Recital G) are assigned and assumed or retained as follows and incorporated into or omitted from the Transferred Property Rights and Obligations, as applicable.

1.4.1. Development Agreement Section 3.6 - Publicly Accessible, Privately Maintained Open Space. Assignee shall comply with the requirements related to the Public Open Space Areas defined and identified in Section 3.6 and on Exhibit C to the Development Agreement with respect those Public Open Space Areas on the Transferred Property. Assignor shall comply with the requirements related to the Public Open Space Areas defined and identified in Section 3.6 and on Exhibit C to the Development Agreement with respect to those Public Open Space Areas on the Retained Property.

1.4.2. Development Agreement Section 3.7 – Existing Pedestrian Bridge. Assignor shall be solely responsible for complying with all requirements related to any improvements or contributions required under Development Agreement Section 3.7.

1.4.3. Development Agreement Section 3.8 - Restaurant and Kitchen Timing. Assignor shall be solely responsible for the complying with all requirements related to the restaurant and kitchen spaces required under Development Agreement Section 3.8.

1.4.4. Development Agreement Section 3.9 - Art Benefit. Assignor shall be solely responsible for compliance with Development Agreement Section 3.9(a). Assignee shall be solely responsible for compliance with Development Agreement Section 3.9(b).

1.4.5. Development Agreement Section - 3.10 Traffic Signal. Assignee shall be solely responsible for fulfilling all requirements related to funding and installing a new traffic signal as described in Development Agreement Section 3.10.

1.5. **Reimbursement Agreement**. Assignor entered into that certain Reimbursement and Indemnification Agreement with the City, dated December 16, 2019, as amended by the First Amended Reimbursement and Indemnification Agreement dated June 1, 2022, under which Assignor is required to reimburse the City for certain Project-related costs ("**Assignor Reimbursement Agreement**"). Upon the Effective Date, or promptly thereafter, Assignee shall enter into a separate reimbursement and indemnification agreement with the City, the form and terms of which shall be substantially the same as those of the Assignor Reimbursement Agreement except that the scope of said separate agreement shall be limited to the Transferred Property and the Townhomes, including requiring Assignee to reimburse the City for all Project-related costs related to the Transferred Property for which Assignor would otherwise be required to reimburse the City under the Assignor Reimbursement Agreement ("**Assignee Reimbursement Agreement**"). Until the Assignee Reimbursement Agreement becomes effective, Assignee shall reimburse Assignor for all payments made by Assignor to City under the Assignor Reimbursement Agreement that are related to the Transferred Property within 30 days of receipt of an invoice from Assignor. Any amount remaining unpaid on and after the 31st day following receipt of an invoice from Assignor shall bear interest at a rate of six and one-half percent (6.5%) per annum until payment is received by Assignor.

1.6. **Effective Date**. For purposes of this Agreement, the "**Effective Date**" shall be the later to occur of: (1) the date on which the deed from Assignor to Assignee or Assignee's land bank (provided that in connection with a deed to Assignee's land bank Assignee has an option to acquire the Transferred Property from such land bank) for the Transferred Property is recorded in the Office of the Recorder of the County of Los Angeles; and (2) the date this Agreement is executed by all Parties and approved by the City as evidenced by the full execution of the City's representatives in the form entitled City of Carson's Consent, attached hereto as **Exhibit C**.

1.7. **Recordation**. Within thirty (30) days from the Effective Date, this Agreement shall be recorded in the Los Angeles County Clerk Recorder's office. This Agreement shall be recorded against both the Retained Property and the Transferred Property.

ARTICLE 2

RIGHTS AND REMEDIES

2.1. **Assignor's Release; No Assignor Liability or Default for Assignee Breach**. In accordance with Section 11.4 of the Development Agreement, Assignor shall be released from the Development Agreement with respect to the Transferred Property Rights and Obligations as of the Effective Date. As of the Effective Date, any default or breach by Assignee under the Development Agreement following the Effective Date with respect to the Transferred Property Rights and Obligations ("**Assignee Breach**") shall not constitute a breach or default by Assignor under the Development Agreement with respect to the Retained Property Rights and Obligations and shall not result in (a) any remedies imposed against Assignor, including without limitation any remedies authorized pursuant to Section 7 of the Development Agreement, or (b) modification or termination of the Development Agreement with respect to the Retained Property Rights and Obligations.

Assignor shall, however, maintain sole and full liability and responsibility after the Effective Date for any potential breach or default under the Development Agreement relative to the Transferred Property Rights and Obligations that may have occurred prior to the Effective Date, subject to the default and cure provisions set forth in Section 7 of the Development Agreement.

2.2. **No Assignee Liability or Default for Assignor Breach**. As of the Effective Date, any default or breach by Assignor under the Development Agreement prior to or after the Effective Date ("**Assignor Breach**") shall not constitute a breach or default by Assignee under the Development Agreement relative to the Transferred Property Rights and Obligations, and shall not result in (a) any remedies imposed against Assignee, including without limitation any remedies authorized pursuant to Paragraph Section 7 of the Development Agreement, or (b) modification or termination of the Development Agreement with respect to the Transferred Property.

ARTICLE 3

PERIODIC REVIEW OF COMPLIANCE

3.1. **Assignor Responsibilities.** In accordance with Section 6 of the Development Agreement, Assignor shall participate in the annual review of the Development Agreement conducted pursuant to Section 65865.1 of the California Government Code, and any Special Review ordered by the City Council pursuant to Section 6.2 of the Development Agreement, with respect to (1) both the Retained Property Rights and Obligations and the Transferred Property Rights and Obligations prior to the Effective Date, (2) and the Retained Property Rights and Obligations after the Effective Date, and Assignee shall have no responsibility therefor.

3.2. **Assignee Responsibilities.** In accordance with Section 6 of the Development Agreement, Assignee shall participate in the annual review of the Development Agreement conducted pursuant to Section 65865.1 of the California Government Code, and any Special Review ordered by the City Council pursuant to Section 6.2 of the Development Agreement, with respect to the Transferred Property Rights and Obligations after the Effective Date, and Assignor shall have no responsibility therefor.

ARTICLE 4

AMENDMENT OF THE DEVELOPMENT AGREEMENT

4.1. **Assignor**. Assignor shall not request, process or consent to any amendment or modification to the Development Agreement directly related to the Transferred Property or the Transferred Property Rights and Obligations without Assignee's prior written consent, which consent shall not be withheld unreasonably. The foregoing notwithstanding, Assignor may process any amendment or modification that does not directly affect the Transferred Property, and, if necessary, Assignee shall consent thereto and execute all documents necessary to accomplish said amendment, provided that said amendment and/or modification does not directly affect the Transferred Property or any of Assignee's Transferred Property Rights and Obligations pursuant to the Development Agreement.

4.2. **Assignee**. Assignee shall not request, process or consent to any amendment or modification to the Development Agreement directly related to the Retained Property or the

Assignor's remaining rights and obligations pursuant to the Development Agreement without Assignor's prior written consent, which consent shall not be withheld unreasonably. The foregoing notwithstanding, Assignee may process any amendment or modification that does not directly affect the Retained Property, and, if necessary, Assignor shall consent thereto and execute all documents necessary to accomplish said amendment, provided that said amendment does not directly affect the Retained Property or any of Assignor's remaining rights and obligations pursuant to the Development Agreement.

ARTICLE 5

GENERAL PROVISIONS

5.1. **Recitals**. The recitals in this Agreement constitute part of this Agreement and each Party shall be entitled to rely on the truth and accuracy of each recital as an inducement to enter into this Agreement.

5.2. **Notices**. All notices, invoices and other communications required or permitted under this Agreement shall be made in writing, and shall be delivered either personally (including by private courier), by certified mail, postage prepaid and return receipt requested, or by nationally recognized overnight courier service to the following addresses, or to such other addresses as the parties may designate in writing from time to time:

If to Assignor:
Imperial Avalon, LLC
659 North Robertson Blvd
West Hollywood, CA 90069
Attention: Chris Trueblood

With a copy to:
Dave Rand
Rand Paster Nelson
633 West Fifth Street, Suite 5880
Los Angeles, CA 90071
Email: dave@rpnllp.com

If to Assignee:
Lennar Homes of California, LLC
2000 Fivepoint, 3rd Floor
Irvine, CA 92618
Attention: JR Jones | Email: JR.Jones@lennar.com

With a copy to:
Deverich & Gillman LLP
20 Pacifica, Suite 320
Irvine, California 92618
Attention: Christopher D. Downs | Email: cdowns@dgllp.com

Notices personally delivered shall be deemed received upon delivery. Notices delivered by certified mail as provided above shall be deemed received on actual delivery. Notices delivered by courier service as provided above shall be deemed received twenty-four (24) hours after the date of deposit. From and after the Effective Date and until further written notice from Assignee to the City pursuant to the terms of the Development Agreement, Assignee hereby designates as its notice address for notices sent by the City pursuant to Section 13.2 of the Development Agreement, the notice address set forth above.

5.3. **Estoppel Certificates**. Within ten (10) business days after receipt of a written request from time to time, either Party shall execute and deliver to the other, or to an auditor or prospective lender or purchaser, a written statement certifying to that Party's actual knowledge: (a) that the Development Agreement is unmodified and in full force and effect (or, if there have been modifications, that the Development Agreement is in full force and effect, and stating the date and nature of such modifications); (b) that there are no current defaults under the Development Agreement by the City and either Assignor or Assignee, as the case may be (or, if defaults are asserted, so describing with reasonable specificity) and that there are no conditions which, with the passage of time or the giving of notice, or both, would constitute a default; (c) that this Agreement is unmodified and in full force and effect (or, if there have been modifications, that this Agreement is in full force and effect, and stating the date and nature of such modifications); and (d) such other matters as may be reasonably requested.

5.4. **Attorneys' Fees**. In the event of any legal or equitable proceeding in connection with this Agreement, the prevailing Party in such proceeding shall be entitled to recover its reasonable costs and expenses, including without limitation reasonable attorneys' fees, costs and disbursements paid or incurred in good faith at the arbitration, pre-trial, trial and appellate levels, and in enforcing any award or judgment granted pursuant thereto.

5.5. **No Waiver**. No delay or omission by either Party in exercising any right, remedy, election or option accruing upon the noncompliance or failure of performance by the other Party under the provisions of this Agreement shall constitute an impairment or waiver of any such right, remedy, election or option. No alleged waiver shall be valid or effective unless it is set forth in a writing executed by the Party against whom the waiver is claimed. A waiver by either Party of any of the covenants, conditions or obligations to be performed by the other Party shall not be construed as a waiver of any subsequent breach of the same or any other covenants, conditions or obligations.

5.6. **Headings**. The descriptive headings of the respective paragraphs of this Agreement are inserted for convenience only and shall not affect the construction or interpretation of the provisions of this Agreement.

5.7. **Amendment**. This Agreement may be amended only by a written agreement signed by both Assignor and Assignee.

5.8. **Successors and Assigns**. This Agreement runs with the land and shall be binding on and inure to the benefit of the parties and their respective successors and assigns.

5.9. **No Joint Venture**. Nothing contained herein shall be construed as creating a joint venture, agency, or any other relationship between the parties hereto other than that of assignor and assignee.

5.10. **Severability**. If any term or provision of this Agreement or the application thereof to any person or circumstance is found by a court of competent jurisdiction to be invalid or unenforceable, the remainder of this Agreement, or the application of such term or provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby, and each remaining term and provision of this Agreement shall be valid and enforceable to the full extent permitted by law; provided that, if the invalidation or unenforceability would deprive either Assignor or Assignee of material benefits derived from this Agreement or make performance under this Agreement unreasonably difficult, then Assignor and Assignee shall meet and confer and shall make good faith efforts to modify this Agreement in a manner that is acceptable to Assignor, Assignee, and the City.

5.11. **Governing Law**. This Agreement shall be governed by and construed in accordance with the laws of the State of California.

5.12. **Third Party Beneficiaries**. Assignor and Assignee acknowledge that the City is a third party beneficiary of the terms and conditions of this Agreement to the extent necessary for City to enforce the terms and conditions of the Development Agreement. This Agreement shall not be deemed or construed to confer any rights, title, or interest, including without limitation any third party beneficiary status or right to enforce any provision of this Agreement, upon any person or entity other than Assignor, Assignee, and the City.

5.13. **Time of the Essence**. Time is of the essence in the performance by each Party of its obligations under this Agreement.

5.14. **Authority**. Each Party to this Agreement represents and warrants that the person or persons executing this Agreement on such Party's behalf has the authority to bind his or her respective Party to the performance of its obligations hereunder and that all necessary board of directors', shareholders', partners,' and other approvals have been obtained.

5.15. **Term**. The term of this Agreement shall commence on the Effective Date and shall expire upon the expiration or earlier termination of the Development Agreement, subject to any obligations under the Development Agreement that expressly survive the expiration or termination of the Development Agreement. Upon the expiration or earlier termination of this Agreement, the Parties shall have no further rights or obligations hereunder, except with respect to any obligation to have been performed prior to such expiration or termination or with respect to any default in the performance of the provisions of this Agreement that occurred prior to such expiration or termination or with respect to any obligations that are specifically set forth as surviving this Agreement or the Development Agreement.

5.16. **Counterparts**. This Agreement may be executed in one or more counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument. Signature pages may be detached from the counterparts and attached to a single copy of this Agreement to physically form one document.

5.17. **Default**. Any failure by either Party to perform any material term or provision of this Agreement shall constitute a default (a) if such defaulting Party does not cure such failure within thirty (30) days following written notice of default from the other Party, where such failure is of a nature that can be cured within such thirty (30) day period, or (b) if such default is not of a nature that

can be cured within such thirty (30) day period, if the defaulting Party does not within such thirty (30) day period commerce substantial efforts to cure such failure, or thereafter does not within a reasonable time prosecute to completion with diligence the curing of such failure. Any notice of default given hereunder shall be given in the same manner as provided in Section 5.2 hereof and shall specify in detail the nature of the failures in performance that the noticing party claims and the manner in which such failure can be satisfactorily cured.

5.18. **Entire Agreement**. This Agreement sets forth the entire understanding of the Parties hereto with respect to the subject matter hereof and may not be altered, amended, changed, waived, terminated, or modified in any respect or particular unless the same shall be in writing and signed by each of the parties hereto.

Re: Imperial Avalon Specific Plan Development Agreement – Minor Modification Application Request Approval

Dear Mr. Rand:

The City of Carson ("City") is in receipt of your letter dated March 23, 2023 requesting minor modifications to Development Agreement No. 23-19 on behalf of Imperial Avalon LLC, the applicant (the "Applicant") of a proposed mixed use development project consisting of 764 multifamily units, 351 townhomes and 10,000 square feet of commercial uses at 21207 South Boulevard in the City.

In accordance with Development Agreement Section 12.4, which permits the Community Development Director to ministerially grant certain "Minor Project Modifications" to the "Agreement, the Project and/or the Development plans," we have reviewed your requested modifications and hereby grant the following Minor Modifications for the following provisions of the Development Agreement. In addition, this Minor Modification approval also clarifies that the required Project building setback along the subject property's 405 freeway fronting property line is actually 10 feet, as identified on the approved Project plans, as opposed to the 30 feet referenced in the Specific Plan (Specific Plan No. 21-19).

1. **Recital G.**

The following corrects the reference in Recital G to Planning Commission Resolution No. 22-244:

"*Project Approvals.* On the same day, the Planning Commission, after giving notice pursuant to the CMC and Government Code §§ 65090, 65091, 65092 and 65094, held a public hearing on the Development Application, and following the hearing, adopted Planning Commission Resolution No. 22-244~~846~~, which: (i) made CEQA findings and determinations as referenced above; (ii) conditionally approved Site Plan and Design Overlay Review ("**DOR**") No. 1803-19 and Vesting Tentative Tract Map ("**VTTM**") No. 83157 for the Project subject to City Council approval of General Plan Amendment ("**GPA**") No. 105-19 (changing the General Plan land use designation for the Property from Regional Commercial/Low Density Residential to Urban Residential), Specific Plan ("**SP**") No. 21-19 (Imperial Avalon Specific Plan), Zone Change ("**ZCC**") No. 188-19 (changing the Property zoning from Commercial Automotive (CA)/Residential, multifamily – 8 units per acre (RM-8) with a Design Overlay to Imperial Avalon Specific Plan [IASP]), and Development Agreement ("**DA**") No. 23-19 (this

Agreement, inclusive of the Adopting Ordinance); and (iii) recommended that the City Council approve GPA No. 105-19, SP No. 21-19, ZCC No. 188-19, and DA No. 23-19 for the Project (DOR No. 1803-19, VTTM No. 83157, GPA No. 105-19, SP No. 21-19, ZCC No. 188-19, and DA No. 23-19 collectively, together with the EIR, the "**Entitlements**")."

2. Recital H.

The following change further clarifies the actions taken by the City Council as set forth in adopted City Council Resolution No's. 22-242 and 22-243 and Ordinance No's. 22-2221 and 22-2222, including with respect to CEQA.

"On December 6 , 2022, the City Council, after provision of the public notice required by law, held a public hearing to consider the Development Application and the Planning Commission's actions and recommendations thereon.~~, and f~~Following the hearing, the City Council: (i) adopted ~~conditionally approved GPA No. 105-19, SP No. 21-19, ZCC No. 188-19, and DA No. 23-19 as set forth in~~ City Council Resolution No. 22-~~1846~~242, making, ratifying and affirming the CEQA findings and the actions of the Planning Commission related to certification of the EIR with respect to approval of the VTTM and making findings pursuant to CEQA Guidelines Sections 15162-15164, and modifying, pursuant to CMC Section 9173.4(c)(2)(b), the decision of the Planning Commission adopting Planning Commission Resolution No. 22-244 with respect to the conditions of approval of the VTTM, pursuant to Developer's appeal; (ii) adopted City Council Resolution No. 22-243, making, ratifying and affirming the CEQA findings and the actions of the Planning Commission related to certification of the EIR with respect to approval of the GPA, and approving the GPA; (iii) introduced, and subsequently, on December 13, 2023, adopted, Ordinance No. 22-2221, making, ratifying and affirming the CEQA findings and the actions of the Planning Commission related to certification of the EIR with respect to approval of the SP and ZCC, conditionally approving the SP, and approving the ZCC; and (iv) introduced, and subsequently, on December 13, 2023, adopted, Ordinance No. 22-2222, making, ratifying and affirming the CEQA findings and the actions of the Planning Commission related to certification of the EIR with respect to approval of the DA, and approving the DA. The Planning Commission and the City Council have found, on the basis of substantial evidence based on the entire administrative record, that this Agreement is consistent with all applicable plans, rules, regulations and official policies of the City."

3. Section 4.7, "Role of Project Development Approvals."

Section 4.7 of the Development Agreement is hereby modified to permit construction of either the townhome and/or the multifamily components of the Project prior to recordation of the final subdivision map, subject to the following requirements.

"4.7 Role of Project Development Approvals. Except as provided within this Agreement, the Project Development Approvals shall exclusively control the uses of the Property, the density or intensity of use, the maximum height and size of proposed buildings, the provisions for reservation or dedication of land for public purposes and the design, improvement, and construction standards and specifications applicable to the Project. Pursuant to Government Code Section 66452.6, the term of any tentative map for the Property or any portion thereof, if any, filed within the term of this Agreement shall automatically be extended for the term of this Agreement, as amended by the Project Development Approvals. In addition, Developer shall have the right to commence Project construction of both Apartment buildings and the Townhomes within the Project prior to the recordation of an approved final subdivision map No. 83157 if applicable permits have been issued and all other applicable conditions of approval and Development Agreement provisions are met. However, the

approved final subdivision map must be recorded prior to issuance of any certificates of occupancy (temporary or otherwise) for the Project, and prior to any occupancy of the Project. Following recordation of the final subdivision map, temporary certificates of occupancy shall be issued if buildings or units are deemed to have satisfied all applicable fire-life safety components and systems to safely occupy the completed areas as determined by the Building Official. ~~building permits for the Townhomes; (ii) issuance of a certificate of occupancy for either of the Apartment buildings.~~ No final certificates of occupancy shall be issued prior to satisfaction of (without limitation) all conditions of approval that are required to be completed "Prior to Issuance of Occupancy Permits" and all applicable Development Agreement provisions. ~~occurrence of either of the following: (i) issuance of any building permits for the Townhomes; (ii) issuance of a certificate of occupancy for either of the Apartment buildings.~~ Neither the Apartment lots nor the Apartment buildings may be individually sold prior recordation of the approved final subdivision map No. 83157. Any tentative map prepared for the Project subdivision will comply with Government Code Section 66473.7."

4. **Section 9.3, "Failure to Maintain Insurance and Proof of Compliance."**

The Development Agreement is further modified to require proof of insurance prior to issuance of the first permit authorizing ground disturbing activity as specified below, rather than 30 days from the Agreement's effective date, except for professional liability insurance, for which the deadline to submit proof of the required insurance shall be August 1, 2023.

"**9.3: Failure to Maintain Insurance and Proof of Compliance.** Developer shall deliver to City, in the manner required for notices, copies of certificates of all insurance policies together with endorsements required hereunder together with evidence satisfactory to City of payment required for procurement and maintenance of each policy within the following time limits:

a. For insurance required above except for professional liability insurance, ~~within thirty (30 days) after the Effective Date~~ prior to issuance of the first permit requiring or authorizing any construction or ground disturbance for the Project. For the avoidance of doubt, removal and disassembly of the Park clubhouse structure and/or Park coaches, without demolition of foundation or slab, is not included in the preceding sentence. For professional liability insurance, by August 1, 2023.

b. For any renewal or replacement of a policy already in existence, at least ten (10) days before the expiration or termination of the existing policy.

c. If Developer fails or refuses to procure or maintain insurance as required hereby or fails or refuses to furnish City with required proof that that insurance has been procured and is in force and paid for, such failure or refusal shall be a default hereunder."

5. **Specific Plan I-405 Setback Requirement.**

The City also desires to resolve an inconsistency between the required Project building setback fronting the 405 freeway (as measured from the property line) as specified in Table 4 of the Specific Plan and the 10-foot setback identified on the approved Project plans. In accordance with Development Agreement Section 12.4, the City therefore grants the following Minor Modification to clarify that Specific Plan Table 4 requires a 10-foot (rather than a 30-foot) building setback from the Project's I-405 fronting property line consistent with the approved Project plans.

Table 4: Building Separation Setback Requirements

SETBACK FROM	MINIMUM
…	
I-405 Ramp	~~30 ft.~~ 10 ft.

In accordance with Development Agreement Section 12.4, this hereby effectuates the minor modifications set forth above, which were requested and are agreed to by the Applicant. Additionally, Applicant expressly acknowledges and agrees that the indemnification provisions of the Development Agreement (Article 8) and the Specific Plan conditions of approval (Condition No. 10) shall extend to and encompass the minor modifications made hereby. Except as amended hereby, the provisions of the Development Agreement and Specific Plan shall remain unchanged and in full force and effect.

Sincerely,

Saied Naaseh
Director of Community Development
City of Carson

Re: Imperial Avalon Specific Plan Development Agreement-Minor Modification Application Request Approval

Dear Mr. Rand:

The City of Carson ("City") is in receipt of your letter dated December 4, 2023 requesting minor modifications to Development Agreement No. 23-19 on behalf of Imperial Avalon LLC, the applicant (the "Applicant") of a proposed mixed use development project consisting of 764 multifamily units, 351 townhomes and 10,000 square feet of commercial uses at 21207 South Avalon Boulevard in the City.

In accordance with Development Agreement Section 12.4, which permits the Community Development Director to ministerially grant "Minor Project Modifications" to the "Agreement, the Project and/or the Development Plans," we have reviewed your requested modifications and hereby grant Minor Modifications for the following provisions of the Development Agreement.

(i) Section 3.1 is modified to as follows:

In lieu of the Developer and the Project opting into Citywide Community Facilities District No. 2018-01 ("CFD") (estimated to have a net present value over the life of this Agreement of approximately fourteen million six hundred fifty-eight thousand three hundred sixty-two dollars ($14,658,362.00) and paying Development Impact Fees pursuant to Ordinance No. 19-1931 (estimated to be approximately thirteen million one hundred twenty-seven thousand fourteen dollars ($13,127,014.00) based on current Project features), Developer shall pay a Development Agreement Fee totaling thirteen million, one hundred twenty seven thousand, and fourteen dollars ($13,127,014.00) (the "Development Agreement Fee") (this includes an additional fee of $2,000 per residential unit multiplied by 1,115 units even if fewer units are constructed pursuant to Section 12.5 (equal to two million two hundred thirty thousand dollars ($2,230,000.00) and includes all applicable City permit and processing fees related to the Project). However, Developer shall not be entitled to a reimbursement of any permit

and plan check fees paid before or as of the Effective Date of the Settlement Agreement and Mutual Release entered into between Developer and City ("Settlement Agreement.") Developer shall pay all permit and plan check fees related to any Project change that requires (a) an amendment to the Development Agreement or (b) a new development agreement. Furthermore, this Agreement shall not affect, excuse or modify Developer's obligation to reimburse the City for costs and fees, including attorneys' fees, incurred by the City as set forth in the First Amended Reimbursement and Indemnification Agreement By and Between City of Carson and Imperial Avalon, LLC, as the same may be amended from time to time by the Parties ("Reimbursement Agreement"), Developer expressly acknowledges the Reimbursement Agreement's definition of "City Costs" includes the cost of any consultants retained by the City to review and evaluate any permits, plans and Development Approvals for the Project. Developer shall have the right, in its sole and absolute discretion, to pay the Development Agreement Fee as prescribed below or cause the Development Agreement Fee contributions and payments to be made by a nonprofit entity in accordance with the terms prescribed by this Agreement. Except as otherwise provided for the Carson Park and Recreation Subsidy in Sections 3.1.1, the amounts prescribed below shall be paid either by the Developer or the nonprofit entity at the City's direction toward specific programs, projects or uses within the following categories: (i) park, recreational and open space site acquisition, facility development and maintenance, (ii) City infrastructure improvements, maintenance and upgrades, and (iii) community recreational benefits and subsidies ("Development Agreement Fee Categories"). The Development Agreement Fee payments are limited to the amounts and subject to the schedule set forth below, unless the Developer and City agree to an earlier payment date, and shall be paid directly from the Developer or the nonprofit entity to the City:

3.1.1 Three hundred thousand dollars ($300,000.00) shall be due upon the Effective Date of this Agreement, and shall be used by City to subsidize Carson residents' fees and costs associated with park and recreational registration, trophies and jerseys ("Carson Park and Recreation Subsidy").

Twelve Million, Eight Hundred Twenty Seven Thousand and Fourteen Dollars ($12,827,014.00) shall be due when the second Apartment building is constructed and paid subject to the following payment schedule for annual installments in the amount of one hundred twenty nine thousand five hundred sixty five dollars and eighty cents ($129,565.80) each: the first payment is due 548 days after the issuance of a certificate of occupancy for the second Apartment building and annually thereafter for ninety eight (98) years (for a total of 99 payments). Payment of the installment payments after the first installment payment shall be due on the anniversary date of the

first installment payment ("Annual Payments").

Developer's obligations to pay the annual installment payments set forth in this Section 3.1.1 shall survive and continue in effect and be binding on the Property and subsequent owners notwithstanding the expiration or termination of any other provisions of this Agreement. In the event of a sale of any portion of the Property, and in addition to City's rights under Article 11 of the Development Agreement and prior to or concurrent with City's consent to any assignment or transfer of the Development Agreement as described in Article 11, Developer shall record a Memorandum outlining the ongoing financial commitments stated in this Section 3.1.1. If any annual installment payment is not paid in full by the annual payment due date ("Defaulted Annual Payment") without demand or notice by City (i) Developer shall pay to the City a late fee of one-thousand dollars ($1,000.00) per day until the Defaulted Annual Payment is paid in full, and (ii) City may exercise all rights and remedies and to maintain any action in law or equity to enforce the terms and covenants of this Agreement.

3.1.2 ~~Five million dollars ($5,000,000.00) shall be due prior to issuance of a grading permit for the Project ("Initial DA Fee Payment"). The City shall have the option to use the Initial DA Fee Payment in whole or in part for low-income housing including but not limited to maintenance and upgrades to, and assistance with the preservation of, existing mobilehome parks located throughout the City.~~

3.1.3 ~~Five million dollars ($5,000,000.00) shall be due prior to issuance of a building permit for the first Townhome to be constructed with the Project~~.

3.1.4 ~~Four million dollars ($4,000,000.00) shall be due prior to issuance of a building permit for the first Apartment building to be constructed within the Project, and a second payment of four million dollars ($4,000,000.00) shall be due upon issuance of a building permit for the second Apartment building to be constructed ,within the Project, and a third payment of four million dollars ($4,000,000.00) shall be due upon issuance of a building permit for the 50th Townhome building to be constructed within the Project.~~

3.1.5 ~~Five million dollars ($5,000,000.00) shall be due within six months following issuance of a certificate of occupancy for the first Apartment building to be constructed within the Project.~~

3.1.6 ~~Two million seven hundred fifteen thousand three hundred and seventy-six dollars ($2,715,376.00) shall be due prior to issuance of a building permit for the 150th Townhome to be constructed within the Project.~~

(ii) Section 3.3 "Affordable Housing Benefit" is deleted in its entirety and replaced with "Intentionally Omitted.

(iii) Section 3.5 "Apartment and Townhome Enhanced Sustainability and Environmental Benefits" is modified as follows:

Developer shall agree to incorporate the following enhanced sustainability and environmental benefits into construction of the Apartments and Townhomes for the Project. In recognition of the enhanced environmental benefits provided by the Project Apartments and Townhomes through this Section 3.5, the City shall subject the Project Apartments and Townhomes to the 2019 California Building Standards Code as applicable to and/or adopted by the City pursuant to CMC Article VIII, provided Developer submits a conceptual design package to the City's Building & Safety Department on the City Building & Safety Department's Online Plan check (BSOP) website prior to January 1, 2023. The conceptual design package shall consist of a schematic set of development and design plans for all disciplines with sufficient detail for the City to undertake zoning compliance review, but shall not be required to include landscaping, structural, energy, accessibility, mechanical, electrical and/or plumbing related plans and design, provided it is within the City's legal discretion to deem such submittal complete as necessary to facilitate such grandfathering under applicable state and local law. A full set of construction plans with all disciplines shall be submitted prior to January 1, 2024 for the Apartments and Townhomes. ~~If the Building & Safety plan check application validity period of one year plus the two six month extension periods thereafter expire prior to issuance of the required permits/approvals (expected to include, without limitation, rough grading approval and building pad/foundation permits), then the plans will expire and will be required to meet the code in effect at the time of such expiration, and new plan check fees will be required.~~ Upon submittal of the full set of construction drawings, the Project shall be subject to the 2019 California Building Standards Code for the Term of this Agreement as specified in Section 2.1.

It is further acknowledged that Developer submitted the necessary construction documents to the City's Building & Safety Department on or before December 11, 2023, prior to the January 1, 2024 deadline, and has therefore fully satisfied the requirements as set forth above in this modified Section 3.5 to subject the entire Project (Townhomes and Apartments) to the 2019 California Building Standards Code for the duration of the Term of the Agreement.

(iv) Section 3.7 "Publicly Accessible Pedestrian Bridge" is deleted in its entirety.

(v) A new Section 3.7 entitled "Existing Pedestrian Bridge" is added which states

the following:

Immediately following approval of the Minor Modification of the Development Agreement, Developer and City shall immediately commence good faith negotiations on improving the existing bridge that crosses the Dominguez Channel and connects Avalon Boulevard with Lenardo Boulevard ("Bridge") . Such negotiations will focus on improvements to the Bridge that will a) create and enhance the pedestrian access between Avalon Boulevard and Lenardo Boulevard; and b) improve the aesthetic appearance of the Bridge and the pedestrian connection between Avalon Boulevard and Lenardo Boulevard. Subject to any requisite approvals from any authority with jurisdiction over the Bridge, such improvements will include, but are not limited to, the following:

(4) removing the existing "PEDESTRIANS PROHIBITED" sign to allow for pedestrian access;
(5) restriping, or otherwise improving the aesthetic appearance of the Bridge;
(6) improving the pedestrian experience between Avalon Boulevard and Lenardo Boulevard through the installation of new landscaping and amenities such as additional wayfinding signage, etc. or other aesthetic improvements; (collectively, the "Improvements").

Developer shall contribute an aggregate amount up to but not to exceed one hundred and twenty-five thousand dollars ($125,000), unless otherwise agreed to by Developer and City in a separate agreement, towards the Improvement no later than five (5) years from the Effective Date of this Agreement.

(v) Section 3.11 "Carson and Avalon 405 Interchange Landscaping Improvement" is deleted in its entirety and replaced with "Intentionally Omitted.".

(vi) Section 3.12 "Purple Pipe" is deleted in its entirety and replaced with "Intentionally Omitted".

(vii) Section 4.7. "Role of Project Development Approvals", as amended by the approved May 24, 2023 Minor Modification, is further amended as follows:

Except as provided within this Agreement, the Project Development Approvals shall exclusively control the uses of the Property, the density or intensity of use, the maximum height and size of proposed buildings, the provisions for reservation or dedication of land for public purposes and the design, improvement, and construction standards and specifications applicable to the Project. Pursuant to Government Code Section 66452.6, the term of any tentative map for the Property or any portion thereof, if any, filed within the term of this Agreement shall automatically be extended for the term of this Agreement, as amended by the Project Development Approvals. In addition, Developer shall have the right to commence Project construction of both the

Apartment buildings and the Townhomes within the Project prior to the recordation of an approved final subdivision map No. 83157 if applicable permits have been issued and all other applicable conditions of approval and Development Agreement provisions are met. However, the approved final subdivision map must be recorded prior to issuance of any certificates of occupancy (temporary or otherwise) for the Project and prior to any occupancy of the Project. Following recordation of the final subdivision map, Temporary certificates of occupancy shall be issued if buildings or units are deemed to have satisfied all applicable fire-life safety components and systems to safely occupy the completed areas as determined by the Building Official. ~~No final certificates of occupancy shall be issued prior to satisfaction of (without limitation) all conditions of approval that are required to be completed "Prior to Issuance of Occupancy Permits" and all applicable Development Agreement provisions.~~

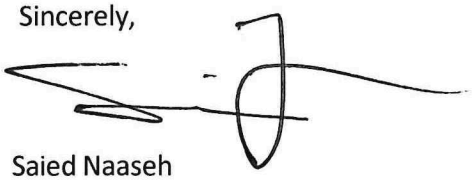
~~Neither the Apartment lots nor the Apartment buildings may be individually sold prior to recordation of the approved final subdivision map No. 83157.~~ To support development of the Project, which may be completed in phases, the City hereby agrees that final certificates of occupancy shall also be issued for each individual Project phase. The anticipated phases consist of: (i) the Townhome component, (ii) the first Apartment building and (iii) the second Apartment building, respectively. Any tentative map prepared for the Project subdivision will comply with Government Code Section 66473.7

B. Within thirty (30) days after the closing of the loan Developer obtains to fund the development of the Project, the Developer shall record with the Los Angeles County Recorder's Office the Minor Modification signed by the Community Development Director and provide to the City a copy of the recorded Minor Modification bearing a recording stamp affixed by the Los Angeles County Recorder's Office.

***

In accordance with Development Agreement Section 12.4, this hereby modifies and memorializes the changes requested by the Applicant and identified above.

Sincerely,



Saied Naaseh
Director of Community Development
City of Carson

CITY OF CARSON

Re: Imperial Avalon Mixed-Use Project – Approval of Minor Modifications to Development Agreement, Conditions of Approval, and MMRP

Dear Mr. Rand:

Imperial Avalon LLC (the "Applicant") has requested to further modify the proposed mixed use development project consisting of 764 multifamily units, 351 townhomes, and 10,000 square feet of commercial uses at 21207 South Avalon Boulevard ("Property") in the City of Carson ("City") (the "Project").

In the interest of ensuring flexibility in the midst of a challenging economic environment, and to allow for potential transfer of the Townhome portion of the Property to an experienced residential single family home builder, the City agrees to issue a Minor Modification to the Development Agreement and related Project conditions of approvals as set forth below. In addition, certain technical changes to the Project conditions of approval are necessary to reflect that the City no longer contracts with the County of Los Angeles for subdivision map condition clearance related purposes. Thus, these changes will reflect that the City (through its outside third party consultant, Transtech) will now be primarily responsible for clearing subdivision related conditions of approval.

Therefore, in accordance with Section 12.4 of Development Agreement No. 23-19, as modified ("Development Agreement"), which permits the Community Development Director to ministerially grant "Minor Project Modifications" to the "Agreement, the Project and/or the Development Plans," we have reviewed the requested modifications and hereby grant Minor Modifications for the following provisions of (1) the Development Agreement; (2) the Conditions of Approval for Imperial Avalon Site Plan and Design Review No. DOR 1803-19, Exhibit "B" of Planning Commission Resolution No. 22-2846 ("DOR COAs"); (3) the Conditions of Approval for Imperial Avalon Vesting Tentative Tract Map 83157, Exhibit "C" of Planning Commission Resolution No. 22-2846 ("VTTM COAs"); and (4) the Mitigation Monitoring and Reporting Program Table included as Section 4.2 in the Final Environmental Impact Report for the Project (SCH# 2021010116) ("MMRP"), which were incorporated into the Project.

Deleted text is in ~~strikethrough~~ and added text is in **bold underline** where existing language is referenced.

Revisions to Development Agreement

1. Section 3.9 of the Development Agreement, entitled "Art Benefit," is deleted and replaced in its entirety with the following:

"**3.9 Art Benefit.**

a. **Apartments.** Prior to issuance of **any certificates of occupancy** ~~the first building permit for the Townhomes and prior to issuance of building permits~~ for each of the two Apartment buildings, the Developer shall pay a public art fee equal to one percent (1%) of the total building valuation ~~for all Townhomes and each of the two~~ **for the respective** Apartment buildings ~~(i.e., all Project buildings)~~ as determined by the City's Building Official in accordance with the Marshall-Swift Valuation Guide per the City Building Official's standard practice ("~~Project~~ **Apartment** Art Fee").

In lieu of paying the **Apartment** ~~Project~~ Art Fee, Developer may incorporate on-site art **("Apartment Art")**, including but not limited to art within the exterior north side of the Project facing the 405 freeway, to the satisfaction of the Director, in which case Developer shall submit a ~~Project~~ **Apartment** Art plan, valuation, and implementation plan to the Director prior to issuance of the first ~~Project building permit~~ **certificate of occupancy for the respective Apartment building**. Unless otherwise approved by the Director pursuant to the **Apartment** Art implementation plan, Developer's on-site **Apartment** art which corresponds to a particular building shall be installed prior to the issuance of a **final** certificate of occupancy for the respective buildings~~, and art that does not correspond to any particular building shall be installed within six months following issuance of the certificate of occupancy for the first Apartment building constructed as part of the Project.~~ Individual art valuations shall be submitted for each ~~Project~~ building ~~prior to issuance of building permits for the respective buildings~~. Should the value of Developer's onsite **Apartment** art be less than one percent (1%) of the total building valuation for **each of the two Apartment buildings, respectively,** ~~the entire Project as described above~~, then Developer shall pay the City the difference in its entirety prior to issuance of the **final** certificate of occupancy for the ~~150th Townhome constructed as part of the Project~~ **respective Apartment building**.

b. **Townhomes.** Prior to issuance of **any certificates of occupancy** ~~the first building permit~~ for the Townhomes ~~and prior to issuance of building permits for each of the two Apartment buildings~~, the Developer shall pay a public art fee equal to one percent (1%) of the total building valuation for all Townhomes ~~and each of the two Apartment buildings (i.e., all Project buildings)~~ as determined by the City's Building Official in accordance with the Marshall-Swift Valuation Guide per the City Building Official's standard practice ("~~Project~~ **Townhome** Art Fee").

In lieu of paying the **Townhome** ~~Project~~ Art Fee, Developer may incorporate on-site art **("Townhome Art")**, including but not limited to art within the exterior north side of the Project facing the 405 freeway, to the satisfaction of the Director, in which case Developer shall submit a ~~Project~~ **Townhome** Art plan, valuation, and implementation plan to the Director prior to issuance of the first ~~Project building permit~~ **certificate of occupancy for the Townhomes**.

Unless otherwise approved by the Director pursuant to the **Townhome** Art implementation plan, Developer's on-site **Townhome** art ~~which corresponds to a particular building~~ shall be installed prior to the issuance of a **final** certificate of occupancy for the **Townhomes** ~~respective buildings and art that does not correspond to any particular building shall be installed within six months following issuance of the certificate of occupancy for the first Apartment building constructed as part of the Project. Individual art valuations shall be submitted for each Project building prior to issuance of building permits for the respective buildings~~. Should the value of Developer's onsite **Townhome** art be less than one percent (1%) of the total building valuation for **Townhomes** ~~the entire Project as described above~~, then Developer shall pay the City the difference in its entirety prior to issuance of the certificate of occupancy for the 150th Townhome constructed as part of the Project.

2. Subsection (i) is hereby added to Section 9.1 of the Development Agreement, entitled "Types of Insurance," and shall read as follows:

"i. **Partial Transfer of Property**. In the event Developer transfers ownership of any portion of the Property ("Transferred Property"), Developer and the owner of the Transferred Property shall each be responsible for compliance with this Section 9, but shall only be required to insure their respective parcels, rather than the entire Property. To the extent Developer or owner of the Transferred Property perform work on portions of the Property not owned by them, then such party shall be responsible to comply with Section 9 for the full extent of the work area until the work is completed."

3. The following is hereby added to Section 3.10 of the Development Agreement, entitled "**Traffic Signal**," and shall read as follows:

"In addition to the traffic signal at the Project entry location on Avalon Boulevard between the I-405 interchange and 213th Street, Developer is responsible to signalize the currently stop-controlled Grace Avenue/213th Street intersection per MMRP PDF-TRA-2 ("Grace Avenue/213th Street Signalization"). In lieu of signalizing the intersection, Developer may pay an in-lieu fee of Seven Hundred and Fifty Thousand Dollars ($750,000) to the City. The in-lieu fee shall be payable as follows: One Hundred Thousand Dollars ($100,000) shall be due prior to issuance of any Building Permit for the Project and Six Hundred and Fifty Thousand Dollars ($650,000) shall be due prior to issuance of any Certificate of Occupancy for the Project in order to satisfy the requirement. The amount prescribed shall be used by the City to upgrade the Grace Avenue/213th Street intersection."

Revisions to DOR COAs

1. DOR COA 16 is modified as follows:

"Adequate measures shall be taken to eliminate odors during the grading operations ~~as a result of the site being a former landfill~~ to the satisfaction of the Community Development Director."

2. DOR COA 19 is modified as follows:

"Prior to issuance of ~~any~~ building permits **for the Apartments**, the Applicant shall provide **onsite** landscape plans **for the Apartments** to the Planning Division for review and approval ~~for all areas of the site~~. **Prior to issuance of building permits for the Townhomes, the Applicant shall provide onsite landscape plans for the Townhomes to the Planning Division for review and approval**. ~~In lieu of installation of the entire landscaping on the site prior to issuance of occupancy permits, t~~The Community Development Director ~~may~~ **shall** approve a phased landscape installation plan **as submitted by the developer of the Townhome and/or Apartment component of the project** to ~~require~~ **allow** a phased installation of landscaping prior to issuance of occupancy permits of various portions of the project."

3. DOR COA 20 is modified as follows:

"Installation, maintenance, and repair of all **onsite** landscaping shall be the responsibility of the Applicant **for each phase**. ~~All landscaping shall be installed prior to issuance of any occupancy permits. The Community Development Director may approve a phased installation of the landscaping.~~"

4. DOR COA 28 is modified as follows:

"Prior to the issuance of any building permits **for the Apartments**, the applicant shall submit a Wall and Fence Plan **for the Apartments** to the Planning Division for review and approval by the Planning and Building Divisions ~~for all areas of the site~~. **Prior to the issuance of any building permits**

for the Townhomes, the applicant shall submit a Wall and Fence Plan for the Townhomes to the Planning Division for review and approval by the Planning and Building Divisions. The plans shall indicate materials colors and height of proposed and existing walls and fences and shall include a cross section of walls and fences indicating adjacent grades. Walls shall be consistent with the requirements of the Specific Plan. In lieu of construction of ~~all~~ walls and fences ~~on the site~~ prior to issuance of any occupancy permits, the Community Development Director ~~may~~ **shall** approve a phased construction plan for the walls and fences **as submitted by the developer of the Townhome and/or Apartment component of the project to allow for phased construction of all walls and fences** prior to issuance of occupancy permits of various portions of the project."

5. DOR COA 31 is modified as follows:

"Two sets of **onsite** lighting plans **for the Apartments** are to be drawn, stamped, and signed by a licensed lighting consultant **or an electrical engineer** and submitted and approved by the Planning Division prior to the issuance of building permits **for the Apartments**. **Two sets of onsite lighting plans for the Townhomes are to be drawn, stamped, and signed by a licensed lighting consultant or an electrical engineer and submitted and approved by the Planning Division prior to the issuance of building permits for the Townhomes**. In lieu of installation of all lights on the site prior to issuance of any occupancy permits, the Community Development Director ~~may~~ **shall** approve a phased installation plan **as submitted by the developer of the Townhome and/or Apartment component of the project to allow** for the **phased installation of** lights prior to issuance of occupancy permits of various portions of the project."

6. DOR COA 33 is modified as follows:

"Prior to issuance of any ~~building~~ **certificates of occupancy** ~~permits~~ **for the Apartments**, the Applicant shall submit a Comprehensive Sign Program **for the Apartments** consistent with the Specific Plan and Development Agreement. **Prior to issuance of any certificates of occupancy for the Townhomes, the Applicant shall submit a Comprehensive Sign Program for the Townhomes consistent with the Specific Plan and Development Agreement. The Comprehensive Sign Program shall reflect a consistent design aesthetic between the Apartments and the Townhomes.**

7. DOR COA 34 is modified as follows:

"Prior to issuance of ~~building~~ **any certificates of occupancy** ~~permits~~, the Applicant shall provide plans to the Planning Division for approval of entry monument signage consistent with the Comprehensive Sign Program."

8. DOR COA 35 is modified as follows:

"Prior to issuance of ~~building~~ **any certificates of occupancy** ~~permits~~ **for the Apartments**, the Applicant shall provide plans to the Planning Division for approval of Directional/wayfinding signage consistent with the Comprehensive Sign Program **for the Apartments**. **Prior to issuance of any certificates of occupancy for the Townhomes, the Applicant shall provide plans to the Planning Division for approval of Directional/wayfinding signage consistent with the Comprehensive Sign Program for the Townhomes**."

9. DOR COA 36 is modified as follows:

"~~All signs shall be installed prior of any issuance of occupancy permits.~~ In lieu of installation of all signage on the site prior to issuance of any occupancy permits, the Community Development Director ~~may~~ **shall** approve a phased installation plan **as submitted by the developer of the Townhome and/or**

Apartment component of the project to allow for the **phased installation of** signs prior to issuance of occupancy permits of various portions of the project."

10. DOR COA 44 is modified as follows:

"The Applicant shall comply with all conditions and requirements imposed in connection with recordation of the Final Tract Map by the County of Los Angeles Department of Public Works and/or the ~~County of Los Angeles Department of Public Works~~ **City**, as approved by the City Engineer."

11. DOR COA 50 is modified as follows:

"All infrastructure necessary to serve the ~~Project~~ **Townhomes** (water, sewer, storm drain, and street improvements) **shall be in operation prior to issuance of any certificates of occupancy for the Townhomes. All infrastructure necessary to serve either Apartment building (water, sewer, storm drain, and street improvements) shall be in operation prior to the issuance of certificates of occupancy for the respective Apartment building.** ~~shall be in operation prior to the issuance of Certificate of Occupancy of any building~~."

12. DOR COA 54 is modified as follows:

"Applicant shall submit digital copies of SUSMP/LID/NPDES/Grading Plans ~~concurrently~~ to City of Carson, Engineering Services Department ~~and Los Angeles County Building & Safety Division~~."

Revisions to VTTM COAs

1. VTTM COA 10 is modified as follows:

"No demolition or grading permits shall be issued prior to Vesting Tentative Tract Map clearance by City of Carson Building & Safety. ~~Los Angeles County Department of Public Works~~.

2. VTTM COA 17 is modified as follows:

"Adequate measures shall be taken to eliminate odors during the grading operations ~~as a result of the site being a former landfill~~ to the satisfaction of the Community Development Director."

3. VTTM COA 31 is modified as follows:

"A Construction bond for all work to be done within the public right of way shall be submitted and approved by Engineering Division prior to ~~approval of the Final Map~~ **issuance of building permits for the Project**. **No offsite work shall take place prior to posting the Construction bond.**"

4. VTTM COA 33 is modified as follows:

"CC&R's (covenants, conditions, and restrictions) **or REAs (reciprocal easement and maintenance agreements)** to address drainage responsibilities are required."

5. VTTM COA 41 is modified as follows:

"The Developer shall submit drainage/grading plans, prepared by a registered Civil Engineer, to ~~Los Angeles County Department of Public Works (LACDPW)~~ **City of Carson Building&Safety** and obtain approvals to the satisfaction of ~~LACDPW~~ **City of Carson Building&Safety**.

6. VTTM COA 44 is modified as follows:

"The Developer shall send a print of the development map to the County Sanitation District, to request for annexation. The request for annexation **for the Townhomes must be approved (and annexation granted) prior to issuance of any certificates of occupancy for the Townhomes. The request for annexation for either of the Apartment buildings** must be approved **(and annexation granted)** prior to ~~Final Map approval~~ **issuance of any certificates of occupancy for the respective Apartment Building**."

7. VTTM COA 63 is modified as follows:

"The Developer shall annex the area to the L.A. County Lighting Maintenance District, for the purpose of operating and maintaining the streetlights to be installed **but only for offsite streetlights in the public right of way**. The annexation shall be to the satisfaction of L.A. County and shall be completed prior to the issuance of **final** Certificate**s** of Occupancy. Additional streetlight installation or upgrade to existing streetlights may be required as part of the annexation."

8. VTTM COA 65 is modified as follows:

"Prior to the issuance of Building Permit the proposed development is subject to the following:

a) Per City of Carson ordinance 5809 developer shall comply with all applicable Low Impact Development (LID) requirements and shall include Best Management Practices necessary to control storm water pollution from construction activities and facility operations to the satisfaction of the City Engineer.

b) Developer shall apply for a Construction Activities Stormwater General Permit from the State Water Resources Control Board.

c) Developer shall provide a copy of an approved SWPPP stamped by **the City and/or the** Los Angeles County Building and Safety Division along with WDID number.

d) Developer shall provide contact information of the Qualified Storm Water Developer (QSD) and/or Qualified SWPPP (Storm Water Pollution Prevention Plan) Developer (QSP) of the site to **Roland Jen** via E-mail **RJen**@Carson.ca.us

e) Developer shall submit digital copies of the LID/NPDES/Grading Plans, hydrology and Hydraulic analysis concurrently to City of Carson, Engineering Services Department and Building & Safety Division. Deliver copy to **Roland Jen** via E-mail **RJen**@Carson.ca.us

f) Developer shall complete, sign and return the Stormwater Planning Program LID Plan Checklist form and return to City of Carson Engineering Services Division.

9. VTTM COA 71 is modified as follows:

"Comply with the approved hydrology study, or the latest revision, to the satisfaction of **City of Carson Building&Safety.** ~~Public Works~~"

10. VTTM COA 73 is modified as follows:

"The final map must be approved by the **City of Carson Building&Safety's designated geotechnical expert** ~~Geotechnical and Materials Engineering Division (GMED)~~ to assure that all geotechnical requirements have been properly depicted."

11. VTTM COA 74 is modified as follows:

"Submit a grading plan **to the City of Carson Building&Safety** for approval. Also, acknowledgment and/or approval from all easement holders may be required."

12. VTTM COA 75 is modified as follows:

"Prior to approval of the grading plan, provide approval of the latest hydrology study ~~by~~ **to** the City **of Carson Building&Safety**."

13. VTTM COA 77 is modified as follows:

"**In order to ensure access to the Townhomes from Avalon Blvd through the Apartment lots, the rough grading of the site shall be completed for the entire Property. Notwithstanding the foregoing, the inspection and signoff of individual rough-graded pads for the Townhomes and/or either Apartment lot, respectively, can be obtained for individual rough-graded pads during the rough-grading effort.** Prior to approval of the grading plan, provide approval of any permits and/or letter of non-jurisdiction from all State and Federal Agencies as applicable. These agencies may include; the State of California Regional Water Quality Control Board, the State of California Department of Fish and Wildlife, the State of California Department of Conservation, the California Geologic Energy Management, and the Army Corps of Engineers."

14. VTTM COA 87 is modified as follows:

"Prior to **any** ~~final~~ **certificates of occupancy** ~~map approval~~, enter into an agreement with the **local**-franchised cable TV operator (if an area is served) to permit the installation of cable in a common utility trench or provide documentation that steps to provide cable TV to the proposed subdivision have been initiated."

15. VTTM COA 89 is modified as follows:

"Comply with the street lighting conditions as stipulated in the enclosed memorandum dated February 1, 2022, from Los Angeles County Public Works, Traffic Safety and Mobility Division (Street Lighting Section), and/or any of the City's street lighting requirements. **Per the memorandum, the County Lighting Districts cannot assume responsibility for streetlights located within gated communities or on roadways designated as a private or private-future street.**"

16. VTTM COA 94 is modified as follows:

"~~Remove existing buildings prior to final map approval.~~ Demolition permits and final sign-off from the building inspector are required from the local Building and Safety office."

17. VTTM COA 97 is modified as follows:

"The ~~project area~~ **installation of new street lights in the public right of way** will ~~be~~ required ~~to~~ **annexation into** ~~be annexed to~~ the County Lighting Maintenance District serving the City of Carson.

Therefore, submit a street lighting plan showing existing **offsite** streetlight**s in the right of way** for the annexation process prior to **issuance of any** certificate**s** of occupancy."

18. VTTM COA 98 is modified as follows:

"Upon submittal of street lighting plans(s) (**offsites** ~~subdivision~~ only), the applicant shall comply with conditions of annexation in order for the light districts to pay for the future operation and maintenance of the streetlights. The annexation and the levy of assessment require the approval of the Board of Supervisors prior to Public Works approving street lighting plans. It is the sole responsibility of the owner/developer of the project to have all street lighting plans approved prior to ~~the map recordation~~ **the issuance of any certificates of occupancy**. The required street lighting improvements shall be the sole responsibility of the owner/developer of the project and the installation must be accepted per approved plans. If phasing of the project is approved, the required street lighting improvements shall be the sole responsibility of the owner/developer of the project and will be made a condition of approval to be in place for each phase."

19. VTTM COA 99 is modified as follows:

"Provide business/property owners name, mailing address, site address, Accessor Parcel Number, and Parcel Boundaries in Auto CADD format to be developed to Street Lighting Section **for any new street lights in the public right of way prior to issuance of any certificates of occupancy**."

20. VTTM COA 100 is modified as follows:

"Submit map of the proposed project including any roadways condition for streetlights to Street Lighting Section **for any new street lights in the public right of way prior to issuance of final certificates of occupancy**. Contact Street Lighting Section for map requirements and/or questions at (626) 300-4726."

21. VTTM COA 101 is modified as follows:

"~~The area~~ **Prior to issuance of any certificates of occupancy, any new offsite street lights** must be annexed into the lighting district and all streetlight**s** in the project, or the approved phase of the project, must be constructed according to **City** ~~Public Works~~ approved plans. The contractor shall submit one complete set of "as-built" plans. The lighting district can assume the responsibility for the operation and maintenance of the **offsite** streetlights by July 1st of any given year, proved the above conditions are met, all streetlight**s** in the project, or approved project phase, have been constructed per **City** ~~Public Works~~ approved plan and energized and the owner/developer has requested a transfer of billing **for offsite street lights** at least by January 1st of the previous year. The transfer of billing could be delayed one or more years if the above conditions are not met."

22. VTTM COA 102 is deleted in its entirety and replaced with "Intentionally Omitted."

Revisions to MMRP

1. Mitigation Measure PDF-HAZ-1, "Soil Management Plan," is modified as follows, on the grounds that the Los Angeles County Health Hazardous Materials Division (HHMD) is not accepting voluntary submittals of Soil Management Plans, so this mitigation measure is infeasible as originally written:

Mitigation Measure	Implementation Timing	Agency Responsible for Monitoring
PDF-HAZ-1. Soil Management Plan. The Project Applicant shall prepare a Soil Management Plan that is submitted and approved by the ~~Los Angeles County Health Hazardous Materials Division (HHMD)~~ **City**. The Soil Management Plan shall be prepared by a qualified environmental consultant, consistent with the findings of the June 17, 2019 AEC Phase I and II Environmental Site Assessment, or any updates to that report. • During construction, the contractor shall implement the Soil Management Plan. If unidentified or suspected contaminated soil or groundwater evidenced by stained soil, noxious odors, or other factors, is encountered during site preparation or construction activities on any portion of the Project site, the contractor shall stop in the excavation area of potential contamination and notify **the Los Angeles County Health Hazardous Materials Division** (HHMD). Following oversight from HHMD, the applicant shall retain a qualified professional to collect soil samples to confirm the type and extent of contamination if deemed necessary by HHMD. • If contamination is confirmed to be present, any further ground disturbing activities within areas of identified or suspected contamination shall be conducted according to a site-specific health and safety plan, prepared by a California state licensed professional. The contractor shall follow all procedural direction given by HHMD and in accordance with the Soil Management Plan to ensure that suspect soils are isolated, protected from runoff, and disposed of in accordance with transport laws and the requirements of the licensed receiving facility. • If contaminated soil or groundwater is encountered and identified constituents exceed human health risk levels, ground disturbing activities shall not recommence within the contaminated areas until remediation is complete and a "no further action" letter is obtained from the appropriate regulatory agency or direction is otherwise given that construction can commence. The Project Applicant shall submit the "no further action" letter or equivalent notification to the City prior to resumption of any ground disturbing activity on the relevant portion of the Project site.	**Approval of Soil Management Plan** Prior to issuance of grading permit(s) **Implementation of Soil Management Plan** During any ground disturbing activities	~~Los Angeles County Health Hazardous Materials Division~~/City of Carson/ **Los Angeles County Health Hazardous Materials Division (Only If Needed)**

In accordance with Development Agreement Section 12.4, this hereby modifies and memorializes the changes requested by the Applicant and identified above.

Sincerely,

Saied Naaseh

Re: Imperial Avalon Mixed-Use Project – Approval of Minor Modifications to Development Agreement

Dear Mr. Rand:

Imperial Avalon LLC (the "Applicant") has requested to further modify the proposed mixed use development project consisting of 764 multifamily units, 351 townhomes, and 10,000 square feet of commercial uses at 21207 South Avalon Boulevard ("Property") in the City of Carson ("City") (the "Project").

In accordance with Development Agreement Section 12.4, which permits the Community Development Director to ministerially grant certain "Minor Project Modifications" to the "Agreement, the Project and/or the Development plans," we have reviewed your requested modifications and hereby grant the following Minor Modifications to the following provision of the Development Agreement.

Deleted text is in ~~strikethrough~~ and added text is in **bold underline**.

Revisions to Development Agreement

1. Subsection (a) of Section 3.5, entitled "Apartment and Townhome Enhanced Sustainability and Environmental Benefits," is hereby revised as follows:

~~"a. **Photovoltaic Panels.** Developer shall incorporate approximately 35,000 square feet (total) photovoltaic panels located on the rooftop of the Project parking structure for the Apartments and shall provide conduit and wiring for an additional twenty thousand (20,000) square feet of Apartment building rooftop to accommodate potential future solar panel installation.~~

a. Refrigerant Requirements and Additional EVCS Requirements for Apartments.

(i) Notwithstanding the first paragraph of Section 3.5, the Apartments shall comply with Sections 1104.6.1 through 1104.6.2.4, inclusive,

of the 2022 California Mechanical Code ("CMC") (including the July 1, 2024 Supplement), attached to the Minor Modification dated May 8, 2025, as Exhibit A, which specify the type of refrigerant to be used for air conditioning systems and provide enhanced environmental benefits as compared to the requirements of the 2019 CMC.

(ii) In addition to the 15% of Apartment building parking spaces requiring full EVCS with EV chargers installed under subsection 3.5(b), an additional five percent (5%) of the Apartment parking spaces (otherwise required to only have conduit and wiring for future EVCS installation under subsection 3.5(b)) shall have full EVCS with EV chargers installed.

(iii) Notwithstanding any other provision of this subsection 3.5(a), the Apartments shall comply with the 2019 California Building Code requirements, including requirements related to providing conduit to ensure the Apartments are solar-ready for future installations. Where there are inconsistencies between the requirements of this Agreement and the 2019 California Building Code, Developer shall comply with the requirements of the 2019 California Building Code with the Los Angeles County Amendments.

(iv) This subsection 3.5(a) does not alter or modify any requirement applicable to the Townhomes."

***

In accordance with Development Agreement Section 12.4, this hereby modifies and memorializes the changes requested by the Applicant and identified above.

Sincerely,

Saied Naaseh
Director of Community Development
City of Carson

Exhibit A

Excerpts from 2022 California Mechanical Code (including the July 1, 2024 Supplement)

1104.6 Group A2L Refrigerants for Human Comfort. *High-probability systems using Group A2L refrigerants for human comfort applications shall comply with this section. [ASHRAE 15:7.6]*

1104.6.1 Refrigerant Concentration Limits. *Occupied spaces shall comply with the releasable charge limitations of the equipment listing and ASHRAE 15. Unoccupied spaces with refrigerant containing equipment, not including continuous piping or tubing, shall comply with the releasable charge limitations of the equipment listing or Section 1104.6.4. {ASHRAE 15:7.6.1-7.6.1.2}*

1104.6.2 Listing and Installation Requirements. *Refrigeration systems shall be listed and shall be installed in accordance with listing, the manufacturer's instructions, and any markings on the equipment restricting the installation. [ASHRAE 15:7.6.2]*

1104.6.2.1 Nameplate. *The nameplate required by Section 1115.5 shall include a symbol indicating that a flammable refrigerant is used, as specified by the product listing. [ASHRAE 15:7.6.2.1]*

1104.6.2.2 Labeling. *A label indicating a flammable refrigerant is used shall be placed adjacent to service ports and other locations where service involving components containing refrigerant is performed, as specified by the product listing. [ASHRAE 15:7.6.2.2]*

1104.6.2.3 Refrigerant Detection Systems. *Refrigerant detection systems shall be in accordance with the listing and ASHRAE 15.*

1104.6.2.4 Refrigerant Concentration Above Limit. *When the refrigerant detection system senses a refrigerant exceeding its setpoint, the following actions shall be taken:*

(1) The supply air fan of the equipment shall activate with a minimum airflow rate specified by the manufacturer.

(2) Turn off the compressor and all other electrical devices, excluding the control power transformers, control systems, and the supply air fan. The supply air fan shall continue to operate for at least five minutes after the refrigerant detection system has sensed a drop in the refrigerant concentration below the value specified in Section 1104.6.6(b).

Exception: The compressor operation shall not be turned off when the compressor operation reduces the leak rate or the total amount of released refrigerant to the indoor space.

(3) Any device that controls airflow located within the product or in ductwork that supplies air to the occupied space shall be fully open. Any device that controls airflow shall be listed.

(4) Mitigation action required by the equipment listing shall be initiated {ASHRAE 15:7.6.2.4}

CITY OF CARSON

RE: Imperial Avalon Specific Plan Development Agreement – Minor Modification Approval

Mr. Rand,

As you know, the City of Carson ("City") and Imperial Avalon LLC ("Developer") entered into an Amended and Restated Settlement Agreement and Mutual Release ("Amended Settlement Agreement") on or about January 12, 2026, concerning Development Agreement No. 23-19 ("Development Agreement") for a proposed mixed use development project at 21207 South Boulevard in the City. Furthermore, Exhibit "B" of Planning Commission Resolution No. 22-244 imposes Conditions of Approval on Imperial Avalon Site Plan and Design Review No. DOR 1803-19 ("DOR COAs"), and Exhibit "C" of Planning Commission Resolution No. 22-244 imposes Conditions of Approval on Imperial Avalon Vesting Tentative Tract Map 83157 ("VTTM COAs"). Section 12.4 of the Development Agreement permits the Community Development Director to ministerially grant "Minor Project Modifications" to the "Agreement, the Project and/or the Development Plans." The City hereby grants Minor Modifications to the Development Agreement, DOR COAs, and VTTM COAs, as stated below.

The Minor Modifications granted below are an amendment and restatement of the Minor Modifications approved by the City on February 28, 2024 ("February 28, 2024, Minor Modifications"). As of the date of this letter, the February 28, 2024, Minor Modifications shall be null and void and such modifications shall be replaced in their entirety with the Minor Modifications in this letter.

Section 3.1, "Comprehensive Development Agreement Fee," is deleted in its entirety and replaced with the following:

> "3.1 Carson Park and Recreation Subsidy. Three Hundred Thousand Dollars ($300,000) shall be due from Developer to City upon the Effective Date of this Agreement, and shall be used by City to subsidize Carson residents' fees and costs associated with park and recreational registration, trophies and jerseys "Carson Park and Recreation Subsidy"). As of the effective date of the January 2026 Minor Modification to this Agreement, Developer and City acknowledge and agree that this obligation has been satisfied."

Section 3.2, "Nonprofit Entity," is deleted in its entirety.

Section 3.3, "Affordable Housing Benefit," is deleted in its entirety.

The first paragraph of Section 3.5, "Apartment and Townhome Enhanced Sustainability and Environmental Benefits," is modified as follows:

> Developer shall agree to incorporate the following enhanced sustainability and environmental benefits into construction of the Apartments and Townhomes for the Project. In recognition of the enhanced environmental benefits provided by the Project Apartments and Townhomes through this Section 3.5, the City shall subject the Project Apartments and Townhomes to the 2019 California Building Standards Code as applicable to and/or adopted by the City pursuant to CMC Article VIII, provided Developer submits a conceptual design package to the City's Building & Safety Department on the City Building & Safety Department's Online Plan check (BSOP) website prior to January 1, 2023. The conceptual design package shall consist of a schematic set of development and design plans for all disciplines with sufficient detail for the City to undertake zoning compliance review, but shall not be required to include landscaping, structural, energy, accessibility, mechanical, electrical and/or plumbing related plans and design, provided it is within the City's legal discretion to deem such submittal complete as necessary to facilitate such grandfathering under applicable state and local law. A full set of construction plans with all disciplines shall be submitted prior to January 1, 2024 for the Apartments and Townhomes. ~~If the Building & Safety plan check application validity period of one year plus the two six-month extension periods thereafter expire prior to issuance of the required permits/approvals (expected to include, without limitation, rough grading approval and building pad/foundation permits), then the plans will expire and will be required to meet the code in effect at the time of such expiration, and new plan check fees will be required.~~ **Upon submittal of the full set of construction drawings, the Project shall be subject to the 2019 California Building Standards Code for the Term of this Agreement as specified in Section 2.1. It is further acknowledged that Developer submitted the necessary construction documents to the City's Building & Safety Department on or before December 11, 2023, prior to the January 1, 2024 deadline, and has therefore fully satisfied the requirements as set forth above in this modified Section 3.5 to subject the entire Project (Townhomes and Apartments) to the 2019 California Building Standards Code for the duration of the Term of the Agreement.**

Section 3.7, "Publicly Accessible Pedestrian Bridge," is deleted and replaced in its entirety with the following:

> "**3.7 Existing Pedestrian Bridge.** Immediately following approval of the Minor Modification of the Development Agreement, Developer and City shall immediately commence good faith negotiations on improving the existing bridge that crosses the Dominguez Channel and connects Avalon Boulevard with Lenardo Boulevard ("Bridge"). Such negotiations will focus on improvements to the Bridge that will a) create and enhance the pedestrian access between Avalon Boulevard and Lenardo Boulevard; and b) improve the aesthetic appearance of the Bridge and the pedestrian connection between Avalon Boulevard and Lenardo Boulevard. Subject to any requisite approvals from any authority with jurisdiction over the Bridge, such improvements will include, but are not limited to, the following:
>
> (1) removing the existing "PEDESTRIANS PROHIBITED" sign to allow for pedestrian access;
>
> (2) restriping, or otherwise improving the aesthetic appearance of the Bridge;

(3) improving the pedestrian experience between Avalon Boulevard and Lenardo Boulevard through the installation of new landscaping and amenities such as additional wayfinding signage, etc. or other aesthetic improvements (collectively, the "**Improvements**").

Developer shall contribute an aggregate amount up to but not to exceed one hundred and twenty-five thousand dollars ($125,000), unless otherwise agreed to by Developer and City in a separate agreement, towards the Improvement no later than five (5) years from the Effective Date of this Agreement."

Section 3.11, "Carson and Avalon 405 Interchange Landscaping Improvement," is deleted in its entirety.

Section 3.12, "Purple Pipe," is deleted in its entirety.

Section 4.7, "Role of Project Development Approvals," as amended by the approved May 24, 2023, Minor Modification, is further amended as follows:

Except as provided within this Agreement, the Project Development Approvals shall exclusively control the uses of the Property, the density or intensity of use, the maximum height and size of proposed buildings, the provisions for reservation or dedication of land for public purposes and the design, improvement, and construction standards and specifications applicable to the Project. Pursuant to Government Code Section 66452.6, the term of any tentative map for the Property or any portion thereof, if any, filed within the term of this Agreement shall automatically be extended for the term of this Agreement, as amended by the Project Development Approvals. In addition, Developer shall have the right to commence Project construction of both the Apartment buildings and the Townhomes within the Project prior to the recordation of an approved final subdivision map No. 83157 if applicable permits have been issued and all other applicable conditions of approval and Development Agreement provisions are met. However, the approved final subdivision map must be recorded prior to issuance of any certificates of occupancy (temporary or otherwise) for the Project and prior to any occupancy of the Project. Following recordation of the final subdivision map, Temporary certificates of occupancy shall be issued if buildings or units are deemed to have satisfied all applicable fire-life safety components and systems to safely occupy the completed areas as determined by the Building Official. ~~No final certificates of occupancy shall be issued prior to satisfaction of (without limitation) all conditions of approval that are required to be completed "Prior to Issuance of Occupancy Permits" and all applicable Development Agreement provisions. Neither the Apartment lots nor the Apartment buildings may be individually sold prior to recordation of the approved final subdivision map No. 83157.~~ **To support development of the Project, which may be completed in phases, the City hereby agrees that final certificates of occupancy shall also be issued for each individual Project phase. The anticipated phases consist of: (i) the Townhome component, (ii) the first Apartment building and (iii) the second Apartment building, respectively.** Any tentative map prepared for the Project subdivision will comply with Government Code Section 66473.7.

Subsections (c) and (d) of Section 5.8, "Fees, Taxes, and Assessment," are amended as follows:

c. **Master Community Facilities District.** On November 7, 2018, the City formed a Master CFD entitled City of Carson Community Facilities District No. 2018-01 (Maintenance and Services) (the "**Master CFD**") for the purpose of funding the maintenance of public infrastructure within the area of the Master CFD which is within the City's jurisdictional boundaries (the "**Services**") **including areas that voluntarily annex into the Master CFD**. ~~In light of the substantial Developer contributions towards infrastructure, parks and other public benefits as set forth in Article 3 of this Agreement secured through payment of the Development Agreement Fee, it is understood that~~ **The Parties agree that** the City will not **require** annex**ation** the Property or the Project into the Master CFD for the life of the Project. This provision shall survive the Term of the Agreement.

d. **Development Impact Fee.** ~~In light of the substantial Developer contributions towards infrastructure, parks and other public benefits as set forth in Article 3 of this Agreement secured through payment of the Development Agreement Fee, it is understood that the City will not assess~~ **Developer shall be required to pay any** Development Impact Fees **that would normally be required in the execution of the Project** pursuant to **City** Ordinance No. 19-1931. **In accordance with State law and Carson Municipal Code Section 11504, the City has determined that Developer shall not be required to pay Development Impact Fees for any Townhome or Apartment building until the issuance of a certificate of occupancy for the specific Townhome or Apartment building or up to twelve (12) months following the issuance of the building permit for the specific Townhome or Apartment building, whichever occurs first. The deferred Development Impact Fee payments will be based on the fees in effect at the time of actual payment, including any applicable fee offsets Developer might be entitled under the Carson Municipal Code. Developer's obligation for payment of Development Impact Fees is as more particularly detailed in DOR Condition of Approval No. 59 and VTTM Condition of Approval No. 103. This provision is intended to be, and shall be implemented so as to be, consistent with the requirements of Government Code Section 66007, and is not intended to confer a unique or special benefit on the Project that it would not otherwise be entitled to under State law and the Carson Municipal Code.** ~~Accordingly, the Parties understand, acknowledge and agree that no credits or reimbursements will be available to Developer pursuant to Ordinance No. 19-1931 or any provision of the CMC (as may be amended) to offset, reduce or refund any portion of the Development Agreement Fee.~~

DOR COA 17 is amended as follows:

~~The Development Agreement Fee and all other fees~~ **Fees** shall be paid in appropriate times as specified in the Development Agreement and the Conditions of Approval.

DOR COA 59 is replaced with the following:

Interim Development Impact Fee: In accordance with Article XI (Interim Development Impact Fee Program) of the Carson Municipal Code ("CMC"), the applicant, property owner, and/or successor to whom this project approval is assigned ("Developer") shall be responsible for payment of one-time interim development impact fees ("IDIF") at the applicable rate detailed below for each unit of residential development constructed for the project. If the project increases or decreases in regards to the number of units constructed, the total IDIF amount will be adjusted accordingly at the applicable rate.

Per CMC 11504, the IDIF shall be paid prior to the issuance of a certificate of occupancy for the specific Townhome or Apartment building or up to twelve (12) months following the issuance of the building permit for the specific Townhome or Apartment building, whichever occurs first, and the applicable IDIF rate (detailed below) shall be that in effect at the time of such payment, unless the timing or requirements of payment is modified by applicable State Law. No certificate of occupancy shall be issued prior to the full payment of the required IDIF amount, which payment shall be made in one lump sum installment. IDIF amounts/rates are subject to adjustment every July 1st based on State of California Construction Cost Index (Prior March to Current March Adjustment), per CMC Section 11500.

IDIF amounts/rates for residential development have been set at $16,918.01 per unit (1 bedroom or studio) and $21,147.52 (All Other) per unit for Fiscal Year 2025-26, effective July 1, 2025, through June 30, 2026. Affordable Housing Units are exempted from IDIF.

None of the proposed project units are exempt from IDIF, and the proposed project is not eligible for any fee credits, reimbursements or other offsets pursuant to CMC Article XI. Based on the above-specified rates, the Developer would be responsible for a total payment of IDIF in the amount of $21,325,155.94 for the proposed project, calculated as follows: (538 units [1 bedroom or studio] X $16,918.01 per unit = $9,101,889.38) + (578 units [All Other] X $21,147.52 per unit = $12,223,266.56) = $21,325,155.94.

However, if the IDIF for the project is not paid in 2025-26 fiscal year (i.e., by June 30, 2026), a new IDIF rate/amount will apply for the period of July 1, 2026, through June 30, 2027, based on the IDIF rate for Fiscal Year 2026-27, and so on for subsequent fiscal year(s). The fee for Fiscal Year 2026-2027 IDIF has not yet been determined.

To understand the requirements in more detail, please visit the City's IDIF webpage at: https://ci.carson.ca.us/communitydevelopment/IDIFProgram.aspx and/or contact James Nguyen at jnguyen@carsonca.gov or 310-952-1700 ext. 1310.

Notice of Imposition of Interim Development Impact Fees; Right to Protest
Pursuant to CMC Section 11503, Developer is hereby notified of the IDIF imposed on the project, as described and in the amount stated above. In accordance with Government Code Section 66020, Developer may protest the imposition of the IDIF on the project by complying with the requirements set forth in CMC 11900. Any such protest shall be filed at the time of the approval or conditional approval of a development, as that phrase is defined in CMC 11901(A).

If you have any questions or comments regarding this notice, please contact James Nguyen at jnguyen@carsonca.gov or (310) 952-1700 ext. 1310.

VTTM COA 18 is amended as follows:

~~The Development Agreement Fee and all other fees~~ **Fees** shall be paid in appropriate times as specified in the Development Agreement and the Conditions of Approval.

VTTM COA 103 is replaced with the following:

Interim Development Impact Fee: In accordance with Article XI (Interim Development Impact Fee Program) of the Carson Municipal Code ("CMC"), the applicant, property owner, and/or successor to whom this project approval is assigned ("Developer") shall be responsible for payment of one-time interim development impact fees ("IDIF") at the applicable rate detailed below for each unit of residential development constructed for the project. If the project increases or decreases in regards to the number of units constructed, the total IDIF amount will be adjusted accordingly at the applicable rate.

Per CMC 11504, the IDIF shall be paid prior to the issuance of a certificate of occupancy for the specific Townhome or Apartment building or up to twelve (12) months following the issuance of the building permit for the specific Townhome or Apartment building, whichever occurs first, and the applicable IDIF rate (detailed below) shall be that in effect at the time of such payment, unless the timing or requirements of payment is modified by applicable State Law. No certificate of occupancy shall be issued prior to the full payment of the required IDIF amount, which payment shall be made in one lump sum installment. IDIF amounts/rates are subject to adjustment every July 1st based on State of California Construction Cost Index (Prior March to Current March Adjustment), per CMC Section 11500.

IDIF amounts/rates for residential development have been set at $16,918.01 per unit (1 bedroom or studio) and $21,147.52 (All Other) per unit for Fiscal Year 2025-26, effective July 1, 2025, through June 30, 2026. Affordable Housing Units are exempted from IDIF.

None of the proposed project units are exempt from IDIF, and the proposed project is not eligible for any fee credits, reimbursements or other offsets pursuant to CMC Article XI. Based on the above-specified rates, the Developer would be responsible for a total payment of IDIF in the amount of **$21,325,155.94** for the proposed project, calculated as follows: (538 units [1 bedroom or studio] X $16,918.01 per unit = $9,101,889.38) + (578 units [All Other] X $21,147.52 per unit = $12,223,266.56) = $21,325,155.94.

However, if the IDIF for the project is not paid in 2025-26 fiscal year (i.e., by June 30, 2026), a new IDIF rate/amount will apply for the period of July 1, 2026, through June 30, 2027, based on the IDIF rate for Fiscal Year 2026-27, and so on for subsequent fiscal year(s). The fee for Fiscal Year 2026-2027 IDIF has not yet been determined.

To understand the requirements in more detail, please visit the City's IDIF webpage at: https://ci.carson.ca.us/communitydevelopment/IDIFProgram.aspx and/or contact James Nguyen at jnguyen@carsonca.gov or 310-952-1700 ext. 1310.

Notice of Imposition of Interim Development Impact Fees; Right to Protest

Pursuant to CMC Section 11503, Developer is hereby notified of the IDIF imposed on the project, as described and in the amount stated above. In accordance with Government Code Section 66020, Developer may protest the imposition of the IDIF on the project by complying with the requirements set forth in CMC 11900. Any such protest shall be filed at the time of the approval or conditional approval of a development, as that phrase is defined in CMC 11901(A).

If you have any questions or comments regarding this notice, please contact James Nguyen at jnguyen@carsonca.gov or (310) 952-1700 ext. 1310.

***

In accordance with Development Agreement Section 12.4, this hereby modifies and memorializes the changes identified above. The Minor Modifications made herein shall be binding on the Developer and on Developer's successors and assigns.

Sincerely,

City of Carson

ACKNOWLEDGED AND AGREED:

DEVELOPER

IMPERIAL AVALON, LLC, a California limited liability company

CITY OF CARSON

PLANNING COMMISSION

RESOLUTION NO. 26-2898

A RESOLUTION OF THE PLANNING COMMISSION OF THE CITY OF CARSON RECOMMENDING THE CARSON CITY COUNCIL APPROVE AMENDED AND RESTATED DEVELOPMENT AGREEMENT NO. 23-19 BETWEEN THE CITY OF CARSON, IMPERIAL AVALON, LLC, AND LENNAR HOMES OF CALIFORNIA, LLC FOR A MIXED-USE PROJECT LOCATED AT 21207 SOUTH AVALON BOULEVARD

WHEREAS, California Government Code Sections 65864 *et seq.* authorize the City of Carson ("City") to enter into binding development agreements with persons having a legal or equitable interest in real property for the development of such property in order to establish certain development rights, for the purpose of strengthening the public planning process, encouraging private participation and comprehensive planning and identifying the economic costs of such development; and

WHEREAS, on December 13, 2022, the City adopted Ordinance No. 22-2222, approving Development Agreement No. 23-19 ("Development Agreement") between the City and Imperial Avalon LLC ("Imperial Avalon") for a mixed-use residential and commercial project on the real property located at 21207 South Avalon Boulevard in the City ("Property"). The Development Agreement was recorded in the Official Records of Los Angeles County on June 4, 2024, as Document No. 20240361857. The project consists of 764 multi-family residential units in two buildings of up to four stories each, 351 attached/detached and stacked flat townhome units of up to three stories each, 111,581 square feet of publicly accessible open space (including a minimum 22,859 square foot park), and 10,000 square feet of commercial restaurant space (the "Project"); and

WHEREAS, the City also conditionally approved the following entitlements for the Project in December 2022 (collectively, the "Original Entitlements"): (1) certification of an Environmental Impact Report (SCH No. 2021010116; the "EIR") for the Project; (2) General Plan Amendment ("GPA") No. 105-19, to change the land use designation of the Property from Regional Commercial/Low Density Residential to Urban Residential; (3) Specific Plan ("SP") No. 21-19, the Imperial Avalon Specific Plan ("IASP"), to establish the development standards and permitted uses for the Property; (4) Zone Change ("ZCC") No. 188-19, to change the Property's zoning from Commercial Automotive/RM-8-D to Imperial Avalon Specific Plan; (5) Site Plan Review and Design Review ("DOR") No. 1803-19; and (6) Vesting Tentative Tract Map ("VTTM") No. 83157; and

WHEREAS, Exhibit "B" of Planning Commission Resolution No. 22-244 imposes Conditions of Approval on the DOR No. 1803-19 ("DOR COAs"), and Exhibit "C" of Planning Commission Resolution No. 22-244, as amended by City Council Resolution No. 22-242, imposes Conditions of Approval on VTTM No. 83157 ("VTTM COAs"); and

WHEREAS, the Development Agreement and some of the Original Entitlements, including the DOR COAs and VTTM COAs, were subsequently amended through multiple Minor Modifications requested by Imperial Avalon and approved by the City pursuant to Section 12.4 of the Development Agreement, as follows (collectively, the "Approved Minor Modifications"):

- A Minor Modification approved on May 24, 2023, made revisions to the Development Agreement and resolved an inconsistency between the Specific Plan and the approved Project plans regarding the required Project building setback from the 405 freeway.

- A Minor Modification approved on February 28, 2024, made revisions to the Development Agreement. This Minor Modification was approved pursuant to a Settlement Agreement and Mutual Release between the City and Imperial Avalon, which became effective on or about February 28, 2024 ("Original Settlement Agreement").

- A Minor Modification approved on June 10, 2024, made revisions to the Development Agreement, the DOR COAs, the VTTM COAs, and the Mitigation Monitoring and Reporting Program Table included as Section 4.2 in the Final EIR ("MMRP").

- A Minor Modification approved on May 8, 2025, made revisions to the Development Agreement.

- A Minor Modification approved on _____, made revisions to the Development Agreement, the DOR COAs, and the VTTM COAs. This Minor Modification was approved pursuant to an Amendment and Restatement of the Original Settlement Agreement, which became effective on _____, and replaced the Minor Modification approved on February 28, 2024; and

WHEREAS, Lennar Homes of California, LLC, ("Lennar") purchased from Imperial Avalon the portion of the Property that will contain the Townhomes ("Transferred Property") and entered into a Partial Assignment and Assumption Agreement with Imperial Avalon, recorded on October 1, 2024 ("A/A Agreement"), under which Imperial Avalon assigned to Lennar and Lennar assumed from Imperial Avalon all of Imperial Avalon's rights and obligations regarding the Transferred Property, including rights and obligations under the Development Agreement, as more fully described in the A/A Agreement. As shown in Exhibit C of the A/A Agreement, the City consented to the assignment and assumption effectuated through the A/A Agreement, as required by Section 11 of the Development Agreement. Imperial Avalon and Lennar are referred to herein below as the "Developer"; and

WHEREAS, in or about December of 2025, Developer submitted to the City an application to amend and restate the Development Agreement, in order to incorporate and integrate the changes made through the Approved Minor Modifications into one consolidated document, with no new substantive modifications, pursuant to Government Code Sections 65864 through 65869.5 ("Amended and Restated Development Agreement"); and

WHEREAS, after notice of the time, place and purpose of a public hearing was duly given, the City's Planning Commission held a public hearing and heard testimony and considered all

factors both oral and written on the 27th day of January, 2026, to consider Developer's application for the Amended and Restated Development Agreement. Having done so, the Planning Commission now sees fit and intends to recommend City Council adoption of an appropriate ordinance to approve the Amended and Restated Development Agreement; and

WHEREAS, all legal prerequisites to the adoption of this Resolution have occurred.

NOW, THEREFORE, THE PLANNING COMMISSION OF THE CITY OF CARSON, CALIFORNIA, HEREBY FINDS, RESOLVES AND ORDERS AS FOLLOWS:

SECTION 1. The Planning Commission finds that the foregoing recitals are true and correct, and the same are incorporated herein by this reference as findings of fact.

SECTION 2. The Planning Commission finds that Amended and Restated Development Agreement was adequately assessed by the EIR and that there are no circumstances requiring additional environmental review. Specifically, no substantial changes are proposed in the Project that will require major revisions to the EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; no substantial changes have occurred with respect to the circumstances under which the Project will be undertaken which will require major revisions to the EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; and there is no new information of substantial importance, which was not known and could not have been known with the exercise of reasonable diligence at the time the EIR was certified as complete, that shows any of the following: (A) the Project will have one or more significant effects not discussed in the EIR; (B) significant effects previously examined will be substantially more severe than shown in the EIR; (C) mitigation measures or alternatives previously found not to be feasible would in fact be feasible and would substantially reduce one or more significant effects of the Project, but the Project proponents decline to adopt the mitigation measure or alternative; or (D) mitigation measures or alternatives which are considerably different from those analyzed in the EIR would substantially reduce one or more significant effects on the environment, but the Project proponents decline to adopt the mitigation measure or alternative.

Furthermore, the approval of the Amended and Restated Development Agreement is covered by the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Here, it can be seen with certainty that there is no possibility that the amendments made to the Amended and Restated Development Agreement may have a significant effect on the environment because the amendments simply integrate modifications to the Development Agreement that were previously approved and are primarily related to the payment of fees and the provision of public benefits, rather than making physical changes to the Project or Project site.

Consequently, the Planning Commission finds that approval of the Amended and Restated Development Agreement does not require any additional environmental review.

SECTION 3. The Planning Commission hereby finds as follows:

A. The Amended and Restated Development Agreement merely incorporates and integrates the changes made through the Approved Minor Modifications into one consolidated document. It does not make or effect any new substantive changes to the Development Agreement or the Project, as all substantive changes that are reflected in the Amended and Restated Development Agreement as compared to the original Development Agreement have been previously approved through the Approved Minor Modifications.

B. The Amended and Restated Development Agreement is consistent with the provisions of Government Code Sections 65864 through 65869.5.

C. The Amended and Restated Development Agreement provides for a project that is located within an area suitable for the proposed use and is in conformance with the General Plan as amended by GPA No. 105-19, and the Imperial Avalon Specific Plan (SP No. 21-19), which is also the zoning designation for the Property pursuant to Zone Change (ZCC) No. 188-19, which changed the zoning map designation for the Property from Commercial Automotive/RM-8-D to Imperial Avalon Specific Plan.

D. The Amended and Restated Development Agreement provides for a public convenience through significant monetary benefits which will contribute directly or indirectly to programs and services designed to provide for the health, safety and welfare of the public, thereby exhibiting good land use practices. The Agreement specifies the Community Benefits in Article 3. The Project will also be required to pay Development Impact Fees as provided in Section 5.8(d) of the Agreement.

E. The Amended and Restated Development Agreement will not be detrimental to the public's health, safety and general welfare, nor will it adversely affect the orderly development or property values for the Property or areas surrounding it.

F. The Amended and Restated Development Agreement is in compliance with the procedures established by the City as required by Government Code Section 65865(c).

G. The Amended and Restated Development Agreement in Article 6 provides for an annual review to ensure good faith compliance with the terms of the Agreement, as required in Section 65865.1 of the Government Code.

H. The Amended and Restated Development Agreement specifies the contents required by Government Code Section 65865.2, including without limitation the 15-year term in Section 2.1 and other project details in Recital F.

I. The Amended and Restated Development Agreement includes conditions, terms, restrictions and requirements for development of the Property in Article 4 (without limitation) and as permitted in Section 65865.2 of the Government Code.

J. The Amended and Restated Development Agreement contains provisions in Article 7 for termination of the Agreement prior to expiration of its term.

K. The Amended and Restated Development Agreement provides for amendment or cancellation in whole or in part, by mutual consent of the parties to the Agreement or their successors in interest, as required in Section 65868 of the Government Code.

L. The Amended and Restated Development Agreement is in the best public interest of the City and its residents and will achieve a number of City objectives including ensuring compatibility of the development and use of the site with surrounding uses, providing much needed housing in a variety of housing types, and helping achieve a sustainable balance of residential and non-residential development and a balance of traffic circulation through the City, in furtherance of General Plan goals and objectives.

M. The Amended and Restated Development Agreement supports General Plan goal LU-6: A sustainable balance of residential and nonresidential development and a balance of traffic circulation throughout the City. The Project promotes a balanced mix of residential development and ground floor, pedestrian-serving commercial restaurant uses. The Project provides for the inclusion of commercial restaurant uses that would provide easy access to a variety of foods within close proximity to existing and future residential communities. Consistent with policy LU-6.3, the Specific Plan specifically promotes a mixed-use zone that encourages pedestrian-oriented mobility. For the same reasons, the Amended and Restated Development Agreement also supports SP No. 21-19.

N. The Amended and Restated Development Agreement supports General Plan goal LU-7: adjacent land uses that are compatible with one another. The proposed development of the Project, with its gradual sensitive transition toward the western edge of the Property, is compatible with the adjacent single-family residential Grace Avenue neighborhood. For the same reasons, the Amended and Restated Development Agreement also supports SP No. 21-19.

O. The Amended and Restated Development Agreement supports General Plan goal LU-8: Promote mixed-use development where appropriate. The Project is proposed as part of the City's ongoing effort to develop new mixed-use corridors. The Property is located within close proximity to the Carson Street mixed-use corridor and The District at South Bay proposed development. For the same reasons, the Agreement also supports SP No. 21-19.

P. The Amended and Restated Development Agreement supports General Plan goal LU-15: promote development in Carson which reflects the "Livable Communities" concepts. The Project encourages the location of housing, jobs, shopping, services, and other activities within easy walking distance of each other. By providing the potential for a variety of housing types, various multifamily unit types which may include senior housing, and for-sale townhome units, the Project also supports Policy LU-15.2 which seeks to maintain a diversity of housing types to enable citizens from a wide range of economic levels and age groups to live in Carson. For the same reasons, the Amended and Restated Development Agreement also supports SP No. 21-19.

Q. The Amended and Restated Development Agreement supports General Plan Housing Element Goal 2: encourage the development of a variety of housing to meet needs of the broad spectrum of the community, with a particular emphasis on multifamily housing, and Goal 4: Promote housing opportunities for lower-income households and seniors. By providing a mix

of unit types ranging from studios to four-bedroom homes, the project facilitates diversity of housing types and prices, supporting a wide variety of housing needs and promoting a multi-generational community. Additionally, the Project supports Goal 4 by providing an exclusive pre-lease period for seniors and establishing a quota for units rented to seniors, recognizing that senior populations benefit from various types of housing models and from providing independent senior housing to meet the diverse needs of Carson's and the region's aging population.

R. The Amended and Restated Development Agreement provides, in Section 4.7, that any tentative map prepared for the Project subdivision will comply with Government Code Section 66473.7.

S. The provisions of the Amended and Restated Development Agreement are consistent with the General Plan, as amended by GPA No. 105-19, and all applicable specific plans.

SECTION 4. Based on the foregoing, the Planning Commission hereby recommends that the City Council adopt an appropriate ordinance to approve the Amended and Restated Development Agreement, which is attached hereto as Exhibit "A" and incorporated herein by this reference.

SECTION 5. This Resolution shall be effective immediately upon its adoption.

SECTION 6. The Secretary of the Planning Commission shall certify to the adoption of this Resolution.

PASSED, APPROVED and **ADOPTED** this 27th day of January 2026.

Re: Imperial Avalon Specific Plan — Request for Interim Development Impact Fee Credit Offsets

---

Dear Mr. Freeman:

On behalf of Imperial Avalon, LLC ("Applicant"), we respectfully submit this request for confirmation that Development Impact Fee ("DIF") credits and offsets available under the Carson Municipal Code will be incorporated into the final Interim Development Impact Fee ("IDIF") calculations associated with the proposed **Amended and Restated Development Agreement No. 23-19 ("A&R DA")** for the Imperial Avalon / Envision Carson mixed-use development ("Project").

Consistent with the most recent hearing, City of Carson's Planning Commission adopted Resolution No. 26-2898 recommending City Council approval of the A&R DA, including confirmation in Section D that the Project must:

"...pay Development Impact Fees as provided in Section 5.8(d) of the Development Agreement."

Section 5.8(d) of the Development Agreement requires payment of Development Impact Fees pursuant to City Ordinance No. 19-1931 and Carson Municipal Code Section 11504, while expressly providing that the fees in effect at the time of payment shall apply, **including any applicable fee offsets to which the Developer may be entitled under the Carson Municipal Code.**

The referenced offsets are governed by **Carson Municipal Code Chapter 8 (Credits and Reimbursements)**, including Section 11800 addressing fee credits based on demolition and new construction.

Based on the methodology set forth in CMC 11800.A.3.b., the Applicant calculates qualifying fee credits as follows, and detailed on Exhibit A:

Total Eligible Credits: $4,244,608.41

Applying these credits to the Project's current IDIF calculations produces:

- **Total IDIF obligation:** $21,299,778.91
- **Less eligible credits:** ($4,244,608.41)
- **Net IDIF: $17,055,170.50**

If the applicable IDIF rates are adjusted prior to payment, the corresponding credit values would be adjusted proportionally using the same methodology.

We appreciate the City's continued coordination on this matter and look forward to working with staff to finalize any necessary Development Agreement language in time for City Council consideration at the anticipated March 3, 2026 meeting.

Sincerely,

Darren Embry

Attachments: Exhibit A

EXHIBIT A

Interim Development Impact Fee (IDIF)
Credit / Offset Calculation Worksheet

Project: Imperial Avalon / Envision Carson Mixed-Use Development (Specific Plan)

Location: 21207 South Avalon Boulevard, Carson, CA

Prepared For: City of Carson — Community & Economic Development Department

Prepared By: Imperial Avalon, LLC (Applicant)

Date: February 18, 2026

A. Eligible Demolition-Based Fee Credits (Carson Municipal Code Section 11800.A.3.b)

The following credit calculation summarizes the Applicant's requested fee credits/offsets associated with prior demolition/removal of existing residential units, as calculated under the methodology cited above.

Total DIF per Unit	Administrative Portion	Adjusted DIF per Unit	Eligible Units (Demolished)	Total Credits
$16,918.01	$1,812.64	$15,105.37	1	$15,105.37
$21,147.52	$2,265.81	$18,881.71	224	$4,229,503.04
TOTAL			**225**	**$4,244,608.41**

Note: If IDIF/DIF rates are adjusted prior to payment, credit values should be recalculated using the same methodology so credits adjust proportionally with the applicable rates.

B. Project IDIF Calculation (Gross)

Component	IDIF Amount
Townhomes (TH) — 351 units (all 2+ BR)	$7,422,779.52
Apartments AB — 465 units (313 Studio/1BR; 152 all other)	$8,509,760.17
Apartments CD — 299 units (226 Studio/1BR; 73 all other)	$5,367,239.22
TOTAL IDIF (Gross)	**$21,299,778.91**

C. Net IDIF After Credits

TOTAL IDIF (Gross)	$21,299,778.91
Less: Eligible Credits / Offsets (Section A)	($4,244,608.41)
NET IDIF	**$17,055,170.50**

Reference: Carson Municipal Code Chapter 8 (Credits and Reimbursements), including Section 11800 (Fee Credits).

ORDINANCE NO. 26-2606

AN UNCODIFIED ORDINANCE OF THE CITY OF CARSON, CALIFORNIA APPROVING AMENDED AND RESTATED DEVELOPMENT AGREEMENT NO. 23-19 BETWEEN THE CITY OF CARSON, IMPERIAL AVALON DE, LLC, AND LENNAR HOMES OF CALIFORNIA, LLC FOR A PROPOSED MIXED-USE PROJECT AT 21207 S. AVALON BLVD.

WHEREAS, California Government Code Sections 65864 *et seq*. authorize the City of Carson ("City") to enter into binding development agreements with persons having a legal or equitable interest in real property for the development of such property in order to establish certain development rights, for the purpose of strengthening the public planning process, encouraging private participation and comprehensive planning and identifying the economic costs of such development; and

WHEREAS, on December 13, 2022, the City adopted Ordinance No. 22-2222, approving Development Agreement No. 23-19 ("Development Agreement") between the City and Imperial Avalon, LLC, for a mixed-use residential and commercial project on the real property located at 21207 South Avalon Boulevard in the City of Carson ("City") and legally described in Exhibit "A" hereto ("Property"). The Development Agreement was recorded in the Official Records of Los Angeles County on June 4, 2024, as Document No. 20240361857. The project consists of 764 multi-family residential units in two buildings of up to four stories each, 351 attached/detached and stacked flat townhome units of up to three stories each, 111,581 square feet of publicly accessible open space (including a minimum 22,859 square foot park), and 10,000 square feet of commercial restaurant space (the "Project"); and

WHEREAS, City has also conditionally approved the following entitlements for the Project (collectively, the "Original Entitlements"): (1) certification of an Environmental Impact Report (SCH No. 2021010116; the "EIR") for the Project; (2) General Plan Amendment ("GPA") No. 105-19, to change the land use designation of the Property from Regional Commercial/Low Density Residential to Urban Residential; (3) Specific Plan ("SP") No. 21-19, the Imperial Avalon Specific Plan ("IASP"), to establish the development standards and permitted uses for the Property; (4) Zone Change ("ZCC") No. 188-19, to change the Property's zoning from Commercial Automotive/RM-8-D to Imperial Avalon Specific Plan; (5) Site Plan Review and Design Review ("DOR") No. 1803-19; and (6) Vesting Tentative Tract Map ("VTTM") No. 83157; and

WHEREAS, Exhibit "B" of Planning Commission Resolution No. 22-244 imposes Conditions of Approval on the DOR No. 1803-19 ("DOR COAs"), and Exhibit "C" of Planning Commission Resolution No. 22-244, as amended by City Council Resolution No. 22-242, imposes Conditions of Approval on VTTM No. 83157 ("VTTM COAs"). Exhibit "C" of City Council Ordinance No. 22-2221 imposes Conditions of Approval on SP No. 21-19; and

WHEREAS, the Development Agreement and some of the Original Entitlements, including the DOR COAs and VTTM COAs, were subsequently amended through Minor

Modifications requested by Imperial Avalon and approved by the City pursuant to Section 12.4 of the Development Agreement, as follows (collectively, the "Approved Minor Modifications"):

- A Minor Modification approved on May 24, 2023, made revisions to the Development Agreement and resolved an inconsistency between the Specific Plan and the approved Project plans regarding the required Project building setback from the 405 freeway.

- A Minor Modification approved on February 28, 2024, made revisions to the Development Agreement. This Minor Modification was approved pursuant to a Settlement Agreement and Mutual Release between the City and Imperial Avalon, which became effective on or about February 28, 2024 ("Original Settlement Agreement").

- A Minor Modification approved on June 10, 2024, made revisions to the Development Agreement, the DOR COAs, the VTTM COAs, and the Mitigation Monitoring and Reporting Program Table included as Section 4.2 in the Final EIR ("MMRP").

- A Minor Modification approved on May 8, 2025, made revisions to the Development Agreement.

- A Minor Modification approved on February 4, 2026, made revisions to the Development Agreement, the DOR COAs, and the VTTM COAs. This Minor Modification was approved pursuant to an Amended and Restated Settlement Agreement and Mutual Release (amending and restating the Original Settlement Agreement), which became effective on January 12, 2026, and replaced the Minor Modification approved on February 28, 2024; and

WHEREAS, Lennar Homes of California, LLC ("Lennar") purchased the portion of the Property that will contain the Townhomes ("Transferred Property") and entered into a Partial Assignment and Assumption Agreement with Imperial Avalon, LLC recorded on October 1, 2024 ("A/A Agreement"), under which Imperial Avalon, LLC assigned to Lennar and Lennar assumed from Imperial Avalon, LLC all of Imperial Avalon, LLC's rights and obligations regarding the Transferred Property, including rights and obligations under the Development Agreement, as more fully described in the A/A Agreement. As shown in Exhibit C of the A/A Agreement, the City consented to the assignment and assumption effectuated through the A/A Agreement, as required by Section 11 of the Development Agreement; and

WHEREAS, when the City approved the Development Agreement, the Property was owned by Imperial Avalon, LLC, a California limited liability company, which thereafter transferred ownership of the Property to Imperial Avalon DE, LLC, a Delaware limited liability company. Imperial Avalon DE, LLC and Lennar are referred to herein below as the "Developer"; and

WHEREAS, in or about December of 2025, Developer submitted to the City an application to amend and restate the Development Agreement pursuant to Government Code Sections 65864 through 65869.5 ("Amended and Restated Development Agreement"); and

WHEREAS, after notice of the time, place and purpose of a public hearing was duly given,

the City's Planning Commission held a public hearing and heard testimony and considered all factors both oral and written on January 27, 2026, to consider Developer's application for the Amended and Restated Development Agreement. Following such public hearing, the Planning Commission recommended that the City Council approve the Amended and Restated Development Agreement; and

WHEREAS, after notice of the time, place and purpose of a public hearing was duly given, the City Council held a public hearing on March 17, 2026, to consider Developer's application for the Amended and Restated Development Agreement, and following such hearing, during which the City Council heard testimony and considered all factors both oral and written, the City Council now desires by this Ordinance to approve the Amended and Restated Development Agreement (hereafter, "Agreement") after findings of consistency with the City's General Plan; and

WHEREAS, all legal prerequisites to the adoption of this Ordinance have occurred.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CARSON DOES HEREBY ORDAIN AS FOLLOWS:

Section 1. The above recitals are true and correct and are hereby incorporated into this Ordinance as set forth herein.

Section 2. The City Council finds that the Agreement was adequately assessed by the EIR and that there are no circumstances requiring additional environmental review. Specifically, no substantial changes are proposed in the Project that will require major revisions to the EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; no substantial changes have occurred with respect to the circumstances under which the Project will be undertaken which will require major revisions to the EIR due to the involvement of new significant environmental effects or a substantial increase in the severity of previously identified significant effects; and there is no new information of substantial importance, which was not known and could not have been known with the exercise of reasonable diligence at the time the EIR was certified as complete, that shows any of the following: (A) the Project will have one or more significant effects not discussed in the EIR; (B) significant effects previously examined will be substantially more severe than shown in the EIR; (C) mitigation measures or alternatives previously found not to be feasible would in fact be feasible and would substantially reduce one or more significant effects of the Project, but the Project proponents decline to adopt the mitigation measure or alternative; or (D) mitigation measures or alternatives which are considerably different from those analyzed in the EIR would substantially reduce one or more significant effects on the environment, but the Project proponents decline to adopt the mitigation measure or alternative.

Furthermore, the approval of the Agreement is covered by the common sense exemption that CEQA applies only to projects which have the potential for causing a significant effect on the environment. Here, it can be seen with certainty that there is no possibility that the amendments made to the Development Agreement may have a significant effect on the environment. The amendments largely integrate modifications to the Development Agreement that were previously approved and are primarily related to the payment of fees and the provision of public benefits as well as other technical provisions such as mortgagee protection and assignment approval

provisions, rather than making physical changes to the Project or Project site.

Consequently, the City Council finds that the approval of the Agreement does not require any additional environmental review.

Section 3. Based upon all oral and written reports and presentations made by City staff, Developer, and members of the public, including any attachments and exhibits, the City Council hereby finds that:

a) The Agreement is consistent with the provisions of Government Code Sections 65864 through 65869.5.

b) The Agreement provides for a project that is located within an area suitable for the proposed use and is in conformance with the General Plan as amended by GPA No. 105-19, and the Imperial Avalon Specific Plan (SP No. 21-19), which is also the zoning designation for the Property pursuant to Zone Change (ZCC) No. 188-19, which changed the zoning map designation for the Property from Commercial Automotive/RM-8-D to Imperial Avalon Specific Plan.

c) The Agreement provides for a public convenience through significant monetary benefits which will contribute directly or indirectly to programs and services designed to provide for the health, safety and welfare of the public, thereby exhibiting good land use practices. The Agreement specifies the Community Benefits in Article 3. The Project will also be required to pay Development Impact Fees as provided in Section 5.8(d) of the Agreement.

d) The Agreement will not be detrimental to the public's health, safety and general welfare, nor will it adversely affect the orderly development or property values for the subject property or areas surrounding it.

e) The Agreement is in compliance with the procedures established by the City as required by Government Code Section 65865(c).

f) The Agreement in Article 6 provides for an annual review to ensure good faith compliance with the terms of the Agreement, as required in Section 65865.1 of the Government Code.

g) The Agreement specifies the contents required by Government Code Section 65865.2, including without limitation the 15-year term of the Agreement in Section 2.1 and other project details in Recital F.

(h) The Agreement includes conditions, terms, restrictions and requirements for development of the subject property in Article 4 (without limitation) and as permitted in Section 65865.2 of the Government Code.

(i) The Agreement contains provisions in Article 7 for termination of the Agreement prior to expiration of its term.

(j) The Agreement provides for amendment or cancellation in whole or in part, by mutual consent of the parties to the Agreement or their successors in interest, as required in Section 65868 of the Government Code.

(k) The Agreement is in the best public interest of the City and its residents and will achieve a number of City objectives including ensuring compatibility of the development and use of the site with surrounding uses, providing much needed housing in a variety of housing types, and helping achieve a sustainable balance of residential and non-residential development and a balance of traffic circulation through the City, in furtherance of General Plan goals and objectives.

(l) The Agreement supports General Plan goal LU-6: A sustainable balance of residential and nonresidential development and a balance of traffic circulation throughout the city. The project promotes a balanced mix of residential development and ground floor, pedestrian-serving commercial restaurant uses. The project provides for the inclusion of commercial restaurant uses that would provide easy access to a variety of foods within close proximity to existing and future residential communities. Consistent with policy LU-6.3, the Specific Plan specifically promotes a mixed-use zone that encourages pedestrian-oriented mobility. For the same reasons, the Agreement also supports SP No. 21-19.

(m) The Agreement supports General Plan goal LU-7: adjacent land uses that are compatible with one another. The proposed development of the project, with its gradual sensitive transition toward the western edge of the subject property, is compatible with the adjacent single-family residential Grace Avenue neighborhood. For the same reasons, the Agreement also supports SP No. 21-19.

(n) The Agreement supports General Plan goal LU-8: Promote mixed-use development where appropriate. The project is proposed as part of the City's ongoing effort to develop new mixed-use corridors. This site is located within close proximity to the Carson Street mixed-use corridor and The District at South Bay proposed development. For the same reasons, the Agreement also supports SP No. 21-19.

(o) The Agreement supports General Plan goal LU-15: promote development in Carson which reflects the "Livable Communities" concepts. The project encourages the location of housing, jobs, shopping, services, and other activities within easy walking distance of each other. By providing the potential for a variety of housing types, various multifamily unit types which may include senior housing, and for-sale townhome units, the project also supports Policy LU-15.2 which seeks to maintain a diversity of housing types to enable citizens from a wide range of economic levels and age groups to live in Carson. For the same reasons, the Agreement also supports SP No. 21-19.

(p) The Agreement supports General Plan Housing Element Goal 2: encourage the development of a variety of housing to meet needs of the broad spectrum of the community, with a particular emphasis on multifamily housing, and Goal 4: Promote housing opportunities for lower-income households and seniors. By providing a mix of unit types ranging from studios to four-bedroom homes, the project facilitates diversity of housing types and prices, supporting a wide variety of housing needs and promoting a multi-generational community. Additionally, the project supports Goal 4 by providing an exclusive pre-lease period for seniors and establishing a quota for units rented to seniors, recognizing that senior populations benefit from various types of housing models and from providing independent senior housing to meet the diverse needs of Carson's and the region's aging population.

(q) The Agreement provides, in Section 4.7, that any tentative map prepared for the Project subdivision will comply with Government Code Section 66473.7.

(r) The provisions of the Agreement are consistent with the General Plan, as amended by GPA No. 105-19, and all applicable specific plans.

Section 4. Based on the aforementioned findings, the City Council hereby approves the Agreement, a copy of which is attached hereto as Exhibit "B" and incorporated herein by this reference, and authorizes its execution by the Mayor and all action necessary to comply with its terms.

Section 5. This Ordinance shall take effect on the 30th day following its adoption by the City Council. However, if and when the Agreement should terminate pursuant to Article 7 thereof, this Ordinance will automatically terminate concurrently therewith without any action needing to be taken by the City Council.

Section 6. Pursuant to Government Code Section 65868.5, the City Clerk of the City shall record a copy of said Development Agreement with the County Recorder within 10 days after execution thereof.

Section 7. The City Council declares that, should any provision, section, paragraph, sentence or word of this Ordinance be rendered or declared invalid by any final court action in a court of competent jurisdiction or by reason of any preemptive legislation, the remaining provisions, sections, paragraphs, sentences or words of this Ordinance as hereby adopted shall remain in full force and effect.

Section 8. The Mayor, City Manager, and City Clerk or their designees, are authorized and directed to take such actions and execute such documents and certifications as may be necessary to implement and effect execution, recordation and enforcement of this Ordinance and the Agreement.

Section 9. The City Clerk of the City of Carson shall certify to the passage and adoption of this Ordinance and shall cause the same to be published in a newspaper of general circulation, printed and published within the City of Carson in accordance with the provisions of the Government Code.

AMENDED AND RESTATED DEVELOPMENT AGREEMENT

This Amended and Restated Development Agreement ("**Agreement**") is entered into on the ____ day of _____, 2026 ("**Execution Date**"), by and between the City of Carson, a municipal corporation of the State of California ("**City**"), IMPERIAL AVALON DE, LLC, a California limited liability company ("**Imperial Avalon**"), and LENNAR HOMES OF CALIFORNIA, LLC, a California limited liability company ("**Lennar**"). Imperial Avalon and Lennar are referred to collectively in this Agreement as "**Developer**". The City and Developer shall be referred to jointly within this Agreement as the "Parties" and individually as a "Party."

RECITALS

A. *The Development Agreement Statute.* California Government Code Sections 65864 *et seq*. ("**Development Agreement Law**") authorizes cities to enter into binding development agreements with persons having a legal or equitable interest in real property for the development of such property, all for the purpose of strengthening the public planning process, encouraging private participation, and comprehensive planning and identifying the economic costs of such development.

B. *Orderly Development; Public Benefits.* The City Council finds that this Agreement is in the best public interest of the City and its residents, adopting this Agreement constitutes a present exercise of the City's police power, and this Agreement is consistent with the City's General Plan. This Agreement and the proposed Project will achieve a number of City objectives, including the orderly development of the Property and the provision of public benefits, or funds therefor, to the City and its residents.

C. *The Property.* Developer owns the property located at 21207 South Avalon Boulevard in the City of Carson, County of Los Angeles, State of California (APNs 7337-001-025, 7337-001-026, 7337-001-027, 7337-001-028, and 7337-001-029) ("**Property**"). At the time of the approval of the Original DA, the General Plan land use designation for the Property

was Regional Commercial and Low Density Residential and the Property was zoned Commercial Automotive (CA) and RM-8-D (Design Overlay).

D. *Developer's Interest in the Property*. When the City approved the Original DA, the Property was owned by Imperial Avalon, LLC, a California limited liability company, which thereafter transferred ownership of the Property to Imperial Avalon DE, LLC. Developer currently owns the Property and as such, possesses the requisite equitable interest in the Property under Government Code Section 65865 that allows the Parties to enter into this Agreement.

E. *The Park*. At the time of the approval of the Original DA, the Property was improved and in operation as a mobilehome park, known as Imperial Avalon Mobile Estates ("**Park**"). Imperial Avalon filed an application for approval of Relocation Impact Report No. 05-20 ("**RIR**") related to Park closure pursuant to CMC Section 9128.21 in early 2020 (the "**Closure Application**"). The Closure Application was heard and conditionally approved by the City's Planning Commission on May 13, 2020, via adoption of Planning Commission Resolution No. 20-2695. Following an administrative appeal to the City Council, on July 7, 2020, the City Council adopted City Resolution No. 20-113, affirming the Planning Commission's decision subject to imposition of added and modified conditions as set forth in the "Amended Conditions of RIR No. 05-20" which are attached to said resolution ("the **RIR Conditions**"), and specifying the earliest possible date of Park closure (i.e., the earliest date when residents may be compelled to vacate the Park) as January 1, 2022, subject to issuance of the required notices of termination of tenancy (the "**Closure Approval**"). As required by the Closure Approval, Developer has executed and recorded on title to the Property a "Declaration of Lease Covenants, Conditions and Restrictions Applicable to Park Closure Pursuant to Government Code § 27281.5" (the "**Option C Covenant**"). Furthermore, Developer agreed to provide certain enhancements to the relocation impact mitigation measures set forth in the RIR Conditions for the benefit of the displaced Park residents, which enhancements were set forth in a letter from Imperial Avalon to the Park residents dated September 9, 2021, without limitation (collectively, the "**Enhancements**"). At the time of the approval of the Original DA, Developer had not yet issued the required 6-month notice of termination of tenancy, which was a prerequisite of Park closure. As of the Effective Date thereof, some residents remained in the Park while some had vacated the Park voluntarily pursuant to early termination agreements entered into with the Developer in accordance with the RIR Conditions, and implementation/satisfaction of the RIR Conditions remained pending and underway. Developer still intended, and had the right, to issue the requisite 6-month notice of termination of tenancies and thereafter close the Park during the effective period of the Closure Approval, and later did so. It is understood and was decided by the City in acting upon the Closure Application that the Closure Application and the City's review and decision thereon was exempt from the California Environmental Quality Act ("**CEQA**") review and did not constitute a "project" within the meaning of CEQA. On that basis, a Notice of Exemption was filed in connection with the Closure Approval on July 17, 2020, and no CEQA-related challenges were filed within the applicable 35 day statute of limitations period. The Parties acknowledge that closure of the Park has occurred in accordance with the Original DA and other documents, regulations and authorities, although certain rights and obligations remain in effect related to the small number of

former Park residents who selected Option C under the RIR Conditions and the Option C Covenant and thereby acquired a right of tenancy in the Project.

F. *The Project.* Developer desires to re-develop the Property as a mixed-use residential and commercial development (the "**Project**"). The Project consists of 764 multi-family residential units within two buildings of up to four stories (or sixty-eight feet, six inches [68'6"] each, including at least one parking structure per building, each on their own lot on the eastern portion of the Property (the "**Apartments**"), 351 attached/detached and stacked flat townhome units of up to three stories (or thirty-eight feet, six inches [38'6"]) each, all located on another lot on the western portion of the Property (the "**Townhomes**"), for a total of 1,115 residential units and a density of 41 dwelling units per acre, 111,581 square feet of publicly accessible open space (including a minimum 22,859 square foot park), and 10,000 square feet of commercial space, all of which shall be restaurant use(s). To that end, on October 3, 2019, Imperial Avalon filed a development permit application with the City (Master Redevelopment Project No. PL10044) seeking various entitlements to develop the Project (collectively, the "**Development Application**"). The City determined the Development Application was complete on December 24, 2019.

G. *Project EIR and Entitlements.* The City is the lead agency, within the meaning of the CEQA, for purposes of conducting environmental review of the Project. The City has found and determined that all actions required of City precedent to approval of the Original DA were duly and regularly taken. In accordance with the requirements of CEQA, appropriate studies, analyses, reports, documents, and errata were prepared and considered by the Planning Commission and the City Council. The Planning Commission, after a duly noticed public hearing on November 21, 2022, certified the Environmental Impact Report ("**EIR**") and adopted a Statement of Overriding Considerations for the Project in accordance with CEQA. The Project is identified in the EIR as Alternative 3 and is fully assessed in the EIR and the errata thereto.

H. *Original Planning Commission Approvals.* On the same day, the Planning Commission, after giving notice pursuant to the CMC and Government Code §§ 65090, 65091, 65092 and 65094, held a public hearing on the Development Application, and following the hearing, adopted Planning Commission Resolution No. 22-244, which: (i) made CEQA findings and determinations as referenced above; (ii) conditionally approved Site Plan and Design Overlay Review ("**DOR**") No. 1803-19 and Vesting Tentative Tract Map ("**VTTM**") No. 83157 for the Project subject to City Council approval of General Plan Amendment ("**GPA**") No. 105-19 (changing the General Plan land use designation for the Property from Regional Commercial/Low Density Residential to Urban Residential), Specific Plan ("**SP**") No. 21-19 (Imperial Avalon Specific Plan), Zone Change ("**ZCC**") No. 188-19 (changing the Property zoning from Commercial Automotive (CA)/Residential, multifamily – 8 units per acre (RM-8) with a Design Overlay to Imperial Avalon Specific Plan [IASP]), and Development Agreement No. 23-19 ("**Original DA**") (inclusive of the Adopting Ordinance); and (iii) recommended that the City Council approve GPA No. 105-19, SP No. 21-19, ZCC No. 188-19, and DA No. 23-19 for the Project (DOR No. 1803-19, VTTM No. 83157, GPA No. 105-19, SP No. 21-19, ZCC No. 188-19, and DA No. 23-19 collectively, together with the EIR, the "**Entitlements**").

I. *Original City Council Approvals*. On December 6, 2022, the City Council, after provision of the public notice required by law, held a public hearing to consider the Development Application and the Planning Commission's actions and recommendations thereon. Following the hearing, the City Council: (i) adopted City Council Resolution No. 22-242, making, ratifying and affirming the CEQA findings and the actions of the Planning Commission related to certification of the EIR with respect to approval of the VTTM and making findings pursuant to CEQA Guidelines Sections 15162-15164, and modifying, pursuant to CMC Section 9173.4(c)(2)(b), the decision of the Planning Commission adopting Planning Commission Resolution No. 22-244 with respect to the conditions of approval of the VTTM, pursuant to Developer's appeal; (ii) adopted City Council Resolution No. 22-243, making, ratifying and affirming the CEQA findings and the actions of the Planning Commission related to certification of the EIR with respect to approval of the GPA, and approving the GPA; (iii) introduced, and subsequently, on December 13, 2022, adopted, Ordinance No. 22-2221, making, ratifying and affirming the CEQA findings and the actions of the Planning Commission related to certification of the EIR with respect to approval of the SP and ZCC, conditionally approving the SP, and approving the ZCC; and (iv) introduced, and subsequently, on December 13, 2022, adopted, Ordinance No. 22-2222, making, ratifying and affirming the CEQA findings and the actions of the Planning Commission related to certification of the EIR with respect to approval of the Original DA, and approving the Original DA.

J. *Original Conditions of Approval*. Exhibit "B" of Planning Commission Resolution No. 22-244 imposes Conditions of Approval on Imperial Avalon Site Plan and Design Review No. DOR 1803-19 ("**DOR COAs**"), and Exhibit "C" of Planning Commission Resolution No. 22-244, as amended by City Council Resolution No. 22-242, imposes Conditions of Approval on Imperial Avalon Vesting Tentative Tract Map 83157 ("**VTTM COAs**"). Exhibit "C" of City Council Ordinance No. 22-2221 imposes Conditions of Approval on SP No. 21-19 ("**SP COAs**").

K. *Modifications to the Original Entitlements.* The Original Entitlements were subsequently amended through Minor Modifications requested by Imperial Avalon and approved by the City pursuant to Section 12.4 of the Original DA, as follows (collectively, the "**Approved Minor Modifications**"):

- A Minor Modification approved on May 24, 2023, made revisions to the Original DA and resolved an inconsistency between the Specific Plan and the approved Project plans regarding the required Project building setback from the 405 freeway.

- A Minor Modification approved on February 28, 2024, made revisions to the Original DA. This Minor Modification was approved pursuant to a Settlement Agreement and Mutual Release between the City and Imperial Avalon, which became effective on or about February 28, 2024 ("**Original Settlement Agreement**").

- A Minor Modification approved on June 10, 2024, made revisions to the Original DA, the DOR COAs, the VTTM COAs, and the Mitigation Monitoring and Reporting Program Table included as Section 4.2 in the Final EIR ("**MMRP**").

- A Minor Modification approved on May 8, 2025, made revisions to the Original DA.

- A Minor Modification approved on February 4, 2026 made revisions to the Original DA, the DOR COAs, and the VTTM COAs. This Minor Modification was approved pursuant to an Amended and Restated Settlement Agreement and Mutual Release (amending and restating the Original Settlement Agreement), which became effective on January 12, 2026.

L. *Sale of Portion of the Property*. Lennar purchased from Imperial Avalon the portion of the Property that will contain the Townhomes ("**Lennar Transferred Property**") and entered into a Partial Assignment and Assumption Agreement with Imperial Avalon, recorded on October 1, 2024 ("**A/A Agreement**"), under which Imperial Avalon assigned to Lennar and Lennar assumed from Imperial Avalon all of Imperial Avalon's rights and obligations regarding the Lennar Transferred Property, including rights and obligations under this Agreement, as more fully described in the A/A Agreement. As shown in Exhibit C of the A/A Agreement, the City consented to the assignment and assumption effectuated through the A/A Agreement, as required by Section 11 of this Agreement.

M. *Application for Amended and Restated Development Agreement.* In or about December of 2025, Developer submitted to the City an application to amend and restate the Original DA, in order to incorporate changes made through the Approved Minor Modifications and to make other revisions to the Original DA contained in this Agreement.

N. *Approval of Amended and Restated Development Agreement*. On January 27, 2026, in accordance with Development Agreement Law, the Planning Commission held a duly noticed public hearing and adopted Resolution 26-2898, recommending that the City Council approve this Agreement. On _____, 2026, the City Council introduced, and subsequently, on _____, 2026, adopted, Ordinance No. 26-2606, making CEQA findings and approving this Agreement. The Planning Commission and the City Council have found, on the basis of substantial evidence based on the entire administrative record, that this Agreement is consistent with all applicable plans, rules, regulations and official policies of the City.

O. *Carson Park and Recreation Subsidy*. The Original DA, in Section 3.1.1, required Developer to pay to the City Three Hundred Thousand Dollars ($300,000) to be used by City to subsidize Carson residents' fees and costs associated with park and recreational registration, trophies, and jerseys ("**Carson Park and Recreation Subsidy**"). City and Developer acknowledge and agree that Developer has paid the Carson Park and Recreation Subsidy to the City in full as of the Execution Date of this Agreement. This provision is omitted from Article 3 of this Agreement only because it has already been satisfied; nothing herein shall be construed to retroactively rescind, remove or otherwise affect the validity of the original obligation in any way.

P. *Developer's Interest in the Property*. Developer currently owns the Property and as such, possesses the requisite equitable interest in the Property under Government Code Section 65865 that allows the Parties to enter into this Agreement.

Q. *Effect on Original DA and Approved Minor Modifications*. The Parties intend that this Agreement, upon taking effect, shall do the following:

(1) This Agreement shall supersede the Original DA and all amendments to the Original DA made through the Approved Minor Modifications.

(2) Exhibit D shall supersede the DOR COAs and the VTTM COAs, including all revisions made to the DOR COAs and VTTM COAs through the Approved Minor Modifications. Exhibit D also includes the SP COAs, which have not been modified.

(3) Amendments made by the Approved Minor Modifications to Specific Plan No. 21-19 and the MMRP shall remain in full force and effect.

COVENANTS

NOW, THEREFORE, in consideration of the above recitals and of the mutual covenants hereinafter contained and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties agree as follows:

1. GENERAL DEFINITIONS.

In addition to those terms defined within the above Recitals and elsewhere within this Agreement, the following terms shall bear the meanings set forth below:

1.1 "**Adopting Ordinance**" means Ordinance No. 22-2222 approving the Original DA, introduced on December 6, 2022, and adopted on December 13, 2022.

1.2 "**Agreement**" means this Amended and Restated Development Agreement, including all of its exhibits.

1.3 "**Annual Review**" means the annual review of the Developer's performance under this Agreement in accordance with Article 6 of this Agreement.

1.4 "**Applicable Laws**" means, collectively, the following:

a. The Project Development Approvals.

b. The Existing Land Use Regulations**.**

c. Subsequent Development Approvals.

d. Those Subsequent Land Use Regulations to which Developer has agreed in writing.

e. The Closure Approval and associated covenants and agreements, including without limitation the Option C Covenant and the Enhancements.

1.5 "**Approval Date**" means the date on which the City Council conducted the second

reading of the Adopting Ordinance. That date is December 13, 2022.

1.6 "**CFD**" means any Community Facilities District that is applicable to the Property and formed pursuant to the Mello Roos Community Facilities Act of 1982.

1.7 **"City**" means the City of Carson, a California Charter city.

1.8 "**City Council**" means the City Council of the City of Carson.

1.9 "**CMC**" means the Carson Municipal Code.

1.10 "**Conditions of Approval**" means all conditions imposed on the Project by the City, as amended by this Agreement, including (without limitation) those recommended by the Los Angeles County Fire Department, as part of the approval of the Project.

1.11 "**Director**" means the City's Community Development Director, or his or her designee.

1.12 "**Developer**" means IMPERIAL AVALON DE, LLC, a California limited liability company, LENNAR HOMES OF CALIFORNIA, LLC, a California limited liability company, and their successors and assigns to all or any part of the Property. The respective rights and obligations of Imperial Avalon DE, LLC, and Lennar Homes of California, LLC, under this Agreement are further clarified in the A/A Agreement, including any amendments thereto.

1.13 "**Developer's Vested Right**" means Developer's right to complete the Project in accordance with, and to the full extent permitted under, the Applicable Laws and this Agreement, as more fully set forth in Articles IV-V of this Agreement.

1.14 **"Development"** means the improvement of the Property for the purposes of completing the structures, improvements, and facilities comprising the Project including, but not limited to: grading; the construction of infrastructure related to the Project whether located within or outside the Property; the construction of buildings and structures; and the installation of landscaping and other facilities and improvements necessary or appropriate for the Project, and the maintenance, repair, or reconstruction of any building, structure, improvement, landscaping or facility after the construction and completion thereof.

1.15 "**Development Approvals**" means all Project-specific non-legislative approvals. Development Approvals include, but are not limited to, plans, maps, permits, site plans, design guidelines, variances, conditional use permits, grading, building, and other similar permits, environmental assessments, including environmental impact reports, and any amendments, addenda or modifications to those matters. "Development Approvals" does not include (i) rules, regulations, policies, and other enactments of general application within the City, (ii) legislative enactments, or (iii) any matter where City has reserved authority under Article 5 of this Agreement. Development Approvals are not Land Use Regulations.

1.16 "**Development Plan**" means Developer's plan for completion of the Project in compliance with and to the full extent of the Project Development Approvals and Applicable Laws.

1.17 "**Effective Date**" means the date on which the Adopting Ordinance became effective, or thirty (30) days after the second reading of the Adopting Ordinance.

1.18 "**Entitlements**" means this Agreement, and the other Entitlements and approvals listed in Recital H.

1.19 "**Exhibit**" means an exhibit to this Agreement, unless otherwise specifically referenced to a different agreement or document. The following exhibits are incorporated into the Agreement by reference as though set forth in full:

Exhibit A	Legal description of the Property
Exhibit B	Depiction of the Property
Exhibit C	Public Open Space Areas
Exhibit D	Amended and Restated COAs
Exhibit E	Excerpts from 2022 California Mechanical Code (Including the July 1, 2024 Supplement)

1.20 "**Existing Land Use Regulations**" means (i) all Land Use Regulations in effect on the Effective Date and (ii) any changes to Land Use Regulations enacted on or after the Approval Date and before the Effective Date for which Developer has provided its written consent to allow those changes to apply to the Project.

1.21 "**Land Use Regulations**" are laws and regulations enacted through legislative actions of the City Council. Land Use Regulations include ordinances, laws, resolutions, codes, rules, regulations, policies, requirements, guidelines or other actions of City, including but not limited to the City's General Plan and the CMC (including the Carson Zoning Ordinance, Chapter 1 of Article IX of the CMC) which affect, govern or apply to the development and use of the Property, including, without limitation, the permitted use of land, the density or intensity of use, subdivision requirements, the maximum height and size of proposed buildings, the provisions for reservation or dedication of land for public purposes, and the design, improvement, and construction standards and specifications applicable to the Project. "Land Use Regulations" do not include (i) Development Approvals, (ii) regulations relating to the conduct of business, professions, and occupancies generally, (iii) taxes and assessments, (iv) regulations for the control and abatement of nuisances, (v) health and safety regulations, or (vi) any other matter reserved to the City pursuant to Article 5 of this Agreement.

1.22 **"Mortgage**" means a (i) mortgage, deed of trust, or other security instrument encumbering the Property or (ii) a pledge agreement encumbering the membership interests in a Developer.

1.23 "**Mortgagee**" means a mortgagee of a mortgage, a beneficiary under a deed of trust, a pledgee of a pledge agreement, or any other security device, a lender, or each of their respective successors and assigns.

1.24 "**Project**" as described this Agreement, means the development of the Property consistent with and to the full extent of the Project Development Approvals and all applicable Land Use Regulations.

1.25 "**Project Development Approvals**" means all Development Approvals, inclusive of the Entitlements and all Conditions of Approval. Project Development Approvals include, without limitation, all Development Approvals needed or desired by Developer to complete the Project, provided that those Development Approvals are consistent with Developer's Vested Right, this Agreement, and the City's General Plan and the Carson Zoning Ordinance.

1.26 "**Property**" means the real property described in Exhibit "A" and shown in Exhibit "B."

1.27 "**Reservation of Authority**" means the limitations, reservations, and exceptions to Developer's Vested Right set forth in Article 5 of this Agreement.

1.28 "**Subsequent Land Use Regulations**" means those Land Use Regulations which are both adopted and effective on or after the Approval Date and which are not included within the definition of Existing Land Use Regulations.

1.29 "Subsequent Development Approvals" means all Development Approvals issued subsequent to the Effective Date in connection with development of the Property, which shall include, without limitation, any changes to the Development Approvals.

1.30 "**Term**" shall have the meaning ascribed to it in Section 2.1, unless earlier terminated as provided in this Agreement.

2. TERM & GENERAL COVENANTS.

2.1 Term. The term of this Agreement (the "**Term**") starts on the Effective Date and shall expire 15 years after December 13, 2022, subject to any early termination provisions described in this Agreement. The Term and expiration date of all Entitlements and Project Development Approvals shall also be extended to 15 years consistent with the Term of this Agreement.

2.2 Binding Effect of Agreement. From and following the Effective Date, actions by the City and Developer with respect to the development of the Property for completion of the Project, including actions by the City on applications for Subsequent Development Approvals affecting the Property, shall be subject to the terms and provisions of this Agreement.

2.3 Agreement Runs with the Land. This Agreement shall be recorded and shall run with the land. Pursuant to Government Code Section 65868.5, the burdens of this Agreement and each of its provisions shall be binding upon, and the benefits of this Agreement shall inure to, all successors in interest to the Parties, including, but not limited to, all parties that enter into lease agreements with Developer for possession of any part of the Property.

2.4 Covenant Against Discrimination. The Developer covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, marital status, sexual orientation or gender preference, national origin, or ancestry in the performance of this Agreement. The Developer shall take affirmative action to ensure that employees are treated during employment without regard to their race, color, creed,

religion, sex, marital status, sexual orientation or gender preference, national origin, or ancestry.

2.5 Construction Timing and Park Closure. Developer covenants that Project construction will not commence until the existing mobilehome park at the Property (i.e., the Park) has been closed and all remaining Park residents or occupants have vacated the Property. As of the date of this Agreement, Developer and City acknowledge and agree that the Park has been closed and all Park residents or occupants have vacated the Property.

2.6 Park Closure Application and Covenants. Developer further acknowledges that nothing in this Agreement is intended to supersede or negate the benefits committed to Park residents (current or former) approved through the separate Closure Approval or associated covenants or agreements, including the Option C Covenant and the Enhancements, which are unrelated to the Project and this Agreement.

2.7 Original DA and Approved Minor Modifications.

2.7.1 From and after the effective date of the City ordinance approving this Amended and Restated Development Agreement, the Original DA and all revisions to the Original DA made in the Approved Minor Modifications shall be void and of no further force or effect, and shall be superseded by this Agreement, which is intended as an amendment and restatement of the Original DA.

2.7.2 From and after the effective date of the City ordinance approving this Amended and Restated Development Agreement, the DOR COAs and VTTM COAs and all revisions to the DOR COAs and VTTM COAs made in the Approved Minor Modifications shall be replaced in their entirety by the Amended and Restated DOR COAs and Amended and Restated VTTM COAs in Exhibit D of this Agreement.

2.7.3 Notwithstanding section 2.7.1 and 2.7.2, all revisions to Specific Plan No. 21-19 and the MMRP made through the Approved Minor Modifications shall remain in full force and effect.

3. DEVELOPER'S OBLIGATIONS AND COMMUNITY BENEFITS.

As consideration for the granting of Developer's Vested Right in accordance with Article 4 below and subject to the City's Reservation of Authority set forth in Article 5 below, Developer shall do all of the following:

3.1 Senior and Veteran Housing.

3.1.1 Prior to issuance of a Certificate of Occupancy, the Developer shall prepare, submit to the City for review, and implement a veterans and senior citizen marketing and outreach program for the Project's Apartment units, subject to the prior written approval of the Director, which approval shall not be unreasonably withheld, conditioned or delayed. Developer shall exclusively market the Project's Apartment units to veterans and their families as well as senior citizens (over the age of 55) who currently reside within the City or the general South Bay area for a period of sixty (60) days prior to the units being offered for rent to the general public ("Exclusive Pre-Lease Period"). During this Exclusive Pre-Lease Period, Developer shall make best efforts to

lease units to local veterans and their family members and senior citizens provided that all such applicants meet generally applicable leasing qualifications and criteria imposed by Developer. Nothing in this Agreement shall require that any of the Project Apartment units be actually occupied by local veterans or their family members. Further, nothing in this Agreement requires more than 83 of the total 1,115 units to be leased to senior citizens at a given time.

3.1.2 Commencing two years after issuance of a certificate of occupancy for the second Apartment building, Developer shall demonstrate to the City on an annual basis that at least eighty-three (83) of the Project's Apartment units are rented to senior citizens (defined as fifty-five (55) years or older) ("Project Senior Obligation"). The Developer shall demonstrate it is meeting the Project Senior Obligation by providing rental information or other form of occupancy verification confirming that seniors are renting at least 83 of the Project Apartment units.

3.2 Apartment and Townhome Enhanced Sustainability and Environmental Benefits. Developer shall agree to incorporate the following enhanced sustainability and environmental benefits into construction of the Apartments and Townhomes for the Project. In recognition of the enhanced environmental benefits provided by the Project Apartments and Townhomes through this Section 3.2, the City shall subject the Project Apartments and Townhomes to the 2019 California Building Standards Code as applicable to and/or adopted by the City pursuant to CMC Article VIII, provided Developer submits a conceptual design package to the City's Building & Safety Department on the City Building & Safety Department's Online Plan check (BSOP) website prior to January 1, 2023. The conceptual design package shall consist of a schematic set of development and design plans for all disciplines with sufficient detail for the City to undertake zoning compliance review, but shall not be required to include landscaping, structural, energy, accessibility, mechanical, electrical and/or plumbing related plans and design, provided it is within the City's legal discretion to deem such submittal complete as necessary to facilitate such grandfathering under applicable state and local law. A full set of construction plans with all disciplines shall be submitted prior to January 1, 2024 for the Apartments and Townhomes. Upon submittal of the full set of construction drawings, the Project shall be subject to the 2019 California Building Standards Code for the Term of this Agreement as specified in Section 2.1. It is further acknowledged that Developer submitted the necessary construction documents to the City's Building & Safety Department on or before December 11, 2023, prior to the January 1, 2024 deadline, and has therefore fully satisfied the requirements as set forth above in this Section 3.2 to subject the entire Project (Townhomes and Apartments) to the 2019 California Building Standards Code for the duration of the Term of the Agreement.

a. **Refrigerant Requirements and Additional EVCS Requirements for Apartments.**

(i) Notwithstanding the first paragraph of Section 3.2, the Apartments shall comply with Sections 1104.6.1 through 1104.6.2.4, inclusive, of the 2022 California Mechanical Code ("CMC") (including the July 1, 2024 Supplement), attached hereto as Exhibit E, which specify the type of refrigerant to be used for air conditioning systems and provide enhanced environmental benefits as compared to the requirements of the 2019 CMC.

(ii) In addition to the 15% of Apartment building parking spaces requiring full EVCS with EV chargers installed under subsection 3.2(b), an additional five percent (5%) of the Apartment parking spaces (otherwise required to only have conduit and wiring for future EVCS installation under subsection 3.2(b)) shall have full EVCS with EV chargers installed.

(iii) Notwithstanding any other provision of this subsection 3.2(a), the Apartments shall comply with the 2019 California Building Code requirements, including requirements related to providing conduit to ensure the Apartments are solar-ready for future installations. Where there are inconsistencies between the requirements of this Agreement and the 2019 California Building Code, Developer shall comply with the requirements of the 2019 California Building Code with the Los Angeles County Amendments.

(iv) This subsection 3.2(a) does not alter or modify any requirement applicable to the Townhomes.

b. **Enhanced Electric Vehicle Charging Stations ("EVCS").** Developer shall equip a total of fifty percent (50%) of the Project parking spaces with an EVCS benefit, as follows: (a) fifteen percent (15%) of the total Project parking spaces shall be full EVCS, with EV chargers installed; and (b) thirty-five percent (35%) of the total Project parking spaces shall have conduit and wiring to allow for future EVCS installation. The electrical panel for all buildings shall be designed such that it can accommodate full EVCS for 50% of parking spaces for the Project. EVCS spaces shall be assigned and managed in accordance with the parking management plan required per the Conditions of Approval, which may require the Developer to convert the EVCS parking spaces that are initially only provided with conduit and wiring into full EVCS parking spaces (with chargers installed) incrementally over time based on tenant need. All Townhomes shall have 240 volt NEMA 14-50 installed in the garage. All Townhomes shall have conduit and wiring for future solar installations.

c. **Mechanical Dwelling Unit System Efficiency Benefit.** The Project provides a mechanical dwelling unit system with a Seasonal Energy Efficiency Ratio ("SEER") of 15.

d. **Lighting Occupancy Sensors and Fenestration Energy Efficiency.** Notwithstanding any other provision of this Section 3.2, the Project shall: (i) provide state of the art occupancy sensors consistent with the California Energy Code in place at the time the time of Project permitting; and (ii) purchase and install windows and exterior façade materials consistent with the California Energy Code requirements in place at the time of Project permitting.

3.3 Publicly Accessible, Privately Maintained Open Space. Developer shall make the Project open space areas identified on Exhibit C attached to this Agreement ("**Public Open Space Areas**"), which total approximately 111,581 square feet, accessible to the public during the hours of 7:00 a.m. to 7:00 p.m. Developer shall be fully responsible for all maintenance, care and upkeep of the Public Open Space Areas through the life of the Project; this obligation shall survive

any termination or expiration of this Agreement.

3.4 Existing Pedestrian Bridge. Developer and City shall immediately commence good faith negotiations on improving the existing bridge that crosses the Dominguez Channel and connects Avalon Boulevard with Lenardo Boulevard ("Bridge"). Such negotiations will focus on improvements to the Bridge that will a) create and enhance the pedestrian access between Avalon Boulevard and Lenardo Boulevard; and b) improve the aesthetic appearance of the Bridge and the pedestrian connection between Avalon Boulevard and Lenardo Boulevard. Subject to any requisite approvals from any authority with jurisdiction over the Bridge, such improvements will include, but are not limited to, the following:

(1) removing the existing "PEDESTRIANS PROHIBITED" sign to allow for pedestrian access;

(2) restriping, or otherwise improving the aesthetic appearance of the Bridge;

(3) improving the pedestrian experience between Avalon Boulevard and Lenardo Boulevard through the installation of new landscaping and amenities such as additional wayfinding signage, etc. or other aesthetic improvements (collectively, the "**Improvements**").

Developer shall contribute an aggregate amount up to but not to exceed one hundred and twenty-five thousand dollars ($125,000), unless otherwise agreed to by Developer and City in a separate agreement, towards the Improvement no later than five (5) years from the Effective Date.

3.5 Restaurant and Kitchen Timing. Developer agrees that the restaurant space to be included in the Project's approximately 10,000 square feet (including outdoor/patio space) of ground floor commercial area must include a fully built out kitchen prior to issuance of a certificate of occupancy for the last residential building constructed within the Project.

3.6 Art Benefit.

a. **Apartments.** Prior to issuance of any certificates of occupancy for each of the two Apartment buildings, the Developer shall pay a public art fee equal to one percent (1%) of the total building valuation for the respective Apartment buildings as determined by the City's Building Official in accordance with the Marshall-Swift Valuation Guide per the City Building Official's standard practice ("Apartment Art Fee").

In lieu of paying the Apartment Art Fee, Developer may incorporate on-site art ("Apartment Art"), including but not limited to art within the exterior north side of the Project facing the 405 freeway, to the satisfaction of the Director, in which case Developer shall submit an Apartment Art plan, valuation, and implementation plan to the Director prior to issuance of the first certificate of occupancy for the respective Apartment building.

Unless otherwise approved by the Director pursuant to the Apartment Art implementation plan, Developer's on-site Apartment Art which corresponds to a particular building shall be installed prior to issuance of a final certificate of occupancy for the respective building. Individual

art valuations shall be submitted for each building. Should the value of Developer's onsite Apartment Art be less than one percent (1%) of the total building valuation for each of the two Apartment buildings, respectively, then Developer shall pay the City the difference in its entirety prior to issuance of the final certificate of occupancy for the respective Apartment building.

b. **Townhomes.** Prior to issuance of any certificates of occupancy for the Townhomes, the Developer shall pay a public art fee equal to one percent (1%) of the total building valuation for all Townhomes as determined by the City's Building Official in accordance with the Marshall-Swift Valuation Guide per the City Building Official's standard practice ("Townhome Art Fee").

In lieu of paying the Townhome Art Fee, Developer may incorporate on-site art ("Townhome Art"), including but not limited to art within the exterior north side of the Project facing the 405 freeway, to the satisfaction of the Director, in which case Developer shall submit a Townhome Art plan, valuation, and implementation plan to the Director prior to issuance of the first certificate of occupancy for the Townhomes.

Unless otherwise approved by the Director pursuant to the Townhome Art implementation plan, Developer's on-site Townhome Art shall be installed prior to issuance of a final certificate of occupancy for the Townhomes. Should the value of Developer's onsite Townhome Art be less than one percent (1%) of the total building valuation for Townhomes, then Developer shall pay the City the difference in its entirety prior to issuance of the certificate of occupancy for the 150th Townhome constructed as part of the Project.

3.7 Traffic Signal. Developer shall fund and install a new traffic signal at the Project entry location on Avalon Boulevard between the I-405 interchange and 213th Street, in accordance with plans approved by the City's Director of Public Works or his or her designee, which shall include approval of the projected costs. Developer will be eligible for reimbursement of up to 50% of the approved costs of the new traffic signal by City upon completion of the comprehensive redevelopment of the Kott site (located to the east of the Property, north of E. 213th St. and east of Avalon Blvd. to the I-405 freeway). Developer shall submit plans for the traffic signal with an estimate of the cost prior to issuance of the first building permit issued for the Project and shall complete installation prior to issuance of the first Project certificate of occupancy.

In addition to the traffic signal at the Project entry location on Avalon Boulevard between the I-405 interchange and 213th Street, Developer is responsible to signalize the currently stop-controlled Grace Avenue/213th Street intersection per MMRP PDF-TRA-2 ("Grace Avenue/213th Street Signalization"). In lieu of signalizing the intersection, Developer may pay an in-lieu fee of Seven Hundred and Fifty Thousand Dollars ($750,000) to the City. The in-lieu fee shall be payable as follows: One Hundred Thousand Dollars ($100,000) shall be due prior to issuance of any Building Permit for the Project and Six Hundred and Fifty Thousand Dollars ($650,000) shall be due prior to issuance of any Certificate of Occupancy for the Project in order to satisfy the requirement. The amount prescribed shall be used by the City to upgrade the Grace Avenue/213th Street intersection.

4 DEVELOPMENT OF THE PROPERTY.

4.1 Scope of Developer's Vested Right. Subject to the Reservation of Authority set forth in Article 5, Developer shall have the vested right to develop the Project in accordance with and to the full extent permitted under the Applicable Laws and this Agreement ("**Developer's Vested Right**").

4.2 Effect of Agreement on Land Use Regulations. Except as otherwise provided under the terms of this Agreement, the rules, regulations and official policies governing permitted uses of the Property, the density and intensity of use of the Property, the maximum height and size of proposed buildings, and the design, improvement and construction standards and specifications applicable to the Development of the Property, shall be as set forth in the Existing Land Use Regulations which were in full force and effect as of the Effective Date, subject to the terms of this Agreement.

4.3 Rights under State and Federal Law. Developer shall retain all rights it has under state and federal law, including, but not limited to, Developer's rights under Government Code Section 65865.2, which provides that subsequent discretionary actions shall not prevent development of the Property for the uses and to the density or intensity of development set forth in the Project Development Approvals.

4.4 Apportionment. Developer shall have the right to apportion the uses, intensities, and densities of the Project between itself and any subsequent owners, upon the sale, transfer, or assignment of all or any portion of the Property, so long as such apportionment is consistent with the Applicable Laws and this Agreement.

4.5 Lesser Development. Except as otherwise provided in this Agreement: without amending this Agreement, Developer shall have the right to elect to develop and construct upon all or any portion of the Property a Project of lesser height or building size than that permitted by the Project Development Approvals provided that the Project otherwise complies with the Project Development Approvals and this Agreement.

4.6 Project Development Approvals; Subsequent Development Approvals. The Project Development Approvals for the Project may require the processing of Subsequent Development Approvals. Subject to the provisions of Section 4.7 below, the City shall accept for processing, review and action all applications for Subsequent Development Approvals, and such applications shall be processed in the normal manner for processing such matters in accordance with the Existing Land Use Regulations. The parties acknowledge that subject to the Existing Land Use Regulations, under no circumstances shall City be obligated in any manner to approve any Subsequent Development Approval, or to approve any Subsequent Development Approval with or without any particular condition. However, unless otherwise requested by Developer, City shall not, without good cause, amend or rescind any Subsequent Development Approvals respecting the Property after such approvals have been granted by the City. Processing of Subsequent Development Approvals or changes in the Project Development Approvals made pursuant to Developer's application shall not require an amendment to this Agreement. This Agreement shall not prevent City from denying or conditionally approving any application for a Subsequent Development Approval on the basis of the Existing Land Use Regulations.

4.7 Role of Project Development Approvals. Except as provided within this

Agreement, the Project Development Approvals shall exclusively control the uses of the Property, the density or intensity of use, the maximum height and size of proposed buildings, the provisions for reservation or dedication of land for public purposes and the design, improvement, and construction standards and specifications applicable to the Project. Pursuant to Government Code Section 66452.6, the term of any tentative map for the Property or any portion thereof, if any, filed within the term of this Agreement shall automatically be extended for the term of this Agreement, as amended by the Project Development Approvals. In addition, Developer shall have the right to commence Project construction of both Apartment buildings and the Townhomes within the Project prior to the recordation of an approved final subdivision map No. 83157 if applicable permits have been issued and all other applicable conditions of approval and Development Agreement provisions are met. However, the approved final subdivision map must be recorded prior to issuance of any certificates of occupancy (temporary or otherwise) for the Project, and prior to any occupancy of the Project. Following recordation of the final subdivision map, temporary certificates of occupancy shall be issued if buildings or units are deemed to have satisfied all applicable fire-life safety components and systems to safely occupy the completed areas as determined by the Building Official. To support development of the Project, which may be completed in phases, the City hereby agrees that final certificates of occupancy shall also be issued for each individual Project phase. The anticipated phases consist of: (i) the Townhome component, (ii) the first Apartment building and (iii) the second Apartment building, respectively. Any tentative map prepared for the Project subdivision will comply with Government Code Section 66473.7.

4.8 Moratorium. Notwithstanding any other provision of this Agreement, no future amendment of any existing City ordinance or resolution or any subsequent ordinance, resolution or moratorium, enacted either by the City Council or by voter approved initiative, that purports to impose or result in a limitation on the Project, imposed by City, shall apply to govern, or regulate the Project or development or use of the Property during the Term. In the event of any such subsequent action by City, Developer shall continue to be entitled to apply for and receive Development Approvals in accordance with the Existing Land Use Regulations, subject only to the exercise of the City's Reservation of Authority set forth herein.

4.9 Maintaining Property. The Property must at all times be maintained and generally kept in a clean condition, in accordance with the CMC and the City's code enforcement regulations.

5. CITY'S RESERVATION OF AUTHORITY.

Notwithstanding Developer's Vested Right, the Project is subject to the following Subsequent Land Use Regulations:

5.1 City's Discretion Under Applicable Laws. In considering future applications, if any, for a Subsequent Development Approval, the City may exercise its regulatory discretion to the extent permitted by the Applicable Laws.

5.2 Uniform Codes. Changes adopted by the International Conference of Building Officials, or other similar body, as part of the then most current versions of the Uniform Building Code, Uniform Fire Code, Uniform Plumbing Code, Uniform Mechanical Code, or National Electrical Code, or other such Uniform Codes, and also adopted by City as Subsequent Land Use

Regulations, but only if: (i) the Project is not subjected to the 2019 codes pursuant to Section 3.2 of this Agreement; and (ii) such changes are applicable City-wide.

5.3 Emergencies. Emergency rules, regulations, laws, and ordinances within the City's police power that would limit the exercise of Developer's Vested Right ("**Conflicting Emergency Regulations**"), provided that the Conflicting Emergency Regulations:

a. Result from a sudden, unexpected emergency declared by the President of the United States, Governor of California, County Board of Supervisors and applicable to incorporated areas, including the City, or the City Council;

b. Address a clear and imminent danger, with no effective reasonable alternative available that would have a lesser adverse effect on Developer's Vested Right;

c. Do not primarily or disproportionately impact the development of the Project; and

d. Are based upon findings of necessity established by a preponderance of the evidence at a public hearing.

5.4 Laws of Other Jurisdictions. Other public agencies not subject to control by City may possess authority to regulate aspects of the Project. This Agreement does not limit the authority of such other public agencies. Therefore:

a. Federal, state, county, and multi-jurisdictional laws and regulations (the "**Additional Regulations**"), including regional impact fees, which City is required to enforce against the Property or the Project, except if the Additional Regulations are for the purpose of mitigating a significant or potentially significant impact that has already been mitigated pursuant to the Project's EIR.

b. If an Additional Regulation is enacted after the Effective Date and prevents or precludes compliance with one or more of the provisions of this Agreement, those provisions shall be modified or suspended as may be necessary to comply with the Additional Regulation. In that event, this Agreement shall remain in full force and effect to the extent it is not inconsistent with the Additional Regulation and to the extent that the suspension or modification necessitated by the Additional Regulation does not deny one of the Parties its primary benefits under this Agreement.

c. Developer shall apply in a timely manner for such other permits and approvals that are lawfully required by other governmental or quasi-governmental agencies in order to allow the Project to be constructed. City shall provide Developer reasonable cooperation in Developer's efforts to obtain such permits and approvals. The Parties shall cooperate and use reasonable efforts in coordinating the implementation of the Development with other public agencies, if any, having jurisdiction over the Property or

the Project.

5.5 Modification or Suspension by Federal or State Laws. In the event that Federal or State laws or regulations, enacted after the Effective Date, prevent or preclude compliance with one or more of the provisions of this Agreement, such provisions of this Agreement shall be modified or suspended as may be necessary to comply with such Federal or State laws or regulations, and this Agreement shall remain in full force and effect to the extent it is not inconsistent with such laws or regulations and to the extent such laws or regulations do not render such remaining provision impractical to enforce.

5.6 Employment Outreach for Local Residents. A goal of the City with respect to this Project and other major projects within the City is to foster employment opportunities for Carson residents. To that end, Developer covenants that with respect to the construction, operation and maintenance of the Project, the Developer shall make reasonable efforts to cause all solicitations for full or part-time, new or replacement, employment relating to the construction, operation and maintenance of the Project to be advertised in such a manner as to target local City residents and shall make other reasonable efforts at local employment outreach as the City shall approve. Developer shall also notify the City of jobs available at the Project such that the City may inform City residents of job availability at the Project. Developer will inform its purchasers and lessees of the provisions of these requirements. Nothing in this paragraph shall require Developer to offer employment to individuals who are not otherwise qualified for such employment. Without limiting the generality of the foregoing, the provisions of this Section 5.6 are not intended, and shall not be construed, to benefit or be enforceable by any person whatsoever other than City.

5.7 Prevailing Wages. Developer's cost of developing the Project and constructing all of the on-site and off-site improvements, if any, at or about the Property required to be constructed for the Project shall be borne by Developer. Developer is aware of the laws of the State governing the payment of prevailing wages on public projects and will comply with same and will defend, hold harmless, and indemnify City in the event Developer fails to do so. As the City is not providing any direct or indirect financial assistance to Developer, the Project should not be considered to be a "public work" "paid for in whole or in part out of public funds," as described in California Labor Code Section 1720. Accordingly, it is believed by the parties that Developer is not required to pay prevailing wages in connection with any aspect of the Development or the construction of the Project. However, to the extent that (contrary to the parties' intent) it is determined that Developer was required to pay prevailing wage and has not paid prevailing wages for any portion of the Project, Developer shall defend, indemnify, and hold the City (which, for purposes of this section, shall include its related agencies, officers, employees, agents and assigns) harmless from and against any and all increase in construction costs, or other liability, loss, damage, costs, or expenses (including reasonable attorneys' fees and court costs) arising from or as a result of any action or determination that Developer failed to pay prevailing wages in connection with the construction of the Project. City shall reasonably cooperate with Developer regarding any action by Developer hereunder challenging any determination that the Project is subject to the payment of prevailing wages. Notwithstanding the foregoing, the City retains the right to settle or abandon the matter without Developer's consent as to the City's liabilities or rights only, but should it do so, City shall waive the indemnification herein provided such waiver occurs prior to the issuance of any judgment in the matter.

5.8 Fees, Taxes, and Assessments.

a. **Processing Fees**. The Developer shall pay all processing fees and charges of every kind and nature imposed by City to cover the estimated actual costs to City of processing applications for Project Development Approvals, including but not limited to, City Attorney fees incurred by City for the review, preparation and negotiation of the Entitlements, inclusive of this Agreement, at a rate of $495 per hour for partners and $395 per hour for associates, and for monitoring compliance with any Project Development Approvals granted or issued, in accordance with the Reimbursement and Indemnification Agreement entered into by and between the Parties effective December 16, 2019, and as amended and restated pursuant to the First Amended Reimbursement and Indemnification Agreement entered into by and between the Parties effective June 1, 2022, and as the same may be amended from time to time by mutual agreement of the Parties.

b. **Permit Fees**. Except as expressly provided in this Agreement, Developer shall pay all standard permit fees and other fees and charges which are standard and uniformly-applied to similar projects in the City.

c. **Master Community Facilities District.** On November 7, 2018, the City formed a Master CFD entitled City of Carson Community Facilities District No. 2018-01 (Maintenance and Services) (the "**Master CFD**") for the purpose of funding the maintenance of public infrastructure within the area of the Master CFD which is within the City's jurisdictional boundaries (the "**Services**") including areas that voluntarily annex into the Master CFD. The Parties agree that the City will not require annexation of the Property or the Project into the Master CFD for the life of the Project. This provision shall survive the Term of the Agreement.

d. **Development Impact Fee.** Developer shall be required to pay any Development Impact Fees that would normally be required in the execution of the Project pursuant to City Ordinance No. 19-1931. In accordance with Carson Municipal Code Section 11504, the City has determined that Developer shall not be required to pay Development Impact Fees for any Townhome or Apartment building until the issuance of a certificate of occupancy for the specific Townhome or Apartment building or up to twelve (12) months following the issuance of the building permit for the specific Townhome or Apartment building, whichever occurs first. The deferred Development Impact Fee payments will be based on the fees in effect at the time of actual payment, including any applicable fee credits or reimbursements to which Developer might be entitled under the Carson Municipal Code. Developer's obligation for payment of Development Impact Fees is as more particularly detailed in DOR Condition of Approval No. 59 and VTTM Condition of Approval No. 103. This provision is intended to be, and shall be implemented so as to be, consistent with the requirements of Government Code Section 66007, and is not intended to

confer a unique or special benefit on the Project that it would not otherwise be entitled to under state law and the Carson Municipal Code.

e. **General Charges**. Nothing herein shall prohibit the application of the following, if lawfully imposed upon the Property, excluding any existing or future CFD:

(i) Additional Taxes, Fee, and Charges. Developer, or Developer's Project occupants, shall pay all normal and customary taxes, fees, and charges applicable to all permits necessary for the Project, and any taxes, fees, and charges hereafter imposed by City, which are standard and uniformly-applied to similar properties in the City.

(ii) Developer, or Developer's Project occupants, shall be obligated to pay any fees or taxes, and increases thereof, imposed on a City-wide basis such as business license fees or taxes, sales or use taxes, transient occupancy taxes, utility taxes, and public safety taxes;

(iii) Developer, or Developer's Project occupants, shall be obligated to pay any fees imposed pursuant to any Uniform Code.

(iv) Developer, or Developer's Project occupants, shall be obligated to pay any utility fees and charges, including amended rates thereof, for City services such as electrical utility charges, water rates, and sewer rates.

5.9 Inconsistencies. It is expressly agreed that in the event of any inconsistency between the provisions or conditions of the Existing Land Use Regulations or Conditions of Approval and the provisions of this Agreement, the provisions of this Agreement shall govern. The conditions of such Existing Land Use Regulations and Conditions of Approval shall be interpreted insofar as possible to prevent such inconsistency, and in the event this Agreement is silent concerning an issue, the conditions of the Existing Land Use Regulations and Conditions of Approval shall govern. As between several instruments and regulations governing the Project, in the event of a clear and explicit conflict which cannot be resolved through interpretation, the following interpretive priorities shall apply: (i) the terms of this Agreement shall prevail over the provisions of the Existing Land Use Regulations and Project Development Approvals except where the Conditions of Approval are more restrictive, in which event the Conditions of Approval shall prevail; (ii) the terms of the Project Development Approvals shall prevail over the terms of the Existing Land Use Regulations, except where such Existing Land Use Regulations are legally preemptive; and (iii) the terms of the Project Development Approvals shall take priority over the provisions of the CEQA instruments and EIR approved in conjunction with the Project, except where the EIR is legally preemptive.

6. ANNUAL REVIEW.

6.1 Timing of Annual Review. Pursuant to Government Code Section 65865.1, at least once during every twelve (12) month period of the Term, City shall review the good faith compliance of Developer with the terms of this Agreement ("**Annual Review**"). No failure on the

part of City to conduct or complete an Annual Review as provided herein shall have any impact on the validity of this Agreement, nor shall it be deemed a breach on the part of Developer. The cost of the Annual Review shall be borne by Developer and Developer shall pay the actual and reasonable costs incurred by the City for such review.

6.2 Special Review. The City Council may, in its sole and absolute discretion, order a special review of compliance with this Agreement at any time at City's sole cost ("**Special Review**"). Developer shall cooperate with the City in the conduct of such Special Reviews.

6.3 Standards for Annual Review. During the Annual Review, Developer shall demonstrate good faith compliance with the terms of this Agreement. "**Good faith compliance**" shall be established if Developer is in substantial compliance with the material terms and conditions of this Agreement.

6.4 Procedure. Each party shall have a reasonable opportunity to assert matters which it believes have not been undertaken in accordance with the Agreement, to explain the basis for such assertion, and to receive from the other party a justification of its position on such matters. The procedure for an Annual Review or Special Review shall be as follows:

a. As part of either an Annual Review or Special Review, within ten (10) days of a request for information by the City, the Developer shall deliver to the City all information and supporting documents reasonably requested by City (i) regarding the Developer's performance under this Agreement demonstrating that the Developer has complied in good faith with the terms of this Agreement, and (ii) as required by the Existing Land Use Regulations.

b. The City Manager, or his/her designee, shall prepare and submit to Developer a written report on the performance of this Agreement and identify any perceived deficiencies in Developer's performance of this Agreement. The Developer may submit written responses to the report and Developer's written response shall be included in the City Manager's report. If the City Manager determines that the Developer has substantially complied with the terms and conditions of this Agreement, the Annual or Special Review shall be concluded.

c. If any deficiencies are noted, or if requested by a Councilmember, a public hearing shall be held before the City Council at which the Council will review the City Manager's report. The report to Council shall be made at a regularly-scheduled City Council meeting occurring as soon as possible, subject to the requirements of the Brown Act, after the commencement of the Annual or Special Review process outlined in this Section 6.4. If the City Council finds and determines, based on substantial evidence, that the Developer has not substantially complied with the terms and conditions of this Agreement for the period under review, the City may declare a default by the Developer in accordance with Article 7.

d. Neither party hereto shall be deemed in breach if the reason for non-compliance is due to a "force majeure" as defined in, and subject to the provisions of, Section 13.11.

6.5 Certificate of Agreement Compliance. If, at the conclusion of an Annual Review or a Special Review, Developer is found to be in compliance with this Agreement, City shall, upon written request by Developer, issue a Certificate of Agreement Compliance ("**Certificate**") to Developer stating that after the most recent Annual Review or Special Review and based upon the information known or made known to the City Manager, Planning Commission, and City Council that (i) this Agreement remains in effect and (ii) Developer is in compliance. The Certificate, whether issued after an Annual Review or Special Review, shall be in recordable form, shall contain information necessary to communicate constructive record notice of the finding of compliance. Developer shall at its cost record the Certificate with the County Recorder. Additionally, Developer may at any time request from the City a Certificate stating, in addition to the foregoing, which obligations under this Agreement have been fully satisfied with respect to the Property, or any lot or parcel within the Property.

6.6 Review Process Not a Prerequisite to Declaring a Default. Neither the Annual Review nor Special Review procedure is a prerequisite to either party declaring a default and initiating the default and cure procedure in Article 7. In other words, either party may declare a default at any time without first undertaking the Annual Review or Special Review process.

6.7 Public Hearings. The public hearing prescribed by Section 6.4 is independent of, and in addition to, any further hearing procedures relating to defaults and remedies prescribed in Article 7 below. Thus, if the City Council finds that the Developer has not substantially complied with the terms and conditions of this Agreement as part of a review process pursuant to Section 6.4 and determines to declare a default, the City Council is still required to follow the notice/cure process (Section 7.2) and the termination hearing process (Section 7.4) before terminating this Agreement.

7. DEFAULTS AND REMEDIES.

7.1 Remedies Available. The parties acknowledge and agree that other than the termination of this Agreement pursuant to Article 7, specific performance, injunctive and declaratory relief are the only remedies available for the enforcement of this Agreement and knowingly, intelligently, and willingly waive any and all other remedies otherwise available in law or equity. Accordingly, and not by way of limitation, and except as otherwise provided in this Agreement, Developer shall not be entitled to any money damages from City by reason of any default under this Agreement. Further, Developer shall not bring an action against City nor obtain any judgment for damages for a regulatory taking, inverse condemnation, unreasonable exactions, reduction in value of property, delay in undertaking any action, or asserting any other liability for any matter or for any cause which existed or which the Developer knew of or should have known of prior to the time of entering into this Agreement, Developer's sole remedies being as specifically provided above. Developer acknowledges that such remedies are adequate to protect Developer's interest hereunder and the waiver made herein is made in consideration of the obligations assumed by the City hereunder.

7.2 Declaration of Default & Opportunity to Cure.

a. Rights of Non-Defaulting Party after Default. The parties acknowledge that both parties shall have hereunder all legal and equitable remedies as provided by law following the occurrence of a default or to enforce any covenant or agreement herein except as provided in Section 7.1. Before this Agreement may be terminated or action may be taken to obtain judicial relief the party seeking relief ("**Non-Defaulting Party**") shall comply with the notice and cure provisions of this Section 7.2.

b. Notice and Opportunity to Cure. A Non-Defaulting Party in its discretion may elect to declare a default under this Agreement in accordance with the procedures hereinafter set forth for any failure or breach of the other party ("**Defaulting Party**") to perform any material duty or obligation of the Defaulting Party under the terms of this Agreement. However, the Non-Defaulting Party must provide written notice to the Defaulting Party setting forth the nature of the breach or failure and the actions, if any, required by the Defaulting Party to cure such breach or failure (the "**Default Notice**"). The Defaulting Party shall be deemed in Default under this Agreement, if the breach or failure can be cured, but the Defaulting Party has failed to take such actions and cure such default within thirty (30) days after the date of such notice or ten (10) days for monetary defaults (or such lesser time as may be specifically provided in this Agreement). However, if such non-monetary Default cannot be cured within such thirty (30) day period, and if and, as long as the Defaulting Party does each of the following:

(i) Notifies the Non-Defaulting Party in writing with a reasonable explanation as to the reasons the asserted default is not curable within the thirty (30) day period;

(ii) Notifies the Non-Defaulting Party of the Defaulting Party's proposed cause of action to cure the default;

(iii) Promptly commences to cure the default within the thirty (30) day period;

(iv) Makes periodic reports to the Non-Defaulting Party as to the progress of the program of cure; and

(v) Diligently prosecutes such cure to completion.

Then the Defaulting Party shall not be deemed in breach of this Agreement.

7.3 Termination Notice. Upon receiving a Default Notice, should the Defaulting Party fail to timely cure any default, or fail to diligently pursue such cure as prescribed above, the Non-Defaulting Party may seek termination of this Agreement, in which case the Non-Defaulting Party shall provide the Defaulting Party with a written notice of intent to terminate this Agreement ("**Termination Notice**"). The Termination Notice shall state that the Non-Defaulting Party will

elect to terminate this Agreement within thirty (30) days and state the reasons therefor (including a copy of any specific charges of default or a copy of the Default Notice) and a description of the evidence upon which the decision to terminate is based. Once the Termination Notice has been issued, the Non-Defaulting Party's election to terminate this Agreement will only be rescinded if so determined by the City Council pursuant to Section 7.4.

7.4 Hearing Opportunity Prior to Termination. If Developer is the Defaulting Party pursuant to Section 7.3, then the City's Termination Notice to Developer shall additionally specify that Developer has the right to a hearing prior to the City's termination of any Agreements ("**Termination Hearing**"). The Termination Hearing shall be scheduled as an open public hearing item at a regularly-scheduled City Council meeting within thirty (30) days of the Termination Notice, subject to any legal requirements including but not limited to the Ralph M. Brown Act, Government Code Sections 54950-54963. At said Termination Hearing, Developer shall have the right to present evidence to demonstrate that it is not in default and to rebut any evidence presented in favor of termination. Based upon substantial evidence presented at the Termination Hearing, the Council may, by adopted resolution, act as follows:

a. Decide to terminate this Agreement; or

b. Determine that Developer is innocent of a default and, accordingly, dismiss the Termination Notice and any charges of default; or

c. Impose conditions on a finding of default and a time for cure, such that Developer's fulfillment of said conditions will waive or cure any default.

Findings of a default or a conditional default must be based upon substantial evidence supporting the following two findings: (i) that a default in fact occurred and has continued to exist without timely cure, and (ii) that such default has caused or will cause a material breach of this Agreement and/or a substantial negative impact upon public health, safety and welfare, the environment, or such other interests that the City and public may have in the Project.

7.5 Rights and Duties Following Termination. Upon the termination of this Agreement, no party shall have any further right or obligation hereunder except with respect to (i) any obligations to have been performed prior to said termination, (ii) any default in the performance of the provisions of this Agreement which has occurred prior to said termination, or (iii) the indemnification provisions of Article 8. Termination of this Agreement pursuant to this Section 7 shall automatically terminate the Project Development Approvals.

7.6 Waiver of Breach. By not challenging any Development Approval within ninety (90) days of the action of City enacting the same, Developer shall be deemed to have waived any claim that any condition of approval is improper or that the action, as approved, constitutes a breach of the provisions of this Agreement.

7.7 Interest on Monetary Default. In the event Developer fails to perform any monetary obligation under this Agreement, Developer shall pay interest thereon at the rate of six and one-half percent (6.5%) per annum from and after the due date of said monetary obligation until payment is actually received by City.

8. THIRD PARTY LITIGATION.

8.1 Indemnity Obligations on Third-Party Claims

a. Developer hereby agrees to indemnify, defend, and hold City, its officers, agents, employees, members of its City Council and any commission, partners and representatives ("**City Indemnitees**") harmless from any and all claims, actions, suits, damages, liabilities, and any other actions or proceedings (whether legal, equitable, declaratory, administrative, or adjudicatory in nature) (collectively, "**Claims**"), asserted against City or City Indemnitees arising out of or in connection with this Agreement, including, without limitation, (i) City's approval of this Agreement and all documents related to any of the Project Development Approvals, Conditions of Approval, permits, or other entitlements for the Project and issues related thereto (including, without limitation, City's determinations regarding CEQA compliance and/or any other development incentives granted to the Project), (ii) the development of the Project, (iii) liability for damage or claims for damage for personal injury including death and claims for property damage which may arise from, or are attributable to, Developer's (or Developer's contractors, subcontractors, agents, employees or other persons acting on Developer's behalf ("**Developer's Representatives**")) performance of its obligations under this Agreement and/or the negligence or misconduct of Developer or of Developer's Representatives which relate to the Project or the Property, and (iv) Developer's failure to comply with any applicable federal, state or local law, rule, or regulation, including, but not limited to, those relating to industrial hygiene or to environmental conditions on, under or about the Property, such as (without limitation) soil and groundwater conditions.

b. The City shall provide the Developer with notice of the pendency of such Claims within ten (10) days of being served or otherwise notified of such Claims and shall request that the Developer defend such action. The Developer may utilize the City Attorney's office or use legal counsel of its choosing, but shall reimburse the City for any necessary legal cost incurred by City. In all cases, City shall have the right to utilize the City Attorney's office in any legal action. The Developer shall provide a deposit in the amount of 100% of the City's estimate, in its sole and absolute discretion, of the cost of litigation, including the cost of any award of attorney's fees. If the Developer fails to provide the deposit, and after compliance with the provisions of this Section 8.1, the City may abandon the action and the Developer shall pay all costs resulting therefrom and City shall have no liability to the Developer. The Developer's obligation to pay the cost of the action, including judgment, shall extend until judgment. After judgment in a trial court, the parties must mutually agree as to whether any appeal will be taken or defended. City agrees that it shall fully cooperate with the Developer in the defense of any matter in which the Developer is defending and/or holding the City harmless.

8.2 Hold Harmless: Developer's Construction, and Other Activities. The Developer shall defend, save and hold the City and its elected and appointed boards, commissions, officers, agents, and employees harmless from any and all claims, costs (including attorneys' fees) and liability for any damages, personal injury or death, which may arise, directly or indirectly, from the Developer's or the Developer's agents, contractors, subcontractors, agents, or employees' Project construction activities and operations under this Agreement, whether such Project construction activities and operations be by the Developer or by any of the Developer's agents, contractors or subcontractors or by any one or more persons directly or indirectly employed by or acting as agent for the Developer or any of the Developer's agents, contractors or subcontractors. Nothing herein shall be construed to mean that the Developer shall hold the City harmless and/or defend it from any claims arising from, or alleged to arise from, the sole negligence or gross or willful misconduct of the City's officers, employees, agents, contractors of subcontractors.

8.3 Loss and Damage. City shall not be liable for any damage to property of Developer or of others located on the Property, nor for the loss of or damage to any property of Developer or of others by theft or otherwise. City shall not be liable for any injury or damage to persons or property resulting from fire, explosion, steam, gas, electricity, water, rain, dampness or leaks from any part of the Property or from the pipes or plumbing, or from the street, or from any environmental or soil contamination or hazard, or from any other latent or patent defect in the soil, subsurface or physical condition of the Property, or by any other cause of whatsoever nature. Nothing herein shall be construed to mean that the Developer shall bear liability for the sole negligence or gross or willful misconduct of the City's officers, employees, agents, contractors or subcontractors.

8.4 Non-liability of City Officers and Employees. No official, agent, contractor, or employee of the City shall be personally liable to the Developer, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Developer or to its successor, or for breach of any obligation of the terms of this Agreement.

8.5 Conflict of Interest. No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to this Agreement which affects the financial interest of any corporation, partnership or association in which he or she is, directly or indirectly, interested, in violation of any state statute or regulation.

8.6 Survival of Indemnity Obligations. All indemnity provisions set forth in this Agreement shall survive expiration or sooner termination of this Agreement for any reason other than a default by City.

9. INSURANCE.

9.1 Types of Insurance.

a. **Public Liability Insurance**. Prior to commencement and until completion of construction of improvements by Developer on the Property, Developer shall, at its sole cost and expense, keep or cause to be kept in force, for the mutual benefit of City and Developer, comprehensive broad form general

public liability insurance against claims and liability for personal injury or death arising from the use, occupancy, disuse or condition of the Property, improvements or adjoining areas or ways, affected by such use of the Property or for property damage. Such policy shall provide protection of at least $5,000,000 for bodily injury or death to any one person, at least $5,000,000 for any one accident or occurrence, and at least $5,000,000 for property damage, and $10,000,000 in the aggregate.

b. **Worker's Compensation**. To the extent Developer and its contractors utilize employees for any portion of the Project, Developer and such contractors shall also furnish or cause to be furnished to City evidence reasonably satisfactory to it that Developer and any contractor with whom Developer has contracted for the performance of any work for which Developer is responsible hereunder carries workers' compensation insurance as required by law.

c. **Automobile Liability Insurance**. Developer shall ensure that all contractors with whom Developer has contracted for the performance of any work for which Developer is responsible hereunder maintains automobile insurance at least as broad as Insurance Services Office form CA 00 01 covering bodily injury and property damage for all activities of the Developer arising out of or in connection with work to be performed under this Agreement, including coverage for any owned, hired, non-owned or rented vehicles, in an amount not less than $5,000,000 combined single limit for each accident.

d. **Pollution Liability Insurance**. Environmental Impairment Liability Insurance shall be written on a Contractor's Pollution Liability form or other form acceptable to City providing coverage for liability arising out of sudden, accidental and gradual pollution and remediation. The policy limit shall be no less than $5,000,000 dollars per claim and $10,000,000 in the aggregate. All activities contemplated in this Agreement shall be specifically scheduled on the policy as "covered operations." The policy shall provide coverage for the hauling of waste from the Project site to the final disposal location, including non-owned disposal sites.

e. **Builder's Risk Insurance.** Builder's Risk (Course of Construction) insurance utilizing an "All Risk" (Special Perils) coverage form, with limits equal to the completed value of the project and no coinsurance penalty provisions or provisional limit provisions. The policy must include: (1) coverage for any ensuing loss from faulty workmanship, nonconforming work, omission or deficiency in design or specifications; (2) coverage against machinery accidents and operational testing; (3) coverage for removal of debris, and insuring the buildings, structures, machinery, equipment, materials, facilities, fixtures and all other properties constituting a part of the project; (4) ordinance or law coverage for contingent rebuilding, demolition, and increased costs of construction; (5) transit

coverage (unless insured by the supplier or receiving contractor), with sub-limits sufficient to insure the full replacement value of any key equipment item; (6) ocean marine cargo coverage insuring any project materials or supplies, if applicable; (7) coverage with sub-limits sufficient to insure the full replacement value of any property or equipment stored either on or off the project site or any staging area**.** The City and Developer shall each be included as Loss Payee for their respective insurable interest.

f. **Professional Liability Insurance.** Professional liability insurance appropriate to the profession for any design work. This coverage may be written on a "claims made" basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of the services or the termination of this Agreement. During this additional 5-year period, Developer shall annually and upon request of the City submit written evidence of this continuous coverage.

g. **Other Insurance**. Developer may procure and maintain any insurance not required by this Agreement, but all such insurance shall be subject to all of the provisions hereof pertaining to insurance and shall be for the benefit of City and Developer. Developer shall ensure that all contractors and sub-contractors maintain the required minimum insurance coverages, or shall include the contractors and subcontractors under its insurance.

h. **Renegotiation of Policy Limits.** In the event the Developer in good faith determines and submits substantial evidence to the City that any of the foregoing policy limits or required coverage provisions are unreasonable and not consistent with the prevailing insurance market at the relevant time, the City will reconsider such policy limit(s) or required coverage provision(s) in good faith, and may, but is not required to, approve a modification to same, which approval may be given by the City Manager or designee.

i. **Partial Transfer of Property.** In the event Developer transfers ownership of any portion of the Property ("Transferred Property"), Developer and the owner of the Transferred Property shall each be responsible for compliance with this Section 9, but shall only be required to insure their respective parcels, rather than the entire Property. To the extent Developer or owner of the Transferred Property perform work on portions of the Property not owned by them, then such party shall be responsible to comply with Section 9 for the full extent of the work area until the work is completed.

9.2 Insurance Policy Form, Sufficiency, Content, and Insurer. All insurance required by express provisions hereof shall be carried only by responsible insurance companies licensed and admitted to do business by California, rated "A" or better in the most recent edition of

Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VIII or better, unless waived by City. All such policies shall be non-assessable and shall contain language, to the extent obtainable, to the effect that (i) any loss shall be payable notwithstanding any act of negligence of City or Developer that might otherwise result in the forfeiture of the insurance, (ii) the insurer waives the right of subrogation against City and against City's agents and representatives; (iii) the policies are primary and noncontributing with any insurance that may be carried by City; and (iv) the policies cannot be canceled or materially changed except after thirty (30) days' written notice by the insurer to City or City's designated representative. Developer shall furnish City with copies of all such policies promptly on receipt of them or with certificates evidencing the insurance. City shall be named as an additional insured on all policies of insurance required to be procured by the terms of this Agreement, except for all insurance required by Developer's contractors, both City and Developer shall be named as an additional insured. Moreover, the insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention. In the event the City's Risk Manager determines that the use, activities or condition of the Property, improvements or adjoining areas or ways, affected by such use of the Property under this Agreement creates an increased or decreased risk of loss to the City, Developer agrees that the minimum limits of the insurance policies required by Section 9.1 may be changed accordingly upon receipt of written notice from the City's Risk Manager; provided that Developer shall have the right to appeal a determination of increased coverage to the City Council of City within ten (10) days of receipt of notice from the City's Risk Manager.

9.3 Failure to Maintain Insurance and Proof of Compliance. Developer shall deliver to City, in the manner required for notices, copies of certificates of all insurance policies together with endorsements required hereunder together with evidence satisfactory to City of payment required for procurement and maintenance of each policy within the following time limits:

a. For insurance required above except for professional liability insurance, prior to issuance of the first permit requiring or authorizing any construction or ground disturbance for the Project. For the avoidance of doubt, removal and disassembly of the Park clubhouse structure and/or Park coaches, without demolition of foundation or slab, is not included in the preceding sentence. For professional liability insurance, by August 1, 2023.

b. For any renewal or replacement of a policy already in existence, at least ten (10) days before the expiration or termination of the existing policy.

c. If Developer fails or refuses to procure or maintain insurance as required hereby or fails or refuses to furnish City with required proof that that insurance has been procured and is in force and paid for, such failure or refusal shall be a default hereunder.

9.4 Waiver of Subrogation. Developer agrees that it shall not make any claim against, or seek to recover from City or its agents, servants, or employees, for any loss or damage to Developer or to any person or property, except as specifically provided hereunder and Developer shall give notice to any insurance carrier of the foregoing waiver of subrogation, and obtain from

such carrier, a waiver of right to recovery against City, its agents and employees.

9.5 Broader Coverages and Higher Limits. Notwithstanding anything else herein to the contrary, if Developer maintains broader coverages and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverages and/or higher limits maintained by Developer.

10. MORTGAGEE PROTECTION.

10.1 Except as otherwise provided by Applicable Laws and this Agreement, the Parties agree that this Agreement shall not prevent or limit any Developer, in any manner, at Developer's sole discretion, from encumbering (i) its portion of the Property or any portion thereof or any improvement thereon or (ii) the membership interests in such Developer, by any mortgage, deed of trust, pledge or other security device securing financing with respect to such portion of the Property or such membership interests. City acknowledges that the lenders providing such financing may require certain Agreement interpretations, modifications, and estoppel certificates and City agrees upon request, from time to time, to communicate and meet with Developer and representatives of such lenders to negotiate in good faith any such estoppel certificates and/or requests for interpretation or modification. Subject to compliance with applicable laws, City will not unreasonably withhold its consent to any such requested estoppel certificate, interpretation or modification provided City determines such estoppel certificate, interpretation or modification is consistent with the intent and purposes of this Agreement. Any Mortgagee of the Property or the membership interest in a Developer shall be entitled to the rights and privileges set forth in this Article 10.

10.2 Neither entering into this Agreement nor a breach of this Agreement shall defeat, render invalid, diminish or impair the lien of any mortgage on any portion of the Property or pledge on the membership interests in a Developer made in good faith and for value, unless otherwise required by law.

10.3 The Mortgagee of any Mortgage or deed of trust encumbering any portion of the Property, or membership interests of a Developer where Mortgagee has submitted a request in writing to the City in the manner specified herein for giving notices, shall be entitled to receive written notification from City of any default by any Developer in the performance of such Developer's obligations under this Agreement.

10.4 If City timely receives a request from a Mortgagee requesting a copy of any notice of default given to Developer under the terms of this Agreement, City shall provide a copy of that notice to the Mortgagee within ten (10) days of sending the notice of default to the applicable Developer. The Mortgagee shall have the right, but not the obligation, to cure the default during the period that is the longer of (i) the remaining cure period allowed such party under this Agreement, or (ii) sixty (60) days.

10.5 Any Mortgagee who comes into possession of any portion of the Property or the membership interests in a Developer, pursuant to foreclosure of the Mortgage or deed of trust, or deed in lieu of such foreclosure or assignment in lieu of such foreclosure, shall take such portion of the Property or membership interests in a Developer subject to the terms of this Agreement.

11. ASSIGNMENTS.

11.1 The experience, knowledge, capability and reputation of Developer, its principals, employees and affiliates were a substantial inducement for the City to enter into this Agreement. The Developer may sell, transfer, lease or assign this Agreement, the Property, or any part thereof (such sale, transfer, lease or assignment shall be referred to as an "**Assignment**") with the prior written consent of the Community Development Director, which consent may not be unreasonably withheld, after providing reasonable documentation and evidence demonstrating that the person or entity to whom any of the rights or privileges granted herein are to be sold, transferred, leased, assigned, hypothecated, encumbered, merged, or consolidated, meets the following criteria: (i) the transferee has the financial strength and capability to perform its obligations under the Agreement, (ii) reasonably satisfactory evidence that the transferee has the experience and expertise to operate the Project, including reasonably satisfactory evidence that the transferee has experience with operations and projects with a similar scale of this Project; and (iii) reasonably satisfactory evidence that the transferee's key principals have no felony convictions. The proposed transferee shall execute and deliver to the City an assumption agreement assuming Developer's Project obligations, which assumption agreement shall be in a form approved by the City Manager and City Attorney. Notwithstanding the foregoing, City and Community Development Director approval shall not be required for any of (i) the transfer of any portion of the Property or the membership interests in a Developer to a Mortgagee or its designee or a third party in connection with a foreclosure or assignment or deed in lieu of foreclosure, (ii) the assignment or other transfer of a Mortgage or (iii) the first sale of a foreclosed (or assignment/deed in lieu of foreclosure) portion of the Property or the membership interests in a Developer by a Mortgagee or its designee to a third party. However, Developer shall notify the City of any Assignment described in the preceding sentence, and the transferee shall be subject to the terms of this Agreement.

11.2 City Consideration of Requested Assignment. The City agrees that it will not unreasonably withhold, condition, or delay approval of a request for approval of an Assignment required pursuant to this Article 11, provided that:

a. Developer delivers written notice to the City requesting that approval prior to the completion of the Assignment (the "**Consent Request**"); and

b. The Assignment is not completed until either (i) City has provided its written consent or (ii) sixty (60) days have passed after delivery by Developer to City of the Consent Request without the City having rejected the Consent Request in writing.

c. The Consent Request shall be accompanied by (i) a proposed draft of the Assignment and Assumption Agreement described in Section 11.3, in a form acceptable to the City Attorney and City Manager, and (ii) evidence regarding the proposed assignee's development and/or operational qualifications and experience and its financial commitments and resources in sufficient detail to enable the City to evaluate the proposed assignee's ability to complete the Project.

11.3 Assignments Permitted Without City's Consent. Notwithstanding any other

provision of this Agreement, Assignments related to the following property conveyances and other transactions shall not require City consent:

a. The granting of easements or permits to facilitate construction of the Project or any public improvements.

b. The granting of easements or permits for utility purposes.

c. Transactions for financing purposes, including the grant of (or assignment or other transfer of) a deed of trust to secure the funds necessary for land acquisition, construction, and/or permanent financing of any portion of the Project.

d. The acquisition of some or all of the Property or the membership interests in a Developer by a Mortgagee or its designee (or a third party buyer at a foreclosure sale) such as through foreclosure or a deed or assignment in lieu of foreclosure. The transfer of the applicable portion of the Property or the membership interests in a Developer from Mortgagee or its designee to an affiliate. The first sale of a foreclosed (or assignment/deed in lieu of foreclosure) portion of the Property or the membership interests in a Developer by a Mortgagee or its designee to a third party.

e. A sale or transfer resulting from, or in connection with, a reorganization as contemplated by the provisions of the Internal Revenue Code of 1986, as amended or otherwise, in which the ownership interests of a corporation are assigned directly or by operation of law to a person or persons, firm or corporation which acquires the control of the voting capital stock of such corporation or all or substantially all of the assets of such corporation.

f. A sale or transfer between members of the same family, or transfers to a trust, testamentary or otherwise, in which the beneficiaries consist primarily of family members of the trustor, or transfers to a corporation or partnership in which the family members or shareholders of the transferor own at least ten percent (10%) of the present equity ownership and/or at least fifty percent (50%) of the voting control of Developer.

g. If Developer is a trust, corporation, real estate investment trust, or partnership, a transfer of stock or other interests, provided there is no material change in the actual management and control of Developer.

h. Transactions with any member, partner, officer, employee, or affiliate of Developer or any trust or family member, provided that, following the transaction, the management of Developer on the Effective Date shall, subject to normal and customary business practices and personnel changes, remain the primary Developer representative(s) for purposes of communication with the City.

11.4 Effect of Assignment. Unless otherwise stated within the Assignment, upon an

Assignment:

a. The assignee shall be liable for the performance of all remaining obligations of Developer with respect to those portions of the Property which are transferred (the "**Transferred Property**"), but shall have no obligations with respect to any portions of the Property not conveyed (the "**Retained Property**").

b. The owner of the Retained Property shall be liable for the performance of all obligations of Developer with respect to the Retained Property, but shall have no further obligations with respect to the Transferred Property.

c. The Assignee's exercise, use, and enjoyment of the Transferred Property shall be subject to the terms of this Agreement to the same extent as if the Assignee were the Developer.

12. AMENDMENT AND MODIFICATION.

12.1 Initiation of Amendment. Either party may propose an amendment to this Agreement.

12.2 Procedure. Except as set forth in Section 12.4, the procedure for proposing and adopting an amendment to this Agreement shall be the same as the procedure required for entering into this Agreement in the first instance as set forth in Government Code Section 65867.

12.3 Consent. Except as expressly provided in this Agreement, no cancellation of or amendment to all or any provision of this Agreement shall be effective unless set forth in writing and signed by duly authorized representatives of each of the parties hereto and recorded in the Official Records of Los Angeles County.

12.4 Administrative Minor Project Modifications. Notwithstanding any other provision and/or condition of approval contained in any Development Approvals, including any processes set forth in Chapter 5 of the Specific Plan, Minor Modifications to this Agreement, the Project, and/or the Development plans shall be made ministerially, with the approval of the Director. Such "**Minor Modifications**" shall be defined as any modifications to this Agreement, the Project and/or the Development plans that do not (i) change the proposed uses analyzed for the Project in the EIR or permitted for the Project in the Project Development Approvals and this Agreement, (ii) constitute a prohibited modification under Section 12.5, (iii) increase building heights within the Property in comparison to what is identified in the Project Development Approvals and this Agreement, (iv) reduce the number of parking stalls identified in the Project Development Approvals by more than five (5) percent, (v) substantially deviate from the approved architectural design, as determined by the Community Development Director in his or her reasonable discretion, and/or (vi) reduce the amount of publicly accessible open space below 111,581 square feet.

12.5 Prohibited Modifications. Notwithstanding any provision of this Agreement or the Specific Plan, none of the following shall be permitted with respect to the Project during the Term of this Agreement:; (i) any modification to the square footage of the commercial space (10,000);

(ii) any use of the commercial space other than restaurant space; or (iii) any reduction in the amount of publicly accessible open space below 111,581 square feet, except that a reduction of no more than 2.5% of the non-park open space area may be permitted if necessary based on Building Standards Code requirements as identified/required during the plan check process. No reduction to the square footage of the park (22,859 sq. ft.) shall be permitted.

12.6 Hearing Rights Protected. Notwithstanding the foregoing, City will process any change to this Agreement consistent with state law and will hold public hearings thereon if so required by state law and the parties expressly agree nothing herein is intended to deprive any party or person of due process of law.

12.7 Effect of Amendment to Development Agreement. Except as expressly set forth in writing in any such amendment, an amendment to this Agreement will not alter, affect, impair, modify, waive, or otherwise impact any other rights, duties, or obligations of either party under this Agreement.

12.8 Timing of Development. The California Supreme Court held in *Pardee Construction Co. v. City of Camarillo*, 37 Cal.3d 465 (1984), that failure of the parties in that case to provide for the timing of development resulted in a later adopted initiative restricting the timing of development to prevail over the parties' agreement. It is the intent of Developer and City to cure that deficiency by expressly acknowledging and providing that any Subsequent Land Use Regulations that purports to limit over time the rate or timing of development or to alter the sequencing of development phases (whether adopted or imposed by the City Council or through the initiative or referendum process) shall not apply to the Property or the Project and shall not prevail over this Agreement. In particular, but without limiting any of the foregoing, no numerical restriction shall be placed by the City on the amount of total square feet or the number of buildings, structures, residential units that can be built each year on the Property except as expressly provided in this Agreement.

13. MISCELLANEOUS PROVISIONS.

13.1 Recordation.

a. The City Clerk shall cause a copy of this Agreement to be recorded against the Property with the County Recorder within ten (10) calendar days after the Execution Date. The failure of the City to sign and/or record this Agreement shall not affect the validity of this Agreement.

b. Within ten (10) calendar days after the Execution Date, the Parties shall execute and record against the Property with the County Recorder any and all required documents to remove from title (i) the Original DA and (ii) the Minor Modification dated February 28, 2024.

13.2 Notices. Notices and correspondence required or permitted by this Agreement shall be in writing and either personally delivered or sent by registered, certified, or overnight mail or delivery service. Notices shall be deemed received upon personal delivery or on the second business day after registered, certified, or overnight mailing or delivery, or email if such email

notice is acknowledged as received by the receiving party. Notices shall be addressed as follows:

To City:	City of Carson 701 East Carson Street Carson, California 90745 Attn: Planning Manager
With copy to:	Aleshire & Wynder 1 Park Plaza, Suite 1000 Irvine, CA 92614 Fax: 949-223-1180 Attn: Sunny Soltani
To Imperial Avalon:	Imperial Avalon DE, LLC 659 N. Robertson Blvd. West Hollywood, CA 90069 Attn: Darren Embry
With copy to:	Rand, Paster & Nelson, LLP 633 W. Fifth Street, Ste 5880 Los Angeles, CA 90071 Attn: Dave Rand
To Lennar:	Lennar Homes of California, LLC 2000 FivePoint, 3rd Floor Irvine, CA 92618 Attention: JR Jones Email: JR.Jones@lennar.com
With a copy to:	Deverich & Gillman LLP 4 Park Plaza, Suite 520 Irvine, California 92614 Attention: Christopher D. Downs Email: cdowns@dgllp.com

A Party may change its address by giving written notice to the other Party. Thereafter, Notices shall be addressed and transmitted to the new address.

13.3 Estoppel Certificates. Either Party (or a Mortgagee) may at any time deliver written notice to the other Party requesting an Estoppel Certificate stating:

a. The Agreement is in full force and effect and is a binding obligation of the Parties;

b. The Agreement has not been amended or modified or, if so amended, identifying the amendments; and

c. There are no existing defaults under the Agreement to the actual knowledge

of the Party signing the Estoppel Certificate.

A Party receiving a request for an Estoppel Certificate shall provide a signed certificate to the requesting Party within thirty (30) days after receipt of the request. The City Manager may sign Estoppel Certificates on behalf of the City. An Estoppel Certificate may be relied on by assignees and Mortgagees.

13.4 Operating Memoranda. The provisions of this Agreement require a close degree of cooperation between City and Developer. During the Term of this Agreement, clarifications to this Agreement and the Applicable Laws may be appropriate with respect to the details of performance of the City and Developer. If and when from time to time during the Term of this Agreement, the City and Developer agree that such clarifications are necessary or appropriate, they shall effectuate such clarification through operating memoranda approved in writing by the City and Developer, which after execution, shall be attached hereto and become part of this Agreement and the same may be further clarified from time to time as necessary with future written approval by the City and Developer. Operating memoranda are mere ministerial clarifications and therefore public notices, hearings and CEQA compliance shall not be required unless otherwise provided by applicable law. The authority to enter into such operating memoranda is delegated to the Community Development Director who is hereby authorized to execute any operating memoranda hereunder without future action or approval by the City Council.

13.5 Project as a Private Undertaking. It is specifically understood and agreed by the Parties that the Project is a private development, that neither Party is acting as the agent of the other in any respect, and that each Party is an independent contracting entity with respect to this Agreement. The only relationship between City and Developer is that of a government entity regulating the development of property owned by a private party. City agrees that by its approval of, and entering into, this Agreement that it is not taking any action which would transform this private Development into a "public work" project, and that nothing herein shall be interpreted to convey upon Developer any benefit which would transform Developer's private project into a public work project, it being understood that this Agreement is entered into by City and Developer upon the exchange of consideration described in this Agreement, including the Recitals to this Agreement, and that City is receiving by and through this Agreement the full measure of benefit in exchange for the burdens placed on Developer by this Agreement, including but not limited to Developer's obligation to provide the public improvements set forth herein.

13.6 Eminent Domain. No provision of this Agreement shall be construed to limit or restrict the exercise by City of its power of eminent domain.

13.7 Entire Agreement. This Agreement represents the entire agreement of the Parties with respect to the subject matter of this Agreement. No testimony or evidence of any such representations, understandings or covenants shall be admissible in any proceeding of any kind or nature to interpret or determine the terms or conditions of this Agreement.

13.8 Further Actions and Instruments. Each of the Parties shall cooperate with and provide reasonable assistance to the other to the extent necessary to implement this Agreement.

13.9 Severability. If any term, provision, covenant or condition of this Agreement shall

be determined invalid, void or unenforceable, the remainder of this Agreement shall not be affected thereby to the extent such remaining provisions are not rendered impractical to perform taking into consideration the purposes of this Agreement.

13.10 Covenant Not To Sue. The parties to this Agreement, and each of them, agree that this Agreement and each term hereof is legal, valid, binding, and enforceable. The parties to this Agreement, and each of them, hereby covenant and agree that each of them will not commence, maintain, or prosecute any claim, demand, cause of action, suit, or other proceeding against any other party to this Agreement, in law or in equity, or based on any allegation or assertion in any such action, that this Agreement or any term hereof is void, invalid, or unenforceable.

13.11 Force Majeure. Neither Party shall be deemed to be in default where failure or delay in performance of any of its obligations under this Agreement is caused by earthquakes, other acts of God, fires, wars, terrorism, riots or similar hostilities, strikes, and other labor difficulties beyond the Party's control, government regulations, pandemics, government-ordered quarantine, court actions (such as restraining orders or injunctions), or other causes beyond the Party's reasonable control. If any such events shall occur, the term of this Agreement and the time for performance shall be extended for the duration of the impacts on the Project of each such event.

13.12 Waiver. All waivers of performance must be in a writing signed by the Party granting the waiver. Failure by a Party to insist upon the strict performance of any provision of this Agreement shall not be a waiver of future performance of the same or any other provision of this Agreement.

13.13 Time of Essence. Time is of the essence in the performance of the provisions of this Agreement as to which time is an element.

13.14 Governing Law and Venue. This Agreement shall be governed and interpreted in accordance with California law, with venue for any litigation concerning this Agreement in Los Angeles, California.

13.15 Interpretation. This Agreement shall be construed as a whole according to its fair language and common meaning to achieve the objectives and purposes of the parties hereto, and the rule of construction to the effect that ambiguities are to be resolved against the drafting party or in favor of City shall not be employed in interpreting this Agreement, all parties having been represented by counsel in the negotiation and preparation hereof.

13.16 Corporate Authority. The person(s) executing this Agreement on behalf of each of the parties hereto represent and warrant that (i) such party, if not an individual, is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other agreement to which such party is bound.

13.17 Attorneys' Fees. If either party to this Agreement is required to initiate or defend litigation against the other party, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable

attorneys' fees. Attorneys' fees shall include attorneys' fees on any appeal, and, in addition, a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to a final judgment.

13.18 Recitals. The recitals in this Agreement constitute part of this Agreement and each party shall be entitled to rely on the truth and accuracy of each recital as an inducement to enter into this Agreement.

13.19 No Brokers. City and Developer represent and warrant to the other that neither has employed any broker and/or finder to represent its interest in this transaction. Each party agrees to indemnify and hold the other free and harmless from and against any and all liability, loss, cost, or expense (including court costs and reasonable attorney's fees) in any manner connected with a claim asserted by any individual or entity for any commission or finder's fee in connection with this Agreement arising out of agreements by the indemnifying party to pay any commission or finder's fee.

13.20 Joint and Several Liability. In the event Developer should sell, transfer, lease or assign this Agreement, the Property, or any part thereof, Developer shall bear ultimate responsibility for all obligations, conditions, and restrictions set forth under this Agreement, it being understood that both Developer and any transferee, assignee, or lessee shall be jointly and severally liable.

13.21 Compliance with Laws. Developer must comply with all applicable provisions of federal, state and local laws and regulations, including the City's Municipal Code.

13.22 Counterparts. This Agreement may be executed by the Parties in counterparts, which together shall have the same effect as if each of the Parties had executed the same instrument.

[SIGNATURES ON FOLLOWING PAGE(S)]

IN WITNESS WHEREOF, the Parties hereto have executed this Agreement on the day and year first set forth above.

EXCERPTS FROM 2022 CALIFORNIA MECHANICAL CODE (INCLUDING THE JULY 1, 2024 SUPPLEMENT)

1104.6 Group A2L Refrigerants for Human Comfort. *High-probability systems using Group A2L refrigerants for human comfort applications shall comply with this section. [ASHRAE 15:7.6]*

1104.6.1 Refrigerant Concentration Limits. *Occupied spaces shall comply with the releasable charge limitations of the equipment listing and ASHRAE 15. Unoccupied spaces with refrigerant containing equipment, not including continuous piping or tubing, shall comply with the releasable charge limitations of the equipment listing or Section 1104.6.4. {ASHRAE 15:7.6.1-7.6.1.2}*

1104.6.2 Listing and Installation Requirements. *Refrigeration systems shall be listed and shall be installed in accordance with listing, the manufacturer's instructions, and any markings on the equipment restricting the installation. [ASHRAE 15:7.6.2]*

1104.6.2.1 Nameplate. *The nameplate required by Section 1115.5 shall include a symbol indicating that a flammable refrigerant is used, as specified by the product listing. [ASHRAE 15:7.6.2.1]*

1104.6.2.2 Labeling. *A label indicating a flammable refrigerant is used shall be placed adjacent to service ports and other locations where service involving components containing refrigerant is performed, as specified by the product listing. [ASHRAE 15:7.6.2.2]*

1104.6.2.3 Refrigerant Detection Systems. *Refrigerant detection systems shall be in accordance with the listing and ASHRAE 15.*

1104.6.2.4 Refrigerant Concentration Above Limit. *When the refrigerant detection system senses a refrigerant exceeding its setpoint, the following actions shall be taken:*

(1) The supply air fan of the equipment shall activate with a minimum airflow rate specified by the manufacturer.

(2) Turn off the compressor and all other electrical devices, excluding the control power transformers, control systems, and the supply air fan. The supply air fan shall continue to operate for at least five minutes after the refrigerant detection system has sensed a drop in the refrigerant concentration below the value specified in Section 1104.6.6(b).

Exception: The compressor operation shall not be turned off when the compressor operation reduces the leak rate or the total amount of released refrigerant to the indoor space.

(3) Any device that controls airflow located within the product or in ductwork that supplies air to the occupied space shall be fully open. Any device that controls airflow shall be listed.

(4) Mitigation action required by the equipment listing shall be initiated {ASHRAE 15:7.6.2.4}

DRAFT

AMENDED AND RESTATED CONDITIONS OF APPROVAL (EXHIBIT D TO AMENDED AND RESTATED DEVELOPMENT AGREEMENT 23-19)

EXHIBIT B TO PLANNING COMMISSION RESOLUTION NO. 22-244 - CONDITIONS OF APPROVAL (SITE PLAN AND DESIGN REVIEW No. DOR 1803-19)

These "Conditions of Approval" shall govern the development of the Imperial Avalon Site Plan within the Imperial Avalon Specific Plan ("Specific Plan"), located at 21207 Avalon Boulevard in the City of Carson ("Project Site"). The "Project" consists of 1,115 residential dwelling units, 10,000 square feet of restaurant uses and 111,581 square feet of publicly accessible, privately maintained open space. The Project is proposed by the "Applicant" which currently **(as of the date of Planning Commission Resolution No. 22-244)** consists of Imperial Avalon, LLC which term shall include the successors and assigns of the Applicant (aka, the "Developer).

GENERAL CONDITIONS

1. The Applicant shall sign an Affidavit of Acceptance form and submit the document to the Planning Division within 30 days of receipt of the City Council Resolution approving the amendment to the Specific Plan.

2. The adopted Ordinance approving the Specific Plan, including the Conditions of Approval contained herein, and the signed Affidavit of Acceptance, shall be copied in their entirety and placed directly onto a separate plan sheet behind the cover sheet of the development plans prior to Building and Safety plan check submittal. Said copies shall be included in all development plan submittals, including any revisions and the final working drawings.

3. These Conditions of Approval shall be subject to the terms and conditions of the Imperial Avalon Specific Plan, Final Environmental Impact Report (FEIR), Mitigation Monitoring and Reporting Program (MMRP), and Development Agreement (DA). In the event of a conflict between these Conditions of Approval and the Development Agreement the Development Agreement shall control.

4. Prior to Building and Safety plan check submittal and prior to issuance of building permits **with respect to each phase of the Project (i.e. Townhomes, first Apartment building, second Apartment building) (each a "Phase")**, the Applicant shall submit a complete set of electronic Construction Drawings **for such Phase** that conform to all the Conditions of Approval **applicable to such Phase** to be reviewed and approved by the Planning Division.

5. The Applicant shall comply with all Mitigation Measures, Project Design Features, and Project Characteristics as described in the Final Environmental Impact Report and MMRP.

6. The Applicant shall make any necessary site plan and design revisions to the site plan and elevations approved by the Planning Commission, City Council, and these conditions of approval. All plans shall be consistent with all project approvals.

7. City Approvals. All approvals by City, with respect to the Project and/or the Conditions of Approval set forth herein, unless otherwise specified, shall be by the department head of the department or agency requiring the applicable condition. All agreements, covenants, easements, deposits and other documents required herein where City is a party shall be in a form approved by the City Attorney. The Applicant shall pay the cost for review and approval of such agreements and deposit necessary funds pursuant to the First Amended Reimbursement Agreement, between the City and Imperial Avalon, LLC, dated June 1, 2022 (as amended or modified from time to time, the "Reimbursement Agreement").

8. Reimbursement Agreement. A trust deposit account shall be established and maintained pursuant to the Reimbursement Agreement.

9. Indemnification. The Applicant, and its tenant(s), for themselves and their successors in interest ("Indemnitors"), agree to defend, indemnify and hold harmless the City of Carson, its agents, officers and employees, and each of them ("Indemnitees") as set forth in the DA from and against any and all claims, liabilities, damages, losses, costs, fees, expenses, penalties, errors, omissions, forfeitures, actions, and proceedings (collectively, "Claims") against Indemnitees with respect to the Project entitlements or approvals that are the subject of these Conditions of Approval, and any Claims against Indemnitees which are in any way related to Indemnitees' review of or decision upon the Project that is the subject of these Conditions of Approval (including, without limitation, any Claims related to any finding, determination, or claim of exemption made by Indemnitees pursuant to the requirements of the California Environmental Quality Act, or other local or State Agencies, and any Claims against Indemnitees which are in any way related to any damage or harm to people or property, real or personal, arising from Indemnitors' construction or operations of the Project, I, or any of the Project entitlements or other approvals that are the subject of Conditions of the Approvals for the Specific Plan, Site Plan and Design Review and Tentative Tract Map. The City will promptly notify Indemnitors of any such claim, action or proceeding against Indemnitees, and, at the option of the City, Indemnitors shall either undertake the defense of the matter or pay Indemnitees associated legal costs or shall advance funds assessed by the City to pay for the defense of the matter by the City Attorney. In the event the City opts for Indemnitors to undertake defense of the matter, the City will cooperate reasonably in the defense, but retains the right to settle or abandon the matter without Indemnitors' consent. Indemnitors shall provide a deposit to the City in the amount of 100% of the City's estimate, in its sole and absolute discretion, of the cost of

litigation / Claims asserted, including the cost of any award of attorneys' fees, and shall make additional deposits as requested by the City to keep the deposit at such level. If Indemnitors fail to provide or maintain the deposit, Indemnitees may abandon the action and Indemnitors shall pay all costs resulting therefrom and Indemnitees shall have no liability to Indemnitors.

SPECIAL CONDITIONS

10. Avalon Street Improvements. Prior to issuance of any building permits, the developer shall prepare plans and obtain approval from the City for installation of street improvements along their Avalon Boulevard street frontage consistent with the Carson Street Master Plan improvements, the Union South bay project, and as identified in the DIF Nexus Study prepared by Kelly Associates Management Group and dated March 19, 2019, and approved by the City Council on April 2, 2019, along with all reports, studies, assessments and memorandums referenced within that study(collectively the "DIF Nexus Study") including parkway and median landscaping, hardscaping, and street furniture including bike racks, streetlights, benches, way finding signs, etc. All improvements shall be completed prior to issuance of the **certificate of** occupancy ~~permit~~ for the first apartment building or any townhomes, whichever occurs earlier.

11. Grace Avenue Improvements. Prior to issuance of building permits, the developer shall prepare plans and obtain approval from the City for installation of street improvements along their street frontage improvements for Grace Avenue consistent with the approved plans. All improvements shall be completed prior to issuance of the occupancy permit for the first townhome.

12. Bicycle Lane Improvements. Prior to issuance of building permits, the developer shall prepare plans and obtain approval from the City for installation of bicycle lanes along Avalon Boulevard and 213th Street identified in the DIF Nexus Study. All improvements shall be completed prior to issuance of the **certificate of** occupancy ~~permit~~ for the first apartment building or any townhomes, whichever occurs earlier.

13. The Site Plan and Design Review approval shall not be effective until such time the City Council approves the Specific Plan, Development Agreement, General Plan Amendment, and Zone Change and said documents are legally effective.

14. The final Construction Documents shall comply with the provisions and requirements of the Development Agreement, the Specific Plan and final approved Site Plan.

15. The applicant shall ensure that the fugitive dust control program is implemented during construction. The program shall be depicted on the construction drawings/grading plans and the contractor shall be responsible for implementation.

16. Adequate measures shall be taken to eliminate odors during the grading operations ~~as a result of the site being a former landfill~~ to the satisfaction of the Community Development Director.

17. ~~The Development Agreement Fee and all other fees~~ **Fees** shall be paid in appropriate times as specified in the Development Agreement and the Conditions of Approval.

LANDSCAPE / IRRIGATION

18. Landscaping shall conform to the provisions contained in the Specific Plan and all City codes regarding water conservation.

19. Prior to issuance of ~~any~~ building permits **for the applicable Apartment Phase,** the **applicable** Applicant shall provide **onsite** landscape plans **for the applicable Apartment Phase** to the Planning Division for review and approval ~~for all areas of the site.~~ **Prior to issuance of building permits for the Townhomes, the Applicant shall provide onsite landscape plans for the Townhomes to the Planning Division for review and approval.** ~~In lieu of installation of the entire landscaping on the site prior to issuance of occupancy permits, t~~ The Community Development Director ~~may~~ **shall** approve a phased landscape installation plan **as submitted by the developers of the Townhome and/or Apartment components of the project** to ~~require~~ **allow** a phased installation of landscaping prior to issuance of occupancy permits of various portions of the project.

20. Installation, maintenance, and repair of all **onsite** landscaping shall be the responsibility of the Applicant **for each Phase.** ~~All landscaping shall be installed prior to issuance of any occupancy permits. The Community Development Director may approve a phased installation of the landscaping.~~

21. Landscaping shall be provided with a permanently installed, automatic irrigation system and operated by an electrically-timed controller station set for early morning or late evening irrigation per the Specific Plan.

22. Installation of 6" high concrete curbs are required around all landscaped planter areas, except for areas determined by National Pollutant Discharge Elimination System(NPDES) permit or other applicable condition of approval that requires certain landscaped areas to remain clear of concrete curbs for more efficient storm water runoff flow and percolation as deemed necessary by the City Engineer. Revised landscaping and irrigation plans shall be reviewed and approved by the Planning Division should subsequent modifications be required by other concerned agencies regarding the removal of concrete curbs.

23. The proposed irrigation system shall include best water conservation practices.

24. Backflows shall be screened with min. 5' wide planters and landscape screen material, with plant material per the Specific Plan. Paint device green color similar to Frazee, aeroplate 'Forest Green' or equal. Transformers shall be screened with shrubs and ground covers, with plant material per the Specific Plan.

25. The Project shall comply with AB 325, the State Model Water Efficient Landscape Ordinance. Maximum Applied Water Allowance, MAWA, and Estimated Applied Water Use shall be calculated and submitted on all landscape construction documents.

26. All walls that include creeping vines shall be installed on the project side of the wall and shall be passed through the walls to the opposite side by drilling holes on wall or by other method as approved by the Planning Division.

27. Show corner sight line distances on the landscape plan per Engineering Department Standard Drawings.

WALLS / FENCES

28. Prior to the issuance of any building permits **for the Apartments for an Apartments Phase,** the applicant shall submit a Wall and Fence Plan **for the Apartments for such Phase** to the Planning Division for review and approval by the Planning and Building Divisions ~~for all areas of the site.~~ **Prior to the issuance of any building permits for the Townhomes, the applicant shall submit a Wall and Fence Plan for the Townhomes to the Planning Division for review and approval by the Planning and Building Divisions.** The plans shall indicate materials colors and height of proposed and existing walls and fences and shall include a cross section of walls and fences indicating adjacent grades. Walls shall be consistent with the requirements of the Specific Plan. In lieu of construction of ~~all~~ walls and fences ~~on the site~~ prior to issuance of any occupancy permits, the Community Development Director ~~may~~ **shall** approve a phased construction plan for the walls and fences **as submitted by the developer of the Townhome and/or applicable Apartment Phase component of the project to allow for phased construction of all walls and fences** prior to issuance of ~~occupancy permits~~ **certificates of occupancy** of ~~various portions~~ **the applicable Phases** of the project.

29. All walls shall include graffiti-resistant coating.

LIGHTING

30. All exterior lighting and sign lighting shall be provided in compliance with the standards pursuant to the Specific Plan.

31. Two sets of **onsite** lighting plans **for each Apartment Phase** are to be drawn, stamped, and signed by a licensed lighting consultant **or an electrical engineer** and submitted and approved by the Planning Division prior to the issuance of building permits **for the**

applicable Apartments Phase. Two sets of onsite lighting plans for the Townhomes are to be drawn,

stamped, and signed by a licensed lighting consultant or an electrical engineer and submitted and approved by the Planning Division prior to the issuance of building permits for the Townhomes. In lieu of installation of all lights on the site prior to issuance of any occupancy permits, the Community Development Director ~~may~~ **shall** approve a phased installation plan **as submitted by the developers of the Townhome and/or applicable Apartment Phase component of the project to allow** for the **phased installation of** lights prior to issuance of occupancy permits of various portions of the project.

32. All lighting within the Project shall be directed on-site in such a manner as to not create a nuisance or hazard to adjacent streets and properties, which shall be subject to the approval of the Planning Division.

SIGNAGE

33. Prior to issuance of any ~~building~~ **certificates of occupancy** ~~permits~~ **for the Apartment Phases,** the Applicant shall submit a Comprehensive Sign Program **for the applicable Apartment Phase** consistent with the Specific Plan and Development Agreement. **Prior to issuance of any certificates of occupancy for the Townhomes, the Applicant shall submit a Comprehensive Sign Program for the Townhomes consistent with the Specific Plan and Development Agreement. The Comprehensive Sign Program shall reflect a consistent design aesthetic between the Apartments and the Townhomes.**

34. Prior to issuance of ~~building~~ **any certificates of occupancy** ~~permits,~~ the Applicant shall provide plans to the Planning Division for approval of entry monument signage consistent with the Comprehensive Sign Program.

35. Prior to issuance of ~~building~~ **any certificates of occupancy** ~~permits~~ **for the applicable Apartment Phase,** the Applicant shall provide plans to the Planning Division for approval of Directional/wayfinding signage consistent with the Comprehensive Sign Program **for the applicable Apartment Phase. Prior to issuance of any certificates of occupancy for the Townhomes, the Applicant shall provide plans to the Planning Division for approval of Directional/wayfinding signage consistent with the Comprehensive Sign Program for the Townhomes.**

36. ~~All signs shall be installed prior of any issuance of occupancy permits.~~ In lieu of installation of all signage on the site prior to issuance of any occupancy permits, the Community Development Director ~~may~~ **shall** approve a phased installation plan **as submitted by the developers of the Townhome and/or applicable Apartment Phase component of the project to allow** for the **phased installation of** signs prior to issuance of occupancy permits of various portions of the project.

PARKING

37. Prior to issuance of **certificate of** occupancy ~~of~~ **for** the first apartment building, the Applicant shall prepare, submit for City's approval, fund and operate a parking management program for on-site parking monitoring and Grace Avenue parking monitoring. The program will be required to ensure that residents and visitors park in appropriate parking stalls. Imperial Avalon residents and guest shall be prohibited from parking on Grace Avenue or other residential streets of the surrounding community.

38. All parking areas and driveways shall remain clear. No encroachment into parking areas and/or driveways shall be permitted.

39. All areas used for the movement, parking, loading, repair or storage of vehicles shall be paved with either: a. Concrete or asphaltic concrete to a minimum thickness of three and one-half inches over four inches of crushed aggregate base; or b. Other surfacing material which, in the opinion of the Director of Public Works, provides equivalent life, service and appearance.

TRASH

40. Trash collection shall comply with the requirements of the City's trash hauler.

41. Submit development plans for plan check review and approval prior to issuance of permits.

42. Obtain all appropriate permits and an approved final inspection for the proposed Project.

ENGINEERING SERVICES DEPARTMENT - CITY OF CARSON

41. Any existing off-site improvements damaged during the construction shall be removed and reconstructed per City of Carson PW Standard Drawings and to the satisfaction of the City Engineer.

42. A construction permit is required for any work to be done in the public right-of-way.

43. The Applicant shall comply with street improvements and all other requirements included in the Development Agreement.

44. The Applicant shall comply with all conditions and requirements imposed in connection with recordation of the Final Tract Map by the County of Los Angeles Department of Public Works and/or the ~~County of Los Angeles Department of Public Works~~ **City,** as approved by the City Engineer.

Prior to Certificate of Occupancy

45. The developer shall ensure the signal at the intersection of Avalon Boulevard and the main project entry is operational, at the developer's expense, to the satisfaction of the City Engineer.

46. The Applicant shall comply with all requirements from L.A. County Sewer Maintenance Division for Maintenance of new and/or existing sewer main, relating to this development, prior to release of all improvement bonds.

47. The Applicant shall execute and provide to the City Engineer, a written statement from the water purveyor (Calwater) indicating that the water system will be operated by the purveyor and that under normal conditions, the system will meet the requirements for the development and that water service will be provided to each building. Comply with mitigation measures required by the water purveyor.

48. The Applicant shall construct and guarantee the construction of all required drainage infrastructures in accordance with the requirements and recommendations of the hydrology study, subject to the approval of the City Engineer.

49. If needed, easements shall be granted to the City, appropriate agency, or entity for the purpose of ingress, egress, construction, and maintenance of all infrastructures constructed and handicap access for this development to the satisfaction of the City Engineer and or appropriate agency or entity.

50. All infrastructure necessary to serve the ~~Project~~ **Townhomes** (water, sewer, storm drain, and street improvements) **shall be in operation prior to issuance of any certificates of occupancy for the Townhomes. All infrastructure necessary to serve the applicable Apartment building Phase (water, sewer, storm drain, and street improvements) shall be in operation prior to the issuance of certificates of occupancy for the respective Apartment Phase building.** ~~shall be in operation prior to the issuance of Certificate of Occupancy of any building.~~

PUBLIC WORKS – WATER QUALITY

Prior to Issuance of Building Permit

51. The Applicant shall comply with all applicable Low Impact Development ("LID") requirements and shall include Best Management Practices ("BMP") necessary to control storm water pollution from construction activities and facility operations to the satisfaction of the City Engineer.

52. Applicant shall complete and provide a BMP Reporting Template to City of Carson, Engineering Services Department.

53. Applicant shall provide contact information of the Qualified Storm Water Developer ("QSD") and/or Qualified SWPPP (Storm Water Pollution Prevention Plan) Developer ("QSP") for the Project Site.

54. Applicant shall submit digital copies of SUSMP/LID/NPDES/Grading Plans ~~concurrently~~ to City of Carson, Engineering Services Department ~~and Los Angeles County Building & Safety Division~~.

55. Applicant shall complete, sign and return the Stormwater Planning Program LID Plan Checklist form and return to City of Carson Engineering Services Division.

Prior to Certificate of Occupancy

56. For any structural and/or treatment water quality control device installed, the Applicant, shall record a maintenance covenant pursuant to Section 106.4.3 of the County of Los Angeles Building Code and title 12, Chapter 12.80 of the Los Angeles County Code relating to the control of pollutants carried by storm water runoff. In addition, an exhibit shall be attached to such covenant to identify the location and maintenance information for any structural and/or treatment control device installed. a) The Maintenance Covenant shall be reviewed and approved by the City Engineer prior to recordation with the Los Angeles County Registrar-Recorder/County Clerk. b) RECORDATION of the Maintenance Covenant is the responsibility of the Applicant. Provide a copy of the recorded Covenant Agreement to City Engineer prior to certificate of occupancy for any building.

57. Inspection will be conducted once a year after any portions of the Project are constructed.

FIRE DEPARTMENT

58. The proposed development for the Project shall obtain approval and comply with all Los Angeles County Fire Department requirements.

DEVELOPMENT IMPACT ~~AGREEMENT~~ FEE

59. ***Interim Development Impact Fee:*** **In accordance with Article XI (Interim Development Impact Fee Program) of the Carson Municipal Code ("CMC"), the applicant, property owner, and/or successor to whom this project approval is assigned ("Developer") shall be responsible for payment of one-time interim development impact fees ("IDIF") for the applicable Phase at the applicable rate detailed below for each unit of residential development constructed for the project. If the project increases or decreases in regards to the number of units constructed, the total IDIF amount will be adjusted accordingly at the applicable rate.**

Per CMC 11504, the IDIF shall be paid prior to the issuance of a certificate of

occupancy for the specific Townhome or Apartment building or up to twelve (12) months following

the issuance of the building permit for the specific Townhome or Apartment building, whichever occurs first, and the applicable IDIF rate (detailed below) shall be that in effect at the time of such payment, unless the timing or requirements of payment is modified by applicable State Law. No certificate of occupancy shall be issued prior to the full payment of the required IDIF amount, which payment shall be made in one lump sum installment. IDIF amounts/rates are subject to adjustment every July 1st based on State of California Construction Cost Index (Prior March to Current March Adjustment), per CMC Section 11500.

IDIF amounts/rates for residential development have been set at $16,918.01 per unit (1 bedroom or studio) and $21,147.52 (All Other) per unit for Fiscal Year 2025-26, effective July 1, 2025, through June 30, 2026. Affordable Housing Units are exempted from IDIF.

None of the proposed project units are exempt from IDIF. Based on the above-specified rates, the Developer would be responsible for a total payment of IDIF for the proposed project in an amount calculated as follows: (538 units [1 bedroom or studio] X $16,918.01 per unit = $9,101,889.38) + (578 units [All Other] X $21,147.52 per unit = $12,223,266.56) = $21,325,155.94, subject to any applicable fee credits or reimbursements to which Developer might be entitled under Carson Municipal Code Sections 11800-11804.

However, if the IDIF for the project is not paid in 2025-26 fiscal year (i.e., by June 30, 2026), a new IDIF rate/amount will apply for the period of July 1, 2026, through June 30, 2027, based on the IDIF rate for Fiscal Year 2026-27, and so on for subsequent fiscal year(s). The fee for Fiscal Year 2026-2027 IDIF has not yet been determined.

To understand the requirements in more detail, please visit the City's IDIF webpage at: https://ci.carson.ca.us/communitydevelopment/IDIFProgram.aspx and/or contact James Nguyen at jnguyen@carsonca.gov or 310-952-1700 ext. 1310.

Notice of Imposition of Interim Development Impact Fees; Right to Protest

Pursuant to CMC Section 11503, Developer is hereby notified of the IDIF imposed on the project, as described and in the amount stated above. In accordance with Government Code Section 66020, Developer may protest the imposition of the IDIF on the project by complying with the requirements set forth in CMC 11900. Any such protest shall be filed at the time of the approval or conditional approval of a development, as that phrase is defined in CMC 11901(A).

If you have any questions or comments regarding this notice, please contact James Nguyen at jnguyen@carsonca.gov or (310) 952-1700 ext. 1310.

In lieu of the Developer and the Project opting into Citywide Community Facilities District No. 2018-01 ("CFD") (estimated to have a net present value over the life of this Agreement of approximately fourteen million six hundred fifty-eight thousand three hundred sixty-two dollars ($14,658,362.00) and paying Development Impact Fees pursuant to Ordinance No. 19-1931 (estimated to be approximately thirteen million one hundred twenty-seven thousand fourteen dollars ($13,127,014.00) based on current Project features), Developer shall pay a Development Agreement Fee totaling thirty million fifteen thousand three hundred seventy-six dollars ($30,015,376.00) (the "Development Agreement Fee") (this includes an additional fee of $2,000 per residential unit multiplied by 1,115 units even if fewer units are constructed (equal to two million two hundred thirty thousand dollars ($2,230,000.00)).

Developer shall have the right to pay the Development Agreement Fee as prescribed below or cause the Development Agreement Fee contributions and payments to be made by a nonprofit entity in accordance with the terms prescribed by this Agreement. Except as otherwise provided for the Carson Park and Recreation Subsidy and the Initial DA Fee Payment, the amounts prescribed below shall be paid either by the Developer or the nonprofit entity at the City's direction toward specific programs, projects or uses within the following categories: (i) park, recreational and open space site acquisition, facility development and maintenance, (ii) City infrastructure improvements, maintenance and upgrades, and (iii) community recreational benefits and subsidies. The Development Agreement Fee payments are limited to the amounts and subject to the schedule set forth below:

a) Three hundred thousand dollars ($300,000.00) shall be due upon the Effective Date of the DA and shall be used by City to subsidize Carson residents' fees and costs associated with park and recreational registration, trophies and jerseys ("Carson Park and Recreation Subsidy").

b) Five million dollars ($5,000,000.00) shall be due prior to issuance of a grading permit for the Project ("Initial DA Fee Payment"). The City shall have the option to use the Initial DA Fee Payment in whole or in part for low income housing including but not limited to maintenance and upgrades to, and assistance with the preservation of, existing mobilehome parks located throughout the City.

c) Five million dollars ($5,000,000.00) shall be due prior to issuance of a building permit for the first Townhome to be constructed within the Project.

d) Six million dollars ($6,000,000.00) shall be due prior to issuance of a certificate of occupancy for the first Apartment building to be constructed within the Project, and another six million dollars ($6,000,000.00) shall be due upon issuance of a certificate of occupancy for the second Apartment building to be constructed within the Project..

e) Five million dollars ($5,000,000.00) shall be due within six months following issuance of a certificate of occupancy for the first Apartment building to be constructed within the Project.

f) Two million seven hundred fifteen thousand three hundred and seventy-six dollars ($2,715,376.00) shall be due prior to issuance of a building permit for the 150th Townhome to be constructed within the Project.

EXHIBIT C TO PLANNING COMMISSION RESOLUTION NO. 22-244, AS AMENDED BY CITY COUNCIL RESOLUTION NO. 22-242 - CONDITIONS OF APPROVAL (VESTING TENTATIVE TRACT MAP 83157)

These "Conditions of Approval" shall govern the development of the Imperial Avalon Vesting Tentative Tract Map ("VTTM"), located at 21207 Avalon Boulevard in the City of Carson ("Project Site"). The "Project" consists of a mixed use project including 1,115 residential dwelling units, 10,000 square feet of restaurant area, and 111,581 square feet of publicly accessible but privately maintained open space within the Imperial Avalon Specific Plan. The Project is proposed by the "Applicant" which currently **(as of the date of Planning Commission Resolution No. 22-244, as amended by City Council Resolution No. 22-242)** consists of Imperial Avalon, LLC which term shall include the successors and assigns of the Applicant (aka, the "Developer").

GENERAL CONDITIONS

1. The Applicant shall sign an Affidavit of Acceptance form and submit the document to the Planning Division within 30 days of receipt of the City Council Resolution approving the amendment to the Specific Plan.

2. The adopted Ordinance approving the Specific Plan, including the Conditions of Approval contained herein, and the signed Affidavit of Acceptance, shall be copied in their entirety and placed directly onto a separate plan sheet behind the cover sheet of the development plans prior to Building and Safety plan check submittal. Said copies shall be included in all development plan submittals, including any revisions and the final working drawings.

3. These Conditions of Approval shall be subject to the terms and conditions of the Imperial Avalon Specific Plan, Final Environmental Impact Report (FEIR), Mitigation Monitoring and Reporting Program (MMRP), and Development Agreement (DA). In the event of a conflict between these Conditions of Approval and the Development Agreement the Development Agreement shall control.

4. Prior to recordation of the map, the Applicant shall submit a vesting tentative map that complies with the approvals by the Planning Commission, City Council, these conditions of approval, City of Carson Public Works Department, and the County of Los Angeles. All plans shall be consistent with all project approvals.

5. The Applicant shall comply with all City, county, state, and federal regulations applicable to the Project.

6. The Applicant shall comply with all Mitigation Measures, Project Design Features, and Project Characteristics as described in the Final Environmental Impact Report and MMRP.

7. City Approvals. All approvals by City with respect to the Project and/or the Conditions of Approval set forth herein, unless otherwise specified, shall be by the department head of the department or agency requiring the applicable condition. All agreements, covenants, easements, deposits and other documents required herein where City isa party shall be in a form approved by the City Attorney. The Applicant shall pay the cost for review and approval of such agreements and deposit necessary funds pursuant to the First Amended and Restated Reimbursement Agreement, between the City, and Faring Capital, LLC, dated June 1, 2022 (as amended or modified from time to time, the "Reimbursement Agreement").

8. Reimbursement Agreement. A trust deposit account shall be established and maintained pursuant to the Reimbursement Agreement.

9. Indemnification. The Applicant, and its tenant(s), for themselves and their successors in interest ("Indemnitors"), agree to defend, indemnify and hold harmless the City of Carson, its agents, officers and employees, and each of them ("Indemnitees") as set forth in the DA from and against any and all claims, liabilities, damages, losses, costs, fees, expenses, penalties, errors, omissions, forfeitures, actions, and proceedings(collectively, "Claims") against Indemnitees with respect to the Project entitlements or approvals that are the subject of these Conditions of Approval, and any Claims against Indemnitees which are in any way related to Indemnitees' review of or decision upon the Project that is the subject of these Conditions of Approval (including, without limitation, any Claims related to any finding, determination, or claim of exemption made by Indemnitees pursuant to the requirements of the California Environmental Quality Act or other local or State Agencies, and any Claims against Indemnitees which are in any way related to any damage or harm to people or property, real or personal, arising from Indemnitors' construction or operations of the Project, including site improvements and other associated improvements. or any of the Project entitlements or other approvals that are the subject of Conditions of the Approvals for the Specific Plan, Site Plan and Design Review and Tentative Tract Map. The City will promptly notify Indemnitors of any such claim, action or proceeding against Indemnitees, and, at the option of the City, Indemnitors shall either undertake the defense of the matter or pay Indemnitees associated legal costs or shall advance funds assessed by the City to pay for the defense of the matter by the City Attorney. In the event the City opts for Indemnitors to undertake defense of the matter, the City will cooperate reasonably in the defense, but retains the right to settle or abandon the matter without Indemnitors' consent. Indemnitors shall provide a deposit to the City in the amount of 100% of the City's estimate, in its sole and absolute discretion, of the cost of litigation / Claims asserted, including the cost of any award of attorneys' fees, and shall make additional deposits as requested by the City to keep the deposit at such level. If Indemnitors fail to provide or maintain the deposit, Indemnitees may abandon the action and Indemnitors shall pay all costs resulting therefrom and Indemnitees shall have no liability to Indemnitors.

SPECIAL CONDITIONS

10. No demolition or grading permits shall be issued prior to Vesting Tentative Tract Map clearance by City of Carson Building & Safety. ~~Los Angeles County Department of Public Works~~

11. Avalon Street Improvements. Prior to issuance of any building permits, the developer shall prepare plans and obtain approval from the City for installation of street improvements along their Avalon Boulevard street frontage consistent with the Carson Street Master Plan improvements, the Union Southbay project, and as identified in the DIF Nexus Study prepared by Kelly Associates Management Group and dated March 19, 2019, and approved by the City Council on April 2, 2019, along with all reports, studies, assessments and memorandums referenced within that study (collectively the "DIF Nexus Study") including parkway and median landscaping, hardscaping, and street furniture including bike racks, streetlights, benches, wayfinding signs, etc. All improvements shall be completed prior to issuance of the occupancy permit for the first apartment building or any townhomes, whichever occurs earlier.

12. Grace Avenue Improvements. Prior to issuance of building permits, the developer shall prepare plans and obtain approval from the City for installation of street improvements along their street frontage improvements for Grace Avenue consistent with the approved plans. All improvements shall be completed prior to issuance of the occupancy permit for the first townhome.

13. Bicycle Lane Improvements. Prior to issuance of building permits, the developer shall prepare plans and obtain approval from the City for installation of bicycle lanes along Avalon Boulevard and 213th Street identified in the DIF Nexus Study and per the City's Complete Streets Policy and Public Works Designs. All improvements shall be completed prior to issuance of the occupancy permit for the first apartment building or any townhomes, whichever occurs earlier.

14. The Vesting Tentative Tract Map approval shall not be effective until such time the City Council approves the Specific Plan, Development Agreement, General Plan Amendment, and Zone Change and said documents are legally effective.

15. The final Construction Documents shall comply with the provisions and requirements of the Development Agreement, the Specific Plan and final approved Site Plan.

16. The applicant shall ensure that the fugitive dust control program is implemented during construction. The program shall be depicted on the construction drawings/grading plans and the contractor shall be responsible for implementation.

17. Adequate measures shall be taken to eliminate odors during the grading operations ~~as a result of the site being a former landfill~~ to the satisfaction of the Community Development Director.

18. ~~The Development Agreement Fee and all other fees~~ **Fees** shall be paid in appropriate times as specified in the Development Agreement and the Conditions of Approval.

BUILDING AND SAFETY DIVISION

19. Submit development plans **for the applicable Phase** for plan check review and approval prior to issuance of permits **for the applicable Phase**.

20. Obtain all appropriate permits **for the applicable Phase** and an approved final inspection for the **applicable Phase** ~~proposed Project~~.

ENGINEERING SERVICES DEPARTMENT – CITY OF CARSON

21. Any existing off-site improvements damaged during the construction shall be removed and reconstructed per City of Carson PW Standard Drawings and to the satisfaction of the City Engineer.

26. A construction permit is required for any work to be done in the public right-of-way.

27. The Applicant shall comply with all conditions and requirements recommended or imposed by the County of Los Angeles (Dept. of Public Works) in connection with Vesting Tentative Tract Map and / or the recordation of the Final Tract Map as approved by the City Engineer.

28. The **applicable** Developer shall submit a copy of approved Grading plans **for the applicable Phase** on bond paper to the City of Carson – Engineering Division, prior to issuance of grading permits **for the applicable Phase**.

29. The Developer shall submit an electronic copy of approved plans (such as, Sewer, Street and/or Storm Drain Improvements, whichever applies), to the City of Carson – Engineering Division, prior to issuance of permit by Engineering Division.

30. Proof of Worker's Compensation and Liability Insurance shall be submitted to the City prior to issuance of permit by Engineering Division.

31. A Construction bond for all work to be done within the public right of way shall be submitted and approved by Engineering Division prior to ~~approval of the Final Map~~ **issuance of building permits for the Project. No offsite work shall take place prior to posting the Construction bond.**

32. A Final Map prepared by, or under the direction of, a pre-1982 Registered Civil Engineer or Licensed Land Surveyor must be processed through the City Engineer prior to being filed with the County Recorder.

33. CC&R's (covenants, conditions, and restrictions) **or REAs (reciprocal easement and maintenance agreements)** to address drainage responsibilities are required.

34. Private easements will not be granted or recorded within areas proposed to be granted, dedicated, or offered for dedication until after the Final Map is filed with the County Recorder. If easements are granted after the date of tentative map approval, a subordination must be executed by the easement holder prior to the filing of the Final Map.

35. Prior to tentative map approval, quitclaim or relocate any easements interfering with building locations to the satisfaction of the City, appropriate agency or entity.

36. Provide suitable turnaround and label the driveways "Private Driveway and Fire Lane" on the Final Map to the satisfaction of the Fire Department.

37. Prior to tentative map approval, a soils report, sewer area study, drainage concept, hydrology study and stormwater quality plan shall be reviewed and approved. Tentative map approval will not be granted until the required soils, sewer, drainage concept, hydrology study and stormwater information have been received and found satisfactory.

38. Comply with mitigation measures recommended in the approved soils, sewer area study, drainage concept, hydrology study and stormwater quality plan.

39. Prior to tentative map approval, the Developer shall submit a sewer area study to the Los Angeles County Department of Public Works (LACDPW) to determine if capacity is adequate in the sewerage system to be used as the outlet for the sewer of this development. If the system is found to have insufficient capacity, the problem must be addressed and resolved to the satisfaction of the L.A. County Sewer Department.

40. The Developer shall install separate sewer laterals to individually serve each building in the development. Installation and dedication of main line sewers may be necessary to meet this requirement.

41. The Developer shall submit drainage/grading plans, prepared by a registered Civil Engineer, to ~~Los Angeles County Department of Public Works (LACDPW)~~ **City of Carson Building & Safety** and obtain approvals to the satisfaction of ~~LACDPW~~ **City of Carson Building & Safety.**

42. The Developer shall comply with applicable LID requirements (Carson Municipal Code Section 5809) and shall include Best Management Practices necessary to control

storm water pollution from construction activities and facility operations to the satisfaction of Building and Safety or as otherwise approved by the City Engineer.

43. A water system maintained by the water purveyor, with appurtenant facilities to serve all buildings in the development, must be provided. The system shall include fire hydrants of the type and location as determined by the Fire Department. The watermains shall be sized to accommodate the total domestic and fire flows.

44. The Developer shall send a print of the development map to the County Sanitation District, to request for annexation. The request for annexation **for the Townhomes must be approved (and annexation granted) prior to issuance of any certificates of occupancy for the Townhomes. The request for annexation for either of the Apartment buildings** must be approved **(and annexation granted)** prior to ~~Final Map approval~~ **issuance of any certificates of occupancy for the respective Apartment Building.**

45. A final guarantee will be required at the time of the filing of the Final Map with the County Recorder/County Clerk's Office.

46. Comply with the City of Carson Green Streets standards.

Prior to Issuance of Building Permit

47. Public Street Improvements Plans along Avalon Boulevard and Grave Avenue shall (be): a) include parkways, sidewalks, wheelchair ramps, bike lanes, landscaped medians, streetlights, etc. b) per The Imperial Avalon Specific Plan. c) per the City of Carson PW Standard Drawings. d) submitted to and reviewed by County of Los Angeles, Department of Public Works for approval recommendations to the City Engineer.

48. Final Map shall be approved and recorded, except as otherwise provided in the Development Agreement (No. 23-19).

49. Drainage/Grading plan **for the applicable Phase** shall be submitted for approval of the Building and Safety Division. The Developer shall submit a copy of approved Drainage/Grading plans on bond paper to the City of Carson – Engineering Division.

50. The Developer shall submit improvement plans **for the applicable Phase** to the Engineering Division showing all the required improvements in the public right of way for review and approval of the City Engineer. A copy of approved conditions of approval shall be attached to the plans when submitted.

51. Off-site improvements (e.g., driveways, sidewalk, parkway drains, trees, curb/gutter, etc.) shown on the grading plans **for the applicable Phase** must provide a concurrent submittal to City of Carson Engineering Division. Off-site improvements may be shown

on a separate set of street

improvement plans. Prior to issuance of Grading permit, developer shall obtain clearance from City of Carson Engineering Division.

52. Per CMC §9161.4, the Developer shall provide an in-lieu fee in an amount determined by the City Engineer, per CMC §9161.7 **for the applicable Phase**, to be sufficient to cover the costs of undergrounding all existing overhead utility lines, including telecommunication lines, 12 Kilovolts. The cash in-lieu payment **for the applicable Phase** shall be deposited in full amount before issuance of Building Permits **for the applicable Phase**. At the discretion of the City Engineer, the City may accept an undergrounding cost estimate prepared by Southern California Edison in-lieu of the City's estimate.

Prior to Certificate of Occupancy

53. The developer shall ensure the signal at the intersection of Avalon Boulevard and the main Project entry is operational, at the developer's expense, to the satisfaction of the City Engineer.

54. The Applicant shall comply with all requirements from L.A. County Sewer Maintenance Division for Maintenance of new and/or existing sewer main, relating to this development, prior to release of all improvement bonds.

55. The Applicant **for the applicable Phase** shall execute and provide to the City Engineer, a written statement from the water purveyor (Calwater) indicating that the water system will be operated by the purveyor and that under normal conditions, the system will meet the requirements for the development and that water service will be provided to each building.

56. Comply with mitigation measures required by the water purveyor.

57. The Applicant **for the applicable Phase** shall construct and guarantee the construction of all required drainage infrastructures in accordance with the requirements and recommendations of the hydrology study, subject to the approval of the City Engineer.

58. The Developer **for the applicable Phase** shall construct and guarantee the construction of all required drainage infrastructures in accordance with the requirements and recommendations of the hydrology study, subject to the approval of the City Engineer.

59. All new utility lines, servicing the proposed development shall be underground to the satisfaction of the City Engineer.

60. Comply with any additional requirements, if any, as means of mitigating any traffic impacts as identified in the traffic study approved by the City Traffic Engineer.

61. Install a striping and pavement legend per City of Carson PW Standard Drawings.

62. If needed **for the applicable Phase**, grant an easement(s) to the City or other appropriate agency or entity to the extent necessary for the construction and maintenance of all infrastructures required pursuant to the project approval and these conditions, and to facilitate ADA-compliant pedestrian and vehicular ingress and egress across driveways or other access points connecting the proposed development to the public right-of-way, or otherwise along the public right-of-way on or adjacent to the proposed development, to the satisfaction of the City Engineer and or appropriate agency or entity.

63. The Developer shall annex the area to the L.A. County Lighting Maintenance District, for the purpose of operating and maintaining the streetlights to be installed **but only for offsite streetlights in the public right of way.** The annexation shall be to the satisfaction of L.A. County and shall be completed prior to the issuance of **final** Certificate**s** of Occupancy. Additional streetlight installation or upgrade to existing streetlights may be required as part of the annexation.

64. Relocate existing conflicting street light poles to the satisfaction of L.A. County Traffic and Lighting Division, the City of the City Engineer and/or appropriate agency or entity.

PUBLIC WORKS – WATER QUALITY

Prior to Issuance of Building Permit

65. Prior to the issuance of Building Permit the proposed development is subject to the following:

a) Per City of Carson ordinance 5809 ~~developer~~ **Developer for the applicable Phase** shall comply with all applicable Low Impact Development (LID) requirements and shall include Best Management Practices necessary to control storm water pollution from construction activities and facility operations to the satisfaction of the City Engineer.

b) Developer shall apply for a Construction Activities Stormwater General Permit from the State Water Resources Control Board.

c) Developer shall provide a copy of an approved SWPPP stamped by **the City and/or the** Los Angeles County Building and Safety Division along with WDID number.

d) Developer shall provide contact information of the Qualified Storm Water Developer (QSD) and/or Qualified SWPPP (Storm Water Pollution Prevention Plan) Developer (QSP) of the site to **Roland Jen** via E-mail **RJen**@Carson.ca.us

e) Developer shall submit digital copies of the LID/NPDES/Grading Plans, hydrology and Hydraulic analysis concurrently to City of Carson, Engineering Services Department and Building & Safety Division. Deliver copy to **Roland Jen** via E-mail **RJen**@Carson.ca.us

f) Developer shall complete, sign and return the Stormwater Planning Program LID Plan Checklist form and return to City of Carson Engineering Services Division.

Prior to Issuance of Certificate of Occupancy

66. Prior to the issuance of Certificate of Occupancy the proposed development is subject to the following:

a) For any structural and/or treatment control device installed. Developer shall record a maintenance covenant pursuant to Section 106.4.3 of the County of Los Angeles Building Code and title 12, Chapter 12.80 of the Los Angeles County Code relating to the control of pollutants carried by storm water runoff. In addition, an exhibit shall be attached to identify the location and maintenance information for any structural and/or treatment control device installed.

b) Developer shall complete and submit digital BMP Reporting Template Spreadsheet to the City Public Works Department.

c) Covenant shall be reviewed and approved by the City Engineer prior to recordation with the Los Angeles County Registers Recorder/County Clerk.

d) RECORDATION is the responsibility of the Developer. Provide a copy of the recorded covenant agreement to City Engineer.

e) Inspection will be conducted once a year after all Post Construction Best Management Practices (BMP) are constructed.

f) Developer shall provide an approved Notice of Termination (NOT) by the State Water Resources Control Board.

FIRE DEPARTMENT

67. The proposed development for the Project shall obtain approval and comply with all Los Angeles County Fire Department requirements.

Final Map

68. Submit the Final Map for review and approval prior to recordation. Submittals are to be made at epicla.lacounty.gov.

69. Label the driveway "Private Driveway and Fire Lane" on the Final Map and clearly depict the required Fire Department width as approved at the tentative map review.

70. Prior to building permit issuance **for each Phase**, verification for compliance **with respect to the applicable Phase** will be performed during the fire prevention engineering plan check unit architectural plan review.

LOS ANGELES COUNTY DEPARTMENT PUBLIC WORKS

Drainage

71. Comply with the approved hydrology study, or the latest revision, to the satisfaction of **City of Carson Building & Safety.** ~~Public Works~~

72. Comply with the City's water quality requirements.

Geology and Soils

73. The final map must be approved by the **City of Carson Building&Safety's designated geotechnical expert** ~~Geotechnical and Materials Engineering Division (GMED)~~ to assure that all geotechnical requirements have been properly depicted.

Grading

74. Submit a grading plan **to the City of Carson Building&Safety** for approval. Also, acknowledgment and/or approval from all easement holders may be required.

75. Prior to approval of the grading plan, provide approval of the latest hydrology study ~~by~~ **to** the City **of Carson Building & Safety.**

76. Prior to approval of the grading plan, the subject grading plan must also be approved by Public Works, Geotechnical and Materials Engineering Division (GMED) or the City's Geotechnical Engineer.

77. **In order to ensure access to the Townhomes from Avalon Blvd through the Apartment lots, the rough grading of the site shall be completed for the entire Property. Notwithstanding the foregoing, the inspection and signoff of individual rough-graded pads for the Townhomes and/or either Apartment lot, respectively, can be obtained for individual rough-graded pads during the rough-grading effort.** Prior to approval of the grading plan, provide approval of any permits and/or letter of non-jurisdiction from all State and Federal Agencies as applicable. These agencies may include; the State of California Regional Water Quality Control Board, the State of California Department of Fish and Wildlife, the State of California Department of Conservation, the California Geologic Energy Management, and the Army Corps of Engineers.

Street

78. Dedicate an additional 5 feet of street right of way on Grace Avenue (30' from the street centerline).

79. Construct road improvements along the property frontage on Grace Avenue to include standard pavement, base, pavement transition, curb, gutter, and sidewalks. Sidewalks are to be constructed next to the property line. Relocate any affected utilities.

80. Reconstruct the cul-de-sac on Grace Avenue with a minimum radius of 32 feet.

81. Reconstruct the existing driveway on Avalon Boulevard to comply with American with Disabilities Act standards. The shared driveway needs to be reconstructed as two separate driveways. A 1' minimum clearance is required between the driveways top of "x."

82. Repair or replace all damaged sidewalk panels.

83. Repair or replace any improvements damaged during construction.

84. Plant street trees along the property frontage on Grace Avenue and Avalon Boulevard and provide a privately maintained irrigation system. Existing trees in dedicated or to be dedicated right of way shall be removed and replaced if not acceptable as street trees.

85. All drainage improvements within public right of way are to be privately maintained. Execute a covenant for private maintenance of curb/parkway drains, if any.

86. Underground all existing service lines and distribution lines that are less than 50 KV and new utility lines to the satisfaction of Southern California Edison.

87. Prior to **any** ~~final~~ **certificates of occupancy** ~~map approval,~~ enter into an agreement with the **local-**franchised cable TV operator (if an area is served) to permit the installation of cable in a common utility trench or provide documentation that steps to provide cable TV to the proposed subdivision have been initiated.

88. Comply with the City's road conditions.

89. Comply with the street lighting conditions as stipulated in the enclosed memorandum dated February 1, 2022, from Los Angeles County Public Works, Traffic Safety and Mobility Division (Street Lighting Section), and/or any of the City's street lighting requirements. **Per the memorandum, the County Lighting Districts cannot assume responsibility for streetlights located within gated communities or on roadways designated as a private or private-future street.**

Sewer

90. The approved sewer area study for this proposed land division remains valid for two years from the date of approval. After this period, the applicant shall request the City to re-validate the existing approved sewer area study. Any modifications to the approved tentative map may invalidate this sewer area study. If warranted by Public Works or the City, an approved update of the area study shall be required.

Water

91. The Developer shall comply with the requirements as stipulated in the Will Serve letter from California Water Service.

Subdivision

92. Provide addressing information in Microsoft Excel format to the satisfaction of the City Engineer.

93. Reserve reciprocal easements for drainage, ingress/egress, sewer, water, utilities, right to grade, and maintenance purposes, etc., in documents, over the common private driveways.

94. ~~Remove existing buildings prior to final map approval.~~ Demolition permits and final sign-off from the building inspector are required from the local Building and Safety office.

95. A final guarantee will be required at the time of the filing of the final map with the Registrar-Recorder/County Clerk's office.

96. Within 30 days of the approval date of this land use entitlement or at the time of the first plan check submittal, the applicant shall deposit the sum of $5,000 with Los Angeles County Public Works to defray the cost of verifying conditions of approval for the purpose of issuing final map clearances.

Street Light Requirements

97. The~~ project area~~ **installation of new street lights in the public right of way** will ~~be~~ require~~d to~~ **annexation into**~~ be annexed to~~ the County Lighting Maintenance District serving the City of Carson. Therefore, submit a street lighting plan showing existing **offsite** streetlight**s** **in the right of way** for the annexation process prior to **issuance of any** certificate**s** of occupancy.

98. Upon submittal of street lighting plans(s) **(offsites**~~ subdivision~~ only), the applicant shall comply with conditions of annexation in order for the light districts to pay for the future operation and maintenance of the streetlights. The annexation and the levy of assessment require the approval of the Board of Supervisors prior to Public Works approving street lighting plans. It is the sole responsibility of the owner/developer of the project to have all street lighting plans approved prior to~~ the map recordation~~ **the issuance of any certificates of occupancy.** The required street lighting improvements shall be the sole responsibility of the owner/developer of the project and the installation must be accepted per approved plans. If phasing of the project is approved, the required street lighting improvements shall be the sole responsibility of the owner/developer of the project and will be made a condition of approval to be in place for each phase.

Conditions of Annexation for County Lighting Maintenance District

99. Provide business/property owners name, mailing address, site address, Accessor Parcel Number, and Parcel Boundaries in Auto CADD format to be developed to Street Lighting Section **for any new street lights in the public right of way prior to issuance of any certificates of occupancy.**

100. Submit map of the proposed project including any roadways condition for streetlights to Street Lighting Section **for any new street lights in the public right of way prior to issuance of any certificates of occupancy.** Contact Street Lighting Section for map requirements and/or questions at (626) 300-4726.

Conditions of Acceptance for Street Light Transfer of Billing

101. ~~The area~~ **Prior to issuance of any certificate of occupancy for the applicable Phase, any new offsite street lights** must be annexed into the lighting district and all streetlight**s** in the project, or the approved phase of the project, must be constructed according to **City** ~~Public Works~~ approved plans. The contractor shall submit one complete set of "as-built" plans. The lighting district can assume the responsibility for the operation and maintenance of the **offsite** streetlights by July 1st of any given year, proved the above conditions are met, all streetlight**s** in the project, or approved project phase, have been constructed per **City** ~~Public Works~~ approved plan and energized and the owner/developer has requested a transfer of billing **for offsite street lights** at least by January 1st of the previous year. The transfer of billing could be delayed one or more years if the above conditions are not met.

Recycled Water and Purple Pipe Extension

102. ~~The Developer will provide recycled water purple pipe on site and will tie into any future purple pipe infrastructure. Prior to issuance of any Project grading or building permits, Developer shall enter into an agreement with the City and West Basin Municipal Water District to extend the existing purple pipe infrastructure from the intersection of Lenardo Drive and Avalon Boulevard to Avalon Boulevard and Carson Street. If an agreement cannot be reached, Developer will tie into purple pipe infrastructure when it becomes available.~~ **Intentionally Omitted.**

103. ***Interim Development Impact Fee:*** **In accordance with Article XI (Interim Development Impact Fee Program) of the Carson Municipal Code ("CMC"), the applicant, property owner, and/or successor to whom this project approval is assigned ("Developer") shall be responsible for payment of one-time interim development impact fees ("IDIF") for the applicable Phase at the applicable rate detailed below for each unit of residential development constructed for the project. If the project increases or decreases in regards to the number of units constructed, the total IDIF amount will be adjusted accordingly at the applicable rate.**

Per CMC 11504, the IDIF shall be paid prior to the issuance of a certificate of occupancy for the specific Townhome or Apartment building or up to twelve (12) months following the issuance of the building permit for the specific Townhome or Apartment building, whichever occurs first, and the applicable IDIF rate (detailed below) shall be that in effect at the time of such payment, unless the timing or requirements of payment is modified by applicable State Law. No certificate of occupancy shall be issued prior to the full payment of the required IDIF amount, which payment shall be made in one lump sum installment. IDIF amounts/rates are subject to adjustment every July 1st based on State of California Construction Cost Index (Prior March to Current March Adjustment), per CMC Section 11500.

IDIF amounts/rates for residential development have been set at $16,918.01 per unit (1 bedroom or studio) and $21,147.52 (All Other) per unit for Fiscal Year 2025-26, effective July 1, 2025, through June 30, 2026. Affordable Housing Units are exempted from IDIF.

None of the proposed project units are exempt from IDIF. Based on the above-specified rates, the Developer would be responsible for a total payment of IDIF for the proposed project in an amount calculated as follows: (538 units [1 bedroom or studio] X $16,918.01 per unit = $9,101,889.38) + (578 units [All Other] X $21,147.52 per unit = $12,223,266.56) = $21,325,155.94, subject to any applicable fee credits or reimbursements to which Developer might be entitled under Carson Municipal Code Sections 11800-11804.

However, if the IDIF for the project is not paid in 2025-26 fiscal year (i.e., by June 30, 2026), a new IDIF rate/amount will apply for the period of July 1, 2026, through June 30, 2027, based on the IDIF rate for Fiscal Year 2026-27, and so on for subsequent fiscal year(s). The fee for Fiscal Year 2026-2027 IDIF has not yet been determined.

To understand the requirements in more detail, please visit the City's IDIF webpage at: https://ci.carson.ca.us/communitydevelopment/IDIFProgram.aspx and/or contact James Nguyen at jnguyen@carsonca.gov or 310-952-1700 ext. 1310.

Notice of Imposition of Interim Development Impact Fees; Right to Protest

Pursuant to CMC Section 11503, Developer is hereby notified of the IDIF imposed on the project, as described and in the amount stated above. In accordance with Government Code Section 66020, Developer may protest the imposition of the IDIF on the project by complying with the requirements set forth in CMC 11900. Any such protest shall be filed at the time of the approval or conditional approval of a development, as that phrase is defined in CMC 11901(A).

If you have any questions or comments regarding this notice, please contact James

Nguyen at jnguyen@carsonca.gov or (310) 952-1700 ext. 1310.

~~In lieu of the Developer and the Project opting into Citywide Community Facilities District No. 2018-01 ("CFD") (estimated to have a net present value over the life of this Agreement of approximately fourteen million six hundred fifty-eight thousand three hundred sixty-two dollars ($14,658,362.00) and paying Development Impact Fees pursuant to Ordinance No. 19-1931 (estimated to be approximately thirteen million one hundred twenty-seven thousand fourteen dollars ($13,127,014.00) based on current Project features), Developer shall pay a Development Agreement Fee totaling thirty million fifteen thousand three hundred seventy-six dollars ($30,015,376.00) (the "Development Agreement Fee") (this includes an additional fee of $2,000 per residential unit multiplied by 1,115 units even if fewer units are constructed (equal to two million two hundred thirty thousand dollars ($2,230,000.00)).~~

~~Developer shall have the right to pay the Development Agreement Fee as prescribed below or cause the Development Agreement Fee contributions and payments to be made by a nonprofit entity in accordance with the terms prescribed by this Agreement. Except as otherwise provided for the Carson Park and Recreation Subsidy and the Initial DA Fee Payment, the amounts prescribed below shall be paid either by the Developer or the nonprofit entity at the City's direction toward specific programs, projects or uses within the following categories: (i) park, recreational and open space site acquisition, facility development and maintenance, (ii) City infrastructure improvements, maintenance and upgrades, and (iii) community recreational benefits and subsidies. The Development Agreement Fee payments are limited to the amounts and subject to the schedule set forth below:~~

~~a) Three hundred thousand dollars ($300,000.00) shall be due upon the Effective Date of the DA and shall be used by City to subsidize Carson residents' fees and costs associated with park and recreational registration, trophies and jerseys ("Carson Park and Recreation Subsidy").~~

~~b) Five million dollars ($5,000,000.00) shall be due prior to issuance of a grading permit for the Project ("Initial DA Fee Payment"). The City shall have the option to use the Initial DA Fee Payment in whole or in part for low income housing including but not limited to maintenance and upgrades to, and assistance with the preservation of, existing mobilehome parks located throughout the City.~~

~~c) Five million dollars ($5,000,000.00) shall be due prior to issuance of a building permit for the first Townhome to be constructed within the Project.~~

~~d) Six million dollars ($6,000,000.00) shall be due prior to issuance of a certificate of occupancy for the first Apartment building to be constructed within the Project, and another six million dollars ($6,000,000.00) shall be due upon issuance of a certificate of occupancy for the second Apartment building to be constructed within the Project..~~

~~e) Five million dollars ($5,000,000.00) shall be due within six months following issuance of a certificate of occupancy for the first Apartment building to be constructed within the Project.~~

~~f) Two million seven hundred fifteen thousand three hundred and seventy-six dollars ($2,715,376.00) shall be due prior to issuance of a building permit for the 150th Townhome to be constructed within the Project.~~

EXHIBIT C TO CITY COUNCIL ORDINANCE NO. 22-2221 – CONDITIONS OF APPROVAL (SPECIFIC PLAN NO. 21-19)

These "Conditions of Approval" shall govern the Imperial Avalon Specific Plan ("Specific Plan"), located at 21207 Avalon Boulevard in the City of Carson ("Project Site"). The "Project" consists of a mixed use project including 1,115 residential dwelling units, 10,000 square feet of restaurant area, and a 22,859 square foot of publicly accessible but privately maintained open space area within the Imperial Avalon Specific Plan. The Project is proposed by the "Applicant" which currently **(as of the date of Planning Commission Resolution No. 22-244)** consists of Imperial Avalon, LLC which term shall include the successors and assigns of the Applicant (aka, the "Developer").

GENERAL CONDITIONS

1. The Applicant shall sign an Affidavit of Acceptance form and submit the document to the Planning Division within 30 days of receipt of the City Council Resolution approving the Imperial Avalon Specific Plan.

2. The adopted Ordinance approving the Imperial Avalon Specific Plan, including the Conditions of Approval contained herein, and the signed Affidavit of Acceptance, shall be copied in their entirety and placed directly onto a separate plan sheet behind the cover sheet of the development plans prior to Building and Safety plan check submittal. Said copies shall be included in all development plan submittals, including any revisions and the final working drawings.

3. These Conditions of Approval shall be subject to the terms and conditions of the Specific Plan, Final Environmental Impact Report (FEIR), Mitigation Monitoring and Reporting Program (MMRP), and Development Agreement (DA). In the event of a conflict between these Conditions of Approval and the Development Agreement the Development Agreement shall control.

4. The Applicant shall comply with all City, county, state, and federal regulations applicable to the Project.

5. The Applicant shall comply with all Mitigation Measures, Project Design Features, and Project Characteristics as described in the Final Environmental Impact Report and MMRP.

6. The Applicant shall make any necessary site plan and design revisions to the site plan and elevations approved by the Planning Commission or City Council in order to comply with all the Conditions of Approval and applicable Specific Plan provisions.

7. The applicant shall update the Specific Plan document, if deemed necessary by the Community Development Director, consistent with all approvals and revisions approved by the City Council.

8. City Approvals. All approvals by City, with respect to the Project and/or the Conditions of Approval set forth herein, unless otherwise specified, shall be by the department head of the department or agency requiring the applicable condition. All agreements, covenants, easements, deposits and other documents required herein where City is a party shall be in a form approved by the City Attorney. The Applicant shall pay the cost for review and approval of such agreements and deposit necessary funds pursuant to the January 19, 2021 Reimbursement Agreement.

9. Reimbursement Agreement. A trust deposit account shall be established and maintained pursuant to the Reimbursement Agreement, dated January 19, 2021.

10. Indemnification. The Applicant, and its tenant(s), for themselves and their successors in interest ("Indemnitors"), agree to defend, indemnify and hold harmless the City of Carson, its agents, officers and employees, and each of them ("Indemnitees") as set forth in the DA from and against any and all claims, liabilities, damages, losses, costs, fees, expenses, penalties, errors, omissions, forfeitures, actions, and proceedings(collectively, "Claims") against Indemnitees with respect to the Project entitlements or approvals that are the subject of these Conditions of Approval, and any Claims against Indemnitees which are in any way related to Indemnitees' review of or decision upon the Project that is the subject of these Conditions of Approval (including, without limitation, any Claims related to any finding, determination, or claim of exemption made by Indemnitees pursuant to the requirements of the California Environmental Quality Act or other local or State Agencies, and any Claims against Indemnitees which are in any way related to any damage or harm to people or property, real or personal, arising from Indemnitors' construction or operations of the Project, including site improvements and other associated improvements. Or any of the Project entitlements or other approvals that are the subject of Conditions of the Approvals for the Specific Plan, Site Plan and Design Review and Tentative Tract Map. The City will promptly notify Indemnitors of any such claim, action or proceeding against Indemnitees, and, at the option of the City, Indemnitors shall either undertake the defense of the matter or pay Indemnitees associated legal costs or shall advance funds assessed by the City to pay for the defense of the matter by the City Attorney. In the event the City opts for Indemnitors to undertake defense of the matter, the City will cooperate reasonably in the defense, but retains the right to settle or abandon the matter without Indemnitors' consent. Indemnitors shall provide a deposit to the City in the amount of 100% of the City's estimate, in its sole and absolute discretion, of the cost of litigation / Claims asserted, including the cost of any award of attorneys' fees, and shall make additional deposits as requested by the City to keep the deposit at such level. If Indemnitors fail to provide or maintain the deposit, Indemnitees may abandon the action and Indemnitors shall pay all costs resulting therefrom and Indemnitees shall have no liability to Indemnitors.

SPECIAL CONDITIONS

11. Vehicular Gates. The location and design of all proposed vehicular gates shall be reviewed and approved by the City's traffic engineer and the Los Angeles County Fire Department.

12. Pedestrian Gates. The location, design and access control methods for all proposed pedestrian gates, including access gates for the pedestrian bridge, shall be reviewed and approved by the Director of Community Development prior to the issuance of any building permit.

Report to Honorable Mayor and City Council

Tuesday, March 17, 2026, 5:00 PM

DISCUSSION 27.

To: Honorable Mayor and City Council

From: Arminé Chaparyan, Deputy City Manager CMO Administration

Subject: CONSIDER ADOPTING RESOLUTION 26-026 DESIGNATING THE CITY OF CARSON'S EVENTS, PROGRAMS, AND COMMUNITY ACTIVITIES ASSOCIATED WITH THE 2028 OLYMPIC AND PARALYMPIC GAMES AS "THE CARSON EXPERIENCE" (CITY COUNCIL)

I. SUMMARY

The purpose of this item is to formally establish a unified identity for the City of Carson's community activities, events, and initiatives associated with the 2028 Olympic and Paralympic Games to be held in the Los Angeles region.

The proposed resolution designates "The Carson Experience" as the official name and branding umbrella for City-sponsored or City-supported events, programs, and activities occurring before, during, and after the 2028 Olympic and Paralympic Games. The designation will provide a cohesive framework for organizing celebrations, cultural programs, youth initiatives, economic development activities, and community engagement opportunities tied to the global sporting event.

By adopting the name "The Carson Experience," the City seeks to highlight Carson's identity as a diverse, welcoming, and sports-centered community while creating opportunities to showcase local culture, support businesses, and engage residents in the Olympic spirit. The initiative also reflects the City's broader vision of positioning Carson as a forward-looking community that is investing in innovation, technology infrastructure, and future-focused economic development.

This designation will allow City departments and community partners to coordinate planning and promotional efforts under a unified brand that celebrates Carson's role in the regional Olympic celebration and enhances the City's visibility to visitors from around the world.

II. RECOMMENDATION

TAKE the following actions:

1. WAIVE further reading and ADOPT Resolution No. 26-026, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, OFFICIALLY DESIGNATING AND NAMING THE CITY OF CARSON'S EVENTS, PROGRAMS, AND COMMUNITY ACTIVITIES ASSOCIATED WITH THE 2028 OLYMPIC AND PARALYMPIC GAMES AS "THE CARSON EXPERIENCE"; and
2. AUTHORIZE the City Manager or designee to coordinate the development, promotion, and implementation of activities under the "Carson Experience" initiative.

III. ALTERNATIVES

TAKE another action the City Council deems appropriate and that is consistent with applicable laws.

IV. BACKGROUND

The Los Angeles region will host the 2028 Summer Olympics and 2028 Summer Paralympics, bringing significant international attention, tourism, and economic activity to Southern California.

The City of Carson is well positioned to participate in and benefit from the regional celebration due to its long-standing connection to athletics and international sporting events. Carson is home to the world-class sports and training facility known as Dignity Health Sports Park, which has hosted numerous international competitions and professional sporting events.

At the same time, the City of Carson is continuing to advance its long-term vision of becoming a center for innovation and economic growth in Southern California, including investments in next-generation technology infrastructure such as the City's municipally owned fiber network and broader efforts to position Carson as a "Gig City." These initiatives support the City's goals of attracting future industries, supporting green and emerging technologies, and creating new economic opportunities for residents and businesses.

Major global events such as the 2028 Games present an opportunity for cities throughout the region to engage residents, promote tourism, and highlight local culture. In preparation for the Olympic and Paralympic Games, many municipalities are establishing themed initiatives and programming to celebrate the event and welcome visitors.

The proposed initiative, "The Carson Experience," is intended to serve as the City's official umbrella identity for all Olympic-related community engagement efforts. Under this framework, the City may organize or support activities such as:

- Community festivals and cultural celebrations;
- Youth sports clinics and themed recreation programs;
- Public viewing events and watch parties;
- Educational programming highlighting our the history and values of Carson;
- Business promotions and economic development initiatives;
- Tourism and visitor engagement activities; and
- Volunteer and civic engagement opportunities.

The initiative would encompass activities beginning in the lead-up to the 2028 Games, continuing during the Olympic and Paralympic competitions, and extending afterward to sustain community momentum and economic opportunity.

Adopting an official name for these efforts will help create a recognizable identity for Carson's programming, strengthen marketing and promotional efforts, and encourage participation from residents, businesses, community organizations, and regional partners.

V. FISCAL IMPACT

Adoption of the proposed resolution itself does not have an immediate fiscal impact.

Activities associated with "The Carson Experience" may be implemented through existing City programs, partnerships with community organizations, sponsorships, and future City Council-approved programming related to the Olympic and Paralympic Games.

Any future events, marketing initiatives, or programming requiring additional funding would be presented to the City Council for consideration through the annual budget process or through separate agenda items as necessary.

The initiative may also provide opportunities to leverage partnerships, sponsorships, tourism promotion, and economic development activities that could generate positive economic benefits for local businesses and the community.

Resolution 26-026

RESOLUTION NO. 26-026

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, OFFICIALLY DESIGNATING AND NAMING THE CITY OF CARSON'S EVENTS, PROGRAMS, AND COMMUNITY ACTIVITIES ASSOCIATED WITH THE 2028 OLYMPIC AND PARALYMPIC GAMES AS "THE CARSON EXPERIENCE."

WHEREAS, the 2028 Olympic and Paralympic Games will be hosted in the Los Angeles region, bringing global attention, economic opportunity, and cultural exchange to the region; and

WHEREAS, the City of Carson is strategically located within Los Angeles County and is home to internationally recognized sports venues, training facilities, and diverse communities that actively support athletic excellence and international engagement; and

WHEREAS, the City of Carson is advancing a forward-looking vision to become a "Gig City" through the development of a municipally owned fiber network, positioning Carson as a center for high-speed connectivity, green technology, future industries, and innovation in Southern California, further strengthening the City's role as a modern hub for economic development, technology, and global engagement; and

WHEREAS, the City of Carson recognizes the opportunity presented by the 2028 Olympic and Paralympic Games to celebrate its residents, culture, youth, businesses, and community organizations through special events, programs, and civic activities; and

WHEREAS, the City of Carson desires to establish a unified identity and branding initiative to promote, organize, and celebrate local activities associated with the Olympic and Paralympic period; and

WHEREAS, the name "The Carson Experience" reflects the City's commitment to hospitality, cultural celebration, community pride, youth engagement, economic vitality, and the welcoming of visitors from around the world; and

WHEREAS, "The Carson Experience" will encompass events, festivals, cultural programs, community celebrations, exhibitions, business promotions, tourism initiatives, youth programs, and civic activities hosted by the City of Carson before, during, and after the 2028 Olympic and Paralympic Games; and

WHEREAS, establishing "The Carson Experience" will allow the City to coordinate municipal departments, community partners, local businesses, and regional stakeholders under a cohesive framework that highlights Carson's contributions to the global Olympic and Paralympic celebration; and

WHEREAS, the City Council wishes to formally designate this initiative in order to encourage civic participation, strengthen community pride, and position Carson as a welcoming destination for residents, visitors, and international guests.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CARSON, DOES HEREBY RESOLVE, DECLARE, DETERMINE, AND ORDER AS FOLLOWS:

SECTION 1. The City Council hereby officially designates the collective City of Carson events, programs, activities, and initiatives organized before, during, and after the 2028 Olympic and Paralympic Games as "The Carson Experience."

SECTION 2. "The Carson Experience" shall serve as the official name and branding umbrella for City-sponsored or City-supported activities related to the Olympic and Paralympic Games, including but not limited to:

- Community celebrations and cultural festivals
- Youth and athletic programs
- Civic engagement initiatives
- Tourism and visitor activities
- Business and economic development promotions
- Educational and cultural exchange events
- Public viewing events and Olympic-themed programming

SECTION 3. The City Manager, or designee, is hereby authorized to coordinate the development, promotion, and implementation of "The Carson Experience," including collaboration with community organizations, regional partners, local businesses, and other stakeholders.

SECTION 4. City departments shall incorporate the name "The Carson Experience" into marketing materials, programming, and outreach activities related to the Olympic and Paralympic period to present a unified message showcasing the City of Carson.

SECTION 5. Residents, businesses, community groups, and institutions are encouraged to participate in and contribute to "The Carson Experience" in celebration of the Olympic and Paralympic spirit of friendship, excellence, and respect.

PASSED, APPROVED AND ADOPTED this 17th day of March 2026.

Report to Honorable Mayor and City Council

Tuesday, March 17, 2026, 5:00 PM

DISCUSSION 28.

To: Honorable Mayor and City Council

From: Nora A. Garcia , Director of Public Safety & Emergency Management PS Administration

Subject: CONSIDER INTRODUCTION AND FIRST READING BY TITLE ONLY OF ORDINANCE NO. 26-2605, AMENDING THE CARSON MUNICIPAL CODE RELATING TO SIDEWALK VENDING REGULATIONS, INCLUDING PROHIBITING SIDEWALK VENDING WITHIN 1,000 FEET OF A PLACE OF PUBLIC ASSEMBLAGE AROUND EVENT TIMES AND WITHIN 1,000 FEET OF A SCHOOL AROUND SCHOOL SESSION HOURS (CITY COUNCIL)

I. SUMMARY

On January 1, 2019, Senate Bill (SB) 946 (Safe Sidewalk Vending Act) decriminalized sidewalk vending and authorized cities to adopt objective time, place, and manner regulations directly related to public health, safety, and welfare. On January 22, 2019, the City Council adopted Ordinance No. 18-1828, which repealed and amended certain sections of the Carson Municipal Code (“CMC”) in order to create a comprehensive system of City regulations regarding sidewalk vendors in compliance with SB 946.

The proposed Ordinance amends the Carson Municipal Code (CMC) to prohibit sidewalk vending within 1,000 feet of entrances to places of public assemblage during or within two hours before or after events, and within 1,000 feet of entrances to schools while in session or within one hour before or after the school is in session. The Ordinance also clarifies definitions, removes outdated code references, eliminates internal inconsistencies, and updates administrative enforcement procedures.

The proposed amendments are intended to address, and are directly related to, objective health, safety and welfare concerns, including safety of pedestrian and traffic circulation, avoiding undue pedestrian congestion and obstructions to pedestrian ingress and egress, ensuring emergency personnel access and disability access compliance, and avoiding fire hazards, consistent with SB 946.

II. RECOMMENDATION

INTRODUCE for first reading, by title only and with full reading waived, Ordinance No. 26-2605, "AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, AMENDING: (i) SECTION 1202 OF CHAPTER 2 (PENALTY PROVISIONS) OF ARTICLE I (GENERAL PROVISIONS), (ii) SECTIONS 31001 (DEFINITIONS) AND 31002 (SIDEWALK VENDING OPERATIONAL REQUIREMENTS) OF CHAPTER 10 (SIDEWALK VENDING) OF ARTICLE 3 (PUBLIC SAFETY); (iii) SECTIONS 4118 (STREET VENDORS NEAR SCHOOLS), 4118.1 (PEDDLING FROM VEHICLES IN PARKS), 4118.2 (SELLING ICE CREAM AND CERTAIN FOOD PRODUCTS FROM VEHICLES IN PUBLIC STREETS), AND 4118.4 (VENDING OF MERCHANDISE ON PUBLIC PROPERTY, STADIUMS, ATHLETIC FIELDS, COMMUNITY CENTERS OR ABANDONED PROPERTY – EXCLUSIONS) OF CHAPTER 1 (PROHIBITED CONDUCT – OFFENSES) OF ARTICLE IV (PUBLIC PEACE); AND (iv) SUBSECTION (E) OF SECTION 63142 (MOBILE FOOD VENDORS) OF CHAPTER 3 (BUSINESS, PROFESSIONS, AND TRADES) OF ARTICLE VI (TAXES AND LICENSES) OF THE CARSON MUNICIPAL CODE, TO PROHIBIT SIDEWALK VENDORS IN PUBLIC PLACES OF ASSEMBLAGE (AS DEFINED) DURING AND IMMEDIATELY BEFORE AND AFTER LARGE EVENTS, AND TO ELIMINATE INTERNAL INCONSISTENCY WITHIN THE CARSON MUNICIPAL CODE WITH RESPECT TO REGULATION OF SIDEWALK VENDORS."

III. ALTERNATIVES

TAKE another action the City Council deems appropriate and that is consistent with applicable laws.

IV. BACKGROUND

Senate Bill 946, known as the Safe Sidewalk Vending Act, became effective on January 1, 2019, and established a statewide framework governing sidewalk vending. The legislation decriminalized sidewalk vending and prohibited local agencies from imposing criminal penalties for violations of sidewalk vending regulations. Instead, enforcement must occur through administrative citations. SB 946 authorizes cities to adopt objective time, place, and manner regulations that are directly related to health, safety, or welfare concerns.

In response to SB 946, the City Council adopted Ordinance No. 18-1828 in January 2019 to establish regulations governing sidewalk vendors within the City of Carson consistent with SB 946. Under that ordinance, sidewalk vendors are required to obtain a permit and comply with certain operational and other restrictions. However, there are no specific restrictions against sidewalk vending around event venues and schools at times where operations could pose risks to public health and safety due to the potential for crowds and/or a high volume of circulation and congestion. Additionally, the 2018 ordinance left certain internal inconsistencies within the Carson Municipal Code (CMC), including outdated cross-references to repealed CMC Section 4126 and overlapping provisions that may create ambiguity regarding the regulation of sidewalk vendors versus vehicle-based vendors. The proposed amendments remove outdated references and clarify the applicability of various code sections to ensure consistency and clarity within the CMC.

The City is home to multiple venues and facilities that are capable of hosting large-scale public events, including stadiums, athletic facilities, event centers, and City parks. Events at these venues can draw significant crowds and result in increased pedestrian and vehicular congestion in the surrounding public rights-of-way. Similarly, schools within the City experience concentrated pedestrian and traffic activity during arrival, dismissal, and break periods. In these high density environments, sidewalk vending activity may impede ingress and egress, restrict disability access, obstruct emergency vehicle routes and personnel, and create potential traffic and pedestrian safety hazards.

To address these concerns, the proposed ordinance prohibits sidewalk vending within 1,000 feet of entrances to "places of public assemblage" during and within two hours before and after "events." "Place of public assemblage" is defined for this purpose to mean an event venue that has a capacity to host events of eight hundred (800) or more persons, including a stadium, arena, athletic field, court, or track, park, community center, or other event venue that has such capacity, excluding any private residence. “Place of public assemblage” is defined to include, without limitation, the Dignity Health Sports Park soccer stadium, the Dignity Health Sports Park tennis stadium, the Dignity Health Sports Park velodrome, the Carson Event Center, and any City park that has a capacity to host events of eight hundred (800) or more persons as determined by the City Manager. "Event" is defined to exclude any private gathering that is open neither to the ticketed public nor to the public generally and that does not exceed 500 persons.

Also to address these concerns, the proposed ordinance also prohibits sidewalk vending within 1,000 feet of school entrances while school is in session or within one hour before or after school is in session.

These regulations are intended to address, and are directly related to, objective health, safety, and welfare concerns consistent with SB 946, as discussed above and in the proposed ordinance.

The proposed ordinance retains and does not amend the current penalty provisions established under Ordinance No. 18-1828 for sidewalk vending violations, which are codified in CMC 31003. These provisions include imposing limited administrative fines in the maximum amounts allowed by state law and rescinding permits for repeat violations to the extent allowed by state law. The penalty provisions do not include criminal penalties, consistent with State law.

V. FISCAL IMPACT

There will be no fiscal impact to the FY 25-26 Operating Budget.

VI. EXHIBITS

1. Ordinance 26-2605

Attachments

1. Ordinance No. 26-2605

ORDINANCE NO. 26-2605

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, AMENDING: (i) SECTION 1202 OF CHAPTER 2 (PENALTY PROVISIONS) OF ARTICLE I (GENERAL PROVISIONS), (ii) SECTIONS 31001 (DEFINITIONS) AND 31002 (SIDEWALK VENDING OPERATIONAL REQUIREMENTS) OF CHAPTER 10 (SIDEWALK VENDING) OF ARTICLE 3 (PUBLIC SAFETY); (iii) SECTIONS 4118 (STREET VENDORS NEAR SCHOOLS), 4118.1 (PEDDLING FROM VEHICLES IN PARKS), 4118.2 (SELLING ICE CREAM AND CERTAIN FOOD PRODUCTS FROM VEHICLES IN PUBLIC STREETS), AND 4118.4 (VENDING OF MERCHANDISE ON PUBLIC PROPERTY, STADIUMS, ATHLETIC FIELDS, COMMUNITY CENTERS OR ABANDONED PROPERTY – EXCLUSIONS) OF CHAPTER 1 (PROHIBITED CONDUCT – OFFENSES) OF ARTICLE IV (PUBLIC PEACE); AND (iv) SUBSECTION (E) OF SECTION 63142 (MOBILE FOOD VENDORS) OF CHAPTER 3 (BUSINESS, PROFESSIONS, AND TRADES) OF ARTICLE VI (TAXES AND LICENSES) OF THE CARSON MUNICIPAL CODE, TO PROHIBIT SIDEWALK VENDORS IN PUBLIC PLACES OF ASSEMBLAGE (AS DEFINED) DURING AND IMMEDIATELY BEFORE AND AFTER LARGE EVENTS, AND TO ELIMINATE INTERNAL INCONSISTENCY WITHIN THE CARSON MUNICIPAL CODE WITH RESPECT TO REGULATION OF SIDEWALK VENDORS

WHEREAS, on January 22, 2019, the City Council adopted Ordinance No. 18-1828, which repealed and amended certain sections of the Carson Municipal Code ("CMC") in order to create a comprehensive system of City regulations regarding sidewalk vendors in compliance with then-new state law enacted effective January 1, 2019, pursuant to Senate Bill 946 and codified as Government Code Sections 51036 - 51039 ("SB 946"); and

WHEREAS, the City Council's adoption of Ordinance No. 18-1828 effected the repeal of former CMC Section 4126. However, CMC Sections 1202 and 63142, which remain in effect currently, make reference to CMC Section 4126. These references to Section 4126 were inadvertently left unaddressed by Ordinance No. 18-1828, notwithstanding that it provided for the repeal of Section 4126, and the Council now sees fit to remove them; and

WHEREAS, subject to specified exceptions, (i) CMC Section 4118 provides that street vending is generally prohibited within 1,500 feet of schools when in session, (ii) CMC Section 4118.1 provides that peddling or vending from vehicles in City parks is generally prohibited, and (iii) CMC Section 4118.2 provides that peddling or vending from vehicles of ice cream and certain other food products is generally prohibited in public streets; and

WHEREAS, CMC Section 4118.3 provides that the following activities are prohibited: (i) the vending of merchandise from a nonmotorized vehicle on public property; (ii) the display or storage of merchandise for sale on public property; and (iii) the vending of any goods for sale at any stadium, athletic field or community center, or on any property containing any vacant building, without prior approval and consent of the City's Building & Safety Division; and (iv) the vending of any goods for sale on any property containing an occupied building unless such sale is specifically permitted pursuant to the CMC; and

WHEREAS, CMC Sections 4118-4118.3 may conflict with SB 946 and Ordinance No. 18-1828 to the extent these sections apply to "sidewalk vendors," which is defined in SB 946 and Ordinance No. 18-1828 as persons who sell food or merchandise from a pushcart, stand, display, pedal-driven cart, wagon, showcase, rack, or other non-motorized conveyance, or from one's person, upon a public sidewalk or other pedestrian path, or other public area in the City ("Sidewalk Vendors"). These sections were inadvertently left unaddressed by Ordinance No. 18-1828, and the City Council now desires to amend these sections (or in the case of CMC Section 4118.3, to amend CMC Section 4118.4, which provides exemptions from applicability of CMC Section 4118.3) to ensure consistency and clarity of the City's regulations pertaining to "sidewalk vendors"; and

WHEREAS, certain City public rights-of-way are located next to venues where large crowds of people assemble for events, creating significant demand for limited public sidewalk and walkway space on event days, including, but not limited to, sidewalks located next to red curbs for emergency vehicles, pedestrians entering and exiting buildings or exterior facilities, bus stops, and passenger vehicles dropping off and picking up passengers. Sidewalk vending on any such public sidewalk or walkway creates public health and safety concerns by impeding ingress and egress to and from the event, obstructing use of such walkways for their intended purposes by persons with disabilities and other members of the public, whether attending the event or not, and interfering with the operations and activities of law enforcement and emergency services personnel on the walkways and in associated nearby areas, thereby posing risks to public health and safety including an increased likelihood of traffic collisions, trip and fall accidents, trampling occurrences, inability of emergency medical aid to be provided promptly to those in need, fire hazards, and other related concerns. Such venues can include City parks, as the City often hosts large events in its parks where the same concerns apply. Similar concerns also apply with respect to schools when in session, as they often involve rushes of pedestrian and vehicular traffic at pickup, drop-off and break times; and

WHEREAS, to address these public health and safety concerns, the City Council now sees fit and intends to modify the City's sidewalk vendor regulations to prohibit street vending on public sidewalks and walkways in and near the entrances and exits to and from such event venues during and immediately before and after events occurring at such venues, and at schools while in session and immediately before and after same; and

WHEREAS, the City Council finds that the requirements and restrictions of this Ordinance regulate the time, place and manner of sidewalk vending and are directly related to objective health, safety or welfare concerns, consistent with SB 946; and

WHEREAS, nothing in this ordinance or the CMC regulations regarding sidewalk vendors shall be construed to prohibit the prosecution of sidewalk vendors who fail to comply with other provisions of law not preempted by SB 946, including but not limited to trespassing, failing to pay taxes, selling counterfeit merchandise, selling food in violation of the California Health & Safety Code, and operating from a sidewalk located within 500 feet of a freeway ramp in violation of the California Vehicle Code.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, DOES HEREBY ORDAIN AS FOLLOWS:

SECTION 1. The forgoing recitals are true and correct and are incorporated herein by this reference.

SECTION 2. Section 1202 (Seizure of Personal Property Used in Certain Violation of This Code) of Chapter 2 (Penalty Provisions) of Article I (General Provisions) of the Carson Municipal Code, excluding any subsections, is hereby amended to read in its entirety as follows (deleted text shown in ~~strikethrough~~):

"**1202 Seizure of Personal Property Used in Certain Violations of This Code**

An arresting officer, in connection with making an arrest, or a City of Carson Code Enforcement Officer, in connection with issuing a citation to any person for violation of CMC 4118, 4118.1, 4118.2, 4125~~, 4126~~ or 4147, may seize and take into possession personal property not to exceed $1,000 in value in the possession or control of such person and used or involved in the commission of the violation for which the arrest is made or citation issued, if the act or conduct for which such arrest is made or citation is issued has caused, or resulted in, or is causing or resulting in, or is in the immediate proximity of any vehicular or pedestrian traffic congestion, an automobile accident or other emergency situation, a parade, demonstration, or public or other event attended by an assembly or gathering of a large number of persons, or in the event of imminent danger to the person with respect to whom the citation is issued or arrest is made.

(a) The officer or Code Enforcement Officer seizing personal property pursuant to the provisions of this Section shall issue a receipt therefor to the person from whose possession or control such property is taken and cause such property to be stored in the control of the City for safekeeping. Said receipt shall contain a notice stating in substance that the person claiming ownership of said property may file a written claim therefor with the Director of Public Safety of the City of Carson, at the City Hall within ten (10) days after date of such seizure, and that in the absence of receipt of such a claim within said time said personal property shall escheat to and become the property of the City of Carson and may be disposed of by the City without further notice. One (1) copy of said receipt and notice shall be attached to the copy of the complaint or citation filed with the court. Such claim shall set forth the name, address and fact of ownership of such property.

(b) If a written claim is filed with the Director of Public Safety in accordance with the requirements of subsection (a), a hearing shall be held by the Director of Public Safety or his designee within ten (10) days after such claim is filed. If the ownership of such property is established by credible evidence as determined by the hearing officer, the property shall be released to the owner thereof. If the hearing officer shall find that the ownership of such property has not been so established, the hearing officer shall deny the claim. The claimant may file a written appeal from such denial with the City Administrator of the City. The City Administrator or his designee shall conduct a hearing or such appeal within seven (7) days after the filing of such appeal.

(c) The City may impose a reasonable storage fee to cover the cost of storing personal property seized pursuant to this Section. The release of said property shall be conditioned upon full payment of the applicable fee.

(d) The City is not liable for the deterioration or depreciation of seized personal property while in the City's custody."

SECTION 3. Section 31001 (Definitions) of Chapter 10 (Sidewalk Vending) of Article 3 (Public Safety) of the Carson Municipal Code is hereby amended to read in its entirety as follows (added text shown in ***bold italics***):

"**31001 Definitions.**

As used in this Chapter:

(a) "Operate," when used in reference to a sidewalk vendor, means to vend.

(b) "Place of public assemblage" means an event venue that has a capacity to host events of eight hundred (800) or more persons, including a stadium, arena, athletic field, court, or track, park, community center, or other event venue that has such capacity, excluding any private residence. "Place of public assemblage" includes, without limitation, the stadiums that, as of the date of adoption of Ordinance No. 26-2605, are known as the Dignity Health Sports Park soccer stadium, the Dignity Health Sports Park tennis stadium, and the Dignity Health Sports Park velodrome, as well as the Carson Event Center and any City park that has a capacity to host events of eight hundred (800) or more persons as determined by the City Manager or his or her designee.

(c) ~~(b)~~ "Sidewalk vendor" means a person who vends from a pushcart, stand, display, pedal-driven cart, wagon, showcase, rack, or other nonmotorized conveyance, or from one's person (including from a pack or basket carried by the person), upon a public sidewalk, pedestrian path or walkway, or any other public area in the City.

(d) ~~(c)~~ "Stand" means any pushcart, stand, display, pedal-driven cart, wagon, showcase, rack, or other nonmotorized conveyance used by a sidewalk vendor for purposes of vending.

(e) ~~(d)~~ "Roaming sidewalk vendor" means a sidewalk vendor who moves from place to place and stops only to complete a transaction.

(f) ~~(e)~~ "Stationary sidewalk vendor" means a sidewalk vendor who vends from a fixed location.

(g) ~~(f)~~ "Temporary special permit" means any permit issued by the City for the temporary use of, or encroachment on, the sidewalk or other public area, including, but not limited to, an encroachment permit, special event permit, or temporary event permit, for purposes including, but not limited to, filming, parades, or outdoor concerts.

(h) ~~(g)~~ "Vend" means to sell, offer for sale, display, barter, exchange, or offer for barter or exchange food, beverages or merchandise."

SECTION 4. Section 31002 (Sidewalk Vending Operational Requirements) of Chapter 10 (Sidewalk Vending) of Article 3 (Public Safety) of the Carson Municipal Code is hereby amended to read in its entirety as follows (added text shown in ***bold italics***):

"**31002 Sidewalk Vending Operational Requirements.**

(a) No sidewalk vendor shall operate without first obtaining and maintaining a valid City business license and a sidewalk vendor's permit issued pursuant to Chapter 3 of Article VI. Application for the business license shall be made by submitting the information required pursuant to CMC 6336. Application for the sidewalk vendor's permit shall be made by submitting the information required pursuant to CMC 63143(b).

(b) Each sidewalk vendor shall display the required sidewalk vendor's permit in a conspicuous location on the sidewalk vendor's person or stand at all times while the sidewalk vendor is operating.

(c) Operating Restrictions. It shall be unlawful and a violation of this Chapter for any sidewalk vendor to:

(1) Operate outside the hours authorized in the required sidewalk vendor's permit, which hours shall not exceed: (a) in residential zones, 8:00 a.m. to 8:00 p.m.; and (b) in nonresidential zones, the hours established pursuant to any City-imposed operating hours limitation applicable to all other businesses or uses on the street on which the sidewalk vendor is operating;

(2) Operate as a stationary sidewalk vendor at any time in any residential zone;

(3) Leave unattended any stand at any time while operating, or store, park or leave unattended any stand at any time outside of operating hours on any public sidewalk, pedestrian walkway, or other public place;

(4) Sell food without first obtaining and thereafter maintaining the required permit issued by the Los Angeles County Department of Public Health or any other permit or license required pursuant to Part 7 (commencing with Section 113700) of Division 104 of the Health and Safety Code;

(5) Sell food for immediate consumption unless there is a litter receptacle available for patrons' use;

(6) Leave any location without first disposing of all trash or refuse generated by operating in such location;

(7) Allow any items used in connection with the operation to be placed or stored anywhere other than in, on, or under the stand, or on the person of the sidewalk vendor;

(8) Operate from a stand other than the stand authorized pursuant to the sidewalk vendor's permit;

(9) Set up, maintain, or permit the use of any additional table, crate, carton, rack, or any other device to increase the selling or displaying capacity of a stand without having obtained express authorization to do so pursuant to the required sidewalk vendor's permit;

(10) Solicit or conduct business with any person in a motorized vehicle;

(11) Sell anything other than the specific food, beverages or merchandise authorized to be sold as part of the operation pursuant to the required sidewalk vendor's permit;

(12) Create any unnecessary noise in violation of CMC 4101, including but not limited to CMC 4101(g), except that such conduct, when engaged in by a sidewalk vendor while operating, shall be punishable only by the administrative fines established pursuant to this chapter;

(13) Operate within: (a) fifty (50) feet of any fire hydrant; (b) twenty-five (25) feet of any transit stop; (c) twenty-five (25) feet of any building entrance; (d) fifteen (15) feet of the outer edge of any driveway or vehicular entrance to public or private property; ~~or~~ (e) within five (5) feet of any other sidewalk vendor on any public sidewalk, pedestrian path or walkway or other area intended for ingress or egress;

(14) Operate on any public sidewalk or pedestrian path or walkway in a manner that does not maintain four (4) feet in width of clear space on the sidewalk, path or walkway;

(15) Operate on a public sidewalk, pedestrian path or walkway in, or within one thousand (1,000) feet of any entrance of, a place of public assemblage during or within two hours before or after any event held at the place of public

assemblage. For purposes of this paragraph: (i) "event" excludes any private gathering that is open neither to the ticketed public nor to the public generally and that does not exceed 500 persons; and (ii) "entrance" means and includes any building entrance or exit and any entrance or exit to or from exterior premises, such as through outer fences or gates or into outer parking lots or driveways on the property or site of the place of public assemblage.

(16) Operate on a public sidewalk or pedestrian path or walkway within one thousand (1,000) feet of any entrance of a school when in session or within one hour before or after the school being in session. For purposes of this paragraph, "entrance" shall mean and include any building entrance or exit and any entrance or exit to or from exterior premises, such as through outer fences or gates or into outer parking lots or driveways on the property or site of the school.

(17) ~~(15)~~ Operate in any public street (i.e., in the street itself and not on the sidewalk), or on any median;

(18) ~~(16)~~ Operate as a stationary sidewalk vendor in any park owned or operated by the City, where the City or other park operator has an agreement in place with a concessionaire that exclusively permits the sale of food or merchandise by the concessionaire, during the hours the concessionaire is open in the park;

(19) ~~(17)~~ Operate as a stationary sidewalk vendor within any area of a City park that is within fifty (50) feet of an abutting residential dwelling;

(20) ~~(18)~~ Operate within a parking lot, except as expressly authorized pursuant to the required sidewalk vendor's permit based on a finding that such operation will not obstruct vehicular ingress, egress, or parking, or adversely affect public health or safety;

(21) ~~(19)~~ Operate within five hundred (500) feet of a certified farmers' market or a permitted swap meet during the operating hours of that certified farmers' market or swap meet;

(22) ~~(20)~~ Operate within five hundred (500) feet of an area designated for a temporary special permit issued by the City during the duration of the permit; provided, that any notice, business interruption mitigation, or other rights provided to affected businesses or property owners under the temporary special permit are also provided to the sidewalk vendor, if such vendor is specifically permitted to operate in the area pursuant to a sidewalk vendor's permit;

(23) ~~(21)~~ Operate in any area or manner that would obstruct or interfere with disability access standards or accessibility to any facility or area that is provided pursuant to requirements of or in compliance with the Americans with Disabilities Act of 1990;

(24) ~~(22)~~ Operate without general liability insurance meeting the minimum policy limits and other criteria established by the City Manager or designee;

(25) ~~(23)~~ Operate in violation of any applicable law or regulation."

SECTION 5. Section 4118 (Street Vendors Near Schools) of Chapter 1 (Prohibited Conduct – Offenses) of Article IV (Public Peace) of the Carson Municipal Code is hereby amended to read in its entirety as follows (added text shown in ***bold italics***):

"**4118 Street Vendors Near Schools.**

No person shall sell any product other than written materials or other products protected by the First Amendment of the United States Constitution on any public street, sidewalk, parkway, way, alley, or highway within one thousand five hundred (1,500) feet of the boundaries of any public or private elementary or secondary school between the hours of 6:30 a.m. and 5:30 p.m. on any day when such school is in session. ***This Section does not apply to sidewalk vendors as defined in CMC 31001, which are subject to regulation in accordance with CMC Article III, Chapter 10.***"

SECTION 6. Section 4118.1 (Peddling from Vehicles in Parks) of Chapter 1 (Prohibited Conduct – Offenses) of Article IV (Public Peace) of the Carson Municipal Code is hereby amended to read in its entirety as follows (added text shown in ***bold italics***):

"**4118.1 Peddling from Vehicles in Parks.**

No person shall peddle, hawk, sell or vend any food product or service from a vehicle within any City park at any time, unless it is in conjunction with a City event or City-associated event and that person and/or business has been specifically licensed and permitted by the City to do so. ***This Section does not apply to sidewalk vendors as defined in CMC 31001, which are subject to regulation in accordance with CMC Article III, Chapter 10.***"

SECTION 7. Section 4118.2 (Selling Ice Cream and Certain Food Products from Vehicles in Public Streets) of Chapter 1 (Prohibited Conduct – Offenses) of Article IV (Public Peace) of the Carson Municipal Code is hereby amended to read in its entirety as follows (added text shown in ***bold italics***):

"**4118.2 Selling Ice Cream and Certain Food Products from Vehicles in Public Streets.**

No person shall peddle, hawk, sell, vend or offer for sale ice cream; ice cream bars, cones or rolls; sherbet; sherbet bars, cones or rolls; iced fruit juice (natural or artificial) bars, cones or rolls; the food product commonly known as "cotton candy" or other spun sugar type confections; candy; carbonated drinks; or other similar food substances, products or beverages packaged or otherwise prepared or designed for an individual person's consumption from a vehicle stopped or parked on any

public street, way or alley within a residential zone or a park within the City of Carson, unless it is in conjunction with a City event or City-associated event and that person and/or business has been specifically licensed and permitted by the City to do so. This Section does not prohibit street vending of other products from vehicles in residential districts. ***This Section does not apply to sidewalk vendors as defined in CMC 31001, which are subject to regulation in accordance with CMC Article III, Chapter 10.***"

SECTION 8. Section 4118.4 (Vending of Merchandise on Public Property, Stadiums, Athletic Fields, Community Centers or Abandoned Property – Exclusions) of Chapter 1 (Prohibited Conduct – Offenses) of Article IV (Public Peace) of the Carson Municipal Code is hereby amended to read in its entirety as follows (added text shown in ***bold italics***):

"**4118.4 Vending of Merchandise on Public Property, Stadiums, Athletic Fields, Community Centers or Abandoned Property – Exclusions.**

The provisions of CMC 4118.3 shall not apply to:

(1) Any person delivering any goods where such goods have been ordered in advance for such delivery from any business located at a permanent location and which goods are being delivered from such location to the customer regardless of the point of sale thereof; ~~or~~

(2) Any charitable or religious solicitation which meets all requirements of CMC 6339; or

(3) Any person selling or offering to sell any merchandise upon public property if such sale is pursuant to agreement with the City or the prior written consent of the City has otherwise first been obtained;

(4) Any person selling or offering to sell any agricultural items upon public property if such sale is within a designated Certified Farmers' Market pursuant to an agreement with the City or the prior written consent of the City has otherwise first been obtained~~.~~***; or***

(5) Sidewalk vendors as defined in CMC 31001, which are subject to regulation in accordance with CMC Article III, Chapter 10."

SECTION 9. Subdivision (E) of Section 63142 (Mobile Food Vendors) of Chapter 3 (Business, Professions, and Trades) of Article VI (Taxes and Licenses), of the Carson Municipal Code is hereby amended to read in its entirety as follows (deleted text shown in ~~strikethrough~~, added text shown in ***bold italics***):

"(E) Compliance with State and Local Laws.

1. Mobile food vendors shall comply with all applicable State and local laws.

2. This Section is not intended to ***apply to or*** be enforced against ***sidewalk vendors as defined in CMC 31001, which are subject to regulation in accordance with CMC Article III, Chapter 10*** ~~pedestrian food vendors or against food vendors who operate human-powered push carts and other self-propelled vehicles on private property~~. ~~Pursuant to CMC 4126, pedestrian food vendors or any vendors who operate human-powered push carts and other self-propelled vehicles are not allowed in or on any public street, sidewalk, or park in the City of Carson~~."

SECTION 10. If any section, subsection, sentence, clause, phrase, or portion of this Ordinance, or the application thereof to any person or circumstances, is, for any reason, held invalid or unconstitutional by any court of competent jurisdiction, such invalidity or unconstitutionality shall not affect any other provision or application, and to this end the provisions of this Ordinance are declared to be severable. The City Council hereby declares that it would have adopted this Ordinance and each section, subsection, sentence, clause, phrase, part or portion thereof, irrespective of the fact that any one or more sections, subsections, sentences, clauses, phrases, parts or portions thereof be declared invalid or unconstitutional.

SECTION 11. This Ordinance shall be in full force and effect thirty (30) days after its adoption.

SECTION 12. The City Clerk shall certify to the adoption of this Ordinance, and shall cause the same to be published and codified in the manner required by law.

Report to Honorable Mayor and City Council

Tuesday, March 17, 2026, 5:00 PM

DISCUSSION 29.

To: Honorable Mayor and City Council

From: William Jefferson, Director of Finance FIN Business License Revenue

Subject: CONSIDER A REPORT OF ALL NEW BUSINESS LICENSES ISSUED BY THE CITY OF CARSON FOR THE PERIOD FEBRUARY 1, 2026, THROUGH FEBRUARY 28, 2026 (CITY COUNCIL)

I. SUMMARY

The City Manager is presenting to the City Council a list of all new business licenses issued by the City of Carson for the period February 1, 2026 through February 28, 2026.

II. RECOMMENDATION

1. DISCUSS the Report.

III. ALTERNATIVES

TAKE another action as deemed appropriate by the City Council, consistent with the requirements of the law.

IV. BACKGROUND

For the period of February 1, 2026 through February 28, 2026 the City of Carson has issued business licenses on new businesses. The City Manager requests, once per month, present to the City Council a list of all new licensed businesses in the City.

Attached as Exhibit 1 is the City Manager's report of new businesses issued business licenses between February 1, 2026 through February 28, 2026.

V. FISCAL IMPACT

None.

Report to Honorable Mayor and City Council

DISCUSSION 30.

To: Honorable Mayor and City Council

From: Nathan Freeman, Director of Community and Economic Development CD Planning

Subject: CONSIDER CARSON'S 2025 ANNUAL HOUSING ELEMENT PROGRESS REPORT (CITY COUNCIL)

I. SUMMARY

California state Housing law requires all cities with certified Housing Elements to file an Annual Progress Report (APR) with the California Department of Housing and Community Development (HCD) identifying the status of the plan, the progress in the plan's implementation, and the progress the City has made in meeting its share of the regional housing needs determined by the Southern California Association of Governments' (SCAG) Regional Housing Needs Assessment (RHNA) (Exhibits 1 and 2).

The Housing Element includes a series of implementing programs that are required to be executed after the adoption of the General Plan. The City is required to provide annual updates to HCD regarding its progress in implementing these programs.

II. RECOMMENDATION

TAKE the following actions:

1. REVIEW Carson's 2025 Annual Housing Element Progress Report;
2. DISCUSS the Report; and
3. AUTHORIZE the Director of Community and Economic Development to make any further corrections or adjustments as may be necessary to ensure full compliance and to submit the Report to HCD.

III. ALTERNATIVES

TAKE another action the City Council deems appropriate.

IV. BACKGROUND

On October 18, 2022, the 2021-2029 Housing Element was adopted by the City Council. On November 3, 2022, the adopted Housing Element was submitted for final review and certification by HCD. On November 8, 2022, the 2021-2029 Housing Element was conditionally approved by HCD subject to the City completing the necessary changes to address the shortfall of sites to accommodate the RHNA pursuant to Assembly Bill 1398 (Chapter 358, Statutes of 2021).

On June 25, 2025, the City's 6th Cycle (2021-2029) Housing Element was fully adopted by HCD (Exhibit No. 4).

The 2021-2029 RHNA allocated Carson a housing need of 5,618 units, consisting of 1,770 very-low-income households (0-50% AMI); 913 low-income households (51-80% AMI); 875 moderate-income households (81-120% AMI); and 2,060 above-moderate-income households (120% AMI) which is a significant increase from the prior cycle's allocation of 1,698 new units.

The adopted Housing Element sets out to accomplish the following:

1. Maintain and rehabilitate Carson's existing housing stock.

2. Encourage the development of a variety of housing to meet the needs of the broad spectrum of the community, with a particular emphasis on multifamily housing, and development standards that facilitate housing production.

3. Preserve affordable housing "at risk" of conversion and promote additional affordable housing development.

4. Promote and preserve housing opportunities for persons with special needs, including lower income households, large families, single parent households, disabled persons, the elderly, and persons experiencing homelessness.

5. Provide housing opportunities to all persons regardless of race, religion, ethnicity, ability, sex, age, marital status, household composition, or other arbitrary factors.

6. Conserve natural resources and reduce energy consumption in all areas of residential development.

Housing Element Program Implementation

The adopted Housing Element also contains its goals and policies with the Housing Program implementation outlining seventeen (17) specific actions the City will take to address its housing needs (Exhibit 3).

The APR incorporates Program Implementation to track the City's progress over the RHNA 2021-2029 Cycle.

RHNA Cycle 6 (2021 through 2029) Units Built

2022

- Six (6) building permits were issued in 2022.
- Nineteen (19) certificates of occupancy were issued for accessory dwelling units that were constructed.

2023

- One hundred fifteen (115) building permits were issued (constructed 68 accessory dwelling units, one residence, and 46 homes within the Carson Landing Condominium development).
- Sixty (60) certificates of occupancy were issued (constructed 13 accessory dwelling units and 47 homes within the Carson Landing Condominium development).

2024

- Eighty-six (86) units were issued building permits
- Sixty-nine (69) Certificates of Occupancy were issued
- A total of twenty-one (21) dwelling units were processed administratively (ministerial); and 1,362 dwelling units were processed as discretionary applications.

- Twenty-eight (28) residential housing units and four (4) mobile homes were rehabilitated using the City's Neighborhood Pride Program which is funded by Community Development Block Grant funds.

2025

- Forty-five (45) units were issued building permits
- Thirty-seven (37) Certificates of Occupancy were issued
- A total of seventy-four (74) dwelling units were processed administratively (ministerial), and twenty-six (26) dwelling units were processed as discretionary applications.
- Five (5) residential housing units were rehabilitated using the City's Neighborhood Pride program which is funded by Community Development Block Grant funds.

The Annual Progress Report (APR) Status

The APR identifies the total number of units by income level that SCAG allocated for Carson's 6th Housing Cycle for the period between 2021 and 2029. The total RHNA allocation is 5,618 units.

During the 2022 calendar year, 5,148 was the outstanding units need. The City produced 153 units in 2023, 69 units in 2024 and 37 units during this Cycle. Subsequently, a total of 4,889 outstanding units needs to be produced during the rest of the Cycle.

The State provided 2025 Regional Housing Needs Allocation Annual Element Progress Report (Exhibit No. 1) is not showing the correct housing data from Calendar year 2021 resulting in an inaccurate number of remaining RHNA housing units (5,379) in the Summary. HCD has confirmed they are working on resolving this matter.

Diverse Housing Relevance

It is imperative that the City continue to implement the Housing Element by encouraging and maintaining diverse and affordable housing because noncompliance with the HCD-required affordable housing allocations could result in the loss of the State housing funds.

V. FISCAL IMPACT

None.

Total Units			11	21	6	115	86	45	-	-	-	-	284	5,334

*For years prior to 2025, Acutely Low-Income units are reported within the Extremely Low-Income category

*For jurisdictions that received RHNA determinations for the current cycle prior to the passage of AB 3093 (September 19, 2024):
- You were not allocated Acutely Low-Income and Extremely Low-Income RHNA targets, therefore the allocations in Field 1 are listed as "0"
  - If you wish to set your own targets in these income categories for informational purposes, contact HCD staff at apr@hcd.ca.gov.
- All Acutely Low-Income and Extremely Low-Income units reported during the cycle are counted towards Very-Low Income RHNA progress

*For years prior to 2025, data on deed-restricted vs. non-deed restricted Extremely Low-Income units is approximated from whether the projects reported any deed-restricted Very Low-Income Units. If you wish to edit this historical data for accuracy or have any questions about the data, you may login to HCD's online APR system, or contact HCD staff at apr@hcd.ca.gov.

Please Note: Table B does not currently contain data from Table F or Table F2 for prior years. You may login to the APR system to see Table B that contains this data.

Please note: The APR form can only display data for one planning period. To view progress for a different planning period, you may login to HCD's online APR system, or contact HCD staff at apr@hcd.ca.gov.

Table D

Program Implementation Status pursuant to GC Section 65583

Housing Programs Progress Report

Describe progress of all programs including local efforts to remove governmental constraints to the maintenance, improvement, and development of housing as identified in the housing element.

1	2	3	4	5	6	7	8	9
Name of Program	**Objective**	**Projected Completion Date in Housing Element**	**Applicable Cycle**	**Status of Program Implementation**	**Program Implementation Details**	**Quantified Outcomes: Category**	**Quantified Outcomes: Count**	**Supporting Documents**
Program 1. Residential Rehab (Neighborhood Pride Program, CDBG Funds)	**Provide financial assistance via loans & grants to provide basic housing repairs and remedy code violations. Assist a minimum of 25 single-family units and mobile home units (200 housing units over the 8-year planning period)**	1/1/2029	6th Cycle	In Progress	City deemed eligible 36 residential properties for program year 2025. Of the 36 properties, 24 were facilitated and funded via the CDBG Funds (9 were mobile homes and 15 were single family homes). The total amount of funds expended was $640,021 dollars. 89% of the homeowners were over the age of 55. 74% of projects serviced were low income households and 25% were moderate.	Households	24	None

Program 2. Home Owner-Occupied Rehab Program (deferred payment loans)	**Continue seeking HOME funding as available and rehabilitate low- and very-low-income households during the planning period**	1/1/2029	6th Cycle	Continuous	City did not apply for HOME funding to rehabilitate of single-family dwellings for low and very low-income households. City will consider applying for HOME in the future if resources are available. City did fund through PLHA (Permanent Local Housing Allocation) 6 single family residences at 120% AMI.	Units	6	None
Program 3. Foreclosure Registration Program	**Register foreclosed residential properties as necessary and collect registration fees from financial institutions and beneficiaries**	1/1/2029	6th Cycle	In Progress	Ongoing, City will continue to administer the Foreclosure Registration Program to collect registration fees from financial institutions and beneficiaries as of program year 2025 the city collected $42,930 dollars in revenue.	Other	4300	none

Program 4. Affordable Housing Strategy	**Promote accessible affordable housing and reduce affordability gaps in the City by employing a number of approaches: provide City-owned land at reduced cost to affordable housing developers; developer incentives; partner with CSUDH to expand family housing opportunities; and other mechanisms to facilitate new affordable housing development and sustain affordable homeownership opportunities**	1/1/2029	6th Cycle	Continuous	1.□The City has initiated a comprehensive development fee study program that includes inclusionary housing, in-lieu fees, commercial and industrial linkage fees, and more. A Virtual Town Hall was held on July 2025 to kick off this effort. Additional town halls and stakeholder outreach are scheduled for April 2026. Anticipated adoption of these housing ordinances are expected fall of 2026. 2. Previously, City has held discussions with an affordable housing builder who has informed the City both of our sites will not be in a DDA or QCT starting in 2024 which removes a 130% eligible basis boost that the developer was counting on in their underwriting. This remains true today. The City is in discussions with various developers to discuss	Other		none
Program 5. Zoning Ordinance Update	**Help overcome several governmental constraints to development and facilitate housing production**	1/1/2029	6th Cycle	Continuous	City newly adopted a new zoning code that went into effect April 19, 2024, which includes provisions to facilitate housing development including multifamily development standards, condominium standards, parking, objective design standards	Other		none

Program 6. Streamlined Development Standards	**Facilitate the development of housing by implementing streamlined development and review standards. Remove constraints to the development of affordable housing and comply with State law that promotes streamlined development; Mitigate and reduce environmental constraints while facilitating development.**	1/1/2029	6th Cycle	Continuous	The adopted Zoning Code allows completely affordable housing projects to be reviewed through an administrative process. City has streamlined the development review process including Planning and Building and Safety review processes and will continue to work to reduce review and permitting times. Carson Civic Access, the city's new on-line application and permitting portal launched in mid-2024. The Carson Civic Access portal streamlines application review and interdepartmental and interdepartmental coordination.	Other		none

Program 7. Density Bonus	**Foster the development of higher density affordable housing where appropriate. Amended the Planning and Zoning Code to ensure that the Density Bonus Program remains in compliance with State law and incorporates additional density bonuses available through provision of community benefits**	1/1/2029	6th Cycle	Continuous	On June 10th, 2025 Mortion to ratify adoption and execution of Planning Commission Resolution No. 25-2889 with the following corrected title: " A RESOLUTION OF THE CITY OF CARSON MAKE A FINDING OF APPLICABILITY OF CEQA GUIDELINES SECTION 15061(B) (3) DELEGATING APPROVAL AUTHORITY FOR CERTAIN DENSITY BONUS APPLICATIONS TO THE CITY'S COMMUNITY DEVELOPMENT DIRECTOR WITH THE CONCURRENCE OF THE CITY MANAGER"	Units		none
Program 8. Accessory Dwelling Units	**Ensure compliance with State law, with anticipated 17 ADUs annually based on recent development trends (136 ADUs over an eight-year period)**	1/1/2029	6th Cycle	Continuous	The newly adopted Zoning Code includes provisions to ensure compatibility with ADU provisions of state law	Units	40	none

Program 9. Adequate Residential Sites and no Net Loss	**Provide and maintain adequate sites to accommodate the City's RHNA and affordable housing goals**	1/1/2029	6th Cycle	Continuous	The newly adopted Zoning Code includes provisions to ensure adequate residential sites are aviaible to meet City's RHNA obligations. City has prepared a draft policy to maintain and monitor the Housing Sites Inventory. The Policy will implement a formal ongoing (project-by-project) evaluation procedure pursuant to the "No Net Loss" provisions set forth in Government Code Section 65863. Should the approval of a development result in a reduction of capacity or assumed affordability below the residential capacity needed to meet City's RHNA obligations or otherwise identify and zone sufficient sites to accommodate any shortfall.	Units		none
Program 10. Preservation of at-risk Affordable housing units	**Preserve the 673 Carson Housing Authority-assisted affordable units and encourage the 130 HUD-assisted affordable units to extend their contracts; Ensure no net loss of units; Enforce residential replacement provisions pursuant to State law**	1/1/2029	6th Cycle	Continuous	The Housing Authority governing body considered and approved the Carson Housing Authority's SB 341 Annual Report on January 6, 2026 to comply with this Program and preserve Housing Authority assisted affordable units. Additionally, a separate Housing Authority Annual Report prepared pursuant to HSC 34328 was sent to HCD October 2025.	Households		none

Program 11. Mobil Home Park Maintenance and Preservation	**Preserve affordable housing stock to the maximum extent possible with the maintenance and preservation of mobile home units. Enact programs that encourage the preservation of the parks or ensure financial assistance to residents to reduce any adverse impacts that result from such a closure. This program is divided into four approaches.**	1/1/2029	6th Cycle	Continuous	The City through the Neighborhood Pride Program will continue to provide rehabilitation grants and loans. The City through the implementation of the Rent Control CPI Ordnance will continue to protect the affordability of mobile home units. The newly adopted Zoning Code includes the Mobilehome District (MHD) Overlay Zone. The purpose of the MHD is to maintain, preserve, and promote mobilehome parks as an important source of affordable rental housing. The MHD Overlay Zone applies to existing mobile home parks in the City. The newly adopted Zoning Code includes provisions updated the relocation impact report section of the code for mobilehome park closures and brought it into compliance with State law as amended by AB	Households		none
Program 12. Rental Assistance	**Provide assistance to at least 100 households annually; Encourage the retention of at least 272 Section 8 vouchers; Provide CARES Act emergency funds as available.**	1/1/2029	6th Cycle	Not Yet Started	City does not currently administer Section 8 Housing in Carson which is the responsibility of Los Angeles County but the city is looking to implement a program within the second or third quarter of 2026.	Households		none

Program 13. Special Needs Housing	**Remove potential constraints tied to the CUP requirement for community care facilities of seven • Facilitate the development of housing for persons with disabilities, including developmental disabilities. • Educate residents about the reasonable accommodation ordinance and Residential Rehabilitation Program.Facilitate the development of housing for extremely-low-income households and persons experiencing homelessness.**	1/1/2029	6th Cycle	Continuous	The newly adopted Zoning Code allows residential care facilities as a by-right use in all residential zoning districts. The newly adopted zoning code includes the following subcategories: General Residential Care, Limited Residential Care, Senior residential Care uses, General Hospice, Limited Hospice, and Congregate Living health Facilities. The newly adopted zoning code includes Emergency Shelter as a permitted use by right in all mixed use zones. The newly adopted zoning code treats Transitional and Supportive Housing as residential uses in all residential and mixed use zones subject to only to those restrictions that apply to other residential uses. The newly adopted zoning code permits Low Barrier Navigation Centers by right in all mixed-use and non-residential zones permitting	Other		none
Program 14. Affirmatively Furthering Fair Housing	**Affirmatively further fair housing in Carson by removing or reducing constraints on the development of housing appropriate for protected groups, promoting fair housing choice, and providing fair housing services**	1/1/2029	6th Cycle	Continuous	As stated above, the newly adopted zoning code includes provisions to reduce constraints on the development of housing for protected groups. City funds the Housing Rights Center through the CDBG program to ensure promotion of fair housing and fair housing services.	Other		none

Program 15. Energy Conservation	**Facilitate energy conservation in housing development**	1/1/2029	6th Cycle	Continuous	Planning and Building and Safety facilitate energy conservation in housing developments through enforcement of Title 24.	Other		none
Program 16. Commercial to Residential Conversions	**Facilitate the conversion of commercial and non-vacant use to residential use**	1/1/2029	6th Cycle	Continuous	The newly adopted zoning code includes provisions in mixed use districts to permit multi-unit residential projects as a by right use to facilitate the conversion of commercial areas to residential use. The City rezoned nearly all its commercial areas to mixed use districts to further this goal.	Units		none
Program 17. Neighborhood Improvements	**• Continue to prioritize the City's annual budget, Capital Improvement Plan (CIP), CDBG funds, and Housing Set-Aside (Carson Housing Authority) funds according to areas of high need and ensure equitable distribution of funds, especially in lower income and/or lower resource areas; • Focus neighborhood improvement projects in lower-income areas to support new construction of housing units, enhancing mobility and connectivity to higher resource and/or higher income areas, access to services and amenities, safe routes to school, etc. Examples of this include working with other agencies to create a pedestrian/bike linkage along the Dominguez Channel that will link several lower-resourced**	1/1/2029	6th Cycle	Continuous	City's Engineering Division has an aggressive schedule to repave residential streets in lower income and/or lower resource areas. They have recently paved residential streets bounded by Wilmington, Dominguez St, and the Dominguez channel, a low resource area. Traffic Engineer conducted public outreach for the future Active Transportation Plan.	Other		none

June 25, 2025

David C. Roberts, Jr., City Manager
City of Carson
701 East Carson Street
Carson, CA 90745

Dear David C. Roberts, Jr.:

RE: City of Carson's 6th Cycle (2021-2029) Adopted Housing Element and Rezone

Thank you for submitting the City of Carson's (City) Ordinances 24-2405 and 25-2510 (Ordinances). Pursuant to Government Code section 65585, the California Department of Housing and Community Development (HCD) is reporting the results of its review.

On November 7, 2022, HCD found the adopted housing element met the statutory requirements of State Housing Element Law (Gov. Code, § 65580 et seq). However, the housing element could not be found in substantial compliance until the City has adopted and completed necessary rezones to accommodate the regional housing needs allocation (RHNA) and comply with various statutory requirements. On April 7, 2025, HCD found the Ordinances met statutory requirements pursuant to Government Code sections 65583, subdivision (c)(1) and 65583.2, subdivisions (h) and (i). HCD also found the element will be in substantial compliance once the Ordinances are adopted and reviewed by HCD pursuant to Government Code section 65585. The City adopted the Ordinances and HCD is pleased to find the City has completed actions to address the requirements that were described in HCD's November 7, 2022 review. As a result, the adopted element substantially complies with State Housing Element Law as of the date of this letter.

As a reminder, the City must continue timely and effective implementation of all programs including but not limited to the following:

- Program 1 (Residential Rehabilitation Grant Program)
- Program 4 (Affordable Housing Strategy) David Roberts
- Program 5 (Zoning Ordinance Update)
- Program 8 (Accessory Dwelling Units)
- Program 9 (Adequate Sites and No Net Loss)
- Program 11 (Mobile Home Park Maintenance and Preservation)
- Program 13 (Special Needs Housing)

- Program 14 (Affirmatively Furthering Fair Housing)
- Program 15 (Increasing Housing Opportunity in Low Density Districts)
- Program 17 (Neighborhood Market and Grocery Stores)

The City must monitor and report on the results of these and other programs through the annual progress report, required pursuant to Government Code section 65400. Please be aware, Government Code section 65585, subdivision (i) grants HCD authority to review any action or failure to act by a local government that it determines is inconsistent with an adopted housing element or housing element law. This includes failure to implement program actions included in the housing element. HCD may revoke housing element compliance if the local government's actions do not comply with state law.

Several federal, state, and regional funding programs consider housing element compliance as an eligibility or ranking criteria. For example, the CalTrans Senate Bill (SB) 1 Sustainable Communities grant; the Strategic Growth Council and HCD's Affordable Housing and Sustainable Communities programs; and HCD's Permanent Local Housing Allocation consider housing element compliance and/or annual reporting requirements pursuant to Government Code section 65400. With a compliant housing element, the City now meets housing element requirements for these and other funding sources.

For your information, some general plan element updates are triggered by housing element adoption. HCD reminds the City to consider timing provisions and welcomes the opportunity to provide assistance. For information, please see the Technical Advisories issued by the Governor's Office of Land Use and Climate Innovation at: https://www.lci.ca.gov/planning/general-plan/guidelines.html.

HCD appreciates the dedication and effort the City's housing element team provided throughout the housing element update and review. HCD wishes the City success in implementing its housing element and looks forward to following its progress through the General Plan annual progress reports pursuant to Government Code section 65400. If you have any questions or need additional technical assistance, please contact Jamillah Williams, of our staff, at Jamillah.Williams@hcd.ca.gov.

Sincerely,

Paul McDougall
Senior Program Manager

Report to Honorable Mayor and City Council

Tuesday, March 17, 2026, 5:00 PM

DISCUSSION 31.

To: Honorable Mayor and City Council

From: Dr. Khaleah K. Bradshaw, City Clerk CCO Administration

Subject: CONSIDERATION OF ONLY LOCAL UNCONTESTED APPOINTMENTS TO THE CITY'S COMMISSIONS, COMMITTEES, AND BOARDS, AND CITY AFFILIATED ORGANIZATIONS BY MAYOR AND CITY COUNCIL AND CONSIDER ALL (CONTESTED AND UNCONTESTED) APPOINTMENTS TO ALL COMMISSIONS (CITY COUNCIL)

I. SUMMARY

This item is on the agenda to consider only uncontested appointments of City Commission, Committee, and Board members in accordance with the City Charter, Article VI, by Mayor and City Council.

Also, consider all (contested and uncontested) appointments to all commissions and also consider appointments to City Affiliated Organizations.

Pursuant to Section 602 of the City Charter provides, in part, the mayor and each member of the city council may appoint one member to a position on each City board or City commission, and the remaining membership positions shall be appointed by the mayor and approved by a majority of the city council, including the three alternates.

At the March 3, 2026, City Council meeting, Mayor Lula Davis-Holmes continued this item to a future meeting.

II. RECOMMENDATION

TAKE the following actions:

1. CONSIDER and only APPOINT uncontested members to the City Commissions, Committees, and Boards;
2. CONSIDER and APPOINT all (contested and uncontested) members to all commissions except Planning Commission and Environmental Commission;
3. CONSIDER and APPOINT members to City Affiliated Organizations;
4. DIRECT the City Clerk to notify all affected appointments of this action in writing;
5. IF APPLICABLE, DIRECT the City Clerk to post and publish in accordance with the Maddy Act

III. ALTERNATIVES

N/A

IV. BACKGROUND

Every two years after the municipal election, most Commission and Board appointments expire. As unscheduled vacancies occur and/or members are frequently absent, it is best practice to consider new appointments.

Invitations to submit an appointment application for all interested person(s) were posted in accordance with the Maddy Act. Applications for individuals requesting appointments were previously provided under separate cover to the Mayor and City Council.

V. FISCAL IMPACT

Funds for member stipends are already budgeted for Fiscal Year 2025-2026.

VI. EXHIBITS

None

CITY OF CARSON
LOCAL APPOINTMENTS LIST FOR
COMMISSIONS, COMMITTEES, AND BOARDS
(Pursuant to Government Code Section 54970 et seq.)

NOTICE IS HEREBY GIVEN that the current terms for the following Commissioners, Committee and Board Members will expire as indicated for the respective bodies listed. Any interested resident of the City of Carson, California is eligible to serve on any of the below-named commissions, committees, or boards unless otherwise specified. Applications are available at the City Clerk's Office by request at (310) 952-1720.

*** The following appointed positions may receive compensation**
**** Mayor's uncontested**
Denotes vacated seat

I. COMMISSIONS

Article VI, §602 of the City Charter: To be qualified for appointment, the member shall be a qualified elector of the City, shall be domiciled in the City for at least sixty (60) days immediately preceding their appointment, and shall continue to reside in the City for the duration of his or her tenure, unless otherwise provided by ordinance.

The mayor and each member of the city council may appoint one member to a position on each City board, committee or commission, and the remaining membership positions shall be appointed by the mayor and approved by a majority of the city council, including the three alternates.

VI. CITY AFFILIATED ORGANIZATIONS

[39] California Contract Cities Association

		Appointed
Mayor Pro Tempore Hicks, Sr.	Delegate	12-03-24
Mayor Davis-Holmes	Alt.	12-03-24

[40] Clean Power Alliance
Ord. No. 17-1633; LACCE Joint Powers Agreement (Authority)

		Appointed
Mayor Pro Tempore Hicks, Sr.	Delegate	11-15-22
Councilmember Rojas	Alt. 1	12-03-24
Staff Member Reata Kulcsar	Alt. 2	11-15-22

[41] County of Los Angeles Public Library Commission

		Appointed
Mayor Davis-Holmes	Delegate	12-03-24

[42] County Sanitation Districts of Los Angeles (Dist. No. 8)*
Automatic designation of Mayor as Delegate per Health and Safety Code Section 4730. City Council as governing body, must select an alternate to act in place of presiding officer (Mayor) in absence, inability, or refusal to act.

		Appointed
Mayor Davis-Holmes	Delegate	01-26-21
Councilmember Dr. Hilton	Alternate	12-03-24

[43] Greater Los Angeles County Vector Control District (Formerly SE Mosquito Abatement)*

The District's governing power is vested in its 35 members of the Board of Trustees. One trustee is appointed by each of the 34 cities and the County Board of Supervisors appoints one to represent unincorporated areas of Los Angeles County. To be appointed, the member must reside in and be a resident voter of the representative city (or county for county member) in the District. Board member duties and responsibilities include setting policy, establishing the budget, approving expenditures, and retaining legal counsel. The vector Trustee appointment and term are governed by the State Health and Safety Code and begin and end on the first Monday in January. Additionally, the State Health and Safety Code does not allow for alternate members to be appointed.

		Appointed	Term Expires
Councilmember Dear	Delegate	01-26-21 (effective 01-03-22)	01-05-26

[44] L.A. County City Selection Committee

Per Government Code Section 50270, the membership of each such City Selection Committee shall consist of the Mayor of each city within the county. Members of the LA County City Selection Committee include the Mayor of each city within Los Angeles County. Each city appoints an elected official as a delegate to the City Selection Committee; it usually is the Mayor. The term of office for each Member of the LA County City Selection Committee coincides with City Mayor terms, and the Committee meets three or four times a year, at the call of the Chairman. Their duties are to appoint City representatives to such Boards, Commissions and Agencies as may be required by law, i.e., LAFCO, South Coast Air Quality Management District, Los Angeles County Metropolitan Transportation Authority, Los Angeles County Hazardous Waste Management Advisory Committee; and to nominate for appointment Members to the California Coastal Commission. Nominations for the City Selection Committee appointees to the MTA are made by the Sector Subcommittees for the Sectors whose representatives' terms are expiring. The cities assigned to one of the four regions in Los Angeles County. Nominations for the City Selection Committee appointees to the MTA are made by the Sector Subcommittees for the Sectors whose representatives' terms are expiring. The cities assigned to one of the four regions in Los Angeles County (North County/San Fernando Valley, San Gabriel Valley, Southeast Long Beach and Southwest Corridor) shall meet as a Sector Subcommittee. Each candidate with a majority weighted vote will then be nominated from that Sector for consideration for appointment to the MTA.
