Report to Honorable Mayor and City Council

Tuesday, October 20, 2026, 5:00 PM

CONSENT 12.

To: Honorable Mayor and City Council

From: William Jefferson, Director of Finance FIN Administration

Subject: CONSIDER A REPORT OF ADMINISTRATIVE ACTIONS APPROVED UNDER CITY MANAGER OR DESIGNEE AUTHORITY FOR THE MONTH OF SEPTEMBER 2026 PURSUANT TO THE CARSON MUNICIPAL CODE (CITY COUNCIL)

I. SUMMARY

Pursuant to Carson Municipal Code (CMC) Sections 2604 and 2955.1, Staff is presenting the monthly report of contracts and contract amendments executed under the City Manager's or designee's authority, as well as interdepartmental budget transfers approved under the City Manager's or delegated authority, for the month of September 2026. These reports are provided for City Council information and transparency regarding actions taken under delegated authority.

II. RECOMMENDATION

TAKE the following actions:

1. RECEIVE and FILE contract report (City Manager), September 2026 exhibit one; and,
2. RECEIVE and FILE contract report (Designee), September 2026 exhibit two; and,
3. RECEIVE and FILE budget transfer report, September 2026 exhibit three.

III. ALTERNATIVES

TAKE another action the City Council deems appropriate and consistent with applicable law.

IV. BACKGROUND

On January 9, 2024 (Item No. 27), Council approved Ordinance No. 23-2309 amending various sections of Chapter 6 (Purchasing System) of Article II (Administration) of the Carson Municipal Code. Ordinance No. 23-2309 increased the City Manager's authority to procure materials, supplies, equipment, services and professional services from $25,000 to $75,000. Section 2604 now requires the City Manager to, once per month, present to the City Council a list of all new contracts and amendments procured under City Manager or designee's authority.

Similarly, on February 20, 2024 (Item No. 27), Council adopted Ordinance 24 -2401 amending Section 2955.1 (Budget Transfers) of Chapter 9.5 (Fiscal Administration) of Article II (Administration) of the Carson Municipal Code (CMC). CMC Section 2955.1 now requires that once per month during a regular City Council meeting, a list of all interdepartmental budget transfers approved under City Manager authority, including any Departmental Director-approved transfers, shall be presented to the City Council.

This report is submitted in compliance with the reporting requirements established by CMC Sections 2604 and 2955.1 for the reporting period of September 2026.

V. FISCAL IMPACT

There is no fiscal impact associated with receiving and filing this report. The report is informational only and does not authorize additional expenditures or budget appropriations.

VI. EXHIBITS

1. Contract Report – City Manager – (September 2026)
2. Contract Report – Designee – (September 2026)
3. Budget Transfer Report – (September 2026)

CITY OF CARSON

701 East Carson Street

Report to Honorable Mayor and City Council

Tuesday, October 20, 2026, 5:00 PM

CONSENT 15.

To: Honorable Mayor and City Council

From: William Jefferson, Director of Finance FIN Administration

Subject: CONSIDERATION OF A CONTRACT SERVICES AGREEMENT WITH GLOBAL RETIREMENT PARTNERS, LLC, D/B/A SHUSTER ADVISORY GROUP, FOR INVESTMENT MANAGEMENT AND ADVISORY SERVICES (CITY COUNCIL)

I. SUMMARY

The Finance Department requests City Council authorization to enter into a Contract Services Agreement with Global Retirement Partners, LLC, a California limited liability company doing business as Shuster Advisory Group, a HUB International Company, for investment management and advisory services. The proposed agreement establishes a maximum contract amount of $150,000 and a term not to exceed five years.

The services include review of the City's investment portfolio, analysis of cash flow and maturities, review of the City's Investment Policy Statement, evaluation of investment returns and fees, and assistance with account onboarding and portfolio oversight. The agreement proposes to rely on the City of Inglewood's RFP No. 0237, dated November 7, 2024, and the consultant's proposal dated December 9, 2024.

II. RECOMMENDATION

TAKE the following actions:

1. RATIFY waiver of the formal bidding or competitive proposal procedures required under CMC Section 2610 pursuant to CMC Section 2611(f) piggyback purchasing; and,
2. AUTHORIZE the Mayor to execute a Contract Services Agreement with Global Retirement Partners, LLC, d/b/a Shuster Advisory Group, A HUB International Company, for investment management and advisory services, in an amount not to exceed $150,000 and for a term not to exceed five years, subject to City Attorney approval as to form; and,
3. AUTHORIZE the City Manager or designee to execute related documents and take actions necessary to implement the agreement, provided that any material changes to the contract amount or other material terms are returned to the City Council for approval as required by City policy.

III. ALTERNATIVES

DO NOT APPROVE the proposed agreement and PROVIDE alternative direction to staff, including directing staff to negotiate revised terms or pursue another procurement approach.

IV. BACKGROUND

The City's investment portfolio must support operational cash requirements while balancing safety, liquidity, and yield. The proposed agreement is intended to provide an independent review of the City's investment holdings, related fees, cash flow and maturity profile, and the City's Investment Policy Statement.

The agreement identifies the City of Inglewood's Request for Proposal No. 0237, issued November 7, 2024, and Shuster Advisory Group's proposal dated December 9, 2024, as the underlying procurement. It references Carson Municipal Code Section 2611(f) as the basis for piggyback procurement, subject to the Purchasing Manager's determination and confirmation that pricing is the same as or better than the underlying procurement.The Purchasing Manager has waived the City's formal bidding requirements based on piggybacking off the City of Inglewood contract.

Under Exhibit A, Scope of Services, the consultant would provide services that include:

- Review the City's Treasury Report, custodial statements, certificates of deposit, and other portfolio assets, including investment risk, return characteristics, and associated fees.
- Prepare cash-flow and maturity analyses to assess liquidity requirements and align investments with the City's operational cash needs.
- Conduct weekly analyses of pooled investment funds, including LAIF, CAMP, CLASS, and money market funds, to identify potential short-duration, high-credit-quality investment opportunities.
- Review the City's Investment Policy Statement and provide recommendations within the parameters of California Government Code Section 53601.
- Prepare comparative analyses and presentations addressing weighted-average yield, yield components, investment fees in dollars and as a percentage of assets, and portfolio allocation.
- Assist with account setup and onboarding and provide access to an online portal with daily custodian data feeds to support portfolio transparency.

V. FISCAL IMPACT

The proposed agreement establishes a maximum contract amount of $150,000, inclusive of expenses, with an anticipated annual cost of $30,000 over the five-year contract term. Funding is available for Fiscal Year 2026/27. Funding for subsequent fiscal years will be incorporated through the City's annual budget process. Expenditures will be charged to Account No. 101-60-601-101-6004.

AGREEMENT FOR CONTRACT SERVICES BETWEEN THE CITY OF CARSON AND GLOBAL RETIREMENT PARTNERS, LLC, a California limited liability company d/b/a SHUSTER ADVISORY GROUP, A HUB INTERNATIONAL COMPANY

THIS AGREEMENT FOR CONTRACT SERVICES (herein "Agreement") is made and entered into this ____ day of _____, 2026 by and between the CITY OF CARSON, a California municipal corporation ("City") and GLOBAL RETIREMENT PARTNERS, LLC, a California limited liability company d/b/a SHUSTER ADVISORY GROUP, A HUB INTERNATIONAL COMPANY ("Consultant"). City and Consultant are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

RECITALS

A. The City seeks to piggyback off that certain Request for Proposal No. 0237 (RFP No. 0237) dated November 7, 2024 issued by the City of Inglewood and Consultant's Proposal in response to RFP No. 0237 dated December 9, 2024 for investment management and advisory services ("Inglewood Procurement").

B. Pursuant to Section 2611(f) of the City's Municipal Code, the City is authorized to enter into this Agreement by piggybacking off the Inglewood Procurement, as determined by City's Purchasing Manager. City's regulations permit piggybacking at the same or better prices than those reflected in the Inglewood Procurement. If there is a conflict between the Inglewood Procurement and this Agreement, this Agreement shall govern.

OPERATIVE PROVISIONS

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1. SERVICES OF CONSULTANT

1.1 Scope of Services.

In compliance with all terms and conditions of this Agreement, the Consultant shall provide those services specified in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by this reference, which may be referred to herein as the "services" or "work" hereunder. As a material inducement to the City entering into this Agreement, Consultant represents and warrants that it has the qualifications, experience, and facilities necessary to properly perform the services required under this Agreement in a thorough, competent, and professional manner, and is experienced in performing the work and services contemplated herein. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. Consultant covenants that it shall follow the highest professional standards in performing the work and services required hereunder and that all materials will be both of good quality as well as fit for the purpose intended. For purposes of this Agreement, the phrase "highest professional standards" shall mean those standards of practice recognized by one or more first-class firms performing similar work under similar circumstances.

1.2 Consultant's Proposal.

The Scope of Service shall include the Consultant's scope of work or bid which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal and this Agreement, the terms of this Agreement shall govern.

1.3 Compliance with Law.

Consultant shall keep itself informed concerning, and shall render all services hereunder in accordance with, all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental entity having jurisdiction in effect at the time service is rendered.

1.4 Licenses, Permits, Fees and Assessments.

Consultant shall obtain at its sole cost and expense such licenses, permits and approvals as may be required by law for the performance of the services required by this Agreement. Consultant shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for the Consultant's performance of the services required by this Agreement, and shall indemnify, defend and hold harmless City, its officers, employees or agents of City, against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

1.5 Familiarity with Work.

By executing this Agreement, Consultant warrants that Consultant (i) has thoroughly investigated and considered the scope of services to be performed, (ii) has carefully considered how the services should be performed, and (iii) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, Consultant warrants that Consultant has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder. Should the Consultant discover any latent or unknown conditions, which will materially affect the performance of the services hereunder, Consultant shall immediately inform the City of such fact and shall not proceed except at Consultant's risk until written instructions are received from the Contract Officer.

1.6 Care of Work.

The Consultant shall adopt reasonable methods during the life of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and/or other components thereof to prevent losses or damages, and shall be responsible for all such damages, to persons or property, until acceptance of the work by City, except such losses or damages as may be caused by City's own negligence.

1.7 Further Responsibilities of Parties.

Both parties agree to use reasonable care and diligence to perform their respective obligations under this Agreement. Both parties agree to act in good faith to execute all instruments, prepare all documents and take all actions as may be reasonably necessary to carry out the purposes of this Agreement. Unless hereafter specified, neither party shall be responsible for the service of the other.

1.8 Additional Services.

City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Consultant, incorporating therein any adjustment in (i) the Contract Sum for the actual costs of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Consultant. Any increase in compensation of up to ten percent (10%) of the Contract Sum or $25,000, whichever is less; or, in the time to perform of up to one hundred eighty (180) days, may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively, must be approved by the City Council. It is expressly understood by Consultant that the provisions of this Section shall not apply to services specifically set forth in the Scope of Services. Consultant hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Services may be more costly or time consuming than Consultant anticipates and that Consultant shall not be entitled to additional compensation therefor. City may in its sole and absolute discretion have similar work done by other contractors. No claims for an increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

1.9 Special Requirements.

Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT.

2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed **One-Hundred Fifty Thousand Dollars ($150,000**) (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8.

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

2.2 Method of Compensation.

The method of compensation may include: (i) a lump sum payment upon completion; (ii) payment in accordance with specified tasks or the percentage of completion of the services; (iii) payment for time and materials based upon the Consultant's rates as specified in the Schedule of Compensation, provided that (a) time estimates are provided for the performance of sub tasks, (b) contract retention is maintained, and (c) the Contract Sum is not exceeded; or (iv) such other methods as may be specified in the Schedule of Compensation.

2.3 Reimbursable Expenses.

Compensation may include reimbursement for actual and necessary expenditures for reproduction costs, telephone expenses, and travel expenses approved by the Contract Officer in advance, or actual subcontractor expenses of an approved subcontractor pursuant to Section 4.5, and only if specified in the Schedule of Compensation. The Contract Sum shall include the attendance of Consultant at all project meetings reasonably deemed necessary by the City. Coordination of the performance of the work with City is a critical component of the services. If Consultant is required to attend additional meetings to facilitate such coordination, Consultant shall not be entitled to any additional compensation for attending said meetings.

2.4 Invoices.

Each month Consultant shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall also be detailed by such categories. Consultant shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by City, or as provided in Section 7.3, City will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant's correct and undisputed invoice; however, Consultant acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by City for any invoice provided by the Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.5 Waiver.

Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

ARTICLE 3. PERFORMANCE SCHEDULE

3.1 Time of Essence.

Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance.

Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the "Schedule of Performance" attached hereto as Exhibit "D" and incorporated herein by this reference. When requested by the Consultant, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding one hundred eighty (180) days cumulatively.

3.3 Force Majeure.

The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Consultant shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding five (5) years from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "D").

ARTICLE 4. COORDINATION OF WORK

4.1 Representatives and Personnel of Consultant.

The following principals of Consultant ("Principals") are hereby designated as being the principals and representatives of Consultant authorized to act in its behalf with respect to the work specified herein and make all decisions in connection therewith:

Mark Shuster	Investment Advisor
(Name)	(Title)

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

(Name)	(Title)
(Name)	(Title)

It is expressly understood that the experience, knowledge, capability and reputation of the foregoing principals were a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principals shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the services hereunder. All personnel of Consultant, and any authorized agents, shall at all times be under the exclusive direction and control of the Principals. For purposes of this Agreement, the foregoing Principals may not be replaced nor may their responsibilities be substantially reduced by Consultant without the express written approval of City. Additionally, Consultant shall utilize only competent personnel to perform services pursuant to this Agreement. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement. Consultant shall notify City of any changes in Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement, prior to and during any such performance.

4.2 Status of Consultant.

Consultant shall have no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against City, whether by contract or otherwise, unless such authority is expressly conferred under this Agreement or is otherwise expressly conferred in writing by City. Consultant shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of City. Neither Consultant, nor any of Consultant's officers, employees or agents, shall obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City's employees. Consultant expressly waives any claim Consultant may have to any such rights.

4.3 Contract Officer.

The Contract Officer shall be William Jefferson, Director of Finance, or as otherwise designated by the City Manager. It shall be the Consultant's responsibility to assure that the Contract Officer is kept informed of the progress of the performance of the services and the Consultant shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority, if specified in writing by the City Manager, to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.4 Independent Consultant.

Neither the City nor any of its employees shall have any control over the manner, mode or means by which Consultant, its agents or employees, perform the services required herein, except as otherwise set forth herein. City shall have no voice in the selection, discharge, supervision or control of Consultant's employees, servants, representatives or agents, or in fixing their number,

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

compensation or hours of service. Consultant shall perform all services required herein as an independent contractor of City and shall remain at all times as to City a wholly independent contractor with only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturer or a member of any joint enterprise with Consultant.

4.5 Prohibition Against Subcontracting or Assignment.

The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages.

The Consultant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) General Liability Insurance (Coverage Form ISO CGL CG 00 01 or equivalent). A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in an amount not less than $1,000,000.00 per occurrence or if a general aggregate limit is used, then the general aggregate limit shall be twice the occurrence limit.

(b) Worker's Compensation Insurance. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Consultant against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Consultant in the course of carrying out the work or services contemplated in this Agreement, with Employer's Liability insurance coverage limits of at least $1,000,000.00.

(c) Automotive Insurance (Coverage Form ISO CA 00 01 including "any auto" and endorsement CA 0025 or equivalent). A policy of comprehensive automobile liability

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

insurance written on a per occurrence for bodily injury and property damage in an amount not less than $1,000,000. Said policy shall include coverage for owned, non-owned, leased, hired cars and any automobile.

(d) Professional Liability. Professional liability insurance appropriate to the Consultant's profession, as determined by the City's Risk Manager, provided that the limits shall be no less than $1,000,000 per claim and no less than $1,000,000 general aggregate. This coverage may be written on a "claims made" basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of Consultant's services or the termination of this Agreement. During this additional 5-year period, Consultant shall annually and upon request of the City submit written evidence of this continuous coverage.

(e) Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall include all of the requirements stated herein.

(f) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit "B".

(g) Broader Coverages and Higher Limits. Notwithstanding anything else herein to the contrary, if Consultant maintains broader coverages and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverages and/or higher limits maintained by Consultant.

5.2 General Insurance Requirements.

All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents may apply in excess of, and not contribute with Consultant's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. Moreover, the insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention.

All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Consultant shall, prior to the cancellation date, submit new evidence of insurance in conformance with Section 5.1 to the Contract Officer.

No work or services under this Agreement shall commence until the Consultant has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsements to all required insurance policies at any time. Any failure to comply

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

All certificates shall name the City as additional insured (providing the appropriate endorsement) and shall conform to the following "cancellation" notice:

> CANCELLATION:
>
> SHOULD ANY OF THE ABOVE DESCRIBED POLICIES BE CANCELLED BEFORE THE EXPIRATION DATED THEREOF, THE ISSUING COMPANY SHALL MAIL THIRTY (30)-DAY ADVANCE WRITTEN NOTICE TO CERTIFICATE HOLDER NAMED HEREIN.
>
> [to be initialed] _____
> Consultant Initials

City, its respective elected and appointed officers, directors, officials, employees, agents and volunteers are to be covered as additional insureds as respects: liability arising out of activities Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or any automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, and their respective elected and appointed officers, officials, employees or volunteers. Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

Any deductibles or self-insured retentions must be declared to and approved by City. At the option of City, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City or its respective elected or appointed officers, officials, employees and volunteers or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims. The Consultant agrees that the requirement to provide insurance shall not be construed as limiting in any way the extent to which the Consultant may be held responsible for the payment of damages to any persons or property resulting from the Consultant's activities or the activities of any person or persons for which the Consultant is otherwise responsible nor shall it limit the Consultant's indemnification liabilities as provided in Section 5.3.

In the event the Consultant subcontracts any portion of the work in compliance with Section 4.5 of this Agreement, the contract between the Consultant and such subcontractor shall require the subcontractor to maintain the same policies of insurance that the Consultant is required to maintain pursuant to Section 5.1, and such certificates and endorsements shall be provided to City.

5.3 Indemnification.

To the full extent permitted by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative,

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Consultant is legally liable ("indemnitors"), or arising from Consultant's or indemnitors' reckless or willful misconduct, or arising from Consultant's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

(a) Consultant will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorneys' fees incurred in connection therewith;

(b) Consultant will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of Consultant hereunder; and Consultant agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

(c) In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Consultant for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Consultant hereunder, Consultant agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorneys' fees.

Consultant shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Consultant shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This indemnification includes claims or liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Consultant in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City's sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Consultant and shall survive termination of this Agreement.

5.4 Sufficiency of Insurer.

Insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A-" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the Risk Manager of the City ("Risk

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

Manager") due to unique circumstances. If this Agreement continues for more than 3 years duration, or in the event the Risk Manager determines that the work or services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Consultant agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt of written notice from the Risk Manager.

ARTICLE 6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records.

Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. Any and all such documents shall be maintained in accordance with generally accepted accounting principles and shall be complete and detailed. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the City shall have access to such records in the event any audit is required. In the event of dissolution of Consultant's business, custody of the books and records may be given to City, and access shall be provided by Consultant's successor in interest. Notwithstanding the above, the Consultant shall fully cooperate with the City in providing access to the books and records if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 Reports.

Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement as the Contract Officer shall require. Consultant hereby acknowledges that the City is greatly concerned about the cost of work and services to be performed pursuant to this Agreement. For this reason, Consultant agrees that if Consultant becomes aware of any facts, circumstances, techniques, or events that may or will materially increase or decrease the cost of the work or services contemplated herein or, if Consultant is providing design services, the cost of the project being designed, Consultant shall promptly notify the Contract Officer of said fact, circumstance, technique or event and the estimated increased or decreased cost related thereto and, if Consultant is providing design services, the estimated increased or decreased cost estimate for the project being designed.

6.3 Ownership of Documents.

All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials (the "documents and materials") prepared by Consultant, its employees, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

ownership use, reuse, or assignment of the documents and materials hereunder. Any use, reuse or assignment of such completed documents for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant, and Consultant's guarantee and warranties shall not extend to such use, reuse or assignment. Consultant may retain copies of such documents for its own use. Consultant shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom. Moreover, with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City.

6.4 Confidentiality and Release of Information.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the Contract Officer.

(b) Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant gives City notice of such court order or subpoena.

(c) If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorneys fees, caused by or incurred as a result of Consultant's conduct.

(d) Consultant shall promptly notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under. City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law.

This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

7.2 Disputes; Default.

In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, the City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under this Article. Any failure on the part of the City to give notice of the Consultant's default shall not be deemed to result in a waiver of the City's legal rights or any rights arising out of any provision of this Agreement.

7.3 Retention of Funds.

Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, or any indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of the Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.4 Waiver.

Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

7.5 Rights and Remedies are Cumulative.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Legal Action.

In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code Sections 905 et. seq. and 910 et. seq., in order to pursue a legal action under this Agreement.

7.7 Termination Prior to Expiration of Term.

This Section shall govern any termination of this Agreement except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to Consultant, except that where termination is due to the fault of the Consultant, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, Consultant may terminate this Agreement if and only if all of the following criteria are met: (i) City is in default under the terms of this Agreement; (ii) Consultant has given City thirty (30) days' written notice (or longer, if circumstances warrant) of the default and the reasons for the default; and (iii) City has failed to cure the default within said cure period. Upon receipt of any notice of termination, Consultant shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Consultant has initiated termination, the Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer, except as provided in Section 7.3. In the event the Consultant has initiated termination, the Consultant shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder. In the event of City's termination without cause pursuant to this Section, the City need not provide the Consultant with the opportunity to cure pursuant to Section 7.2.

7.8 Termination for Default of Consultant.

If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City therefor.

7.9 Attorneys' Fees.

If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees.

No officer or employee of the City shall be personally liable to the Consultant, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest.

Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the Contract Officer. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which affects her/his financial interest or the financial interest of any corporation, partnership or association in which (s)he is, directly or indirectly, interested, in violation of any State statute or regulation. The Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination.

Consultant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

8.4 Unauthorized Aliens.

Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, *et seq.*, as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Consultant so employ such unauthorized aliens for the performance of work and/or services covered by this Agreement, and should any liability or sanctions be imposed against City for such use of unauthorized aliens, Consultant hereby agrees to and shall reimburse City for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by City.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices.

Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of Carson, 701 East Carson, Carson, California 90745 and in the case of the Consultant, to the person(s) at the address designated on the execution page of this Agreement. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

9.3 Counterparts.

This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Agreement.

9.4 Integration; Amendment.

This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the parties. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. No amendment to or modification

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

of this Agreement shall be valid unless made in writing and approved by the Consultant and by the City Council. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.

9.5 Severability.

In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 Warranty & Representation of Non-Collusion.

No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. The determination of "financial interest" shall be consistent with State law and shall not include interests found to be "remote" or "non-interests" pursuant to Government Code Sections 1091 or 1091.5. Consultant warrants and represents that it has not paid or given, and will not pay or give, to any third party including, but not limited to, any City official, officer, or employee, any money, consideration, or other thing of value as a result or consequence of obtaining or being awarded any agreement. Consultant further warrants and represents that (s)he/it has not engaged in any act(s), omission(s), or other conduct or collusion that would result in the payment of any money, consideration, or other thing of value to any third party including, but not limited to, any City official, officer, or employee, as a result of consequence of obtaining or being awarded any agreement. Consultant is aware of and understands that any such act(s), omission(s) or other conduct resulting in such payment of money, consideration, or other thing of value will render this Agreement void and of no force or effect.

9.7 Corporate Authority.

The persons executing this Agreement on behalf of the parties hereto warrant that (i) such party is duly organized and existing, (ii) they are duly authorized to execute and deliver this Agreement on behalf of said party, (iii) by so executing this Agreement, such party is formally bound to the provisions of this Agreement, and (iv) the entering into this Agreement does not violate any provision of any other Agreement to which said party is bound. This Agreement shall be binding upon the heirs, executors, administrators, successors and assigns of the parties.

EXHIBIT "A"
SCOPE OF SERVICES

I. Consultant will perform the following Services:

A. Information Gathering and Analysis.

1. **Portfolio Evaluation.** Consultant will thoroughly evaluate the City's Treasury Report, investment custodial statements, Certificates of Deposit (CDs), and other relevant asset data to gain a clear understanding of the City's total investment portfolio.

    (a) This evaluation includes an assessment of both the risk and return characteristics of the investments, as well as the fees associated with each of the City's current assets.

2. **Cash Flow and Maturity Analysis.** Working closely with City officials, Consultant prepares a detailed cash flow and maturity analysis to identify the City's liquidity requirements.

    (a) With a clear understanding of these needs, Consultant customizes a portfolio tailored to the City's operational cash requirements while strategically allocating investment assets to optimize returns.

    (b) Consultant will also conduct weekly analyses of pooled investment funds, including LAIF, CAMP, CLASS, and Money Market Funds, to identify opportunities to maximize yield using short-duration, high-credit-quality vehicles.

3. **Investment Policy Statement (IPS) Review.** Consultant will conduct a side-by-side comparative analysis of the City's current IPS to identify potential updates within the parameters of California Government Code section 53601.

    (a) With a comprehensive understanding of historical changes and the latest developments in California local-agency investment guidelines, Consultant will recommend IPS adjustments designed to enhance flexibility without compromising the principles of safety, liquidity, and yield.

4. **Comprehensive Analysis and Reporting.** Using the insights gathered, Consultant will produce a detailed analysis and presentation comparing the City's current portfolio to Consultant's proposed portfolio. The analysis and presentation will include:

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

(a) Total weighted average yield;

(b) A breakdown of individual yield components;

(c) Analysis of investment fees presented both as dollar amounts and percentages of assets; and

(d) Detailed investment-allocation comparisons.

Consultant will present the findings in a clear and actionable format to City stakeholders, including the Director of Finance, City Manager, Council Members, and other relevant officials.

5. **Efficiency and Timeliness.** Consultant can complete the entire Gathering and Analysis process in under a week, provided the necessary data is readily available.

B. Implementation.

1. **Account Setup and Onboarding**. Upon being appointed as the City's fiduciary for investment management services and following the approval of the IPS (if necessary), Consultant will provide white-glove customer service to streamline the account-opening and funding process. Services include completing required documentation and coordinating signatures from City officials for account access.

(a) Consultant will provide access to and a guided walkthrough of its online portal, which integrates a daily data feed from the custodian to ensure complete portfolio transparency.

(b) For Cities utilizing pooled investment funds, such as LAIF, CAMP, or CLASS, Consultant will coordinate necessary documentation and conduct a walkthrough call to ensure City officials are familiar with accessing these liquid funds for operational needs.

(c) In cases where a City is transferring Certificates of Deposit (CDs), Consultant will establish an additional custody account at no extra cost and oversee the maturation of CDs, ensuring proceeds are seamlessly reinvested into the portfolio.

2. **Reporting Framework Development**. Consultant will coordinate a call with City officials to define the scope and frequency of regular reporting, tailored to the City's preferences (e.g., monthly, quarterly, semiannual, or annual reporting). This process will address both mandatory reporting requirements and additional reports to enhance transparency.

(a) Consultant will customize reports to the level of detail required by the City. Reports may address economic analysis and trends;

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

portfolio composition and sector exposure; returns, weighted average maturity, and duration; performance objectives relative to relevant benchmarks; and compliance with the IPS.

3. **Pre-Launch Review and Coordination**. Consultant and the investment manager will review the finalized IPS, agreed-upon reporting cadence, and overall asset allocation to prepare for live management of the fixed-income portfolio.

   (a) Consultant will facilitate seamless communication and data sharing between the City and investment manager, ensuring a smooth and collaborative relationship among all parties.

4. **Timely Implementation.** The entire implementation process can typically be completed within 2-3 weeks, depending on processing times from the custodian, pooled investment vehicle, and completion of required signatures.

C. Ongoing Services.

1. **Regular and Ad Hoc Meetings**. During the implementation of the City's new asset allocation and investment portfolio, and on an ongoing basis thereafter, Consultant will hold regular meetings with City officials to review the cash portfolio's safety, liquidity, and yield. These meetings can be scheduled monthly, quarterly, semiannually, or annually, as determined by the City.

   (a) As the City's fiduciary, Consultant will be available for ad hoc meetings with minimal notice and can provide counsel outside of normal working hours.

   (b) Consultant will assist with annual audit inquiries by delivering transparent data and preparing any analysis requested by auditors.

2. **Continuous Monitoring and Analysis**. Between scheduled meetings, Consultant will actively monitor and analyze the City's investment program. Services include:

   (a) Ensuring alignment with the IPS;

   (b) Evaluating the investment manager's portfolio performance and the performance of pooled investments;

   (c) Monitoring CD maturities, creditworthiness, and asset maturities;

   (d) Staying up-to-date with CA Gov Code section 53601 and proposing potential IPS updates, as needed;

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

(e) Tracking fixed-income market conditions, fee-negotiation opportunities, and other key data points important to the City;

(f) Conducting industry benchmarking to identify areas for improvement or optimization; and

(g) The investment manager will also perform ongoing credit analysis, maturity analysis, and market analysis for each fixed-income investment in the portfolio.

3. **Continuous Partnership.** Consultant will provide continuing advisory support throughout the Term. The ongoing-service process may commence within one week after the City provides necessary information and access.

D. Investment and Cash Management

1. **Appointment and Discretionary Authority**. City hereby appoints Consultant as an investment adviser to perform discretionary investment management Services described in this Agreement, and Consultant accepts such appointment. City grants Consultant limited power of attorney with the power and authority to manage, supervise and direct City's investments ("Assets") on a discretionary basis in the account(s) established under this Agreement (individually or collectively the "Account"), in accordance with City's investment objectives and subject to any reasonable restrictions as City may impose upon written notice.

"Assets" means the funds held in City's designated operating account(s) to be established with Charles Schwab. Consultant's discretionary authority is limited to investing and reinvesting the Assets in instruments permitted under California Government Code Section 53601, as amended, and consistent with City's Investment Policy Statement ("IPS"). Subject to the foregoing limitations, Consultant may give instructions in furtherance of its authority under this Section to the Custodian of the Assets.

City and Consultant will cooperate as necessary to transfer funds or securities to be managed by the Consultant to the Custodian utilized by the Consultant. Consultant's authority under this Agreement shall remain in effect until modified or terminated by City in writing.

2. **Standard**. Consultant will provide the Services under the fiduciary standards required under the Investment Advisers Act of 1940 ("Advisers Act").

3. **Third Party Investment Management.** Consultant shall identify one or more affiliated or unaffiliated third-party investment managers or sub-consultants (each an "Investment Manager") to provide all or a portion of the discretionary management services with respect to City's Account, provided that any such services shall likewise be limited to instruments

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

permitted under Government Code Section 53601 and the IPS as set forth in Section 1 above. City retains authority to approve, retain, or terminate any Investment Manager. No Investment Manager shall be engaged, and no existing engagement shall be terminated, without City's prior written approval.

Since an Investment Manager will charge a fee for its services, the overall fees incurred by City may increase when City approves the engagement of an Investment Manager. Certain Investment Managers may require that City sign a separate agreement that sets out the terms related to their discretionary authority over the Assets it manages; other Investment Managers may rely on instructions and information provided by Consultant and not require City to sign a separate agreement. In either case, this Agreement authorizes an approved Investment Manager to have limited power-of-attorney and trading authority over the Assets that City has approved for engagement by an Investment Manager for discretionary management within the limits set forth in Section 1. City authorizes Consultant to provide a copy of this Agreement to the qualified custodian or any broker or dealer through which transactions will be implemented on behalf of City, as evidence of the Investment Manager's authority under this Agreement.

4. **Statements, Confirmations and Reports.** City will receive confirmations of each transaction executed in the Account and a statement no less than quarterly directly from the Custodian showing account activity as well as positions held in the Account at period end. Consultant may also provide periodic reports to City in addition to the materials provided by the Custodian that may include account performance, holdings, and other activity. City agrees to review confirmations, statements, and reports and to notify Consultant of any inaccuracies or inconsistencies.

5. **No Insurance Coverage.** The Account is not guaranteed by the United States government, nor is it subject to any governmental or other insurance coverage.

6. **Custodian.** Custody of Assets shall be maintained with an independent custodian ("Custodian"), and not with Consultant. City authorizes Consultant to give instructions to the Custodian with respect to all investment decisions regarding the Assets and Account, and the Custodian is hereby authorized and directed to effect transactions. City agrees that Consultant is not responsible for the acts or omissions of the Custodian. City will be solely responsible for paying all fees or charges of the Custodian, and such fees and charges are in addition to Consultant's fees under this Agreement. Consultant does not receive any portion of the fees assessed by the Custodian. City shall enter into an agreement, or agreements, with Custodian for custodial services, whereby the terms of such agreement(s) shall be determined solely by and between City and Custodian.

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

7. **Execution of Transactions.**

(a) **Best Execution and Custodian Selection**. Unless otherwise agreed, Consultant will arrange for the execution of securities brokerage transactions for the Account through a Custodian that Consultant reasonably believes will provide "best execution." In considering a custodian for best execution, the determinative factor is not the lowest possible commission cost but whether the transaction represents the best qualitative execution, taking into consideration the full range of a custodian's services including but not limited to the value of research services provided by a custodian, execution capability, commission rates, responsiveness, reputation and access to the markets for securities being traded, and the value of the ongoing relationship Consultant may have with a custodian. Accordingly, although Consultant will seek competitive transaction costs, it may not necessarily obtain the lowest possible costs for Account transactions. Consultant does not obligate itself to seek the lowest transaction charges in all cases except to the extent that it contributes to the overall goal of obtaining the best results for City. In addition, most mutual funds, as disclosed in their prospectuses, reserve the right to refuse to execute trades if, in a fund's sole judgment, the trade(s) would jeopardize the value of the fund. Consultant has no authority to change, alter, amend, or negotiate any provision set forth in a mutual fund prospectus. Consultant further shall not be responsible for a unilateral adverse decision by a mutual fund or insurance company to restrict and/or prohibit investment product portfolio management programs.

(b) **Aggregation**. Consultant is authorized (but is not obligated) to aggregate, batch or combine purchases and sales and other transactions made for the Account with similar transactions for other clients of Consultant. When transactions are aggregated, the actual prices applicable to the aggregated transactions will be averaged, and the Account will be deemed to have purchased or sold its proportionate share of the securities or instruments involved at the average price so obtained.

(c) **Evidence of Consultant's Authority**. Consultant may give a copy of this Agreement to any broker, dealer, Custodian, or other party to a transaction of the Account as evidence of Consultant's authority to act for City per the terms of this Agreement.

(d) **Allocation**. Consultant will seek to allocate investment opportunities believed appropriate for City's Account and other accounts advised by Consultant among such accounts equitably and consistent with the best interests of all accounts involved. However, conflicts may arise in the allocation of investment opportunities

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

among accounts that Consultant manages or advises; consequently there can be no assurance that a particular investment opportunity that comes to Consultant's attention will be allocated in any particular manner.

(e) **Non-Public Information**. If Consultant obtains material, non-public information about a security or its issuer that Consultant may not lawfully use or disclose, Consultant will have no obligation to disclose the information to City or use it for City's benefit.

8. **Proxies and Shareholder Rights.** Consultant shall not have authority or responsibility to vote or advise with respect to voting of proxies, or to take any other action related to shareholder rights (including bankruptcies and class actions). The obligation to vote proxies and take action related to shareholder rights rests with City at all times, unless an Investment Manager requires that it votes proxies and takes action on shareholder rights, in which case such rights and actions shall rest with the Investment Manager.

9. **Investment Guidelines and Reasonable Restrictions.** City may impose guidelines, special instructions or reasonable restrictions regarding the Services. City agrees to notify Consultant promptly and in writing of any changes to the information provided by City in Exhibit "A." City agrees that Consultant shall not be responsible or liable for any losses, costs or claims suffered or arising out of City's oral or written instructions or reasonable restrictions.

10. **City Responsibilities.** City agrees to provide Consultant with all requested information and documents and complete forms (e.g., suitability or City profiles) as Consultant may reasonably request (collectively "Information"). Such Information may include, but is not limited to, City's financial situation, investment objectives, needs and goals, risk tolerance, and, if applicable, documents demonstrating that participation in the Services is permitted by relevant governing instruments of City. Services will be based upon the Information provided by City. City acknowledges that Consultant cannot adequately perform the Services unless City performs its responsibilities under this Agreement. City agrees that all Information provided to Consultant, whether from City or City's attorney, accountant or other professional, shall be true, correct, timely, and complete in all material respects. City acknowledges that Consultant may rely on such Information without verifying its accuracy. City agrees to promptly notify Consultant of any changes or errors in the Information and promptly provide any updated or additional Information as may be reasonably requested by Consultant. City agrees that Consultant shall not be responsible or liable for any losses, costs or claims suffered or arising out of City's failure to provide Information or inform Consultant of material changes to the Information.

Docusign Envelope ID: 101DA1C2-92CC-895D-8194-7CC6875A70E3

11. **Risk Acknowledgement and No Guarantees Against Loss.** Consultant does not guarantee the future performance or any specific level of performance, the success of any investment decision or strategy that Consultant may use, or the success of Consultant's overall management. City understands that investment decisions are subject to various market, currency, economic, political, and business risks, and that those investment decisions will not always be profitable. City understands that all investments involve risk of loss and that past performance does not necessarily predict future performance. Except as otherwise provided by law, Consultant and its employees, affiliates, representatives, and agents shall not be liable for any loss experienced by City by reason of any investment decision made or other action taken or omitted in good faith by Consultant with that degree of diligence, care, skill and prudence under the circumstances that a person acting in a fiduciary capacity would use.

12. **Receipt of Disclosure and Consent to Electronic Delivery.** City acknowledges receipt and undertakes to review and consider the disclosures made by Consultant (including in this Agreement, the Form ADV Part 2, ADV Part 2B, and Consultant's Privacy Policy), in particular the portions related to services, compensation, and potential conflicts of interest, as well as the remainder of the disclosures concerning, among other matters, background information such as educational and business history, business practices such as the types of advisory services provided, the methods of securities analysis used, and the like.

Further, City consents to electronic delivery (via email or other generally accepted method) of current and future distributions of Consultant's Form ADV Part 2, ADV Part 2B, and Privacy Policy. Consent to electronic delivery may be canceled at any time by sending a written request to Consultant.

II. As part of the Services, Consultant will prepare and deliver the following tangible work products to the City:

A. As described in Section I.

III. In addition to the requirements of Section 6.2, during performance of the Services, Consultant will keep the City apprised of the status of performance by delivering the following status reports:

A. As requested by the Contract Officer.

IV. All work product is subject to review and acceptance by the City, and must be revised by the Consultant without additional charge to the City until found satisfactory and accepted by City.

EXHIBIT "B"
SPECIAL REQUIREMENTS
(Superseding Contract Boilerplate)

I. Subsection (c) (Automotive Insurance) of Section 5.1 (Insurance Coverages) of the Agreement is hereby amended to read as follows:

"(c) Automotive Insurance (Coverage Form ISO CA 00 01 ~~including "any auto" and endorsement CA 0025 or equivalent~~). A policy of comprehensive automobile liability insurance written on a per occurrence for bodily injury and property damage in an amount not less than $1,000,000. Said policy shall include coverage for ~~owned,~~ ***any*** non-owned, leased, hired cars ~~and any automobile~~."

II. Section 5.2 (General Insurance Requirements) of the Agreement is hereby amended to read in its entirety as follows:

"5.2 General Insurance Requirements.

Except for Professional Liability insurance outlined in subsection (d), ~~A~~***a***ll of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents may apply in excess of, and not contribute with Consultant's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. Moreover, the insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention.

All of said policies of insurance shall ~~provide that said insurance may~~ not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Consultant shall, prior to the cancellation date, submit new evidence of insurance in conformance with Section 5.1 to the Contract Officer.

No work or services under this Agreement shall commence until the Consultant has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsements to all required insurance policies at any time. Any failure to comply with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

All certificates shall name the City as additional insured (providing the appropriate endorsement) and shall conform to the following "cancellation" notice:

City, its respective elected and appointed officers, directors, officials, employees, agents and volunteers are to be covered as additional insureds as respects: liability arising out of activities Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or any automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, and their respective elected and appointed officers, officials, employees or volunteers. Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

Any deductibles or self-insured retentions must be declared to and approved by City. At the option of City, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City or its respective elected or appointed officers, officials, employees and volunteers or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims. The Consultant agrees that the requirement to provide insurance shall not be construed as limiting in any way the extent to which the Consultant may be held responsible for the payment of damages to any persons or property resulting from the Consultant's activities or the activities of any person or persons for which the Consultant is otherwise responsible nor shall it limit the Consultant's indemnification liabilities as provided in Section 5.3.

In the event the Consultant subcontracts any portion of the work in compliance with Section 4.5 of this Agreement, the contract between the Consultant and such subcontractor shall require the subcontractor to maintain the same policies of insurance that the Consultant is required to maintain pursuant to Section 5.1, and such certificates and endorsements shall be provided to City."

Invitation to Submit Proposals for RFP-0237

The City of Inglewood invites and will receive proposals from experienced firms qualified to provide "Investment Management and Advisory Services," as specified in this document.

Each proposal shall be completed and submitted in all particulars and must be enclosed in a sealed package addressed to the City of Inglewood, Purchasing and Contract Services Division Office, One Manchester Blvd., 8th Floor, Inglewood, CA 90301, with the designation of the project, "Investment Management and Advisory Services" appearing thereon.

Proposals will be opened in public on December 10, 2024, at 11 a.m. (PST) in the Purchasing and Contract Services Division and will be announced then and there to all persons present. Specifications and other proposal documents for the above service are on the City's PlanetBids portal.

The City reserves the right to waive any irregularity within any proposal and to take proposals under advisement for a period of ninety (90) calendar days from and after the date proposals are opened and announced.

The following conditions and terms apply:

1) The City Council reserves the right to reject any or all proposals.
2) Attached are detailed specifications and conditions for proposal submission.
3) You must execute your contract within ten (10) days after the City mails it. If the contract is not executed within ten (10) days, the City reserves the unilateral right to cancel it.
4) If any provision of the contract is violated, the City, after suitable notice, may cancel the contract and make arrangements to have the products and services supplied by others. The respondent will pay the City any extra cost.
5) Proposals may be obtained from the City's PlanetBids portal at https://pbsystem.planetbids.com/portal/45619/portal-home.
6) All proposals with pricing must be for specific amounts. Any attempt to qualify prices with an 'escalation clause' or any other method of making a price variable, is unacceptable. Proposal shall be valid for ninety (90) calendar days from and after the date proposals are opened and announced.
7) The City reserves the right to add or subtract quantities and services based on the unit prices/unit lump sums indicated as its budgetary needs may require.
8) All requests for proposal documents can be located on the City of Inglewood's Planet Bids Portal.

The City reserves the right to waive informalities in any proposal, to reject any or all proposals, to reject one part of a proposal and accept the other, except to the extent that proposals are qualified by specific limitations, and to make awards to the Respondent whose proposal is most beneficial to the needs of the City. Each Respondent is responsible for the timely delivery of any response. Additionally, the City will not be responsible for the delivery of any proposal to the wrong address or City department. Each Respondent assumes all risks and/or consequences of an incorrect delivery or an untimely delivery of a proposal.

Introduction

The City of Inglewood invites qualified and experienced firms to submit proposals for Investment Management and Advisory Services. This RFP aims to identify a partner capable of delivering comprehensive, strategic investment guidance aligned with our financial goals, risk tolerance, and long-term objectives.

We seek a firm with a proven track record in portfolio management, asset allocation, performance reporting, and financial market insights. The selected advisor will be expected to offer innovative strategies and fiduciary oversight to optimize our investment outcomes and ensure we meet our organizational obligations, including sustainability, compliance, and growth.

Proposals should reflect the highest professional standards and demonstrate a deep understanding of the investment landscape, including evolving market trends, risk management practices, and customized investment solutions.

Scope of Services

The overall scope of services is to provide investment management and advisory services to the City's investment portfolio. The City's primary investment objectives are to maximize the rate of return on public funds while minimizing all potential losses arising from investing activities such as market changes or issuer default. Although the generation of revenues through earnings on investments is a primary goal, capital preservation in the overall portfolio and maintaining required liquidity are equally important considerations in making investing decisions. The City will invest public funds in such a manner as to comply with state and local law and meet the objectives of the Investment Policy in priority order of Safety, Liquidity, and Return on Investment.

The selected firms will provide qualified personnel for services that may include the following:

1. Develop and implement sound investment strategies that maximize the portfolio's performance within the parameters of the current City of Inglewood Investment Policy (Attachment C) and applicable California laws, as modified from time to time.
2. Assume the management of the City's investment portfolio, subject to City oversight and approval.
3. Provide technical and fundamental market research, including yield curve analysis.
4. Assist the City with cash flow and maturity analysis.
5. Provide credit analysis of investment instruments in the portfolio.
6. Provide monthly, quarterly, and annual reporting. These reports will cover a range of topics, including, but not limited to, the local and national economy, the City's portfolio holdings, composition and sector analysis, return, weight average maturity, duration, performance objectives, and policy compliance.
7. Attending selected quarterly meetings with staff, as well as Finance and City Council meetings as requested.

8. Evaluate market risk and develop strategies that minimize the impact on the portfolio.
9. Assure portfolio compliance with applicable policies and laws.
10. Establish an appropriate performance benchmark as part of reporting requirements.
11. Review investment policy annually and recommend appropriate amendments for approval by the City Council.
12. Monitor the creditworthiness of financial institutions and the investments in the portfolio.
13. Perform due diligence reviews of current and proposed brokers or dealers.
14. Firms will not have custody or possession of the funds and securities the City has placed under its management. The City will retain a custodian to take and possess its invested assets.
15. Provide authorized City staff with online access to the City's current investment account.
16. Assist with the annual audit inquiries and reporting.
17. Comprehensive IPS analysis and yearly CA Government Code per all sections in monitoring to ensure the City has maximum investment flexibility with their cash portfolios (https://www.treasurer.ca.gov/cdiac/laig/guideline.pdf).
18. Thoroughly review stable NAV investment funds such as LAIF, CLASS, CAMP, and Money Market Funds to ensure cities know all opportunities to maximize yield with short-duration, high-credit-quality vehicles.
19. Advise the City on selecting one or more third-party asset or portfolio managers, including researching managers, conducting and managing the RFP process, negotiating fees, and presenting results to the City.
20. Monitor third-party managers' account performance, including general account reviews, and make recommendations to the City on the continuing suitability of the third-party manager(s) for the account or recommend alternative managers.
21. Fee negotiation for bonds, CD's, bank, and custodial assets.

A summary of the City's FY 2024-25 adopted budget is as follows:

Total Expenditures Budget $406.3 million all funds / $224.3 Million General Fund
Total Revenues Budget $389.5 million all funds / $224.4 Million General Fund

More detailed information on the City and its finances can be found on its website under Budget Division of the Finance Department, Approved Budget for Fiscal Year 24-25 Adopted Budget document (https://www.cityofinglewood.org/ArchiveCenter/ViewFile/Item/1174).

Threshold Responsiveness Requirements

Respondents should assume that their written submittal in response to this RFP will be the exclusive basis on which the City will consider its award for the contract. Therefore, each

Respondent should be as thorough as possible when responding to this RFP and provide a written Proposal consistent with and in the order described in Proposal Submittal Requirements.

Respondents cannot add to or modify their proposals after the Proposal due date. The City may deem a Respondent non-responsive if the Respondent fails to provide all required documents and copies or if, for any other reason, the Proposal does not fully comply with the requirements, instructions, and rules contained in this RFP.

Proposal Submittal Requirements

Proposals must be concise, well organized, and submitted with the following elements. The Respondent must demonstrate an understanding of the Scope of Services and the qualifications of key personnel. Emphasis should be concentrated on conforming to the RFP instructions, responding to the RFP requirements, and providing a complete and precise description of the offer. Proposals that appear unrealistic in terms of technical commitments, lack of technical competence, or are indicative of a failure to comprehend the complexity of this proposal may be rejected. This will assist in evaluating the comparative merits of all proposals submitted. The proposal should contain the sections in the order indicated below:

1. **COVER LETTER**

   Provide a brief cover letter that includes all of the following information:

   - Primary Respondent's name, address, phone number, and website;
   - Type of organization (e.g., corporation, partnership, etc.);
   - A summary of general information about the Respondent and the types of services provided with the Scope required;

2. **TABLE OF CONTENTS**

3. **GENERAL QUALIFICATIONS**

   Provide a brief description of the Respondent's business, including the years under the current name. Describe the size of the business, including the total number of employees and offices, and identify and briefly describe each local office that will be involved in providing the services if awarded the contract. Describe how and why your firm is qualified to provide these services.

4. **STAFFING**

   Identify by name and title of the Respondent's key personnel that will be assigned to provide the services. Please include a resume for each individual with their education, training, and experience. Identify by name, address, website, and each sub-consultant or subcontractor, if any, with specified roles that will be involved with providing the services. Include all applicable license numbers for any license required to perform these services.

5. **EXPERIENCE AND REFERENCES**

   Identify services the Respondent has provided in the last five (5) years that are similar in scope and nature to the City's bid, particularly to the services provided to other cities or public agencies. For each example, provide

- Brief description of the services provided.
- Explain why this experience is relevant to the required services.
- The name and address of the contracting agency, including contact information for a reference check (name, title, phone number, and email address).
- Explain your firm's experience in developing policies and portfolio management guidelines for governmental portfolios.

6. PROPOSED APPROACH AND WORK PLAN

Briefly describe the proposed approach to providing the services and how that approach will offer value to the City.

- Describe how frequently your firm formulates and reviews fixed income strategies, and list any strategies for adding portfolios and how they are managed.
- Provide a work plan or proposed schedule for the tasks described.
- Provide which oversight is provided to portfolio managers.

7. COST PROPOSAL

Provide a lump sum price that fully includes all costs to provide the services, including hourly billing rates, all labor, materials, equipment, supplies, the insurance required under the terms of the Contract, travel fees, etc. Attach a copy of the billing rates for any authorized additional services.

8. ORAL PRESENTATIONS and ORAL INTERVIEWS

An oral presentation and an oral interview by the Respondent's final contention for awarding an Agreement of Services may be required as a regular portion of the proposal process. The purpose of the oral presentation and oral interview would be to allow the respondent to demonstrate the firm's capabilities to clarify the Respondent's responses to the RFP and to allow City staff to meet the Respondent's key personnel assigned to this project.

<u>Certifications (Attachments)</u>

a) Declaration of Respondent pg. 20
b) Extension of Contract to Other Public Agencies pg. 21
c) Non-Collusion Declaration pg. 22
d) Bank/Savings and Loan Questionnaire Attachment "A" pg. 25
e) Broker and Dealer Questionnaire Attachment "B" pg. 28

Respondents must be able to obtain a City of Inglewood Business License and must be licensed to do business in the State of California by any applicable government authority.

Evaluation and Selection Process

The City will conduct an initial review and evaluation of each Proposal for responsiveness and satisfaction of the minimum qualifications of this RFP. All Proposals that are responsive and meet

all the minimum qualifications will be evaluated on the basis of professional experience and qualifications of services to be performed. If a Proposal is non-responsive or fails to satisfy any of the minimum qualifications, then the City may reject the Proposal and disqualify it from further evaluation and consideration for award, and the corresponding Respondent will be so advised.

Proposals will be reviewed and ranked in accordance with the criteria below for scoring based upon a 100-point rating scale. Respondents may be invited for an interview.

Criteria	Maximum Points Possible
Qualifications and Experience	20
Project Summary and Methodology	20
Implementation Schedule	20
Questionnaire Attachments "A" and "B"	20
Cost Proposal	20
Total:	100

Evaluation Criteria

The following criteria and matrix shall be used to evaluate proposals:

a. Qualifications and Experience (20 points)

- Demonstrates the extent of the firm and team's overall skill, experience, and personnel and organization resources, as described in the Scope of Services.
- Prior experience with public agencies or private companies.
- Evidence of personnel education, work experience of at least three (3) years, and other credentials demonstrating a skill set that meets the requirements of the Scope of Services.

b. Project Summary and Methodology (20 points)

- Fulfillment of requirements.
- Demonstrates the ability to provide services efficiently and has a clear understanding of the Scope of Services
- Proposes a sequence of work to accomplish tasks that concur with the project schedule.
- Demonstrates a thoughtful approach, methods, and procedures of the requested Scope of Services.

c. Implementation Schedule (20 points)

- Proposes a sequence of work to accomplish tasks that concur with the project schedule.
- Logical and realistic timing for each task.
- Schedule is consistent with the Scope of Services and performance timeline.

d. Questionnaire Attachments "A," and "B" (20 points)

- Thorough and adequate responses to both questionnaires.
- Demonstrates good history.

e. Cost Proposal (20 points)

- Reasonableness costs submitted and the competitiveness when compared with other submitted proposals.
- Each proposal will be scored using the following formula:
  Respondent Cost Score = (Lowest Cost Response divided by Respondent's Cost) x 10.

Selection Process

The Respondents will be ranked by scoring from high to low. The highest-ranked Respondent will be invited and selected. The contract will then be presented to the City Council for award.

General Provisions

The City of Inglewood, California, hereby extends an invitation to submit a proposal, in accordance with this Request for Proposal (RFP), to provide labor and or and materials for the designated service. Furthermore the City makes no representation that any agreement will be awarded to any firm responding to this request. There are no expressed or implied obligations for the City to reimburse responding firms for any expense incurred in preparing a proposal in response to this request. All information submitted to the City of Inglewood shall become property of the City and will be returned to the Respondent at the City's option.

Prices

The proposal shall state the total cost for the service as specified in this document. Hourly rates are firm and fixed for the duration of this agreement.

Payment Terms

Standard payment shall be made by City check.

Inglewood Business Tax Certificate

The Respondent agrees to at all times during the performance of the agreement, to obtain and maintain an Inglewood City Business Tax Certificate. The purchase of said Certificate must be made prior to the purchase of product or rendering services and a copy said Certificate must be forwarded to the Purchasing and Contract Services Division.

Sales Tax

The City of Inglewood is subject to the payment of sales tax. All Respondents will be required to include in the proposal the City of Inglewood sales tax rate of 10%. If a Respondent fails to include the City's sales tax rate in their proposal, the City will add the 10% amount to the proposal for evaluation purposes.

Insurance Requirements

Contractor shall procure and maintain for the duration of the contract insurance against claims for injuries to persons or damages to property which may arise from or in connection with the performance of the work hereunder and the results of that work by the Contractor, his agents, representatives, employees or subcontractors.

MINIMUM SCOPE AND LIMIT OF INSURANCE

Coverage shall be at least as broad as:

A. **Commercial General Liability (CGL)**: Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **$2,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 05 09 or 25 04 05 09) or the general aggregate limit shall be twice the required occurrence limit.

B. **Automobile Liability**: ISO Form Number CA 00 01 covering any auto (Code 1), or if the Contractor has no owned autos, covering hired, (Code 8) and non-owned autos (Code 9), with limit no less than **$1,000,000** per accident for bodily injury and property damage.

C. **Workers' Compensation**: as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than **$1,000,000** per accident for bodily injury or disease.

D. **Professional Liability (Errors and Omissions):** Insurance appropriate to the Contractor's profession, with limit no less than **$2,000,000** per occurrence or claim, **$4,000,000** aggregate (if applicable).

If the Contractor maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the Contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Other Insurance Provisions

The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status

The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Contractor including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Contractor's insurance (at least as broad as ISO Form CG 20 10 11 85 or if not available, through the addition of **both** CG 20 10, CG 20 26, CG 20 33, or CG 20 38; **and** CG 20 37 if a later edition is used).

Primary and Non-Contributory Coverage

For any claims related to this contract, the **Contractor's insurance coverage shall be primary and non-contributory** and at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Contractor's insurance and shall not contribute with it. This requirement shall also apply to any Excess or Umbrella liability policies.

Umbrella or Excess Policy

The Contractor may use Umbrella or Excess Policies to provide the liability limits required in this agreement. This form of insurance will be acceptable provided that all of the Primary and Umbrella or Excess Policies shall provide all of the insurance coverages herein required, including, but not limited to, primary and non-contributory, additional insured, Self-Insured Retentions (SIRs), indemnity, and defense requirements. The Umbrella or Excess Policies shall be provided on a true "following form" or broader coverage basis, with coverage at least as broad as provided on the underlying Commercial General Liability insurance. No insurance policies maintained by the Additional Insureds, whether primary or excess, and which also apply to a loss covered

hereunder, shall be called upon to contribute to a loss until the Contractor's primary and excess liability policies are exhausted.

Notice of Cancellation

Each insurance policy required above shall provide that coverage shall not be canceled, except with notice to the City.

Waiver of Subrogation

Contractor hereby agrees to waive rights of subrogation which any insurer of Contractor may acquire from Contractor by virtue of the payment of any loss. Contractor agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation. The Workers' Compensation policy shall be endorsed with a waiver of subrogation in favor of the City for all work performed by the Contractor, its employees, agents and subcontractors.

Self-Insured Retentions

Self-Insured Retentions (SIR) must be declared to and approved by the City Attorney. The City Attorney may require the Contractor to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the SIR may be satisfied by either the named insured or the City. The CGL and any policies, including Excess liability policies, may not be subject to a SIR or deductible that exceeds $25,000, unless approved in writing by the City Attorney. Any and all deductibles and SIRs shall be the sole responsibility of Contractor or subcontractor who procured such insurance and shall not apply to the Indemnified Additional Insured Parties. City may deduct from any amounts otherwise due Contractor to fund the SIR/deductible. Policies shall NOT contain any SIR provision that limits the satisfaction of the SIR to the Named Insured. The policy must also provide that Defense costs, including the Allocated Loss Adjustment Expenses, will satisfy the SIR or deductible. City reserves the right to obtain a copy of any policies and endorsements for verification.

Acceptability of Insurers

Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

Verification of Coverage

Contractor shall furnish the City with original certificates and amendatory endorsements or copies of the applicable policy language effecting coverage required by this clause and **a copy of the Declarations and Endorsement Page of the CGL and any Excess policies listing all policy endorsements.** All certificates and endorsements and copies of the Declarations & Endorsement pages are to be received and approved by the City Attorney before work commences. However, failure to obtain the required documents prior to the work beginning shall not waive the Contractor's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Subcontractors

The Contractor shall require and verify that all subcontractors maintain insurance meeting all requirements stated herein, and the Contractor shall ensure that the City is an additional insured on insurance required from subcontractors. For CGL coverage, subcontractors shall provide coverage with a form at least as broad as CG 20 38 04 13.

Special Risks or Circumstances

City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

Indemnification

These Indemnification provisions are independent of and shall not in any way be limited by the Insurance requirements of an Agreement between the City and Contractor. City's approval of the Insurance contracts required by the Agreement does not in any way relieve the Contractor from liability under this section. Depending on the goods and/or services provided, and to the fullest extent authorized by law, one of the following indemnification provisions shall apply to the Agreement:

1. General Contracts. Contractor shall hold harmless, defend and indemnify City and its officers, officials, employees, and volunteers from and against any and all liability, loss, damage, expense, costs (including without limitation costs and fees of litigation) of every nature arising out of in connection with Contractor's performance of work hereunder or its failure to comply with any of its obligations contained in the agreement, except such loss or damage which was caused by the sole negligence or willful misconduct of the City.
2. Construction Contracts. Contractor shall hold harmless, defend, and indemnify City and its officers, officials, employees, and volunteers from and against all claims, damages, losses, and expenses including attorney fees arising out of the performance of the work described herein, caused in whole or in part by any negligent act or omission of the Contractor, any subcontractor, anyone directly or indirectly employed by any of them, or anyone for whose acts any of them may be liable, except where caused by the active negligence, sole negligence, or willful misconduct of the City.
3. Design Professional Contracts Civil Code § 2782.8. Pursuant to the full language of California Civil Code § 2782, Design Professional agrees to indemnify, including the cost to defend, City and its officers, officials, employees, and volunteers from and against any and all claims, demands, costs, or liability that arise out of, or pertain to, or relate to the negligence, recklessness, or willful misconduct of Design Professional and its employees or agents in the performance of services under this contract, but this indemnity does not apply to liability for damages arising from the sole negligence, active negligence, or willful acts of the City; and does not apply to any passive negligence of the City unless caused at least in part by the Design Professional. The City agrees that in no event shall the cost to defend charged to the Design Professional exceed the professional's proportionate percentage of fault. This duty to indemnify shall not be waived or modified by contractual agreement or acts of the parties.

"Or Equal Clause"

Whenever a material, article, or piece of equipment is identified in the specifications or on the plans by reference to manufacturers' or vendors' names, trade names, catalogue numbers, etc., it is intended merely to establish a standard; and any materials, article, or equipment of other manufacturers and vendors which will perform adequately in the duties imposed by the general design will be considered equally acceptable provided the material, article, ore equipment so proposed is, in the opinion of the City of equal substance and function. Said materials, articles or equipment shall not be purchased or installed by the Contractor without the City's written approval.

Non-Discrimination

California State Labor Code §1735: Discrimination in Employment Because of Race, Color, etc. No discrimination shall be made in the employment of persons working on behalf of or as an agent for the City of Inglewood because of the race, religious creed, color, national origin, ancestry, physical disability, mental disability, medical condition, genetic information, marital status, sex, gender, gender identity, gender expression, age, sexual orientation, military and veteran status, or any other legally protected class except as provided in Section 12940 of the Government Code, and every vendor for the City of Inglewood violating this section is subject to all the penalties imposed for a violation of this chapter.

Award of Proposal

Award of agreement will be based on the proposal that meets all of the specified requirements.

Execution of Agreement

A Contractor to whom award is made shall furnish all services in accordance with the provisions hereof and within the time stated in the proposal. If Contractor to whom an award is made fails or refuses to enter into the contract as herein provided or to conform to any of the stipulated requirements in connection therewith, an award may be made to the Contractor whose proposal is next most acceptable to the City. Such Contractor shall fulfill every stipulation embraced herein as if he/she were the party to whom the first award was made. A corporation to which an award is made will be required, before the contract is finally executed, to furnish evidence of its corporate existence, of its rights to do business in California.

Termination of Agreement

The City may terminate the contract at its own discretion or when conditions encountered make it impossible or impracticable to proceed, or when the City is prevented from proceeding with the contract by law, or by official action of a public authority.

Right to Withhold Payment

It is the right of the City to withhold payment when:

A. Defective materials are not remedied under the provisions of specifications;

B. There are claims or liens filed or reasonable evidence indicating probable filings of claims

or liens against the Contractor.

The City shall withhold any monies otherwise due to the Contractor. The City will provide the Contractor with written notice of the amount withheld and the reasons why the payment has been withheld. When the Contractor removes the grounds for such withholding, the City will pay the amount withheld to the Contractor within thirty-five (35) calendar days.

Cost of Proposal

Each Contractor submitting a proposal in response to this RFP acknowledges and agrees that the City shall have no financial responsibility for any costs incurred in the preparation of a proposal even if the RFP is canceled. Any and all such costs shall be the sole responsibility of the Contractor. Contractor further agrees that all documentation and materials submitted in response to this RFP shall remain the property of the City.

No Binding Contract

This RFP process shall in no way create a binding contract, agreement or offer of any kind between the City and Contractor. If the City selects a Contractor as a result of this process, legal rights and obligations shall only arise upon the execution of an agreement by all parties thereto, and such legal rights and obligations of each party shall only be those rights and obligations specifically set forth in the agreement and any other documents specifically referred to therein.

Choice of Law and Venue

This agreement shall be interpreted, construed and governed according to the laws of the State of California. In the event of litigation between the parties, venue in state trial courts shall lie exclusively in the County of Los Angeles, Superior Court, Southwest District, located at 825 Maple Avenue, Torrance, California 90503-5058. In the event of litigation in the United States District Court, venue shall lie exclusively in the Central District of California, in Los Angeles, California.

Right to Alter

The City reserves the right to alter or postpone this procurement and selection process in any way for its convenience at any time. It may also choose to waive any defects in any submittal, issue a new RFP, hire any Contractor it deems appropriate, or reject all submittals at its sole and absolute discretion.

Addendums

In the event that it becomes necessary to clarify or revise this RFP, such clarification or revision will be by Addendum. Any Addendum will become part of this RFP and part of any contract awarded as a result of this RFP.

All addenda will be issued on the City of Inglewood "bid opportunities (PlanetBids)" web page. Click on the professional auditing services listed on the cover page of this document.

To access addenda use the following web page address:

https://pbsystem.planetbids.com/portal/45619/portal-home

There are no designated dates for release of addenda. Therefore, interested Respondents should check the Purchasing "Bid Opportunities (PlanetBids)" webpage on a daily basis. Respondents without access to the internet should call the Purchasing and Contract Services Division to inquire about any issued addendums. It is the Respondent's responsibility to either check the city website or call the Purchasing and Contract Services Division to obtain any addendums.

The City encourages Respondents to send a signed copy of each addendum with your proposal. If no signed addendum is returned with your proposal, the City will assume that all pricing submitted includes any and all costs associated with any addendums issued.

Answers to questions that do not require an addendum will also be posted on the City's PlanetBids portal.

Agreement Term

The duration of this agreement is for four (4) years only.

CITY OF INGLEWOOD

INVESTMENT POLICY

POLICY:

The purpose of this document is to provide guidelines for the investment of the City of Inglewood's idle funds and to outline the policies needed to maximize the efficiency of the City's cash management system.

The Finance Director or designee shall invest idle public funds in a manner that recognizes that safety of principal is the top priority. The primary duty and responsibility of the Finance Director or designee is to protect, preserve and maintain cash and investments placed in his/her trust on behalf of the citizens of the community. The second priority is liquidity. It is the duty of the Finance Director or designee to maintain an adequate percentage of the portfolio in short-term securities which can be converted to cash if necessary, to meet disbursement requirements. A high yield on investments ranks third in priority in the City's investment strategy. Yield will be considered only after the basic requirements of safety and liquidity have been met. This strategy will be carried out in conformity with state statutes, local laws, and City Council ordinances or resolutions.

SCOPE:

This investment policy applies to the following surplus funds contained in the City's General Portfolio. These funds are accounted for in the Comprehensive Annual Financial Report and include:

1) General Fund
2) Special Revenue Funds
3) Capital Project Funds
4) Proprietary Funds
5) Trust and Agency Funds
6) Debt Service Funds
7) Enterprise Funds
8) Internal Service Funds
9) Any new fund created by the Council, unless specifically exempted by the Council

All monies entrusted to the Finance Director or designee shall be invested in accordance to California Government Code Sections 53601, 53602 and 53635.

This policy shall not apply to investments held by the administrators of the City's IRS Code Section 457 deferred compensation program and investments held by trustees of debt services reserves. These funds shall be invested in accordance with the related current contractual provisions or bond covenant.

PRUDENCE:

The Finance Director or designee shall invest public funds in the context of the "prudent person standard" which states, "investments shall be made with judgment and care, under circumstances then prevailing, which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable income to be derived."

The Finance Director or designee shall adhere to and be evaluated according to the aforementioned "prudent person standard" in the performance of his/her duties as the manager of public funds.

Additionally, investment officers acting in accordance with written procedures and the investment policy and exercising due diligence shall be relieved of personal responsibility for an individual securities credit risk or market price changes, provided deviations from expectations are reported in a timely fashion and appropriate action is taken to control advance developments.

INVESTMENT OBJECTIVE:

It is the City's policy to permit selection of investments from among those authorized by the California Government Code Sections 16429.1 and 53600-53684. The primary objectives, in priority order of investment activities, shall be:

Safety:

Safety of principal is the foremost objective of the investment program. The Finance Director or designee shall seek to avoid capital losses for all investment transactions made. The portfolio shall be diversified to insure that potential losses on the individual securities do not exceed the income generated from the remainder of the portfolio. Additionally, the Finance Director or designee shall insure the safety of invested funds by limiting interest and credit rate risks.

Interest Rate Risk:

The risk that the market value of the portfolio securities will fall due to an increase in general interest rates:

Interest rate risk will be mitigated by:

i. Structuring the City's portfolio so that securities mature to meet the City's cash demands for ongoing operations, thereby precluding the need to sell securities on the open market prior to their maturity.

ii. Investing primarily in shorter term securities.

Credit risk:

The risk of loss due to the failure of the security or backer.

Credit risk will be mitigated by:

1. Limiting investments to the types of securities authorized by this policy.

ii. Using financial institutions which have been pre-qualified by the Investment Committee.

iii. Diversifying the investment portfolio.

Liquidity:

An adequate percentage of the portfolio shall be maintained in liquid short-term securities which can be converted to cash if necessary, to meet disbursement requirements. In accordance with Government Code Section 53601, no investment shall be made in any security which at the time of the investment has a remaining term in excess of five years unless the Council has granted express authority to make that investment.

In addition, it is the City's policy that investments with remaining terms to maturity in excess of one year shall have an active secondary market.

(Yield):

Yield should become a consideration only after the basic requirements of safety and liquidity have been met.

Return on Investment:

The investment portfolio shall be designed to attain a market-average rate of return throughout budgetary and economic cycles, taking into account the City's risk constraints, IRS arbitrage rebate requirements, the cash flow characteristics of the portfolio and State statutes, local laws, ordinances or resolutions that restrict investments. The City's portfolio management approach is one which prohibits speculation based on anticipated interest rate movements. The City's approach is to buy investments with the intention of holding the investment to maturity.

Legal Requirement:

The City's investment portfolio shall be designed with the objective of meeting all legal requirements set forth by Federal, State and local laws.

DELEGATION OF AUTHORITY:

The responsibility for the investment program rests with the Finance Director or designee. The Finance Director or designee will be responsible for all transactions undertaken and has established a system of internal controls and standard operating procedures to regulate the activities of subordinate officers. The Deputy Treasurer(s) is responsible for these transactions in the absence of the Finance Director or designee.

No person may engage in an investment transaction except as provided under the terms of policy.

The Finance Director or designee has appointed the following persons with responsibility for treasury operations and reporting, under the Finance Director or designee's general direction: Deputy City Treasurers (if any), the Director of Finance and Assistant Director of Finance.

The City Council may also establish an Investment Committee consisting of the City Treasurer, the Finance Director or designee, and such other persons as may be selected from time to time who may assist the Finance Director or designee in setting investment parameters, selecting investments, determining the City's investment program, and establishing written procedures for the operation of the investment program consistent with the Investment Policy.

INVESTMENT TRAINING:

The Finance Director or designee and Deputy Treasurer(s) shall attend at least one training session within twelve months after taking office or being appointed, and at least annually thereafter. The training session should be sponsored by a professional organization, such as, but not limited to: Government Finance Officers Association (GFOA), California Society of Municipal Finance Officers (CSMFO), Municipal Treasurers Association of the United States & Canada (MTA, US&C), and California Municipal Treasurers Association (CMTA). Training must include some or all of the following components: investment controls, security risks, strategy risks, market risks, and compliance with Federal, State and local laws.

ETHICS AND CONFLICTS OF INTERESTS:

The Finance Director or designee shall avoid any transaction that might impair public confidence in the City's ability to govern effectively. Officers and employees involved in the investment process shall refrain from business activity that could conflict with proper execution of the investment program, or which could impair their ability to make impartial investment decisions. Employees and investment officials shall disclose to the Council any material financial interests in financial institutions that conduct business within this jurisdiction, and they shall further disclose any large personal financial/investment positions that could be related to the performance of the City's portfolio. Employees and officers shall subordinate their personal investment transactions to those of the City of Inglewood, particularly with regard to the time of purchase and sales.

Said employees shall also comply with the City's Administrative Regulation Acceptance of Gifts as a result of being employees of the City of Inglewood.

AUTHORIZED FINANCIAL DEALERS AND INSTITUTIONS:

In selecting financial institutions for deposits or investment of City funds, the Finance Director or designee shall consider the credit worthiness of institutions. The Finance Director or designee shall continue to monitor, by obtaining and reviewing currently available: financial statements, financial institutions' credit characteristics and financial history throughout the period in which City funds are deposited or invested. Additionally, the Finance Director or designee shall maintain a list of financial institutions authorized to provide investment services.

In addition, if utilized, a list will also be maintained of approved security broker/dealer selected by credit worthiness that is authorized to provide investment services in the State of California. These may include "primary" dealers or regional dealers that qualify Under Securities & Exchange Commission Rule 15C3-1. No public deposit shall be made except in a qualified public depository as established by the State of California.

A copy of the City's Investment Policy shall be provided to each approved financial institution or broker/dealer the City conducts business with. A signed agreement from each, agreeing to abide by the City's Investment Policy, shall be maintained by the Finance Director or designee.

All financial institutions and broker/dealers who desire to become qualified bidders for investment transactions, including portfolio management, must supply the Finance Director or designee with the following:

- Audited financial statements
- Proof of Financial Industry Regulatory Authority (FINRA) certification
- Proof of State registration
- Certification of having read and understood the investment policy and the depository contracts of the City

A current audited financial statement is required to be on file for each financial institution, broker/dealer and portfolio manager with which the City of Inglewood invests.

AUTHORIZED AND SUITABLE INVESTMENTS:

Investable funds, which include funds not needed for the immediate needs of the City of Inglewood, are determined by the Finance Director or designee and/or the Investment Committee.

Treasuries:

Securities which represent direct obligations of the U.S. Treasury can be of three types: Bills, Notes, or Bonds. They differ based on the term to maturity and the method of interest payment. Treasuries are actual obligations of the U.S. Government and, as such, are backed by the "full faith and credit" of the Federal government. There is no portfolio limit for this investment vehicle as authorized in Government Code Section 53601(b).

Agencies:

Securities which represent an obligation of several agencies or instrumentality are which administer selected lending programs of the U.S. Government. These agencies include the Federal Home Loan Mortgage Corporation (FHLMC) or (Freddie Mac), Government National Mortgage Association (GNMA or Ginnie Mae), Federal Land Bank and Federal Farm Credit Bank. These securities are obligations of the agencies themselves, but there is an implied guarantee by the U.S. Government. Obligations of these agencies are backed by large pools of residential mortgage loans or agricultural real estate loans. There is no limitation for this investment as authorized in Government Code Section 53601(e).

Certificates of Deposit:

These instruments are placed with commercial banks or savings and loan associations. They allow the City the flexibility to select the exact amount and day of maturity. CD's are subject to collateralization requirements for any amounts in excess of $100,000. Collateralization requirements for amounts exceeding $100,000 will be 110% of the deposit in government securities or 150% of pools of mortgage loans. There is no portfolio limit for this investment vehicle as authorized in Government Code Section 53649.

Negotiable Certificates of Deposits:

These are high grade instruments, paying a higher interest rate than certificates of deposit. They are liquid because they can be traded in the secondary market. NCD's are unsecured obligations of the financial institution, bank, or savings and loan, bought at par value with a promise to pay face value, plus accrued interest, at maturity. Local agencies may not invest more than 30% of their surplus monies in NCD's. Maturities range from two weeks to five years as authorized in Government Code Section S360l(h).

Bankers Acceptances:

These instruments essentially are a bill of exchange or time draft drawn on and accepted by a commercial bank. They are used to facilitate the shipment and storage of goods both internationally and within the United States. They are collateralized by the goods being shipped as well as the credit worthiness of the issuing institution. These instruments may not exceed 40% of the City's portfolio. They range in maturities from 30 to 270 days as authorized in Government Code Section 53601(f).

Commercial Paper:

These instruments are issued by leading industrial and financial firms to raise working capital. These negotiable instruments are purchased at a discount to par value. Local agencies are permitted by state law to invest in commercial paper of "prime quality" of the highest ranking or of the highest better and numerical rating as provided by a nationally recognized rating service. Investments may not exceed 30% of the City's

portfolio. Maturities range from 3 to 180 days as authorized in Government Code Section 53601(g).

Local Agency Investment Fund (LAIF) Demand Deposits:

LAIF is a special fund in the State Treasury created by Assembly Bill 3107 passed in 1977. This law permits a local government official, with the consent of the governing body of that agency, to remit or invest money in its treasury not required for its immediate need, to the State Treasurer for deposit in this fund. Principal may be withdrawn on a one-day notice. Interest earned is paid quarterly. The fees charged are limited to one-quarter of one percent of the earnings of the fund.

Passbook Savings Account:

These accounts pay a low rate of interest, compounded daily on their balances. This account allows the transfer of money from checking to savings and earn short-term on odd amounts of money which are not available for longer investments.

Repurchase and Reverse Repurchase Agreements:

These investments are essentially agreements between the local agency and seller for the purchase of securities on or before a specified date for a specified amount. Investments in a reverse repurchase agreement shall be made only upon prior approval of the Council as authorized in Government Code Section 53635. There is no legal limitation on the amount of Repurchase Agreement as authorized in Government Code Section 5360l(i).

Mutual Funds:

These investment instruments essentially represent "shares of beneficial interests issued by diversified management companies." Mutual Funds qualifying for City investment must restrict their portfolios to issues approved by the same state investment statue that defines investment alternatives for Cities. Additionally, these Mutual Funds must adhere to Federal statutes regarding the size of the Mutual Fund and its safety. Investment in this vehicle may not exceed 15% of the City's portfolio as authorized in Government Code Section 5360l(k).

Medium Term Notes:

These investment instruments represent an obligation of a domestic corporation of depository institution having a rating of "A" or better by a nationally recognized rating service. Notes may not have a maturity in excess of five years. Investments in medium term notes may not exceed 30% of the City's portfolio as authorized in Government Code Section 53601(j).

Certain Asset-Backed Securities:

These investments include mortgage pass-through securities, collateralized mortgage obligations, mortgage-backed or other pay-through bond or equipment lease-backed certificates of a maximum of five years maturity. Securities eligible for investment under this classification shall be issued by an issuer's debt as provided by a nationally recognized rating service and rated in a category of "AA" or its equivalent or better by a nationally recognized rating service. Investment in this vehicle cannot exceed 20% of the City's portfolio and is authorized in Government Code Section 53601(0).

INELIGIBLE INVESTMENTS AND PROIDBITED TRANSACTIONS:

1. Borrowing for investment purposes (or leverage).

2. Reverse Repurchase Agreements, as defined by California Government Code Sections 5360l(i) and 53635(i).

3. Investments known as structured notes (e.g. inverse floaters, averaged floaters, structured certificates of deposit, equity-linked securities).

4. Investment in any instrument which is commonly considered a "derivative" instrument (e.g. options, futures, swaps, caps, floors, collars). No investment prohibited by Government Code Sections 53601.6 or 53631.5 shall be permitted.

5. All investments shall be in U.S. dollar denominated.

6. Securities which are downgraded below the minimum acceptable rating levels must be reviewed for possible sale within a reasonable amount of time.

COLLATERALIZATION:

Collateralization will be required on two types of investments:

(1) Certificates of deposits (2) Repurchase agreements. Reverse repurchase agreement investments must have Council approval by state law, any bank or savings and loan doing business with a government agency must provide dedicated collateral for any governmental deposits it holds in excess of $100,000 insured by The Federal Deposit Insurance Corporation or Federal Savings & Loan Insurance Corporation. The collateralization process requires that the securities that serve as collateral are placed in a safekeeping account established with the Federal Home Loan Bank or bank's trust department approved by the Administrator of Local Agencies (A State of California Official).

The collateral must consist only of the following securities:

i. Governmental Securities

Federal, State or Local government obligations with a market value of at least 10% in excess of the deposits being secured.

ii. Mortgage Loans
These mortgage loans must have a market value of at least 150% of the value of the deposits being secured.

Collateral will always be held by an independent third party with whom the City has a current custodial agreement. A clearly marked evidence of ownership, safekeeping receipt, must be supplied to the City and retained by the Finance Director or designee, or Finance Department.

SAFEKEEPING:

All security transactions, including collateral agreements, entered into by the City shall be conducted on a delivery-versus-payment (DVP) basis. Securities will be held by a third-party custodian designated by the Finance Director or designee.

Repurchase agreements may be entered into on a safekeeping basis only if a master agreement with the bank or trust department providing the safekeeping is first obtained and it very clearly establishes that the bank/trust is acting as third party agent for the Finance Director or designee, not the financial institution arranging the repurchase agreements. Such third-party safekeeping arrangements will be documented with a signed agreement between the Mayor and that the financial institution does not have access to them under any circumstances.

All securities owned by the City will be held by a third party except the collateral for time deposits in banks and savings and loans. Collateral for time deposits in banks should be held in the City's name in the bank's Trust Department, or alternately in the Federal Reserve Bank. Collateral for time deposits in savings and loans is held by the Federal Home Loan Bank or an approved Agent of Depository.

DIVERSIFICATION:

It is the policy of the City to diversify its investment portfolio to avoid incurring unreasonable and avoidable risks or loss resulting from over concentration of assets in a specific maturity, insurer, or class of securities, with the exception of U.S. Treasury Securities and authorized pools. No more than 50% of the City's total investment portfolio will be invested in a single security type or with a single financial institution, with the exception of U.S. Treasury Securities and authorized pools. No more than 50% of the City's total investment portfolio will be invested in a single security type or with a single financial institution.

- The City may elect to sell a security prior to its maturity and record a capital gain or loss in order to manage the quality, liquidity or yield of the portfolio in response to market conditions or City's risk preferences.
- If securities owned by the City are downgraded by an NRSRO to a level below the

quality required by this investment policy, it will be the City's policy to review the credit situation and make a determination as to whether to sell or retain such securities in the portfolio.

- If a security is downgraded, the Finance Director or designee will use discretion in determining whether to sell or hold the security based on its current maturity, the economic outlook for the issuer, and other relevant factors.
- If a decision is made to retain a downgraded security in the portfolio, its presence in the portfolio will be monitored and reported monthly to the City Council.

Mitigating Market Risk in the Portfolio

Market risk is the risk that the portfolio value will fluctuate due to changes in the general level of interest rates. The City recognizes that, over time, longer-term portfolios have the potential to achieve higher returns. On the other hand, longer-term portfolios have higher volatility of return. The City will mitigate market risk by providing adequate liquidity for short-term cash needs, and by making longer-term investments only with funds that are not needed for current cash flow purposes.

The City further recognizes that certain types of securities, including variable rate securities, securities with principal pay downs prior to maturity, and securities with embedded options, will affect the market risk profile of the portfolio differently in different interest rate environments. The City, therefore, adopts the following strategies to control and mitigate its exposure to market risk:

- The City will maintain a minimum of six months of budgeted operating expenditures in short term investments to provide sufficient liquidity for expected disbursements.
- The maximum percent of callable securities (does not include "make whole call" securities as defined in the Glossary) in the portfolio will be 20%.
- The maximum stated final maturity of individual securities in the portfolio will be five (5) years, except as otherwise stated in this policy.

MAXIMUM MATURITIES:

California Government Code Section 53601 prohibits investments in securities which at the time of investment have a term of maturity in excess of five years unless the Council has granted authority.

To the extent possible, the Finance Director or designee will attempt to match its investments with anticipated cash flow requirements.

INTERNAL CONTROL:

The Director of Finance or designee shall establish an annual process of independent review by an external auditor. This review may be part of the City's annual financial audit performed by an independent certified public accountant which is designed to meet the requirements of the federal

Single Audit Act of 1984 and related Office of Management and Budget Circular A-133, or at any other time as determined by the Director of Finance.

The City's independent auditors shall review annually the City's investment internal controls. The auditor will review those controls designed to prevent loss of public funds arising from fraud, employee error, misrepresentation of third parties, unanticipated changes in financial markets, or imprudent actions by employees and/or officers of the City.

Controls Deemed Most Important - Include:

1. Control of collusion
2. Separation of duties
3. Separating transaction authority from accounting and recordkeeping
4. Custodial safekeeping
5. Clear delegation of authority
6. Specific limitations regarding securities losses and remedial action
7. Written confirmation of telephone transactions
8. Minimizing the number of authorized investment officials
9. Documentation of transactions and strategies
10. Code of ethics and standards

Review of the Investment Portfolio:

The Finance Director or designee shall periodically, but no less than quarterly, endeavor to review the portfolio to identify investments that do not comply with this investment policy. Minor deviations such as non-compliant concentration limits shall be reported to the City Manager. More significant deviations such as the purchase of a security with a credit rating below the minimum credit requirement, or an unauthorized security, shall be reported to the City Council.

Performance Evaluation:

The investment portfolio shall be designed to attain a market-average rate of return throughout budgetary and economic cycles, taking into account the City's risk constraints, the budgetary goals of the City, the cash flow characteristics of the portfolio, and state and local laws, ordinances or resolutions that restrict investments.

The Finance Director or designee shall monitor and evaluate the portfolio's performance relative to comparable duration/comparable average maturity benchmarks (such as U.S. Treasury bills/notes) or alternative investment options. The use of benchmarks is to provide a comparison rather than to establish a predetermined target rate of return.

Reporting and Investment Policy Adoption:

The Investment Committee shall review and update this Investment Policy annually and present the written, updated policy to the City Council for consideration and adoption as provided in

Government Code Section 53646. Quarterly Investment Reports shall be prepared and presented to the City Council for acceptance as provided in Government Code Section 53646.

PERFORMANCE STANDARDS:

The City's investment portfolio will be designed with the objective of exceeding the average Federal Funds rate. The investment program shall seek to augment returns above this threshold, consistent with risk limitations identified herein and prudent investment principles.

The Finance Director or designee's objective is to safely maximize the City investments at all times.

REPORTING:

The Finance Director or designee shall submit a monthly investment report to the City Council. This report shall disclose the following:

- Purpose of report
- Investments by totals
- Date of purchase
- Description of investment(s)
- CUSIP number
- Coupon
- Maturity date
- Ratings
- Market yield
- Market price
- Accrued interest
- Par value
- Cost basis
- Market value

COMPETITIVE BIDDING REQUIREMENT:

All purchases of investments will be placed after receiving competitive quotes from at least two financial institutions, broker/dealers, investments pools or combination thereof. Quotes will be accepted either verbally, written/faxed or electronically, or a combination thereof.

INVESTMENT PROCEDURES AND POLICY REVIEW:

The Finance Director or designee shall make investments using investment strategies which preserve the cash flow requirements of the City.

The Finance Director or designee shall regularly review the Investment Policy and shall incorporate any State of California Legislative actions that impacts allowable investment type, maturities, or per-cent allocation.

The Finance Director or designee shall regularly review banking procedures related to investments.

The Finance Director or designee shall regularly review investment reports submitted to the City by the Local Agency Investment Fund (LAIF), Trustees, and any other entities engaged to invest funds on behalf of the City.
The Finance Director or designee shall submit the Investment Portfolio and Investment Policy as required with the passage of Chapter 687, Statues of 2000 (AB 943, Dura), to the California Debt and Investment Advisory Commission for review and evaluation of City investment practices.

California Debt and Investment Advisory Commission (CDIAC) was created in 1981 with the passage of Chapter 1088, Statues of 1981 (AB 1182, Costa). This legislature established CDIAC as the state's clearinghouse for public debt issuance information and required it to assist state and local agencies with the monitoring issuances, and management of public debt. The Commission's name was changed to the California Debt and Investment Commission with the passage of Chapter 833, Statues of 1996 (AB 1197, Takasugi) and its mission was expanded to cover public investments.

INVESTMENT POLICY ADOPTION

The City's investment policy shall be adopted by resolution of the Council and any modifications made thereto must be approved by the City Council.

This policy was duly affirmed by the authority of the City Council of the City of Inglewood on September 15, 2020.

INVESTMENT POLICY GLOSSARY

Agencies: A colloquial term for securities issued by one of the federal agencies (e.g., the Federal National Mortgage Association or the Government National Mortgage Association).

Accrued Interest: On a transaction in a security, the dollar amount of interest, based upon the stated rate or rates of interest, which has accumulated on a security from (and including) the most recent interest payment date (or, in certain circumstances, the dated date or other stated date).

Amortization: The reduction of principal (of debt) at regular intervals.

Amortization of a Premium: An accounting process by which the book value of a security purchased at a premium above par is decreased during the security's holding period. The amortization reflects the decrease in the security's holding value as it approaches the redemption date.

Arbitrage: (1) generally, transactions by which securities are bought and sold in different markets at the same time for the sake of the profit arising from a difference in prices in the two markets. (2) With respect to the issuance of municipal securities, arbitrage usually refers to the difference between the interest paid on the tax-exempt securities and the interest earned by investing the security proceeds in high-yielding taxable securities. Internal revenue Service regulations govern arbitrage on the proceeds from issuance of municipal securities.

Arbitrage Bonds: Bonds which are deemed by the Internal Revenue Service to violate federal arbitrage regulations. If the Internal Revenue Service finds that bonds are "arbitrage bonds," the interest becomes taxable and therefore must be included in each bondholder's gross income for federal income tax purposes.

Asked: The price at which securities are offered.

Bankers' Acceptance (BA): A draft or bill or exchange accepted by a bank or trust company. The accepting institution guarantees payment of the bill, as well as the issuer.

Basis Points: The smallest measure used in quoting the yield of bonds. One basis point equals .01% of the yield. For Example, a bond that changed from 3% to 3.25% changed twenty-five basis points. One basis point for one year on one million dollars would earn $100.

Bid: A proposal to purchase securities at a specified price. With respect to a new issue of municipal securities, the bid specifies the interest rate(s) for each maturity and the purchase price. The purchase price is usually in tenns of par, par plus a premium or par minus a discount

Bond: A written promise to pay (debt) a specified sum of money (called principal or face value) at a specified future date (called the maturity date(s) along with the periodic interest paid at a specific percentage of the principal (interest rate). Bonds are typically used for long-term debt.

Bond Anticipation Notes: Short-term interest-bearing notes issued in anticipation of bonds to be issued at a later date. The notes are retired from proceeds of the bond issue to which they are related.

Bond Equivalent Yield (BEY): The return on a discounted security figured on a basis which permits comparison with interest-bearing securities. On a short-term (under six months) discounted security the bond equivalent yield is an annualized rate of return; on a longer-term discounted security the bond equivalent yield is determined by a computation which adjust for the absence of periodic payments over the life of the security.

Bond Proceeds: The money paid to the issuer by the purchaser or underwriter of a new issue of municipal securities. These moneys are used to finance the project or purpose for which the securities were issued and to pay certain costs of issuance as may be provided in the bond contract.

Book Value: The value at which a security is carried on the inventory lists or other financial records of an investor. This value may be the original cost of acquisition of the security, or original cost adjusted by amortization of a premium or accretion of a discount. The book value may differ significantly from the security's current value in the market.

Broker: A general term for a securities firm which is engaged in both buying and selling securities on behalf of customers and also buying and selling on behalf of its own account. The term would not be used to refer to a dealer bank or a municipal securities broker's broker.

Callable Bond: A bond which the issuer is permitted or required to redeem before the stated maturity date at a specified price, usually at or above par, by giving notice of redemption in a manner specified in the bond contract.

Call Protection: The aspects of the redemption provisions of an issue of callable securities which partially protect an investor against an issuer's call of the securities or act as a distinctive to the issuer's exercise of its call privileges. These features include restrictions on an issuer's right to call securities for a period of time after issuance (for example, an issue that cannot be called for ten years after its issuance is said to have "ten years 'call protection"'), or requirements that an issuer pay a premium redemption price for securities called within a certain period of time after issuance. The term may also be used to refer to market factors which would discourage an issuer from calling the securities (for example, a security callable at par which has a current trading market value of 70 is said to have "30 points of call protection").

Cash Flow Budget: A projection of the cash receipts and disbursements anticipated during a given time period. Typically, this projection covers a year and is broken down into separate projections for each month, week and/or day during the year.

Certificate of Deposit (CD): A time deposit with a specific maturity evidenced by a certificate. Large denomination CD's are typically negotiable.

Collateral: Securities, evidence of deposit or other property that a borrower pledges to secure repayment of a loan. Also refers to securities pledged by a bank to secure deposits of public monies.

Collateral Mortgage Obligation (CMO): Multi-class security collateralized by whole loans or regular mortgage securities whose cash flows are paid through to meet debt service on the CMO bond

Companion: A support tranche, with average life variability, that absorbs much of the risk inherent in a CMO so that the "supported tranches" are protected from prepayment risk.

Comprehensive Annual Financial Report (CAFR): The official annual report for the City of Inglewood. It includes five combined statements for each individual fund and account group prepared in the conformity with GAAP. It also includes supporting schedules necessary to demonstrate compliance with finance related legal and contractual provisions, extensive introductory material and detailed Statistical Section.

Coupon: (1) The annual rate of interest that a bond's issuer promises to pay the bondholder on the bond's face value. (2) A certificate attached to a bond evidencing interest due on a payment date.

Current Yield: The ratio of the annual dollar amount of interest paid on a security to the purchase price or market price of the security, stated as a percentage. For example, a
$1,000 bond purchased at par with an 8% coupon pays $80 per year, or a current yield of 8%. The same bond if purchased at a discount price of $800, would have a current yield of 10%.

Dealer: A dealer, as compared to a broker, acts as a principal in all transactions, buying and selling for his account.

Debenture: A bond secured only by the general credit of the issuer.

Debt Service: The amount of money necessary to pay interest on an outstanding debt, the principal of maturing serial bonds and the required contributions to a sinking fund for term bonds. Debt service on bonds may be calculated on a calendar year, fiscal year, or bond fiscal year basis.

Delivery Versus Payment (DVP): These two methods of delivery of securities: delivery versus payment and delivery versus receipt. Delivery versus payment is delivery with an exchange of money for the securities. Delivery versus receipt is delivery of securities with an exchange of a signed receipt.

Discount: The difference between the cost price of a security and its value at maturity when quoted at lower than face value. A security selling below original offering price shortly after the sale is also considered to be a discount.

Discount Securities: Non-interest-bearing money market instruments that are issued at a discount and redeemed at maturity for full face value, i.e., US Treasury bills.

Diversification: Dividing investment funds among a variety of securities offering independent returns.

Duration: The measurement of sensitivity of a security's market value or price. It is the average time until receipt of the weighted present value of the cash flows, expressed in years.

Effective Interest Rate: The actual rate of interest earned by the investor on securities, which takes into account the amortization of any premium or the accretion of any discount over the period of investment.

Factor: The decimal number representing the proportion of the outstanding principal balance of a security to its original certificate amount currently remaining.

Federal Credit Agencies: Agencies of the federal government set up to supply credit to various classes of institutions and individuals, e.g., savings and loans, small business firms, student, farmers, cooperatives, and exporters.

Federal Deposit Insurance Corporation (FDIC): A federal agency that insures bank deposits currently up to $100,000 per deposit.

Federal Funds Rate: The rate of interest at which federal funds are traded. This rate is currently pegged by the Federal Reserve through open market operations.

Federal Home Loan Banks (FHLB): The institutions that regulate and lend to savings and loan associations. The Federal Home loan Banks play a role analogous to that played by the Federal Reserve Banks vis-a-vis member commercial banks.

Federal National Mortgage Association FNMA: FNMA, like GNMA, was chartered under the Federal National Mortgage Association Act in 1938. FNMA is a federal corporation working under the auspices of the department

of Housing and Urban Development HUD. It is the largest single provider of residential mortgage funds in the United States. Fannie Mae, at the corporation is called, is a private stockholder-owned corporation. The corporation's purchases include a variety of adjustable mortgages and second loans in addition to fixed-rates mortgages. FNMA's securities are also highly liquid and are widely accepted. FNMA assumes and guarantees that all securities holders will receive timely payment of principal and interest.

Federal Reserve System: The central bank of the United States created by Congress and consisting of a seven-member Board of governors in Washington, DC, 12 regional banks, and about 5,700 commercial banks that are members of the system.

Float: The amount of money represented by checks outstanding and in the process of collection.

Freddie Mac: Mortgage-backed issuer created in July 1970.

Full Faith and Credit: A pledge of the general trucing power of a government to repay debt obligations (typically used in reference to bonds.)

General Obligation bonds: When a government pledges its full faith and credit to the repayment of the bonds it issues, then those bonds are general obligation (G)) bonds.
Sometimes the term is used to refer to bonds that are to be repaid from taxes and other general revenues.

Government National Mortgage Association (GNMA or Ginnie Mae): Securities guaranteed by GNMA and issued by mortgage bankers, commercial banks, savings and loan association and other institutions. Security holder is protected by the full faith and credit of the US government. Ginnie Mae securities are backed by FHA, VA, or FMHM mortgages. The term pass-through is often used to describe Ginnie Maes.

Internal Control: A plan of organization for purchasing, accounting, and other financial activities which, among other things, provide that: The duties of employees are subdivided so that no single employee handles a financial transaction from beginning to end; proper authorization from specific responsible officials are obtained before key steps in the processing of a transaction are completed; and records and procedures are arranged appropriately to facilitate effective control.

Investment Grade: The broad credit designation given bonds which have a high probability of being paid and minor, if any, speculative features. Bonds rated BBB or higher by Standard and Poor's Corporation or Baa or higher by Moody's Investor Service, Inc., are deemed by those agencies to be "investment grade." Banking law requires that certain types of securities acquired by bank portfolios must be both marketable and "investment grade"; it should be noted that the presence (or absence) of a rating deemed "investment grade" by rating agencies

is not necessarily indicative of a security's status for purpose of banking law.

Investments: Securities and real estate purchased and held for the production of an income in the form of interest, dividends, rentals, or base payments

Investment Instrument: The specific type of security which a government purchases and holds.

Limited Liability Bonds: When a government issues bonds that do not pledge the full faith credit of the jurisdiction, it issues limited liability bonds. Typically, pledges are made to dedicate one specific revenue source to repay these bonds, or some other special repayment arrangements are made.

Liquidity: A liquid asset is one that can be converted easily and rapidly into cash without a substantial loss of value. In the money market, a security is said to be liquid if the spread between bid and asked prices is narrow and reasonable size can be done at those quotes.

Local Government Investment Fund (LA.I. F): The aggregate of all funds from political subdivisions that are place in the custody of the State Treasurer for investment and reinvestment.

Market Value: The price at which a security is trading and could presumably be purchased or sold.

Mark-to-Market: A process whereby the value of an inventory position of securities is adjusted on a dealer's records to its current market value. Certain regulatory requirements mandate that dealers and dealer banks carry trading inventory at prices no higher than current market value

Master Repurchase Agreement: A written contract covering all future transactions between the parties to repurchase-reverse repurchase agreements that establishes each party's rights in the transactions. A master agreement will often specify, among other things, the right of the buyer-lender to liquidate the underlying securities in the event of default by the seller-borrower.

Maturity or Maturity Date: The date upon which the principal of a municipal security becomes due and payable to the security holder.

Maturity Value: The amount (other than a periodic interest payment) that will be received at the time a security is redeemed at its maturity. On most securities the maturity value equals the par value; on zero coupon, compound interest and multiplier bonds, however, the maturity value will equal the principal amount of the securities at issuance plus the accumulated investment return on the security.

Money Market: The market in which short-term debt instruments (bills, commercial paper, bankers' acceptances, etc.) are issued and traded.

Open Market Operations: Purchases and sales of government and other securities in the open market by the New York Federal Reserve Bank as directed by the FOMC in order to influence the volume of the money and credit in the economy. Purchases inject reserves in the bank system and stimulate growth of money and credit; sales have the opposite effect. Open market operations are the Federal Reserve most important most flexible monetary policy tool.

Par Value: The amount of principal which must be paid at maturity. The par value is also referred to as the face amount of a security.

Performance Standards: Specific quantitative measures of work performed within an activity or program (i.e., total interest earned). Also, a specific quantitative measure of results obtained through a program of activity (i.e. comparison of portfolio yield to six-month treasury bill).

Pool: A group of mortgages underlying specific mortgage backed security (MBS) issue.

Premium: The amount by which the price paid for a security exceeds the security's par value.

Portfolio: Collection of securities held by an investor.

Primary Dealer: A group of government securities dealers that submit daily report of market activity and positions and monthly financial statements to the Federal Reserve Bank of New York and are subject to its informal oversight. Primary dealers include Securities and Exchange Commission (SEC) registered securities brokers-dealers, banks and a few unregulated firms.

Principal Only (PO's): A tranche of only principal cash flows.

Prudent Person Rule: An investment standard. This rule assumes investments will be made with judgment and care which persons of prudence, discretion and intelligence exercise in the management of their own affairs, not for speculation, but for investment, considering the probable safety of their capital as well as the probable.

Qualified Public Depositories: A financial institution which does not claim exemption from the payment of any sales or compensating use or ad valorem taxes under the laws of this state, which has segregated for the benefit of the Public Deposit Protection Commission (PDPC) eligible collateral having a value of not less than its maximum liability and which has been approved by the PDPC to hold public deposits.

Rate of Return: The yield obtainable on a security based on its purchase price or its current market price. This may be amortized yield to maturity on a bond or the current income return.

Rating Agencies: The organizations which provide publicly available ratings of the credit quality of securities issuers. The term is most often used to refer to the two nationally recognized agencies, Moody's Investor Service, Inc., and Standard & Poor's Corporation.

Real Estate Mortgage Investment Conduit (REMIC): A pass-through tax entity that can hold mortgages, secured by any type of real property, and issue multi-class ownership interest to investors in the form of pass-through certificates, bonds or other legal forms. Since the Tax Reform Act of 1986, most all CMO's have been issued as REMIC's.

Reinvestment Risk: The Risk that a purchaser of a fixed income security incurs that are interest rates will be lower when the purchaser seeks to reinvest income received from security.

Repurchase Agreement (REPO): A holder of securities sells these securities to an investor with an agreement to repurchase them at a fixed price on a fixed date. The security "buyer" in effect lends the "seller" money for the period of the agreement, and the terms of the agreement are structured to compensate him for this. Dealers use REPOs extensively to finance their positions. Exceptions: When the Fed is said to be doing REPOs, it is lending money that is, increasing bank reserves.

Safekeeping: A service to customers rendered by banks for a fee whereby securities and valuables of all types and descriptions are held in the bank's vaults for protection.

Secondary Market: A market made for the purchase and sale of outstanding issues following the initial distribution.

Securities & Exchange Commission (SEC): Agency created by Congress to protect investors in securities transactions by administering securities legislation.

Stated Maturity: A predetermined final maturity date that cannot be altered by prepayments

Treasury Bills: A non-interest-bearing discount security issued by the US Treasury to finance the national debt. Most bills are issued to mature in three months, six months, or one year.

Treasury Notes: Intermediate term coupon bearing US Treasury securities having initial maturities of one to ten years.

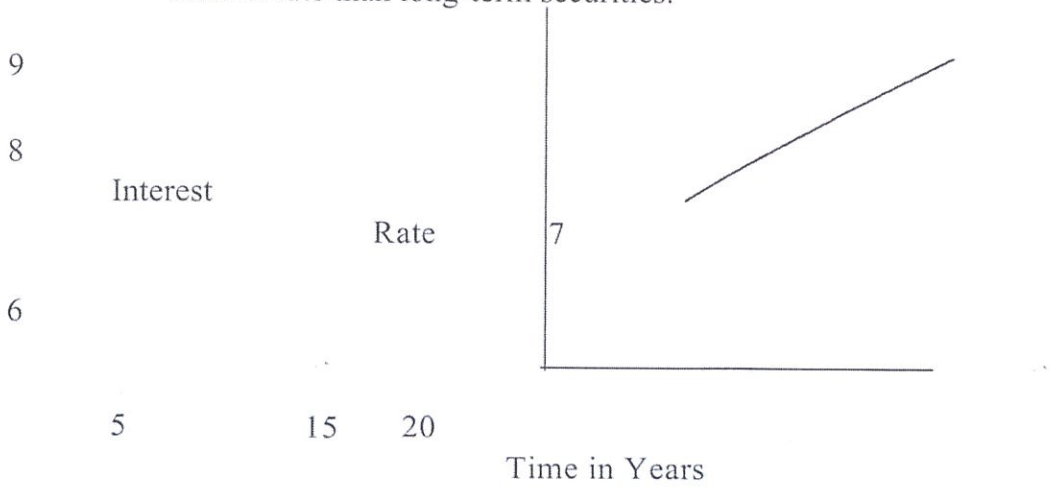
Underwriter: A dealer which purchases a new issue of municipal securities for resale. The underwriter may acquire the securities either by negotiation with the issuer or by award on basis of competitive bidding.

Weighted Average Life: The weighted average number of years from security's issuance until each principal dollar is returned to the investor.

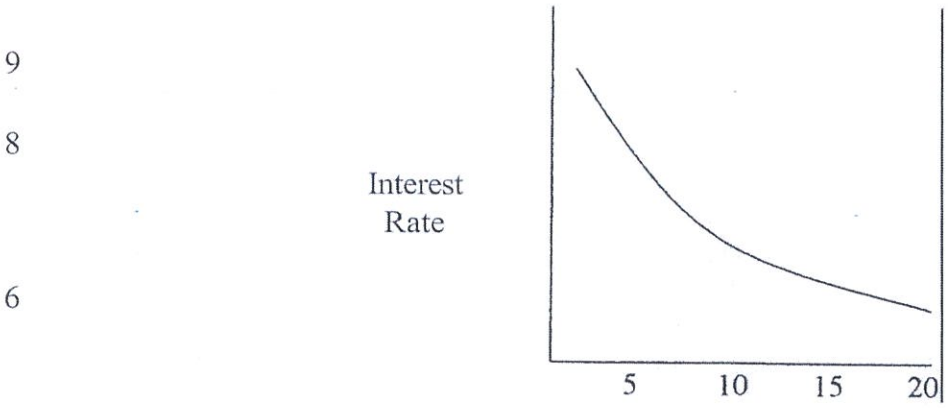
Yield: The rate of annual income returns on an investment, expressed as a percentage. Income Yield is by dividing the current dollar income by the current market price for security. Net Yield or Yield to Maturity is the current income yield minus and premium above par or plus any discount from par in the purchase price, with the adjustment spread over the period from the date of purchase to the date of maturity of the bond.

Yield Curve: A graph which plots market yields on securities of equivalent quality but different maturities, at a given point in time. The vertical axis represents the yields, while the horizontal axis depict time to maturity. The term structure of interest rates, as reflected by the yield curve, will vary according to market conditions, resulting in a variety of yield curve configurations, as follows:

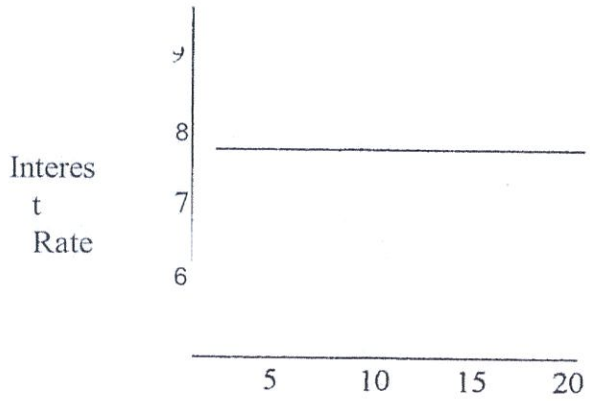
Normal or Positive Yield Curve: Indicates that short-term securities have a lower interest rate than long-term securities.



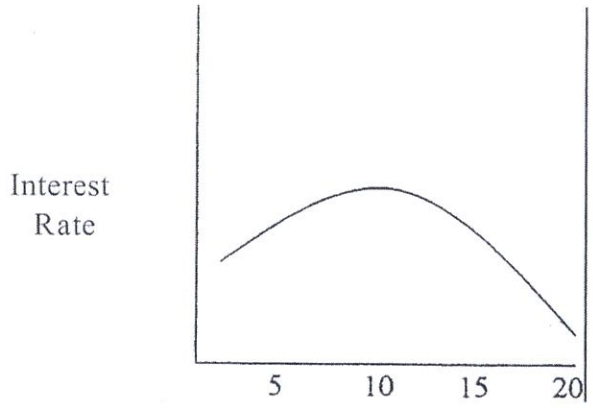
Inverted or Negative Yield Curve: Reflects the situation of short-term rates exceeding long-term rates



Flat Yield Curve: Reflects the situation when short-and long-term rates are approximately the same time



Humpbacked or Bell-Shaped Yield Curve: An unusual shape, indicating that rates are low in the early years, peak in the middle years and decline in later years.



Yield To Call: The rate of return to the investor earned from payments of principal and interest, with interest compounded semi-annually at the stated yield, presuming that the security is redeemed prior to its stated maturity date (if the security is redeemed at a premium call price the amount of the premium also reflected in the yield).

Yield To Maturity: The rate of return to the investor earned from payments of principal and interest, with interest compounded semiannually at the stated yield, presuming that the security remains outstanding until the maturity date. Yield to maturity takes into account the amount of the premium or discount, if any, and the time value of the investment

CITY'S ORIGINAL

SHORT FORM AGREEMENT
NO. 25-119

25-119 City of Inglewood
(Indicate whether City or name of the Agency)

THIS AGREEMENT is entered into this 26 day of February, 20 25, by and between the CITY OF INGLEWOOD or any of its authorized agencies ("Inglewood") and Shuster Advisory Group ("Contractor/Consultant").

IN CONSIDERATION of the performance of their mutual covenants, the parties hereto agree as follows:

1. SERVICES. Contractor/Consultant agrees to perform the services included in its proposal attached hereto as Exhibit "A" and made part hereof by this reference and/or to include the following:
investment and management advisory services

2. TIME LIMIT. Said services shall be completed prior to March 1, 20 27, (or within _____ days after Notice to Proceed). Time is of the essence of this agreement.

3. AGENCY PRECLUDED. No agency affecting or binding Inglewood shall be created by virtue of this agreement. The Contractor/Consultant shall be acting at all times as an "independent contractor" and as such shall hold Inglewood harmless for any action involving negligence or intentional tort on the part of the Contractor/Consultant.

4. COMPENSATION. Inglewood agrees to pay Contractor/Consultant the sum of $_____ upon completion of the herein designated services or (if not in one sum) payments of $_____ on _____ date(s) or in the alternative payments will be made as follows: See Exhibit A _____. In no event shall the total compensation exceed the sum of $ 100,000.

5. WORKMANLIKE MANNER. Contractor/Consultant agrees to perform all services herein in a workmanlike manner.

6. CHANGES. No change, amendment or modification to this agreement shall be effective unless it is in writing and signed by the parties hereto.

7. ADDITIONAL PROVISIONS. Exhibit "B", the attached 5 page document entitled Terms and Conditions, are incorporated herein as if set forth in full. In interpreting this Agreement and resolving any ambiguities, the main body of this Agreement takes precedence over the attached Exhibits; this Agreement supersedes any conflicting provisions. Any inconsistency between the Exhibits will be resolved in the order which the Exhibits appear below:

RE: Short Form Agreement with Shuster Advisory Group

RECOMMENDATION:
It is recommended that the City Manager approve the attached two-year agreement with Shuster Advisory Group for Investment Management and Advisory services for an annual amount of $50,000 ($100,000 total).

BACKGROUND:
The City is committed to strategically investing public funds to achieve the highest possible return while safeguarding against potential losses from market fluctuations or issuer defaults. While generating income from investments is vital, we place equal emphasis on capital preservation and maintaining adequate liquidity in our portfolio. Our investment approach is designed to comply with all state and local laws and fulfill the objectives of our Investment Policy, which prioritizes safety, liquidity, and robust returns.

To help the City achieve its investment objectives, staff sought proposals from qualified investment firms that could provide comprehensive, strategic investment guidance aligned with our financial goals, risk tolerance, and long-term objectives.

On November 7, 2024, the Purchasing staff issued a Request for Proposals-0237 (RFP) for Investment Management and Advisory Services. The RFP was published in the Inglewood Daily Newspaper (Herald Publications) and posted on the City's PlanetBids portal. Nineteen vendors were notified, and by the closing date of December 10, 2024, four proposals were submitted:

1. Chandler Asset Management, Inc.
2. PFM Asset Management
3. Ramirez Asset Management, Inc.
4. Shuster Advisory Group

City staff evaluated each proposal based on the following criteria: qualifications and experience, project summary and methodology, implementation schedule, and cost proposal. After a discussion meeting led by the Purchasing and Contracts Coordinator, Shuster Advisory Group was selected as the firm with the highest evaluation score.

DISCUSSION:
Shuster Advisory Group will provide the Human Resources Department with consulting services related to governmental and institutional fiduciary investments, focusing on compliance and private wealth management as a fiduciary for city investments; Shuster Advisory Group offers comprehensive services

that include investment selection, monitoring, management, and negotiating third-party fees on behalf of the City.

FINANCIAL/FUNDING ISSUES AND SOURCES:
Sufficient funds in the amount of $50,000 are available in the Fiscal Year 2024-2025 operating budget under account 001.099.9930.44897.00 (General fund-Non Departmental-Miscellaneous-Contract Services).

SHORT FORM CONTRACT TERMS AND CONDITIONS

PAYMENT TERMS

Standard payment shall be made by City check.

SALES TAX

The City of Inglewood is subject to the payment of sales tax. All suppliers will be required to include in your bid/price quote the City of Inglewood tax rate of 10%. If a bidder fails to include the City's tax rate in their bid, the City will add the 10% figure to the bid for evaluation purposes.

INGLEWOOD BUSINESS TAX CERTIFICATE

The vendor ("Vendor" or "Consultant") agrees to at all times during the performance of the agreement, obtain and maintain an Inglewood City Business Tax Certificate. The purchase of said Certificate must be made prior to the purchase of product and a copy forwarded to the Purchasing Division.

INSURANCE

The Consultant shall procure and maintain for the duration of the Contract, insurance against claims for injuries to persons or damages to property, which may arise from or in connection with the performance of the Work hereunder by the Consultant, his agents, representatives, employees, or subcontractors. The cost of such insurance shall be borne by the Consultant. Failure to maintain or renew coverage or to provide evidence of renewal may be treated by the City as a material breach of Contract.

MINIMUM SCOPE AND LIMIT OF INSURANCE
Coverage shall be at least as broad as:

1. **Commercial General Liability (CGL):** Insurance Services Office Form CG 00 01 covering CGL on an "occurrence" basis, including products and completed operations, property damage, bodily injury and personal & advertising injury with limits no less than **$2,000,000** per occurrence. If a general aggregate limit applies, either the general aggregate limit shall apply separately to this project/location (ISO CG 25 03 or 25 04) or the general aggregate limit shall be twice the required occurrence limit.

2. **Automobile Liability:** Insurance Services Office Form Number CA 0001 covering, Code 1 (any auto), or if Consultant has no owned autos, Code 8 (hired) and 9 (non-owned), with limit no less than $2,000,000 per accident for bodily injury and property damage.

3. **Workers' Compensation:** Insurance as required by the State of California, with Statutory Limits, and Employer's Liability Insurance with limit of no less than $1,000,000 per accident for bodily injury or disease.

4. **Professional Liability (Errors and Omissions):** Insurance appropriates to the Consultant's profession, with limit no less than $2,000,000 per occurrence or claim, $4,000,000 aggregate.

If the Consultant maintains broader coverage and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverage and/or the higher limits maintained by the contractor. Any available insurance proceeds in excess of the specified minimum limits of insurance and coverage shall be available to the City.

Other Insurance Provisions
The insurance policies are to contain, or be endorsed to contain, the following provisions:

Additional Insured Status
The City, its officers, officials, employees, and volunteers are to be covered as additional insureds on the CGL policy with respect to liability arising out of work or operations performed by or on behalf of the Consultant including materials, parts, or equipment furnished in connection with such work or operations. General liability coverage can be provided in the form of an endorsement to the Consultant's insurance (at least as broad as ISO Form CG 20 10 11 85 or both CG 20 10, CG 20 26, CG 20 33, or CG 20 38; and CG 20 37 forms if later revisions used).

Primary Coverage
For any claims related to this contract, the Consultant's insurance coverage shall be primary insurance primary coverage at least as broad as ISO CG 20 01 04 13 as respects the City, its officers, officials, employees, and volunteers. Any insurance or self-insurance maintained by the City, its officers, officials, employees, or volunteers shall be excess of the Consultant's insurance and shall not contribute with it.

Notice of Cancellation
Each insurance policy required above shall state that coverage shall not be canceled, except with notice to the City.

Waiver of Subrogation
Consultant hereby grants to the City a waiver of any right to subrogation which any insurer of said Consultant may acquire against the City by virtue of the payment of any loss under such insurance. Consultant agrees to obtain any endorsement that may be necessary to affect this waiver of subrogation, but this provision applies regardless of whether or not the City has received a waiver of subrogation endorsement from the insurer.

Self-Insured Retentions
Self-insured retentions must be declared to and approved by the City. The City may require the Consultant to purchase coverage with a lower retention or provide proof of ability to pay losses and related investigations, claim administration, and defense expenses within the retention. The policy language shall provide, or be endorsed to provide, that the self-insured retention may be satisfied by either the named insured or the City.

Acceptability of Insurers
Insurance is to be placed with insurers authorized to conduct business in the state with a current A.M. Best's rating of no less than A:VII, unless otherwise acceptable to the City.

Claims Made Policies
If any of the required policies provide coverage on a claims-made basis:

1. The Retroactive Date must be shown and must be before the date of the contractor the beginning of contract work.

2. Insurance must be maintained and evidence of insurance must be provided for at least five (5) years after completion of the contract of work.

3. If coverage is canceled or non-renewed, and not replaced with another claims-made policy form with a Retroactive Date prior to the contract effective date, the Consultant must purchase "extended reporting" coverage for a minimum of five (5) years after completion of contract work.

Verification of Coverage
Consultant shall furnish the City with original Certificates of Insurance including all required amendatory endorsements (or copies of the applicable policy language effecting coverage required by this clause) and a copy of the Declarations and Endorsement Page of the CGL policy listing all policy endorsements to the City before work begins. However, failure to obtain the required documents prior to the work beginning shall not waive the Consultant's obligation to provide them. The City reserves the right to require complete, certified copies of all required insurance policies, including endorsements required by these specifications, at any time.

Subcontractors
Consultant shall require and verify that all subcontractors maintain insurance meeting all the requirements stated herein, and Contractor shall ensure that the City is an additional insured on insurance required from subcontractors.

Special Risks or Circumstances
The City reserves the right to modify these requirements, including limits, based on the nature of the risk, prior experience, insurer, coverage, or other special circumstances.

INDEMNIFICATION

Vendor shall indemnify and hold harmless the City and its officers, employees and volunteers from and against all claims, damages, losses and expenses including attorney

fees arising out of the performance of the work described herein, caused in whole or part by any negligent act or omission of the vendor, anyone directly or indirectly employed by any of them or anyone for whose acts may be liable, except where caused by the active, sole negligence, or willful misconduct of the City.

If any action or proceeding is brought against Indemnities by reason of any act of the matters against which consultant has agreed to indemnify Indemnities as provided above, vendor, upon notice from City, shall defend Indemnities at vendor's expense by counsel acceptable to City, such acceptance not to be unreasonably withheld.

These indemnification provisions are independent of and shall not in any way be limited by the insurance requirements of this Agreement. The City approval of the insurance contracts required by this Agreement does not in any way relieve the Contractor/Consultant from liability under this Section.

NON-DISCRIMINATION

Labor Code 1735: Discrimination in employment because of race, color, etc.

No discrimination shall be made in the employment of persons at the City of Inglewood because of the race, religious creed, color, national origin, or ancestry, physical disability, medical condition, marital status, or sex of such persons except as provided in Section 12940 of the Government Code, and every vendor for the City of Inglewood violating this section is subject to all the penalties imposed for a violation of this chapter.

EXECUTION OF AGREEMENT

A bidder to whom award is made shall furnish all goods all in accordance with the provisions hereof and within the time stated in the proposal. If a bidder to whom an award is made fails or refuses to enter into the contract as herein provided or to conform to any of the stipulated requirements in connection therewith, an award may be made to the bidder whose proposal is next most acceptable to the City. Such bidder shall fulfill every stipulation embraced herein as if he/she were the party to whom the first award was made. A corporation to which an award is made will be required, before the contract is finally executed, to furnish evidence of its corporate existence, of its rights to do business in California.

TERMINATION OF AGREEMENT

The City may terminate the contract at its own discretion or when conditions encountered make it impossible or impracticable to proceed, or when the City is prevented from proceeding with the contract by law, or by official action of a public authority.

RIGHT OF CITY TO WITHHOLD PAYMENT

The City may withhold or nullify the whole or any part of any payment due the vendor to such extent as may reasonably be necessary to protect the City from loss as a result of:

A. Defective materials not remedied in accordance with provisions of specifications;

B. Claims or liens filed or reasonable evidence indicating probable filing of claims or liens; Whenever the City shall, in accordance herewith, withhold any monies otherwise due the vendor, written notice of the amount withheld and the reasons therefore shall be given the vendor, and, when the vendor shall remove the grounds for such withholding, the City will pay to the vendor, within 35 calendar days, the amount so withheld.

ACCEPTANCE OF ORDER

This Order is the City's offer to Vendor. Vendor's acceptance shall be strictly limited to the terms of this Order and the City hereby objects to any additional or different terms in Vendor's acceptance. By executing and returning to the City the Acceptance or Acknowledgment copy of this Order, or by beginning performance, Vendor accepts this order as written.

CONFLICT OF INTEREST

Vendor warrants to the best of its knowledge that the submission of any offer related to this order does not constitute a conflict of interest on terms of negotiating for or having an arrangement with any City employee or elected or appointed member of City government, including any member of the employee's immediate family who may have participated directly or indirectly in procurement process. For intentional breach or violation of this warranty, the City shall have the right, at its discretion, to annul this agreement without liability, and Vendor may be subject to damages and/or debarment or suspension.

PRICE WARRANTY

Vendor warrants that the price of the ordered products do not exceed the price charged by Vendor to any other customer purchasing the same products in like or smaller quantities, and under similar conditions of purchase.

CHOICE OF LAW/VENUE

This agreement shall be interpreted, construed and governed according to the laws of the State of California. In the event of litigation between the parties, venue in state trial courts shall lie exclusively in the County of Los Angeles, Superior Court, Southwest District, located at 825 Maple Avenue, Torrance California 90503-5058. In the event of litigation in the United States District Court, venue shall lie exclusively in the Central District of California, in Los Angeles.

I. BLANKET ADDITIONAL INSURED PROVISIONS

A. ADDITIONAL INSURED – BLANKET VENDORS

Who is An Insured is amended to include as an additional insured any person or organization (referred to below as vendor) with whom you agreed under a "written contract" to provide insurance, but only with respect to "bodily injury" or "property damage" arising out of "your products" which are distributed or sold in the regular course of the vendor's business, subject to the following additional exclusions:

1. The insurance afforded the vendor does not apply to:

   a. "Bodily injury" or "property damage" for which the vendor is obligated to pay damages by reason of the assumption of liability in a contract or agreement. This exclusion does not apply to liability for damages that the vendor would have in the absence of the contract or agreement;

   b. Any express warranty unauthorized by you;

   c. Any physical or chemical change in the product made intentionally by the vendor;

   d. Repackaging, except when unpacked solely for the purpose of inspection, demonstration, testing, or the substitution of parts under instructions from the manufacturer, and then repackaged in the original container;

   e. Any failure to make such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products;

   f. Demonstration, installation, servicing or repair operations, except such operations performed at the vendor's premises in connection with the sale of the product;

   g. Products which, after distribution or sale by you, have been labeled or relabeled or used as a container, part or ingredient of any other thing or substance by or for the vendor; or

Copyright, CNA All Rights Reserved.

h. "Bodily injury" or "property damage" arising out of the sole negligence of the vendor for its own acts or omissions or those of its employees or anyone else acting on its behalf. However, this exclusion does not apply to:

(1) The exceptions contained in Subparagraphs d. or f.; or

(2) Such inspections, adjustments, tests or servicing as the vendor has agreed to make or normally undertakes to make in the usual course of business, in connection with the distribution or sale of the products.

2. This insurance does not apply to any insured person or organization, from whom you have acquired such products, or any ingredient, part or container, entering into, accompanying or containing such products.

3. This provision 2. does not apply to any vendor included as an insured by an endorsement issued by us and made a part of this Policy.

4. This provision 2. does not apply if "bodily injury" or "property damage" included within the "products-completed operations hazard" is excluded either by the provisions of the Policy or by endorsement.

B. MISCELLANEOUS ADDITIONAL INSUREDS

1. Who Is An Insured is amended to include as an insured any person or organization (called additional insured) described in paragraphs 3.a. through 3.j. below whom you are required to add as an additional insured on this policy under a "written contract."

2. However, subject always to the terms and conditions of this policy, including the limits of insurance, we will not provide the additional insured with:

a. A higher limit of insurance than required by such "written contract;"

b. Coverage broader than required by such "written contract" and in no event greater than that described by the applicable paragraph a. through k. below; or

c. Coverage for "bodily injury" or "property damage" included within the "products-completed operations hazard." But this paragraph c. does not apply to the extent coverage for such liability is provided by paragraph 3.j. below.

Any coverage granted by this endorsement shall apply only to the extent permitted by law.

3. Only the following persons or organizations can qualify as additional insureds under this endorsement:

a. Controlling Interest

Any persons or organizations with a controlling interest in you but only with respect to their liability arising out of:

(1) such person or organization's financial control of you; or

(2) Premises such person or organization owns, maintains or controls while you lease or occupy these premises;

provided that the coverage granted to such additional insureds does not apply to structural alterations, new construction or demolition operations performed by or for such additional insured.

b. Co-owner of Insured Premises

A co-owner of a premises co-owned by you and covered under this insurance but only with respect to the co-owners liability for "bodily injury," "property damage" or "personal and advertising injury" as co-owner of such premises.

c. Grantor of Franchise

Any person or organization that has granted a franchise to you, but only with respect to such person or organization's liability for "bodily injury," "property damage," or "personal and advertising injury" as grantor of a franchise to you.

d. Lessor of Equipment

Any person or organization from whom you lease equipment, but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" caused in whole or in part by your maintenance, operation or use of such equipment, provided that the "occurrence" giving rise to such "bodily injury" or "property damage" or the offense giving rise to such "personal and advertising injury" takes place prior to the termination of such lease.

e. Lessor of Land

Any person or organization from whom you lease land, but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" arising out of the ownership, maintenance or use of that specific part of the land leased to you, provided that the "occurrence" giving rise to such "bodily injury" or "property damage" or the offense giving rise to such "personal and advertising injury," takes place prior to the termination of such lease. The insurance hereby afforded to the additional insured does not apply to structural alterations, new construction or demolition operations performed by, on behalf of or for such additional insured.

f. Lessor of Premises

An owner or lessor of premises leased to you, or such owner or lessor's real estate manager, but only with respect to liability for "bodily injury," "property damage" or "personal and advertising injury" arising out of the ownership, maintenance or use of such part of the premises leased to you, and provided that the "occurrence" giving rise to such "bodily injury" or "property damage" or the offense giving rise to such "personal and advertising injury," takes place prior to the termination of such lease. The insurance hereby afforded to the additional insured does not apply to structural alterations, new construction or demolition operations performed by, on behalf of or for such additional insured.

g. Mortgagee, Assignee or Receiver

A mortgagee, assignee or receiver of premises but only with respect to such mortgagee, assignee, or receiver's liability for "bodily injury," "property damage" or "personal and advertising injury" arising out of the ownership, maintenance, or use of a premises by you.
This insurance does not apply to structural alterations, new construction or demolition operations performed by, on behalf of or for such additional insured.

h. State or Political Subdivisions

A state or government agency or subdivision or political subdivision that has issued a permit or authorization, but only with respect to such government agency or subdivision or political subdivision's liability for "bodily injury," "property damage" or "personal and advertising injury" arising out of:

(1) The following hazards in connection with premises you own, rent, or control and to which this insurance applies:

(a) The existence, maintenance, repair, construction, erection, or removal of advertising signs, awnings, canopies, cellar entrances, coal holes, driveways, manholes, marquees, hoistaway openings, sidewalk vaults, street banners, or decorations and similar exposures; or

(b) The construction, erection, or removal of elevators; or

(c) The ownership, maintenance or use of any elevators covered by this insurance; or

(2) The permitted or authorized operations performed by you or on your behalf. But the coverage granted by this paragraph does not apply to:

(a) "Bodily injury", "property damage" or "personal and advertising injury" arising out of operations performed for the state or government agency or subdivision or political subdivision; or

(b) "Bodily injury" or "property damage" included within the "products-completed operations hazard."

With respect to this provision's requirement that additional insured status must be requested under a "written contract," we will treat as a "written contract" any governmental permit that requires you to add the governmental entity as an additional insured.

i. Trade Show Event Lessor

With respect to your participation in a trade show event as an exhibitor, presenter or displayer, any person or organization whom you are required to include as an additional insured, but only with respect to such person or organization's liability for "bodily injury," "property damage," or "personal and advertising injury" caused by:

a. Your acts or omissions; or

b. Acts or omissions of those acting on your behalf;

in the performance of your ongoing operations at the trade show premises during the trade show event.

j. Other Person or Organization

Any person or organization who is not an additional insured under paragraphs a. through i. above. Such additional insured is an insured solely for "bodily injury," "property damage" or "personal and advertising injury" for which such additional insured is liable because of your acts or omissions.

The coverage granted by this paragraph does not apply to any person or organization:

(1) For "bodily injury," "property damage," or "personal and advertising injury" arising out of the rendering or failure to render any professional services;

(2) For "bodily injury" or "property damage" included in the "products-completed operations hazard." But this provision (2) does not apply to such "bodily injury" or "property damage" if:

(a) It is entirely due to your negligence and specifically results from your work for the additional insured which is the subject to the "written contract"; and

(b) The "written contract" requires you to make the person or organization an additional insured for such "bodily injury" or "property damage"; or

(3) Who is afforded additional insured coverage under another endorsement attached to this policy.

C. ADDITIONAL PROVISIONS PERTINENT TO ADDITIONAL INSURED COVERAGE

1. With respect only to additional insured coverage provided under paragraphs A. and B. above:

a. The **BUSINESSOWNERS COMMON POLICY CONDITIONS** are amended to add the following to the Condition entitled Other Insurance:

This insurance is excess of all other insurance available to an additional insured whether primary, excess, contingent or on any other basis. However, if a "written contract" requires that this insurance be either primary or primary and noncontributing, then this insurance will be primary and non-contributory relative solely to insurance on which the additional insured is a named insured.

b. Under Liability and Medical Expense Definitions, the following definition is added:

"Written contract" means a written contract or agreement that requires you to make a person or organization an additional insured on this policy, provided the contract or agreement:

(1) Is currently in effect or becomes effective during the term of this policy; and

(2) Was executed prior to:

(a) The "bodily injury" or "property damage;" or

(b) The offense that caused the "personal and advertising injury";

for which the additional insured seeks coverage.

2. With respect to any additional insured added by this endorsement or by any other endorsement attached to this Coverage Part, the section entitled Who Is An Insured is amended to make the following natural persons insureds.

If the additional insured is:

a. An individual, then his or her spouse is an insured;

Copyright, CNA All Rights Reserved.

b. A partnership or joint venture, then its partners, members and their spouses are insureds;

c. A limited liability company, then its members and managers are insureds;

d. An organization other than a partnership, joint venture or limited liability company, then its executive officers, directors and shareholders are insureds; or

e. Any type of entity, then its employees are insureds;

but only with respect to locations and operations covered by the additional insured endorsement's provisions, and only with respect to their respective roles within their organizations. Furthermore, employees of additional insureds are not insureds with respect to liability arising out of:

(1) "Bodily injury" or "personal and advertising injury" to any fellow employee or to any natural person listed in paragraphs a. through d. above;

(2) "Property damage" to property owned, occupied or used by their employer or by any fellow employee; or

(3) Providing or failing to provide professional health care services.

II. **LIABILITY EXTENSION COVERAGES**

It is understood and agreed that this endorsement amends the Businessowners Liability Coverage Form. If any other endorsement attached to this policy amends any provision also amended by this endorsement, then that other endorsement controls with respect to such provision, and the changes made by this endorsement to such provision do not apply.

A. **Bodily Injury – Expanded Definition**

Under Liability and Medical Expenses Definitions, the definition of "Bodily injury" is deleted and replaced by the following:

"Bodily injury" means physical injury, sickness or disease sustained by a person, including death, humiliation, shock, mental anguish or mental injury by that person at any time which results as a consequence of the physical injury, sickness or disease.

B. **Broad Knowledge of Occurrence**

Under Businessowners Liability Conditions, the Condition entitled Duties In The Event of Occurrence, Offense, Claim or Suit is amended to add the following:

Paragraphs a. and b. above apply to you or to any additional insured only when such "occurrence," offense, claim or "suit" is known to:

(1) You or any additional insured that is an individual;

(2) Any partner, if you or an additional insured is a partnership;

(3) Any manager, if you or an additional insured is a limited liability company;

(4) Any "executive officer" or insurance manager, if you or an additional insured is a corporation;

(5) Any trustee, if you or an additional insured is a trust; or

(6) Any elected or appointed official, if you or an additional insured is a political subdivision or public entity.

This paragraph applies separately to you and any additional insured.

C. **Estates, Legal Representatives and Spouses**

The estates, heirs, legal representatives and spouses of any natural person insured shall also be insured under this policy; provided, however, coverage is afforded to such estates, heirs, legal representatives and spouses only for claims arising solely out of their capacity as such and, in the case of a spouse, where such claim seeks damages from marital common property, jointly held property, or property transferred from such natural person insured to such spouse. No coverage is provided for any act, error or omission of an estate, heir, legal representative or spouse outside the scope of such person's capacity as such, provided however that the spouse of a natural person Named Insured and the spouses of members or partners of joint venture or partnership Named Insureds are insureds with respect to such spouses' acts, errors or omissions in the conduct of the Named Insured's business.

D. Fellow Employee First Aid Coverage

In the section entitled Who Is An Insured, paragraph 2.a.1. is amended to add the following:

The limitations described in subparagraphs 2.a.1.(a), (b) and (c) do not apply to your "employees" for "bodily injury" that results from providing cardiopulmonary resuscitation or other first aid services to a co-"employee" or "volunteer worker" that becomes necessary while your "employee" is performing duties in the conduct of your business. Your "employees" are hereby insureds for such services. But the insured status conferred by this provision does not apply to "employees" whose duties in your business are to provide professional health care services or health examinations.

E. Legal Liability – Damage To Premises

1. Under B. Exclusions, 1. Applicable to Business Liability Coverage, Exclusion k. Damage To Property, is replaced by the following:

   k. Damage To Property

   "Property damage" to:

   1. Property you own, rent or occupy, including any costs or expenses incurred by you, or any other person, organization or entity, for repair, replacement, enhancement, restoration or maintenance of such property for any reason, including prevention of injury to a person or damage to another's property;

   2. Premises you sell, give away or abandon, if the "property damage" arises out of any part of those premises;

   3. Property loaned to you;

   4. Personal property in the care, custody or control of the insured;

   5. That particular part of any real property on which you or any contractors or subcontractors working directly or indirectly in your behalf are performing operations, if the "property damage" arises out of those operations; or

   6. That particular part of any property that must be restored, repaired or replaced because "your work" was incorrectly performed on it.

   Paragraph 2 of this exclusion does not apply if the premises are "your work" and were never occupied, rented or held for rental by you.

   Paragraphs 1, 3, and 4, of this exclusion do not apply to "property damage" (other than damage by fire or explosion) to premises:

   (1) rented to you:

   (2) temporarily occupied by you with the permission of the owner, or

   (3) to the contents of premises rented to you for a period of 7 or fewer consecutive days.

   A separate limit of insurance applies to Damage To Premises Rented To You as described in Section D – Liability and Medical Expenses Limits of Insurance.

   Paragraphs 3, 4, 5, and 6 of this exclusion do not apply to liability assumed under a sidetrack agreement.

   Paragraph 6 of this exclusion does not apply to "property damage" included in the "products-completed operations hazard."

2. Under B. Exclusions, 1. Applicable to Business Liability Coverage, the following paragraph is added, and replaces the similar paragraph, if any, beneath paragraph (14) of the exclusion entitled Personal and Advertising Injury:

   Exclusions c, d, e, f, g, h, i, k, l, m, n, and o, do not apply to damage by fire to premises while rented to you or temporarily occupied by you with permission of the owner or to the contents of premises rented to you for a period of 7 or fewer consecutive days. A separate limit of insurance applies to this coverage as described in Section D. Liability And Medical Expenses Limits Of Insurance.

Copyright, CNA All Rights Reserved.

3. The first Paragraph under item 5. Damage To Premises Rented To You Limit of the section entitled Liability And Medical Expenses Limits Of Insurance is replaced by the following:

   The most we will pay under Business Liability for damages because of "property damage" to any one premises, while rented to you or temporarily occupied by you with the permission of the owner, including contents of such premises rented to you for a period of 7 or fewer consecutive days, is the Damage to Premises Rented to You Limit. The Damage to Premises Rented to You Limit is the greater of:

   a. $1,000,000; or

   b. The Damage to Premises Rented to You Limit shown in the Declarations.

F. Personal and Advertising Injury – Discrimination or Humiliation

1. Under Liability and Medical Expenses Definitions, the definition of "personal and advertising injury" is amended to add the following:

   h. Discrimination or humiliation that results in injury to the feelings or reputation of a natural person, but only if such discrimination or humiliation is:

      (1) Not done intentionally by or at the direction of:

         (a) The insured; or

         (b) Any "executive officer," director, stockholder, partner, member or manager (if you are a limited liability company) of the insured; and

      (2) Not directly or indirectly related to the employment, prospective employment, past employment or termination of employment of any person or person by any insured.

2. Under B. Exclusions, 1. Applicable to Business Liability Coverage, the exclusion entitled Personal and Advertising Injury is amended to add the following additional exclusions:

   (15) Discrimination Relating to Room, Dwelling or Premises

   Caused by discrimination directly or indirectly related to the sale, rental, lease or sub-lease or prospective sale, rental, lease or sub-lease of any room, dwelling or premises by or at the direction of any insured.

   (16) Employment Related Discrimination

   Discrimination or humiliation directly or indirectly related to the employment, prospective employment, past employment or termination of employment of any person by any insured.

   (17) Fines or Penalties

   Fines or penalties levied or imposed by a governmental entity because of discrimination.

3. This provision (Personal and Advertising Injury – Discrimination or Humiliation) does not apply if Personal and Advertising Injury Liability is excluded either by the provisions of the Policy or by endorsement.

G. Personal and Advertising Injury - Broadened Eviction

Under Liability and Medical Expenses Definitions, the definition of "Personal and advertising injury" is amended to delete Paragraph c. and replace it with the following:

c. The wrongful eviction from, wrongful entry into, or invasion of the right of private occupancy of a room dwelling or premises that a person or organization occupies committed by or on behalf of its owner, landlord or lessor.

H. Waiver of Subrogation – Blanket

We waive any right of recovery we may have against:

a. Any person or organization with whom you have a written contract that requires such a waiver.

All other terms and conditions of the Policy remain unchanged.

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

CITY OF CARSON

701 East Carson Street

Report to Honorable Mayor and City Council

Tuesday, October 20, 2026, 5:00 PM

CONSENT 16.

To: Honorable Mayor and City Council

From: William Jefferson, Director of Finance FIN Administration

Subject: CONSIDERATION OF THE MULTIPLE EMPLOYER OPEB/PENSION SECTION 115 TRUST AND RELATED TRUST, ADMINISTRATIVE, AND INVESTMENT ADVISORY AGREEMENTS (CITY COUNCIL)

I. SUMMARY

The Finance Department requests City Council authorization for the City of Carson to participate in the Multiple Employer OPEB/Pension Section 115 Trust and to execute the related trust adoption, administrative, investment advisory, and contract services documents with Global Retirement Partners, LLC, doing business as Shuster Advisory Group, a HUB International Company, and Alta Trust Company as trustee. The proposed arrangement is intended to provide a structure for holding and investing City assets designated to fund other post-employment benefits (OPEB) and pension-related obligations. The documents identify the City of Carson OPEB Trust Account and the City of Carson Pension Stabilization Trust Account as the intended accounts.

II. RECOMMENDATION

TAKE the following actions:

1. Authorize the City's participation in the Multiple Employer OPEB/Pension Section 115 Trust, subject to final review and approval of the agreements by the City Attorney and Finance Department; and,
2. Authorize the Mayor to execute the Trust Adoption Agreement, Trust Administrative Services Agreement, Investment Advisor Agreement, and Contract Services Agreement with Global Retirement Partners, LLC d/b/a Shuster Advisory Group, a HUB International Company, and the applicable trustee documents with Alta Trust Company, in substantially the forms presented, after the fee schedule, compensation cap, and related terms have been reconciled and approved, and subject to City Attorney approval as to form; and,
3. Authorize the City Manager to execute related documents and take actions necessary to implement the agreements, provided that any material changes to compensation or other material terms are returned to the City Council for approval as required by City policy and the agreement; and,
4. RATIFY waiver of the formal bidding or competitive proposal procedures required under CMC Section 2610 pursuant to CMC Section 2611(f) piggyback purchasing.

III. ALTERNATIVES

The City Council may decline to approve the proposed trust participation and related agreements, direct staff to negotiate revised terms, or provide other direction to staff

IV. BACKGROUND

A Section 115 trust is intended to hold assets used to fund qualifying governmental obligations, including pension and Other Post-Employment Benefits (OPEB) obligations. The Trust Adoption Agreement provides that the Trust is intended to qualify as a tax-exempt trust of a state or political subdivision for an essential governmental function under Section 115 of the Internal Revenue Code.

The proposed Contract Services Agreement provides for the establishment and administration of the City's Section 115 Pension Trust Fund and investment management services. The agreement identifies the City of Riverside's *Section 115 Pension Trust Fund Administration and Investment Management Services Request for Proposal No. 2342*, dated January 8, 2024, and the consultant's proposal submitted in response to that procurement, as the basis for the proposed services. The agreement cites Section 2611(f) of the City's Municipal Code as the authority (piggybacking) for utilizing another public agency's procurement, subject to the Purchasing Manager's determination and the requirement that pricing be the same as or better than the original procurement. The Purchasing Manager has waived the City's formal bidding requirements based on piggybacking off the City of Riverside contract.

Under the proposed agreement, Alta Trust Company will serve as trustee, while Shuster Advisory Group will provide trust administration and investment advisory services. The arrangement is intended to establish a framework for managing and investing the City's pension trust assets in accordance with the City's investment objectives, applicable agreements, and an Investment Policy Statement approved by the City.

Schedule of Compensation, establishes a combined annual asset-based fee of 0.10% (10 basis points) during the initial contract term. The fee consists of 0.01% for trust administration, 0.02% for trustee services, 0.01% for custodial services, and 0.06% for investment advisory services. Fees will generally be collected quarterly, except for investment advisory fees, which will be collected monthly. The agreement further provides that fees may not be increased without the City's prior written approval and that total compensation for services may not exceed $150,000, as provided in Section 2.1 of the agreement.

The revised compensation schedule also provides for a minimum annual trustee fee of $500 per plan and a maximum of $5,000 per plan, as well as a minimum annual custodial fee of $400 per plan. Additional custodial charges may apply to non-standard assets and certain check and wire transactions in accordance with the Custodial Agreement. Trust administration fees will convert to a flat-dollar fee after the third contract year, based on the highest year-end balance during the first three contract years.

The agreement allows the City's Investment Committee to review the fees from time to time, including when the portfolio value increases by each additional $20 million, to determine whether further fee negotiations are warranted.

V. FISCAL IMPACT

Funding for the agreement is available in the fiscal year 2026/27 budget under Account No. 101-60-601-101-6004. The agreement establishes a maximum compensation amount of $150,000, with annual asset-based fees capped at 0.10% (10 basis points) during the initial term. Based on the anticipated annual cost of approximately $30,000, funding for subsequent fiscal years will be incorporated into the City's annual budget process, subject to appropriation and budget approval. Actual costs will depend on the value of the trust assets and applicable fees under the agreement.

AGREEMENT FOR CONTRACT SERVICES
BETWEEN THE CITY OF CARSON AND
GLOBAL RETIREMENT PARTNERS, LLC, a California limited liability company d/b/a SHUSTER ADVISORY GROUP, A HUB INTERNATIONAL COMPANY

THIS AGREEMENT FOR CONTRACT SERVICES (herein "Agreement") is made and entered into this ____ day of _____, 2026 by and between the CITY OF CARSON, a California municipal corporation ("City") and GLOBAL RETIREMENT PARTNERS, LLC, a California limited liability company d/b/a SHUSTER ADVISORY GROUP, A HUB INTERNATIONAL COMPANY ("Consultant"). City and Consultant are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

RECITALS

A. The City seeks to piggyback off that certain Section 115 Pension Trust Fund Administration and Investment Management Services Request for Proposal No. 2342 (RFP No. 2342) dated January 8, 2024 issued by the City of Riverside and Consultant's Proposal in response to RFP No. 2342, for administration and investment management services ("Riverside Procurement").

B. Pursuant to Section 2611(f) of the City's Municipal Code, the City is authorized to enter into this Agreement by piggybacking off the Riverside Procurement, as determined by City's Purchasing Manager. City's regulations permit piggybacking at the same or better prices than those reflected in the Riverside Procurement. If there is a conflict between the Riverside Procurement and this Agreement, this Agreement shall govern.

OPERATIVE PROVISIONS

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1. SERVICES OF CONSULTANT

1.1 Scope of Services.

In compliance with all terms and conditions of this Agreement, the Consultant shall provide those services specified in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by this reference, which may be referred to herein as the "services" or "work" hereunder. As a material inducement to the City entering into this Agreement, Consultant represents and warrants that it has the qualifications, experience, and facilities necessary to properly perform the services required under this Agreement in a thorough, competent, and professional manner, and is experienced in performing the work and services contemplated herein. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. Consultant covenants that it shall follow the highest professional standards in performing the work and services required hereunder and that all materials will be both of good quality as well as fit for the purpose intended. For purposes of this Agreement, the phrase "highest professional standards" shall mean those standards of practice recognized by one or more first-

class firms performing similar work under similar circumstances. If there is a conflict between the Scope of Services and this Agreement, this Agreement shall govern.

1.2 Consultant's Proposal.

The Scope of Service shall include the Consultant's scope of work or bid which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal and this Agreement, the terms of this Agreement shall govern.

1.3 Compliance with Law.

Consultant shall keep itself informed concerning, and shall render all services hereunder in accordance with, all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental entity having jurisdiction in effect at the time service is rendered.

1.4 Licenses, Permits, Fees and Assessments.

Consultant shall obtain at its sole cost and expense such licenses, permits and approvals as may be required by law for the performance of the services required by this Agreement. Consultant shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for the Consultant's performance of the services required by this Agreement, and shall indemnify, defend and hold harmless City, its officers, employees or agents of City, against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

1.5 Familiarity with Work.

By executing this Agreement, Consultant warrants that Consultant (i) has thoroughly investigated and considered the scope of services to be performed, (ii) has carefully considered how the services should be performed, and (iii) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, Consultant warrants that Consultant has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder. Should the Consultant discover any latent or unknown conditions, which will materially affect the performance of the services hereunder, Consultant shall immediately inform the City of such fact and shall not proceed except at Consultant's risk until written instructions are received from the Contract Officer.

1.6 Care of Work.

The Consultant shall adopt reasonable methods during the life of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and/or other components thereof to prevent losses or damages, and shall be responsible for all such damages, to persons or property, until acceptance of the work by City, except such losses or damages as may be caused by City's own negligence.

1.7 Further Responsibilities of Parties.

Both parties agree to use reasonable care and diligence to perform their respective obligations under this Agreement. Both parties agree to act in good faith to execute all instruments, prepare all documents and take all actions as may be reasonably necessary to carry out the purposes of this Agreement. Unless hereafter specified, neither party shall be responsible for the service of the other.

1.8 Additional Services.

City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Consultant, incorporating therein any adjustment in (i) the Contract Sum for the actual costs of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Consultant. Any increase in compensation of up to ten percent (10%) of the Contract Sum or $25,000, whichever is less; or, in the time to perform of up to one hundred eighty (180) days, may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively, must be approved by the City Council. It is expressly understood by Consultant that the provisions of this Section shall not apply to services specifically set forth in the Scope of Services. Consultant hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Services may be more costly or time consuming than Consultant anticipates and that Consultant shall not be entitled to additional compensation therefor. City may in its sole and absolute discretion have similar work done by other contractors. No claims for an increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

1.9 Special Requirements.

Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT.

2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed **0.10% (10 basis points) per annum** (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8.

2.2 Method of Compensation.

The method of compensation may include: (i) a lump sum payment upon completion; (ii) payment in accordance with specified tasks or the percentage of completion of the services; (iii) payment for time and materials based upon the Consultant's rates as specified in the Schedule of Compensation, provided that (a) time estimates are provided for the performance of sub tasks, (b) contract retention is maintained, and (c) the Contract Sum is not exceeded; or (iv) such other methods as may be specified in the Schedule of Compensation.

2.3 Reimbursable Expenses.

Compensation may include reimbursement for actual and necessary expenditures for reproduction costs, telephone expenses, and travel expenses approved by the Contract Officer in advance, or actual subcontractor expenses of an approved subcontractor pursuant to Section 4.5, and only if specified in the Schedule of Compensation. The Contract Sum shall include the attendance of Consultant at all project meetings reasonably deemed necessary by the City. Coordination of the performance of the work with City is a critical component of the services. If Consultant is required to attend additional meetings to facilitate such coordination, Consultant shall not be entitled to any additional compensation for attending said meetings.

2.4 Invoices.

Each month Consultant shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall also be detailed by such categories. Consultant shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by City, or as provided in Section 7.3, City will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant's correct and undisputed invoice; however, Consultant acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by City for any invoice provided by the Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.5 Waiver.

Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

ARTICLE 3. PERFORMANCE SCHEDULE

3.1 Time of Essence.

Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance.

Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the "Schedule of Performance" attached hereto as Exhibit "D" and incorporated herein by this reference. When requested by the Consultant, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding one hundred eighty (180) days cumulatively.

3.3 Force Majeure.

The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Consultant shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer's determination shall be final and conclusive upon the parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding five (5) years from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "D").

ARTICLE 4. COORDINATION OF WORK

4.1 Representatives and Personnel of Consultant.

The following principals of Consultant ("Principals") are hereby designated as being the principals and representatives of Consultant authorized to act in its behalf with respect to the work specified herein and make all decisions in connection therewith:

Mark Shuster	Investment Advisor
(Name)	(Title)

(Name)	(Title)
(Name)	(Title)

It is expressly understood that the experience, knowledge, capability and reputation of the foregoing principals were a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principals shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the services hereunder. All personnel of Consultant, and any authorized agents, shall at all times be under the exclusive direction and control of the Principals. For purposes of this Agreement, the foregoing Principals may not be replaced nor may their responsibilities be substantially reduced by Consultant without the express written approval of City. Additionally, Consultant shall utilize only competent personnel to perform services pursuant to this Agreement. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement. Consultant shall notify City of any changes in Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement, prior to and during any such performance.

4.2 Status of Consultant.

Consultant shall have no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against City, whether by contract or otherwise, unless such authority is expressly conferred under this Agreement or is otherwise expressly conferred in writing by City. Consultant shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of City. Neither Consultant, nor any of Consultant's officers, employees or agents, shall obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City's employees. Consultant expressly waives any claim Consultant may have to any such rights.

4.3 Contract Officer.

The Contract Officer shall be William Jefferson, Director of Finance, or as otherwise designated by the City Manager. It shall be the Consultant's responsibility to assure that the Contract Officer is kept informed of the progress of the performance of the services and the Consultant shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority, if specified in writing by the City Manager, to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.4 Independent Consultant.

Neither the City nor any of its employees shall have any control over the manner, mode or means by which Consultant, its agents or employees, perform the services required herein, except as otherwise set forth herein. City shall have no voice in the selection, discharge, supervision or control of Consultant's employees, servants, representatives or agents, or in fixing their number,

compensation or hours of service. Consultant shall perform all services required herein as an independent contractor of City and shall remain at all times as to City a wholly independent contractor with only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturer or a member of any joint enterprise with Consultant.

4.5 Prohibition Against Subcontracting or Assignment.

The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages.

The Consultant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) General Liability Insurance (Coverage Form ISO CGL CG 00 01 or equivalent). A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in an amount not less than $1,000,000.00 per occurrence or if a general aggregate limit is used, then the general aggregate limit shall be twice the occurrence limit.

(b) Worker's Compensation Insurance. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Consultant against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Consultant in the course of carrying out the work or services contemplated in this Agreement, with Employer's Liability insurance coverage limits of at least $1,000,000.00.

(c) Automotive Insurance (Coverage Form ISO CA 00 01 including "any auto" and endorsement CA 0025 or equivalent). A policy of comprehensive automobile liability

insurance written on a per occurrence for bodily injury and property damage in an amount not less than $1,000,000. Said policy shall include coverage for owned, non-owned, leased, hired cars and any automobile.

(d) Professional Liability. Professional liability insurance appropriate to the Consultant's profession, as determined by the City's Risk Manager, provided that the limits shall be no less than $1,000,000 per claim and no less than $1,000,000 general aggregate. This coverage may be written on a "claims made" basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of Consultant's services or the termination of this Agreement. During this additional 5-year period, Consultant shall annually and upon request of the City submit written evidence of this continuous coverage.

(e) Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall include all of the requirements stated herein.

(f) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit "B".

(g) Broader Coverages and Higher Limits. Notwithstanding anything else herein to the contrary, if Consultant maintains broader coverages and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverages and/or higher limits maintained by Consultant.

5.2 General Insurance Requirements.

All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents may apply in excess of, and not contribute with Consultant's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. Moreover, the insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention.

All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Consultant shall, prior to the cancellation date, submit new evidence of insurance in conformance with Section 5.1 to the Contract Officer.

No work or services under this Agreement shall commence until the Consultant has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsements to all required insurance policies at any time. Any failure to comply

with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

All certificates shall name the City as additional insured (providing the appropriate endorsement) and shall conform to the following "cancellation" notice:

> CANCELLATION:
>
> SHOULD ANY OF THE ABOVE DESCRIBED POLICIES BE CANCELLED BEFORE THE EXPIRATION DATED THEREOF, THE ISSUING COMPANY SHALL MAIL THIRTY (30)-DAY ADVANCE WRITTEN NOTICE TO CERTIFICATE HOLDER NAMED HEREIN.
>

City, its respective elected and appointed officers, directors, officials, employees, agents and volunteers are to be covered as additional insureds as respects: liability arising out of activities Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or any automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, and their respective elected and appointed officers, officials, employees or volunteers. Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

Any deductibles or self-insured retentions must be declared to and approved by City. At the option of City, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City or its respective elected or appointed officers, officials, employees and volunteers or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims. The Consultant agrees that the requirement to provide insurance shall not be construed as limiting in any way the extent to which the Consultant may be held responsible for the payment of damages to any persons or property resulting from the Consultant's activities or the activities of any person or persons for which the Consultant is otherwise responsible nor shall it limit the Consultant's indemnification liabilities as provided in Section 5.3.

In the event the Consultant subcontracts any portion of the work in compliance with Section 4.5 of this Agreement, the contract between the Consultant and such subcontractor shall require the subcontractor to maintain the same policies of insurance that the Consultant is required to maintain pursuant to Section 5.1, and such certificates and endorsements shall be provided to City.

5.3 Indemnification.

To the full extent permitted by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative,

arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Consultant is legally liable ("indemnitors"), or arising from Consultant's or indemnitors' reckless or willful misconduct, or arising from Consultant's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

(a) Consultant will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorneys' fees incurred in connection therewith;

(b) Consultant will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of Consultant hereunder; and Consultant agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

(c) In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Consultant for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Consultant hereunder, Consultant agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorneys' fees.

Consultant shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Consultant shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This indemnification includes claims or liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Consultant in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City's sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Consultant and shall survive termination of this Agreement.

5.4 Sufficiency of Insurer.

Insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A-" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the Risk Manager of the City ("Risk

Manager") due to unique circumstances. If this Agreement continues for more than 3 years duration, or in the event the Risk Manager determines that the work or services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Consultant agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt of written notice from the Risk Manager.

ARTICLE 6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records.

Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. Any and all such documents shall be maintained in accordance with generally accepted accounting principles and shall be complete and detailed. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the City shall have access to such records in the event any audit is required. In the event of dissolution of Consultant's business, custody of the books and records may be given to City, and access shall be provided by Consultant's successor in interest. Notwithstanding the above, the Consultant shall fully cooperate with the City in providing access to the books and records if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 Reports.

Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement as the Contract Officer shall require. Consultant hereby acknowledges that the City is greatly concerned about the cost of work and services to be performed pursuant to this Agreement. For this reason, Consultant agrees that if Consultant becomes aware of any facts, circumstances, techniques, or events that may or will materially increase or decrease the cost of the work or services contemplated herein or, if Consultant is providing design services, the cost of the project being designed, Consultant shall promptly notify the Contract Officer of said fact, circumstance, technique or event and the estimated increased or decreased cost related thereto and, if Consultant is providing design services, the estimated increased or decreased cost estimate for the project being designed.

6.3 Ownership of Documents.

All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials (the "documents and materials") prepared by Consultant, its employees, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of

ownership use, reuse, or assignment of the documents and materials hereunder. Any use, reuse or assignment of such completed documents for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant, and Consultant's guarantee and warranties shall not extend to such use, reuse or assignment. Consultant may retain copies of such documents for its own use. Consultant shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom. Moreover, with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City.

6.4 Confidentiality and Release of Information.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the Contract Officer.

(b) Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant gives City notice of such court order or subpoena.

(c) If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorneys fees, caused by or incurred as a result of Consultant's conduct.

(d) Consultant shall promptly notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under. City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law.

This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions

concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

7.2 Disputes; Default.

In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, the City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under this Article. Any failure on the part of the City to give notice of the Consultant's default shall not be deemed to result in a waiver of the City's legal rights or any rights arising out of any provision of this Agreement.

7.3 Retention of Funds.

Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, or any indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of the Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.4 Waiver.

Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

7.5 Rights and Remedies are Cumulative.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Legal Action.

In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code Sections 905 et. seq. and 910 et. seq., in order to pursue a legal action under this Agreement.

7.7 Termination Prior to Expiration of Term.

This Section shall govern any termination of this Agreement except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to Consultant, except that where termination is due to the fault of the Consultant, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, Consultant may terminate this Agreement if and only if all of the following criteria are met: (i) City is in default under the terms of this Agreement; (ii) Consultant has given City thirty (30) days' written notice (or longer, if circumstances warrant) of the default and the reasons for the default; and (iii) City has failed to cure the default within said cure period. Upon receipt of any notice of termination, Consultant shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Consultant has initiated termination, the Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer, except as provided in Section 7.3. In the event the Consultant has initiated termination, the Consultant shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder. In the event of City's termination without cause pursuant to this Section, the City need not provide the Consultant with the opportunity to cure pursuant to Section 7.2.

7.8 Termination for Default of Consultant.

If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such

damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City therefor.

7.9 Attorneys' Fees.

If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees.

No officer or employee of the City shall be personally liable to the Consultant, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest.

Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the Contract Officer. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which affects her/his financial interest or the financial interest of any corporation, partnership or association in which (s)he is, directly or indirectly, interested, in violation of any State statute or regulation. The Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination.

Consultant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of

this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

8.4 Unauthorized Aliens.

Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, *et seq.*, as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Consultant so employ such unauthorized aliens for the performance of work and/or services covered by this Agreement, and should any liability or sanctions be imposed against City for such use of unauthorized aliens, Consultant hereby agrees to and shall reimburse City for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by City.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices.

Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of Carson, 701 East Carson, Carson, California 90745 and in the case of the Consultant, to the person(s) at the address designated on the execution page of this Agreement. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

9.3 Counterparts.

This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Agreement.

9.4 Integration; Amendment.

This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the parties. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. No amendment to or modification

of this Agreement shall be valid unless made in writing and approved by the Consultant and by the City Council. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.

9.5 Severability.

In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 Warranty & Representation of Non-Collusion.

No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. The determination of "financial interest" shall be consistent with State law and shall not include interests found to be "remote" or "non-interests" pursuant to Government Code Sections 1091 or 1091.5. Consultant warrants and represents that it has not paid or given, and will not pay or give, to any third party including, but not limited to, any City official, officer, or employee, any money, consideration, or other thing of value as a result or consequence of obtaining or being awarded any agreement. Consultant further warrants and represents that (s)he/it has not engaged in any act(s), omission(s), or other conduct or collusion that would result in the payment of any money, consideration, or other thing of value to any third party including, but not limited to, any City official, officer, or employee, as a result of consequence of obtaining or being awarded any agreement. Consultant is aware of and understands that any such act(s), omission(s) or other conduct resulting in such payment of money, consideration, or other thing of value will render this Agreement void and of no force or effect.

INVESTMENT ADVISOR AGREEMENT
MULTIPLE EMPLOYER OPEB/PENSION 115 TRUST

This agreement ("Agreement") is entered into between **Global Retirement Partners, LLC d/b/a Shuster Advisory Group, a HUB International Company** ("SHUSTER"), a California limited liability company, and **City of Carson** ("EMPLOYER") as further identified on Appendix A., as the responsible plan fiduciary for the **Plan(s)** as further identified in Appendix A, desires to engage SHUSTER to provide the services described in this Agreement according to the terms of this Agreement.

1. **Fiduciary Authority.** The account for which SHUSTER is providing investment advisory service is part of a multiple employer trust intended to qualify as a tax-exempt trust of a state or political subdivision thereof for an essential governmental function within the meaning of Section 115 of the Code and any regulations issued thereunder and the EMPLOYER has fiduciary authority with respect to the account for the employer.

2. **Term.** The term of this Agreement will commence **September 15, 2026.**

3. **Services.** SHUSTER agrees to perform the Fiduciary Services described in Appendix B.

4. **Fees.**

   (A) The compensation, direct and indirect, of SHUSTER for the performance of the Services is described in Appendix C.

5. **Fiduciary Status: Limitations on Functions.** EMPLOYER acknowledges that:

   (A) In performing the Fiduciary Services, SHUSTER is acting as an investment fiduciary of the Plan and as a registered investment advisor under the Investment Advisers Act of 1940.

   (B) In performing Fiduciary Services, SHUSTER does not act as, nor has SHUSTER agreed to assume the duties of, a trustee or the Plan Administrator, and SHUSTER has no discretion or responsibility to interpret the Plan documents, to determine eligibility or participation under the Plan, or to take any other action with respect to the management, administration or any other aspect of the Plan.

   (C) SHUSTER does not provide legal or tax advice.

   (D) Investments are subject to various market, political, currency, economic, and business risks, and may not always be profitable. As a result, SHUSTER does not and cannot guarantee financial results.

   (E) SHUSTER may, by reason of performing services for other employers, from time to time acquire confidential information. EMPLOYER acknowledges and agrees that SHUSTER is unable to divulge to the EMPLOYER or any other party, or to act upon, any such confidential information with respect to its performance of this Agreement.

   (F) SHUSTER is entitled to rely upon all information provided to SHUSTER (whether financial or otherwise) from reputable third parties or by EMPLOYER, EMPLOYER's representatives or third-party service providers to EMPLOYER, the Plan or SHUSTER, without independent verification. EMPLOYER agrees to promptly notify SHUSTER in writing of any material change in the financial and other information provided to SHUSTER and to promptly provide any such additional information as may be reasonably requested by SHUSTER.

(G) EMPLOYER understands that SHUSTER: (i) may perform other services for other clients, (ii) may charge a different fee for other clients, and (iii) may give advice and take action that is different for each client even when retirement plans are similar.

(H) SHUSTER has no responsibility to provide any services related to assets not included in the SHUSTER investment portfolio or purchased directly by EMPLOYER. Such assets shall be referred to collectively as "Excluded Assets." The Excluded Assets shall be disregarded in determining the Fees payable to SHUSTER pursuant to this Agreement, and the Fees shall be calculated only on the remaining assets (the "Included Assets").

6. **Representations of EMPLOYER.** EMPLOYER represents and warrants as follows:

(A) It is the responsible plan fiduciary for the control and/or management of the assets of the Plan, and for the selection and monitoring of service providers for the Plan. SHUSTER is entitled to rely upon this statement until notified in writing to the contrary.

(B) The person signing the Agreement on behalf of EMPLOYER has all necessary authority to do so.

(C) The execution of this Agreement and the performance thereof is within the scope of the investment authority authorized by the governing instrument and/or applicable laws. The signatory on behalf of EMPLOYER represents that the execution of the Agreement has been duly authorized by appropriate action and agrees to provide such supporting documentation as may be reasonably required by SHUSTER.

(D) The Plan and related Trust permit payment of fees out of Plan assets. EMPLOYER has determined that the fees charged by SHUSTER are reasonable and are the obligation of the Plan; however, if EMPLOYER desires, it may pay the fees directly, rather than with Plan assets.

7. **Representations of SHUSTER.** SHUSTER represents and warrants as follows:

(A) SHUSTER is registered as an investment adviser ("RIA") under the Investment Advisers Act of 1940.

(B) The person signing this agreement on behalf SHUSTER has the power and authority to enter into and perform this Agreement.

(C) SHUSTER agrees to take reasonable steps to protect private participant information and plan investment data (collectively "Data") in its possession;

SHUSTER is not responsible for the assessment of systems and procedures of third parties for the protection of Plan and participant Data;

SHUSTER is not responsible for the actions by, or the failure to act by EMPLOYER, by other service providers, or by Plan participants to protect Data;

SHUSTER shall have no liability in the event of a Data breach or a violation of participant privacy rights (under the California Consumer Privacy Act or otherwise) unless said breach is the direct result of negligence, recklessness, or willful misconduct of an employee of SHUSTER.

8. **Standard of Care.** SHUSTER will perform the Fiduciary Services described in Appendix B to the Plan in accordance with the standard of care of the prudent man rule set forth in ERISA Section 404(a)(1)(B).

9. **Termination.** Either party may terminate this Agreement upon 30 days prior written notice to the other party. Such termination will not, however, affect the liabilities or obligations of the parties arising from transactions initiated prior to such termination, and such liabilities and obligations (together with the provisions of section 8, 17, and 18) shall survive any expiration or termination of this Agreement. Upon termination, SHUSTER will

have no further obligation under this Agreement to act or advise EMPLOYER with respect to services under this Agreement.

10. **Receipt of Disclosure and Consent to Electronic Delivery.** EMPLOYER acknowledges receipt and undertakes to review and consider the disclosures made by SHUSTER (including in this Agreement, the Form ADV Part 2 and SHUSTER Privacy Policy), in particular the portions related to services, compensation, and potential conflicts of interest, as well as the remainder of the disclosures concerning, among other matters, background information such as educational and business history, business practices such as the types of advisory services provided, the methods of securities analysis used, and the like.

    Further, EMPLOYER consents to electronic delivery (via email or other generally accepted method) of current and future distributions of SHUSTER's Form ADV Part 2 and Privacy Policy. Consent to electronic delivery may be canceled at any time by sending a written request to SHUSTER.

11. **Notices.** Any and all notices required or permitted under this Agreement shall be in writing and shall be sufficient in all respects if (i) delivered personally, (ii) mailed by registered or certified mail, return receipt requested and postage prepaid, or (iii) sent via a nationally recognized overnight courier service to the EMPLOYER's address listed on Appendix A and SHUSTER's address, 155 N. Lake Ave, Ste. 950, Pasadena, CA 91101, or such other address as any party shall have designed by notice in writing to the other party.

12. **Assignability.** This Agreement is not assignable by either Party hereto without the prior written consent of the other Party.

13. **Effect.** This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective heirs, successors, survivors, administrators and assigns.

14. **Entire Understanding and Modification.** This Agreement constitutes and contains the entire understanding between the parties and supersedes all prior oral or written statements dealing with the subject matter herein. This Agreement can be amended or modified by the written consent of the Parties.

15. **Severability.** If any one or more of the provisions of this Agreement shall, for any reason, be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Agreement and this Agreement shall be enforced as if such illegal or invalid provision had not been contained herein.

16. **Headings.** All headings used herein are for ease of reference only and in no way shall be construed as interpreting, decreasing or enlarging the provisions of this Agreement.

17. **Applicable Law; Forum.** The laws of the State of California shall govern this Agreement in all respects, including but not limited to the construction and enforcement thereof, unless otherwise preempted or superseded by federal law.

18. Non-Binding Mediation. In the event of a dispute under this Agreement, any party may give the other Party written notice of any dispute not resolved in the normal course of business. In the event that any dispute is not settled within 30 days after written notice, each party agrees to submit to non-binding mediation prior to the commencement of any legal or administrative proceeding against each other arising out of or relating to this Agreement, its enforcement or interpretation, or because of an alleged breach, default, or misrepresentation in connection with any of its provisions. If the parties are unable to agree upon an individual to serve as a mediator, they shall each select an attorney or other individual recognized as an approved mediator, and those two individuals shall jointly agree upon the selection of a third individual who shall alone serve as a mediator. The costs of mediation shall be shared equally. If such a dispute is not resolved by such non-binding mediation, the parties shall have the right to resort to any remedies permitted by law. All defenses based on passage of time shall be tolled during the mediation.19 Amendment Process. The Agreement may be modified, by written agreement of both EMPLOYER and SHUSTER.

20 Waiver of Limitation. Nothing in this Agreement shall in any way constitute a waiver or limitation of any rights which EMPLOYER or Plan or any other party may have under federal or state securities laws.

This Agreement constitutes both an agreement between the parties and a disclosure statement. The Parties have caused this Agreement to be executed by their duly authorized officers as of the date set forth above. This Agreement shall not be binding on SHUSTER or the EMPLOYER until each has accepted it, in writing, as indicated by their signatures below.

APPENDIX B – FIDUCIARY SERVICES

SHUSTER will perform the following fiduciary services:

1. Development of an Investment Policy Statement (IPS). The IPS establishes the investment policies and objectives for the Plan(s) as well as the criteria and standards for selecting and monitoring the investments. The EMPLOYER shall have the ultimate responsibility and authority to establish such policies and objectives and to adopt the Investment Policy Statement.

2. Consistent with the Investment Policy Statement, SHUSTER will select the initial investments within the Plan(s).

3. SHUSTER will periodically review the investments within the Plan(s) and shall be responsible for making additions/deletions thereto.

4. SHUSTER will provide periodic investment advisory reports that document consistency of fund management and performance to the guidelines set forth in the IPS. Reports to include: Market Overview, In-Depth Portfolio Summary, Plan Asset Allocation Analysis and Fund Performance Comparison to the Index.

5. Meet with EMPLOYER on a periodic basis to discuss reports and recommendations.

6. Annually review the IPS with the EMPLOYER to ensure it continues to meet the EMPLOYER's needs.

LIMITATIONS ON FIDUCIARY SERVICES

SHUSTER shall not be responsible or liable for the recommendations of, or services rendered by, anyone other than SHUSTER. The ability to perform the above services is contingent upon the rules, policies, processes, and responsiveness to SHUSTER's requests for information of EMPLOYER, Plan Sponsor, Custodian, and Trustee.

APPENDIX C - FEE SCHEDULE

1. SHUSTER will not receive any other compensation, direct or indirect, for its services under this agreement. If SHUSTER receives any other compensation for Services, SHUSTER will disclose the amount of such compensation, the services provided for such compensation, the payer of such compensation, and a description of SHUSTER's arrangement with the payer to the EMPLOYER and will offset that compensation against its stated fees.
2. All fees are billed in arrears.
3. The initial fee will be prorated for the number of days included in the initial billing period from the effective payment start date.
4. If this Agreement is terminated prior to the end of a billing period, SHUSTER shall be entitled to a fee, prorated for the number of days in the billing period prior to the effective date of termination.
5. All fees will be due and payable within 30 days and are payable to "Shuster Advisory Group, LLC"
6. The annual fee for services shall be as follows:

   Beginning with the effective date of this Agreement, the annual fee for service shall be 0.06% (6 basis points) per annum, charged as 0.005% monthly to all included assets in each Plan as of the date of the calculation. Fees will be deducted from Plan assets and will be paid to SHUSTER by the Trust/Custodian for the Plan(s).

   At SHUSTER's discretion the billing period described above may be adjusted to quarterly.

TRUST ADMINISTRATIVE SERVICES AGREEMENT

This agreement ("Agreement") is made this 15th day of September, 2026, by and between CITY OF CARSON (the "Employer") and SHUSTER ADVISORY GROUP, LLC (the "Trust Administrator").

WHEREAS, the Employer has adopted one or more plans, policies, or collective bargaining agreements ("Plans") in order to provide other post-employment health and welfare benefits (other than pensions) ("OPEB") and/or retirement benefits; and

WHEREAS, the Trust Administrator and Alta Trust Company (the "Trustee") have entered into an agreement (the "Trust Agreement") establishing the Multiple Employer OPEB/Pension 115 Trust (the "Trust"); and

WHEREAS, the Employer has adopted the Trust by executing the adoption agreement to which this Agreement is attached (the "Adoption Agreement"") in order to fund the OPEB and retirement benefits payable under the Plans; and

WHEREAS, the Employer wishes to retain the services of the Trust Administrator to administer the Employer's account under the Trust ("Account").

NOW THEREFORE, the Employer and the Trust Administrator hereby agree as follows:

Capitalized words not defined in this document are defined in the Trust Agreement.

1. Trust Administrator Services

The Trust Administrator will provide the following services for the Employer's Account:

1.1 Administrative Services

A. Instruct the custodian of the Account to make disbursements from the Employer's Account at the direction of the Employer for the payment of OPEB or retirement benefits under the Employer's Plans funded by the Account;

B. Verify custodian's receipt of contributions made to the Account as informed by the Employer;

C. Provide the Employer after the end of each calendar quarter with an analysis of the performance of the investments of the Account and a statement of the changes in the investments made during such calendar quarter;

D. Provide annual statements of Trust accounts;

E. Instruct the custodian to disburse funds from the Account for the payment of the fees and expenses described in Sections 2.1 and 3.2; and

F. Coordinate such other actions with the Trustee and custodian of the Account as directed by the Plan Administrator (as defined in Section 18 hereof) that are within the scope of the Trust Administrator's duties under the Trust Agreement.

1.2 Investment Management Services

A. Determine the asset allocation of investments in the Employer's Account ("Investment Strategy") based on information provided by the Employer or the Plan Administrator, including the anticipated amounts of cash required by the Plans for distributions and other expenses, and the appropriate risk tolerance for the Plans based on the Plans' asset-liability characteristics and the Employer's resources;

B. Prepare a recommended policy statement of the Account's Investment Strategy acceptable to the Employer to the extent necessary to accomplish the Account's Investment Strategy ("Investment Policy Statement");

C. Execute the Account's Investment Strategy by instructing the Trustee to buy and sell shares of investments permitted under the Trust in accordance with the Investment Policy Statement;

D. In consultation with the Employer, reassess and alter the Investment Strategy and Investment Policy Statement at least annually to the extent necessary to "rebalance" the Account investments; and

E. Perform reviews at least annually of the performance of the investments held in the Account, add or reduce allocations to each investment or add or delete investments in its judgment (to the extent permitted under the Investment Policy Statement and the Trust), and promptly advise the Employer of any additions or deletions of Account investments.

2. Compensation

2.1 Fees. For all services provided by the Trust Administrator under this Agreement and the Trustee under the Trust Agreement, the following fees will apply:

Trust Administration Fees (This Agreement)[1]:	0.01%
Trustee Fees (Trust Adoption Agreement)[2]:	0.02%
Custodial Asset Based Fee (Custodial Agreement)[3]:	0.01%
Investment Advisory Fees (Investment Advisory Agmt.):	0.06%

The total fees payable by the Employer for Trust Administration, Trustee, Custodial Asset Based and Investment Advisory services shall not exceed 0.10% (10 basis points) per annum during the initial term.

Fees will be collected quarterly other than the Investment Advisory Fee which will be collected monthly.

1 - Will convert to a flat dollar fee after the end of contract year-3 based on the highest

year-end balance of the first 3 contract years.
2 - Annual maximum fee per plan of $5,000.
3 - Annual minimum fee per plan of $400. Custodian may also charge fees related to non-standard assets, checks and wire fees outlined in the Custodial Agreement for the Plan.

No fee set forth in this Section may be increased without the prior written approval of the Employer, and in no event shall the aggregate fees exceed the maximum compensation authorized by the Employer pursuant to the procurement under which these services are obtained.

From time to time, including upon each $20 million increase in the value of the portfolio, the City's Finance Committee or Investment Committee may review the fees payable under this Agreement to determine whether such fees warrant further negotiation.

2.2 Fees for Additional Services. If and to the extent that the Employer requests the Trust Administrator to render services other than those described under this Agreement, such additional services will be compensated separately on terms to be agreed upon between the Trust Administrator and the Employer.

3. Expenses

3.1 Furnishing of Administrative Services, Office Space, Equipment and Personnel. The Trust Administrator will furnish at its own expense all necessary administrative services, office space, equipment, clerical personnel, telephone and other communication facilities, investment advisory facilities, and executive and supervisory personnel required to perform the services under this Agreement, inclusive of reasonable costs required to attend meetings with the Employer.

3.2 Expenses of Employer's Account. Except as otherwise provided in this Agreement, Employer agrees to pay all expenses under the Trust incurred by (or allocable to) the Employer's Account including, without limitation, taxes, expenses (including front- or back-end charges) of an investment fund, fees and expenses of the Account's independent auditors and legal counsel, insurance premiums, expenses of the Trustee, the keeping of books and accounts, and the allocable costs of the annual Trust accounting described in Section 9.02 of the Trust Agreement. The Trust Administrator will calculate expenses allocable to the Account on a pro-rata basis, or in any other reasonable and equitable manner determined by the Trust Administrator.

4. Payment Terms. At the end of each calendar month, the Trust Administrator will prepare and submit fees and expenses under this Agreement as described in Sections 2.1 and 3.2. Except to the extent that the Employer has elected in the Adoption Agreement to pay such fees and expenses, the Employer authorizes the Trust Administrator to charge such fees and expenses to the Employer's Account and authorizes and instructs the custodian to disburse funds from the Account for the payment of the fees and expenses. If the Employer has elected in the Adoption Agreement to pay such fees and expenses the Trust Administrator will prepare and submit monthly invoices to the Employer. If the Employer does not fully pay any invoice

within 15 calendar days after the invoice's postmark, then the Employer hereby authorizes the Trust Administrator to charge the unpaid amount to the Account and instructs the custodian to disburse such amount from the Account for the payment of the fees and expenses. If sufficient funds are not available or cannot for any reason otherwise be disbursed from the Account, the Trust Administrator will notify the Employer, and the Employer will pay the unpaid amount to the Trust Administrator from other sources within 10 calendar days after receiving the notice.

5. **Registered Advisor; Duty of Care.** The Trust Administrator hereby represents it is a registered investment advisor under the Investment Advisers Act of 1940. The Trust Administrator will immediately notify the Employer if at any time during the term of this Agreement it is not so registered or if its registration is suspended. The Trust Administrator agrees to perform its duties and responsibilities under this Agreement with reasonable care. The federal securities laws impose liabilities under certain circumstances on persons who are required to act in good faith. Nothing herein in any way constitutes a waiver or limitation of any rights which the Employer, the Trust, or the Trust Administrator may have under any federal securities laws. The Employer hereby authorizes the Trust Administrator to sign an Internal Revenue Service Form W-9 on behalf of the Employer and to deliver such form to broker-dealers or others from time to time as required in connection with securities transactions pursuant to this Agreement.

6. **Trust Administrator's Other Clients.** The Employer understands that the Trust Administrator performs investment advisory services for various other clients which may include investment companies, commingled trust funds and/or individual portfolios. The Employer agrees that the Trust Administrator, in the exercise of its professional judgment, may give advice or take action with respect to any of its other clients which may differ from advice given or the timing or nature of action taken with respect to the Account. The Trust Administrator has no obligation to purchase, sell or exchange any security for the Employer solely by reason of the fact that the Trust Administrator, its principals, affiliates, or employees may purchase, sell or exchange such security for the account of any other client or for itself or its own accounts.

7. **Risk Acknowledgment.** The Trust Administrator does not guarantee the future performance of the Account or any specific level of performance, the success of any investment decision or strategy that the Trust Administrator may use, or the success of the Trust Administrator's overall management of the Account. The Employer understands that investment decisions made for the Employer's Account by the Trust Administrator are subject to various markets, currencies, economic, political and business risks, and that those investment decisions will not always be profitable. The Employer understands that past performance does not necessarily predict future performance for the Account. The Trust Administrator will manage only the securities, cash and other investments held in Employer's Account and in making investment decisions for the Account, the Trust Administrator will not consider any other securities, cash or other investments owned by the Employer or any of the Plans. Neither the Trust Administrator nor its officers, directors, agents, employees, nor affiliates shall be liable for any losses in the Account, or any loss, cost, indebtedness, or liabilities arising from the Trust Administrator's management of the investments in the Account (together, "Losses") except for any Losses that result from an act or omission of the Trust Administrator constituting a violation of law or an act or omission of the Trust Administrator constituting gross negligence, willful misfeasance, bad faith or reckless disregard of its obligations under this Agreement or as otherwise may be provided by

law. The Trust Administrator is not responsible for any loss incurred by reason of any act or omission of the Employer, the custodian of the Account, a third party manager, any broker-dealer, or any other third party.

8. **Term of Agreement.** This Agreement will remain in effect until terminated by either party at any time by giving 60 days' written notice to the other party of its intent to terminate.

9. **Force Majeure.** The Trust Administrator has no liability for any losses arising out of the delays in performing or inability to perform the services which it renders under this Agreement which result from events beyond its control, including interruption of the business activities of the Trust Administrator or other financial institutions due to acts of God, acts of governmental authority, acts of war, terrorism, civil insurrection, riots, labor difficulties, or any action or inaction of any carrier or utility, or mechanical or other malfunction.

10. **Disciplinary Actions.** The Trust Administrator will promptly notify the Employer if the Trust Administrator is found to have violated any state or federal securities law or regulation in any criminal action or civil suit in any state or federal court or in any disciplinary proceeding before the Securities and Exchange Commission or any other regulatory agency or department of the United States, any registered securities exchange, the Financial Industry Regulatory Authority, or any regulatory authority of any State based upon the performance of services as an investment advisor.

11. **Confidentiality.** The Trust Administrator will not disclose any information relating to the Plans or the Account except to authorized officers of the Employer, the Plan Administrator the Trustee and third parties retained by the Trust Administrator to perform specific services within this Agreement without the Employer's consent. The Employer will not disclose any information relating to the Trust to individuals other than authorized officers of the Employer and the Plan Administrator, or their respective designees, without the Trust Administrator's consent.

12. **Independent Contractor.** The Trust Administrator, its employees, officers and representatives, will not be deemed to be employees, agents (except as to the purchase or sale of securities described in Section 1), partners, servants, and/or joint ventures of the Employer or the Account by virtue of this Agreement or any actions or services rendered under this Agreement.

13. **Records.** The Trust Administrator will maintain appropriate records of all its activities hereunder. The Trust Administrator will use its best efforts to provide the Employer with a statement within 60 days following the end of each calendar quarter showing deposits, withdrawals, purchases and sales (or maturities) of investments, earnings received during the quarter, and the value of assets held on the last business day of the calendar quarter, all as provided for in the Trust Agreement, based on the information requested from and furnished to it by the Trustee.

14. **Ownership of Reports and Documents.** The Trust Administrator acknowledges that the originals of all correspondence, documents, reports and records produced in the course of providing the services pursuant to this Agreement are the property of the Employer. In the event this Agreement is terminated, the Trust Administrator agrees to provide such originals to the Employer. The Trust Administrator will not furnish copies of any such correspondence, documents reports and records to any party other than the

Employer or the Plan Administrator, or their respective designees, or third parties retained by the Trust Administrator to perform services under this Agreement without the Employer's consent. Notwithstanding the preceding provisions of this paragraph, the Trust Administrator is authorized to retain copies of any correspondence, documents, reports, and records to the extent needed to comply with applicable law, including, but not limited to, federal securities laws.

15. Trust Administrator's Disclosure Statement. The Trust Administrator warrants that it has delivered to the Employer, at least 48 hours prior to the execution of this Agreement, the Trust Administrator's current Securities and Exchange Commission Form ADV, Part II. The Employer acknowledges receipt of such disclosure statement at least 48 hours prior to the execution of this Agreement.

16. Amendment. This Agreement shall not be changed, modified, terminated or discharged in whole or in part, except by an instrument in writing signed by both parties hereto, or their respective successors or assigns.

17. Successors and Assigns. The provisions of this Agreement are binding on the Trust Administrator and its respective successors and assigns, provided, however, that the rights and obligations of the Trust Administrator may not be assigned without the Employer's consent.

18. Designees. In accordance with Section 1.18 of the Trust Agreement, the Employer will certify to the Trust Administrator in writing the persons or entity with the plenary authority pursuant to applicable state law over the investment and management of the Employer's Plans or its designee ("Plan Administrator"). The Plan Administrator has the authority to act on behalf of, and to exercise any of the rights of, the Employer under this Agreement. The Trust Administrator may designate and engage the services of such agents, representatives, advisors, counsel, accountants and other third parties, including affiliates of the Trust Administrator, and delegate its authority to perform specified services under this Agreement to such third parties. Any such designee shall have the authority to perform the services delegated to it by the Trust Administrator. Any officer of the Trust Administrator has the authority to exercise any of the rights of the Trust Administrator under this Agreement.

19. Notice. Written notices required under this Agreement will be sent by regular mail, certified mail, overnight delivery or courier, and will be deemed given when received at the parties' respective addresses shown below. Either party must notify the other party in writing of a change in address.

Employer's Address:

City of Carson
701 E Carson Street
Carson, CA 90745
Attn: City Manager

Trust Administrator's Address:

Shuster Advisory Group, LLC
155 N. Lake Ave, #950

Attn: Mark Shuster, Managing Member

20. Applicable Law. This Agreement will be construed, enforced and administered according to the laws of the state of California, without regard to its conflicts of law principles. In the event that either party institutes legal proceedings against the other, the venue will lie in any court of competent jurisdiction in the state of California.

21. Entire Agreement. This Agreement, including exhibits and any other documents referenced herein, constitutes the entire agreement of the parties with respect to the subject matter of this Agreement, and supersedes all prior negotiations, agreements, and understandings, whether written or oral, with respect thereto.

22. Severability. If any provision of this Agreement is held by any court of competent jurisdiction to be invalid or unenforceable, the remaining provisions of the Agreement will continue in full force and effect.

23. Counterparts. This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed will be deemed to be a complete original and all of which together will constitute one and the same Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their authorized officers on the date set forth in the first paragraph of this Agreement.

ARTICLE 8

STANDARD OF CARE AND INDEMNIFICATION

8.1 Standard of Care. The Trustee and the Trust Administrator must discharge their duties in accordance with the standard of care set forth in Section 6.01 of the Trust.

8.2 Employer Indemnification of Trustee. The Employer, from its own funds and not from any assets of the Trust, agrees to indemnify the Trustee and each of its affiliates against, and will hold them harmless from, any and all loss, claims, liability, and expense, including cost of defense and reasonable attorneys' fees, imposed upon or incurred at any time by any of them by reason of or in connection with the performance of the Trustee's services under this Agreement, except to the extent such damages resulted from the Trustee's or affiliate's performance (or non-performance) of its duties under the Trust in a manner that constitutes willful misconduct or willful breach of the standard of care articulated in Section 6.01 of the Trust.

8.3 Employer Indemnification of Trust Administrator. Employer, from its own funds and not from any assets of the Trust, agrees to indemnify the Trust Administrator and each of its affiliates against, and will hold them harmless from, any and all damages imposed upon or incurred by any of them by reason of, or in connection with its services under the Trust or the Trust Administrative Services Agreement, except to the extent that such damages resulted from the Trust Administrator's or affiliate's performance (or non-performance) of its duties under the Trust or the Trust Administrative Services Agreement in a manner that constitutes willful misconduct or willful breach of the standard of care articulated in Section 6.01 of the Trust.

8.4 8.4 Trustee Indemnification of Employer.

Trustee, from its own funds and not from any assets of the Trust, agrees to indemnify the Employer and each of its affiliates against and will hold them harmless from, any and all loss, claims, liability, and expense, including cost of defense and reasonable attorneys' fees, imposed upon or incurred at any time by any of them by reason of or in connection with the performance of the Trustee's services under this Agreement, except to the extent such damages resulted from the Employer's performance (or non-performance) of its duties under the Trust Administrative Services Agreement, that are the direct result of the negligence, willful misconduct or breach of this Agreement by the Trustee, or any of its affiliates.

8.5 Trust Administrator Indemnification of Employer. Trust Administrator, from its own funds and not from any assets of the Trust, agrees to indemnify the Employer and each of its affiliates against, and will hold them harmless from, any and all damages imposed upon or incurred by any of them by reason of, or in connection with its services under the Trust or the Trust Administrative Services Agreement, except to the extent that such damages resulted from the Employer's performance or (non-performance) of its duties under the Trust or the Trust Administrative Services Agreement, that are the direct result of the negligence, willful misconduct or breach of this Agreement by the Trust Administrator, or any of its affiliates.

ARTICLE 9

AMENDMENT

The Employer understands and agrees that the Trust may be amended from time to time by the Trust Administrator with the approval of two-thirds of the Employers then participating in the Trust.

ARTICLE 10

NO GUARANTEE OF INVESTMENT RESULTS

The Employer understands and acknowledges that investments in the Trust involve risk and that there is no guarantee of investment performance or other performance of the Trust, including but not limited to, custodians, depositories, or counterparties to investment strategies of the Trust.

ARTICLE 11

ADOPTION OF TRUST

Exhibit C – Disclosure Questionnaire

1. Introduction/Purpose

The City of Riverside ("City") is seeking a qualified entity or individual ("Company") to provide trust and investment management services to California local government agencies related to IRS Code Section 115. The City anticipates selecting one firm to perform the services.

Proposals are requested from Companies that have a demonstrated ability to perform the tasks identified in this Request for Proposal ("RFP").

2. Schedule of Events

It is the goal of the City to select and retain a Company by April 2024. In preparation for that action, the following **tentative** schedule of events has been prepared:

Event	Date	Time
Request for Proposals Released	December 13, 2023	N/A
Final Questions Due	December 20, 2023	Before 2:00pm PST
Responses to Questions Released	December 28, 2023	N/A
Proposals Due	**January 8, 2024**	**Before 5:00pm PST**
Interviews, If Needed	Week of February 5, 2024	TBD
Notification of Tentative Selection	February 2024	N/A
Tentative City Council Meeting to Consider Awarding Contract	April 2024	TBD

The City reserves the right to amend, withdraw and cancel this RFP. The City reserves the right to request or obtain additional information about any and all submittals before making an award. The City also reserves the right to seek clarification from any Proposer about any statement in its proposal that the City finds ambiguous.

3. Background

The City of Riverside is a general law city, which operates under the council/manager form of government with an annual General Fund budget of over $310 million and a total budget of over $1.2 billion for fiscal year 2023-2024. The City employs approximately 2,600 full-time employees and participates in the California Public Employees Retirement System (CalPERS) for both Miscellaneous employees and Safety employees. As of June 30, 2023, the City's pension liability amounted to approximately $351 million in unfunded pension costs and is expected to grow each year pursuant to current actuarial analyses.

4. Prerequisites

Proposals will only be considered from Companies that meet the following prerequisites:

- Have at least five (5) years' of experience, within the past ten (10) years under a legally registered business name, in providing investment trust services of a similar type and scope as described in the Scope of Services ("Services") (Exhibit "A").

- Have not filed for bankruptcy under any business name over the past five (5) years.
- Have registered as a "Prospective Bidder" on the City's electronic Current Prospective Bidders List. Companies can register at:

PlanetBids Vendor Portal

- Once registered, Companies must download this RFP by clicking "Place eBid" under their name in order to appear on the Bidder's List as a "Prospective Bidder." Companies that fail to specifically download this RFP will not appear on the Bidders' List and will be unable to participate or be considered for this RFP.
- If applicable, Company and/or its key personnel, shall hold an appropriate license for the Company's discipline and the Services on the date the Proposal is submitted.
- If applicable, Company shall have registered with the Department of Industrial Relations and any other required organizations.

5. Scope of Services

The City seeking trust and investment management services to California local government agencies related to IRS Code Section 115. The selected Company shall provide the services required in Exhibit A, Scope of Services, attached hereto and incorporated herein.

6. General Terms and Conditions

The successful company will be required to execute a Professional Consultant Service Agreement ("Agreement"). A sample is attached as Exhibit "B". The successful company must meet all insurance requirements in the Agreement. All terms and conditions of the Agreement are non-negotiable. Companies must possess valid City of Riverside Business License throughout the term on the contract. Failure to execute the Agreement and furnish the required insurance within the required time period shall be just cause for the rescission of the award. If any of the successful Companies refuse or fail to execute the Agreement, the City may award the Agreement to the next most qualified Company.

- **Subsequent Contracts**. Company's duties and services under this agreement shall not include preparing or assisting the public entity with any portion of the City's preparation of a request for proposals, request for qualifications, or any other solicitation regarding a subsequent or additional contract with the City. The City shall at all times retain responsibility for public contracting, including with respect to any subsequent phase of this project. Company's participation in the planning, discussions, or drawing of project plans or specifications shall be limited to conceptual, preliminary, or initial plans or specifications. Company shall cooperate with the City to ensure that all bidders or proposers for a subsequent contract on any subsequent phase of this project have access to the same information, including all conceptual, preliminary, or initial plans or specifications prepared by contractor pursuant to this agreement.

7. Inquiries

If prior to the date fixed for submission of Proposals, a prospective Company discovers any ambiguity, conflict, discrepancy, omission or other errors in this RFP or any of its appendices or exhibits, the Company shall immediately notify the City of such error in writing and request modification or clarification of the document. Modifications shall be made by written Addenda to the RFP.

If a Company fails to notify the City, prior to the date fixed for submissions of Proposals, of an error in the RFP known to the Company, or an error that reasonably should have been known to the Company, the Company shall submit its Proposal at its own risk, and if the Company is awarded a Contract, it shall not be entitled to additional compensation or time by reason of the error or its later correction.

All requests for clarifications, changes, exceptions, deviations to the terms and conditions set forth in this RFP must be submitted via "Q&A" through the City's Electronic Bidding System, PlanetBids Vendor Portal.

The Final day for receipt of questions from the Proposer shall be on or before the date and time stated in Section 2. Schedule of Events. To ensure fairness and avoid misunderstandings, **all communications must be in written format** and submitted **only** in the format set forth above. Any verbal communications will not be considered or responded to. All questions received by the due date will be logged and reviewed and if required, a response will be provided via an addendum to the RFP that will be posted on the City's website. **Any communications, whether written or verbal, with any City Councilmember, the Honorable Mayor, or City staff other than the individual indicated above, prior to award of a contract by City Council, is strictly prohibited and the Proposer shall be disqualified from consideration as a vendor under the terms of this RFP.**

8. Completion of Proposal

Proposals shall be completed in all respects as required by this RFP. A proposal may be rejected if conditional or incomplete, or if it contains any alterations or other irregularities of any kind, and will be rejected if any such defect or irregularity can materially affect the quality of the proposal. Proposals which contain false or misleading statements may be rejected. If, in the opinion of the City's Selection Committee, such information was intended to mislead the City in its evaluation of the proposal, and the attribute, condition, or capability is a requirement of this RFP, the proposal will be rejected. Statements made by a Company shall also be without ambiguity, and with adequate elaboration, where necessary, for clear understanding.

Unauthorized conditions, exemptions, limitations, qualifications, or provisions attached to a Proposal will render it non-responsive and will cause its rejection.

The Company, in responding to this RFP, must submit Proposals in the format identified in this RFP. The Proposal must address all requirements of the RFP even if a "no response" is appropriate.

Costs for developing Proposals are entirely the responsibility of the Company and shall not be chargeable to the City. The City shall not be liable for any costs incurred in response to this RFP, including but not limited to, costs for any interviews, presentations, or other follow-up information necessary as part of the selection process. All costs shall be borne by the Company responding to this RFP. The Company responding to this RFP shall hold the City harmless from any liability, claim, and expense whatsoever incurred by or on behalf of the Company.

9. Delivery/Submission of Proposals

Proposal Due Date/Time: As stated in Section 2. Schedule of Events.

All prospective Companies submitting a proposal must appear on the City's electronic Current Prospective Bidders List as a "Prospective Bidder." Companies shall register on the City's Electronic Bidding System, PlanetBids Vendor Portal. Once registered, Companies must **download the RFP by clicking "Place eBid" while logged in** under their own name and identification number to appear on the Current Prospective Bidders List as a "Prospective Bidder." Companies that fail to download the RFP by clicking "Place eBid" will not appear on the Current Prospective Bidders List and their proposals will be considered non-responsive. If a Company is unable to register or download the RFP from the bidding website, a representative may contact Planet Bids at (818) 992-1771.

All proposal documents and supplementary documents must be uploaded using the City's bidding website prior to event date and time as instructed in this solicitation. Once file(s) have been uploaded and the Submission Status shows as "Submitted" the submission is complete. At that point respondents will receive an email confirmation from the bidding website.

The City reserves the right to reject any and all proposals and to waive information and minor irregularities in any proposal received.

Acceptance of Terms and Conditions – Submission of a proposal pursuant to this RFP shall constitute acknowledgment and acceptance of all terms and conditions hereinafter set forth in this RFP.

The time and date are fixed, and extensions will not be granted unless specifically stated by the City in an addendum to this RFP. Proposals not received before the bid event time will not be accepted.

10. Alternative Proposals

Only one proposal is to be submitted by each Company for this RFP. Multiple simultaneous proposals will result in rejection of all Proposals submitted by Company. A Company may, prior to the proposal due date and time, withdraw a proposal and submit a new proposal, so long as the new proposal is submitted before the proposal due date and time.

11. Proposal Format and Content

Proposals should be prepared in such a way as to provide a straightforward, concise delineation of capabilities to satisfy the requirements of this RFP. Responses should emphasize the Company's demonstrated capability to perform work of this type. Emphasis should be concentrated on completeness and clarity of content.

Proposals shall adhere to the following format for organization and content. Proposals must be typed and arranged/divided in the following sequence to facilitate evaluation:

- Cover Letter
- Statement of Understanding and Approach
- Company Information
- Company Personnel
- Experience and References
- Evidence of Insurance
- Pricing
- Disclosures

a. Cover Letter

The cover letter shall include a brief general statement of intent to perform the services and confirm that all elements of the RFP have been reviewed and understood. The letter shall include a brief summary of the Company's qualifications and Company's willingness to enter into a contract under the terms and conditions prescribed by this RFP and in the Sample Agreement. The letter must identify a single person for contact during the RFP review process and a statement addressing why the firm believes itself to be the best qualified to perform the work.

b. Statement of Understanding and Approach

This section must demonstrate an understanding of the Services. It should describe the general approach, organization and staffing required for the Services requested. If necessary, preliminary investigations, due diligence, and research shall be discussed in this section. See Exhibit A, Scope of Services for additional information that should be provided.

c. Company Information

This section shall include contact person information, address and telephone number of the company main office and branch offices, if applicable. Each Company shall identify itself as to the type of organizational entity (corporation, sole proprietorship, partnership, joint venture, etc.). See Exhibit A, Scope of Services for additional information that should be provided. Any supplemental information that Company believes may be pertinent to the selection process may be provided.

The Proposal shall identify any litigation, mediation, or arbitration, regarding the performance of any services similar to the Services, in which the Company has been involved in the past five (5) years. If the Services require a license or certification, the Proposal shall include any claims or disciplinary action taken against Company or any of Company's key personnel within the past five years.

d. Company Personnel

This section shall contain names, contact numbers and description of experience, including licenses and/or certifications, of all key personnel who would be assigned to perform the Services. Members of the Company's professional team (managers, contact person, etc.) should be identified by name and title and should include contact phone numbers. Include also major subcontractors (if any) and their degree of involvement in this program. If the Company is including any subcontractors, the Company shall identify how long the Company has worked with the subcontractor. See Exhibit A, Scope of Services for additional information that should be provided.

e. Experience and References

Company shall provide at least five (5) references, within the past five (5) years, of clients for whom services have been performed that are comparable in quality and scope to that specified in this RFP. The references shall include names, addresses, email addresses, and telephone numbers of the clients for whom prior work was performed and include an explanation of the services provided. See Exhibit A, Scope of Services for additional information that should be provided.

The Proposal must demonstrate that the Company, or its key personnel, has at least five (5) years' of experience, within the past ten (10) years with a legally registered business name, that provides services of a similar type and scope as described in the Scope of Services (Exhibit "A"). A Company shall not have filed for bankruptcy under any business name over the past five (5) years.

f. Evidence of Insurance

In addition, the Company shall provide evidence of possession of insurance in the coverage and amounts listed in the Sample Agreement (Exhibit B).

g. Pricing

All proposals submitted shall have a stated dollar bid amount for providing services outlined in the Services. All proposals shall include a breakdown of the costs. Proposals shall include a breakdown of the proposed fees including the following:

- Identify any start-up fees. Provide all fees for the proposed investment services, including administration and management fees, trustee and investment management services, fees for consulting, etc.
- Provide additional details based on information listed in Exhibit A item 5.

h. Disclosures

All proposals must include a response to the Disclosure Questionnaire utilizing the form in Exhibit "C." Please disclose any and all past or current business and personal relationships with any current Riverside elected official, appointed official, City employee, or family member of any current Riverside elected official, appointed official, or City employee. ***Any past or current business relationship may not disqualify the firm from consideration.*** Describe any administrative proceedings, claims, lawsuits, or other exposures pending against the Proposer.

12. Examination of RFP and Sites of Work

The Company shall carefully examine the RFP and all sites, if applicable, of the work contemplated. The submission of a Proposal shall be conclusive evidence that the Company has investigated and is satisfied as to the conditions to be encountered, as to the character, quality, and quantities of work to be performed and materials to be furnished, the difficulties to be encountered, and to the requirements of the Proposal, RFP, and other Contract Documents.

By submitting a Proposal, the Company hereby certifies that it has: examined the local conditions, read each and every clause of this RFP, included all costs necessary to complete the specified work in its proposed prices, and agrees that if it is awarded the Contract it will make no claim against the City based upon ignorance of local conditions or misunderstanding of any provision of the Contract. Should the conditions turn out otherwise than anticipated by it, the Company agrees to assume all risks incident thereto.

13. Addenda

Unless otherwise specified, any addenda issued during the time of bidding must be acknowledged electronically via the City's Bidding Website, which will be made part of the proposal. Addenda notifications will be provided to those listed on the Electronic Prospective Bidder's List via email.

14. Withdrawal of Proposal

All proposals shall be firm offers and may not be withdrawn for a period of one hundred twenty (120) days following the deadline date for submission of proposals noted herein. Submitted Proposals may be withdrawn at any time prior to the submission deadline.

15. Public Records

All Proposals submitted in response to this RFP become the property of the City and pursuant to the Public Records Act (Gov. Code, § 6250 et seq.) are public records, and as such may be subject to public review at least 10 days before selection.

The Company must notify the City in advance of any proprietary or confidential materials contained in the Proposal and provide justification for not making such material public. The City shall have sole discretion to disclose or not disclose such material subject to any protective order that the Company may obtain. Note that under California law, price proposal to a public agency is not a trade secret.

The City reserves the right to make use of any information or idea contained in the Proposal. All materials, ideas and formats submitted in response to this RFP will become the property of the City on receipt.

16. Evaluation of Proposals

The City reserves the right to amend, withdraw, and cancel this RFP. The City also reserves the right to reject all responses to this RFP at any time prior to agreement execution. Furthermore, the City reserves the right to request additional information about any and all Proposals, that in City's opinion, is necessary to assure that the Company's competence, number of qualified employees, business organization, experience, and financial resources are adequate to perform the Services.

All Proposals shall be reviewed to verify that the Company has met the minimum requirements as stated in this RFP. Proposals that have not followed the rules, do not meet minimum content and quality standards, and/or do not provide references will be rejected as non-responsive.

Consultants will be evaluated on the basis of the following criteria:
a. Qualifications (20%)
b. Pricing (25%)
c. Experience (Projects of similar size and scope) (15%)
d. Professional References (10%)
e. Approach and Methodology (30%)

If needed, interviews will be scheduled as stated in Section 2. Schedule of Events.

If the City chooses to hold interviews, the highest rated proposers within a competitive range will be invited to participate and these interviews will include both a presentation portion as well as a

questions and answers portion. The City intends to send invites no less than one week prior to the scheduled interview date and time. Companies invited to interviews should expect to discuss in detail the content of their Proposals during a session that may, at each Company's discretion, include presentation of a PowerPoint, models, drawings, videos, or other content. Companies should expect interviews of approximately one hour's duration, including the question-and-answer period. If interviews are conducted, final selection of the Consultant will be based on a combination of proposal scores and the interview scores.

The selected Company shall then enter into exclusive negotiations with the City to formalize the Scope of Service and Compensation. If the City is unable to obtain a fair and reasonable price or cannot reach agreement regarding the terms for the Scope of Services, then the City will end negotiations with that Company and begin negotiations with the next Company which best meets the needs of the City, and so on until a City and the Company reach agreement.

The City intends to select the Company that offers the best value to the City based on the criteria outlined above.

17. Rejection of Proposals

The City may reject any/or all Proposals and may waive any immaterial deviation in a Proposal. The City's waiver of an immaterial defect shall in no way modify this RFP or excuse the Company from full compliance with this RFP and/or the Contract Documents if awarded the Contract. Proposals that include terms and conditions other than City's terms and conditions may be rejected as being non-responsive. The City may make investigations as deemed necessary to determine the ability of the Company to perform the work, and the Company shall furnish to the City all such information and data for this purpose as requested by the City. The City reserves the right to reject any proposal if the evidence submitted by, or investigation of, such Company fails to satisfy the City that such Company is properly qualified to carry out the obligations of the Agreement and to complete the work described herein.

18. Protest Procedures

A Proposer not selected by the City for the award of the Contract desiring to protest the City's selection, may do so by following the City's Procurement Protest Procedures in Administrative Manual, section 07.019.00. Protests not conforming to this procedure will be rejected as invalid. The City's Protest Procedures are available on the City's website at https://riversideca.gov/finance/pdf/2022/07.019.00.pdf.

19. Contract Term

The initial term of the Agreement shall be from the date of execution for three (3) years with the option to extend for two (2) additional 1-year terms not to exceed five (5) years based upon acceptable performance by the Company, acceptable fees and subject to the same terms and conditions of the Agreement.

Pricing is to remain firm for the initial contract term. Should the option to renew for additional years be exercised, City and Company may negotiate any and all price modifications.

20. Contract Documents

In submitting a Proposal, the Company agrees to enter into an Agreement with the City ***without exceptions to the City's standard agreement***. The City's standard agreement is **non-negotiable**, and a copy of the standard agreement is attached hereto as Exhibit "B". **Any change to the standard agreement will deem the Proposal non-responsive.** In the event of a conflict exists between documents the following order of precedence shall apply:

- Agreement
- City of Riverside's Request For Proposals
- Company's Response to the Request For Proposals

21. Execution of Agreement

After contract award, the following shall be signed and returned to the City within fourteen (14) calendar days from the date the City mails, or by other means delivers said documents to the Company:

- One (1) original of the Agreement in the form included herein, properly executed by the Company.

- Certificates of Insurance and Additional Insured Endorsement evidencing coverage as specified in the sample agreement.

- Confirmation of current business tax certificate.

- Bonds, if required.

In any event that day fourteen (14) of calendar days falls on Saturday, Sunday, a legal holiday for the State of California, or on days when the City is closed, the Contract Documents shall be delivered by the following working day.

No Agreement shall be binding upon the City until all documents are fully executed by the Company and the City.

22. Failure to Execute the Agreement

Failure to execute the Agreement and furnish the required insurance and business tax certificate, within the required time period shall be just cause for the rescission of the award. If bonds are also required, failure to furnish sufficient bonds shall cause rescission of the award. If the successful Company refuses or fails to execute the Agreement, the City may award the Agreement to the next qualified Company.

23. Cancellation

The City retains the right to cancel this RFP at any time, should it be deemed to be in the best interest of the City. No obligation either expressed or implied exists on the part of the City to make an award based on the submission of any proposals.

EXHIBIT A

Scope of Services

The City intends to obtain the services of a qualified firm to provide Internal Revenue Service Section 115 pension trust administration and investment management services as outlined below.

- Individual Investment account in a non-pooled portfolio with customizable investment options.
- Consolidated full fee transparency.
- Private equity/debt options that are permissible within the City's investment policy.
- Offer an IRS-approved irrevocable funding vehicle to protect the City's assets.
- Implement the trust program within 90 days of executing contracts.
- Provide a full-service program that includes trust administration, trustee and investment management services.
- Work directly with City staff to prepare asset allocation guidelines for the trust based on the City's investment objectives and risk tolerance and compliance with the City's Investment Policy.
- Provide education/presentations regarding the pension trust program to Council and other City staff.
- Provide quarterly and annual comparative performance analyses and evaluation reports of the investments of the trust.
- Coordinate all contributions into the trust and requests for appropriate distribution.
- Meet with the City's Chief Financial Officer and staff to provide quarterly performance reports and updates on the trust.

The proposal should address all the points outlined in this RFP. At a minimum, the following components must be included:

1. Experience

   Describe your firm's experience serving California local government clients in establishing IRS Section 115 Trusts and related investment services. Comment on the key program advantages which make your firm different from your competitors.

2. Program Team and Relationship Services

   Provide the resume of the person (executive assigned to the City 's Trust account) who will be the key contact point to coordinate services to the City. Please identify members of your firm's service team including their tenure with the firm, their background, and the role they will play in managing the City 's proposed Trust account.

   Proposals should also:

- Describe the entity or entities proposed to serve as the trustee/custodian of the Section 115 Trust and as trust administrator, including a description of their background and experience with these types of trusts.
- Describe the entity or entities proposed to serve as the investment manager of the Section 115 Trust , including a description of their background and experience with these types of trusts. Specify the number of years your organization or subcontractor has been providing investment advisory services.
- Disclose if your firm's proposal includes use of any subcontractors for the servicing of the Trust plan and if so, please describe the nature of these services.
- Explain if your firm or subcontractor is a registered investment advisor under the Investment Advisor's Act of 1940. Please attach Part 2A of your most current Form ADV as an appendix.
- Describe any SEC, FINRA, or regulatory censure or litigation involving your firm, subcontractor, or its employees within the past three years.

3. Trustee and Trust Administration Services

Please provide a comprehensive list of trustee services and Section 115 trust administration services you will provide.

- Please note if there are any additional costs for any of the above-mentioned services.
- Describe how City contributions to and distributions from the Section 115 Trust are handled.
- Define any termination restrictions for the Section 115 Trust.

4. Investment Requirements and Investment Performance

- Does your firm offer assistance with investment strategy selection and investment policy development? Does this service typically include specific asset allocations recommendations? If so, please explain.
- Please provide the firm's recommended comparative yield benchmarks for trust assets held in this type of trust. Please provide annual, five-year, ten-year, fifteen-year, and twenty-year return history and expense ratios for each fund/portfolio option available. Would the firm be able to benchmark against yields obtained from similar Section 115 Trusts such as the California Employee Retirement Benefit Trust? If so, please provide this data.
- Describe the investment and risk options available for the Section 115 Trust.
- Explain your firm's views on passive versus active management. What is your typical recommendation regarding allocation of Section 115 Trust assets between active and passive management?
- What are the typical approaches made to rebalancing or reallocating asset classes, styles, and sectors for or on behalf of the fund/trust?
- Are there minimums requirements for periodic contributions to the Section 115

Trust?

5. Fees

In a separate cost file, please provide all fees for the proposed services, including administration, trustee, and investment management services.

- Detail any initial balance or start-up fees.
- Are fees scalable dependent upon the amount of assets placed into the Section 115 Trust? If so, provide a schedule of the fees.
- Identify fees for consulting, trustee and investment services separately.
- Provide historical fees for each of the prior five years (2017 through 2022).
- Identify the expense structure of the Section 115 Trust investment platforms. Detail the expenses, (i.e. no-load, low-load, proprietary funds, institutional shares, etc.).
- Describe in detail revenue sharing agreements that the firm has with investment managers and/or subcontractors, insurance providers, and any remuneration that the firm derives from investment managers and/or sub-advisors. Include any 12b-1, service, distributor, or platform fees that the firm derives from investment managers and/or sub-advisors.
- Describe in detail any additional fees or potential hidden costs to be netted from investment performance.
- Describe in detail all surrender, withdrawal, transfer, or deferred sales charges within your investment products.
- Describe any fee related to transfer of assets and restrictions or costs related to the termination of the agreement with your firm.

5. **Prevailing Wage**. If applicable, Consultant and all subcontractors are required to pay the general prevailing wage rates of per diem wages and overtime and holiday wages determined by the Director of the Department of Industrial Relations under Section 1720 et seq. of the California Labor Code and implemented by Resolution No. 13346 of the City Council of the City of Riverside. The Director's determination is available on-line at www.dir.ca.gov/dlsr/DPreWageDetermination.htm and is referred to and made a part hereof; the wage rates therein ascertained, determined, and specified are referred to and made a part hereof as though fully set forth herein.

6. **Contract Administration**. A designee of the City will be appointed in writing by the City Manager or Department Director to administer this Agreement on behalf of City and shall be referred to herein as Contract Administrator.

7. **Standard of Performance**. While performing the Services, Consultant shall exercise the reasonable professional care and skill customarily exercised by reputable members of Consultant's profession practicing in the Metropolitan Southern California Area, and shall use reasonable diligence and best judgment while exercising its professional skill and expertise.

8. **Personnel**. Consultant shall furnish all personnel necessary to perform the Services and shall be responsible for their performance and compensation. Consultant recognizes that the qualifications and experience of the personnel to be used are vital to professional and timely completion of the Services. The key personnel listed in Exhibit "C" attached hereto and incorporated herein by this reference and assigned to perform portions of the Services shall remain assigned through completion of the Services, unless otherwise mutually agreed by the parties in writing, or caused by hardship or resignation in which case substitutes shall be subject to City approval.

9. **Assignment and Subcontracting**. Neither party shall assign any right, interest, or obligation in or under this Agreement to any other entity without prior written consent of the other party. In any event, no assignment shall be made unless the assignee expressly assumes the obligations of assignor under this Agreement, in a writing satisfactory to the parties. Consultant acknowledges that any assignment may, at the City's sole discretion, require City Manager and/or City Council approval. Consultant shall not subcontract any portion of the work required by this Agreement without prior written approval by the responsible City Contract Administrator. Subcontracts, if any, shall contain a provision making them subject to all provisions stipulated in this Agreement, including without limitation, the insurance obligations set forth in Section 12. The Consultant acknowledges and agrees that the City is an intended beneficiary of any work performed by any subcontractor for purposes of establishing a duty of care between any subcontractor and the City.

10. **Independent Contractor**. In the performance of this Agreement, Consultant, and Consultant's employees, subcontractors and agents, shall act in an independent capacity as independent contractors, and not as officers or employees of the City of Riverside. Consultant acknowledges and agrees that the City has no obligation to pay or withhold state or federal taxes or to provide workers' compensation or unemployment insurance to Consultant, or to Consultant's employees, subcontractors and agents. Consultant, as an independent contractor, shall be responsible for any and all taxes that apply to Consultant as an employer.

11. **Indemnification**.

11.1 **Design Professional Defined**. For purposes of this Agreement, "Design Professional" includes the following:

A. An individual licensed as an architect pursuant to Chapter 3 (commencing with Section 5500) of Division 3 of the Business and Professions Code, and a business entity offering architectural services in accordance with that chapter.

B. An individual licensed as a landscape architect pursuant to Chapter 3.5 (commencing with Section 5615) of Division 3 of the Business and Professions Code, and a business entity offering landscape architectural services in accordance with that chapter.

C. An individual registered as a professional engineer pursuant to Chapter 7 (commencing with Section 6700) of Division 3 of the Business and Professions Code, and a business entity offering professional engineering services in accordance with that chapter.

D. An individual licensed as a professional land surveyor pursuant to Chapter 15 (commencing with Section 8700) of Division 3 of the Business and Professions Code, and a business entity offering professional land surveying services in accordance with that chapter.

11.2 **Defense Obligation For Design Professional Liability**. Consultant agrees, at its cost and expense, to promptly defend the City, and the City's employees, officers, managers, agents and council members (collectively the "Parties to be Defended") from and against any and all claims, allegations, lawsuits, arbitration proceedings, administrative proceedings, regulatory proceedings, or other legal proceedings to the extent the same arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of Consultant, or anyone employed by or working under the Consultant or for services rendered to the Consultant in the performance of the Agreement, notwithstanding that the City may have benefited from its work or services and whether or not caused in part by the negligence of an Indemnified Party. Consultant agrees to provide this defense immediately upon written notice from the City, and with well qualified, adequately insured and experienced legal counsel acceptable to City. This obligation to defend as set forth herein is binding on the successors, assigns and heirs of Consultant and shall survive the termination of Consultant's Services under this Agreement.

11.3 **Indemnity For Design Professional Liability**. When the law establishes a professional standard of care for Consultant's services, to the fullest extent permitted by law, Consultant shall indemnify, protect and hold harmless the City and the City's employees, officers, managers, agents, and Council Members ("Indemnified Parties") from and against any and all claim for damage, charge, lawsuit, action, judicial, administrative, regulatory or arbitration proceeding, damage, cost, expense (including counsel and expert fees), judgment, civil fines and penalties, liabilities or losses of any kind or nature whatsoever to the extent the same arise out of, pertain to, or

relate to the negligence, recklessness or willful misconduct of Consultant, or anyone employed by or working under the Consultant or for services rendered to the Consultant in the performance of the Agreement, notwithstanding that the City may have benefited from its work or services and whether or not caused in part by the negligence of an Indemnified Party.

11.4 **Defense Obligation For Other Than Design Professional Liability**. Consultant agrees, at its cost and expense, to promptly defend the City, and the City's employees, officers, managers, agents and council members (collectively the "Parties to be Defended") from and against any and all claims, allegations, lawsuits, arbitration proceedings, administrative proceedings, regulatory proceedings, or other legal proceedings which arise out of, or relate to, or are in any way connected with: 1) the Services, work, activities, operations, or duties of the Consultant, or of anyone employed by or working under the Consultant, or 2) any breach of the Agreement by the Consultant. This duty to defend shall apply whether or not such claims, allegations, lawsuits or proceedings have merit or are meritless, or which involve claims or allegations that any or all of the Parties to be Defended were actively, passively, or concurrently negligent, or which otherwise assert that the Parties to be Defended are responsible, in whole or in part, for any loss, damage or injury. Consultant agrees to provide this defense immediately upon written notice from the City, and with well qualified, adequately insured and experienced legal counsel acceptable to City. This obligation to defend as set forth herein is binding on the successors, assigns and heirs of Consultant and shall survive the termination of Consultant's Services under this Agreement.

11.5 **Indemnity For Other Than Design Professional Liability**. Except as to the sole negligence or willful misconduct of the City, Consultant agrees to indemnify, protect and hold harmless the Indemnified Parties from and against any claim for damage, charge, lawsuit, action, judicial, administrative, regulatory or arbitration proceeding, damage, cost, expense (including counsel and expert fees), judgment, civil fine and penalties, liabilities or losses of any kind or nature whatsoever whether actual, threatened or alleged, which arise out of, pertain to, or relate to, or are a consequence of, or are attributable to, or are in any manner connected with the performance of the Services, work, activities, operations or duties of the Consultant, or anyone employed by or working under the Consultant or for services rendered to Consultant in the performance of this Agreement, notwithstanding that the City may have benefited from its work or services. This indemnification provision shall apply to any acts, omissions, negligence, recklessness, or willful misconduct, whether active or passive, on the part of the Consultant or anyone employed or working under the Consultant.

12. **Insurance**.

12.1 **General Provisions**. Prior to the City's execution of this Agreement, Consultant shall provide satisfactory evidence of, and shall thereafter maintain during the term of this Agreement, such insurance policies and coverages in the types, limits, forms and ratings required herein. The rating and required insurance policies and coverages may be modified in writing by the City's Risk Manager or City Attorney, or a designee, unless such modification is prohibited by law.

12.1.1 **Limitations**. These minimum amounts of coverage shall not constitute any limitation or cap on Consultant's indemnification obligations under Section 11 hereof.

12.1.2 **Ratings**. Any insurance policy or coverage provided by Consultant or subcontractors as required by this Agreement shall be deemed inadequate and a material breach of this Agreement, unless such policy or coverage is issued by insurance companies authorized to transact insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or higher.

12.1.3 **Cancellation**. The policies shall not be canceled unless thirty (30) days prior written notification of intended cancellation has been given to City by certified or registered mail, postage prepaid.

12.1.4 **Adequacy**. The City, its officers, employees and agents make no representation that the types or limits of insurance specified to be carried by Consultant pursuant to this Agreement are adequate to protect Consultant. If Consultant believes that any required insurance coverage is inadequate, Consultant will obtain such additional insurance coverage as Consultant deems adequate, at Consultant's sole expense.

12.2 **Workers' Compensation Insurance**. By executing this Agreement, Consultant certifies that Consultant is aware of and will comply with Section 3700 of the Labor Code of the State of California requiring every employer to be insured against liability for workers' compensation, or to undertake self-insurance before commencing any of the work. Consultant shall carry the insurance or provide for self-insurance required by California law to protect said Consultant from claims under the Workers' Compensation Act. Prior to City's execution of this Agreement, Consultant shall file with City either 1) a certificate of insurance showing that such insurance is in effect, or that Consultant is self-insured for such coverage, or 2) a certified statement that Consultant has no employees, and acknowledging that if Consultant does employ any person, the necessary certificate of insurance will immediately be filed with City. Any certificate filed with City shall provide that City will be given ten (10) days prior written notice before modification or cancellation thereof.

12.3 **Commercial General Liability and Automobile Insurance**. Prior to City's execution of this Agreement, Consultant shall obtain, and shall thereafter maintain during the term of this Agreement, commercial general liability insurance and automobile liability insurance as required to insure Consultant against damages for personal injury, including accidental death, as well as from claims for property damage, which may arise from or which may concern operations by anyone directly or indirectly employed by, connected with, or acting for or on behalf of Consultant. The City, and its officers, employees and agents, shall be named as additional insureds under the Consultant's insurance policies.

12.3.1 Consultant's commercial general liability insurance policy shall cover both bodily injury (including death) and property damage (including, but not limited to, premises operations liability, products-completed operations liability, independent contractor's liability, personal injury liability, and contractual liability) in an amount not less than $1,000,000 per occurrence and a general aggregate limit in the amount of not less than $2,000,000.

12.3.2 Consultant's automobile liability policy shall cover both bodily injury and property damage in an amount not less than $1,000,000 per occurrence and an aggregate limit of

not less than $1,000,000. All of Consultant's automobile and/or commercial general liability insurance policies shall cover all vehicles used in connection with Consultant's performance of this Agreement, which vehicles shall include, but are not limited to, Consultant owned vehicles, Consultant leased vehicles, Consultant's employee vehicles, non-Consultant owned vehicles and hired vehicles.

12.3.3 Prior to City's execution of this Agreement, copies of insurance policies or original certificates along with additional insured endorsements acceptable to the City evidencing the coverage required by this Agreement, for both commercial general and automobile liability insurance, shall be filed with City and shall include the City and its officers, employees and agents, as additional insureds. Said policies shall be in the usual form of commercial general and automobile liability insurance policies, but shall include the following provisions:

> It is agreed that the City of Riverside, and its officers, employees and agents, are added as additional insureds under this policy, solely for work done by and on behalf of the named insured for the City of Riverside.

12.3.4 The insurance policy or policies shall also comply with the following provisions:

a. The policy shall be endorsed to waive any right of subrogation against the City and its sub-consultants, employees, officers and agents for services performed under this Agreement.

b. If the policy is written on a claims made basis, the certificate should so specify and the policy must continue in force for one year after completion of the services. The retroactive date of coverage must also be listed.

c. The policy shall specify that the insurance provided by Consultant will be considered primary and not contributory to any other insurance available to the City and Endorsement No. CG 20010413 shall be provided to the City.

12.4 **Errors and Omissions Insurance**. Prior to City's execution of this Agreement, Consultant shall obtain, and shall thereafter maintain during the term of this Agreement, errors and omissions professional liability insurance in the minimum amount of $1,000,000 to protect the City from claims resulting from the Consultant's activities.

12.5 **Subcontractors' Insurance**. Consultant shall require all of its subcontractors to carry insurance, in an amount sufficient to cover the risk of injury, damage or loss that may be caused by the subcontractors' scope of work and activities provided in furtherance of this Agreement, including, but without limitation, the following coverages: Workers Compensation, Commercial General Liability, Errors and Omissions, and Automobile liability. Upon City's request, Consultant shall provide City with satisfactory evidence that Subcontractors have obtained insurance policies and coverages required by this section.

13. **Business Tax**. Consultant understands that the Services performed under this Agreement constitutes doing business in the City of Riverside, and Consultant agrees that Consultant will register for and pay a business tax pursuant to Chapter 5.04 of the Riverside Municipal Code and keep such tax certificate current during the term of this Agreement.

14. **Time of Essence**. Time is of the essence for each and every provision of this Agreement.

15. **City's Right to Employ Other Consultants**. City reserves the right to employ other Consultants in connection with the Project. If the City is required to employ another consultant to complete Consultant's work, due to the failure of the Consultant to perform, or due to the breach of any of the provisions of this Agreement, the City reserves the right to seek reimbursement from Consultant.

16. **Accounting Records**. Consultant shall maintain complete and accurate records with respect to costs incurred under this Agreement. All such records shall be clearly identifiable. Consultant shall allow a representative of City during normal business hours to examine, audit, and make transcripts or copies of such records and any other documents created pursuant to this Agreement. Consultant shall allow inspection of all work, data, documents, proceedings, and activities related to the Agreement for a period of three (3) years from the date of final payment under this Agreement.

17. **Confidentiality**. All ideas, memoranda, specifications, plans, procedures, drawings, descriptions, computer program data, input record data, written information, and other materials either created by or provided to Consultant in connection with the performance of this Agreement shall be held confidential by Consultant, except as otherwise directed by City's Contract Administrator. Nothing furnished to Consultant which is otherwise known to the Consultant or is generally known, or has become known, to the related industry shall be deemed confidential. Consultant shall not use City's name or insignia, photographs of the Project, or any publicity pertaining to the Services or the Project in any magazine, trade paper, newspaper, television or radio production, website, or other similar medium without the prior written consent of the City.

18. **Ownership of Documents**. All reports, maps, drawings and other contract deliverables prepared under this Agreement by Consultant shall be and remain the property of City. Consultant shall not release to others information furnished by City without prior express written approval of City.

19. **Copyrights.** Consultant agrees that any work prepared for City which is eligible for copyright protection in the United States or elsewhere shall be a work made for hire. If any such work is deemed for any reason not to be a work made for hire, Consultant assigns all right, title and interest in the copyright in such work, and all extensions and renewals thereof, to City, and agrees to provide all assistance reasonably requested by City in the establishment, preservation and enforcement of its copyright in such work, such assistance to be provided at City's expense but without any additional compensation to Consultant. Consultant agrees to waive all moral rights relating to the work developed or produced, including without limitation any and all rights of

identification of authorship and any and all rights of approval, restriction or limitation on use or subsequent modifications.

20. **Conflict of Interest**. Consultant, for itself and on behalf of the individuals listed in Exhibit "C", represents and warrants that by the execution of this Agreement, they have no interest, present or contemplated, in the Project affected by the above-described Services. Consultant further warrants that neither Consultant, nor the individuals listed in Exhibit "C" have any real property, business interests or income interests that will be affected by this project or, alternatively, that Consultant will file with the City an affidavit disclosing any such interest.

21. **Solicitation**. Consultant warrants that Consultant has not employed or retained any person or agency to solicit or secure this Agreement, nor has it entered into any agreement or understanding for a commission, percentage, brokerage, or contingent fee to be paid to secure this Agreement. For breach of this warranty, City shall have the right to terminate this Agreement without liability and pay Consultant only for the value of work Consultant has actually performed, or, in its sole discretion, to deduct from the Agreement price or otherwise recover from Consultant the full amount of such commission, percentage, brokerage or commission fee. The remedies specified in this section shall be in addition to and not in lieu of those remedies otherwise specified in this Agreement.

22. **General Compliance With Laws**. Consultant shall keep fully informed of federal, state and local laws and ordinances and regulations which in any manner affect those employed by Consultant, or in any way affect the performance of services by Consultant pursuant to this Agreement. Consultant shall at all times observe and comply with all such laws, ordinances and regulations, and shall be solely responsible for any failure to comply with all applicable laws, ordinances and regulations. Consultant represents and warrants that Consultant has obtained all necessary licenses to perform the Scope of Services and that such licenses are in good standing. Consultant further represents and warrants that the services provided herein shall conform to all ordinances, policies and practices of the City of Riverside.

23. **Waiver**. No action or failure to act by the City shall constitute a waiver of any right or duty afforded City under this Agreement, nor shall any such action or failure to act constitute approval of or acquiescence in any breach thereunder, except as may be specifically, provided in this Agreement or as may be otherwise agreed in writing.

24. **Amendments**. This Agreement may be modified or amended only by a written agreement and/or change order executed by the Consultant and City.

25. **Termination**. City, by notifying Consultant in writing, shall have the right to terminate any or all of Consultant's services and work covered by this Agreement at any time. In the event of such termination, Consultant may submit Consultant's final written statement of the amount of Consultant's services as of the date of such termination based upon the ratio that the work completed bears to the total work required to make the report complete, subject to the City's rights under Sections 15 and 26 hereof. In ascertaining the work actually rendered through the termination date, City shall consider completed work, work in progress and complete and incomplete reports and other documents only after delivered to City.

25.1 Other than as stated below, City shall give Consultant thirty (30) days prior written notice prior to termination.

25.2 City may terminate this Agreement upon fifteen (15) days written notice to Consultant, in the event:

25.2.1 Consultant substantially fails to perform or materially breaches the Agreement; or

25.2.2 City decides to abandon or postpone the Project.

26. **Offsets**. Consultant acknowledges and agrees that with respect to any business tax or penalties thereon, utility charges, invoiced fee or other debt which Consultant owes or may owe to the City, City reserves the right to withhold and offset said amounts from payments or refunds or reimbursements owed by City to Consultant. Notice of such withholding and offset, shall promptly be given to Consultant by City in writing. In the event of a dispute as to the amount owed or whether such amount is owed to the City, City will hold such disputed amount until either the appropriate appeal process has been completed or until the dispute has been resolved.

27. **Successors and Assigns**. This Agreement shall be binding upon City and its successors and assigns, and upon Consultant and its permitted successors and assigns, and shall not be assigned by Consultant, either in whole or in part, except as otherwise provided in paragraph 9 of this Agreement.

28. **Venue.** Any action at law or in equity brought by either of the parties hereto for the purpose of enforcing a right or rights provided for by this Agreement shall be tried in a court of competent jurisdiction in the County of Riverside, State of California, and the parties hereby waive all provisions of law providing for a change of venue in such proceedings to any other county. In the event either party hereto shall bring suit to enforce any term of this Agreement or to recover any damages for and on account of the breach of any term or condition of this Agreement, it is mutually agreed that each party will bear their own attorney's fees and costs.

29. **Nondiscrimination**. During Consultant's performance of this Agreement, Consultant shall not discriminate on the grounds of race, religious creed, color, national origin, ancestry, age, physical disability, mental disability, medical condition, including the medical condition of Acquired Immune Deficiency Syndrome (AIDS) or any condition related thereto, marital status, sex, genetic information, gender, gender identity, gender expression, or sexual orientation, military and veteran status, in the selection and retention of employees and subcontractors and the procurement of materials and equipment, except as provided in Section 12940 of the California Government Code. Further, Consultant agrees to conform to the requirements of the Americans with Disabilities Act in the performance of this Agreement.

30. **Severability**. Each provision, term, condition, covenant and/or restriction, in whole and in part, of this Agreement shall be considered severable. In the event any provision, term, condition, covenant and/or restriction, in whole and/or in part, of this Agreement is declared invalid, unconstitutional, or void for any reason, such provision or part thereof shall be severed from this

Agreement and shall not affect any other provision, term, condition, covenant and/or restriction of this Agreement, and the remainder of the Agreement shall continue in full force and effect.

31. **Authority**. The individuals executing this Agreement and the instruments referenced herein on behalf of Consultant each represent and warrant that they have the legal power, right and actual authority to bind Consultant to the terms and conditions hereof and thereof.

32. **Entire Agreement**. This Agreement constitutes the final, complete, and exclusive statement of the terms of the agreement between the parties pertaining to the subject matter of this Agreement, and supersedes all prior and contemporaneous understandings or agreements of the parties. Neither party has been induced to enter into this Agreement by and neither party is relying on, any representation or warranty outside those expressly set forth in this Agreement.

33. **Interpretation**. City and Consultant acknowledge and agree that this Agreement is the product of mutual arms-length negotiations and accordingly, the rule of construction, which provides that the ambiguities in a document shall be construed against the drafter of that document, shall have no application to the interpretation and enforcement of this Agreement.

33.1 Titles and captions are for convenience of reference only and do not define, describe or limit the scope or the intent of the Agreement or any of its terms. Reference to section numbers, are to sections in the Agreement unless expressly stated otherwise.

33.2 This Agreement shall be governed by and construed in accordance with the laws of the State of California in effect at the time of the execution of this Agreement.

33.3 In the event of a conflict between the body of this Agreement and Exhibit "A" - Scope of Services hereto, the terms contained in Exhibit "A" shall be controlling.

34. **Exhibits**. The following exhibits attached hereto are incorporated herein to this Agreement by this reference:

Exhibit "A" - Scope of Services
Exhibit "B" - Compensation
Exhibit "C" - Key Personnel

IN WITNESS WHEREOF, City and Consultant have caused this Agreement to be duly executed the day and year first above written.

PROFESSIONAL CONSULTANT SERVICES AGREEMENT

SHUSTER ADVISORY GROUP, LLC

Administrative and Investment Management Services
for the City of Riverside's Section 115 Pension Trust Fund – RFP No. 2342

THIS PROFESSIONAL CONSULTANT SERVICES AGREEMENT ("Agreement") is made and entered into this 27th day of June, 2024 ("Effective Date"), by and between the CITY OF RIVERSIDE, a California charter city and municipal corporation ("City"), and SHUSTER ADVISORY GROUP, LLC, a California limited liability company ("Consultant").

1. **Scope of Services**. City agrees to retain and does hereby retain Consultant and Consultant agrees to provide the services more particularly described in Exhibit "A," "Scope of Services" ("Services"), attached hereto and incorporated herein by reference, in conjunction with Administrative and Investment Management Services for the City of Riverside's Section 115 Pension Trust Fund – RFP No. 2342 ("Project").

2. **Term**. This Agreement shall be effective on the date first written above and shall remain in effect for three (3) years with the option to extend for two (2) additional one-year terms, unless otherwise terminated pursuant to the provisions herein.

3. **Compensation/Payment**. Consultant shall perform the Services under this agreement in accordance with the terms set for the in Exhibit "B". Consultant will provide City with a statement of account itemizing fees to be collected pursuant to Exhibit "B" to the address set forth in Section 4 hereof.

4. **Notices**. Any notices required to be given, hereunder shall be in writing and shall be personally served or given by mail. Any notice given by mail shall be deemed given when deposited in the United States Mail, certified and postage prepaid, addressed to the party to be served as follows:

To City	To Consultant
Finance Department City of Riverside Attn: Meline Carranza 3900 Main Street Riverside, CA 92522	Shuster Advisory Group, LLC Attn: Mark Shuster 155 North Lake Avenue, Suite 500 Pasadena, CA 91101

5. **Prevailing Wage**. If applicable, Consultant and all subcontractors are required to pay the general prevailing wage rates of per diem wages and overtime and holiday wages determined by the Director of the Department of Industrial Relations under Section 1720 et seq. of the California Labor Code and implemented by Resolution No. 13346 of the City Council of the City of Riverside. The Director's determination is available on-line at www.dir.ca.gov/dlsr/DPreWageDetermination.htm and is referred to and made a part hereof; the wage rates therein ascertained, determined, and specified are referred to and made a part hereof as though fully set forth herein.

6. **Contract Administration**. A designee of the City will be appointed in writing by the City Manager or Department Director to administer this Agreement on behalf of City and shall be referred to herein as Contract Administrator.

7. **Standard of Performance**. While performing the Services, Consultant shall exercise the reasonable professional care and skill customarily exercised by reputable members of Consultant's profession practicing in the Metropolitan Southern California Area and shall use reasonable diligence and best judgment while exercising its professional skill and expertise.

8. **Personnel**. Consultant shall furnish all personnel necessary to perform the Services and shall be responsible for their performance and compensation. Consultant recognizes that the qualifications and experience of the personnel to be used are vital to professional and timely completion of the Services. The key personnel listed in Exhibit "C" attached hereto and incorporated herein by this reference and assigned to perform portions of the Services shall remain assigned through completion of the Services, unless otherwise mutually agreed by the parties in writing, or caused by hardship or resignation in which case substitutes shall be subject to City approval.

9. **Assignment and Subcontracting**. Neither party shall assign any right, interest, or obligation in or under this Agreement to any other entity without prior written consent of the other party. In any event, no assignment shall be made unless the assignee expressly assumes the obligations of assignor under this Agreement, in a writing satisfactory to the parties. Consultant acknowledges that any assignment may, at the City's sole discretion, require City Manager and/or City Council approval. Consultant shall not subcontract any portion of the work required by this Agreement without prior written approval by the responsible City Contract Administrator. Subcontracts, if any, shall contain a provision making them subject to all provisions stipulated in this Agreement, including without limitation, the insurance obligations set forth in Section 12. The Consultant acknowledges and agrees that the City is an intended beneficiary of any work performed by any subcontractor for purposes of establishing a duty of care between any subcontractor and the City.

10. **Independent Contractor**. In the performance of this Agreement, Consultant, and Consultant's employees, subcontractors and agents, shall act in an independent capacity as independent contractors, and not as officers or employees of the City of Riverside. Consultant acknowledges and agrees that the City has no obligation to pay or withhold state or federal taxes or to provide workers' compensation or unemployment insurance to Consultant, or to Consultant's employees, subcontractors and agents. Consultant, as an independent contractor, shall be responsible for any and all taxes that apply to Consultant as an employer.

11. **Indemnification**.

11.1 **Design Professional Defined**. For purposes of this Agreement, "Design Professional" includes the following:

A. An individual licensed as an architect pursuant to Chapter 3 (commencing with Section 5500) of Division 3 of the Business and Professions Code, and a business entity offering architectural services in accordance with that chapter.

B. An individual licensed as a landscape architect pursuant to Chapter 3.5 (commencing with Section 5615) of Division 3 of the Business and Professions Code, and a business entity offering landscape architectural services in accordance with that chapter.

C. An individual registered as a professional engineer pursuant to Chapter 7 (commencing with Section 6700) of Division 3 of the Business and Professions Code, and a business entity offering professional engineering services in accordance with that chapter.

D. An individual licensed as a professional land surveyor pursuant to Chapter 15 (commencing with Section 8700) of Division 3 of the Business and Professions Code, and a business entity offering professional land surveying services in accordance with that chapter.

11.2 **Defense Obligation For Design Professional Liability**. Consultant agrees, at its cost and expense, to promptly defend the City, and the City's employees, officers, managers, agents and council members (collectively the "Parties to be Defended") from and against any and all claims, allegations, lawsuits, arbitration proceedings, administrative proceedings, regulatory proceedings, or other legal proceedings to the extent the same arise out of, pertain to, or relate to the negligence, recklessness or willful misconduct of Consultant, or anyone employed by or working under the Consultant or for services rendered to the Consultant in the performance of the Agreement, notwithstanding that the City may have benefited from its work or services and whether or not caused in part by the negligence of an Indemnified Party. Consultant agrees to provide this defense immediately upon written notice from the City, and with well qualified, adequately insured and experienced legal counsel acceptable to City. Consultant will reimburse City for reasonable defense costs for claims arising out of Consultant's professional negligence based on the percentage of Consultant's liability. This obligation to defend as set forth herein is binding on the successors, assigns and heirs of Consultant and shall survive the termination of Consultant's Services under this Agreement.

11.3 **Indemnity For Design Professional Liability**. When the law establishes a professional standard of care for Consultant's services, to the fullest extent permitted by law, Consultant shall indemnify, protect and hold harmless the City and the City's employees, officers, managers, agents, and Council Members ("Indemnified Parties") from and against any and all claim for damage, charge, lawsuit, action, judicial, administrative, regulatory or arbitration proceeding, damage, cost, expense (including counsel and expert fees), judgment, civil fines and penalties, liabilities or losses of any kind or nature whatsoever to the extent the same arise out of, pertain to, or

relate to the negligence, recklessness or willful misconduct of Consultant, or anyone employed by or working under the Consultant or for services rendered to the Consultant in the performance of the Agreement, notwithstanding that the City may have benefited from its work or services and whether or not caused in part by the negligence of an Indemnified Party.

11.4 **Defense Obligation For Other Than Design Professional Liability**. Consultant agrees, at its cost and expense, to promptly defend the City, and the City's employees, officers, managers, agents and council members (collectively the "Parties to be Defended") from and against any and all claims, allegations, lawsuits, arbitration proceedings, administrative proceedings, regulatory proceedings, or other legal proceedings which arise out of, or relate to, or are in any way connected with: 1) the Services, work, activities, operations, or duties of the Consultant, or of anyone employed by or working under the Consultant, or 2) any breach of the Agreement by the Consultant. This duty to defend shall apply whether or not such claims, allegations, lawsuits or proceedings have merit or are meritless, or which involve claims or allegations that any or all of the Parties to be Defended were actively, passively, or concurrently negligent, or which otherwise assert that the Parties to be Defended are responsible, in whole or in part, for any loss, damage or injury. Consultant agrees to provide this defense immediately upon written notice from the City, and with well qualified, adequately insured and experienced legal counsel acceptable to City. This obligation to defend as set forth herein is binding on the successors, assigns and heirs of Consultant and shall survive the termination of Consultant's Services under this Agreement.

11.5 **Indemnity For Other Than Design Professional Liability**. Except as to the sole negligence or willful misconduct of the City, Consultant agrees to indemnify, protect and hold harmless the Indemnified Parties from and against any claim for damage, charge, lawsuit, action, judicial, administrative, regulatory or arbitration proceeding, damage, cost, expense (including counsel and expert fees), judgment, civil fine and penalties, liabilities or losses of any kind or nature whatsoever whether actual, threatened or alleged, which arise out of, pertain to, or relate to, or are a consequence of, or are attributable to, or are in any manner connected with the performance of the Services, work, activities, operations or duties of the Consultant, or anyone employed by or working under the Consultant or for services rendered to Consultant in the performance of this Agreement, notwithstanding that the City may have benefited from its work or services. This indemnification provision shall apply to any acts, omissions, negligence, recklessness, or willful misconduct, whether active or passive, on the part of the Consultant or anyone employed or working under the Consultant.

12. **Insurance**.

12.1 **General Provisions**. Prior to the City's execution of this Agreement, Consultant shall provide satisfactory evidence of, and shall thereafter maintain during the term of this Agreement, such insurance policies and coverages in the types, limits, forms and ratings required herein. The rating and required insurance policies and coverages may be modified in writing by the City's Risk Manager or City Attorney, or a designee, unless such modification is prohibited by law.

12.1.1 **Limitations**. These minimum amounts of coverage shall not constitute any limitation or cap on Consultant's indemnification obligations under Section 11 hereof.

12.1.2 **Ratings**. Any insurance policy or coverage provided by Consultant or subcontractors as required by this Agreement shall be deemed inadequate and a material breach of this Agreement, unless such policy or coverage is issued by insurance companies authorized to transact insurance business in the State of California with a policy holder's rating of A or higher and a Financial Class of VII or higher.

12.1.3 **Cancellation**. The policies shall not be canceled unless thirty (30) days' prior written notification of intended cancellation has been given to City by certified or registered mail, postage prepaid.

12.1.4 **Adequacy**. The City, its officers, employees and agents make no representation that the types or limits of insurance specified to be carried by Consultant pursuant to this Agreement are adequate to protect Consultant. If Consultant believes that any required insurance coverage is inadequate, Consultant will obtain such additional insurance coverage as Consultant deems adequate, at Consultant's sole expense.

12.2 **Workers' Compensation Insurance**. By executing this Agreement, Consultant certifies that Consultant is aware of and will comply with Section 3700 of the Labor Code of the State of California requiring every employer to be insured against liability for workers' compensation, or to undertake self-insurance before commencing any of the work. Consultant shall carry the insurance or provide for self-insurance required by California law to protect said Consultant from claims under the Workers' Compensation Act. Prior to City's execution of this Agreement, Consultant shall file with City either 1) a certificate of insurance showing that such insurance is in effect, or that Consultant is self-insured for such coverage, or 2) a certified statement that Consultant has no employees, and acknowledging that if Consultant does employ any person, the necessary certificate of insurance will immediately be filed with City. Any certificate filed with City shall provide that City will be given ten (10) days' prior written notice before modification or cancellation thereof.

12.3 **Commercial General Liability and Automobile Insurance**. Prior to City's execution of this Agreement, Consultant shall obtain, and shall thereafter maintain during the term of this Agreement, commercial general liability insurance, including liability insurance for non-owned and hired automobiles, as required to insure Consultant against damages for personal injury, including accidental death, as well as from claims for property damage, which may arise from or which may concern operations by anyone directly or indirectly employed by, connected with, or acting for or on behalf of Consultant. The City, and its officers, employees and agents, shall be named as additional insureds under the Consultant's insurance policies.

12.3.1 Consultant's commercial general liability insurance policy shall cover both bodily injury (including death) and property damage (including, but not limited to, premises operations liability, products-completed operations liability, independent contractor's liability, personal injury liability, and contractual liability) in an amount not less than $1,000,000 per occurrence and a general aggregate limit in the amount of not less than $2,000,000.

12.3.2 Consultant's automobile liability coverage for non-owned and hired vehicles as referenced in 12.3 above, shall cover both bodily injury and property damage in an amount not less than $1,000,000 per occurrence and an aggregate limit of not less than $1,000,000. All of

Consultant's automobile and/or commercial general liability insurance policies shall cover all vehicles used in connection with Consultant's performance of this Agreement, which vehicles shall include, but are not limited to, Consultant leased vehicles, Consultant's employee vehicles, non-Consultant owned vehicles and hired vehicles.

12.3.3 Prior to City's execution of this Agreement, copies of insurance policies or original certificates along with additional insured endorsements acceptable to the City evidencing the coverage required by this Agreement, for commercial general liability insurance, shall be filed with City and shall include the City and its officers, employees and agents, as additional insureds. Said policies shall be in the usual form of commercial general liability insurance policies, but shall include the following provisions:

> It is agreed that the City of Riverside, and its officers, employees and agents, are added as additional insureds under this policy, solely for work done by and on behalf of the named insured for the City of Riverside.

12.3.4 The insurance policy or policies shall also comply with the following provisions:

a. The policy shall be endorsed to waive any right of subrogation against the City and its sub-consultants, employees, officers and agents for services performed under this Agreement.

b. If the policy is written on a claims-made basis, the certificate should so specify and the policy must continue in force for one year after completion of the services. The retroactive date of coverage must also be listed.

c. The policy shall specify that the insurance provided by Consultant will be considered primary and not contributory to any other insurance available to the City and Endorsement No. CG 20010413 shall be provided to the City.

12.4 **Errors and Omissions Insurance**. Prior to City's execution of this Agreement, Consultant shall obtain, and shall thereafter maintain during the term of this Agreement, errors and omissions professional liability insurance in the minimum amount of $1,000,000 to protect the City from claims resulting from the Consultant's activities.

12.5 **Subcontractors' Insurance**. Consultant shall require all of its subcontractors to carry insurance, in an amount sufficient to cover the risk of injury, damage or loss that may be caused by the subcontractors' scope of work and activities provided in furtherance of this Agreement, including, but without limitation, the following coverages: Workers Compensation, Commercial General Liability, Errors and Omissions, and Automobile liability. Upon City's request, Consultant shall provide City with satisfactory evidence that Subcontractors have obtained insurance policies and coverages required by this section.

13. **Business Tax**. Consultant understands that the Services performed under this Agreement constitutes doing business in the City of Riverside, and Consultant agrees that Consultant will register for and pay a business tax pursuant to Chapter 5.04 of the Riverside Municipal Code and keep such tax certificate current during the term of this Agreement.

14. **Time of Essence**. Time is of the essence for each and every provision of this Agreement.

15. **City's Right to Employ Other Consultants**. City reserves the right to employ other Consultants in connection with the Project. If the City is required to employ another consultant to complete Consultant's work, due to the failure of the Consultant to perform, or due to the breach of any of the provisions of this Agreement, the City reserves the right to seek reimbursement from Consultant.

16. **Accounting Records**. Consultant shall maintain complete and accurate records with respect to costs incurred under this Agreement. All such records shall be clearly identifiable. Consultant shall allow a representative of City during normal business hours to examine, audit, and make transcripts or copies of such records and any other documents created pursuant to this Agreement. Consultant shall allow inspection of all work, data, documents, proceedings, and activities related to the Agreement for a period of three (3) years from the date of final payment under this Agreement.

17. **Confidentiality**. All ideas, memoranda, specifications, plans, procedures, drawings, descriptions, computer program data, input record data, written information, and other materials either created by or provided to Consultant in connection with the performance of this Agreement shall be held confidential by Consultant, except as otherwise directed by City's Contract Administrator. Nothing furnished to Consultant which is otherwise known to the Consultant or is generally known, or has become known, to the related industry shall be deemed confidential. Consultant shall not use City's name or insignia, photographs of the Project, or any publicity pertaining to the Services or the Project in any magazine, trade paper, newspaper, television or radio production, website, or other similar medium without the prior written consent of the City.

18. **Ownership of Documents**. All reports, maps, drawings and other contract deliverables prepared under this Agreement by Consultant shall be and remain the property of City. Consultant shall not release to others information furnished by City without prior express written approval of City.

19. **Copyrights.** Consultant agrees that any work prepared for City which is eligible for copyright protection in the United States or elsewhere shall be a work made for hire. If any such work is deemed for any reason not to be a work made for hire, Consultant assigns all right, title and interest in the copyright in such work, and all extensions and renewals thereof, to City, and agrees to provide all assistance reasonably requested by City in the establishment, preservation and enforcement of its copyright in such work, such assistance to be provided at City's expense but without any additional compensation to Consultant. Consultant agrees to waive all moral rights relating to the work developed or produced, including without limitation any and all rights of identification of authorship and any and all rights of approval, restriction or limitation on use or subsequent modifications.

20. **Conflict of Interest**. Consultant, for itself and on behalf of the individuals listed in Exhibit "C," represents and warrants that by the execution of this Agreement, they have no interest, present or contemplated, in the Project affected by the above-described Services. Consultant further warrants that neither Consultant, nor the individuals listed in Exhibit "C" have any real property, business interests or income interests that will be affected by this project or, alternatively, that Consultant will file with the City an affidavit disclosing any such interest.

21. **Solicitation**. Consultant warrants that Consultant has not employed or retained any person or agency to solicit or secure this Agreement, nor has it entered into any agreement or understanding for a commission, percentage, brokerage, or contingent fee to be paid to secure this Agreement. For breach of this warranty, City shall have the right to terminate this Agreement without liability and pay Consultant only for the value of work Consultant has actually performed, or, in its sole discretion, to deduct from the Agreement price or otherwise recover from Consultant the full amount of such commission, percentage, brokerage or commission fee. The remedies specified in this section shall be in addition to and not in lieu of those remedies otherwise specified in this Agreement.

22. **General Compliance With Laws**. Consultant shall keep fully informed of federal, state and local laws and ordinances and regulations which in any manner affect those employed by Consultant, or in any way affect the performance of services by Consultant pursuant to this Agreement. Consultant shall at all times observe and comply with all such laws, ordinances and regulations, and shall be solely responsible for any failure to comply with all applicable laws, ordinances and regulations. Consultant represents and warrants that Consultant has obtained all necessary licenses to perform the Scope of Services and that such licenses are in good standing. Consultant further represents and warrants that the services provided herein shall conform to all ordinances, policies and practices of the City of Riverside.

23. **Waiver**. No action or failure to act by the City shall constitute a waiver of any right or duty afforded City under this Agreement, nor shall any such action or failure to act constitute approval of or acquiescence in any breach thereunder, except as may be specifically, provided in this Agreement or as may be otherwise agreed in writing.

24. **Amendments**. This Agreement may be modified or amended only by a written agreement and/or change order executed by the Consultant and City.

25. **Termination**. City, by notifying Consultant in writing, shall have the right to terminate any or all of Consultant's services and work covered by this Agreement at any time. In the event of such termination, Consultant may submit Consultant's final written statement of the amount of Consultant's services as of the date of such termination based upon the ratio that the work completed bears to the total work required to make the report complete, subject to the City's rights under Sections 15 and 26 hereof. In ascertaining the work actually rendered through the termination date, City shall consider completed work, work in progress and complete and incomplete reports and other documents only after delivered to City.

25.1 Other than as stated below, City shall give Consultant thirty (30) days' prior written notice prior to termination of Investment Advisory services and sixty (60) days' prior

written notice prior to termination of Administrative services.

25.2 City may terminate this Agreement upon fifteen (15) days' written notice to Consultant, in the event:

25.2.1 Consultant substantially fails to perform or materially breaches the Agreement; or

25.2.2 City decides to abandon or postpone the Project.

26. **Offsets**. Consultant acknowledges and agrees that with respect to any business tax or penalties thereon, utility charges, invoiced fee or other debt which Consultant owes or may owe to the City, City reserves the right to withhold and offset said amounts from payments or refunds or reimbursements owed by City to Consultant. Notice of such withholding and offset, shall promptly be given to Consultant by City in writing. In the event of a dispute as to the amount owed or whether such amount is owed to the City, City will hold such disputed amount until either the appropriate appeal process has been completed or until the dispute has been resolved.

27. **Successors and Assigns**. This Agreement shall be binding upon City and its successors and assigns, and upon Consultant and its permitted successors and assigns, and shall not be assigned by Consultant, either in whole or in part, except as otherwise provided in paragraph 9 of this Agreement.

28. **Venue.** Any action at law or in equity brought by either of the parties hereto for the purpose of enforcing a right or rights provided for by this Agreement shall be tried in the Superior Court, County of Riverside, State of California, and the parties hereby waive all provisions of law providing for a change of venue in such proceedings to any other county. In the event either party hereto shall bring suit to enforce any term of this Agreement or to recover any damages for and on account of the breach of any term or condition of this Agreement, it is mutually agreed that each party will bear their own attorney's fees and costs.

29. **Nondiscrimination**. During Consultant's performance of this Agreement, Consultant shall not discriminate on the grounds of race, religious creed, color, national origin, ancestry, age, physical disability, mental disability, medical condition, including the medical condition of Acquired Immune Deficiency Syndrome (AIDS) or any condition related thereto, marital status, sex, genetic information, gender, gender identity, gender expression, or sexual orientation, military and veteran status, in the selection and retention of employees and subcontractors and the procurement of materials and equipment, except as provided in Section 12940 of the California Government Code. Further, Consultant agrees to conform to the requirements of the Americans with Disabilities Act in the performance of this Agreement.

30. **Severability**. Each provision, term, condition, covenant and/or restriction, in whole and in part, of this Agreement shall be considered severable. In the event any provision, term, condition, covenant and/or restriction, in whole and/or in part, of this Agreement is declared invalid, unconstitutional, or void for any reason, such provision or part thereof shall be severed from this

Agreement and shall not affect any other provision, term, condition, covenant and/or restriction of this Agreement, and the remainder of the Agreement shall continue in full force and effect.

31. **Authority**. The individuals executing this Agreement and the instruments referenced herein on behalf of Consultant each represent and warrant that they have the legal power, right and actual authority to bind Consultant to the terms and conditions hereof and thereof.

32. **Entire Agreement**. This Agreement constitutes the final, complete, and exclusive statement of the terms of the agreement between the parties pertaining to the subject matter of this Agreement and supersedes all prior and contemporaneous understandings or agreements of the parties. Neither party has been induced to enter into this Agreement by and neither party is relying on, any representation or warranty outside those expressly set forth in this Agreement.

33. **Digital and Counterpart Signatures**. Each party to this Agreement intends and agrees to the use of digital signatures that meet the requirements of the California Uniform Electronic Transactions Act (Civil Code §§ 1633.1, et seq.), California Government Code § 16.5, and California Code of Regulations Title 2 Division 7 Chapter 10, to execute this Agreement. The parties further agree that the digital signatures of the parties included in this Agreement are intended to authenticate this writing and to have the same force and effect as manual signatures for purposes of validity, enforceability, and admissibility. For purposes of this section, a "digital signature" is defined in subdivision (d) of Section 16.5 of the Government Code and is a type of "electronic signature" as defined in subdivision (h) of Section 1633.2 of the Civil Code. This Agreement may be executed in any number of counterparts, each of which will be an original, but all of which together will constitute one instrument. Each certified or authenticated electronic copy of an encrypted digital signature shall be deemed a duplicate original, constituting one and the same instrument and shall be binding on the parties hereto.

34. **Interpretation**. City and Consultant acknowledge and agree that this Agreement is the product of mutual arms-length negotiations and accordingly, the rule of construction, which provides that the ambiguities in a document shall be construed against the drafter of that document, shall have no application to the interpretation and enforcement of this Agreement.

34.1 Titles and captions are for convenience of reference only and do not define, describe or limit the scope or the intent of the Agreement or any of its terms. Reference to section numbers, are to sections in the Agreement unless expressly stated otherwise.

34.2 This Agreement shall be governed by and construed in accordance with the laws of the State of California in effect at the time of the execution of this Agreement.

34.3 In the event of a conflict between the body of this Agreement and Exhibit "A" - Scope of Services hereto, the terms contained in Exhibit "A" shall be controlling.

35. **Exhibits**. The following exhibits attached hereto are incorporated herein to this Agreement by this reference:

Exhibit "A" - Scope of Services

ARTICLE 6

REPRESENTATIONS AND WARRANTIES

6.1 The Employer hereby represents and warrants that each of the following statements is true and correct to the best of its knowledge:

(a) The Employer is a state, a political subdivision of a state or another public agency whose income is excludable from gross income under section 115 of the Code that is established and maintained under the laws of the [State/Commonwealth] of California.

(b) The Employer has established and maintains one or more Plans the exclusive purpose of each is to provide OPEB or retirement benefits to its former employees.

(c) The exclusive purpose of the Employer's participation in the Trust is to fund the Pension Obligation or OPEB Obligation, or both, under the Employer's Plans.

(d) The Employer's participation in the Trust for the purpose of funding, as applicable, the Pension Obligation or OPEB Obligation, or both, under the Employer's Plans is authorized under the laws of the [State/Commonwealth] of California.

(e) The Employer's Plans do not permit participants to direct or otherwise exercise in any manner, whether direct or indirect, control over the investment of their accounts or benefits accrued under the Plans.

(f) The Employer has received copies, and has read and understands the terms, of the Trust.

ARTICLE 7

STANDARD OF CARE AND INDEMNIFICATION

7.1 Standard of Care. The Trustee and the Trust Administrator must discharge their duties in accordance with the standard of care set forth in Section 6.01 of the Trust.

7.2 Employer Indemnification of Trustee. The Employer, from its own funds and not from any assets of the Trust, agrees to indemnify the Trustee and each of its affiliates against, and will hold them harmless from, any and all loss, claims, liability, and expense, including cost of defense and reasonable attorneys' fees, imposed upon or incurred at any time by any of them by reason of or in connection with the performance of the Trustee's services under this Agreement, except to the extent such damages resulted from the Trustee's or affiliate's performance (or non-performance) of its duties under the Trust in a manner that constitutes willful misconduct or willful breach of the standard of care articulated in Section 6.01 of the Trust.

7.3 Employer Indemnification of Trust Administrator. Employer, from its own funds and not from any assets of the Trust, agrees to indemnify the Trust Administrator and each of its affiliates against, and will hold them harmless from, any and all damages imposed upon or incurred by any of them by reason of, or in connection with its services under the Trust or the Trust Administrative Services Agreement, except to the extent that such damages resulted from the Trust Administrator's or affiliate's performance (or non-performance) of its duties under the Trust or the Trust Administrative Services Agreement in a manner that constitutes willful misconduct or willful breach of the standard of care articulated in Section 6.01 of the Trust.

7.4 Trustee Indemnification of Employer. The Trustee, from its own funds and not from any assets of the Trust, agrees to indemnify the Employer and each of its affiliates against and will hold them harmless from, any and all loss, claims, liability, and expense, including cost of defense and reasonable attorneys' fees, imposed upon or incurred at any time by any of them by reason of or in connection with the performance of the Trustee's services under this Agreement, except to the extent such damages resulted from the Employer's performance (or non-performance) of its duties under the Trust Administrative Services Agreement, that are the direct result of the gross negligence, willful misconduct or breach of this Agreement by the Trustee, or any of its affiliates.

7.5 Trust Administrator Indemnification of Employer. Trust Administrator, from its own funds and not from any assets of the Trust, agrees to indemnify the Employer and each of its affiliates against, and will hold them harmless from, any and all damages imposed upon or incurred by any of them by reason of, or in connection with its services under the Trust or the Trust Administrative Services Agreement, except to the extent that such damages resulted from the Employer's performance or (non-performance) of its duties under the Trust or the Trust Administrative Services Agreement, that are the direct result of the gross negligence, willful misconduct or breach of this Agreement by the Trust Administrator, or any of its affiliates.

ARTICLE 8

AMENDMENT

The Employer understands and agrees that the Trust may be amended from time to time by the Trust Administrator with the approval of two-thirds of the Employers then participating in the Trust.

ARTICLE 9

NO GUARANTEE OF INVESTMENT RESULTS

The Employer understands and acknowledges that investments in the Trust involve risk and that there is no guarantee of investment performance or other performance of the Trust, including but not limited to custodians, depositories, or counterparties to investment strategies of the Trust.

ARTICLE 10

ADOPTION OF TRUST

By executing this Adoption Agreement, the Employer hereby adopts and agrees to be bound by the terms of the Trust and hereby approves, ratifies and confirms the appointment of Alta Trust Company as the Trustee and Shuster Advisory Group, LLC as the Trust Administrator as of the effective date of this Adoption Agreement. This Adoption Agreement and the Trust Agreement are effective upon the Effective Date of the Adoption Agreement.

TRUST ADMINISTRATIVE SERVICES AGREEMENT

EXHIBIT C

PLAN ADMINISTRATOR: SPECIMEN SIGNATURE

TRUST ADMINISTRATIVE SERVICES AGREEMENT

This agreement ("Agreement") is made this 27th day of June , 2024, by and between City of Riverside (the "Employer") and SHUSTER ADVISORY GROUP, LLC (the "Trust Administrator").

WHEREAS, the Employer has adopted one or more plans, policies, or collective bargaining agreements ("Plans") in order to provide other post-employment health and welfare benefits (other than pensions) ("OPEB") or retirement benefits; and

WHEREAS, the Trust Administrator and Alta Trust Company (the "Trustee") have entered into an agreement (the "Trust Agreement") establishing the Multiple Employer OPEB/Pension 115 Trust (the "Trust"); and

WHEREAS, the Employer has adopted the Trust by executing the adoption agreement to which this Agreement is attached (the "Adoption Agreement"") in order to fund the OPEB and retirement benefits payable under the Plans; and

WHEREAS, the Employer wishes to retain the services of the Trust Administrator to administer the Employer's account under the Trust ("Account").

NOW THEREFORE, the Employer and the Trust Administrator hereby agree as follows:

Capitalized words not defined this document are defined in the Trust Agreement.

1. Trust Administrator Services

The Trust Administrator will provide the following services for the Employer's Account:

1.1 Administrative Services

A. Instruct the custodian of the Account to make disbursements from the Employer's Account at the direction of the Employer for the payment of OPEB or retirement benefits under the Employer's Plans funded by the Account;

B. Verify custodian's receipt of contributions made to the Account as informed by the Employer;

C. Provide the Employer after the end of each calendar quarter with an analysis of the performance of the investments of the Account and a statement of the changes in the investments made during such calendar quarter;

D. Provide annual statements of Trust accounts;

E. Instruct the custodian to disburse funds from the Account for the payment of the fees and expenses described in Section 2.1 and 3.2; and

F. Coordinate such other actions with the Trustee and custodian of the Account as directed by the Plan Administrator that are within the scope of the Trust Administrator's duties under the Trust Agreement.

1.2 Investment Management Services

A. Determine the asset allocation of investments in the Employer's Account ("Investment Strategy") based on information provided by the Employer or the Plan Administrator, including the anticipated amounts of cash required by the Plans for distributions and other expenses, and the appropriate risk tolerance for the Plans based on the Plans' asset-liability characteristics and the Employer's resources;

B. Prepare a recommended policy statement of the Account's Investment Strategy acceptable to the Employer to the extent necessary to accomplish the Account's Investment Strategy ("Investment Policy Statement");

C. Execute the Account's Investment Strategy by instructing the Trustee to buy and sell shares of investments permitted under the Trust in accordance with the Investment Policy Statement;

D. In consultation with the Employer, reassess and alter the Investment Strategy and Investment Policy Statement at least annually to the extent necessary to "rebalance" the Account investments; and

E. Perform reviews at least annually of the performance of the investments held in the Account, add or reduce allocations to each investment or add or delete investments in its judgment (to the extent permitted under the Investment Policy Statement and the Trust), and promptly advise the Employer of any additions or deletions of Account investments.

2. Compensation

2.1 Fees. For all services provided by the Trust Administrator under this Agreement and the Trustee under the Trust Agreement, the following fees will apply:

Trust Administration Fees (This Agreement)[1]:	0.01%
Trustee Fees (Trust Adoption Agreement)[2]:	0.02%
Custodial Asset Based Fee (Custodial Agreement)[3]:	0.01%
Investment Advisory Fees (Investment Advisory Agmt.):	0.06%

Fees will be collected quarterly other than the Investment Advisory Fee which will be collected monthly.

1 - Will convert to a flat dollar fee after the end of contract year-3 based on the highest year-end balance of the first 3 contract years.
2 - Annual minimum fee per plan of $500. Annual maximum fee per plan of $5,000.
3 - Annual minimum fee per plan of $400. Custodian may also charge fees related to non-standard assets, checks and wire fees outlined in the Custodial Agreement for the Plan.

The Trust Administrator will notify the Employer in writing of any change in the above fee amounts at least 60 days before the effective date of the change.

2.2 Fees for Additional Services. If and to the extent that the Employer requests the Trust Administrator to render services other than those described under this Agreement, such additional services will be compensated separately on terms to be agreed upon between the Trust Administrator and the Employer.

2.3 Pooled Investments. Assets invested by the Trust Administrator under the terms of this Agreement may from time to time be invested in individual securities, or in a proprietary money market mutual fund or local government investment pool (either, a "Pool"). Each Pool is a commingled fund managed by the Trust Administrator. Average daily net assets subject to the fees described in this section shall not take into account any funds invested in the Pool. Expenses of the Pool, including compensation for the Trust Administrator and the Pool custodian, are described in the relevant prospectus or information statement and are paid from the Pool.

3. Expenses

3.1 Furnishing of Administrative Services, Office Space, Equipment and Personnel. The Trust Administrator will furnish at its own expense all necessary administrative services, office space, equipment, clerical personnel, telephone and other communication facilities, investment advisory facilities, and executive and supervisory personnel required to perform the services under this Agreement, inclusive of reasonable costs required to attend meetings with the Employer.

3.2 Expenses of Employer's Account. Except as otherwise provided in this Agreement, Employer agrees to pay all expenses under the Trust incurred by (or allocable to) the Employer's Account including, without limitation, taxes, expenses (including front- or back-end charges) of an investment fund, fees and expenses of the Account's independent auditors and legal counsel, insurance premiums, expenses of the Trustee, the keeping of books and accounts, and the allocable costs of the annual Trust accounting described in Section 9.02 of the Trust Agreement. The Trust Administrator will calculate expenses allocable to the Account on a pro-rata basis, or in any other reasonable and equitable manner determined by the Trust Administrator.

4. Payment Terms. At the end of each calendar month, the Trust Administrator will prepare and submit fees and expenses under this Agreement as described in Sections 2.1 and 3.2. Except to the extent that the Employer has elected in the Adoption Agreement to pay such fees and expenses, the Employer authorizes the Trust Administrator to charge such fees and expenses to the Employer's Account and authorizes and instructs the custodian to disburse funds from the Account for the payment of the fees and expenses. If the Employer has elected in the Adoption Agreement to pay such fees and expenses the Trust Administrator will prepare and submit monthly invoices to the Employer. If the Employer does not fully pay any invoice within 15 calendar days after the invoice's postmark, then the Employer hereby authorizes the Trust Administrator to charge the unpaid amount to the Account and instructs the custodian to disburse such amount from the Account for the payment of the fees and expenses. If sufficient funds are not available or cannot for any reason

otherwise be disbursed from the Account, the Trust Administrator will notify the Employer, and the Employer will pay the unpaid amount to the Trust Administrator from other sources within 10 calendar days after receiving the notice.

5. **Registered Advisor; Duty of Care.** The Trust Administrator hereby represents it is a registered investment advisor under the Investment Advisers Act of 1940. The Trust Administrator will immediately notify the Employer if at any time during the term of this Agreement it is not so registered or if its registration is suspended. The Trust Administrator agrees to perform its duties and responsibilities under this Agreement with reasonable care. The federal securities laws impose liabilities under certain circumstances on persons who are required to act in good faith. Nothing herein in any way constitutes a waiver or limitation of any rights which the Employer, the Trust, or the Trust Administrator may have under any federal securities laws. The Employer hereby authorizes the Trust Administrator to sign an Internal Revenue Service Form W-9 on behalf of the Employer and to deliver such form to broker-dealers or others from time to time as required in connection with securities transactions pursuant to this Agreement.

6. **Trust Administrator's Other Clients.** The Employer understands that the Trust Administrator performs investment advisory services for various other clients which may include investment companies, commingled trust funds and/or individual portfolios. The Employer agrees that the Trust Administrator, in the exercise of its professional judgment, may give advice or take action with respect to any of its other clients which may differ from advice given or the timing or nature of action taken with respect to the Account. The Trust Administrator has no obligation to purchase, sell or exchange any security for the Employer solely by reason of the fact that the Trust Administrator, its principals, affiliates, or employees may purchase, sell or exchange such security for the account of any other client or for itself or its own accounts.

7. **Risk Acknowledgment.** The Trust Administrator does not guarantee the future performance of the Account or any specific level of performance, the success of any investment decision or strategy that the Trust Administrator may use, or the success of Trust Administrator's overall management of the Account. The Employer understands that investment decisions made for the Employer's Account by the Trust Administrator are subject to various markets, currencies, economic, political and business risks, and that those investment decisions will not always be profitable. The Employer understands that past performance does not necessarily predict future performance for the Account. The Trust Administrator will manage only the securities, cash and other investments held in Employer's Account and in making investment decisions for the Account, the Trust Administrator will not consider any other securities, cash or other investments owned by the Employer or any of the Plans. Neither the Trust Administrator nor its officers, directors, agents, employees, and affiliate shall be liable for any losses in the Account, or any loss, cost, indebtedness, or liabilities arising from the Trust Administrator's management of the investments in the Account (together, "Losses") except for any Losses that result from an act or omission of the Trust Administrator constituting a violation of law or an act or omission of the Trust Administrator constituting gross negligence, willful misfeasance, bad faith or reckless disregard of its obligations under this Agreement or as otherwise may be provided by law. The Trust Administrator is not responsible for any loss incurred by reason of any act or omission of the Employer, the custodian of the Account, a third party manager, any broker-dealer, or any other third party.

8. **Term of Agreement.** This Agreement will remain in effect until terminated by either party at any time by giving 60 days' written notice to the other party of its intent to terminate.

9. **Force Majeure.** The Trust Administrator has no liability for any losses arising out of the delays in performing or inability to perform the services which it renders under this Agreement which result from events beyond its control, including interruption of the business activities of the Trust Administrator or other financial institutions due to acts of God, acts of governmental authority, acts of war, terrorism, civil insurrection, riots, labor difficulties, or any action or inaction of any carrier or utility, or mechanical or other malfunction.

10. **Disciplinary Actions.** The Trust Administrator will promptly notify the Employer if the Trust Administrator is found to have violated any state or federal securities law or regulation in any criminal action or civil suit in any state or federal court or in any disciplinary proceeding before the Securities and Exchange Commission or any other regulatory agency or department of the United States, any registered securities exchange, the Financial Industry Regulatory Authority, or any regulatory authority of any State based upon the performance of services as an investment advisor.

11. **Confidentiality.** The Trust Administrator will not disclose any information relating to the Plans or the Account except to authorized officers of the Employer, the Plan Administrator the Trustee and third parties retained by the Trust Administrator to perform specific services within this Agreement without the Employer's consent. The Employer will not disclose any information relating the Trust to individuals other than authorized officers of the Employer and the Plan Administrator, or their respective designees, without the Trust Administrator's consent.

12. **Independent Contractor.** The Trust Administrator, its employees, officers and representatives, will not be deemed to be employees, agents (except as to the purchase or sale of securities described in Section 1), partners, servants, and/or joint ventures of the Employer or the Account by virtue of this Agreement or any actions or services rendered under this Agreement.

13. **Records.** The Trust Administrator will maintain appropriate records of all its activities hereunder. The Trust Administrator will use its best efforts to provide the Employer with a statement within 60 days following the end of each calendar quarter showing deposits, withdrawals, purchases and sales (or maturities) of investments, earnings received during the quarter, and the value of assets held on the last business day of the calendar quarter, all as provided for in the Trust Agreement, based on the information requested from and furnished to it by the Trustee.

14. **Ownership of Reports and Documents.** The Trust Administrator acknowledges that the originals of all correspondence, documents, reports and records produced in the course of providing the services pursuant to this Agreement are the property of the Employer. In the event this Agreement is terminated, the Trust Administrator agrees to provide such originals to the Employer. The Trust Administrator will not furnish copies of any such correspondence, documents reports and records to any party other than the Employer or the Plan Administrator, or their respective designees, or third parties retained by the Trust Administrator to perform services under this Agreement without the Employer's consent. Notwithstanding the preceding provisions of this paragraph, the Trust Administrator is authorized to retain copies of any correspondence, documents,

reports, and records to the extent needed to comply with applicable law, including but not limited to federal securities laws.

15. **Trust Administrator's Disclosure Statement.** The Trust Administrator warrants that it has delivered to the Employer, at least 48 hours prior to the execution of this Agreement, the Trust Administrator's current Securities and Exchange Commission Form ADV, Part II, including, without limitation, Schedule H thereto (disclosure statement). The Employer acknowledges receipt of such disclosure statement at least 48 hours prior to the execution of this Agreement.

16. **Amendment.** This Agreement shall not be changed, modified, terminated or discharged in whole or in part, except by an instrument in writing signed by both parties hereto, or their respective successors or assigns.

17. **Successors and Assigns.** The provisions of this Agreement are binding on the Trust Administrator and its respective successors and assigns, provided, however, that the rights and obligations of the Trust Administrator may not be assigned without the Employer's consent.

18. **Designees.** In accordance with Section 1.18 of the Trust Agreement, the Employer will certify to the Trust Administrator in writing the persons or entity with the plenary authority pursuant to applicable state law over the investment and management of the Employer's Plans or its designee ("Plan Administrator"). The Plan Administrator has the authority to act on behalf of, and to exercise any of the rights of, the Employer under this Agreement. In accordance with Section 6.1(l) of the Trust Agreement, the Trust Administrator may designate and engage the services of such agents, representatives, advisors, counsel, accountants and other third parties, including affiliates of the Trust Administrator, and delegate its authority to perform specified services under this Agreement to such third parties. Any such designee shall have the authority to perform the services delegated to it by the Trust Administrator. Any officer of the Trust Administrator has the authority to exercise any of the rights of the Trust Administrator under this Agreement.

19. **Notice.** Written notices required under this Agreement will be sent by regular mail, certified mail, overnight delivery or courier, and will be deemed given when received at the parties' respective addresses shown below. Either party must notify the other party in writing of a change in address.

Employer's Address:

City of Riverside
3900 Main Street
Riverside, CA 92501
Attn: City Manager

Trust Administrator's Address:

Shuster Advisory Group, LLC
155 N. Lake Ave, #500
Pasadena, CA 91101
Attn: Mark Shuster, Managing Member

20. **Non-Binding Mediation.** In the event of a dispute under this Agreement, any party may give the other Party written notice of any dispute not resolved in the normal course of business. In the event that any dispute is not settled within 30 days after written notice, each party agrees to submit to non-binding mediation prior to the commencement of any legal or administrative proceeding against each other arising out of or relating to this Agreement, its enforcement or interpretation, or because of an alleged breach, default, or misrepresentation in connection with any of its provisions. If the parties are unable to agree upon an individual to serve as a mediator, they shall each select an attorney or other individual recognized as an approved mediator, and those two individuals shall jointly agree upon the selection of a third individual who shall alone serve as a mediator. The costs of mediation shall be shared equally. If such dispute is not resolved by such non-binding mediation, the parties shall have the right to resort to any remedies permitted by law. All defenses based on passage of time shall be tolled during the mediation.

21. **Applicable Law.** This Agreement will be construed, enforced and administered according to the laws of the state of California, without regard to its conflicts of law principles. In the event that either party institutes legal proceedings against the other, venue will lie in any court of competent jurisdiction in the state of California.

22. **Entire Agreement.** This Agreement, including exhibits and any other documents referenced herein, constitutes the entire agreement of the parties with respect to the subject matter of this Agreement, and supersedes all prior negotiations, agreements, and understandings, whether written or oral, with respect thereto.

23. **Severability.** If any provision of this Agreement is held by any court of competent jurisdiction to be invalid or unenforceable, the remaining provisions of the Agreement will continue in full force and effect.

24. **Counterparts.** This Agreement may be executed in any number of counterparts and by different parties in separate counterparts, each of which when so executed will be deemed to be a complete original and all of which together will constitute one and the same Agreement.

IN WITNESS WHEREOF, the parties hereto have caused this Agreement to be executed by their authorized officers on the date set forth in the first paragraph of this Agreement.

INVESTMENT ADVISOR AGREEMENT
MULTIPLE EMPLOYER OPEB/PENSION 115 TRUST

This agreement ("Agreement") is entered into between **Shuster Advisory Group, LLC** ("SHUSTER"), a California limited liability company, and **City of Riverside** ("EMPLOYER") as further identified on Appendix A., as the responsible plan fiduciary for the **Plans** as further identified in Appendix A, desires to engage SHUSTER to provide the services described in this Agreement according to the terms of this Agreement.

1. **Fiduciary Authority.** The account for which SHUSTER is providing investment advisory service is part of a multiple employer trust intended to qualify as a tax-exempt trust of a state or political subdivision thereof for an essential governmental function within the meaning of Section 115 of the Code and any regulations issued thereunder and the EMPLOYER has fiduciary authority with respect to the account for the employer.

2. **Term.** The term of this Agreement will commence **"Effective Date".**

3. **Services.** SHUSTER agrees to perform the Fiduciary Services described in Appendix B.

4. **Fees.**

   (A) The compensation, direct and indirect, of SHUSTER for the performance of the Services is described in Appendix C.

5. **Fiduciary Status: Limitations on Functions.** EMPLOYER acknowledges that:

   (A) In performing the Fiduciary Services, SHUSTER is acting as an investment fiduciary of the Plan and as a registered investment advisor under the Investment Advisers Act of 1940.

   (B) In performing Fiduciary Services, SHUSTER does not act as, nor has SHUSTER agreed to assume the duties of, a trustee or the Plan Administrator, and SHUSTER has no discretion or responsibility to interpret the Plan documents, to determine eligibility or participation under the Plan, or to take any other action with respect to the management, administration or any other aspect of the Plan.

   (C) SHUSTER does not provide legal or tax advice.

   (D) Investments are subject to various market, political, currency, economic, and business risks, and may not always be profitable. As a result, SHUSTER does not and cannot guarantee financial results.

   (E) SHUSTER may, by reason of performing services for other EMPLOYERs, from time to time acquire confidential information. EMPLOYER acknowledges and agrees that SHUSTER is unable to divulge to the EMPLOYER or any other party, or to act upon, any such confidential information with respect to its performance of this Agreement.

   (F) SHUSTER is entitled to rely upon all information provided to SHUSTER (whether financial or otherwise) from reputable third parties or by EMPLOYER, EMPLOYER's representatives or third-party service providers to EMPLOYER, the Plan or SHUSTER, without independent verification. EMPLOYER agrees to promptly notify SHUSTER in writing of any material change in the financial and other information provided to SHUSTER and to promptly provide any such additional information as may be reasonably requested by SHUSTER.

   (G) EMPLOYER understands that SHUSTER: (i) may perform other services for other clients, (ii) may charge a different fee for other clients, and (iii) may give advice and take action that is different for each client even when retirement plans are similar.

(H) SHUSTER has no responsibility to provide any services related to assets not included in the SHUSTER investment portfolio or purchased directly by Client. Such assets shall be referred to collectively as "Excluded Assets." The Excluded Assets shall be disregarded in determining the Fees payable to SHUSTER pursuant to this Agreement, and the Fees shall be calculated only on the remaining assets (the "Included Assets").

6. **Representations of EMPLOYER.** EMPLOYER represents and warrants as follows:

(A) It is the responsible plan fiduciary for the control and/or management of the assets of the Plan, and for the selection and monitoring of service providers for the Plan. SHUSTER is entitled to rely upon this statement until notified in writing to the contrary.

(B) The person signing the Agreement on behalf of EMPLOYER has all necessary authority to do so.

(C) The execution of this Agreement and the performance thereof is within the scope of the investment authority authorized by the governing instrument and/or applicable laws. The signatory on behalf of EMPLOYER represents that the execution of the Agreement has been duly authorized by appropriate action and agrees to provide such supporting documentation as may be reasonably required by SHUSTER.

(D) The Plan and related Trust permit payment of fees out of Plan assets. EMPLOYER has determined that the fees charged by SHUSTER are reasonable and are the obligation of the Plan; however, if EMPLOYER desires, it may pay the fees directly, rather than with Plan assets.

7. **Representation of SHUSTER.** SHUSTER represents as follows:

(A) SHUSTER is registered as an investment adviser ("RIA") under the Investment Advisers Act of 1940.

(B) The person signing this agreement on behalf SHUSTER has the power and authority to enter into and perform this Agreement.

(C) SHUSTER agrees to take reasonable steps to protect Private Participant Information and Plan Investment Data in its possession;

SHUSTER is not responsible for the assessment of systems and procedures of third parties for the protection of plan and participant data;

SHUSTER is not responsible for the actions by or the failure to act by EMPLOYER, by other service providers, or by Plan participants to protect Data;

SHUSTER shall have no liability in the event of a Data breach or a violation of participant privacy rights (under the California Consumer Privacy Act or otherwise) unless said breach is the direct result of negligence, recklessness, or willful misconduct of an employee of SHUSTER.

8. **Standard of Care.** SHUSTER will perform the Fiduciary Services described in Appendix B to the Plan in accordance with the standard of care of the prudent man rule set forth in ERISA Section 404(a)(1)(B).

9. **Termination.** Either party may terminate this Agreement upon 30 days prior written notice to the other party. Such termination will not, however, affect the liabilities or obligations of the parties arising from transactions initiated prior to such termination, and such liabilities and obligations (together with the provisions of section 8, 17, and 18) shall survive any expiration or termination of this Agreement. Upon termination, SHUSTER will have no further obligation under this Agreement to act or advise EMPLOYER with respect to services under this Agreement.

10. **Receipt of Disclosure and Consent to Electronic Delivery.** EMPLOYER acknowledges receipt and undertakes to review and consider the disclosures made by SHUSTER (including in this Agreement, the Form

ADV Part 2 and SHUSTER Privacy Policy), in particular the portions related to services, compensation, and potential conflicts of interest, as well as the remainder of the disclosures concerning, among other matters, background information such as educational and business history, business practices such as the types of advisory services provided, the methods of securities analysis used, and the like.

Further, EMPLOYER consents to electronic delivery (via email or other generally accepted method) of current and future distributions of SHUSTER's Form ADV Part 2 and Privacy Policy. Consent to electronic delivery may be canceled at any time by sending a written request to SHUSTER.

11. **Notices.** Any and all notices required or permitted under this Agreement shall be in writing and shall be sufficient in all respects if (i) delivered personally, (ii) mailed by registered or certified mail, return receipt requested and postage prepaid, or (iii) sent via a nationally recognized overnight courier service to the EMPLOYER's address listed on Appendix A and SHUSTER's address, 155 N. Lake Ave, Ste. 500, Pasadena, CA 91101, or such other address as any party shall have designed by notice in writing to the other party.

12. **Assignability.** This Agreement is not assignable by either Party hereto without the prior written consent of the other Party.

13. **Effect.** This Agreement shall be binding upon and shall inure to the benefit of the Parties and their respective heirs, successors, survivors, administrators and assigns.

14. **Entire Understanding and Modification.** This Agreement constitutes and contains the entire understanding between the parties and supersedes all prior oral or written statements dealing with the subject matter herein. This Agreement can be amended or modified by the written consent of the Parties.

15. **Severability.** If any one or more of the provisions of this Agreement shall, for any reason, be illegal or invalid, such illegality or invalidity shall not affect any other provision of this Agreement and this Agreement shall be enforced as if such illegal or invalid provision had not been contained herein.

16. **Headings.** All headings used herein are for ease of reference only and in no way shall be construed as interpreting, decreasing or enlarging the provisions of this Agreement.

17. **Applicable Law; Forum.** The laws of the State of California shall govern this Agreement in all respects, including but not limited to the construction and enforcement thereof, unless otherwise preempted or superseded by federal law.

18. **Non-Binding Mediation.** In the event of a dispute under this Agreement, any party may give the other Party written notice of any dispute not resolved in the normal course of business. In the event that any dispute is not settled within 30 days after written notice, each party agrees to submit to non-binding mediation prior to the commencement of any legal or administrative proceeding against each other arising out of or relating to this Agreement, its enforcement or interpretation, or because of an alleged breach, default, or misrepresentation in connection with any of its provisions. If the parties are unable to agree upon an individual to serve as a mediator, they shall each select an attorney or other individual recognized as an approved mediator, and those two individuals shall jointly agree upon the selection of a third individual who shall alone serve as a mediator. The costs of mediation shall be shared equally. If such a dispute is not resolved by such non-binding mediation, the parties shall have the right to resort to any remedies permitted by law. All defenses based on passage of time shall be tolled during the mediation.

19. **Amendment Process.** The Agreement may be modified, by written agreement of both EMPLOYER and SHUSTER.

20. **Waiver of Limitation.** Nothing in this Agreement shall in any way constitute a waiver or limitation of any rights which EMPLOYER or Plan or any other party may have under federal or state securities laws.

This Agreement constitutes both an agreement between the parties and a disclosure statement. The Parties have caused this Agreement to be executed by their duly authorized officers as of the date set forth above. This Agreement shall not be binding on SHUSTER or the EMPLOYER until each has accepted it, in writing, as indicated by their signatures below.

APPENDIX B – FIDUCIARY SERVICES

SHUSTER will perform the following fiduciary services:

1. Development of an Investment Policy Statement (IPS). The IPS establishes the investment policies and objectives for the Plan(s) as well as the criteria and standards for selecting and monitoring the investments. The EMPLOYER shall have the ultimate responsibility and authority to establish such policies and objectives and to adopt the investment policy statement.

2. Consistent with the Investment Policy Statement, SHUSTER will select the initial investment options within the Plan(s).

3. SHUSTER will periodically review the investments within the Plan(s) and shall be responsible for making additions/deletions thereto.

4. SHUSTER will provide periodic investment advisory reports that document consistency of fund management and performance to the guidelines set forth in the IPS, and to make recommendations to maintain, or remove and replace investment options. Reports to include: Market Overview, In-Depth Portfolio Summary, Plan Asset Allocation Analysis and Fund Performance Comparison to the Index.

5. Meet with EMPLOYER on a periodic basis to discuss reports and recommendations.

6. Annually review the IPS with the EMPLOYER to ensure it continues to meet the EMPLOYER's needs.

LIMITATIONS ON FIDUCIARY SERVICES

SHUSTER shall not be responsible or liable for the recommendations of or services rendered by anyone other than SHUSTER. The ability to perform the above services is contingent upon the rules, policies, processes, and responsiveness to our requests for information of EMPLOYER, Plan Sponsor, Custodian, and Trustee.

APPENDIX C - FEE SCHEDULE

1. SHUSTER will not receive any other compensation, direct or indirect, for its services under this agreement. If SHUSTER receives any other compensation for Services, SHUSTER will disclose the amount of such compensation, the services provided for such compensation, the payer of such compensation, and a description of SHUSTER's arrangement with the payer to the EMPLOYER and will offset that compensation against its stated fees.
2. All fees are billed in arrears.
3. The initial fee will be the amount, prorated for the number of days included in the initial billing period from the effective payment start date.
4. If this Agreement is terminated prior to the end of a billing period, SHUSTER shall be entitled to a fee, prorated for the number of days in the billing period prior to the effective date of termination.
5. All fees will be due and payable within 30 days and are payable to "Shuster Advisory Group, LLC"
6. The annual fee for services shall be as follows:

   Beginning with the effective date of this Agreement, the annual fee for service shall be 0.06% (6 basis points) per annum, charged as 0.005% monthly to all included assets in each Plan as of the date of the calculation. Fees will be deducted from Plan assets and will be paid to SHUSTER by the Trust/Custodian for the Plan(s).

   At SHUSTER's discretion the billing period described above may be adjusted to quarterly.

EXHIBIT "B"

COMPENSATION

Fees. For all services provided by the Consultant under this Agreement and the Trustee under the Trust Agreement, the following annual fees will apply:

Trust Administration Fees (Trust Admin Agreement)[1]:	0.01%
Trustee Fees (Trust Adoption Agreement)[2]:	0.02%
Custodial Asset Based Fee (Custodial Agreement)[3]:	0.01%
Investment Advisory Fees (Investment Advisory Agmt.):	0.06%

Fees will be collected quarterly other than the Investment Advisory Fee which will be collected monthly.

The total compensation is not to exceed 0.10% (10 basis points) per annum during the initial term.

1 - Will convert to a flat dollar fee after the end of contract year-3 based on the highest year-end balance of the first 3 contract years.
2 - Annual minimum fee per plan of $500. Annual maximum is $5,000
3 - Annual minimum fee per plan of $400. Custodian may also charge fees related to non- standard assets, checks and wire fees outlined in the Custodial Agreement for the Plan.

The Consultant will notify the City in writing of any change in the above fee amounts at least 60 days before the effective date of the change.

Consultant will provide City with a statement of account itemizing fees to be collected, pursuant to the terms of this Exhibit, to the address set forth in Section 4 of the Agreement. City authorizes such payments be made out of the 115 Pension Trust Fund Account.

CITY OF CARSON

701 East Carson Street

Report to Honorable Mayor and City Council

Tuesday, October 20, 2026, 5:00 PM

CONSENT 17.

To: Honorable Mayor and City Council

From: Michael George, Government Affairs Officer HR Administration

Subject: CONSIDER ADOPTING RESOLUTION NO. 26-081 OF THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, AMENDING THE CLASSIFICATION PLAN, RESOLUTION NO. 77-111, BY ADOPTING UPDATED JOB CLASSIFICATION SPECIFICATIONS FOR UNREPRESENTED SENIOR COUNCIL AIDE AND COUNCIL AIDE POSITIONS, AND AMENDING THE TERMS OF THE COMPENSATION AND BENEFITS EXHIBIT, TO UPDATE THE DUTIES AND EXPECTATIONS OF THE POSITIONS (CITY COUNCIL)

I. SUMMARY

This item was on the August 4, 2026, City Council agenda, was continued, and is now on the October 6, 2026, City Council agenda at the request of Mayor Davis-Holmes. This item provides the City Council an opportunity to amend the job classification specifications for the unrepresented Senior Council Aide and Council Aide (full-time) positions.

The proposed revisions to the Council Aide and Senior Council Aide Salary and Benefits Exhibit and Class Specifications update the expectations and duties of the positions to better align with service delivery needs. The changes clarify employment provisions, establish additional accountability measures, strengthen ethical and administrative requirements, and update duties to reflect the operational support provided by the Council Aides to elected officials, City departments, and the community.

The proposed revisions enhance the City Council Aide team's ability to provide responsive and effective public service by establishing clearer expectations related to scheduling, City resource use, event and constituent support, and compliance with applicable laws and policies. The updates also reinforce appropriate boundaries between official City duties and prohibited activities, supporting transparency, consistency, and public trust. Remaining revisions are technical and administrative in nature and do not alter compensation, benefits, or the overall scope of the classifications.

II. RECOMMENDATION

WAIVE further reading and ADOPT Resolution No. 26-081, "A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, AMENDING AND RESTATING THE COMPENSATION AND BENEFITS, AND AMENDING THE CLASSIFICATION PLAN, RESOLUTION NO. 77-111, BY ADOPTING UPDATED JOB CLASSIFICATION SPECIFICATIONS FOR UNREPRESENTED SENIOR COUNCIL AIDE AND COUNCIL AIDE POSITIONS"

III. ALTERNATIVES

TAKE another action the City Council deems appropriate and that is consistent with applicable laws.

IV. BACKGROUND

The City Council Aide and Senior Council Aide classifications provide administrative and operational support to elected officials and serve as a key connection between the City Council and the public. The proposed revisions (which are shown in redline/tracked changes in the exhibits) improve clarity, consistency, and accountability while ensuring these positions continue to support effective City operations, responsive public service, and the evolving needs of City Council offices. Also, the updates establish clearer expectations regarding duties, scheduling, ethical standards, and coordination with City departments while maintaining the flexibility necessary to support elected officials and community priorities.

Exhibit A – Salary and Benefits Exhibit for Council Aides and Senior Council Aides
The revised Salary and Benefits Exhibit updates employment provisions to provide greater clarity and consistency in the administration of Council Aide positions. The revisions remove an elected official's recommendation as a standalone basis for termination (Section 1), while preserving appropriate administrative processes. The revisions also clarify, without substantively changing, provisions related to Paid Time Off and holiday leave accrual, carryover, and payout requirements (Section 9), and update the March 31 holiday designation from Cesar Chavez Day to Farmworkers Day (Section 10).

The revised Exhibit A removes explanatory language related to the overtime exemption while maintaining the existing exemption status (Section 11), and establishes a formal Outside Employment policy through the addition of Section 28. This new policy requires disclosure of outside employment and approval by the Human Resources Director, while prohibiting outside employment that creates a conflict of interest or involves political campaign activity. Existing outside employment arrangements as of the effective date of the proposed resolution would be permitted to continue, provided they are properly disclosed to Human Resources. These new restrictions do not apply to volunteer activities.

Exhibit B (B1 and B2) – Senior Council Aide and Council Aide Class Specifications
The proposed revisions to the Senior Council Aide and Council Aide (full-time) class specifications update position responsibilities to reflect the operational needs of modern Council offices and the level of coordination required to effectively serve the public. New duties include authorization to operate a designated City pool vehicle for official City business, including curbside transportation support for elected officials; management and coordination of City events and initiatives; and coordination of guests, dignitaries, and stakeholders participating in Council meetings and City events.

The updated classifications also establish clearer administrative expectations, including submission of weekly anticipated work schedules and timesheets and performance of assigned City Hall office hours and daily City Hall check-ins. These requirements are intended to improve coordination, visibility, and alignment between Council Aides, City departments, and administrative leadership, thereby supporting timely responses to constituent needs and City priorities.

Additional revisions clarify the appropriate scope of the Senior Council Aide and Council Aide advisory responsibilities by requiring consultation with the City Attorney in providing guidance to elected officials regarding the Brown Act, California Public Records Act, or Fair Political Practices Commission matters. The revisions further clarify that such assistance is limited to issues pertinent to City business.

To strengthen accountability and ensure appropriate use of City resources, the updated classifications also include an explicit list of prohibited activities, including political campaign work conducted using City time or resources, entering an elected official's residence or hotel room, performing personal errands, and transporting an elected official in a personal vehicle for personal purposes. Questions regarding whether a requested activity is within the scope of a Council Aide's duties will be referred to the City Manager or designee for determination.

Collectively, these revisions are intended to enhance the effectiveness, professionalism, and accountability of the City Council Aide team by establishing clear operational expectations, supporting consistent administrative practices, and ensuring that Council Aides remain focused on their primary role of advancing City business and providing responsive service to the community. Remaining revisions to the documents are limited to grammatical, formatting, and technical corrections and do not modify substantive duties, compensation, or benefits.

V. FISCAL IMPACT

There is no anticipated fiscal impact associated with this item because it pertains to the job classification specifications and employment duties and expectations and does not address or include any substantive changes to compensation or benefits for the positions.

RESOLUTION NO. 26-081

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, AMENDING AND RESTATING THE COMPENSATION AND BENEFITS, AND AMENDING THE CLASSIFICATION PLAN, RESOLUTION NO. 77-111, BY ADOPTING UPDATED JOB CLASSIFICATION SPECIFICATIONS FOR UNREPRESENTED SENIOR COUNCIL AIDE AND COUNCIL AIDE POSITIONS

WHEREAS, Section 503 of the City's Charter provides that the City Council shall determine, by ordinance or resolution, the amount and type of compensation to be paid to all City officers, department heads and employees.

WHEREAS, the City Manager's Office is authorized and directed under provisions of Sections 2797.1 of the Carson Municipal Code and Section II, Rule II of the City Personnel Rules to prepare and recommend position classification and compensation plans, after consultation with the affected Directors, which becomes effective upon approval by the City Council.

WHEREAS, the unrepresented, unclassified, exempt, at-will classification of **SENIOR COUNCIL AIDE** was established by City Council Resolution No. 23-114, adopting the classification specification, on July 5, 2023. Resolution No. 23-125, adopted on July 18, 2023, rescinded and replaced Resolution No. 23-114 and adopted a new classification specification for **SENIOR COUNCIL AIDE**. The compensation and benefits for the classification of **SENIOR COUNCIL AIDE** were intended to be established by Resolution No. 23-119, adopted July 5, 2023, and amended by Resolution No. 23-126, adopted July 18, 2023, rescinding and replacing Resolution No. 23-119.

WHEREAS, Resolution No. 22-240, adopted December 13, 2022, approved a 7.5% COLA salary increase and established amended compensation and benefits for the unrepresented, unclassified, exempt, and at-will **COUNCIL AIDE (full-time and part-time)** classifications. Resolution No. 23-113, adopted by the City Council on July 5, 2023, adopted a revised classification specification for the **COUNCIL AIDE (full-time and part-time)** classifications. The compensation and benefits for the **COUNCIL AIDE (full-time and part-time)** classifications were intended to be amended by Resolution No. 23-119, adopted July 5, 2023, and subsequently amended by Resolution No. 23-126, adopted July 18, 2023, rescinding and replacing Resolution No. 23-119.

WHEREAS, the compensation and benefits amendments made or intended to be made by Resolution No.'s 23-119 and 23-126 were incomplete and/or inaccurate. As such Resolution No. 23-137 was adopted to clarify and correct those errors and discrepancies.

WHEREAS, Resolution 25-055, adopted April 15, 2025, amended and restated the Compensation and Benefits for the unrepresented, unclassified, exempt, at-will classification **SENIOR COUNCIL AIDE** and **COUNCIL AIDE (full-time and part-time)** classifications, to annually increase the hourly rates for the full-time classifications over a three year period.

WHEREAS, the City Council now desires to amend and restate the Compensation and Benefits, and to adopt updated job specification classifications, for the full-time unrepresented, unclassified, exempt, at-will classifications of **SENIOR COUNCIL AIDE** and **COUNCIL AIDE** positions to establish clearer expectations related to scheduling, City resource use, event and constituent support, and compliance with applicable laws and policies; and

WHEREAS, the subject classifications are unclassified, unrepresented and are in the City Council's office, so there are no affected Directors or other parties requiring consultation by the City Manager's Office.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF CARSON, CALIFORNIA, HEREBY FINDS, DETERMINES AND RESOLVES AS FOLLOWS:

Section 1. The above recitals are true and correct, and are incorporated herein by this reference.

Section 2. The amended and restated "**COMPENSATION & BENEFITS FOR UNCLASSIFIED SENIOR COUNCIL AIDE AND COUNCIL AIDE EMPLOYMENT POSITIONS,**" attached hereto as Exhibit "A" and incorporated herein by reference, is hereby adopted.

Section 3. The updated job specification classifications for the **SENIOR COUNCIL AIDE** and **COUNCIL AIDE - FULLTIME** positions, attached hereto as Exhibit "B," are hereby adopted.

Section 4. In the event of any conflict between this Resolution and any prior City resolution relating to the subject matter hereof, this Resolution shall supersede and prevail over the prior resolution to the extent of the conflict.

Section 5. This resolution shall be effective immediately.

Section 6. The City Clerk shall certify to the adoption of this Resolution and shall enter it into the book of original Resolutions.

PASSED, APPROVED, AND ADOPTED this 20th day of October 2026.

CITY OF CARSON

701 East Carson Street

Report to Honorable Mayor and City Council

Tuesday, October 20, 2026, 5:00 PM

CONSENT 18.

To: Honorable Mayor and City Council

From: Gary Carter, Director, Information Technology and Security ITS Infrastructure Security

Subject: CONSIDER APPROVAL OF CONTRACT FOR CARAHSOFT TECHNOLOGY CORPORATION FOR THE PURCHASE OF THE RUBRIK BACKUP SYSTEMS SOFTWARE AND HARDWARE SUPPORT (CITY COUNCIL)

I. SUMMARY

The City currently uses Rubrik Security Cloud, a data protection and cyber resilience platform, to support backup, recovery, and ransomware protection for the City's critical systems and data. Rubrik provides a data backup solution that supports automated backup, rapid recovery, and data security monitoring across the City's on-premises and cloud systems and data. Additionally, the system provides integration with Microsoft 365 to protect the City's email, online file storage, and identity infrastructure.

The proposed purchase will enable the City to continue utilizing Rubrik’s enterprise backup platform to support critical data backup and recovery operations while maintaining a secure, standardized, and resilient data protection environment. The solution will strengthen the City’s ability to protect critical information systems and data against cybersecurity threats, including ransomware, while supporting timely data recovery and continuity of City operations in the event of a system failure, cyber incident, or other disruption.

Utilizing pricing available under the NASPO Master Agreement and California Participating Addendum, staff recommends that the City Council approve the purchase of data backup solution support, by Rubrik, Inc., through Carahsoft’s authorized reseller, IMPEX Technologies, Inc. (“IMPEX”), at a total cost of $188,852.67. The purchase will be processed through a Purchase Order issued to IMPEX.

II. RECOMMENDATION

TAKE the following actions:

1. RATIFY waiver of the bidding requirements of the Carson Municipal Code (CMC) pursuant to Carson Municipal Code Sections 2611(g) (cooperative purchasing); and,
2. APPROVE a contract with Carahsoft Technology Corporation for the Rubik Security Platform to continue to protect the City’s systems and data, including hardware and software support for a total contract amount not to exceed $188,852.67 for a term of 3 years; and,
3. AUTHORIZE the Mayor to execute the contract after approval as to form by the City Attorney.

III. ALTERNATIVES

TAKE another action the City Council deems appropriate and consistent with the requirements of the City’s Purchasing Ordinance.

IV. BACKGROUND

The City has utilized the Rubrik Security Cloud data protection platform since 2021 as a critical component of its data protection and recovery infrastructure. Rubrik provides reliable and centralized backup capabilities for the City's critical systems and data, helping ensure information can be securely protected and quickly recovered when needed. Continuing with Rubrik also maintains a standardized backup environment and leverages the City's existing investment in the platform.

Rubrik also plays an important role in the City's cybersecurity and business continuity strategy. The system protects critical data against hardware failures, accidental deletion, system outages, and cybersecurity incidents, including ransomware. Its backup and recovery capabilities enable Information Technology & Security staff to restore affected systems and data quickly, helping minimize data loss, service interruptions, and operational downtime.

Section 2611(g) of the City's Municipal Code (CMC) allows City, through its Purchasing Manager, to dispense with competitive bidding processes to purchase materials, supplies, equipment, or services by utilizing a cooperative purchasing program engaged in by any local, county, State, or Federal public entity or entities, even if the contracts and implementing agreements entered into by the participating entity or association under those cooperative purchasing programs were not entered into pursuant to a process that resulted in the contract being awarded to the lowest responsible and responsive bidder under CMC 2610(i); provided, that the selected bidder was selected in compliance with the competitive bidding or proposal process requirements of any participating entity or association within three years of City's approval of the City contract entered into with the selected bidder via cooperative purchasing. The City Council has made a determination that the benefits to City of utilizing cooperative purchasing outweigh any incremental higher price that may be paid by City in certain instances as a result of not soliciting directly utilizing the lowest responsible and responsive bidder standard under CMC 2610(i).

The City's Purchasing Manager has determined that the competitive bidding or proposal process utilized by the State of California through the NASPO cooperative purchasing program is at least the same as that contained in the City's Purchasing Ordinance, and has further determined that the pricing obtained through NASPO for the equipment and support services City seeks to acquire is likely to be lower than it would be if purchased directly by the City pursuant to the Purchasing Ordinance. Accordingly, the City is permitted to utilize and benefit from the competitive process engaged in through the NASPO program and the Purchasing Manager has therefore waived the formal bidding process for procurement of the contract.

V. FISCAL IMPACT

The total cost associated with the proposed three (3)-year contract (maximum permitted by Rubrik) with IMPEX Technologies, including hardware and software support, shall not exceed $188,852.67.

The first-year cost for hardware and software support, is $68,550.89, which includes one-time professional services. Ongoing software and hardware support costs of $60,150.88 for subsequent years of the contract will be included in the future fiscal year budgets, subject to annual budget appropriations.

Fiscal Year	Amount	Account Number
FY2026-27	$68,550.89	101-54-542-101-6020
FY2027-28	$60,150.88	101-54-542-101-6020

CARAHSOFT TECHNOLOGY CORPORATION

AGREEMENT FOR CONTRACT SERVICES
BETWEEN THE CITY OF CARSON AND
CARAHSOFT TECHNOLOGY CORPORATION

THIS AGREEMENT FOR CONTRACT SERVICES (herein "Agreement") is made and entered into this ____ day of _____, 2026 by and between the CITY OF CARSON, a California municipal corporation ("City") and CARAHSOFT TECHNOLOGY CORPORATION, a Maryland corporation ("Consultant"). City and Consultant are sometimes hereinafter individually referred to as "Party" and hereinafter collectively referred to as the "Parties."

RECITALS

A. Consultant participates in NASPO ValuePoint, a national cooperative purchasing program that facilitates public procurement solicitation and agreements that allow public entities to benefit from competitively sourced contracts offering lower prices for materials, supplies, equipment, or services than is likely to be obtained outside of the program.

B. Consultant is a party to the NASPO State of Utah Cooperative Contract (Contract #AR2472) and the State of California's Participating Addendum (Contract # 7-17-70-40-05) (together, "Master Agreement"), which authorizes Consultant to provide the services agreed to herein at the same lowest pricing established pursuant to an RFP process initiated by the State of Utah that resulted in the Master Agreement.

C. The Master Agreement and Participating Addendum allow City to avail itself of the same pricing and terms and conditions reflected therein.

D. Pursuant to the State Contract Reseller Agreement (contract # SCRA-Impex-051319), Consultant has agreed to allow Impex Technologies, Inc. to be its authorized reseller of the services agreed to herein under the same pricing reflected in the Master Agreement and Participating Addendum.

E. As its authorized reseller, Consultant requests that City remit all payments to Impex Technologies, Inc.

F. Consultant, following submission of a proposal or bid for the performance of the services defined and described particularly in Article 1 of this Agreement, was selected by the City to perform those services.

G. Pursuant to the City of Carson's Municipal Code, City has authority to enter into and execute this Agreement.

H. The Parties desire to formalize the selection of Consultant for performance of those services defined and described particularly in Article 1 of this Agreement and desire that the terms of that performance be as particularly defined and described herein.

OPERATIVE PROVISIONS

NOW, THEREFORE, in consideration of the mutual promises and covenants made by the Parties and contained herein and other consideration, the value and adequacy of which are hereby acknowledged, the parties agree as follows:

ARTICLE 1. SERVICES OF CONSULTANT

1.1 Scope of Services.

In compliance with all terms and conditions of this Agreement, the Consultant shall provide those services specified in the "Scope of Services" attached hereto as Exhibit "A" and incorporated herein by this reference, which may be referred to herein as the "services" or "work" hereunder. As a material inducement to the City entering into this Agreement, Consultant represents and warrants that it has the qualifications, experience, and facilities necessary to properly perform the services required under this Agreement in a thorough, competent, and professional manner, and is experienced in performing the work and services contemplated herein. Consultant shall at all times faithfully, competently and to the best of its ability, experience and talent, perform all services described herein. Consultant covenants that it shall follow the highest professional standards in performing the work and services required hereunder and that all materials will be both of good quality as well as fit for the purpose intended. For purposes of this Agreement, the phrase "highest professional standards" shall mean those standards of practice recognized by one or more first-class firms performing similar work under similar circumstances.

1.2 Consultant's Proposal.

The Scope of Service shall include the Consultant's scope of work or bid which shall be incorporated herein by this reference as though fully set forth herein. In the event of any inconsistency between the terms of such proposal and this Agreement, the terms of this Agreement shall govern.

1.3 Compliance with Law.

Consultant shall keep itself informed concerning, and shall render all services hereunder in accordance with, all ordinances, resolutions, statutes, rules, and regulations of the City and any Federal, State or local governmental entity having jurisdiction in effect at the time service is rendered.

1.4 Licenses, Permits, Fees and Assessments.

Consultant shall obtain at its sole cost and expense such licenses, permits and approvals as may be required by law for the performance of the services required by this Agreement. Consultant shall have the sole obligation to pay for any fees, assessments and taxes, plus applicable penalties and interest, which may be imposed by law and arise from or are necessary for the Consultant's performance of the services required by this Agreement, and shall indemnify, defend and hold harmless City, its officers, employees or agents of City, against any such fees, assessments, taxes, penalties or interest levied, assessed or imposed against City hereunder.

1.5 Familiarity with Work.

By executing this Agreement, Consultant warrants that Consultant (i) has thoroughly investigated and considered the scope of services to be performed, (ii) has carefully considered how the services should be performed, and (iii) fully understands the facilities, difficulties and restrictions attending performance of the services under this Agreement. If the services involve work upon any site, Consultant warrants that Consultant has or will investigate the site and is or will be fully acquainted with the conditions there existing, prior to commencement of services hereunder. Should the Consultant discover any latent or unknown conditions, which will materially affect the performance of the services hereunder, Consultant shall immediately inform the City of such fact and shall not proceed except at Consultant's risk until written instructions are received from the Contract Officer.

1.6 Care of Work.

The Consultant shall adopt reasonable methods during the life of the Agreement to furnish continuous protection to the work, and the equipment, materials, papers, documents, plans, studies and/or other components thereof to prevent losses or damages, and shall be responsible for all such damages, to persons or property, until acceptance of the work by City, except such losses or damages as may be caused by City's own negligence.

1.7 Further Responsibilities of Parties.

Both parties agree to use reasonable care and diligence to perform their respective obligations under this Agreement. Both parties agree to act in good faith to execute all instruments, prepare all documents and take all actions as may be reasonably necessary to carry out the purposes of this Agreement. Unless hereafter specified, neither party shall be responsible for the service of the other.

1.8 Additional Services.

City shall have the right at any time during the performance of the services, without invalidating this Agreement, to order extra work beyond that specified in the Scope of Services or make changes by altering, adding to or deducting from said work. No such extra work may be undertaken unless a written order is first given by the Contract Officer to the Consultant, incorporating therein any adjustment in (i) the Contract Sum for the actual costs of the extra work, and/or (ii) the time to perform this Agreement, which said adjustments are subject to the written approval of the Consultant. Any increase in compensation of up to ten percent (10%) of the Contract Sum or $25,000, whichever is less; or, in the time to perform of up to one hundred eighty (180) days, may be approved by the Contract Officer. Any greater increases, taken either separately or cumulatively, must be approved by the City Council. It is expressly understood by Consultant that the provisions of this Section shall not apply to services specifically set forth in the Scope of Services. Consultant hereby acknowledges that it accepts the risk that the services to be provided pursuant to the Scope of Services may be more costly or time consuming than Consultant anticipates and that Consultant shall not be entitled to additional compensation therefor. City may in its sole and absolute discretion have similar work done by other contractors. No claims for an

increase in the Contract Sum or time for performance shall be valid unless the procedures established in this Section are followed.

1.9 Special Requirements.

Additional terms and conditions of this Agreement, if any, which are made a part hereof are set forth in the "Special Requirements" attached hereto as Exhibit "B" and incorporated herein by this reference. In the event of a conflict between the provisions of Exhibit "B" and any other provisions of this Agreement, the provisions of Exhibit "B" shall govern.

ARTICLE 2. COMPENSATION AND METHOD OF PAYMENT.

2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay Consultant the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed One Hundred Eighty Eight Thousand Eight Hundred Fifty Two Dollars and Sixty Seven Cents (**$188,852.67**) (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8.

2.2 Method of Compensation.

The method of compensation may include: (i) a lump sum payment upon completion; (ii) payment in accordance with specified tasks or the percentage of completion of the services; (iii) payment for time and materials based upon the Consultant's rates as specified in the Schedule of Compensation, provided that (a) time estimates are provided for the performance of sub tasks, (b) contract retention is maintained, and (c) the Contract Sum is not exceeded; or (iv) such other methods as may be specified in the Schedule of Compensation.

2.3 Reimbursable Expenses.

Compensation may include reimbursement for actual and necessary expenditures for reproduction costs, telephone expenses, and travel expenses approved by the Contract Officer in advance, or actual subcontractor expenses of an approved subcontractor pursuant to Section 4.5, and only if specified in the Schedule of Compensation. The Contract Sum shall include the attendance of Consultant at all project meetings reasonably deemed necessary by the City. Coordination of the performance of the work with City is a critical component of the services. If Consultant is required to attend additional meetings to facilitate such coordination, Consultant shall not be entitled to any additional compensation for attending said meetings.

2.4 Invoices.

Each month Consultant shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment,

supplies, and sub-contractor contracts. Sub-contractor charges shall also be detailed by such categories. Consultant shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by the Consultant to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by City, or as provided in Section 7.3, City will use its best efforts to cause Consultant to be paid within forty-five (45) days of receipt of Consultant's correct and undisputed invoice; however, Consultant acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to Consultant for correction and resubmission. Review and payment by City for any invoice provided by the Consultant shall not constitute a waiver of any rights or remedies provided herein or any applicable law.

2.5 Waiver.

Payment to Consultant for work performed pursuant to this Agreement shall not be deemed to waive any defects in work performed by Consultant.

ARTICLE 3. PERFORMANCE SCHEDULE

3.1 Time of Essence.

Time is of the essence in the performance of this Agreement.

3.2 Schedule of Performance.

Consultant shall commence the services pursuant to this Agreement upon receipt of a written notice to proceed and shall perform all services within the time period(s) established in the "Schedule of Performance" attached hereto as Exhibit "D" and incorporated herein by this reference. When requested by the Consultant, extensions to the time period(s) specified in the Schedule of Performance may be approved in writing by the Contract Officer but not exceeding one hundred eighty (180) days cumulatively.

3.3 Force Majeure.

The time period(s) specified in the Schedule of Performance for performance of the services rendered pursuant to this Agreement shall be extended because of any delays due to unforeseeable causes beyond the control and without the fault or negligence of the Consultant, including, but not restricted to, acts of God or of the public enemy, unusually severe weather, fires, earthquakes, floods, epidemics, quarantine restrictions, riots, strikes, freight embargoes, wars, litigation, and/or acts of any governmental agency, including the City, if the Consultant shall within ten (10) days of the commencement of such delay notify the Contract Officer in writing of the causes of the delay. The Contract Officer shall ascertain the facts and the extent of delay, and extend the time for performing the services for the period of the enforced delay when and if in the judgment of the Contract Officer such delay is justified. The Contract Officer's determination shall

be final and conclusive upon the parties to this Agreement. In no event shall Consultant be entitled to recover damages against the City for any delay in the performance of this Agreement, however caused, Consultant's sole remedy being extension of the Agreement pursuant to this Section.

3.4 Term.

Unless earlier terminated in accordance with Article 7 of this Agreement, this Agreement shall continue in full force and effect until completion of the services but not exceeding three (3) years from the date hereof, except as otherwise provided in the Schedule of Performance (Exhibit "D").

ARTICLE 4. COORDINATION OF WORK

4.1 Representatives and Personnel of Consultant.

The following principals of Consultant ("Principals") are hereby designated as being the principals and representatives of Consultant authorized to act in its behalf with respect to the work specified herein and make all decisions in connection therewith:

Sourabh Patil	Project Coordinator
(Name)	(Title)
Steven Roman	Senior Account Manager
(Name)	(Title)
(Name)	(Title)

It is expressly understood that the experience, knowledge, capability and reputation of the foregoing principals were a substantial inducement for City to enter into this Agreement. Therefore, the foregoing principals shall be responsible during the term of this Agreement for directing all activities of Consultant and devoting sufficient time to personally supervise the services hereunder. All personnel of Consultant, and any authorized agents, shall at all times be under the exclusive direction and control of the Principals. For purposes of this Agreement, the foregoing Principals may not be replaced nor may their responsibilities be substantially reduced by Consultant without the express written approval of City. Additionally, Consultant shall utilize only competent personnel to perform services pursuant to this Agreement. Consultant shall make every reasonable effort to maintain the stability and continuity of Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement. Consultant shall notify City of any changes in Consultant's staff and subcontractors, if any, assigned to perform the services required under this Agreement, prior to and during any such performance.

4.2 Status of Consultant.

Consultant shall have no authority to bind City in any manner, or to incur any obligation, debt or liability of any kind on behalf of or against City, whether by contract or otherwise, unless such authority is expressly conferred under this Agreement or is otherwise expressly conferred in writing by City. Consultant shall not at any time or in any manner represent that Consultant or any of Consultant's officers, employees, or agents are in any manner officials, officers, employees or agents of City. Neither Consultant, nor any of Consultant's officers, employees or agents, shall

obtain any rights to retirement, health care or any other benefits which may otherwise accrue to City's employees. Consultant expressly waives any claim Consultant may have to any such rights.

4.3 Contract Officer.

The Contract Officer shall be Gary Carter, Director, Information Technology & Security, or as otherwise designated by the City Manager. It shall be the Consultant's responsibility to assure that the Contract Officer is kept informed of the progress of the performance of the services and the Consultant shall refer any decisions which must be made by City to the Contract Officer. Unless otherwise specified herein, any approval of City required hereunder shall mean the approval of the Contract Officer. The Contract Officer shall have authority, if specified in writing by the City Manager, to sign all documents on behalf of the City required hereunder to carry out the terms of this Agreement.

4.4 Independent Consultant.

Neither the City nor any of its employees shall have any control over the manner, mode or means by which Consultant, its agents or employees, perform the services required herein, except as otherwise set forth herein. City shall have no voice in the selection, discharge, supervision or control of Consultant's employees, servants, representatives or agents, or in fixing their number, compensation or hours of service. Consultant shall perform all services required herein as an independent contractor of City and shall remain at all times as to City a wholly independent contractor with only such obligations as are consistent with that role. Consultant shall not at any time or in any manner represent that it or any of its agents or employees are agents or employees of City. City shall not in any way or for any purpose become or be deemed to be a partner of Consultant in its business or otherwise or a joint venturer or a member of any joint enterprise with Consultant.

4.5 Prohibition Against Subcontracting or Assignment.

The experience, knowledge, capability and reputation of Consultant, its principals and employees were a substantial inducement for the City to enter into this Agreement. Therefore, Consultant shall not contract with any other entity to perform in whole or in part the services required hereunder without the express written approval of the City. In addition, neither this Agreement nor any interest herein may be transferred, assigned, conveyed, hypothecated or encumbered voluntarily or by operation of law, whether for the benefit of creditors or otherwise, without the prior written approval of City. Transfers restricted hereunder shall include the transfer to any person or group of persons acting in concert of more than twenty five percent (25%) of the present ownership and/or control of Consultant, taking all transfers into account on a cumulative basis. In the event of any such unapproved transfer, including any bankruptcy proceeding, this Agreement shall be void. No approved transfer shall release the Consultant or any surety of Consultant of any liability hereunder without the express consent of City.

ARTICLE 5. INSURANCE AND INDEMNIFICATION

5.1 Insurance Coverages.

The Consultant shall procure and maintain, at its sole cost and expense, in a form and content satisfactory to City, during the entire term of this Agreement including any extension thereof, the following policies of insurance which shall cover all elected and appointed officers, employees and agents of City:

(a) General Liability Insurance (Coverage Form ISO CGL CG 00 01 or equivalent). A policy of comprehensive general liability insurance written on a per occurrence basis for bodily injury, personal injury and property damage. The policy of insurance shall be in an amount not less than $1,000,000.00 per occurrence or if a general aggregate limit is used, then the general aggregate limit shall be twice the occurrence limit.

(b) Worker's Compensation Insurance. A policy of worker's compensation insurance in such amount as will fully comply with the laws of the State of California and which shall indemnify, insure and provide legal defense for the Consultant against any loss, claim or damage arising from any injuries or occupational diseases occurring to any worker employed by or any persons retained by the Consultant in the course of carrying out the work or services contemplated in this Agreement, with Employer's Liability insurance coverage limits of at least $1,000,000.00.

(c) Automotive Insurance (Coverage Form ISO CA 00 01 including "any auto" and endorsement CA 0025 or equivalent). A policy of comprehensive automobile liability insurance written on a per occurrence for bodily injury and property damage in an amount not less than $1,000,000. Said policy shall include coverage for owned, non-owned, leased, hired cars and any automobile.

(d) Professional Liability. Professional liability insurance appropriate to the Consultant's profession, as determined by the City's Risk Manager, provided that the limits shall be no less than $1,000,000 per claim and no less than $1,000,000 general aggregate. This coverage may be written on a "claims made" basis, and must include coverage for contractual liability. The professional liability insurance required by this Agreement must be endorsed to be applicable to claims based upon, arising out of or related to services performed under this Agreement. The insurance must be maintained for at least 5 consecutive years following the completion of Consultant's services or the termination of this Agreement. During this additional 5-year period, Consultant shall annually and upon request of the City submit written evidence of this continuous coverage.

(e) Subcontractors. Consultant shall include all subcontractors as insureds under its policies or shall furnish separate certificates and certified endorsements for each subcontractor. All coverages for subcontractors shall include all of the requirements stated herein.

(f) Additional Insurance. Policies of such other insurance, as may be required in the Special Requirements in Exhibit "B".

(g) Broader Coverages and Higher Limits. Notwithstanding anything else herein to the contrary, if Consultant maintains broader coverages and/or higher limits than the minimums shown above, the City requires and shall be entitled to the broader coverages and/or higher limits maintained by Consultant.

5.2 General Insurance Requirements.

All of the above policies of insurance shall be primary insurance and shall name the City, its elected and appointed officers, employees and agents as additional insureds and any insurance maintained by City or its officers, employees or agents may apply in excess of, and not contribute with Consultant's insurance. The insurer is deemed hereof to waive all rights of subrogation and contribution it may have against the City, its officers, employees and agents and their respective insurers. Moreover, the insurance policy must specify that where the primary insured does not satisfy the self-insured retention, any additional insured may satisfy the self-insured retention.

All of said policies of insurance shall provide that said insurance may not be amended or cancelled by the insurer or any party hereto without providing thirty (30) days prior written notice by certified mail return receipt requested to the City. In the event any of said policies of insurance are cancelled, the Consultant shall, prior to the cancellation date, submit new evidence of insurance in conformance with Section 5.1 to the Contract Officer.

No work or services under this Agreement shall commence until the Consultant has provided the City with Certificates of Insurance, additional insured endorsement forms or appropriate insurance binders evidencing the above insurance coverages and said Certificates of Insurance or binders are approved by the City. City reserves the right to inspect complete, certified copies of and endorsements to all required insurance policies at any time. Any failure to comply with the reporting or other provisions of the policies including breaches or warranties shall not affect coverage provided to City.

All certificates shall name the City as additional insured (providing the appropriate endorsement) and shall conform to the following "cancellation" notice:

> CANCELLATION:
>
> SHOULD ANY OF THE ABOVE DESCRIBED POLICIES BE CANCELLED BEFORE THE EXPIRATION DATED THEREOF, THE ISSUING COMPANY SHALL MAIL THIRTY (30)-DAY ADVANCE WRITTEN NOTICE TO CERTIFICATE HOLDER NAMED HEREIN.

City, its respective elected and appointed officers, directors, officials, employees, agents and volunteers are to be covered as additional insureds as respects: liability arising out of activities Consultant performs; products and completed operations of Consultant; premises owned, occupied or used by Consultant; or any automobiles owned, leased, hired or borrowed by Consultant. The coverage shall contain no special limitations on the scope of protection afforded to City, and their

respective elected and appointed officers, officials, employees or volunteers. Consultant's insurance shall apply separately to each insured against whom claim is made or suit is brought, except with respect to the limits of the insurer's liability.

Any deductibles or self-insured retentions must be declared to and approved by City. At the option of City, either the insurer shall reduce or eliminate such deductibles or self-insured retentions as respects City or its respective elected or appointed officers, officials, employees and volunteers or the Consultant shall procure a bond guaranteeing payment of losses and related investigations, claim administration, defense expenses and claims. The Consultant agrees that the requirement to provide insurance shall not be construed as limiting in any way the extent to which the Consultant may be held responsible for the payment of damages to any persons or property resulting from the Consultant's activities or the activities of any person or persons for which the Consultant is otherwise responsible nor shall it limit the Consultant's indemnification liabilities as provided in Section 5.3.

In the event the Consultant subcontracts any portion of the work in compliance with Section 4.5 of this Agreement, the contract between the Consultant and such subcontractor shall require the subcontractor to maintain the same policies of insurance that the Consultant is required to maintain pursuant to Section 5.1, and such certificates and endorsements shall be provided to City.

5.3 Indemnification.

To the full extent permitted by law, Consultant agrees to indemnify, defend and hold harmless the City, its officers, employees and agents ("Indemnified Parties") against, and will hold and save them and each of them harmless from, any and all actions, either judicial, administrative, arbitration or regulatory claims, damages to persons or property, losses, costs, penalties, obligations, errors, omissions or liabilities whether actual or threatened (herein "claims or liabilities") that may be asserted or claimed by any person, firm or entity arising out of or in connection with the negligent performance of the work, operations or activities provided herein of Consultant, its officers, employees, agents, subcontractors, or invitees, or any individual or entity for which Consultant is legally liable ("indemnitors"), or arising from Consultant's or indemnitors' reckless or willful misconduct, or arising from Consultant's or indemnitors' negligent performance of or failure to perform any term, provision, covenant or condition of this Agreement, and in connection therewith:

(a) Consultant will defend any action or actions filed in connection with any of said claims or liabilities and will pay all costs and expenses, including legal costs and attorneys' fees incurred in connection therewith;

(b) Consultant will promptly pay any judgment rendered against the City, its officers, agents or employees for any such claims or liabilities arising out of or in connection with the negligent performance of or failure to perform such work, operations or activities of Consultant hereunder; and Consultant agrees to save and hold the City, its officers, agents, and employees harmless therefrom;

(c) In the event the City, its officers, agents or employees is made a party to any action or proceeding filed or prosecuted against Consultant for such damages or other claims arising out of or in connection with the negligent performance of or failure to perform the work, operation or activities of Consultant hereunder, Consultant agrees to pay to the City, its officers, agents or employees, any and all costs and expenses incurred by the City, its officers, agents or employees in such action or proceeding, including but not limited to, legal costs and attorneys' fees.

Consultant shall incorporate similar indemnity agreements with its subcontractors and if it fails to do so Consultant shall be fully responsible to indemnify City hereunder therefore, and failure of City to monitor compliance with these provisions shall not be a waiver hereof. This indemnification includes claims or liabilities arising from any negligent or wrongful act, error or omission, or reckless or willful misconduct of Consultant in the performance of professional services hereunder. The provisions of this Section do not apply to claims or liabilities occurring as a result of City's sole negligence or willful acts or omissions, but, to the fullest extent permitted by law, shall apply to claims and liabilities resulting in part from City's negligence, except that design professionals' indemnity hereunder shall be limited to claims and liabilities arising out of the negligence, recklessness or willful misconduct of the design professional. The indemnity obligation shall be binding on successors and assigns of Consultant and shall survive termination of this Agreement.

5.4 Sufficiency of Insurer.

Insurance required by this Agreement shall be satisfactory only if issued by companies qualified to do business in California, rated "A-" or better in the most recent edition of Best Rating Guide, The Key Rating Guide or in the Federal Register, and only if they are of a financial category Class VII or better, unless such requirements are waived by the Risk Manager of the City ("Risk Manager") due to unique circumstances. If this Agreement continues for more than 3 years duration, or in the event the risk manager determines that the work or services to be performed under this Agreement creates an increased or decreased risk of loss to the City, the Consultant agrees that the minimum limits of the insurance policies may be changed accordingly upon receipt of written notice from the Risk Manager.

ARTICLE 6. RECORDS, REPORTS, AND RELEASE OF INFORMATION

6.1 Records.

Consultant shall keep, and require subcontractors to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. Any and all such documents shall be maintained in accordance with generally accepted accounting principles and shall be complete and detailed. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the City shall have access to such records in

the event any audit is required. In the event of dissolution of Consultant's business, custody of the books and records may be given to City, and access shall be provided by Consultant's successor in interest. Notwithstanding the above, the Consultant shall fully cooperate with the City in providing access to the books and records if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act.

6.2 Reports.

Consultant shall periodically prepare and submit to the Contract Officer such reports concerning the performance of the services required by this Agreement as the Contract Officer shall require. Consultant hereby acknowledges that the City is greatly concerned about the cost of work and services to be performed pursuant to this Agreement. For this reason, Consultant agrees that if Consultant becomes aware of any facts, circumstances, techniques, or events that may or will materially increase or decrease the cost of the work or services contemplated herein or, if Consultant is providing design services, the cost of the project being designed, Consultant shall promptly notify the Contract Officer of said fact, circumstance, technique or event and the estimated increased or decreased cost related thereto and, if Consultant is providing design services, the estimated increased or decreased cost estimate for the project being designed.

6.3 Ownership of Documents.

All drawings, specifications, maps, designs, photographs, studies, surveys, data, notes, computer files, reports, records, documents and other materials (the "documents and materials") prepared by Consultant, its employees, subcontractors and agents in the performance of this Agreement shall be the property of City and shall be delivered to City upon request of the Contract Officer or upon the termination of this Agreement, and Consultant shall have no claim for further employment or additional compensation as a result of the exercise by City of its full rights of ownership use, reuse, or assignment of the documents and materials hereunder. Any use, reuse or assignment of such completed documents for other projects and/or use of uncompleted documents without specific written authorization by the Consultant will be at the City's sole risk and without liability to Consultant, and Consultant's guarantee and warranties shall not extend to such use, reuse or assignment. Consultant may retain copies of such documents for its own use. Consultant shall have the right to use the concepts embodied therein. All subcontractors shall provide for assignment to City of any documents or materials prepared by them, and in the event Consultant fails to secure such assignment, Consultant shall indemnify City for all damages resulting therefrom. Moreover, with respect to any documents and materials that may qualify as "works made for hire" as defined in 17 U.S.C. § 101, such documents and materials are hereby deemed "works made for hire" for the City.

6.4 Confidentiality and Release of Information.

(a) All information gained or work product produced by Consultant in performance of this Agreement shall be considered confidential, unless such information is in the public domain or already known to Consultant. Consultant shall not release or disclose any such information or work product to persons or entities other than City without prior written authorization from the Contract Officer.

(b) Consultant, its officers, employees, agents or subcontractors, shall not, without prior written authorization from the Contract Officer or unless requested by the City Attorney, voluntarily provide documents, declarations, letters of support, testimony at depositions, response to interrogatories or other information concerning the work performed under this Agreement. Response to a subpoena or court order shall not be considered "voluntary" provided Consultant gives City notice of such court order or subpoena.

(c) If Consultant, or any officer, employee, agent or subcontractor of Consultant, provides any information or work product in violation of this Agreement, then City shall have the right to reimbursement and indemnity from Consultant for any damages, costs and fees, including attorneys fees, caused by or incurred as a result of Consultant's conduct.

(d) Consultant shall promptly notify City should Consultant, its officers, employees, agents or subcontractors be served with any summons, complaint, subpoena, notice of deposition, request for documents, interrogatories, request for admissions or other discovery request, court order or subpoena from any party regarding this Agreement and the work performed there under. City retains the right, but has no obligation, to represent Consultant or be present at any deposition, hearing or similar proceeding. Consultant agrees to cooperate fully with City and to provide City with the opportunity to review any response to discovery requests provided by Consultant. However, this right to review any such response does not imply or mean the right by City to control, direct, or rewrite said response.

ARTICLE 7. ENFORCEMENT OF AGREEMENT AND TERMINATION

7.1 California Law.

This Agreement shall be interpreted, construed and governed both as to validity and to performance of the parties in accordance with the laws of the State of California. Legal actions concerning any dispute, claim or matter arising out of or in relation to this Agreement shall be instituted in the Superior Court of the County of Los Angeles, State of California, or any other appropriate court in such county, and Consultant covenants and agrees to submit to the personal jurisdiction of such court in the event of such action. In the event of litigation in a U.S. District Court, venue shall lie exclusively in the Central District of California, in the County of Los Angeles, State of California.

7.2 Disputes; Default.

In the event that Consultant is in default under the terms of this Agreement, the City shall not have any obligation or duty to continue compensating Consultant for any work performed after the date of default. Instead, the City may give notice to Consultant of the default and the reasons for the default. The notice shall include the timeframe in which Consultant may cure the default. This timeframe is presumptively thirty (30) days, but may be extended, though not reduced, if circumstances warrant. During the period of time that Consultant is in default, the City shall hold all invoices and shall, when the default is cured, proceed with payment on the invoices. In the alternative, the City may, in its sole discretion, elect to pay some or all of the outstanding invoices during the period of default. If Consultant does not cure the default, the City may take necessary steps to terminate this Agreement under this Article. Any failure on the part of the City to give

notice of the Consultant's default shall not be deemed to result in a waiver of the City's legal rights or any rights arising out of any provision of this Agreement.

7.3 Retention of Funds.

Consultant hereby authorizes City to deduct from any amount payable to Consultant (whether or not arising out of this Agreement) (i) any amounts the payment of which may be in dispute hereunder or which are necessary to compensate City for any losses, costs, liabilities, or damages suffered by City, and (ii) all amounts for which City may be liable to third parties, by reason of Consultant's acts or omissions in performing or failing to perform Consultant's obligation under this Agreement. In the event that any claim is made by a third party, the amount or validity of which is disputed by Consultant, or any indebtedness shall exist which shall appear to be the basis for a claim of lien, City may withhold from any payment due, without liability for interest because of such withholding, an amount sufficient to cover such claim. The failure of City to exercise such right to deduct or to withhold shall not, however, affect the obligations of the Consultant to insure, indemnify, and protect City as elsewhere provided herein.

7.4 Waiver.

Waiver by any party to this Agreement of any term, condition, or covenant of this Agreement shall not constitute a waiver of any other term, condition, or covenant. Waiver by any party of any breach of the provisions of this Agreement shall not constitute a waiver of any other provision or a waiver of any subsequent breach or violation of any provision of this Agreement. Acceptance by City of any work or services by Consultant shall not constitute a waiver of any of the provisions of this Agreement. No delay or omission in the exercise of any right or remedy by a non-defaulting party on any default shall impair such right or remedy or be construed as a waiver. Any waiver by either party of any default must be in writing and shall not be a waiver of any other default concerning the same or any other provision of this Agreement.

7.5 Rights and Remedies are Cumulative.

Except with respect to rights and remedies expressly declared to be exclusive in this Agreement, the rights and remedies of the parties are cumulative and the exercise by either party of one or more of such rights or remedies shall not preclude the exercise by it, at the same or different times, of any other rights or remedies for the same default or any other default by the other party.

7.6 Legal Action.

In addition to any other rights or remedies, either party may take legal action, in law or in equity, to cure, correct or remedy any default, to recover damages for any default, to compel specific performance of this Agreement, to obtain declaratory or injunctive relief, or to obtain any other remedy consistent with the purposes of this Agreement. Notwithstanding any contrary provision herein, Consultant shall file a statutory claim pursuant to Government Code Sections 905 et. seq. and 910 et. seq., in order to pursue a legal action under this Agreement.

7.7 Termination Prior to Expiration of Term.

This Section shall govern any termination of this Agreement except as specifically provided in the following Section for termination for cause. The City reserves the right to terminate this Agreement at any time, with or without cause, upon thirty (30) days' written notice to Consultant, except that where termination is due to the fault of the Consultant, the period of notice may be such shorter time as may be determined by the Contract Officer. In addition, Consultant may terminate this Agreement if and only if all of the following criteria are met: (i) City is in default under the terms of this Agreement; (ii) Consultant has given City thirty (30) days' written notice (or longer, if circumstances warrant) of the default and the reasons for the default; and (iii) City has failed to cure the default within said cure period. Upon receipt of any notice of termination, Consultant shall immediately cease all services hereunder except such as may be specifically approved by the Contract Officer. Except where the Consultant has initiated termination, the Consultant shall be entitled to compensation for all services rendered prior to the effective date of the notice of termination and for any services authorized by the Contract Officer thereafter in accordance with the Schedule of Compensation or such as may be approved by the Contract Officer, except as provided in Section 7.3. In the event the Consultant has initiated termination, the Consultant shall be entitled to compensation only for the reasonable value of the work product actually produced hereunder. In the event of City's termination without cause pursuant to this Section, the City need not provide the Consultant with the opportunity to cure pursuant to Section 7.2.

7.8 Termination for Default of Consultant.

If termination is due to the failure of the Consultant to fulfill its obligations under this Agreement, City may, after compliance with the provisions of Section 7.2, take over the work and prosecute the same to completion by contract or otherwise, and the Consultant shall be liable to the extent that the total cost for completion of the services required hereunder exceeds the compensation herein stipulated (provided that the City shall use reasonable efforts to mitigate such damages), and City may withhold any payments to the Consultant for the purpose of set-off or partial payment of the amounts owed the City as previously stated.

7.9 Attorneys' Fees.

If either party to this Agreement is required to initiate or defend or made a party to any action or proceeding in any way connected with this Agreement, the prevailing party in such action or proceeding, in addition to any other relief which may be granted, whether legal or equitable, shall be entitled to reasonable attorney's fees. Attorney's fees shall include attorney's fees on any appeal, and in addition a party entitled to attorney's fees shall be entitled to all other reasonable costs for investigating such action, taking depositions and discovery and all other necessary costs the court allows which are incurred in such litigation. All such fees shall be deemed to have accrued on commencement of such action and shall be enforceable whether or not such action is prosecuted to judgment.

ARTICLE 8. CITY OFFICERS AND EMPLOYEES: NON-DISCRIMINATION

8.1 Non-liability of City Officers and Employees.

No officer or employee of the City shall be personally liable to the Consultant, or any successor in interest, in the event of any default or breach by the City or for any amount which may become due to the Consultant or to its successor, or for breach of any obligation of the terms of this Agreement.

8.2 Conflict of Interest.

Consultant covenants that neither it, nor any officer or principal of its firm, has or shall acquire any interest, directly or indirectly, which would conflict in any manner with the interests of City or which would in any way hinder Consultant's performance of services under this Agreement. Consultant further covenants that in the performance of this Agreement, no person having any such interest shall be employed by it as an officer, employee, agent or subcontractor without the express written consent of the Contract Officer. Consultant agrees to at all times avoid conflicts of interest or the appearance of any conflicts of interest with the interests of City in the performance of this Agreement.

No officer or employee of the City shall have any financial interest, direct or indirect, in this Agreement nor shall any such officer or employee participate in any decision relating to the Agreement which affects her/his financial interest or the financial interest of any corporation, partnership or association in which (s)he is, directly or indirectly, interested, in violation of any State statute or regulation. The Consultant warrants that it has not paid or given and will not pay or give any third party any money or other consideration for obtaining this Agreement.

8.3 Covenant Against Discrimination.

Consultant covenants that, by and for itself, its heirs, executors, assigns, and all persons claiming under or through them, that there shall be no discrimination against or segregation of, any person or group of persons on account of race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class in the performance of this Agreement. Consultant shall take affirmative action to insure that applicants are employed and that employees are treated during employment without regard to their race, color, creed, religion, sex, gender, sexual orientation, marital status, national origin, ancestry or other protected class.

8.4 Unauthorized Aliens.

Consultant hereby promises and agrees to comply with all of the provisions of the Federal Immigration and Nationality Act, 8 U.S.C.A. §§ 1101, *et seq.*, as amended, and in connection therewith, shall not employ unauthorized aliens as defined therein. Should Consultant so employ such unauthorized aliens for the performance of work and/or services covered by this Agreement, and should any liability or sanctions be imposed against City for such use of unauthorized aliens, Consultant hereby agrees to and shall reimburse City for the cost of all such liabilities or sanctions imposed, together with any and all costs, including attorneys' fees, incurred by City.

ARTICLE 9. MISCELLANEOUS PROVISIONS

9.1 Notices.

Any notice, demand, request, document, consent, approval, or communication either party desires or is required to give to the other party or any other person shall be in writing and either served personally or sent by prepaid, first-class mail, in the case of the City, to the City Manager and to the attention of the Contract Officer (with her/his name and City title), City of Carson, 701 East Carson, Carson, California 90745 and in the case of the Consultant, to the person(s) at the address designated on the execution page of this Agreement. Either party may change its address by notifying the other party of the change of address in writing. Notice shall be deemed communicated at the time personally delivered or in seventy-two (72) hours from the time of mailing if mailed as provided in this Section.

9.2 Interpretation.

The terms of this Agreement shall be construed in accordance with the meaning of the language used and shall not be construed for or against either party by reason of the authorship of this Agreement or any other rule of construction which might otherwise apply.

9.3 Counterparts.

This Agreement may be executed in any number of counterparts and each of such counterparts shall for all purposes be deemed to be an original, whether the signatures are originals, electronic, facsimiles or digital. All such counterparts shall together constitute but one and the same Agreement.

9.4 Integration; Amendment.

This Agreement including the attachments hereto is the entire, complete and exclusive expression of the understanding of the parties. It is understood that there are no oral agreements between the parties hereto affecting this Agreement and this Agreement supersedes and cancels any and all previous negotiations, arrangements, agreements and understandings, if any, between the parties, and none shall be used to interpret this Agreement. No amendment to or modification of this Agreement shall be valid unless made in writing and approved by the Consultant and by the City Council. The parties agree that this requirement for written modifications cannot be waived and that any attempted waiver shall be void.

9.5 Severability.

In the event that any one or more of the phrases, sentences, clauses, paragraphs, or sections contained in this Agreement shall be declared invalid or unenforceable by a valid judgment or decree of a court of competent jurisdiction, such invalidity or unenforceability shall not affect any of the remaining phrases, sentences, clauses, paragraphs, or sections of this Agreement which are hereby declared as severable and shall be interpreted to carry out the intent of the parties hereunder unless the invalid provision is so material that its invalidity deprives either party of the basic benefit of their bargain or renders this Agreement meaningless.

9.6 Warranty & Representation of Non-Collusion.

No official, officer, or employee of City has any financial interest, direct or indirect, in this Agreement, nor shall any official, officer, or employee of City participate in any decision relating to this Agreement which may affect his/her financial interest or the financial interest of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any corporation, partnership, or association in which (s)he is directly or indirectly interested, or in violation of any State or municipal statute or regulation. The determination of "financial interest" shall be consistent with State law and shall not include interests found to be "remote" or "non-interests" pursuant to Government Code Sections 1091 or 1091.5. Consultant warrants and represents that it has not paid or given, and will not pay or give, to any third party including, but not limited to, any City official, officer, or employee, any money, consideration, or other thing of value as a result or consequence of obtaining or being awarded any agreement. Consultant further warrants and represents that (s)he/it has not engaged in any act(s), omission(s), or other conduct or collusion that would result in the payment of any money, consideration, or other thing of value to any third party including, but not limited to, any City official, officer, or employee, as a result of consequence of obtaining or being awarded any agreement. Consultant is aware of and understands that any such act(s), omission(s) or other conduct resulting in such payment of money, consideration, or other thing of value will render this Agreement void and of no force or effect.

EXHIBIT "B"
SPECIAL REQUIREMENTS
(Superseding Contract Boilerplate)

I. Section 1.2 (Consultant's Proposal) of the Agreement is hereby renamed "Consultant's Proposal and Master Agreement," and amended to read in its entirety as follows:

"1.2 Consultant's Proposal ***and Master Agreement***.

The Scope of Service shall include the Consultant's scope of work or bid which shall be incorporated herein by this reference as though fully set forth herein. ***This Agreement will be governed under the Master Agreement (NASPO Contract #LS4983 and Participating Addendum) which is also incorporated herein by this reference as though fully set forth herein.*** In the event of any inconsistency between the terms of such proposal ***or Master Agreement*** and this Agreement, the terms of this Agreement shall govern."

II. Section 2.1 (Contract Sum) of the Agreement is hereby amended to read in its entirety as follows:

"2.1 Contract Sum.

Subject to any limitations set forth in this Agreement, City agrees to pay ***Impex Technologies, Inc. ("Impex")*** ~~Consultant~~ the amounts specified in the "Schedule of Compensation" attached hereto as Exhibit "C" and incorporated herein by this reference. The total compensation, including reimbursement for actual expenses, shall not exceed One Hundred Eighty Eight Thousand Eight Hundred Fifty Two Dollars and Sixty Seven Cents **($188,852.67**) (the "Contract Sum"), unless additional compensation is approved pursuant to Section 1.8."

III. Section 2.4 (Invoices) of the Agreement is hereby amended to read in its entirety as follows:

"2.4 Invoices.

Each month ***Impex*** ~~Consultant~~ shall furnish to City an original invoice for all work performed and expenses incurred during the preceding month in a form approved by City's Director of Finance. By ***Impex*** submitting an invoice for payment under this Agreement, Consultant is certifying compliance with all provisions of the Agreement. The invoice shall detail charges for all necessary and actual expenses by the following categories: labor (by sub-category), travel, materials, equipment, supplies, and sub-contractor contracts. Sub-contractor charges shall also be detailed by such categories. ***Impex*** ~~Consultant~~ shall not invoice City for any duplicate services performed by more than one person.

City shall independently review each invoice submitted by ***Impex*** ~~the Consultant~~ to determine whether the work performed and expenses incurred are in compliance with the provisions of this Agreement. Except as to any charges for work performed or expenses incurred by Consultant which are disputed by City, or as provided in Section 7.3, City will use its best

efforts to cause ***Impex*** ~~Consultant~~ to be paid within forty-five (45) days of receipt of ***Impex's*** ~~Consultant's~~ correct and undisputed invoice; however, Consultant acknowledges and agrees that due to City warrant run procedures, the City cannot guarantee that payment will occur within this time period. In the event any charges or expenses are disputed by City, the original invoice shall be returned by City to ***Impex*** ~~Consultant~~ for correction and resubmission. Review and payment by City for any invoice provided by ***Impex*** ~~the Consultant~~ shall not constitute a waiver of any rights or remedies provided herein or any applicable law."

IV. Section 6.1 (Records) of the Agreement is hereby amended to read in its entirety as follows:

"6.1 Records.

Consultant shall keep, and require subcontractors ***and Impex*** to keep, such ledgers, books of accounts, invoices, vouchers, canceled checks, reports, studies or other documents relating to the disbursements charged to City and services performed hereunder (the "books and records"), as shall be necessary to perform the services required by this Agreement and enable the Contract Officer to evaluate the performance of such services. Any and all such documents shall be maintained in accordance with generally accepted accounting principles and shall be complete and detailed. The Contract Officer shall have full and free access to such books and records at all times during normal business hours of City, including the right to inspect, copy, audit and make records and transcripts from such records. Such records shall be maintained for a period of three (3) years following completion of the services hereunder, and the City shall have access to such records in the event any audit is required. In the event of dissolution of Consultant's ***or Impex's*** business, custody of the books and records may be given to City, and access shall be provided by Consultant's successor in interest. Notwithstanding the above, the Consultant shall fully cooperate with the City in providing access to the books and records if a public records request is made and disclosure is required by law including but not limited to the California Public Records Act."

STATE OF CALIFORNIA
PARTICIPATING ADDENDUM NO. 7-17-70-40-05

Cloud Solutions

Utah NASPO ValuePoint Master Agreement No. AR2472

Carahsoft Technology Corp.

This Participating Addendum Number 7-17-70-40-05 is entered into between the State of California, Department of General Services (hereafter referred to as "State" or "DGS") and Carahsoft Technology Corp. (hereafter referred to as "Contractor") under the lead State of Utah NASPO ValuePoint Master Agreement Number AR2472.

1. SCOPE

A. This Participating Addendum covers the purchase of Cloud Solutions under the Utah NASPO ValuePoint Master Agreement. The Utah NASPO ValuePoint Master Agreement Number AR2472 is hereby incorporated by reference. The cloud solution services are identified in Section 5 (Available Services).

B. This Participating Addendum is available for use by all State Agencies including the Executive, Judicial and Legislative branches, and will include all California political subdivisions/local governments. A subdivision/local government is defined as any city, county, city and county, district, or other local governmental body or corporation, including the California State Universities (CSU) and University of California (UC) systems, K-12 schools and community colleges empowered to expend public funds.

C. Each political subdivision/local government is to make its own determination whether this Participating Addendum and the Utah NASPO ValuePoint Master Agreement are consistent with its procurement policies and regulations.

2. TERM

A. The term of this Participating Addendum shall begin upon signature approval by the State and will end September 15, 2026, or upon termination by the State, whichever occurs first.

B. Lead State amendments to extend the Master Price Agreement term date are not automatically incorporated into this Participating Addendum. Extension(s) to the term of this Participating Addendum will be through a written amendment upon mutual agreement between the State and the Contractor.

3. TERMS AND CONDITIONS/INCORPORATION OF DOCUMENTS

A. Terms and conditions listed below are hereby incorporated by reference and made a part of this Participating Addendum as if attached herein and shall apply to the purchase of services made under this Participating Addendum.

1) **General Provisions – Information Technology (GSPD-401IT),** effective 9/5/2014. The twelve (12) page document can be viewed at: http://www.documents.dgs.ca.gov/pd/poliproc/GSPD401IT14_0905.pdf. Exception: Article 11 of the General Provisions – Information Technology, is superseded by Section 4 (Order of Precedence) below.

2) **Cloud Computing Special Provisions for Software as a Service (SaaS),** effective 9/3/14. The five (5) page document can be viewed at: http://www.documents.dgs.ca.gov/pd/poliproc/CLOUDCOMPUTINGSERVICESSPECIALPROVISIONS_14_0903.docx

4. ORDER OF PRECEDENCE

In the event of any inconsistency between the articles, attachments, or provisions which constitute this agreement, the following descending order of precedence shall apply:

A. California Participating Addendum Number 7-17-70-40-05
B. Utah NASPO ValuePoint Master Agreement Number AR2472
C. Utah Solicitation CH16012 including all Addendums
D. Contractor's response to Utah's Solicitation

5. AVAILABLE SERVICES

The following service offering from the Utah NASPO ValuePoint Master Agreement Number AR2472 are allowed under this Participating Addendum:

Software as a Service (SaaS)

6. RESTRICTIONS/DISALLOWED SERVICES – These restrictions are not applicable to political subdivisions/local governments.

A. The following service offerings are prohibited under this Participating Addendum:

1. Infrastructure as a Service (IaaS)
2. Platform as a Service (PaaS)
3. Value Added Services, including Additional Value Added Services such as Maintenance Services; Deployment Services; Consulting/Advisory Services; Architectural Design Services; Statement of Work Services; Partner Services, and Training Deployment Services

B. Product and service categories that are available on mandatory California statewide contracts cannot be purchased from this Participating Addendum by State Departments without an exemption. Prior to issuing a purchase order, State Departments are responsible for obtaining an exemption from DGS, and/or California Department of Technology (CDT).

7. PRICING

A. Contractor shall submit a Price Schedule identifying all services offered under this Participating Addendum for the State's approval.

B. The Price Schedule shall include the following:

1) Service Category (SaaS) Description
2) List Price
3) Discount off List Price
4) Contract Price

C. Contractor shall obtain prior approval from Utah NASPO ValuePoint Contract Administrator, and submit a written notice of price increases/decreases and a revised Price List for the State's approval.

D. State-approved Price List will be posted on the State's Cal eProcure website.

8. SERVICE ADDITIONS/DELETIONS

A. Contractor may add or delete services introduced or removed from the market by the manufacturer under the following conditions:

1) Service is within existing awarded categories under the NASPO ValuePoint Master Price Agreement;
2) Contractor has obtained prior approval from the Utah NASPO ValuePoint Contract Administrator; and
3) Contractor receives written approval from the California State Contract Administrator.

B. Contractor shall submit a written notice of service (s) additions/deletions and a revised Price Schedule for the State's approval.

For invoicing purposes, each State Accounting office must have a copy of the reseller's Payee Data Record (Std. 204) in order to process payment of the invoice. Agencies should forward a copy of the Std. 204 to their respective accounting office. Without the Std. 204, payment may be unnecessarily delayed.

AUTHORIZED RESELLERS ARE RESPONSIBLE FOR SENDING A COPY OF ALL PURCHASE ORDERS TO CARAHSOFT TECHNOLOGY CORP. FOR COOPERATIVE AGREEMENTS (NASPO VALUEPOINT) QUARTERLY REPORTING REQUIREMENTS.

When issuing an order to an authorized reseller listed on Cooperative Agreements, it is the agency's responsibility to ensure that the reseller holds a valid California Seller's Permit.

NOTE: Contractor shall be responsible for successful performance and compliance with all requirements in accordance with the terms and conditions under this Participating Addendum, even if work is performed by Servicing Subcontractors. All State policies, guidelines, and requirements shall apply to Authorized Resellers.

10. ORDERING AGENCY RESPONSIBILITIES

A. State department and political subdivision/local government use of this Participating Addendum is optional.

B. State departments and political subdivision/local governments must follow the ordering procedures outlined within the User Instructions guide, administered by the State Contract Administrator, to execute orders against this Participating Addendum.

11. INVOICING AND PAYMENT

A. Payment terms for this Participating Addendum are net forty-five (45) days. Payment will be made in accordance with IT General Provisions Paragraph 30 (Required Payment Date).

B. Invoices shall be sent to the address identified in the Ordering Agency's purchase order. The State Participating Addendum Number and Ordering Agency Purchase Order Number shall appear on each invoice for all purchases placed under this Participating Addendum.

C. Contractor will accept the State of California credit card (CAL-Card) for payment of invoices.

12. USAGE REPORTING

A. Contractor shall submit usage reports on a quarterly basis to the State Contract Administrator for all California entity purchases using the report template attached hereto as Attachment A. The report is due even when there is no activity.

B. The report shall be an Excel spreadsheet transmitted electronically to the DGS mailbox at PDCooperatives@dgs.ca.gov.

C. Any report that does not follow the required format or that excludes information will be deemed incomplete. Contractor will be responsible for submitting corrected reports within five business days of the date of written notification from the State.

D. Tax must not be included in the report, even if it is on the purchase order.

E. Reports are due for each quarter as follows:

Reporting Period	Due Date
JUL 1 to SEP 30	OCT 31
OCT 1 to DEC 31	JAN 31
JAN 1 to MAR 31	APR 30
APR 1 to JUN 30	JUL 31

F. Failure to meet reporting requirements and submit the reports on a timely basis shall constitute grounds for suspension of this contract.

G. Amendments for term extensions may be approved only if all due reports have been submitted to the State.

13. ADMINISTRATIVE FEE

A. Contractor shall submit a check, payable to the State of California, remitted to the Cooperative Agreement Unit for the calculated amount equal to one percent (0.01) of the sales for the quarterly period.

B. Contractor must include the Participating Addendum Number on the check. Those checks submitted to the State without the Participating Addendum Number will be returned to Contractor for additional identifying information.

C. Administrative fee checks shall be submitted to:

State of California
Department of General Services, Procurement Division
Attention: Cooperative Agreement Program
707 3rd Street, 2nd Floor, MS 2-202
West Sacramento, CA 95605

D. The administrative fee shall not be included as an adjustment to Contractor's NASPO ValuePoint Master Agreement pricing.

E. The administrative fee shall not be invoiced or charged to the ordering agency.

F. Payment of the administrative fee is due irrespective of payment status on orders or service contracts from a purchasing entity.

G. Administrative fee checks are due for each quarter as follows:

JUL 1 to SEP 30	OCT 31
OCT 1 to DEC 31	JAN 31
JAN 1 to MAR 31	APR 30
APR 1 to JUN 30	JUL 31

H. Failure to meet administrative fee requirements and submit fees on a timely basis shall constitute grounds for suspension of this contract.

14. CONTRACT MANAGEMENT

A. The primary Contractor Contract Manager for this Participating Addendum shall be as follows:

Contractor:	Carahsoft Technology Corp.
Name:	Jack Dixon
Phone:	703-230-7545
Fax:	703-871-8505
E-Mail:	naspo@carahsoft.com
Address:	1860 Michael Faraday Drive, Ste 100 Reston, VA 20190

B. The State Contract Administrator for this Participating Addendum shall be as follows:

Name:	Yolanda Tutt
Phone:	916.375.4408
Fax:	916.375.4663
E-Mail:	yolanda.tutt@dgs.ca.gov
Address:	State of California Department of General Services Procurement Division 707 Third Street, 2nd Floor, MS 2-202 West Sacramento, CA 95605

C. Should the contact information for either party change, the party will provide written notice with updated information no later than ten business days after the change.

15. Termination of Agreement

The State may terminate this Participating Addendum at any time upon 30 days prior written notice to the Contractor. Upon termination or other expiration of this Participating Addendum, each party will assist the other party in orderly termination of the Participating Addendum and the transfer of all assets, tangible and intangible, as may facilitate the orderly, nondisrupted business continuation of each party. This provision shall not relieve the Contractor of the obligation to perform under any purchase order or other similar ordering document executed prior to the termination becoming effective.

16. Amendment

No amendment or variation of the terms of this Participating Addendum shall be valid unless made in writing, signed by the parties and approved as required. No oral understanding or agreement not incorporated in the Participating Addendum is binding on any of the parties.

17. Agreement

A. This Participating Addendum and the Master Agreement together with its exhibits and/or amendments, set forth the entire agreement between the parties with respect to the subject matter of all previous communications, representations or agreements, whether oral or written, with respect to the subject matter hereof. Terms and conditions inconsistent with, contrary or in addition to the terms and conditions of this Participating Addendum and the Master Agreement, together with its exhibits and/or amendments, shall not be added to or incorporated into this Participating Addendum or the Master Agreement and its exhibits and/or amendments, by any subsequent purchase order or otherwise, and any such attempts to add or incorporate such terms and conditions are hereby rejected. The terms and conditions of this Participating Addendum and the Master Agreement and its exhibits and/or amendments shall prevail and govern in the case of any such inconsistent or additional terms.

B. By signing below Contractor agrees to offer the same services as on the Utah NASPO ValuePoint Master Agreement Number AR2472, at prices equal to or lower than the prices on that contract.

C. IN WITNESS WHEREOF, the parties have executed this Participating Addendum as of the date of execution by both parties below.

Attachment A: NASPO ValuePoint Master Agreement Terms and Conditions

1. Master Agreement Order of Precedence

a. Any Order placed under this Master Agreement shall consist of the following documents:

(1) A Participating Entity's Participating Addendum[1] ("PA");
(2) NASPO ValuePoint Master Agreement Terms & Conditions, including the applicable Exhibits[2] to the Master Agreement;
(3) The Solicitation;
(4) Contractor's response to the Solicitation, as revised (if permitted) and accepted by the Lead State; and
(5) A Service Level Agreement issued against the Participating Addendum.

b. These documents shall be read to be consistent and complementary. Any conflict among these documents shall be resolved by giving priority to these documents in the order listed above. Contractor terms and conditions that apply to this Master Agreement are only those that are expressly accepted by the Lead State and must be in writing and attached to this Master Agreement as an Exhibit or Attachment.

2. Definitions - Unless otherwise provided in this Master Agreement, capitalized terms will have the meanings given to those terms in this Section.

Confidential Information means any and all information of any form that is marked as confidential or would by its nature be deemed confidential obtained by Contractor or its employees or agents in the performance of this Master Agreement, including, but not necessarily limited to (1) any Purchasing Entity's records, (2) personnel records, and (3) information concerning individuals, is confidential information of Purchasing Entity.

Contractor means the person or entity providing solutions under the terms and conditions set forth in this Master Agreement. Contractor also includes its employees, subcontractors, agents and affiliates who are providing the services agreed to under the

[1] A Sample Participating Addendum will be published after the contracts have been awarded.
[2] The Exhibits comprise the terms and conditions for the service models: PaaS, IaaS, and PaaS.

Master Agreement.

Data means all information, whether in oral or written (including electronic) form, created by or in any way originating with a Participating Entity or Purchasing Entity, and all information that is the output of any computer processing, or other electronic manipulation, of any information that was created by or in any way originating with a Participating Entity or Purchasing Entity, in the course of using and configuring the Services provided under this Agreement.

Data Breach means any actual or reasonably suspected non-authorized access to or acquisition of computerized Non-Public Data or Personal Data that compromises the security, confidentiality, or integrity of the Non-Public Data or Personal Data, or the ability of Purchasing Entity to access the Non-Public Data or Personal Data.

Data Categorization means the process of risk assessment of Data. See also “High Risk Data”, “Moderate Risk Data” and “Low Risk Data”.

Disabling Code means computer instructions or programs, subroutines, code, instructions, data or functions, (including but not limited to viruses, worms, date bombs or time bombs), including but not limited to other programs, data storage, computer libraries and programs that self-replicate without manual intervention, instructions programmed to activate at a predetermined time or upon a specified event, and/or programs purporting to do a meaningful function but designed for a different function, that alter, destroy, inhibit, damage, interrupt, interfere with or hinder the operation of the Purchasing Entity’s’ software, applications and/or its end users processing environment, the system in which it resides, or any other software or data on such system or any other system with which it is capable of communicating.

Fulfillment Partner means a third-party contractor qualified and authorized by Contractor, and approved by the Participating State under a Participating Addendum, who may, to the extent authorized by Contractor, fulfill any of the requirements of this Master Agreement including but not limited to providing Services under this Master Agreement and billing Customers directly for such Services. Contractor may, upon written notice to the Participating State, add or delete authorized Fulfillment Partners as necessary at any time during the contract term. Fulfillment Partner has no authority to amend this Master Agreement or to bind Contractor to any additional terms and conditions.

High Risk Data is as defined in FIPS PUB 199, Standards for Security Categorization of Federal Information and Information Systems (“High Impact Data”).

Infrastructure as a Service (IaaS) as used in this Master Agreement is defined the capability provided to the consumer to provision processing, storage, networks, and other fundamental computing resources where the consumer is able to deploy and run

arbitrary software, which can include operating systems and applications. The consumer does not manage or control the underlying cloud infrastructure but has control over operating systems, storage, deployed applications; and possibly limited control of select networking components (e.g., host firewalls).

Intellectual Property means any and all patents, copyrights, service marks, trademarks, trade secrets, trade names, patentable inventions, or other similar proprietary rights, in tangible or intangible form, and all rights, title, and interest therein.

Lead State means the State centrally administering the solicitation and any resulting Master Agreement(s).

Low Risk Data is as defined in FIPS PUB 199, Standards for Security Categorization of Federal Information and Information Systems ("Low Impact Data").

Master Agreement means this agreement executed by and between the Lead State, acting on behalf of NASPO ValuePoint, and the Contractor, as now or hereafter amended.

Moderate Risk Data is as defined in FIPS PUB 199, Standards for Security Categorization of Federal Information and Information Systems ("Moderate Impact Data").

NASPO ValuePoint is the NASPO ValuePoint Cooperative Purchasing Program, facilitated by the NASPO Cooperative Purchasing Organization LLC, a 501(c)(3) limited liability company (doing business as NASPO ValuePoint) is a subsidiary organization the National Association of State Procurement Officials (NASPO), the sole member of NASPO ValuePoint. The NASPO ValuePoint Cooperative Purchasing Organization facilitates administration of the cooperative group contracting consortium of state chief procurement officials for the benefit of state departments, institutions, agencies, and political subdivisions and other eligible entities (i.e., colleges, school districts, counties, cities, some nonprofit organizations, etc.) for all states and the District of Columbia. The NASPO ValuePoint Cooperative Development Team is identified in the Master Agreement as the recipient of reports and may be performing contract administration functions as assigned by the Lead State.

Non-Public Data means High Risk Data and Moderate Risk Data that is not subject to distribution to the public as public information. It is deemed to be sensitive and confidential by the Purchasing Entity because it contains information that is exempt by statute, ordinance or administrative rule from access by the general public as public information.

Participating Addendum means a bilateral agreement executed by a Contractor and a Participating Entity incorporating this Master Agreement and any other additional Participating Entity specific language or other requirements, e.g. ordering procedures

specific to the Participating Entity, other terms and conditions.

Participating Entity means a state, or other legal entity, properly authorized to enter into a Participating Addendum.

Participating State means a state, the District of Columbia, or one of the territories of the United States that is listed in the Request for Proposal as intending to participate. Upon execution of the Participating Addendum, a Participating State becomes a Participating Entity.

Personal Data means data alone or in combination that includes information relating to an individual that identifies the individual by name, identifying number, mark or description can be readily associated with a particular individual and which is not a public record. Personal Information may include the following personally identifiable information (PII): government-issued identification numbers (e.g., Social Security, driver's license, passport); financial account information, including account number, credit or debit card numbers; or Protected Health Information (PHI) relating to a person.

Platform as a Service (PaaS) as used in this Master Agreement is defined as the capability provided to the consumer to deploy onto the cloud infrastructure consumer-created or -acquired applications created using programming languages and tools supported by the provider. This capability does not necessarily preclude the use of compatible programming languages, libraries, services, and tools from other sources. The consumer does not manage or control the underlying cloud infrastructure including network, servers, operating systems, or storage, but has control over the deployed applications and possibly application hosting environment configurations.

Product means any deliverable under this Master Agreement, including Services, software, and any incidental tangible goods.

Protected Health Information (PHI) means individually identifiable health information transmitted by electronic media, maintained in electronic media, or transmitted or maintained in any other form or medium. PHI excludes education records covered by the Family Educational Rights and Privacy Act (FERPA), as amended, 20 U.S.C. 1232g, records described at 20 U.S.C. 1232g(a)(4)(B)(iv) and employment records held by a covered entity in its role as employer. PHI may also include information that is a subset of health information, including demographic information collected from an individual, and (1) is created or received by a health care provider, health plan, employer or health care clearinghouse; and (2) relates to the past, present or future physical or mental health or condition of an individual; the provision of health care to an individual; or the past, present or future payment for the provision of health care to an individual; and (a) that identifies the individual; or (b) with respect to which there is a reasonable basis to believe the information can be used to identify the individual.

This document includes salient or non-standard provisions extracted from NASPO/ValuePoint Model Contract for Cloud Services.

February 17, 2016.

Purchasing Entity means a state, city, county, district, other political subdivision of a State, and a nonprofit organization under the laws of some states if authorized by a Participating Addendum, who issues a Purchase Order against the Master Agreement and becomes financially committed to the purchase.

Services mean any of the specifications described in the Scope of Services that are supplied or created by the Contractor pursuant to this Master Agreement.

Security Incident means the possible or actual unauthorized access to a Purchasing Entity's Non-Public Data and Personal Data the Contractor believes could reasonably result in the use, disclosure or theft of a Purchasing Entity's Non-Public Data within the possession or control of the Contractor. A Security Incident also includes a major security breach to the Contractor's system, regardless if Contractor is aware of unauthorized access to a Purchasing Entity's Non-Public Data. A Security Incident may or may not turn into a Data Breach.

Service Level Agreement (SLA) means a written agreement between both the Purchasing Entity and the Contractor that is subject to the terms and conditions in this Master Agreement and relevant Participating Addendum unless otherwise expressly agreed in writing between the Purchasing Entity and the Contractor. SLAs should include: (1) the technical service level performance promises, (i.e. metrics for performance and intervals for measure), (2) description of service quality, (3) identification of roles and responsibilities, (4) remedies, such as credits, and (5) an explanation of how remedies or credits are calculated and issued.

Software as a Service (SaaS) as used in this Master Agreement is defined as the capability provided to the consumer to use the Contractor's applications running on a Contractor's infrastructure (commonly referred to as 'cloud infrastructure). The applications are accessible from various client devices through a thin client interface such as a Web browser (e.g., Web-based email), or a program interface. The consumer does not manage or control the underlying cloud infrastructure including network, servers, operating systems, storage, or even individual application capabilities, with the possible exception of limited user-specific application configuration settings.

Solicitation means the documents used by the State of Utah, as the Lead State, to obtain Contractor's Proposal.

Statement of Work means a written statement in a solicitation document or contract that describes the Purchasing Entity's service needs and expectations.

6. Discount Guarantee Period: All discounts must be guaranteed for the entire term of the Master Agreement. Participating Entities and Purchasing Entities shall receive the immediate benefit of price or rate reduction of the services provided under this Master Agreement. A price or rate reduction will apply automatically to the Master Agreement

and an amendment is not necessary.

8. Confidentiality, Non-Disclosure, and Injunctive Relief

a. Confidentiality. Contractor acknowledges that it and its employees or agents may, in the course of providing a Product under this Master Agreement, be exposed to or acquire information that is confidential to Purchasing Entity's or Purchasing Entity's clients. Any reports or other documents or items (including software) that result from the use of the Confidential Information by Contractor shall be treated in the same manner as the Confidential Information. Confidential Information does not include information that (1) is or becomes (other than by disclosure by Contractor) publicly known; (2) is furnished by Purchasing Entity to others without restrictions similar to those imposed by this Master Agreement; (3) is rightfully in Contractor's possession without the obligation of nondisclosure prior to the time of its disclosure under this Master Agreement; (4) is obtained from a source other than Purchasing Entity without the obligation of confidentiality, (5) is disclosed with the written consent of Purchasing Entity or; (6) is independently developed by employees, agents or subcontractors of Contractor who can be shown to have had no access to the Confidential Information.

b. Non-Disclosure. Contractor shall hold Confidential Information in confidence, using at least the industry standard of confidentiality, and shall not copy, reproduce, sell, assign, license, market, transfer or otherwise dispose of, give, or disclose Confidential Information to third parties or use Confidential Information for any purposes whatsoever other than what is necessary to the performance of Orders placed under this Master Agreement. Contractor shall advise each of its employees and agents of their obligations to keep Confidential Information confidential. Contractor shall use commercially reasonable efforts to assist Purchasing Entity in identifying and preventing any unauthorized use or disclosure of any Confidential Information. Without limiting the generality of the foregoing, Contractor shall advise Purchasing Entity, applicable Participating Entity, and the Lead State immediately if Contractor learns or has reason to believe that any person who has had access to Confidential Information has violated or intends to violate the terms of this Master Agreement, and Contractor shall at its expense cooperate with Purchasing Entity in seeking injunctive or other equitable relief in the name of Purchasing Entity or Contractor against any such person. Except as directed by Purchasing Entity, Contractor will not at any time during or after the term of this Master Agreement disclose, directly or indirectly, any Confidential Information to any person, except in accordance with this Master Agreement, and that upon termination of this Master Agreement or at Purchasing Entity's request, Contractor shall turn over to Purchasing Entity all documents, papers, and other matter in Contractor's possession that embody Confidential Information. Notwithstanding the foregoing, Contractor may keep one copy of such Confidential Information necessary for quality assurance, audits and evidence of the performance of this Master Agreement.

c. Injunctive Relief. Contractor acknowledges that breach of this section, including disclosure of any Confidential Information, will cause irreparable injury to Purchasing

Entity that is inadequately compensable in damages. Accordingly, Purchasing Entity may seek and obtain injunctive relief against the breach or threatened breach of the foregoing undertakings, in addition to any other legal remedies that may be available. Contractor acknowledges and agrees that the covenants contained herein are necessary for the protection of the legitimate business interests of Purchasing Entity and are reasonable in scope and content.

d. Purchasing Entity Law. These provisions shall be applicable only to extent they are not in conflict with the applicable public disclosure laws of any Purchasing Entity.

9. Right to Publish: Throughout the duration of this Master Agreement, Contractor must secure prior approval from the Lead State or Participating Entity for the release of any information that pertains to the potential work or activities covered by the Master Agreement , including but not limited to reference to or use of the Lead State or a Participating Entity's name, Great Seal of the State, Coat of Arms, any Agency or other subunits of the State government, or any State official or employee, for commercial promotion which is strictly prohibited. News releases or release of broadcast e-mails pertaining to this Master Agreement or Participating Addendum shall not be made without prior written approval of the Lead State or a Participating Entity.

The Contractor shall not make any representations of NASPO ValuePoint's opinion or position as to the quality or effectiveness of the services that are the subject of this Master Agreement without prior written consent. Failure to adhere to this requirement may result in termination of the Master Agreement for cause.

11. Changes in Contractor Representation: The Contractor must notify the Lead State of changes in the Contractor's key administrative personnel, in writing within 10 calendar days of the change. The Lead State reserves the right to approve changes in key personnel, as identified in the Contractor's proposal. The Contractor agrees to propose replacement key personnel having substantially equal or better education, training, and experience as was possessed by the key person proposed and evaluated in the Contractor's proposal.

13. Indemnification and Limitation of Liability

a. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, and Purchasing Entities, along with their officers, agents, and employees as well as any person or entity for which they may be liable, from and against claims, damages or causes of action including reasonable attorneys' fees and related costs for any death, bodily injury, or damage to real or tangible property arising directly or indirectly from the negligent or wrongful act(s), error(s), or omission(s) of the Contractor, its employees or subcontractors or volunteers, at any tier, relating to the performance under the Master Agreement.

b. Indemnification – Intellectual Property. The Contractor shall defend, indemnify and hold harmless NASPO, NASPO ValuePoint, the Lead State, Participating Entities, Purchasing Entities, along with their officers, agents, and employees as well as any

person or entity for which they may be liable ("Indemnified Party"), from and against claims, damages or causes of action including reasonable attorneys' fees and related costs arising out of the claim that the Product or its use, infringes Intellectual Property rights ("Intellectual Property Claim") of another person or entity.

(1) The Contractor's obligations under this section shall not extend to:

a. Any use of the Services provided hereunder not contemplated in the product documentation.
b. Any use of the Services provided hereunder in combination with other products not contemplated hereunder or in the documentation, any use of modification of the Services provided hereunder except as permitted by this Agreement.

(2) The Indemnified Party shall notify the Contractor within a reasonable time after receiving notice of an Intellectual Property Claim. Even if the Indemnified Party fails to provide reasonable notice, the Contractor shall not be relieved from its obligations unless the Contractor can demonstrate that it was prejudiced in defending the Intellectual Property Claim resulting in increased expenses or loss to the Contractor and then only to the extent of the prejudice or expenses. If the Contractor promptly and reasonably investigates and defends any Intellectual Property Claim, it shall have control over the defense and settlement of it. However, the Indemnified Party must consent in writing for any money damages or obligations for which it may be responsible. The Indemnified Party shall furnish, at the Contractor's reasonable request and expense, information and assistance necessary for such defense. If the Contractor fails to vigorously pursue the defense or settlement of the Intellectual Property Claim, the Indemnified Party may assume the defense or settlement of it and the Contractor shall be liable for all costs and expenses, including reasonable attorneys' fees and related costs, incurred by the Indemnified Party in the pursuit of the Intellectual Property Claim. Unless otherwise agreed in writing, this section is not subject to any limitations of liability in this Master Agreement or in any other document executed in conjunction with this Master Agreement.

b. Except as otherwise set forth in the Indemnification Paragraphs above, the limit of liability shall be as follows:

i. Contractor's liability for any claim, loss or liability arising out of, or connected with the Services provided, and whether based upon default, or other liability such as breach of contract, warranty, negligence, misrepresentation or otherwise, shall in no case exceed direct damages in: (i) an amount equal to two (2) times the charges specified in the Purchase Order for the Services, or parts thereof forming the basis of the Purchasing Entity's claim, (said amount not to exceed a total of twelve (12) months charges payable under the applicable

Purchase Order) or (ii) two million dollars ($2,000,000), whichever is greater.
ii. The Purchasing Entity may retain such monies from any amount due Contractor as may be necessary to satisfy any claim for damages, costs and the like asserted against the Purchasing Entity unless Contractor at the time of the presentation of claim shall demonstrate to the Purchasing Entity's satisfaction that sufficient monies are set aside by the Contractor in the form of a bond or through insurance coverage to cover associated damages and other costs.
iii. Notwithstanding the above, neither the Contractor nor the Purchasing Entity shall be liable for any consequential, indirect or special damages of any kind which may result directly or indirectly from such performance, including, without limitation, damages resulting from loss of use or loss of profit by the Purchasing Entity, the Contractor, or by others.

iv. The limitations of liability in Section 43 will not apply to claims for bodily injury or death as set forth in Section 13, and Section 30 when made applicable under a specific purchase order.

16. Insurance

a. Unless otherwise agreed in a Participating Addendum, Contractor shall, during the term of this Master Agreement, maintain in full force and effect, the insurance described in this section. Contractor shall acquire such insurance from an insurance carrier or carriers licensed to conduct business in each Participating Entity's state and having a rating of A-, Class VII or better, in the most recently published edition of Best's Reports. Failure to buy and maintain the required insurance may result in this Master Agreement's termination or, at a Participating Entity's option, result in termination of its Participating Addendum.

b. Coverage shall be written on an occurrence basis. The minimum acceptable limits shall be as indicated below, with no deductible for each of the following categories:

(1) Commercial General Liability covering premises operations, independent contractors, products and completed operations, blanket contractual liability, personal injury (including death), advertising liability, and property damage, with a limit of not less than $1 million per occurrence/$3 million general aggregate;

(2) CLOUD MINIMUM INSURANCE COVERAGE:

Level of Risk	**Data Breach and Privacy/Cyber Liability including Technology Errors and Omissions** Minimum Insurance Coverage	**Crime Insurance** Minimum Insurance Coverage
Low	$2,000,000	$2,000,000

Moderate	$5,000,000	$5,000,000
High	$10,000,000	$10,000,000

(3) Contractor must comply with any applicable State Workers Compensation or Employers Liability Insurance requirements.

(4) Professional Liability. As applicable, Professional Liability Insurance Policy in the minimum amount of $1,000,000 per occurrence and $1,000,000 in the aggregate, written on an occurrence form that provides coverage for its work undertaken pursuant to each Participating Addendum.

c. Contractor shall pay premiums on all insurance policies. Such policies shall also reference this Master Agreement and shall have a condition that they not be revoked by the insurer until thirty (30) calendar days after notice of intended revocation thereof shall have been given to Purchasing Entity and Participating Entity by the Contractor.

d. Prior to commencement of performance, Contractor shall provide to the Lead State a written endorsement to the Contractor's general liability insurance policy or other documentary evidence acceptable to the Lead State that (1) names the Participating States identified in the Request for Proposal as additional insureds, (2) provides that no material alteration, cancellation, non-renewal, or expiration of the coverage contained in such policy shall have effect unless the named Participating State has been given at least thirty (30) days prior written notice, and (3) provides that the Contractor's liability insurance policy shall be primary, with any liability insurance of any Participating State as secondary and noncontributory. Unless otherwise agreed in any Participating Addendum, the Participating Entity's rights and Contractor's obligations are the same as those specified in the first sentence of this subsection. Before performance of any Purchase Order issued after execution of a Participating Addendum authorizing it, the Contractor shall provide to a Purchasing Entity or Participating Entity who requests it the same information described in this subsection.

e. Contractor shall furnish to the Lead State, Participating Entity, and, on request, the Purchasing Entity copies of certificates of all required insurance within thirty (30) calendar days of the execution of this Master Agreement, the execution of a Participating Addendum, or the Purchase Order's effective date and prior to performing any work. The insurance certificate shall provide the following information: the name and address of the insured; name, address, telephone number and signature of the authorized agent; name of the insurance company (authorized to operate in all states); a description of coverage in detailed standard terminology (including policy period, policy number, limits of liability, exclusions and endorsements); and an acknowledgment of the requirement for notice of cancellation. Copies of renewal certificates of all required insurance shall be furnished within thirty (30) days after any renewal date. These certificates of insurance must expressly indicate compliance with each and every insurance requirement specified in this section. Failure to provide evidence of coverage

may, at sole option of the Lead State, or any Participating Entity, result in this Master Agreement's termination or the termination of any Participating Addendum.

f. Coverage and limits shall not limit Contractor's liability and obligations under this Master Agreement, any Participating Addendum, or any Purchase Order.

17. Laws and Regulations: Any and all Services offered and furnished shall comply fully with all applicable Federal and State laws and regulations.

The federal and state laws, regulations, policies, standards, and guidelines that Contractors doing business with the Participating Entities must be aware of, include, but not limited to: Criminal Justice Information Services (CJIS) Security Policy; Federal Educational Rights and Privacy Act (FERPA); Federal Information Security Management Act (FISMA); National Institute of Technology Standards; Gramm-Leach-Bliley Act (GLB) Act; Health Insurance Portability and Accountability Act (HIPAA); Health Information Technology for Economic and Clinical Health Act (HITECH); IRS Publication 1075; Payment Card Industry Data Security Standard (PCI DSS); Sarbanes-Oxley Act (SOX); Electronic Communications Privacy Act, Stored Communications Act and the PATRIOT Act. The list is intentionally United States-centric, and is not intended to be all-inclusive. Further, since laws, regulations, requirements and industry guidelines change, consulting definitive sources to assure a clear understanding of compliance requirements is critical. Many State Entities have additional program compliance requirements that must be considered in addressing compliance. (e.g., DMV Privacy Act, Public Service Law, etc.).

20. Participants and Scope

a. Contractor may not deliver Services under this Master Agreement until a Participating Addendum acceptable to the Participating Entity and Contractor is executed. The NASPO ValuePoint Master Agreement Terms and Conditions are applicable to any Order by a Participating Entity (and other Purchasing Entities covered by their Participating Addendum), except to the extent altered, modified, supplemented or amended by a Participating Addendum. By way of illustration and not limitation, this authority may apply to unique delivery and invoicing requirements, confidentiality requirements, defaults on Orders, governing law and venue relating to Orders by a Participating Entity, indemnification, and insurance requirements. Statutory or constitutional requirements relating to availability of funds may require specific language in some Participating Addenda in order to comply with applicable law. The expectation is that these alterations, modifications, supplements, or amendments will be addressed in the Participating Addendum or, with the consent of the Purchasing Entity and Contractor, may be included in the ordering document (e.g. purchase order or contract) used by the Purchasing Entity to place the Order.

b. Subject to subsection 20c and a Participating Entity's Participating Addendum, the use of specific NASPO ValuePoint cooperative Master Agreements by state agencies, political subdivisions and other Participating Entities (including cooperatives) authorized

by individual state's statutes to use state contracts is subject to the approval of the respective State Chief Procurement Official.

c. Unless otherwise stipulated in a Participating Entity's Participating Addendum, specific services accessed through the NASPO ValuePoint cooperative Master Agreements for Cloud Services by state executive branch agencies, as required by a Participating Entity's statutes, are subject to the authority and approval of the Participating Entity's Chief Information Officer's Office[3].

d. Obligations under this Master Agreement are limited to those Participating Entities who have signed a Participating Addendum and Purchasing Entities within the scope of those Participating Addenda. Financial obligations of Participating States are limited to the orders placed by the departments or other state agencies and institutions having available funds. Participating States incur no financial obligations on behalf of political subdivisions.

e. NASPO ValuePoint is not a party to the Master Agreement. It is a nonprofit cooperative purchasing organization assisting states in administering the NASPO ValuePoint cooperative purchasing program for state government departments, institutions, agencies and political subdivisions (e.g., colleges, school districts, counties, cities, etc.) for all 50 states, the District of Columbia and the territories of the United States.

f. Participating Addenda shall not be construed to amend the terms of this Master Agreement between the Lead State and Contractor.

g. Participating Entities who are not states may under some circumstances sign their own Participating Addendum, subject to the approval of participation by the Chief Procurement Official of the state where the Participating Entity is located. Coordinate requests for such participation through NASPO ValuePoint. Any permission to participate through execution of a Participating Addendum is not a determination that procurement authority exists in the Participating Entity; they must ensure that they have the requisite procurement authority to execute a Participating Addendum.

h. Resale. Subject to any explicit permission in a Participating Addendum, Purchasing Entities may not resell goods, software, or Services obtained under this Master Agreement. This limitation does not prohibit: payments by employees of a Purchasing Entity as explicitly permitted under this agreement; sales of goods to the general public as surplus property; and fees associated with inventory transactions with other governmental or nonprofit entities under cooperative agreements and consistent with a Purchasing Entity's laws and regulations. Any sale or transfer permitted by this

[3] Chief Information Officer means the individual designated by the Governor with Executive Branch, enterprise-wide responsibility for the leadership and management of information technology resources of a state.

subsection must be consistent with license rights granted for use of intellectual property.

22. Data Access Controls: Contractor will provide access to Purchasing Entity's Data only to those Contractor employees, contractors and subcontractors ("Contractor Staff") who need to access the Data to fulfill Contractor's obligations under this Agreement. Contractor shall not access a Purchasing Entity's user accounts or Data, except on the course of data center operations, response to service or technical issues, as required by the express terms of this Master Agreement, or at a Purchasing Entity's written request.

Contractor may not share a Purchasing Entity's Data with its parent corporation, other affiliates, or any other third party without the Purchasing Entity's express written consent.

Contractor will ensure that, prior to being granted access to the Data, Contractor Staff who perform work under this Agreement have successfully completed annual instruction of a nature sufficient to enable them to effectively comply with all Data protection provisions of this Agreement; and possess all qualifications appropriate to the nature of the employees' duties and the sensitivity of the Data they will be handling.

23. Operations Management: Contractor shall maintain the administrative, physical, technical, and procedural infrastructure associated with the provision of the Product in a manner that is, at all times during the term of this Master Agreement, at a level equal to or more stringent than those specified in the Solicitation. Contractor must maintain any certifications required under the Solicitation.

24. Public Information: This Master Agreement and all related documents are subject to disclosure pursuant to the Purchasing Entity's public information laws.

26. Records Administration and Audit.

a. The Contractor shall maintain books, records, documents, and other evidence pertaining to this Master Agreement and orders placed by Purchasing Entities under it to the extent and in such detail as shall adequately reflect performance and administration of payments and fees. Contractor shall permit the Lead State, a Participating Entity, a Purchasing Entity, the federal government (including its grant awarding entities and the U.S. Comptroller General), and any other duly authorized agent of a governmental agency, to audit, inspect, examine, copy and/or transcribe Contractor's books, documents, papers and records directly pertinent to this Master Agreement or orders placed by a Purchasing Entity under it for the purpose of making audits, examinations, excerpts, and transcriptions. This right shall survive for a period of six (6) years following termination of this Agreement or final payment for any order placed by a Purchasing Entity against this Agreement, whichever is later, to assure compliance with the terms hereof or to evaluate performance hereunder.

b. Without limiting any other remedy available to any governmental entity, the

Contractor shall reimburse the applicable Lead State, Participating Entity, or Purchasing Entity for any overpayments inconsistent with the terms of the Master Agreement or orders or underpayment of fees found as a result of the examination of the Contractor's records.

c. The rights and obligations herein exist in addition to any quality assurance obligation in the Master Agreement requiring the Contractor to self-audit contract obligations and that permits the Lead State to review compliance with those obligations.

d. The Contractor shall allow the Purchasing Entity to audit conformance to the Master Agreement and applicable Participating Addendum terms. The purchasing entity may perform this audit or contract with a third party at its discretion and at the purchasing entity's expense.

27. Administrative Fees: The Contractor shall pay to NASPO ValuePoint, or its assignee, a NASPO ValuePoint Administrative Fee of one-quarter of one percent (0.25% or 0.0025) no later than 60 days following the end of each calendar quarter. The NASPO ValuePoint Administrative Fee shall be submitted quarterly and is based on sales of the Services. The NASPO ValuePoint Administrative Fee is not negotiable. This fee is to be included as part of the pricing submitted with proposal.

Additionally, some states may require an additional administrative fee be paid directly to the state on purchases made by Purchasing Entities within that state. For all such requests, the fee level, payment method and schedule for such reports and payments will be incorporated into the Participating Addendum that is made a part of the Master Agreement. The Contractor may adjust the Master Agreement pricing accordingly for purchases made by Purchasing Entities within the jurisdiction of the state. All such agreements shall not affect the NASPO ValuePoint Administrative Fee percentage or the prices paid by the Purchasing Entities outside the jurisdiction of the state requesting the additional fee. The NASPO ValuePoint Administrative Fee shall be based on the gross amount of all sales at the adjusted prices (if any) in Participating Addenda.

28. System Failure or Damage: In the event of system failure or damage caused by Contractor or its Services, the Contractor agrees to use its best efforts to restore or assist in restoring the system to operational capacity.

29. Title to Product: If access to the Product requires an application program interface (API), Contractor shall convey to Purchasing Entity an irrevocable and perpetual license to use the API.

30. Data Privacy: When required by a specific purchase order issued under this Agreement or a Participating Addendum and accepted by the Contractor, the Contractor must comply with all applicable laws related to data privacy and security, including IRS Pub 1075. Prior to entering into a SLA with a Purchasing Entity, the Contractor and

Purchasing Entity must cooperate and hold a meeting to determine the Data Categorization to determine whether the Contractor will hold, store, or process High Risk Data, Moderate Risk Data and Low Risk Data. The Contractor must document the Data Categorization in the SLA or Statement of Work.

31. Warranty: At a minimum the Contractor must warrant the following:

a. Contractor has acquired any and all rights, grants, assignments, conveyances, licenses, permissions, and authorization for the Contractor to provide the Services described in this Master Agreement.

b. Contractor will perform materially as described in this Master Agreement, SLA, Statement of Work, including any performance representations contained in the Contractor's response to the Solicitation by the Lead State.

c. Contractor represents and warrants that the representations contained in its response to the Solicitation by the Lead State.

d. The Contractor will not interfere with a Purchasing Entity's access to and use of the Services it acquires from this Master Agreement.

e. The Services provided by the Contractor are compatible with and will operate successfully with any environment (including web browser and operating system) specified by the Contractor in its response to the Solicitation by the Lead State.

f. The Contractor warrants that the Products it provides under this Master Agreement are free of malware. The Contractor must use industry-leading technology to detect and remove worms, Trojans, rootkits, rogues, dialers, spyware, etc.

32. Transition Assistance:

a. The Contractor shall reasonably cooperate with other parties in connection with all Services to be delivered under this Master Agreement, including without limitation any successor service provider to whom a Purchasing Entity's Data is transferred in connection with the termination or expiration of this Master Agreement. The Contractor shall assist a Purchasing Entity in exporting and extracting a Purchasing Entity's Data, in a format usable without the use of the Services and as agreed by a Purchasing Entity, at no additional cost to the Purchasing Entity. Any transition services requested by a Purchasing Entity involving additional knowledge transfer and support may be subject to a separate transition Statement of Work.

b. A Purchasing Entity and the Contractor shall, when reasonable, create a Transition Plan Document identifying the transition services to be provided and including a Statement of Work if applicable.

c. The Contractor must maintain the confidentiality and security of a Purchasing Entity's Data during the transition services and thereafter as required by the Purchasing Entity.

35. Debarment : The Contractor certifies, to the best of its knowledge, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from participation in this transaction (contract) by any governmental department or agency. This certification represents a recurring certification made at the time any Order is placed under this Master Agreement. If the Contractor cannot certify this statement, attach a written explanation for review by the Lead State.

37. Governing Law and Venue

a. The procurement, evaluation, and award of the Master Agreement shall be governed by and construed in accordance with the laws of the Lead State sponsoring and administering the procurement. The construction and effect of the Master Agreement after award shall be governed by the law of the state serving as Lead State (in most cases also the Lead State). The construction and effect of any Participating Addendum or Order against the Master Agreement shall be governed by and construed in accordance with the laws of the Participating Entity's or Purchasing Entity's State.

b. Unless otherwise specified in the RFP, the venue for any protest, claim, dispute or action relating to the procurement, evaluation, and award is in the Lead State. Venue for any claim, dispute or action concerning the terms of the Master Agreement shall be in the state serving as Lead State. Venue for any claim, dispute, or action concerning any Order placed against the Master Agreement or the effect of a Participating Addendum shall be in the Purchasing Entity's State.

c. If a claim is brought in a federal forum, then it must be brought and adjudicated solely and exclusively within the United States District Court for (in decreasing order of priority): the Lead State for claims relating to the procurement, evaluation, award, or contract performance or administration if the Lead State is a party; the Participating State if a named party; the Participating Entity state if a named party; or the Purchasing Entity state if a named party.

d. This section is also not a waiver by the Participating State of any form of immunity, including but not limited to sovereign immunity and immunity based on the Eleventh Amendment to the Constitution of the United States.

40. Contract Provisions for Orders Utilizing Federal Funds: Pursuant to Appendix II to 2 Code of Federal Regulations (CFR) Part 200, Contract Provisions for Non-Federal Entity Contracts Under Federal Awards, Orders funded with federal funds may have

additional contractual requirements or certifications that must be satisfied at the time the Order is placed or upon delivery. These federal requirements may be proposed by Participating Entities in Participating Addenda and Purchasing Entities for incorporation in Orders placed under this master agreement.

42. NASPO ValuePoint Summary and Detailed Usage Reports: In addition to other reports that may be required by this solicitation, the Contractor shall provide the following NASPO ValuePoint reports.

a. Summary Sales Data. The Contractor shall submit quarterly sales reports directly to NASPO ValuePoint using the NASPO ValuePoint Quarterly Sales/Administrative Fee Reporting Tool found at http://www.naspo.org/WNCPO/Calculator.aspx. Any/all sales made under the contract shall be reported as cumulative totals by state. Even if Contractor experiences zero sales during a calendar quarter, a report is still required. Reports shall be due no later than 30 day following the end of the calendar quarter (as specified in the reporting tool).

b. Detailed Sales Data. Contractor shall also report detailed sales data by: (1) state; (2) entity/customer type, e.g. local government, higher education, K12, non-profit; (3) Purchasing Entity name; (4) Purchasing Entity bill-to and ship-to locations; (4) Purchasing Entity and Contractor Purchase Order identifier/number(s); (5) Purchase Order Type (e.g. sales order, credit, return, upgrade, determined by industry practices); (6) Purchase Order date; (7) Ship Date; (8) and line item description, including product number if used. The report shall be submitted in any form required by the solicitation. Reports are due on a quarterly basis and must be received by the Lead State and NASPO ValuePoint Cooperative Development Team no later than thirty (30) days after the end of the reporting period. Reports shall be delivered to the Lead State and to the NASPO ValuePoint Cooperative Development Team electronically through a designated portal, email, CD-Rom, flash drive or other method as determined by the Lead State and NASPO ValuePoint. Detailed sales data reports shall include sales information for all sales under Participating Addenda executed under this Master Agreement. The format for the detailed sales data report is in shown in Attachment F.

c. Reportable sales for the summary sales data report and detailed sales data report includes sales to employees for personal use where authorized by the solicitation and the Participating Addendum. Report data for employees should be limited to ONLY the state and entity they are participating under the authority of (state and agency, city, county, school district, etc.) and the amount of sales. No personal identification numbers, e.g. names, addresses, social security numbers or any other numerical identifier, may be submitted with any report.

d. Contractor shall provide the NASPO ValuePoint Cooperative Development Coordinator with an executive summary each quarter that includes, at a minimum, a list

of states with an active Participating Addendum, states that Contractor is in negotiations with and any PA roll out or implementation activities and issues. NASPO ValuePoint Cooperative Development Coordinator and Contractor will determine the format and content of the executive summary. The executive summary is due 30 days after the conclusion of each calendar quarter.

e. Timely submission of these reports is a material requirement of the Master Agreement. The recipient of the reports shall have exclusive ownership of the media containing the reports. The Lead State and NASPO ValuePoint shall have a perpetual, irrevocable, non-exclusive, royalty free, transferable right to display, modify, copy, and otherwise use reports, data and information provided under this section.

f. If requested by a Participating Entity, the Contractor must provide detailed sales data within the Participating State.

43. Entire Agreement: This Master Agreement, along with any attachment, contains the entire understanding of the parties hereto with respect to the Master Agreement unless a term is modified in a Participating Addendum with a Participating Entity. No click-through, or other end user terms and conditions or agreements required by the Contractor ("Additional Terms") provided with any Services hereunder shall be binding on Participating Entities or Purchasing Entities, even if use of such Services requires an affirmative "acceptance" of those Additional Terms before access is permitted.

Exhibit 1 to the Master Agreement: Software-as-a-Service

1. **Data Ownership:** The Purchasing Entity will own all right, title and interest in its data that is related to the Services provided by this Master Agreement. The Contractor shall not access Purchasing Entity user accounts or Purchasing Entity data, except (1) in the course of data center operations, (2) in response to service or technical issues, (3) as required by the express terms of this Master Agreement, Participating Addendum, SLA, and/or other contract documents, or (4) at the Purchasing Entity's written request.

Contractor shall not collect, access, or use user-specific Purchasing Entity Data except as strictly necessary to provide Service to the Purchasing Entity. No information regarding a Purchasing Entity's use of the Service may be disclosed, provided, rented or sold to any third party for any reason unless required by law or regulation or by an order of a court of competent jurisdiction. This obligation shall survive and extend beyond the term of this Master Agreement.

2. **Data Protection:** Protection of personal privacy and data shall be an integral part of the business activities of the Contractor to ensure there is no inappropriate or unauthorized use of Purchasing Entity information at any time. To this end, the Contractor shall safeguard the confidentiality, integrity and availability of Purchasing Entity information and comply with the following conditions:

    a. The Contractor shall implement and maintain appropriate administrative, technical and organizational security measures to safeguard against unauthorized access, disclosure or theft of Personal Data and Non-Public Data. Such security measures shall be in accordance with recognized industry practice and not less stringent than the measures the Contractor applies to its own Personal Data and Non-Public Data of similar kind.

    b. All data obtained by the Contractor in the performance of the Master Agreement shall become and remain the property of the Purchasing Entity.

    c. All Personal Data shall be encrypted at rest and in transit with controlled access. Unless otherwise stipulated, the Contractor is responsible for encryption of the Personal Data. Any stipulation of responsibilities will identify specific roles and responsibilities and shall be included in the service level agreement (SLA), or otherwise made a part of the Master Agreement.

    d. Unless otherwise stipulated, the Contractor shall encrypt all Non-Public Data at rest and in transit. The Purchasing Entity shall identify data it deems as Non-Public Data to the Contractor. The level of protection and encryption for all Non-Public Data shall be identified in the SLA.

    e. At no time shall any data or processes — that either belong to or are intended for the use of a Purchasing Entity or its officers, agents or employees — be copied, disclosed or retained by the Contractor or any party related to the Contractor for subsequent use in any transaction that does not include the Purchasing Entity.

f. The Contractor shall not use any information collected in connection with the Services issued from this Master Agreement for any purpose other than fulfilling the Services.

3. **Data Location:** The Contractor shall provide its services to the Purchasing Entity and its end users solely from data centers in the U.S. Storage of Purchasing Entity data at rest shall be located solely in data centers in the U.S. The Contractor shall not allow its personnel or contractors to store Purchasing Entity data on portable devices, including personal computers, except for devices that are used and kept only at its U.S. data centers. The Contractor shall permit its personnel and contractors to access Purchasing Entity data remotely only as required to provide technical support. The Contractor may provide technical user support on a 24/7 basis using a Follow the Sun model, unless otherwise prohibited in a Participating Addendum.

4. **Security Incident or Data Breach Notification:**

   a. Incident Response: Contractor may need to communicate with outside parties regarding a security incident, which may include contacting law enforcement, fielding media inquiries and seeking external expertise as mutually agreed upon, defined by law or contained in the contract. Discussing security incidents with the Purchasing Entity should be handled on an urgent as needed basis, as part of Contractor's communication and mitigation processes as mutually agreed upon, defined by law or contained in the Master Agreement.

   b. Security Incident Reporting Requirements: The Contractor shall report a security incident to the Purchasing Entity identified contact immediately as soon as possible or promptly without out reasonable delay, or as defined in the SLA.

   c. Breach Reporting Requirements: If the Contractor has actual knowledge of a confirmed data breach that affects the security of any purchasing entity's content that is subject to applicable data breach notification law, the Contractor shall (1) as soon as possible or promptly without out reasonable delay notify the Purchasing Entity, unless shorter time is required by applicable law, and (2) take commercially reasonable measures to address the data breach in a timely manner.

5. **Personal Data Breach Responsibilities:** This section only applies when a Data Breach occurs with respect to Personal Data within the possession or control of the Contractor.

   a. The Contractor, unless stipulated otherwise, shall immediately notify the appropriate Purchasing Entity identified contact by telephone in accordance with the agreed upon security plan or security procedures if it reasonably believes there has been a security incident.

   b. The Contractor, unless stipulated otherwise, shall promptly notify the appropriate Purchasing Entity identified contact within 48 hours or sooner by telephone, unless shorter time is required by applicable law, if it has confirmed that there is, or reasonably believes that there has been a Data Breach. The Contractor shall (1) cooperate with the Purchasing Entity as reasonably requested by the Purchasing Entity to investigate and resolve the Data Breach, (2) promptly implement necessary remedial measures, if necessary, and (3)

document responsive actions taken related to the Data Breach, including any post-incident review of events and actions taken to make changes in business practices in providing the services, if necessary.

6. **Notification of Legal Requests**: If legally permissible, the Contractor shall contact the Purchasing Entity upon receipt of any electronic discovery, litigation holds, discovery searches and expert testimonies related to the Purchasing Entity's data under the Master Agreement, or which in any way might reasonably require access to the data of the Purchasing Entity. The Contractor shall not respond to subpoenas, service of process and other legal requests related to the Purchasing Entity without first notifying and obtaining the approval of the Purchasing Entity, unless prohibited by law. .

7. **Termination and Suspension of Service**:

a. In the event of a termination of the Master Agreement or applicable Participating Addendum, the Contractor shall implement an orderly return of purchasing entity's data in a CSV or another mutually agreeable format at a time agreed to by the parties or allow the Purchasing Entity to extract it's data and the subsequent secure disposal of purchasing entity's data.

b. During any period of service suspension, the Contractor shall not take any action to intentionally erase or otherwise dispose of any of the Purchasing Entity's data.

c. In the event of termination of any services or agreement in entirety, the Contractor shall not take any action to intentionally erase purchasing entity's data for a period of:

- 10 days after the effective date of termination, if the termination is in accordance with the contract period
- 30 days after the effective date of termination, if the termination is for convenience
- • 60 days after the effective date of termination, if the termination is for cause

After such period, the Contractor shall have no obligation to maintain or provide any purchasing entity's data and shall thereafter, unless legally prohibited, delete all purchasing entity's data in its systems or otherwise in its possession or under its control.

d. The purchasing entity shall be entitled to any post termination assistance generally made available with respect to the services, unless a unique data retrieval arrangement has been established as part of an SLA.

e. Upon termination of the Services or the Agreement in its entirety, Contractor shall securely dispose of all Purchasing Entity's data in all of its forms, such as disk, CD/ DVD,

backup tape and paper, unless stipulated otherwise by the Purchasing Entity. Data shall be permanently deleted and shall not be recoverable, according to National Institute of Standards and Technology (NIST)-approved methods. Certificates of destruction shall be provided to the Purchasing Entity.

8. **Background Checks:** Upon the request of the Purchasing Entity, the Contractor shall conduct criminal background checks and not utilize any staff, including subcontractors, to fulfill the obligations of the Master Agreement who have been convicted of any crime of dishonesty, including but not limited to criminal fraud, or otherwise convicted of any felony or misdemeanor offense for which incarceration for up to 1 year is an authorized penalty. The Contractor shall promote and maintain an awareness of the importance of securing the Purchasing Entity's information among the Contractor's employees and agents. If any of the stated personnel providing services under a Participating Addendum is not acceptable to the Purchasing Entity in its sole opinion as a result of the background or criminal history investigation, the Purchasing Entity, in its' sole option shall have the right to either (1) request immediate replacement of the person, or (2) immediately terminate the Participating Addendum and any related service agreement.

9. **Access to Security Logs and Reports:** The Contractor shall provide reports on a schedule specified in the SLA to the Purchasing Entity in a format as specified in the SLA agreed to by both the Contractor and the Purchasing Entity. Reports shall include latency statistics, user access, user access IP address, user access history and security logs for all public jurisdiction files related to this Master Agreement and applicable Participating Addendum.

10. **Contract Audit:** The Contractor shall allow the Purchasing Entity to audit conformance to the Master Agreement terms. The Purchasing Entity may perform this audit or contract with a third party at its discretion and at the Purchasing Entity's expense.

11. **Data Center Audit**: The Contractor shall perform an independent audit of its data centers at least annually at its expense, and provide an unredacted version of the audit report upon request to a Purchasing Entity. The Contractor may remove its proprietary information from the unredacted version. A Service Organization Control (SOC) 2 audit report or approved equivalent sets the minimum level of a third-party audit.

12. **Change Control and Advance Notice:** The Contractor shall give a minimum forty eight (48) hour advance notice (or as determined by a Purchasing Entity and included in the SLA) to the Purchasing Entity of any upgrades (e.g., major upgrades, minor upgrades, system changes) that may impact service availability and performance. A major upgrade is a replacement of hardware, software or firmware with a newer or better version in order to bring the system up to date or to improve its characteristics. It usually includes a new version number.

Contractor will make updates and upgrades available to Purchasing Entity at no additional costs when Contractor makes such updates and upgrades generally available to its users.

No update, upgrade or other charge to the Service may decrease the Service's functionality, adversely affect Purchasing Entity's use of or access to the Service, or increase the cost of the Service to the Purchasing Entity.

Contractor will notify the Purchasing Entity at least sixty (60) days in advance prior to any major update or upgrade.

13. **Security:** As requested by a Purchasing Entity, the Contractor shall disclose its non-proprietary system security plans (SSP) or security processes and technical limitations to the Purchasing Entity such that adequate protection and flexibility can be attained between the Purchasing Entity and the Contractor. For example: virus checking and port sniffing — the Purchasing Entity and the Contractor shall understand each other's roles and responsibilities.

14. **Non-disclosure and Separation of Duties:** The Contractor shall enforce separation of job duties, require commercially reasonable non-disclosure agreements, and limit staff knowledge of Purchasing Entity data to that which is absolutely necessary to perform job duties.

15. **Import and Export of Data:** The Purchasing Entity shall have the ability to import or export data in piecemeal or in entirety at its discretion without interference from the Contractor at any time during the term of Contractor's contract with the Purchasing Entity. This includes the ability for the Purchasing Entity to import or export data to/from other Contractors. Contractor shall specify if Purchasing Entity is required to provide its' own tools for this purpose, including the optional purchase of Contractors tools if Contractors applications are not able to provide this functionality directly.

16. **Responsibilities and Uptime Guarantee**: The Contractor shall be responsible for the acquisition and operation of all hardware, software and network support related to the services being provided. The technical and professional activities required for establishing, managing and maintaining the environments are the responsibilities of the Contractor. The system shall be available 24/7/365 (with agreed-upon maintenance downtime), and provide service to customers as defined in the SLA.

17. **Subcontractor Disclosure**: Contractor shall identify all of its strategic business partners related to services provided under this Master Agreement, including but not limited to all subcontractors or other entities or individuals who may be a party to a joint venture or similar agreement with the Contractor, and who shall be involved in any application development and/or operations.

18. **Right to Remove Individuals:** The Purchasing Entity shall have the right at any time to require that the Contractor remove from interaction with Purchasing Entity any Contractor representative who the Purchasing Entity believes is detrimental to its working relationship with the Contractor. The Purchasing Entity shall provide the Contractor with notice of its determination, and the reasons it requests the removal. If the Purchasing Entity signifies that a potential security violation exists with respect to the request, the Contractor shall immediately

remove such individual. The Contractor shall not assign the person to any aspect of the Master Agreement or future work orders without the Purchasing Entity's consent.

19. **Business Continuity and Disaster Recovery:** The Contractor shall provide a business continuity and disaster recovery plan upon request and ensure that the Purchasing Entity's recovery time objective (RTO) of XXX hours/days is met. (XXX hour/days shall be provided to Contractor by the Purchasing Entity.) Contractor must work with the Purchasing Entity to perform an annual Disaster Recovery test and take action to correct any issues detected during the test in a time frame mutually agreed between the Contractor and the Purchasing Entity.

20. **Compliance with Accessibility Standards**: The Contractor shall comply with and adhere to Accessibility Standards of Section 508 Amendment to the Rehabilitation Act of 1973, or any other state laws or administrative regulations identified by the Participating Entity.

21. **Web Services:** The Contractor shall use Web services exclusively to interface with the Purchasing Entity's data in near real time.

22. **Encryption of Data at Rest:** The Contractor shall ensure hard drive encryption consistent with validated cryptography standards as referenced in FIPS 140-2, Security Requirements for Cryptographic Modules for all Personal Data, unless the Purchasing Entity approves in writing for the storage of Personal Data on a Contractor portable device in order to accomplish work as defined in the statement of work.

23. Subscription Terms: Contractor grants to a Purchasing Entity a license to: (i) access and use the Service for its business purposes; (ii) for SaaS, use underlying software as embodied or used in the Service; and (iii) view, copy, upload and download (where applicable), and use Contractor's documentation.

No Contractor terms, including standard click through license or website terms or use of privacy policy, shall apply to Purchasing Entities unless such terms are included in this Master Agreement.

Exhibit 2 to the Master Agreement: Platform-as-a-Service

1. **Data Ownership:** The Purchasing Entity will own all right, title and interest in its data that is related to the Services provided by this Master Agreement. The Contractor shall not access Purchasing Entity user accounts or Purchasing Entity data, except (1) in the course of data center operations, (2) in response to service or technical issues, (3) as required by the express terms of this Master Agreement, Participating Addendum, SLA, and/or other contract documents, or (4) at the Purchasing Entity's written request.

Contractor shall not collect, access, or use user-specific Purchasing Entity Data except as strictly necessary to provide Service to the Purchasing Entity. No information regarding a Purchasing Entity's use of the Service may be disclosed, provided, rented or sold to any third party for any reason unless required by law or regulation or by an order of a court of competent jurisdiction. This obligation shall survive and extend beyond the term of this Master Agreement.

2. **Data Protection:** Protection of personal privacy and data shall be an integral part of the business activities of the Contractor to ensure there is no inappropriate or unauthorized use of Purchasing Entity information at any time. To this end, the Contractor shall safeguard the confidentiality, integrity and availability of Purchasing Entity information and comply with the following conditions:

    a. The Contractor shall implement and maintain appropriate administrative, technical and organizational security measures to safeguard against unauthorized access, disclosure or theft of Personal Data and Non-Public Data. Such security measures shall be in accordance with recognized industry practice and not less stringent than the measures the Contractor applies to its own Personal Data and Non-Public Data of similar kind.

    b. All data obtained by the Contractor in the performance of the Master Agreement shall become and remain the property of the Purchasing Entity.

    c. All Personal Data shall be encrypted at rest and in transit with controlled access. Unless otherwise stipulated, the Contractor is responsible for encryption of the Personal Data. Any stipulation of responsibilities will identify specific roles and responsibilities and shall be included in the service level agreement (SLA), or otherwise made a part of the Master Agreement.

    d. Unless otherwise stipulated, the Contractor shall encrypt all Non-Public Data at rest and in transit. The Purchasing Entity shall identify data it deems as Non-Public Data to the Contractor. The level of protection and encryption for all Non-Public Data shall be identified in the SLA.

    e. At no time shall any data or processes — that either belong to or are intended for the use of a Purchasing Entity or its officers, agents or employees — be copied, disclosed or retained by the Contractor or any party related to the Contractor for subsequent use in any transaction that does not include the Purchasing Entity.

f. The Contractor shall not use any information collected in connection with the Services issued from this Master Agreement for any purpose other than fulfilling the Services.

3. **Data Location:** The Contractor shall provide its services to the Purchasing Entity and its end users solely from data centers in the U.S. Storage of Purchasing Entity data at rest shall be located solely in data centers in the U.S. The Contractor shall not allow its personnel or contractors to store Purchasing Entity data on portable devices, including personal computers, except for devices that are used and kept only at its U.S. data centers. The Contractor shall permit its personnel and contractors to access Purchasing Entity data remotely only as required to provide technical support. The Contractor may provide technical user support on a 24/7 basis using a Follow the Sun model, unless otherwise prohibited in a Participating Addendum.

4. **Security Incident or Data Breach Notification:** The Contractor shall inform the Purchasing Entity of any security incident or data breach within the possession and control of the Contractor and related to the service provided under the Master Agreement, Participating Addendum, or SLA. Such notice shall include, to the best of Contractor's knowledge at that time, the persons affected, their identities, and the Confidential Information and Data disclosed, or shall include if this information is unknown.

    a. Incident Response: The Contractor may need to communicate with outside parties regarding a security incident, which may include contacting law enforcement, fielding media inquiries and seeking external expertise as mutually agreed upon, defined by law or contained in the Master Agreement, Participating Addendum, or SLA. Discussing security incidents with the Purchasing Entity should be handled on an urgent as-needed basis, as part of Contractor's communication and mitigation processes as mutually agreed, defined by law or contained in the Master Agreement, Participating Addendum, or SLA.

    b. Security Incident Reporting Requirements: Unless otherwise stipulated, the Contractor shall immediately report a security incident related to its service under the Master Agreement, Participating Addendum, or SLA to the appropriate Purchasing Entity.

    c. Breach Reporting Requirements: If the Contractor has actual knowledge of a confirmed data breach that affects the security of any Purchasing Entity data that is subject to applicable data breach notification law, the Contractor shall (1) promptly notify the appropriate Purchasing Entity within 48 hours or sooner, unless shorter time is required by applicable law, and (2) take commercially reasonable measures to address the data breach in a timely manner

5. **Breach Responsibilities:** This section only applies when a Data Breach occurs with respect to Personal Data within the possession or control of the Contractor.

    a. The Contractor, unless stipulated otherwise, shall immediately notify the appropriate Purchasing Entity identified contact by telephone in accordance with the agreed upon security plan or security procedures if it reasonably believes there has been a security incident.

b. The Contractor, unless stipulated otherwise, shall promptly notify the appropriate Purchasing Entity identified contact within 24 hours or sooner by telephone, unless shorter time is required by applicable law, if it has confirmed that there is, or reasonably believes that there has been a data breach. The Contractor shall (1) cooperate with the Purchasing Entity as reasonably requested by the Purchasing Entity to investigate and resolve the data breach, (2) promptly implement necessary remedial measures, if necessary, and (3) document responsive actions taken related to the data breach, including any post-incident review of events and actions taken to make changes in business practices in providing the services, if necessary.

6. **Notification of Legal Requests**: If legally permissible, the Contractor shall contact the Purchasing Entity upon receipt of any electronic discovery, litigation holds, discovery searches and expert testimonies related to the Purchasing Entity's data under the Master Agreement, or which in any way might reasonably require access to the data of the Purchasing Entity. The Contractor shall not respond to subpoenas, service of process and other legal requests related to the Purchasing Entity without first notifying and obtaining the approval of the Purchasing Entity, unless prohibited by law.

7. **Termination and Suspension of Service**:

a. In the event of an early termination of the Master Agreement, Participating or SLA, Contractor shall allow for the Purchasing Entity to retrieve its digital content and provide for the subsequent secure disposal of the Purchasing Entity's digital content.

b. During any period of service suspension, the Contractor shall not take any action to intentionally erase or otherwise dispose of any of the Purchasing Entity's data.

c. In the event of early termination of any Services or agreement in entirety, the Contractor shall not take any action to intentionally erase any Purchasing Entity's data for a period of 1) 45 days after the effective date of termination, if the termination is for convenience; or 2) 60 days after the effective date of termination, if the termination is for cause. After such day period, the Contractor shall have no obligation to maintain or provide any Purchasing Entity data and shall thereafter, unless legally prohibited, delete all Purchasing Entity data in its systems or otherwise in its possession or under its control. In the event of either termination for cause, the Contractor will impose no fees for access and retrieval of digital content to the Purchasing Entity.

d. The Purchasing Entity shall be entitled to any post termination assistance generally made available with respect to the services, unless a unique data retrieval arrangement has been established as part of an SLA.

e. Upon termination of the Services or the Agreement in its entirety, Contractor shall securely dispose of all Purchasing Entity's data in all of its forms, such as disk, CD/ DVD, backup tape and paper, unless stipulated otherwise by the Purchasing Entity. Data shall be permanently deleted and shall not be recoverable, according to National Institute of

Standards and Technology (NIST)-approved methods. Certificates of destruction shall be provided to the Purchasing Entity.

8. **Background Checks:**

    a. Upon the request of the Purchasing Entity, the Contractor shall conduct criminal background checks and not utilize any staff, including subcontractors, to fulfill the obligations of the Master Agreement who have been convicted of any crime of dishonesty, including but not limited to criminal fraud, or otherwise convicted of any felony or misdemeanor offense for which incarceration for up to 1 year is an authorized penalty. The Contractor shall promote and maintain an awareness of the importance of securing the Purchasing Entity's information among the Contractor's employees and agents.

    b. The Contractor and the Purchasing Entity recognize that security responsibilities are shared. The Contractor is responsible for providing a secure infrastructure. The Purchasing Entity is responsible for its secure guest operating system, firewalls and other logs captured within the guest operating system. Specific shared responsibilities are identified within the SLA.

    c. If any of the stated personnel providing services under a Participating Addendum is not acceptable to the Purchasing Entity in its sole opinion as a result of the background or criminal history investigation, the Purchasing Entity, in its' sole option shall have the right to either (1) request immediate replacement of the person, or (2) immediately terminate the Participating Addendum and any related service agreement.

9. **Access to Security Logs and Reports:**

    a. The Contractor shall provide reports on a schedule specified in the SLA to the Purchasing Entity in a format as specified in the SLA and agreed to by both the Contractor and the Purchasing Entity. Reports will include latency statistics, user access, user access IP address, user access history and security logs for all Purchasing Entity files related to the Master Agreement, Participating Addendum, or SLA.

    b. The Contractor and the Purchasing Entity recognize that security responsibilities are shared. The Contractor is responsible for providing a secure infrastructure. The Purchasing Entity is responsible for its secure guest operating system, firewalls and other logs captured within the guest operating system. Specific shared responsibilities are identified within the SLA.

10. **Contract Audit:** The Contractor shall allow the Purchasing Entity to audit conformance to the Master Agreement terms. The Purchasing Entity may perform this audit or contract with a third party at its discretion and at the Purchasing Entity's expense.

11. **Data Center Audit**: The Contractor shall perform an independent audit of its data centers at least annually at its expense, and provide an unredacted version of the audit report upon

request to a Purchasing Entity. The Contractor may remove its proprietary information from the unredacted version. A Service Organization Control (SOC) 2 audit report or approved equivalent sets the minimum level of a third-party audit.

12. **Change Control and Advance Notice:** The Contractor shall give a minimum forty eight (48) hour advance notice (or as determined by a Purchasing Entity and included in the SLA) to the Purchasing Entity of any upgrades (e.g., major upgrades, minor upgrades, system changes) that may impact service availability and performance. A major upgrade is a replacement of hardware, software or firmware with a newer or better version in order to bring the system up to date or to improve its characteristics. It usually includes a new version number.

Contractor will make updates and upgrades available to Purchasing Entity at no additional costs when Contractor makes such updates and upgrades generally available to its users.

No update, upgrade or other charge to the Service may decrease the Service's functionality, adversely affect Purchasing Entity's use of or access to the Service, or increase the cost of the Service to the Purchasing Entity.

Contractor will notify the Purchasing Entity at least sixty (60) days in advance prior to any major update or upgrade.

13. **Security:** As requested by a Purchasing Entity, the Contractor shall disclose its non-proprietary system security plans (SSP) or security processes and technical limitations to the Purchasing Entity such that adequate protection and flexibility can be attained between the Purchasing Entity and the Contractor. For example: virus checking and port sniffing — the Purchasing Entity and the Contractor shall understand each other's roles and responsibilities.

14. **Non-disclosure and Separation of Duties:** The Contractor shall enforce separation of job duties, require commercially reasonable non-disclosure agreements, and limit staff knowledge of Purchasing Entity data to that which is absolutely necessary to perform job duties.

15. **Import and Export of Data:** The Purchasing Entity shall have the ability to import or export data in piecemeal or in entirety at its discretion without interference from the Contractor at any time during the term of Contractor's contract with the Purchasing Entity. This includes the ability for the Purchasing Entity to import or export data to/from other Contractors. Contractor shall specify if Purchasing Entity is required to provide its' own tools for this purpose, including the optional purchase of Contractors tools if Contractors applications are not able to provide this functionality directly.
16. **Responsibilities and Uptime Guarantee**: The Contractor shall be responsible for the acquisition and operation of all hardware, software and network support related to the services being provided. The technical and professional activities required for establishing, managing and maintaining the environments are the responsibilities of the Contractor. The system shall be available 24/7/365 (with agreed-upon maintenance downtime), and provide service to customers as defined in the SLA.

17. **Subcontractor Disclosure**: Contractor shall identify all of its strategic business partners related to services provided under this Master Agreement, including but not limited to all subcontractors or other entities or individuals who may be a party to a joint venture or similar agreement with the Contractor, and who shall be involved in any application development and/or operations.

18. **Business Continuity and Disaster Recovery:** The Contractor shall provide a business continuity and disaster recovery plan upon request and ensure that the Purchasing Entity's recovery time objective (RTO) of XXX hours/days is met. (XXX hour/days shall be provided to Contractor by the Purchasing Entity.) Contractor must work with the Purchasing Entity to perform an annual Disaster Recovery test and take action to correct any issues detected during the test in a time frame mutually agreed between the Contractor and the Purchasing Entity.

19. **Compliance with Accessibility Standards**: The Contractor shall comply with and adhere to Accessibility Standards of Section 508 Amendment to the Rehabilitation Act of 1973 or any other state laws or administrative regulations identified by the Participating Entity..

20. **Web Services:** The Contractor shall use Web services exclusively to interface with the Purchasing Entity's data in near real time.

21. **Encryption of Data at Rest:** The Contractor shall ensure hard drive encryption consistent with validated cryptography standards as referenced in FIPS 140-2, Security Requirements for Cryptographic Modules for all Personal Data as identified in the SLA, unless the Contractor presents a justifiable position that is approved by the Purchasing Entity that Personal Data, is required to be stored on a Contractor portable device in order to accomplish work as defined in the scope of work.

22. Subscription Terms: Contractor grants to a Purchasing Entity a license to: (i) access and use the Service for its business purposes; (ii) for PaaS, use underlying software as embodied or used in the Service; and (iii) view, copy, upload and download (where applicable), and use Contractor's documentation.

No Contractor terms, including standard click through license or website terms or use of privacy policy, shall apply to Purchasing Entities unless such terms are included in this Master Agreement.

Exhibit 3 to the Master Agreement: Infrastructure-as-a-Service

1. **Data Ownership:** The Purchasing Entity will own all right, title and interest in its data that is related to the Services provided by this Master Agreement. The Contractor shall not access Purchasing Entity user accounts or Purchasing Entity data, except (1) in the course of data center operations, (2) in response to service or technical issues, (3) as required by the express terms of this Master Agreement, Participating Addendum, SLA, and/or other contract documents, or (4) at the Purchasing Entity's written request.

Contractor shall not collect, access, or use user-specific Purchasing Entity Data except as strictly necessary to provide Service to the Purchasing Entity. No information regarding a Purchasing Entity's use of the Service may be disclosed, provided, rented or sold to any third party for any reason unless required by law or regulation or by an order of a court of competent jurisdiction. This obligation shall survive and extend beyond the term of this Master Agreement.

2. **Data Protection:** Protection of personal privacy and data shall be an integral part of the business activities of the Contractor to ensure there is no inappropriate or unauthorized use of Purchasing Entity information at any time. To this end, the Contractor shall safeguard the confidentiality, integrity and availability of Purchasing Entity information and comply with the following conditions:

    a. The Contractor shall implement and maintain appropriate administrative, technical and organizational security measures to safeguard against unauthorized access, disclosure or theft of Personal Data and Non-Public Data. Such security measures shall be in accordance with recognized industry practice and not less stringent than the measures the Contractor applies to its own Personal Data and Non-Public Data of similar kind.

    b. All data obtained by the Contractor in the performance of the Master Agreement shall become and remain the property of the Purchasing Entity.

    c. All Personal Data shall be encrypted at rest and in transit with controlled access. Unless otherwise stipulated, the Contractor is responsible for encryption of the Personal Data. Any stipulation of responsibilities will identify specific roles and responsibilities and shall be included in the service level agreement (SLA), or otherwise made a part of the Master Agreement.

    d. Unless otherwise stipulated, the Contractor shall encrypt all Non-Public Data at rest and in transit. The Purchasing Entity shall identify data it deems as Non-Public Data to the Contractor. The level of protection and encryption for all Non-Public Data shall be identified in the SLA.

    e. At no time shall any data or processes — that either belong to or are intended for the use of a Purchasing Entity or its officers, agents or employees — be copied, disclosed or retained by the Contractor or any party related to the Contractor for subsequent use in any transaction that does not include the Purchasing Entity.

f. The Contractor shall not use any information collected in connection with the Services issued from this Master Agreement for any purpose other than fulfilling the Services.

3. **Data Location:** The Contractor shall provide its services to the Purchasing Entity and its end users solely from data centers in the U.S. Storage of Purchasing Entity data at rest shall be located solely in data centers in the U.S. The Contractor shall not allow its personnel or contractors to store Purchasing Entity data on portable devices, including personal computers, except for devices that are used and kept only at its U.S. data centers. The Contractor shall permit its personnel and contractors to access Purchasing Entity data remotely only as required to provide technical support. The Contractor may provide technical user support on a 24/7 basis using a Follow the Sun model, unless otherwise prohibited in a Participating Addendum.

4. **Security Incident or Data Breach Notification:** The Contractor shall inform the Purchasing Entity of any security incident or data breach related to Purchasing Entity's Data within the possession or control of the Contractor and related to the service provided under the Master Agreement, Participating Addendum, or SLA. Such notice shall include, to the best of Contractor's knowledge at that time, the persons affected, their identities, and the Confidential Information and Data disclosed, or shall include if this information is unknown.

   a. Security Incident Reporting Requirements: The Contractor shall report a security incident to the Purchasing Entity identified contact immediately as soon as possible or promptly without out reasonable delay, or as defined in the SLA.

   b. Breach Reporting Requirements: If the Contractor has actual knowledge of a confirmed data breach that affects the security of any purchasing entity's content that is subject to applicable data breach notification law, the Contractor shall (1) as soon as possible or promptly without out reasonable delay notify the Purchasing Entity, unless shorter time is required by applicable law, and (2) take commercially reasonable measures to address the data breach in a timely manner.

5. **Breach Responsibilities:** This section only applies when a Data Breach occurs with respect to Personal Data within the possession or control of the Contractor and related to the service provided under the Master Agreement, Participating Addendum, or SLA.

   a. The Contractor, unless stipulated otherwise, shall immediately notify the appropriate Purchasing Entity identified contact by telephone in accordance with the agreed upon security plan or security procedures if it reasonably believes there has been a security incident.

   b. The Contractor, unless stipulated otherwise, shall promptly notify the appropriate Purchasing Entity identified contact within 48 hours or sooner by telephone, unless shorter time is required by applicable law, if it has confirmed that there is, or reasonably believes that there has been a data breach. The Contractor shall (1) cooperate with the Purchasing Entity as reasonably requested by the Purchasing Entity to investigate and resolve the Data Breach, (2) promptly implement necessary remedial measures, if necessary, and (3) document responsive actions taken related to the Data Breach, including any post-incident

review of events and actions taken to make changes in business practices in providing the services, if necessary.

6. **Notification of Legal Requests**: If legally permissible, the Contractor shall contact the Purchasing Entity upon receipt of any electronic discovery, litigation holds, discovery searches and expert testimonies related to the Purchasing Entity's data under the Master Agreement, or which in any way might reasonably require access to the data of the Purchasing Entity. The Contractor shall not respond to subpoenas, service of process and other legal requests related to the Purchasing Entity without first notifying and obtaining the approval of the Purchasing Entity, unless prohibited by law.

7. **Termination and Suspension of Service**:

   a. In the event of an early termination of the Master Agreement, Participating or SLA, Contractor shall allow for the Purchasing Entity to retrieve its digital content and provide for the subsequent secure disposal of the Purchasing Entity's digital content.

   b. During any period of service suspension, the Contractor shall not take any action to intentionally erase or otherwise dispose of any of the Purchasing Entity's data.

   c. In the event of early termination of any Services or agreement in entirety, the Contractor shall not take any action to intentionally erase any Purchasing Entity's data for a period of 1) 45 days after the effective date of termination, if the termination is for convenience; or 2) 60 days after the effective date of termination, if the termination is for cause. After such day period, the Contractor shall have no obligation to maintain or provide any Purchasing Entity data and shall thereafter, unless legally prohibited, delete all Purchasing Entity data in its systems or otherwise in its possession or under its control. In the event of either termination for cause, the Contractor will impose no fees for access and retrieval of digital content to the Purchasing Entity.

   d. The Purchasing Entity shall be entitled to any post termination assistance generally made available with respect to the services, unless a unique data retrieval arrangement has been established as part of an SLA.

   e. Upon termination of the Services or the Agreement in its entirety, Contractor shall securely dispose of all Purchasing Entity's data in all of its forms, such as disk, CD/ DVD, backup tape and paper, unless stipulated otherwise by the Purchasing Entity. Data shall be permanently deleted and shall not be recoverable, according to National Institute of Standards and Technology (NIST)-approved methods. Certificates of destruction shall be provided to the Purchasing Entity.

8. **Background Checks:**

   a. Upon the request of the Purchasing Entity, the Contractor shall conduct criminal background checks and not utilize any staff, including subcontractors, to fulfill the obligations of the Master Agreement who have been convicted of any crime of dishonesty,

including but not limited to criminal fraud, or otherwise convicted of any felony or misdemeanor offense for which incarceration for up to 1 year is an authorized penalty. The Contractor shall promote and maintain an awareness of the importance of securing the Purchasing Entity's information among the Contractor's employees and agents.

b. The Contractor and the Purchasing Entity recognize that security responsibilities are shared. The Contractor is responsible for providing a secure infrastructure. The Purchasing Entity is responsible for its secure guest operating system, firewalls and other logs captured within the guest operating system. Specific shared responsibilities are identified within the SLA.

c. If any of the stated personnel providing services under a Participating Addendum is not acceptable to the Purchasing Entity in its sole opinion as a result of the background or criminal history investigation, the Purchasing Entity, in its' sole option shall have the right to either (1) request immediate replacement of the person, or (2) immediately terminate the Participating Addendum and any related service agreement.

9. **Access to Security Logs and Reports:**

   a. The Contractor shall provide reports on a schedule specified in the SLA to the Contractor directly related to the infrastructure that the Contractor controls upon which the Purchasing Entity's account resides. Unless otherwise agreed to in the SLA, the Contractor shall provide the public jurisdiction a history or all API calls for the Purchasing Entity account that includes the identity of the API caller, the time of the API call, the source IP address of the API caller, the request parameters and the response elements returned by the Contractor. The report will be sufficient to enable the Purchasing Entity to perform security analysis, resource change tracking and compliance auditing

   b. The Contractor and the Purchasing Entity recognize that security responsibilities are shared. The Contractor is responsible for providing a secure infrastructure. The Purchasing Entity is responsible for its secure guest operating system, firewalls and other logs captured within the guest operating system. Specific shared responsibilities are identified within the SLA.

10. **Contract Audit:** The Contractor shall allow the Purchasing Entity to audit conformance to the Master Agreement terms. The Purchasing Entity may perform this audit or contract with a third party at its discretion and at the Purchasing Entity's expense.
11. **Data Center Audit**: The Contractor shall perform an independent audit of its data centers at least annually and at its own expense, and provide an unredacted version of the audit report upon request. The Contractor may remove its proprietary information from the unredacted version. For example, a Service Organization Control (SOC) 2 audit report would be sufficient.

12. **Change Control and Advance Notice:** The Contractor shall give a minimum forty eight (48) hour advance notice (or as determined by a Purchasing Entity and included in the SLA) to the Purchasing Entity of any upgrades (e.g., major upgrades, minor upgrades, system changes) that

may impact service availability and performance. A major upgrade is a replacement of hardware, software or firmware with a newer or better version in order to bring the system up to date or to improve its characteristics. It usually includes a new version number.

Contractor will make updates and upgrades available to Purchasing Entity at no additional costs when Contractor makes such updates and upgrades generally available to its users.

No update, upgrade or other charge to the Service may decrease the Service's functionality, adversely affect Purchasing Entity's use of or access to the Service, or increase the cost of the Service to the Purchasing Entity.

Contractor will notify the Purchasing Entity at least sixty (60) days in advance prior to any major update or upgrade.

13. **Security:** As requested by a Purchasing Entity, the Contractor shall disclose its non-proprietary system security plans (SSP) or security processes and technical limitations to the Purchasing Entity such that adequate protection and flexibility can be attained between the Purchasing Entity and the Contractor. For example: virus checking and port sniffing — the Purchasing Entity and the Contractor shall understand each other's roles and responsibilities.

14. **Non-disclosure and Separation of Duties:** The Contractor shall enforce separation of job duties, require commercially reasonable non-disclosure agreements, and limit staff knowledge of Purchasing Entity data to that which is absolutely necessary to perform job duties.

15. **Import and Export of Data:** The Purchasing Entity shall have the ability to import or export data in piecemeal or in entirety at its discretion without interference from the Contractor at any time during the term of Contractor's contract with the Purchasing Entity. This includes the ability for the Purchasing Entity to import or export data to/from other Contractors. Contractor shall specify if Purchasing Entity is required to provide its' own tools for this purpose, including the optional purchase of Contractors tools if Contractors applications are not able to provide this functionality directly.

16. **Responsibilities and Uptime Guarantee**: The Contractor shall be responsible for the acquisition and operation of all hardware, software and network support related to the services being provided. The technical and professional activities required for establishing, managing and maintaining the environments are the responsibilities of the Contractor. The system shall be available 24/7/365 (with agreed-upon maintenance downtime), and provide service to customers as defined in the SLA.
17. **Subcontractor Disclosure**: Contractor shall identify all of its strategic business partners related to services provided under this Master Agreement, including but not limited to all subcontractors or other entities or individuals who may be a party to a joint venture or similar agreement with the Contractor, and who shall be involved in any application development and/or operations.

18. **Business Continuity and Disaster Recovery:** The Contractor shall provide a business continuity and disaster recovery plan upon request and ensure that the Purchasing Entity's recovery time objective (RTO) of XXX hours/days is met. (XXX hour/days shall be provided to Contractor by the Purchasing Entity.) Contractor must work with the Purchasing Entity to perform an annual Disaster Recovery test and take action to correct any issues detected during the test in a time frame mutually agreed between the Contractor and the Purchasing Entity.

19. **Subscription Terms:** Contractor grants to a Purchasing Entity a license to: (i) access and use the Service for its business purposes; (ii) for IaaS, use underlying software as embodied or used in the Service; and (iii) view, copy, upload and download (where applicable), and use Contractor's documentation.

No Contractor terms, including standard click through license or website terms or use of privacy policy, shall apply to Purchasing Entities unless such terms are included in this Master Agreement via amendment.

Attachment B – Identification of Service Models Matrix

Offerors must complete the following form to identify the service models your firm offers under this RFP. You may provide a list of the different SaaS, IaaS, and/or PaaS services that you offer, including the Categorization of Risk that you have the ability to store and secure. This document is to provide purchasing entities and eligible users a quick snap shot of the cloud solutions your firm provides.

Service Model:	**Low Risk Data**	**Moderate Risk Data**	**High Risk Data**	**Deployment Models Offered:**
Saas	Varies by Manufacturer Offer	Varies by Manufacturer Offer	Varies by Manufacturer Offer	AODocs, CA Technologies, DocuSign, FireEye, Google, QTS, Salesforce, SAP, ServiceNow, Virtru, VMware
IaaS	Varies by Manufacturer Offer	Varies by Manufacturer Offer	Varies by Manufacturer Offer	FireEye, Google, QTS, Virtustream, VMware
PaaS	Varies by Manufacturer Offer	Varies by Manufacturer Offer	Varies by Manufacturer Offer	Google, QTS, Salesforce, SAP, ServiceNow, Virtustream

Carahsoft's solution providers each have different forms and procedures for providing solutions and services with varying levels of data management for each solution. Please see Carahsoft's Technical Response for additional information regarding risk data management of low, moderate, and high risk data.

Re: Carahsoft's Response to the State of Utah's Request for Proposal for NASPO ValuePoint Master Agreement for Cloud Solutions, Solicitation # CH16012.

Dear Mr. Hughes,

Carahsoft Technology Corp. appreciates the opportunity to respond to the State of Utah's Request for Proposals/Q/Information for Project Description.

5.2.1	Carahsoft Technology Corporation understands that they may be required to negotiate additional terms and conditions, including additional administrative fees, with Participating Entities when executing a Participating Addendum.
5.2.2	When writing this response Carahsoft utilized the OEMs being proposed as a part of this response to assist in preparing this response. Staff responsible for creating this proposal include Robert R. Moore – Vice President, Jack Dixon – Contract Specialist, & David Holl – Proposal Coordinator.
5.2.3	Carahsoft Technology Corporation is not currently suspended, debarred or otherwise excluded from federal or state procurement and non-procurement programs.
5.2.4	Carahsoft Technology Corporation acknowledges that a 0.25% NASPO ValuePoint Administrative Fee and any Participating Entity Administrative fee will apply to total sales for the Master Agreement(s) awarded from the RFP.
5.2.5	Carahsoft Technology Corporation is including an all-encompassing list of solutions in this response which covers the SaaS, PaaS, & IaaS categories. Services completion/deployment will vary based on manufacturer but will utilize either the manufacturers own integration policies and procedures or a third party subcontractor specializing in servicing the manufacturers' specific solution.
5.2.6	Carahsoft can provide varying levels of data risk support based on customer requirements, manufacturer, and solution type. Please see our response to Attachment H for further detail.

Please feel free to contact me directly at 703.871.8504/Robert.Moore@carahsoft.com or Jack Dixon at 703.230.7545/Jack.Dixon@carahsoft.com with any questions or communications that will assist the Agency in the evaluation of our response. This proposal is valid for 90 days from the date of submission.

Thank you for your time and consideration.

Sincerely,

Robert R. Moore
Vice President

EXECUTIVE SUMMARY

The one or two page executive summary is to briefly describe the Offeror's Proposal. This summary should highlight the major features of the Proposal. It must indicate any requirements that cannot be met by the Offeror. The Lead State should be able to determine the essence of the Proposal by reading the executive summary. See Section 5.4 of the RFP.

Prime Contractor: Carahsoft Technology Corp.

Carahsoft Technology Corporation understands that the State of Utah & NASPO ValuePoint is seeking a Master Agreement for Cloud Solutions.

Carahsoft has assembled a team from our vast portfolio of over 200 hundred vendors that includes our premiere network of cloud solutions, resellers, and subcontractors as the best solution to meet the State of Utah's requirements. The intent of our proposal is to deliver the highest value proposition at the lowest possible cost to the State of Utah, NASPO ValuePoint, & all participating entities for the acquisition of cloud solutions. Carahsoft understands the need for high quality cloud based service providers that have the ability to provide a menu of cloud solution offerings. Carahsoft's superior contract management and network of Cloud Solution Providers will ultimately increase the State & Participating Entities overall efficiency, reduce costs, improve operational scalability, provide business continuity, increase collaboration efficiencies, and all for expanded flexibility.

Carahsoft Technology Corp. is an IT solutions provider delivering best-of-breed hardware, software, and support solutions to federal, state and local government agencies since 2004. Carahsoft has built a reputation as a customer-centric real-time organization with unparalleled experience and depth in government sales, marketing, and contract program management. This experience has enabled Carahsoft to achieve the top spot in leading software license GSA resellers.

VENDOR RELATIONSHIPS – Just as each state, territory, and participating entity is unique in how they employ cloud solutions, Carahsoft's cloud offering follows a unique business model focusing on providing superior sales and marketing execution, a track record of success, high integrity, and a focus on strategic vendor relationships.

PROVEN EXECUTION (Growth and Experience of Sales) – Carahsoft has been supporting the IT needs of Government and Education Customers for more than 12 years. Our Public Sector Sales Team supports the Government, Education, and Healthcare vertical markets and is an enormous component of Carahsoft's ongoing and continued growth. In 2014, Carahsoft had revenues of over $2B in the public sector market. Our State & Local Government Sales Force is solely dedicated to supporting the unique needs of Higher Education, K- 12 Schools, State Government, and Local Government customers.

CONTRACT VEHICLES – Over the past ten years Carahsoft has acquired and maintained a wide variety of purchasing contract vehicles for agencies at the state, local, and federal levels. Carahsoft holds statewide contracts in many states across the country, and we have a great deal of experience with contract transitions. Associated with all contracts are dedicated and experienced contract management resources.

Carahsoft has leveraged its vast contracting experience and extended it to quoting and order management. Carahsoft seamlessly generates quotes within 30 minutes or less and processed over 56,000 orders in 2014 that were each completed the same day received.

GROWTH & STABILITY – Carahsoft has continued to show impressive growth year after year, turning annual revenue from $3.4 million in our first year in 2004 to $1.065 billion in 2011, $1.465 billion in 2012, $1.8 billion in 2013, and $2.45 billion in 2014. In September of 2014, 7,501 orders were processed worth over $626 million. We are a stable, conservative, and profitable company and have received numerous accolades including the 2013 GovCon Government Contractor of the Year Award in the greater than $300M revenue category. Carahsoft was also recognized in the following areas:

- Largest GSA Schedule 70 Contract holder for software
- 7th of the Washington Business Journal's 100 Largest Private Companies List for 2014
- 2012 Federal 100 Winner, Craig P. Abod, President and CEO
- 2013 Federal 100 Winner, John Lee, Vice President of Cloud Services

As a part of this response Carahsoft has utilized multiple Cloud Solution Vendors, covering all of the Cloud Solution Categories; SaaS, IaaS, PaaS. Carahsoft's strong vendor relationships and partner ecosystem have created an efficient and cost effective response which encompasses all vendor solutions into a single, easy to utilize vehicle. While the technical requirements of each solution vary, Carahsoft strives to consolidate these specifications and responses into a cohesive unit.

MANDATORY MINIMUMS

This section should constitute the Offeror's point-by-point response to each item described in Section 5 of the RFP, except 5.1 (Signature Page) and 5.4 (Executive Summary). An Offeror's response must be a specific point-by-point response, in the order listed, to each requirement in the Section 5 of the RFP.

5.1 – Signature Page

Proposals must be submitted with a vendor information form, located on Bidsync as an attachment to the RFP, which must contain an ORIGINAL HANDWRITTEN signature executed in INK OR AN ELECTRONIC SIGNATURE, and be returned with the Offeror's proposal.

Please find Carahsoft's Signature Page completed above.

5.2 – Cover Letter

Proposals must include a cover letter on official letterhead of the Offeror. The cover letter must identify the RFP Title and number, and must be signed by an individual authorized to commit the Offeror to the work proposed. In addition, the cover letter must include:

5.2.1 A statement indicating the Offeror's understanding that they may be required to negotiate additional terms and conditions, including additional administrative fees, with Participating Entities when executing a Participating Addendum.

5.2.2 A statement naming the firms and/or staff responsible for writing the proposal.

5.2.3 A statement that Offeror is not currently suspended, debarred or otherwise excluded from federal or state procurement and non-procurement programs.

5.2.4 A statement acknowledging that a 0.25% NASPO ValuePoint Administrative Fee and any Participating Entity Administrative fee will apply to total sales for the Master Agreement(s) awarded from the RFP.

5.2.5 A statement identifying the service model(s) (SaaS, IaaS, and/or PaaS) and deployment model(s) that it is capable of providing under the terms of the RFP. See Attachment C for a determination of each service model subcategory. The services models, deployment models and risk categories can be found in the Scope of Services, Attachment D. Note: Multiple service and/or deployment model selection is permitted, and at least one service model must be identified. See Attachment H.

5.2.6 A statement identifying the data risk categories that the Offeror is capable of storing and securing. See Attachment D and Attachment H.

Please find above Carahsoft's Cover Letter addressing these requirements.

5.3 – Acknowledgement of Amendments

If the RFP is amended, the Offeror must acknowledge each amendment with a signature on the acknowledgement form provided with each amendment. Failure to return a signed copy of each amendment acknowledgement form with the proposal may result in the proposal being found non-responsive.

Carahsoft acknowledges all amendments. Also please find below Carahsoft's Acknowledgement of Amendments form completed.

5.4 – Executive Summary

Offerors must provide an Executive Summary of its proposal. An Executive Summary should highlight the major features of an Offeror's proposal. Briefly describe the proposal in no more than three (3) pages. The evaluation committee should be able to determine the essence of the proposal by reading the Executive Summary. Any requirements that cannot be met by the Offeror must be included.

Please find above Carahsoft's Executive Summary addressing these requirements.

5.5 – General Requirements

5.5.1 Offeror must agree that if awarded a contract it will provide a Usage Report Administrator responsible for the quarterly sales reporting described the Master Agreement Terms and Conditions, and if applicable Participating Addendums.

Carahsoft agrees that if awarded a contract they will provide a Usage Report Administrator responsible for quarterly sales reporting described in the Master Agreement Terms and Conditions, and if applicable Participating Addendums.

5.5.2 Offeror must provide a statement that it agrees to cooperate with NASPO ValuePoint and SciQuest (and any authorized agent or successor entity to SciQuest) with uploading an Offeror's ordering instructions, if awarded a contract.

Carahsoft agrees to cooperate with NASPO ValuePoint and SciQuest (and any authorized agent or successor entity to SciQuest) with uploading Carahsoft's ordering instructions, if awarded a contract.

5.5.3 Offeror must at a minimum complete, provide, and maintain a completed CSA STAR Registry Self-Assessment. Offeror must either submit a completed The Consensus Assessments Initiative Questionnaire (CAIQ), Exhibit 1 to Attachment B, or submit a report documenting compliance with Cloud Controls Matrix (CCM), Exhibit 2 to Attachment B. Offeror must also represent and warrant the accuracy and currency of the information on the completed. Offerors are encouraged to complete and submit both exhibits to Attachment B.

For ease of access and evaluation, Carahsoft has provided these Assessment documents under separate cover. All copies have been submitted electronically per the instructions of the RFP. Please note that specific assessments have been labeled as confidential- additional information is provided in the Confidential, Protected, or Proprietary Information section.

5.5.4 Offeror, as part of its proposal, must provide a sample of its Service Level Agreement, which should define the performance and other operating parameters within which the infrastructure must operate to meet IT System and Purchasing Entity's requirements.

SERVICE LEVEL FRAMEWORK

The service levels ("Service Levels") applicable to the Services specified in Sections 1 and 2 are set forth in Schedule B to this SD ("Service Levels for Cloud Platform Services"). The framework that governs all Service Levels is set forth in this Section.

Commencement of Service Levels

Commencing thirty (30) days from the Service Start Date (as set forth in the applicable Order Form), Virtustream's performance of the Services will meet each applicable Service Level. If Virtustream's performance of the Services does not meet the applicable Service Level, then Virtustream will use commercially reasonable efforts to restore its performance to meet such Service Level.

Service Level Reports

Service Levels will be calculated and measured monthly by Virtustream on a calendar month basis and reported each month for the previous month. The reports will be provided to Customer by the tenth (10th) working day of the month following that to which such report relates, commencing on the second (2nd) month following the Service Start Date and each month thereafter. The monthly service level report will contain at least the following items: (i) Uptime statistics for the month concerned; (ii) an analysis of reported incidents over the previous month, broken down by type for discussion; (iii) action plans for items giving rise to concern; (iv) comments and observations on any issues arising from Virtustream's performance monitoring activities; (v) recommendations on service delivery strategies to maintain or enhance the service level; and (vi) review of general business requirements ("Service Level Report"). Cloud Platform Services (CPS) has its own specific service levels as described in this document. Cloud Cover Services (CCS) has service levels that pertain to the CCS offerings and are reported separately. Not all Virtustream customers have CCS but all Virtustream customers use CPS.

Service Level Review Meetings

Monthly Service Level review meetings will be conducted by Virtustream with Customer where the monthly Service Level report specified above will be discussed. If any of the Service Levels measured over the previous calendar month period is not achieved in that month, then Virtustream will include the steps taken to rectify the problem in the next monthly Service Level Report. In addition, the issue shall be an agenda topic for discussion at the next monthly service review meeting. Additionally, after restoring service or otherwise resolving any immediate problem as specified in this SD, if Virtustream fails to provide Services in accordance with the Service Levels, Virtustream shall:

a. Promptly investigate and report on the causes of such problem;

b. Provide a Root Cause Analysis of such failure as soon as practical after such failure or at Customer's request;

c. Correct such problem that is Virtustream's fault or responsibility, as soon as reasonably practicable and coordinate the correction of such problem if Virtustream does not have responsibility for the cause of such problem.

d. Advise Customer of the status of remedial efforts being undertaken with respect to such problem;

e. Demonstrate to Customer's reasonable satisfaction that the causes of such problem (that is Virtustream's fault or responsibility) have been or shall be corrected on a permanent basis; and

f. Take corrective actions to prevent any recurrence of such problem (that is Virtustream's fault or responsibility).

Root Cause Analysis

Promptly following Virtustream's failure to meet a Service Level, Virtustream will perform a root cause analysis to determine the reason for that failure. Upon Virtustream's determination of the cause of such failure, it will provide to Customer a preliminary report citing the cause of such failure. If Virtustream determines that the failure was due to Virtustream, an additional report will be provided that details the root causes of the failure, and which details any measures that should be taken to minimize the possibility that such failures will re-occur. Virtustream will correct the problem and use reasonable commercial efforts to minimize the re-occurrence of such failures.

Service Level Exceptions

Virtustream shall not be liable for any failure to meet the Service Levels, to the extent such failure was caused by one or more of the following:

a. A failure of Customer or any of its employees, agents or contractors (including any of Customer's third party service providers) to perform any of its responsibilities under this SD;

b. Any act or omission of Customer or any of its employees, agents or contractors (including Customer's third party service providers or other third parties acting on behalf of Customer);
c. Any hardware, software or other product of a third-party or Customer equipment;
d. Any failure of Customer to secure the proper access rights or maintenance and support services with respect to any component of the Services (e.g., hardware, software, network, maintenance) for which Virtustream does not bear operational responsibility;
e. Downtimes resulting from a Virtustream's scheduled maintenance windows;
f. Customer's reprioritization of the tasks to be performed by Virtustream where such reprioritization causes Virtustream to miss a Service Level;
g. Viruses; provided that the infected Virtustream-provided system had virus protection for which the virus protection software updates were up to date;
h. An election by Customer to purchase a base commitment that is not sufficient to run Customer's system (e.g., If a customer elects to size a µVM pool that is insufficient to run the designated workload);
i. Issues occurring outside of standard working hours (as defined for business level customers) — for which the Service Level Objectives (SLOs) do not apply;
j. Cloud Cover Services (CCS) offerings — for which the Service Level Objectives (SLOs) do not apply;
k. Resolution delays due to lack of client response and/or Customer provided credential based information;
l. Priority levels not agreed upon by both customer and supplier;
m. Claims of performance degradation not substantiated through Customer provided diagnostic testing results.

5.7 Recertification of Mandatory Minimums and Technical Specifications

Offeror must acknowledge that if it is awarded a contract under the RFP that it will annually certify to the Lead State that it still meets or exceeds the technical capabilities discussed in its proposal.

Carahsoft acknowledges that if awarded a contract under the RFP that it will annually certify to the Lead State that it still meets or exceeds the technical capabilities discussed in this proposal.

BUSINESS PROFILE

This section should constitute the Offeror's response to the items described in Section 6 of the RFP. An Offeror's response must be a specific point-by-point response, in the order listed, to each requirement in the Section 6 of the RFP.

6.1 – Business Profile Provide a profile of your business including: year started, organizational structure, client base (including any focus by region, market sector, etc.), growth over the last three (3) years, number of employees, employee retention rates (specific for employees that may be associated with the services related to the RFP) over the last two (2) years, etc. Businesses must demonstrate a minimum of three (3) years of experience providing cloud solutions for large scale projects, including government experience, to be eligible for award.

Carahsoft Technology Corp. was started in Reston, Virginia in 2004. Carahsoft remains headquartered in Reston Virginia employing over 500 people that specifically support the Public Sector (Federal, State, Local, and Public Funded Educational Entities Nationwide within the United States.) Carahsoft has built a reputation as a customer focused organization with depth of experience in government sales, marketing, and contract program management. Carahsoft is one of the largest sellers of Cloud (including SaaS, PaaS, and IaaS) to U.S. the Public Sector.

Carahsoft's organizational structure allows for very focused and individualized support of any customer. The Executive Management team at Carahsoft is responsible for all aspects of day to day running of the organization. Reporting to the Executive Management Team are Directors. It is the Director's primary responsibility to oversee a particular technology area(s) and to monitor and manage all aspects of the staff, customers, and business within that area. An example of a Technology Area at Carahsoft is the VMware Virtualization practice. A host of technology offerings that use VMware at their core are supported by a single business unit overseen by a single Director that has reach back and access to the Executive Management staff. The Director's are then supported by a group of Team Leads. Each Team Lead Oversees a business area (typically defined by customer type (i.e. State Customers) or technology type (i.e. Virtual Desktop). Each team lead oversees a staff that is responsible for executing and managing the activities within that business unit.

At its' core, this organizational structure is lean and efficient, lacking layers of middle management, and empowering individuals with decision making capability in order to support all customers quickly an efficiently.

Carahsoft boasts an excellent employee retention rate. Specific benchmarks that we track include employee retention at 2 years of employment and 4 years of employment with rates of 65% and 90% respectively.

Carahsoft has been providing cloud solutions since opening its doors in 2004. US Public Sector entities have relied on Carahsoft to provide a wide variety of cloud technologies. Carahsoft serves as the cloud distributor and provides access to the core cloud technology with the core technology being supported by companies such as SalesForce, Google, ServiceNow, etc. Carahsoft currently support a state-wide implementation of Service Now's cloud technology within the Commonwealth of Pennsylvania. This implementation is known as the Enterprise Information Help Desk and manages all incident requests. Additionally, in 2013, Carahsoft has contracted with the State of Ohio to provide a cloud solution built around the technology from Salesforce. Ohios' Department of Administrative Services has contracted for Carahsoft to provide a variety of services including Service Cloud, Radian6 and Marketing Cloud as well as others. Both the Ohio and Pennsylvania cloud solutions are still being provided to these organizations.

6.2 – Scope of Experience Describe in detail the business' experience with government or large consortium contracts similar to the Master Agreements sought through this RFP. Provide the approximate dollar value of the business' five (5) largest contracts in the last two (2) years, under which the Offeror provided Solutions identical or very similar to those required by this RFP. Government experience is preferred.

CONTRACT VEHICLES – Over the past ten years Carahsoft has acquired and maintained a wide variety of purchasing contract vehicles for agencies at the state, local, and federal levels. Carahsoft holds statewide contracts in many states across the country, and we have a great deal of experience with IT Master contracts accessible to numerous public agencies. Carahsoft has extensive experience in successfully launching, maintaining, and managing these contracts and projects over a wide range of government customers. The range of government projects include agency/ county/ city wide project, state-wide efforts, and multi-state contracts, as well as supporting projects that cross a wide range of Federal government customers. Examples of some of these projects include:

TEXServe Multi-jurisdictional Purchasing Program: Carahsoft promoted and managed the Texserve Contract-allowing the full VMware Products & Services portfolio to be procured by Texas K-12 Users at a discounted price.

TEXserve services including: VMware Technical Support, Pre-sales licensing configuration & design, contract promotion, ad hoc revenue reporting, and customer nurturing/ upsell campaigns. Carahsoft worked with Texserve, K-12 customers, to partner with a select number of VMware Premier and Enterprise Authorized Resellers utilizing their expertise under the Texserve contract.

ONENET Purchasing Consolidation: Carahsoft serves as the prime contractor and program manager for the ONENET contract serving the entire ONENET community providing the ability to procure VMware software (licensing/support) through a trusted network of strategic partners at a discounted rate. Carahsoft has a proven track record of providing the highest level of technical support while ensuring that members receive the proper software products and services conveniently under the ONENET Contract.

TX DIR Contract Sales: Carahsoft maintains a number of purchasing vehicles with the State of Texas Department of Information Resources (DIR.) 2014 DIR sales accounted for greater than $50M in revenues. Carahsoft actively markets these contracts and has grown revenues at greater than 10% annually for the past 5 years.

Total GSA State & Local Sales: Carahsoft holds a US General Services Administration (GSA) Schedule 70 Technology Contract. This contract is open to State and Local agencies to purchase as a form of Cooperative

Purchasing. Carahsoft markets the availability of this contract to eligible users and maintains sales revenues to eligible State and Local entities at greater than $50M annually.

As a whole, Carahsoft's five largest public sector contracts have totaled approximately $211,571,007 in sales in the past 2 years.

Carahsoft GSA Schedule	GS-35F-0119Y	$127,242,948.95
Texas DIR Emergency Preparedness Contract	TX-DIR-SDD-2035	$ 39,007,058.19
Texas DIR BMC Contract	TXDIR-SDD-1727	$ 15,734,306.68
Texas DIR Salesforce Contract	TXDIR-SDD-1793	$ 14,876,679.26
Texas DIR Adobe Contract	TX-DIR-SDD-2504	$ 14,710,013.43

Total Sales: $211,571,006.51

These contracts make up close to 2/3 of the total sales on contract that Carahsoft completed in that span. All of these contracts are currently in place with government entities.

6.3 – Financials Offeror must provide audited financial statements, of the last two years, to the State that demonstrate that an Offeror meets at a minimum Dun and Bradstreet (D&B) credit rating of 3A2 or better, or a recognized equivalent rating. Please provide the Respondent's D&B Number and the composite credit rating. The State reserves the right to verify this information. If a branch or wholly owned subsidiary is bidding on this RFP, please provide the D&B Number and score for the parent company that will be financially responsible for performance of the agreement.

Carahsoft has deemed its audited financials to be considered confidential. Additional information is provided in the Confidential, Protected, or Proprietary Information section. For D&B report along with additional clarification, please see page 360 in the Supplemental Information Section.

6.4 – General Information

6.4.1 Provide any pertinent general information about the depth and breadth of your Solutions and their overall use and acceptance in the cloud marketplace.

Carahsoft has assembled a team from our vast portfolio of vendors that includes our leading premiere network of cloud solutions, resellers, and subcontractors as the best solution to meet the State of Utah's requirements. They include:

AODocs, CA, DocuSign, FireEye, Google, QTS, Salesforce, SAP, ServiceNow, Virtru, Virtustream, VMware

Carahsoft is submitting as the exclusive offeror for all Google, Salesforce, and ServiceNow solutions and services for the NASPO Cloud solicitation. These manufacturers have deemed Carahsoft as the prime contractor who can effectively and efficiently manage the NASPO cloud contract on their behalf.

As a part of this response Carahsoft has utilized multiple Cloud Solution Vendors, covering all of the Cloud delivery models; SaaS, IaaS, PaaS. Carahsoft's strong vendor relationships and partner ecosystem have created an efficient and cost effective response which encompasses all vendor solutions into a single, easy

to utilize vehicle. While the technical requirements of each solution vary, Carahsoft strives to consolidate these specifications and responses into a cohesive unit. For example:

CA Technologies is a leader in IT Management Solutions in the industry. CA has be steadily moving its premier on premise management solutions to the cloud. CA Clarity Project and Portfolio Management (PPM) is one of the leading solutions used by state governments today.

Google's SaaS offering, Google Apps, has been commercially available since 2006 and presently has ~5.3 million paying customers covering 26m+ end user licenses. Google Apps represents a combination of the most popular consumer products that have been prepared for Enterprise use through the means of adding Administrative and Compliance Controls to the suite.

Gmail is the anchor product in the SaaS offering. Google has over 1B consumer users of Gmail and from that success designed a means by which customers could bring their own email-enabled domain name(s) into this managed service to replace legacy on-premises systems at a significantly reduced price. The straightforward means of migrating data as well as configuring the service and the knowledge that a majority of these business users may already be familiar with Gmail via personal use has made the adoption of Google Apps a logical choice.

Examples of the evolution of this SaaS offering include:
● Acquisition in 2007 of one of the leading email security and compliance vendors and the integration of those services to the Gmail Advanced Settings options. These features include the ability for customer System Administrators to set Spam, Content, Attachment and TLS policies to meet their specific requirements.
● In 2011 Google launches the Google Apps Status Dashboard, a publicly accessible website with RSS feeds to keep the world apprise of current system status.
● In 2012 Google increases the Gmail storage allocation from 10gb to 25gb, no change in price
● In 2013 Google modifies the storage space to unify email and Drive storage and increase the allocation to 30Gb, no change in price
● In 2014 Google offers a new premium SKU that offers unlimited unified Storage
● In 2015 Google enhances the Gmail Advanced Settings features to include pre-defined lexicons to support Data Loss Prevention scanning in email.

The above list is a short list of the variety of services, support offerings, features and best practices that Google has adopted into the service delivery of the SaaS offering. In addition to the wide use of GMail, Google has six other products with over a Billion active users. Those are Google Search, Chrome, Android, Google Maps, YouTube and Google Play.

Chrome as a browser and an operating system are further evidence of strong usage and market acceptance. In a report released by Net Applications in April of 2015, Chrome browser held 25.68% market share while IE11 had 25.04, followed by IE8 at 16.0. The increase in adoption by Enterprise customers is attributed to the real time updates against emerging threats and the Chrome for Enterprise browser controls.

Chromebooks, the laptops that run Google Chrome as the OS, are seeing a rapid increase in sales in the K-12 market worldwide. This is attributed to the low-cost and the easy-to-manage machines.

Google's PaaS/IaaS offerings entitled Google Cloud Platform was first announces in 2008 with Google App Engine, a platform to develop and host web applications. Early success on this platform included The Royal Wedding Website and BestBuy moving their online Gift Card/Registry service to the platform. Over the years, and based on market demand, Google began to externalize off PaaS/IaaS service offerings that Google developed originally for their own infrastructure and platform utilization.

Google continues to expose the benefits of Google's infrastructure to outside entities.

Or, put differently, Google lets customers use the same infrastructure that allows Google to return billions of search results in milliseconds, serve 6 billion hours of YouTube video per month and provide storage for 1Billion Gmail users.

Salesforce is the enterprise cloud computing leader dedicated to helping companies and government agencies transform into connected organizations through social and mobile technologies. Since launching its first service in 2000, Salesforce's list of over 150,000 customers span nearly every industry worldwide. The company's trusted cloud platform is creating a connected government experience for over 1000 government agencies including all federal cabinet government agencies and the majority of US States. With the world's leading cloud platform, Salesforce is freeing government data from legacy systems, empowering citizens and connecting agencies to administer government in powerful new ways. Government agencies are using Salesforce solutions for a multitude of government functions including grants management, constituent communications and correspondence management, incident and case management, call/contact center management, outreach programs, learning management, volunteer management, project management, and even donor management, among numerous others.

SAP is the fastest growing company at scale in the cloud with a user base of over 95 million subscribers. We also have the largest cloud portfolio of over 30 solutions for all lines of business as well as business suites. We also have 41 data centers in 21 locations in 11 countries.

6.4.2 Offeror must describe whether or not its auditing capabilities and reports are consistent with SAS 70 or later versions including, SSAE 16 6/2011, or greater.

Security is a multidimensional business imperative that demands consideration at multiple levels, from security for applications to physical facilities and network security. In addition to the latest technologies, world-class security requires ongoing adherence to best-practice policies. To ensure this adherence, our various cloud providers continually seek relevant third-party certification, including ISO 27001, the SysTrust audit (the recognized standard for system security), and SSAE 16 SOC 1 audit (an examination and assessment of internal corporate controls, previously known as SAS 70 Type II). SOC1, SOC2 and SOC3 audits are performed by third party auditor annually at a minimum. Additional audits and certifications include: CSA 'Consensus Assessments Initiative', JIPDC (Japan Privacy Seal), Tuv (Germany Privacy Mark), and TRUSTe.

Some examples include:

ServiceNow's security framework is based on ISO/IEC 27002 and has been ISO 27001 certified since 2012. Annually, ServiceNow undergoes ISO 27001 Surveillance audits and well as SSAE 16 attestations for both SOC 1 Type 2 and SOC 2 Type 2. Customers under an NDA can request these reports annually in assisting with both their vendor management and regulatory or compliance programs. ServiceNow provides Security Event Logs using Application Level Audit Logs and Infrastructure Monitoring,

Application Level Audit Logs. The ServiceNow application writes detailed audit log information that is stored in tables within a customer's instance. Since this is considered customer data and is stored within a customer's instance, ServiceNow does not attempt to monitor or view this data unless specifically requested by a customer. As a result the customer is responsible for monitoring the contents of these logs files and, at the customer's choosing, exporting the logs through the capabilities provided within the platform.

Infrastructure Monitoring. All components of the infrastructure supporting the private cloud feed alerts and logs into the SIEM. In addition, ServiceNow has deployed an Intrusion Detection System (IDS), positioned to listen to all inbound network traffic, with all events going to the SIEM as well. The SIEM is configured to automatically send alerts for common attacks. ServiceNow is responsible for managing the SIEM environment and securing the logs. ServiceNow retains all infrastructure logs for at least 90 days. The Security Operations Center (SOC) is also responsible for completing a daily checklist across a range of security domains, including privilege account usage, IDS alerts, file integrity monitoring (FIM), and database access. The daily checklists and captured events are managed through an instance of ServiceNow. Any variances that are discovered are raised as incidents for tracking, notifications, and investigation.

CA SaaS environment is compliant with SSAE16 for services where infrastructure and application are managed and maintained by CA. CA Agile Management currently does not hold SSAE16 certification. For SaaS offerings where infrastructure is managed by a third party, provider's SSAE16 reports are available upon request.

6.5 – Billing and Pricing Practices

6.5.1 Describe your billing and pricing practices, including how your billing practices are transparent and easy to understand for Purchasing Entity's.

Carahsoft's Order Management team works to ensure that billing and payment are completed in an efficient and simple manner. Purchase Orders and Invoices are provided to the customer early to ensure that payment can be completed whenever the customer is ready and within the confines of the agreed upon deal. Our OM team is available to answer any questions a Purchasing Entity has in order to assist with the process and confirm that they have everything needed for payment.

Carahsoft's pricing is dictated by the manufacturers- Carahsoft ensures that the Purchasing Entity's receive the best possible price by working directly with the manufacturer and ensuring that pricing meets or exceeds the contract being used. In addition, Carahsoft works with the manufacturer to ensure that all pricing changes are accounted for within the contract, as applicable.

6.5.2 Identify any typical cost impacts that a Purchasing Entity might need to consider, if any, to implement your cloud solutions.

When a purchasing entity determines they need implementation services to their cloud solutions, the Carahsoft offering provides these additional services. For Example:

ServiceNow Response: Customers typically engage ServiceNow for the initial implementation and training services and then for any major new future application implementations to get the best-of-breed expertise

for good standard solution support. ServiceNow developed the platform and applications so anyone could support changes to the configuration without having to hire outside consultants. The customer is empowered as they gain experience either by shadowing ServiceNow consultants during initial implementations, as they talking to other customers through the Community website, or by asking for technical support through the portal. So initial costs typically occur for ServiceNow when it is first implemented and there might be requested services as customers add new application support but there are no ongoing costs typically.

CA Cloud SaaS solutions are fully operational multi-tenant solution that are fully ready to use at outset. These Solutions are typically complex management solutions that do require setup and training. For example many customer will purchase a limited time block of consulting to help with loading data, and configuring reports. Training is also available for all applications to either augment start-up packs or walk customers through basic tasks.

In addition to the licensing fees there are optional Google services that a Purchasing Entity may find meet additional mandatory requirements. Examples would include adding on other SaaS solutions like Virtru for end to end encryption or AODocs for Document Management. The key benefit to moving to Cloud based vendors is a new set of transformative tools that are more productive and most cost effective than traditional client server solutions. Other additional costs may come into play of the Purchasing Entity wants to outsource all of the configuration and migration work to the selected reseller leading to additional time and materials expenses.

The Salesforce solution is available immediately for use via the internet after a Purchasing Entity makes a purchase of the solution. Other additional costs would include any implementation fees to be performed by a certified Salesforce implementation partner. These fees vary based on the type of project and length and complexity of implementation.

6.5.3 Offeror must describe how its Solutions are NIST compliant, as defined in NIST Special Publication 800-145, with the service models it offers.

Carahsoft's cloud solution offerings all fit within the guidelines listed in NIST publication 800-145 and repeated in Attachment D of this response. Please see response 8.1.5 for a more detailed explanation.

6.6 – Scope and Variety of Cloud Solutions

6.6 Specify the scope and variety of the service models you offer under this solicitation. You may provide a list of the different SaaS, IaaS, and/or PaaS services that you offer.

Carahsoft proudly offers a number of SaaS, PaaS, and IaaS supported by the cloud technologies as listed below. Many of our top tier cloud vendors also provide subscription and utility based pricing models which would be available to the State. Below is a list of each manufacturer being proposed in this response, along with the specific type of solution (SaaS, IaaS, and PaaS) they fit into:

SaaS – AODocs, CA Technologies, DocuSign, FireEye, Google, QTS, Salesforce, SAP, ServiceNow, Virtru, VMware
PaaS – Google, QTS, Salesforce, SAP, ServiceNow, Virtustream
IaaS – FireEye, Google, QTS, Virtustream, VMware

6.7 – Best Practices

6.7 Specify your policies and procedures in ensuring visibility, compliance, data security and threat protection for cloud-delivered services; include any implementations of encryption or tokenization to control access to sensitive data.

Carahsoft utilizes varying procedures for ensuring visibility, compliance, data security and threat protection for cloud-delivered services. Please see the below examples of potential options for meeting the State's expectations:

ServiceNow Response: ServiceNow applications have the advantage of being built on a single cloud platform that consists of one user interface, one code base and one data model; delivering holistic visibility into processes, creating a single source of truth, irrespective of whether the processes and systems are within the customer's environment or hosted in the cloud. ServiceNow invests significant resources in providing its services in a secure manner. This includes global teams delivering 24x7 operations and technical support from ServiceNow staff. ServiceNow currently has offices with staff focused on the management of the private cloud in Australia, the Netherlands, the U.K, North America, and Asia. The ServiceNow environment is a private cloud, fully owned and operated by ServiceNow, which supports a logically single tenant architecture. Customer data is isolated from other customer data by leveraging an enterprise-grade cloud architecture and a dedicated database and application set per instance. This gives ServiceNow customers cost reduction through shared infrastructure, while having the security benefits of customer-specific isolation at the application and data layers. In addition to the security features that come standard within the platform and each customer instance, customers can leverage the additional security features within ServiceNow to augment the security configuration of their instances based on their own needs and risk profile.

CA Response: This is addressed throughout all of our policies and procedures. CA SaaS Operations and Delivery runs an Information Security Management Framework (ISMS), which includes security organization, documentation, monitoring, and continuous improvement cycle. The security documentation comprises of CA SaaS Operations information security policies, procedures, guidelines and checklists. ISMS documentation is reviewed along with applicable controls annually. CA offers a variety of SaaS solutions, details for each offering has been provided in Exhibit 1 and 2 of this proposal.

Salesforce Response: Salesforce has many customers that are subject to laws pertaining to the processing of personally identifiable information (PII) or personal data. Salesforce offers its customers a broad spectrum of functionalities and customer-controlled security features that its customers may implement in their respective uses of the Salesforce services. Salesforce believes that these provide its customers the flexibility to comply with laws with stringent privacy and security requirements. Encryption options vary based on Salesforce Commercial Cloud or Salesforce Government Cloud offering.

Government Cloud Encryption:
As part of the Salesforce Government Cloud, Salesforce is capable of responding to FIPS 140-2 cryptographic implementations for data being transferred between the State's web browser and Salesforce. Data that resides within Salesforce's protected boundary does not use FIPS 140-2 validated encryption as compensating/mitigating controls are in place to protect data. Additional information is provided below.

Data In Motion:

Salesforce employs cryptographic mechanisms to protect information during transmission. All transmissions between the user and Salesforce are encrypted by default with a 2048- bit Public Key. Our service uses International/Global Step Up certificates. We support one- way TLS, in which customers create secure connections before sharing private data.
Secure routing and traffic flow policies ensure that customer traffic is encrypted entering Salesforce until the load balancer decrypts the traffic. The load balancers decrypting the traffic are FIPS 140-2 compliant and are located inside of the Salesforce Government Cloud isolation boundary.

Data At Rest:
NIST SP 800-53 Rev. 4 states in SC-28, “Information at rest refers to the state of information when it is located on a secondary storage device (e.g., disk drive, tape drive) within an organizational information system.” SC-28 also states, “Organizations may choose to employ different mechanisms to achieve confidentiality and integrity protections, as appropriate.” All secondary storage media (hard drives, disk drives, and tapes) containing customer data are maintained within Salesforce’s secure production data centers until the media has been sanitized and destroyed. Salesforce relies on physical access controls as a compensating control to protect the data.

ORGANIZATIONS PROFILE

This section should constitute the Offeror's response to the items described in Section 7 of the RFP. An Offeror's response must be a specific point-by-point response, in the order listed, to each requirement in the Section 7 of the RFP.

7.1 – Contract Manager

The Offeror must provide a Contract Manager as the single point of contact for management of the NASPO ValuePoint Master Agreement, administered by the State of Utah. The Contract Manager must have a minimum of three (3) years' experience managing contracts for cloud solutions.

7.1.1 Provide the name, phone number, email address, and work hours of the person who will act as Contract Manager if you are awarded a Master Agreement.

Bethany Blackwell
Senior Manager
703-230-7435 (office)
703-501-1134 (cell)
Bethany.blackwell@carahsoft.com
Working hours: 7am-7pm EST M-F

7.1.2 Describe in detail the Contract Manager's experience managing contracts of similar size and scope to the one that will be awarded from this RFP. Provide a detailed resume for the Contract Manager.

The proposed contract manager, Bethany Blackwell, has over 5 years of experience in managing SaaS contracts in both the State and Local and Federal markets.

Bethany developed and manages contracts and associated terms for cloud contracts in more than 10 states. The combination of the State and Federal contract vehicles and BPAs being managed is valued at over $300M. Annually, she oversees 1000+ SaaS transactions off of these contract vehicles which include licensing and implementation that provide end to end cloud solutions to public sector customers.

Relevant Experience
• Oversees the management and execution of 900+ individual SaaS contracts, valued at 85M+ annually • Maintain the annual recurring subscription renewal bases to ensure no customer's lapse in service • Oversees the ordering and distribution of licenses on statewide enterprise licenses agreements and various BPAs • Established vendor specific terms and conditions for 10 different statewide contracts • Assist customers in shifting buying strategy from perpetual to subscription licensing model

7.1.3 Describe in detail the roles and responsibilities of the Contract Manager as they apply to the NASPO ValuePoint Master Agreement that will be awarded from this RFP.

The Contract Manager assigned to this contract will be in charge of all coordination and organization efforts between Carahsoft and NASPO ValuePoint. This includes, but is not limited to:

- contract negotiation
- roll-out plan
- amendments completion
- renewal execution
- reseller/subcontractor additions
- contract pricelist updates and upkeep
- contract compliance
- marketing coordination

TECHNICAL RESPONSE

This section should constitute the Technical response of the proposal and must contain at least the following information:

A. A complete narrative of the Offeror's assessment of the Cloud Solutions to be provided, the Offerors ability and approach, and the resources necessary to fulfill the requirements. This should demonstrate the Offeror's understanding of the desired overall performance expectations and clearly indicate any options or alternatives proposed.

In response to the State of Utah request for Cloud Solution Proposals, Carahsoft has assembled a response that includes a number of Cloud Solution Offerings from within the Carahsoft Cloud framework. These offerings are all supported in part or wholly by twelve leading cloud technology providers. Each provider's technology is an integral part of Carahsoft's proposal. Within this framework, Carahsoft will orchestrate, assemble, and execute on all activities necessary to support this contract, engaging each cloud technology provider as needed in the delivery of a particular service or solution offering.

The Carahsoft Cloud framework will provide for all requirements of the State of Utah Request for Proposal to be fulfilled. Carahsoft will be able to provide Cloud Solution Offerings to the State of Utah as well as to those entities that may participate via the cooperative purchasing program. The Carahsoft Cloud proposal provides for the provision of PaaS, IaaS, and SaaS offerings that are compliant with all requirements as outlined by the State. Carahsoft will provide dedicated resources to supporting this agreement. Carahsoft will insure that adequate resources are supplied to fully support this agreement during all phases from contract launch through termination. Usage requirements and demand resources fluctuate over time and Carahsoft's Cloud offering has been constructed in a manner that provides for the ability to scale without interruption, disruption, or any other similar interruption of customer service and solution availability.

B. A specific point-by-point response, in the order listed, to each requirement in the Section 8 of the RFP. Offerors should not provide links to a website as part of its response.

Offeror's should focus their proposals on the technical qualifications and capabilities described in the RFP. Offerors should not include sales brochures as part of their response.

For the purposes of Carahsoft's response to the technical requirements (section 8) of this RFP, please note that any response provided related to a specific manufacturer should be treated as a response to the following categories:

SaaS – AODocs, CA Technologies, DocuSign, FireEye, Google, QTS, Salesforce, SAP, ServiceNow, Virtru, VMware
PaaS – Google, QTS, Salesforce, SAP, ServiceNow, Virtustream
IaaS – FireEye, Google, QTS, Virtustream, VMware

8.1 – Technical Requirements

8.1.1 Offeror must identify the cloud service model(s) and deployment model(s) it intends to provide to Eligible Users. See Attachment D.

CA	APM	CA APIM SaaS offering helps accelerate, secure and manage APIs. CA is responsible for development and management of application. AWS provides IaaS services to CA for management of the underlying cloud infrastructure.
	MAA	CA Mobile App Analytics stimulates collaboration between business analysts, developers, operations and support in order to accelerate mobile app delivery and improve end-user experience. This service is hosted at CenturyLink Data center and the infrastructure is managed and maintained by CA SaaS Ops and Delivery team.
	CA Agile	CA Agile Central is a SaaS offering that is generally used to document and manage work within the SDLC.
	ASM	CA App Synthetic Monitor (ASM) provides end-to-end transaction response-time visibility into cloud, mobile and Web applications. Application utilizes Rack Space IaaS services.
Google	The Cloud Service Models that we intend to provide include SaaS, PaaS, and IaaS. In our response we will describe the various options for using Google Apps under the SaaS model and the functions of Google Cloud Platform under Paas and Iaas.	
AODocs	The Cloud Service Models that we intend to provide is SaaS.	
Virtru	All Virtru services are cloud-based and accessed via browser or downloadable browser extensions and plugins.	
Salesforce	Salesforce's deployment model is a "public" cloud infrastructure, as defined by NIST 800-145	
ServiceNow	Cloud service model: Software as a Service (SaaS) Deployment model: Private Cloud	
QTS	"QTS is a leading national provider of Infrastructure as a Service (IaaS) data center solutions and fully managed cloud services and a leader in security and compliance. The company offers a complete, unique portfolio of core data center products, including custom data center (C1), colocation (C2) and cloud and managed services (C3), providing the flexibility, scale and security needed to support the rapidly evolving hybrid infrastructure demands of web and IT applications. With 12 data centers in eight states, QTS owns, operates and manages approximately 4.7 million square feet of secure, state-of-the-art data center infrastructure and supports more than 850 customers. QTS' Critical Facility Management (CFM) can provide increased efficiency and greater performance for third-party data center owners and operators. QTS offers a number of IaaS solutions.	
SAP	Ariba	Our solutions are offered and delivered in a true subscription-based model and shared service (multi-tenant) offering. There is no software to install, no hardware to buy, no maintenance or support costs and no need to hire consultants or tech specialists to run the system. We deploy and manage the infrastructure. Customers only need a web browser for access. Subscriptions include system maintenance, automatic upgrades, enhancements and application of service packs, Level 1– 3 help desk support, professional services and best practices built directly into the application.
	Fieldglass	The SAP Fieldglass application is exclusively offered in a software as a service (SaaS) model.
	Hanna	SAP HANA Enterprise Cloud (HEC) is a private managed isolated & dedicated ladnscape (single tenant) offering end-to-end cloud-based infrastructure and managed services for SAP applications powered by SAP HANA. It is a fully scalable, enterprise-ready, mission-critical, secure and high-availability cloud service.
	Hybris	The SAP Hybris Commerce, Cloud Edition offering are all single tenent hosted VM environments. Customers have their own VM's with SAP Hybris instances deployed to those VM's. The SAP Hybris Commerce, Cloud Edition currently

		has Development, Staging, Testing, and Production environment. More environments can be added as required.
	SuccessFactors	Our solutions are delivered through a private cloud using a multi-tenant architecture. We refer to this as a Controlled Cloud. It includes a contractual framework reflecting applicable data privacy regulations, implementation and maintenance in accordance with Technical and Organizational Measures (TOMS) and regular audits by an independent third party for industry compliance and transparency.
VMware	vCloud Air	IaaS – Public, Hybrid, Community
	Horizon Air Desktop & Apps	IaaS – Public
	vCloud Suite	IaaS – Private, Hybrid, Community
	Airwatch	IaaS – Private SaaS – Public
	Horizon 6	IaaS – Private
	Realize Air Complaince	SaaS – Public
	SocialCast	SaaS – Public
FireEye	All FireEye cloud offerings included in this response fit the SaaS cloud service model and private cloud deployment model.	
VirtueStream	Virtustream solution is fully NIST compliant for Essential Characteristics, as the Infrastructure as a Service (IaaS) Service Model, with all deployment options – Private Cloud, Community Cloud, Public and Hybrid Cloud.	

8.1.2 For the purposes of the RFP, meeting the NIST essential characteristics is a primary concern. As such, describe how your proposed solution(s) meet the following characteristics, as defined in NIST Special Publication 800-145:
8.1.2.1 NIST Characteristic – On Demand Self-Service: Provide a brief written description of how the cloud solutions proposed satisfies this individual essential NIST Characteristic. Attest capability and briefly describe how self-service technical capability is met.

CA	APM	N/A. This is a SaaS service and clients do not have direct access to the underlying infrastructure in order to provision computing capabilities. CA is responsible for the management and maintenance of the infrastructure and will make any necessary adjustments as part of providing this service to its clients.
	MAA	This is a SaaS offering and On-Demand service is not available, however, MAA customers are enabled to manage their accounts and carry out configuration changes required to manage mobile applications.
	CA Agile	We are a fully multi-tenant environment and do not provide the On-Demand Self-Service capability.
	ASM	This does not apply as this is a SaaS service. ASM customers are able to manage all aspects of their accounts, create sub-accounts, and make any configuration changes necessary for their monitors.
Google	SaaS, Google Apps administrators have access to an Admin Panel that allows them to perform user administration, service configurations, reporting on demand. Paas/IaaS, Google Cloud Platform is an integrated set of Compute tools, Storage Tools, Networking Tools, Big Data analytic tools, Management tools and Services APIs. A customer can use any of these services on demand via the Developer's Console.	
AODocs	SaaS, AODocs administrators have access to an Admin Panel that allows them to perform user administration, product configurations,reporting on demand.	

Virtru	All required services can be provisioned immediately when required. Users only need to install application to get single-user capability, or login to administrative dashboard for administrative features.	
Salesforce	Salesforce PaaS and SaaS solutions are delivered on-demand via the web and can be accessed with a browser and internet connection or mobile device. No additional software or infrastructure is required. Salesforce hosts the entire solution, thus freeing up customers to manage their mission, not manage an infrastructure solution. Additionally, Salesforce is browser agnostic and supports all major browsers (Firefox, Chrome, Safari, IE). No installations on users' laptops or desktops are required and thus the solution is accessible from anywhere an internet connection and supported browser are available, including mobile devices.	
ServiceNow	Customer instances are provisioned automatically after an agreement between a customer and ServiceNow is executed. ServiceNow actively monitors customer instance performance and can automatically scale its application servers out horizontally by adding them to the load balancer pools for a particular instance.	
Docusign	DocuSign's DTM® solution is ISO 27001:2013 certified and many of the ISO 27001:2013 controls are mapped to the NIST 800-53 requirements; we can provide additional information upon request.	
QTS	On-demand self-service. A consumer can unilaterally provision computing capabilities, such as server time and network storage, as needed automatically without requiring human interaction with each service provider.	
SAP	Ariba	The solution provides self-service user profile management. Users profit from the intuitive, minimal-step nature of the user interface with little or no training. Changes to user profile includes workflow capability for profile changes.
	Fieldglass	All system resources are available to all customers without limitation. The system is highly configurable with most configurations being available to the customer's administrators.
	Hanna	HANA Enterprise Cloud is a private managed cloud therefore infra & services could be requested (added or decommisioned) on demand by placing change requests with SAP HEC teams. HEC roles & responsibilties document clearly articulates what is included in the monthly HEC pricing and what is available on-demand in addition to scaling up or down on the infra/compute.
	Hybris	N/A
	SuccessFactors	All self-service is in one place, including benefits and payroll if those products are in scope. Self-service is an intuitive experience. We provide the ability for employees to have configured permissions to take action in the tool such as field or data updates for personal information, benefits changes, payroll actions, completing workflow for assigned activities in the tool, etc. Self-service for both employees and managers is configurable to fit your business rules and organizational requirements.
VMware	VMware's IaaS and SaaS offerings complies with the On-Demand Self-Service characteristic, because once purchased, a user can unilaterally provision compute resources with no human interaction with VMware. The subscription includes access to two self service consoles: My VMware for account management, and the VMware vCloud Air Console which is the primary interface for access consumption and management of cloud resources purchased from VMware. (See doc for a complete list of products/ features that comply)	
FireEye	FireEye is offering 4 distinct SaaS cloud solutions each featuring self-service features specific to the unique capabilities of the offerings: 1.Email Threat Prevention (ETP) Email Provisioning	

	Once the ETP infrastructure is provisioned, customers can self-service the acceptance of up-stream mail and delivery to user mailboxes by configuring their own domain settings. No user mailbox provisioning is required as ETP will automatically check the validity of the email recipient with the downstream service. 2.Mobile Threat Prevention (MTP) User Provisioning Once the MTP infrastructure is provisioned, customers can self-service the creation of service users by integrating with an LDAP service or manually adding the users via the user interface. Device Provisioning Once the MTP infrastructure is provisioned, customers can self-service the creation of managed devices by instructing users to install the FireEye MTP Application on their mobile device and having a valid user account provisioned. 3.Threat Analytics Platform (TAP) User Provisioning Once the TAP infrastructure is provisioned, customers can create and assign role-based access control to user accounts. The enrollment process includes the ability to create two-factor authentication for newly provisioned users. Data Sources Once the TAP infrastructure is provisioned, customers can configure new data sources to feed the TAP instance without the assistance of FireEye. The TAP communications broker accepts data feeds in the following formats: syslog, flat files, TCP/UDP streams, and JDBC connections. 4.FireEye as a Service with Continuous Vigilance (FaaS CV) User Provisioning Once the FaaS infrastructure is provisioned, customers can create and assign role-based access control to user accounts via the on premise FireEye sensors.
VirtueStream	Virtustream IaaS provides a self-service portal called xStream, where users can access, view, edit, provision, and modify compute, storage, network and application services based on granular Role Based Access Control, which can be integrated with Active Directory or LDAP. Virtustream portal that enables the user to provision VMs, order services through a catalog, add storage, upload service templates, and run various reports all through the same portal.

8.1.2.2 NIST Characteristic – Broad Network Access: Provide a brief written description of how the cloud solutions proposed satisfies this individual essential NIST Characteristic. Attest capability and briefly describe how network access is provided.

CA	APM	The APIM service is accessed via HTTPS on a supported browser with no requirements for a workstation client install ; mobile friendly and optimized for use with iOS and Android tablets
	MAA	Upon native authentication, MAA dashboard is accessible by any host over public internet. Also, mobile devices connect to the service using REST API.
	CA Agile	All access to the application is through a browser.
	ASM	The ASM dashboard and API are accessible from any host connected to the public Internet. The API and dashboard require authentication, and each account is only accessible by the account owner (customer).
Google	SaaS, Google Apps is device, platform and network agnostic. As a pure play cloud-based solution the services can be accessed via any modern browser from any network access point. Customers that have requirements to limit access to trusted devices or trusted access points have access to Device Management tools via the Admin Panel at no additional cost. PaaS/IaaS, Google Cloud Platform management services can be accessed via any modern browser from any network access point. End-users can accesses services through one or more	

	appropriate tools (browser, CLI, APIs, etc.). Administrators can also monitor and manage services through a mobile app.
AODocs	SaaS, AODocs is service, platform and network agnostic. As a pure play cloud-based solution the services can be accessed via any modern browser from any network access point.
Virtru	All Virtru services are available on the publically available internet.
Salesforce	Salesforce PaaS and SaaS solutions are delivered on-demand via the web and can be accessed with a browser and internet connection or mobile device. No additional software or infrastructure is required. Salesforce hosts the entire solution, thus freeing up customers to manage their mission, not manage an infrastructure solution. Additionally, Salesforce is browser agnostic and supports all major browsers (Firefox, Chrome, Safari, IE). No installations on users' laptops or desktops are required and thus the solution is accessible from anywhere an internet connection and supported browser are available, including mobile devices.
ServiceNow	ServiceNow's physical architecture is deployed into ServiceNow's managed dedicated colocation cage space. Multiple diverse Internet connections terminate within the dedicated cage space providing redundant access from the Internet to the ServiceNow environment. All users, administrators and developers connect to the ServiceNow private cloud over HTTPS, leveraging TLS, for communication to and from a ServiceNow instance with all normal interactions via a web browser. There is no requirement to install any client software on any desktop, laptop, tablet, or smart phone used to access a ServiceNow instance.
Docusign	Please see above.
QTS	Broad network access. Capabilities are available over the network and accessed through standard mechanisms that promote use by heterogeneous thin or thick client platforms (e.g., mobile phones, tablets, laptops, and workstations). QTS recognizes that the connectivity challenges of today are largely driven by consolidation, virtualization and adaptive architectures. Our agile connectivity solutions provide you with both unification across your communication infrastructure and with built-in network scale, reliability, and high-performance. QTS metroConnect is a fast, reliable, high bandwidth connection to hundreds of network and service providers inside the local Carrier Hotel. With access to the numerous networks at the carrier hotel, QTS delivers the interconnection necessary to support your connectivity, business continuity and application collaboration needs. metroConnect offers redundancy and diversity options that ensure your content is always available. •High availability •Backed by a 99.999% SLA •24x7x365 monitoring and management •Carrier-neutral model •Convenient access to an array of Carriers and Internet providers •Dedicated, secure, and highly resilient connectivity with speeds of 100Mbps, 1Gbps or 10Gbps* •Supports all connectivity redundancy, business continuity, and collaborative application needs QTS data centerConnect Service Data centerConnect is a secure, scalable, cost-effective way to connect your primary and secondary sites between two or more client environments located in different QTS data centers providing a reliable interconnection option for any size business. QTS data centerConnect enables data replication and recovery through its resilient and redundant network. This ensures your business operates successfully with seamless, day-to-day transactions over a high-performance, low latency connection that supports business continuity, data replication and other IT business application needs. With QTS data centerConnect you get: •High Availability – Resilient network architecture provides high availability and reliability
