

MINUTES

Regular meeting of the City Council of the City of Redlands held in the Council Chambers, Civic Center, 35 Cajon Street, on December 19, 2023 at 5:00 P.M.

Present: **Eddie Tejeda, Mayor**
 Paul Barich, Mayor Pro Tempore
 Denise Davis, Council Member
 Jenna Guzman-Lowery, Council Member
 Mario Saucedo, Council Member

Staff: **Charles M. Duggan, Jr., City Manager; Yvette M. Abich Garcia, City Attorney;**
 Jeanne Donaldson, City Clerk; Phillip Doolittle, City Treasurer; Janice McConnell,
 Assistant City Manager; Chris Boatman, Assistant City Manager; Carl Baker,
 Public Information Officer; Danielle Garcia, Management Services/Finance
 Director; Brian Desatnik, Development Services Director; John Harris, Municipal
 Utilities and Engineering Director; Rich Sessler, Fire Chief; Rachel Tolber, Police
 Chief; Tabitha Crocker, Facilities and Community Services Director

Mayor Tejeda called the meeting to order at 5:00 P.M. and stated there were no closed session matters scheduled for the City Council to consider, and the meeting was recessed until 6:00 P.M. for open session.

RECONVENE CITY COUNCIL MEETING

Mayor Tejeda reconvened the meeting at 6:00 P.M. Council Member Guzman-Lowery announced that due to illness, she would attend tonight's City Council meeting via teleconference under AB 2449 "Just Cause". This was the first of two allowable Just Cause exceptions for her under AB 2449. An invocation was provided by Mayor Pro Tem Barich and followed by the pledge of allegiance to the American flag.

PRESENTATIONS

Holiday Performance

The Redlands Girls Vocal Ensemble, led by Katharine Bond, performed musical selections celebrating the holiday season.

PUBLIC COMMENT

Mayor Tejeda announced that comments could be presented in-person, via Zoom, via cell phone or landline.

Community Center Rental Rates - William Hunt and Del Barrett, of the Sunkissed Square Dancing Club, said the rental rates for the Community Center have recently been raised by a staggering amount and are just too expensive for the club to afford any longer. The dancing club, open to anyone, particularly seniors, provides a fun way to exercise their minds and bodies. They added there was minimal notification of the impending increase, and they urged the Council to reconsider raising the rates.

Fourteenth Amendment - Joshua Hall requested the Council oppose the move to withhold Congressman Jay Obernolte and former President Donald Trump from putting their names on the ballot in 2024, due to their participation surrounding the January 6, 2021, attack on the U.S. Capitol.

Colorado Primary Ballot - Michael Paisner noted that it was the Colorado Supreme Court that barred former President Donald Trump from being on the primary ballot.

CONSENT CALENDAR

Minutes.

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, the regular meeting minutes of December 5, 2023.

Vote: 5 - 0 Passed

2024 Local Appointments List

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, the Local Appointments List for 2024 as required by Government Code Section 54972.

Vote: 5 - 0 Passed

Library Board of Trustees Appointments

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously reappointed, by roll call vote, Rosa Gomez and Martin Davis to each serve three-year terms on the Library Board of Trustees beginning January 1, 2024 and ending January 1, 2027.

Vote: 5 - 0 Passed

Cal Baptist University Learning Partner Agreement

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, a Learning Partner Agreement between the City of Redlands and Cal Baptist University offering discounted degree programs to City employees.

Vote: 5 - 0 Passed

Resolution No. 8525 Declaring Weeds a Public Nuisance

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously adopted, by roll call vote, Resolution No. 8525 declaring weeds a public nuisance and setting January 16, 2024, as the public hearing for objections to the proposed weed abatement.

Vote: 5 - 0 Passed

MOU Department of Behavioral Health Rapid Access to Mental Health Crisis Care

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, a Memorandum of Understanding between the Department of Behavioral Health and the City of Redlands Police Department to expand consumer rapid access to mental health crisis care through Community Triage, Engagement, and Support Teams and have community office space available for mobile Community Crisis Response Teams.

Vote: 5 - 0 Passed

Department of Defense Supplies Agreement

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, the State Plan of Operations Agreement and addendum between the State of California and the City of Redlands for the use of excess Department of Defense supplies and equipment; and authorized the Police Chief to execute both on behalf of the City.

Vote: 5 - 0 Passed

Resolution No. 8538 Annual DIF Report

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously adopted, by roll call vote, Resolution No. 853 approving the Annual Report of Development Impact Fees for the year ended June 30, 2023, and the findings contained therein.

Vote: 5 - 0 Passed

Resolution No. 8539 Signing Authority Investment Accounts

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, Resolution No. 8539 designating authorized signers for investment accounts and authorizing the Mayor to execute substantially similar resolutions for opening additional investment accounts with broker/dealers and financial institutions as recommended by the City Treasurer and rescinding Resolution No. 7676.

Vote: 5 - 0 Passed

CFD Annual Reports

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, to receive and file the Annual Reports for Community Facility District (CFD) No. 2001-1 and Community Facility District (CFD) No. 2003-1 pursuant to Local Agency Special Tax and Bond Accountability Act (SB 165).

Vote: 5 - 0 Passed

Time Extension Amendment California St/Redlands Blvd. Widening Project

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously determined, by roll call vote, that approval of the First Amendment to the Professional Services Agreement with CASC Engineering and Consulting, Inc. for the California Street and Redlands Boulevard Intersection Widening Project is exempt from environmental review pursuant to Section 15061(b)(3) of the State's guidelines implementing the California Environmental Quality Act; and approved the First Amendment to the Professional Services Agreement with CASC Engineering and Consulting, Inc. for the California Street and Redlands Boulevard Intersection Widening Project, to extend the time for completion to August 31, 2024.

Vote: 5 - 0 Passed

2nd Amendment Water Treatment Plant Sludge Press Engineering Project

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, the Second Amendment to the Professional Services Agreement with Dudek for the Hinckley Water Treatment Plant Sludge Press Engineering Project to extend the time for completion to June 30, 2024.

Vote: 5 - 0 Passed

Bid Rejection Cypress Ave / Cajon St Traffic Signal Improvement Project

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously rejected, by roll call vote, all bids received for the Cypress Avenue and Cajon Street Traffic Signal Improvement project, Project No. 253008; and directed staff to solicit new bids for the project as funds become available.

Vote: 5 - 0 Passed

2022 CIP Water Pipeline Replacement Project Time Extension

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, the Second Amendment to the Public Works

Contract with Tryco General Engineering for the 2022 CIP Water Pipeline Replacement Project to extend the time for completion by sixty (60) calendar days to February 11, 2024.

Vote: 5 - 0 Passed

Extending DIF Study Professional Services Agreement

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, the Third Amendment to the Development Impact Fee Study Professional Services Agreement with David Taussig and Associates, Inc. to extend the termination date to June 28, 2024.

Vote: 5 - 0 Passed

Resolution No. 8526 Contractor List

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously determined, by roll call vote, that adoption of Resolution No. 8526 is exempt from environmental review pursuant to Section 15061(b)(3) of the State's guidelines implementing the California Environmental Quality Act; and adopted Resolution No. 8526 establishing a contractor list pursuant to the Uniform Public Construction Cost Accounting Act.

Vote: 5 - 0 Passed

Joslyn Senior Center Renovation Project Time Extension

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously determined, by roll call vote, that approval of the agreement is exempt from an environmental review pursuant to Section 15061 of the State's CEQA guidelines; and approved the Fourth Amendment to the Public Works Contract with Armstrong Cal Builders, Inc. for the Joslyn Senior Center Renovation Project to extend the time for completion by forty (40) calendar days to January 31, 2024.

Vote: 5 - 0 Passed

In-Kind Request Martin Luther King Jr. Youth Kamp

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Denise Davis, the City Council unanimously determined, by roll call vote, that the event is categorically exempt from environmental review pursuant to Section 15061 (b)(3) of the state's guidelines implementing the California Environmental Quality Act; authorized the closure of 9th Street at Stuart Ave, from 7:00 a.m. to 5:00 p.m. for the Martin Luther King Jr. Youth Kamp event hosted by Unity in the Community on January 15, 2023; and authorized the expenditure of city resources and in-kind support in the amount of \$2,395 related to this event.

Vote: 5 - 0 Passed

In-Kind Request Stronger Together Now Giving Sunday

Facilities and Community Services Director Crocker introduced the request for a street closure of a portion of 5th Street from 9:00 a.m. to 7:00 p.m. and a request for commercial vendors for the Giving Sunday Event, hosted by Stronger Together Now (STN) to be held on January 28, 2024, within Ed Hales Park. Staff recommended expenditure of city resources and in-kind support in the amount of \$1,969 related to the event.

As public comment, Dale Broome and Joshua Hall opposed granting the requests and thought STN should pay the fees associated with the event, since they were based out of Rialto, not Redlands. They were also displeased that the group had hosted drag shows during their past events, which they considered to be inappropriate for families with young children. Michael Paisner, Chris Bishop, Janelle Guerrero and Pollyanna Flores expressed their appreciation of STN, whose work provides important value to the community and attempts to break down barriers to assist marginalized people and bring communities together. They added STN maintains valid non-profit status and licensing requirements were current.

Council Members Davis and Guzman-Lowery were in full support of STN's request and added these events bring vitality to the downtown area and their goals were in alignment with the City's Strategic Plan of diversity, equity and inclusion. Mayor Tejeda and Mayor Pro Tem Barich raised questions related to the number of requests submitted by STN and asked about permitting and licensing. Council Member Saucedo wondered whether the STN events were becoming somewhat too commercialized.

On motion of Council Member Denise Davis, seconded by Council Member Jenna Guzman-Lowery, the City Council determined, by roll call vote, that the event is categorically exempt from environmental review pursuant to Section 15311 of the State's guidelines implementing the California Environmental Quality Act; authorized the closure of a portion of 5th Street for the Giving Sunday event hosted by Stronger Together Now on January 28, 2024; and approved the expenditure of city resources and in-kind support in the amount of \$1,969 related to the event.

Vote: 4 - 1 Passed

PUBLIC HEARINGS

MLC HOLDINGS, INC. Development

Mayor Tejeda declared the meeting open as a public hearing and called on Senior Planner Ryan Murphy of Development Services, for an overview of the development applications submitted by MLC HOLDINGS INC. related to a project site located at 1160 West Pioneer Avenue. The applicant requested to remove the 14.62 gross acre project site from the East Valley Corridor Specific Plan and add the 14.62-acre project site to the existing Bergamot Specific Plan located directly north of the project site. The new residential area is proposed to be designated as "Neighborhood 4" and will include unique development standards for this designation. Also, a General Plan Amendment is proposed to amend the land use designation from "Commercial/Industrial" to "Medium Density Residential", which will allow up to 15 dwelling units per acre.

On November 14, 2023, the Planning Commission reviewed the proposed project and voted 6 to 0, adopting resolutions making recommendations that the City Council approve the following actions: 1) Adopt a Mitigated Negative Declaration and Mitigation Monitoring & Reporting Program for the proposed project; 2) Approve the Socio-Economic Cost/Benefit Study for the project; 3) Approve General Plan Amendment No. 145; 4) Approve Amendment No. 49 to Specific Plan 40; 5) Approve Amendment No. 1 to Specific Plan 64; 6) Approve Tentative Tract Map No. 20528; and 7) Approve Commission Review and Approval No. 945.

As public comment, Bobby Garrity stated the City was in a housing crisis and even though this development will bring new homes to the community, they would be far too expensive, and he urged the Council to change the City's zoning policies which force higher prices and make land scarce. Jennifer Maravillas supported the development in general but voiced strong concerns about the increased traffic that will be generated from this new project. Dan Jimenez raised questions about the in-lieu fee amounts as defined in the inclusionary housing program. Council Members discussed the landscape site plan, traffic and safety in the area, alternative travel routes to alleviate congestion, and the importance of utilizing the in-lieu fee account funds in appropriate ways. With no further discussion, Mayor Tejeda closed the public hearing.

On motion of Council Member Mario Saucedo, seconded by Mayor Pro Tempore Paul Barich, the City Council unanimously adopted, by roll call vote, Resolution Nos. 8529, 8530, 8532, 8533, 8534, and 8535 to approve the Pioneer Avenue residential subdivision project. This requires a 3/5 vote for approval; and adopted Resolution No. 8531 to approve the Measure U findings for the Pioneer Avenue residential subdivision project. This requires a 4/5 vote of the members of the City Council because of necessary Measure "U" findings and requirements.

Vote: 5 - 0 Passed

Resolution No. 8536 H&SPC Decision Appeal

Mayor Tejeda opened the public hearing and called on Planning Manager Brian Foote of Development Services, for a review of an appeal of the Historic and Scenic Preservation Commission's (HSPC) decision to deny Certificate of Appropriateness Permit No. 665. The property is within the Smiley Park Neighborhood Historic & Scenic District at 232 West Olive Avenue. It is a one-story residence constructed in 1898 and is a good example of the Victorian style. Beverly and Kenneth Winchester submitted an application to legalize/approve a 6-foot-high vinyl fence and a rolling slide gate placed within the street-side setback along Grant Street. The vinyl fence and gate were installed by the applicant in April 2022 without any building permits, and without the required approval of a Minor Certificate of Appropriateness and Minor Exception Permit.

The application was reviewed by the HSPC in four meetings, with several suggestions made by Commissioners to assist the applicant in achieving consistency with the Secretary of Interior Standards so that the application might be approved. The applicant declined numerous suggestions and did not want to revise the design with vinyl. On July 6, 2023, the HSPC voted to deny the Minor Certificate of Appropriateness application based on the inappropriate material of the fence/gate, lack of sufficient screening (i.e., vinyl fencing and vinyl-coated steel trellises for a landscape screen), and the applicant's unwillingness to change the proposed materials.

On September 19, 2023, the City Council held a public hearing to consider the Appeal and continued the meeting to an unspecified date. At that meeting, the Council instructed staff to work with the appellant to consider appropriate screening alternatives to achieve consistency with the City's "Historic and Scenic Preservation Design Manual" and the Secretary of the Interior Standards and Guidelines. Staff met with the appellant on two separate occasions to discuss fence placement and screening alternatives. The Minor Exception Permit (MEP) Committee met on November 13, 2023, and proposed conditions of approval to address a landscape "green" screen to help mitigate the appearance of the 6' fence, as well as modifying the fence corner adjacent to the property at 137 Grant Street to provide a sufficient traffic sight safety area. The appellant agreed to implement all conditions of approval as discussed and the MEP Committee members voted 3 to 0 to approve the request, subject to the Conditions of Approval. Beverly Winchester, the appellant, stated that a drip system would be installed along with the lattice work.

Council Members thanked staff for working closely with the property owner to come up with a workable solution. As public comment, Historic and Scenic Preservation Commissioner Kurt Heidelberg, said that the Commission was not presented this particular treatment, and he suggested the item be sent back to the Commission for their final approval. Council Members were concerned about delaying the project any further. No written comments were received and with no further discussion, Mayor Tejada closed the public hearing.

On motion of Mayor Pro Tempore Paul Barich, seconded by Council Member Mario Saucedo, the City Council unanimously adopted, by roll call vote, Resolution No.8536 to uphold the Appeal, and approve Minor Certificate of Appropriateness No. 665 subject to the conditions of approval.

Vote: 5 - 0 Passed

Resolution No. 8528 Inclusionary Housing In-Lieu Fee Amounts

Mayor Tejada declared the meeting open as a public hearing and called on Development Services Director Desatnik to provide background of Resolution No. 8528 adopting in-lieu fee amounts for compliance with the City's Inclusionary Housing Requirements. At the June 20, 2023 meeting, the City Council adopted an Inclusionary Housing Ordinance that requires a certain percentage of affordable housing units be provided. The ordinance authorizes an alternative means of compliance whereby a developer may pay an in-lieu fee if the housing development consists of for-sale or rental units, and for any fractional unit that is determined when calculating the total number of inclusionary units required.

Payment of an In-lieu fee is one of the alternative means of compliance provided for by the Inclusionary Ordinance. For-sale developments and rental developments of less than 23 units have the option of paying an in-lieu fee by-right. For a rental housing development with greater than 22 units, the Inclusionary Housing Ordinance requires City Council approval of a developer's request to pay an in-lieu fee, and to approve such a request the Council must find that providing the affordable units in the development would create unreasonable economic hardship due to such factors as project size, site constraints, and/or excessively large affordability gaps.

The City's consultant, Keyser Marston Associates, recently updated the Inclusionary Housing In-lieu Fee Analysis and made small adjustments to the recommended In-lieu Fees. The recommended fee for 'For-Sale' housing is \$9.10 per square foot, up from previously

recommended \$8.80. This was due to interest rates which increased from 6.14% in April to 7.7% in October, which decreases the Affordable Sales Price. During the same period, the market rate sales prices stayed relatively flat, and the combination resulted in increases to the affordability gaps.

The recommended fee for 'Apartment' developments is \$18.10 per square foot, down from \$19.80. This was due to an increase in the median income of approximately 7%, which increased the Affordable Rents. The market rents stayed relatively flat during the 9 months between rent surveys and resulted in a reduction in the Affordability Gap.

Council Member Davis thanked Director Desatnik for his work and developing more pathways to affordable housing. As public comment, Bobby Garrity voiced serious concerns about the fees associated with rental unit developments and asked why it was more than double that of for-sale developments. Dan Jimenez questioned whether the in-lieu payment amounts incentivized developers in the wrong direction. Director Desatnik explained that it was difficult to compare for-sale development fees directly to rental-unit development fees. He added that the City could potentially offer more to the community using the in-lieu payment funds rather than having a developer build a very limited number of moderately priced homes. With no further comment, Mayor Tejeda closed the public hearing.

On motion of Council Member Mario Saucedo, seconded by Mayor Pro Tempore Paul Barich, the City Council unanimously adopted, by roll call vote, Resolution No. 8528 adopting In-lieu fee amounts for compliance with the City's Inclusionary Housing Requirements; and determined that the Resolution is exempt from the California Environmental Quality Act pursuant to Section 15061(b) (3) of the California Environmental Quality Act Guidelines.

Vote: 5 - 0 Passed

NEW BUSINESS

2022-23 Year-End Encumbrance and Carryover Balances

Finance Department Management Analyst Miriam Ortega Valtierra reviewed additional appropriations for 2022-23 Year-End Encumbrance and Carryover Balances, adding that during the year-end closing process, staff routinely reviews previously approved budget activities and projects that remain in-progress and have not yet been completed. At the close of the previous fiscal year, all unexpended appropriations will lapse unless otherwise designated and approved as continuing appropriations in the current Fiscal Year 2023-2024.

Although the City Council adopted a two-year budget for fiscal years 2023 & 2024, budget policy requires that these unexpended appropriations in FY 2023 be presented to the Council with a request to approve their carryover into the current fiscal year. Because expenditures of previously encumbered and carried over items will occur in the 2023-24 fiscal year, an additional appropriation is necessary to prevent overspending of the current fiscal year's budget.

On motion of Council Member Mario Saucedo, seconded by Council Member Denise Davis, the City Council unanimously approved, by roll call vote, additional appropriations to the Fiscal Year 2023-24 budget for the Fiscal Year 2022-23 year-end encumbrances and carryovers.

Vote: 5 - 0 Passed

Climate Action Plan Update Consulting Services Agreement

Brian Foote, Planning Manager of Development Services, explained that in response to new State goals and mandates, the City is required to evaluate progress toward meeting targets established under the City's Climate Action Plan (CAP) that was prepared in 2017 by updating the CAP. According to State law, local agency actions should be consistent with statewide greenhouse gas (GHG) reduction targets. In 2017, the City adopted a CAP, concurrently with the 2035 General Plan Update. In addition to establishing the City's greenhouse gas (GHG) reduction strategies, the City's CAP can also help with streamlining environmental review of projects under the California Environmental Quality Act (CEQA). The City's CAP provides projections for the years 2030 and 2035. However, the City needs to benchmark progress since the CAP was prepared in 2017 to ensure that the City is progressing towards attaining the GHG reduction targets. Council Member Davis was pleased the City was working on this update, and she added that there was a lot of local interest in this matter, as well. Mayor Tejeda asked staff to determine whether Measure J funds could be used to offset some of the update costs.

On motion of Mayor Eddie Tejeda, seconded by Mayor Pro Tempore Paul Barich, the City Council unanimously determined, by roll call vote, that approval of a sole source Professional Services Agreement with Dyett & Bhatia, Urban and Regional Planners, is exempt from environmental review pursuant to Section 15061(b)(3) of the State's guidelines implementing the California Environmental Quality Act"; and approved the sole source Professional Services Agreement with Dyett & Bhatia, Urban and Regional Planners for professional consulting services related to the preparation of the City's Climate Action Plan Update for an amount not-to-exceed \$129,800.

Vote: 5 - 0 Passed

EIR for 2021-2029 Housing Element Rezoning Program Agreement

Development Services Director Desatnik detailed a Professional Services Agreement with Environment Planning Development Solutions, Inc., for professional consulting services including the preparation of an Environmental Impact Report and supporting technical studies for the 2021-2029 Housing Element rezoning program for an amount not-to-exceed \$322,455. Under the Regional Housing Needs Assessment (RHNA) required by state housing law, a total of 24 total sites were identified to be rezoned in order to meet the City's assigned RHNA allocation for various household income levels.

On motion of Mayor Pro Tempore Paul Barich, seconded by Mayor Eddie Tejeda, the City Council unanimously determined, by roll call vote, that approval of a sole source Professional Services Agreement with Environment Planning Development Solutions, Inc., is exempt from environmental review pursuant to Section 15061(b)(3) of the State's guidelines implementing the California Environmental Quality Act; and approved the sole source Professional Services Agreement with Environment Planning Development Solutions, Inc., for professional consulting services including the preparation of an environmental impact report and supporting technical studies for the Housing Element rezoning program for an amount not-to-exceed \$322,455.

Vote: 5 - 0 Passed

COUNCIL MEMBER ANNOUNCEMENTS AND ACTIVITIES

Mayor Tejeda enjoyed the Christmas Block Party at the Community Center, attended the Liberty Lane Groundbreaking, participated in the Wreaths Across America at Hillside Memorial Park in honor of our veterans, the Planning and Parks and Recreation Commission meetings, the Burrage Mansion Drive thru Christmas event, and the Heroes and Helpers event.

Mayor Pro Tem Barich participated in the Wreaths Across America at Hillside Memorial Park in honor of our veterans and enjoyed the Heroes and Helpers event.

Council Member Davis attended the Liberty Lane Groundbreaking, the 1st Anniversary and Closing Celebration of the Civil Rights institute in Riverside and enjoyed the Heroes and Helpers event.

Council Member Guzman-Lowery attended the Liberty Lane Groundbreaking and met with various constituents to discuss their concerns.

Council Member Saucedo enjoyed the Christmas Block Party at the Community Center, attended the Liberty Lane Groundbreaking, the Service Club Council meeting, and Wreaths Across America at Hillside Memorial Park in honor of our veterans. He attended an event hosted by Congressman Pete Aguilar, who welcomed the U.S. Department of Interior Secretary Deb Haaland to dedicate the detention basin of the Upper Santa Ana River Wash Plan Land Exchange.

ADJOURNMENT

There being no further action required the meeting adjourned at 8:26 P.M. The next regular meeting of the City of Redlands City Council will be held on January 16, 2024.
